# THE STATE OF TEXAS

## GOVERNOR

 *To all to whom these presents shall come,  
Greetings: Know ye that this official recognition is presented to all observing*

## Career and Technical Education Month

### February 2026

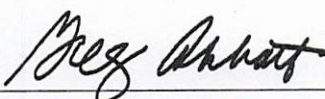

*The Texas of Tomorrow thrives on our innovation, and the workforce that keeps our economy strong depends upon the Career and Technical Education (CTE) that prepares the next generation of Texas leaders to take on new challenges. These programs prepare young people for high-paying jobs in high-demand fields, and in that light, investments in CTE will pay dividends for generations to come.*

*Recognizing the value of CTE programs, I made career training an emergency item for the 89th Texas Legislature. To help students unlock their full potential, I intend to work with lawmakers to expand the Jobs & Education for Texans (JET) grant program, enhance dual credit opportunities, support career training in rural areas, and strengthen career-aligned curriculum.*

*As we celebrate Career and Technical Education Month, let us recognize the students who pursue their calling in the trades, the educators who mold the next generation, and the employers who create rewarding opportunities for them.*

*First Lady Cecilia Abbott joins me in encouraging all Texans to observe Career and Technical Education Month with appropriate programs and activities.*

*In testimony whereof, I have hereunto signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin this the 28th day of January, 2026.*

**Board of Education Meeting:** February 25, 2026

**District Priority:** Priority 2 - Trust & Transparency

**Agenda Category:** Consent Item

**Item Title:** Approval of Budget Increase for Business and Finance Consulting Services by Elsie I. Schiro Consulting Company

**BACKGROUND:**

The District is seeking to continue financial consulting services to provide advisory and oversight support for budget monitoring, revenue projections (property tax and State aid), financial reporting review, audit support, compliance monitoring, and development of the 2026–2027 budget. The consultant previously provided similar services to the District from August 1, 2025 through February 28, 2026, in the contract amount of \$48,500.00. Pursuant to Board Policy CH (Local), all purchasing transactions, agreements, and/or contracts valued at \$50,000 or greater, singularly or in the aggregate per fiscal year, require Board approval; therefore, this item is being presented for consideration. The consultant will work under the guidance of the Chief of Business, Finance and Administrative Services and Superintendent or designee.

**RATIONALE:**

Due to the complexity of revenue forecasting, audit requirements, and regulatory reporting deadlines, these services will provide additional expertise to ensure accurate financial projections, timely budget adjustments, and continued fiscal compliance. The engagement will strengthen financial oversight and support informed business and financial decision-making for the District.

By the District, for convenience, with or without cause, immediately upon written notice, in which case Consultant shall be paid for services rendered up to termination at a pro rated amount proportionate to the Fees (defined below) earned for Services performed prior to termination; or

By either party immediately if the other party commits a breach of any of the material terms of this Agreement; provided that the breaching party has first been provided written notice of the breach and a thirty (30)-day opportunity to cure.

#### 3.0 Services and Fees

**3.1 Consultant** shall provide the Services set forth more particularly on the attached Exhibit A (“Services”) in exchange for the fees also described in Exhibit A. Consultant shall invoice the District within thirty (30) days of the date the Services are performed, and payment will be due within thirty (30) days of the District’s receipt of an invoice, subject to the Texas Prompt Payment Act.

**3.2** The Services shall be performed in a commercially reasonable manner. Consultant covenants that in performing the Services, it shall: a) comply with all federal, state and local statutes, codes, rules, regulations and guidelines including but not limited to safety and health matters, b) comply with any applicable generally accepted appraising standards, protocols and guidelines or other relevant professional standards, c) perform the Services in a professional manner, and d) perform all requirements that are generally performed by similar professionals in conducting the type of services required by this Agreement.

**3.3** The Services shall be performed on a non-exclusive basis. The District shall not be required to retain Consultant to perform any additional services not specifically set forth herein. **5.5** On request of District, Consultant shall provide all necessary identifying information to allow District to obtain criminal history record information for covered employees/contractors of the Consultant and all subcontracting entities. Consultant shall update this list on District’s request. Consultant shall further cooperate in all respects with any reasonable request by District to assist District in obtaining criminal history record information on the employees/contractors of Consultant, including without limitation paying any fees or costs reasonably requested by District to enable District to obtain needed criminal history record information.

