8.2.1.1. Bulldog Way update (STF3)
Integrity is the focus for this month in the schools. Our next work day is scheduled for May. We will do more planning for next year.

8.2.1.2. AG Shop/Secondary BEST Grant update (FAC1)
The AG shop is mostly cleaned out and the equipment has been moved to the storage shed. Devon and a few of his students have done a great job packing up the building, and Vern and his crew have got everything moved.

We have gotten permits approved for most of our plans for the AG shop and the admin area. A couple of adjustments had to be made to the admin area as the breeze way walls needed upgrades to meet fire codes for the state. The asbestos is nonfriable and we do not have to do a full abatement. We are working with Neenan to determine the best path forward, but a short abatement/demolition period will help our scheduled start date.

8.2.1.3. Quarterly Financial Report

8.2.1.4. ELA review

8.2.1.5. Athletic & Activites Handbook
Mr. Fury and I have begun reviewing the handbooks we have had in the district. The coach's handbook has not been used for a few years, as far as we know. We are recreating the coaches handbook to focus on the responsibilities and duties of the coach. The athletics and activities handbook needs some updating to align with what our goals are in the district and to really align to

school philosophies. Our goal is to have the handbooks and training rules reviewed and updated by the June meeting for approval.

9. **Discussion Items - INFORMATION**

9.1. Policy for Review

9.1.1. GBGG - Staff Discretionary Leave - *Discussion Needed*

Need to discuss how discretionary leave is paid out. Currently, policy says discretionary leave is paid out at half the sub rate for the position. In the district, we have substitutes for teachers and paras, cooks, custodians, and bus drivers. The positions we do not have substitutes for are principals, deans, district administration assistants, business managers, and supervisors.

Looking at all discretionary pay out, including substitute covered positions, as listed above. What's the best rate to pay out our employees when they leave the district after five years? Options:
