La Joya Independent School District
Board Agenda Item Submission

Board of Education Meeting: February 11, 2026

District Priority: 5 Fiscal & Financial Responsibility

Agenda Category: Consent Item

Item Title: Approval for the Submission of Low Attendance Waiver for January 26, 2026

BACKGROUND:

La Joya ISD is requesting a waiver to excuse instructional day January 26, 2026, from ADA and FSP funding calculations for having at least 10 percentage points below the last school year's overall average attendance, for the district due to inclement weather, health, or safety-related issues.

RATIONALE:

La Joya Independent School District requests a low attendance waiver for January 26, 2026, due to extraordinary inclement weather resulting from a freeze warning issued by the US National Weather Service Brownsville/Rio Grande Valley Texas station; thus creating hazardous travel conditions districtwide. The district's 2024–2025 average daily attendance was 93.6%; however, attendance on January 26, 2026, declined to 69.60%, a 24 percentage point variance exceeding the 10% threshold for waiver consideration. The attendance reduction was caused by circumstances beyond the district's control and was not the result of deficiencies in attendance procedures or monitoring. Approval of this waiver is requested to avoid financial impact associated with this isolated weather-related event.

Item Title: Approval of Lone Star Governance Time Use Tracker Report - January 21, 2026

BACKGROUND:

The most effective school boards focus on improving student outcomes and codify their commitment to this by tracking how they spend their time during board meetings, spending upwards of 50% of their time discussing student outcomes. When we track how we spend our time, our board behaviors begin to become more closely aligned with our values. By adopting a vision, mission, goals, goal progress measures and constraints that are focused on improving student outcomes, we have shared what is important to us with our community and board behaviors should reflect such a focus by spending at least 50% of their time discussing student outcomes.

Re: 2026 Board of Directors Vacancy

Dear Mr. Alvarez:

It is with profound sorrow and heavy hearts that we inform you of the passing of our esteemed colleague and friend, Eddy Betancourt, Board of Directors Vice Chairman, who died on December 27, 2025.

Eddie has been a dedicated and valued member of the Board of Directors since 2020. His wisdom, kindness, and commitment have left an indelible mark on our organization, and he will be greatly missed by all who had the privilege of knowing him.

In accordance with the Texas Property Tax Code, Section 6.03 and Section 6.031, a vacancy in the Board of Directors has been declared following this unfortunate event. The existing Board of Directors must fill the vacancy in the manner as follows:

1. Participating taxing units must nominate candidates via resolution for a vacant appointed director seat.
2. Resolutions must be submitted by March 2, 2026.
3. The Chief Appraiser will compile the list of nominees and submit it to the current Board of Directors.
4. The Board will select a nominee from the list by majority vote to fill the vacancy at the March 11, 2026, Board of Directors meeting.

For your convenience, a sample resolution form is included; you are welcome to use it, or you may submit one prepared by your office. If you require additional information, please don't hesitate to contact me at (956) 381-8466.

Item Title: Approval of Lone Star Governance Board Self-Assessment Using the LSG Integrity Instrument

---

BACKGROUND:

Governance teams who reflect on their commitment of focusing on student outcomes are more effective than boards who do not reflect on their behaviors and actions. In LSG, we make the commitment to use a tool that was developed around effective board behaviors to self-evaluate whether or not they are getting better for the students in their district. This Quarterly Progress Tracker - Integrity Instrument is a part of the open meeting every quarter so that the board can be transparent about their behaviors and actions for their community.

RATIONALE:

The Integrity Instrument is a tool for boards to use to determine growth over time in board effectiveness. Effective boards complete this every quarter to track progress.

Implementation Integrity Instrument

The intention of Lone Star Governance is to provide a continuous improvement model for governing teams—boards in collaboration with their superintendents—that choose to intensively focus on one primary objective: improving student outcomes. Lone Star Governance accomplishes this intense focus through tailored execution of the five pillars of the Texas Framework for School Board Development, as adopted by the State Board of Education: Vision and Goals, Progress and Accountability, Systems and Processes, Synergy and Teamwork, and Advocacy and Engagement. In addition to its singular focus on improving student outcomes, Lone Star Governance provides a system for governing the secondary, but vital, legal and fiscal responsibilities of the board.

The board has ❑ adopted a vision statement; ❑ owned the vision development process while working collaboratively with the superintendent; ❑ adopted three to five **goals**; and ❑ owned the **goal** development process while working collaboratively with the superintendent.	All **goals** are specific, quantifiable, **student outcome goals** that include ❑ a **population**; ❑ a five-year **deadline** of a month and year; ❑ a **baseline of a month and a year;** ❑ **annual targets**; and ❑ **annual student group targets.**	❑ All board members and the superintendent agree that the **student outcome goals** 1. will challenge the organization; 2. require adult behavior change; 3. are **influenceable** by the superintendent; and 4. are the superintendent's first priority for resource allocation. ❑ The board relied on a root-cause analysis, comprehensive student needs assessment, or a similar research-based tool to inform the identification and prioritization of all **student outcome goals.**	All board members and the superintendent ❑ have committed the vision and **student outcome goals** to memory; ❑ know the current status of each **student outcome goal**; and ❑ agree there is broad community ownership of the board's vision and **student outcome goals** through involvement and communication with students, staff, and community members.

EVALUATION NOTES

The standard of evidence for items where board action is required will be the minutes of the meeting during which the board voted to take the described action. Where an opinion of the board is required, a resolution or vote passed by the board will meet the standard of evidence. Any board completing a self-evaluation using the LSG Integrity Instrument that is supported or reviewed by an LSG Coach may submit the review for the LSG Leaderboard. If the board would like their self-evaluation reviewed by an LSG Coach, please email the completed LSG Integrity Instrument to LSG@tea.texas.gov.

La Joya Independent School District
Board Agenda Item Submission

Board of Education Meeting: February 11, 2026

Strategic Priority: Priority 4 - Community, Trust, Unity and Partnership

Agenda Category: Action Item

Item Title: Consider and Take Possible Action Regarding a Resolution Creating and Regulating a Period of Daily Prayer Time and Reading Religious Texts During the School Day

BACKGROUND:

Senate Bill 11 from the 89th Legislative Session adds Texas Education Code section 25.0823, which allows school boards to designate time each school day at every campus for students and employees to pray and read the Bible or other religious texts. The bill requires that within six months of the effective date (by March 1, 2026), each district's board must take a record vote either to establish the daily prayer time and reading of religious texts by adopting the resolution set out in the new statute or to decline to establish the daily prayer time.

RATIONALE:

Current state and federal law, as reflected in Board Policy FNA (Legal) and FNA (Local), already provides students the right to voluntarily pray, read religious texts, express religious viewpoints, and organize religious groups before, during, and after school on the same basis as other noncurricular groups. Students' rights to religious expression are already well established and fully supported in La Joya ISD policies and practices. These rights remain unchanged regardless of whether the Board adopts a resolution under Senate Bill 11. If the District adopts a resolution, Senate Bill 11 requires implementation of various regulations by the District that do not currently exist under current law.

Item Title: Election of School Board Officers

BACKGROUND

On January 30, 2026, the Texas Education Agency (TEA) informed the district that the authority of the Board of Managers will be extended for an additional two years, through February 1, 2028. This decision reflects the progress the district has made in strengthening governance practices, enhancing financial oversight, and advancing student achievement. TEA also announced a change in board membership. Ms. Valeria Vega, a La Joya ISD alumna and Palmview High School Class of 2013 graduate, has been appointed to serve upon being sworn in, resulting in the reorganization of the La Joya ISD School Board.

RATIONALE:

The change in Board membership prompts the need for the School Board to nominate and elect officers: President, Vice-President, and Secretary.