**Purchasing Microsoft Azure Services**

Customer may purchase Microsoft Azure Services from SHI in one or a combination of the following ways: **Azure Prepayment:** Customer will have access to its entire Azure prepayment throughout the term of its Enrollment if Customer agrees to be invoiced for the full amount upfront (the "Fully Prepaid Option"). Alternatively, if Customer elects to be invoiced for its Azure prepayment on an annual basis, Customer will have access to an **Allocated Annual prepayment** each year of the Enrollment (the "Annually Prepaid Option"). Under the Fully Prepaid Option, any unused Azure prepayment will be forfeited at the end of the Enrollment, and under the Annually Prepaid Option, any unused Allocated Annual prepayment will be forfeited on the following Enrollment anniversary date.

**Using Azure prepayment:** Each month, Microsoft will deduct from Customer's Azure prepayment (or Allocated Annual prepayment, if applicable) the monetary value of Customer's usage of eligible Microsoft Azure Services. Once Customer's Azure prepayment (or Allocated Annual prepayment, if applicable) balance has been exhausted, any additional usage will be invoiced at Consumption Rates (as described below).

**Invoicing Azure prepayment:** If Customer elects the Fully Prepaid Option, Azure prepayment will be invoiced immediately. If Customer elects the Annually Prepaid Option, the first Allocated Annual prepayment will be invoiced immediately, and future Allocated Annual prepayments will be invoiced on the anniversary of the Enrollment effective date.

**Invoicing Azure prepayment overage:** If Customer's usage is higher than either its Azure prepayment under the Fully Prepaid Option or its Allocated Annual prepayment under the Annually Prepaid Option, such excess will be invoiced at Consumption Rates to Customer at the end of each Enrollment month.

**Consumption:** Customer pays based on the amount of Microsoft Azure Services consumed during a billing period. **Consumption invoicing:** If Customer provisions Microsoft Azure Services without an Azure prepayment, SHI will invoice customer in the following month of usage at Consumption Rates. All usage of the Microsoft Azure Services after the expiration or termination of Customer's subscription term will be invoiced by SHI to Customer at then-current Consumption Rates monthly.

SHI will invoice eligible Microsoft Azure Services at the contracted mark-up. Please refer to the Azure Portal or Pricing Calculator for more information on availability: <https://azure.microsoft.com/en-us/pricing/calculator/>

Due to the potential impact of any current or future tariffs, the price and availability of hardware items on this quote may be subject to change.

# La Joya Independent School District Board Agenda Item Submission

**Board of Education Meeting:** February 25, 2026

**Strategic Priority:** Priority 4 - Community, Trust, Unity and Partnership

**Agenda Category:** Consent Item

**Item Title:** Approval of the Lone Star Governance Time Use Tracker Report - February 11, 2026

**BACKGROUND:**

The most effective school boards focus on improving student outcomes and codify their commitment to this by tracking how they spend their time during board meetings, spending upwards of 50% of their time discussing student outcomes. When we track how we spend our time, our board behaviors begin to become more closely aligned with our values. By adopting a vision, mission, goals, goal progress measures and constraints that are focused on improving student outcomes, we have shared what is important to us with our community and board behaviors should reflect such a focus by spending at least 50% of their time discussing student outcomes.

Approval of the LSG Board Monitoring Schedule will ensure we are in compliance with the Lone Star Governance Texas

# La Joya Independent School District Board Agenda Item Submission

**Board of Education Meeting:** February 25, 2026

**Strategic Priority:** Priority 4 - Community, Trust, Unity and Partnership

**Agenda Category:** Consent Item

**Item Title:** Approval of Lone Star Governance Monitoring Report: Board Constraint 2

**BACKGROUND:**

In interviews with hundreds of board members and staff across the districts, researchers found that high-performing boards focus on establishing a vision supported by policies that target student achievement. Yet poor governance is characterized by factors such as micro-management by the board; confusion of the appropriate roles for the board member and superintendent; interpersonal conflict between board chair and superintendent; and board member disregard for the agenda process and the chain of command. Board members set goals and guardrails to ensure they are accountable to their community. This monitoring report measures Board Constraint 2. (Board members shall not communicate in a way that goes or appears to go against any of the Board and Board actions).

**RATIONALE:**

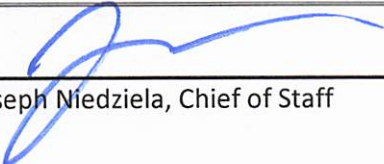

Effective school boards have a collaborative relationship with the Superintendent and the community and establish a strong communications structure to inform and engage both internal and external stakeholders about progress towards meeting goals in setting board constraints. We will revisit these constraints throughout the year to ensure we are making progress and honoring the values of our community.

- **Social Media:** Have I posted or shared content that undermines board unity?
- **Community Engagement:** Have I redirected concerns appropriately or unintentionally fueled dissent?
- **District Meetings:** Does what and how I communicate support our student outcome goals?

# Self-Evaluation

Indicator	Description	Rating (1–5)
Unity in Communication	I consistently communicate in alignment with board decisions.	
Respect for Board Actions	I avoid public or private criticism of board decisions.	
Clarity of Role	I refrain from giving personnel directives or opinions that conflict with board actions.	
Community Trust	I help build trust in the board by reinforcing its collective decisions.

**RE: Semi - Annual Delinquent Tax Collection Report (July 2025 – December 2025)**

Dear Dr. Sorensen and Members of the School Board:

The attached report summarizes our delinquent ad valorem tax collection program on behalf of La Joya ISD for the 2025 – 2026 semi – annual period. As demonstrated herein, our partnership with La Joya ISD and our collection program have proven to be successful and the right choice for the District and its taxpayers.

We truly appreciate the continued opportunity to represent La Joya ISD on all delinquent ad valorem tax matters and to work with the District's taxpayers on a daily basis. We are committed to continuing to provide the District with the most-experienced and dedicated ad valorem tax attorneys, which deliver the highest quality representation and consistent results. We remain available to address any questions/concerns you may have at your convenience.

Sincerely,

Kelly R. Salazar  
Capital Partner

We listen and continually adapt to your changing needs to ensure that we are providing the best possible customer service and deliver customized collection programs that yield the best possible results. The delinquent tax collection program for the La Joya Independent School District continues to emphasize two basic premises: to work with individual taxpayers to collect taxes owed to the District and to use the tool of litigation as a final option. The following information is an overview of our collections efforts during this reporting period.

## MAILINGS

Our extensive mailing program is designed to advise people who have not paid their La Joya Independent School District taxes of their delinquency. During the course of the fiscal year, we send delinquent notices, with varying degrees of intensity to the delinquent taxpayer. The intensity of the notice varies on factors such as: time of year, type of property and the particular needs of the jurisdiction.

**4 Demand Mailings – 14,014 Statements Mailed**

## CONTACTS

Our comprehensive collection services provide a wide scope of exceptional assistance to the La Joya Independent School District and its residents. Equipped with multi-skilled representatives, we create and manage flexible payment plans for taxpayers experiencing any financial hardship.

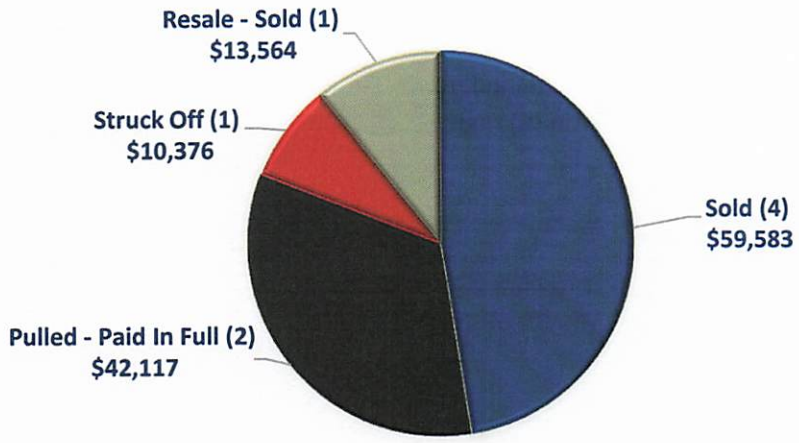

## LITIGATION

Filing a lawsuit to collect delinquent taxes is used as a final resort; after diligent efforts to contact and work with taxpayers are fully exhausted. Once the decision to file suit has been made, a complete property title search is conducted, the taxable property is further identified and all interested parties, including all lien holders, are identified and served with notice of the lawsuit.

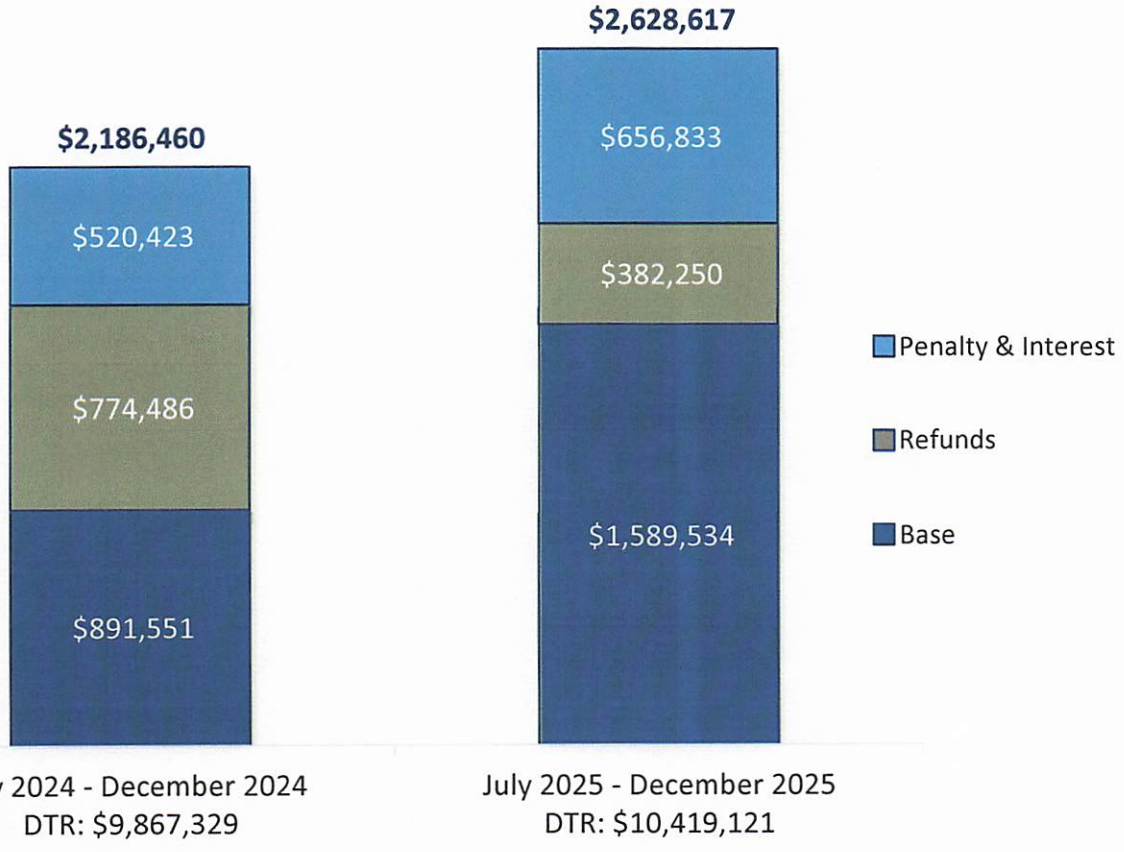

Litigation Activity	Cases	Base, Penalty and Interest
• Lawsuits Filed	113	\$755,209
• Lawsuits Disposed	52	\$355,683
• Judgments Taken	21	\$119,374
• Pending Litigation	447	\$3,645,821

## TAX SALES/RESALES

Our Office regularly monitors all judgments we take on behalf of La Joya ISD. During this period, three (3) tax sales and one (1) resale were conducted, placing eight (8) properties for sale.

## COLLECTIONS

SOURCE: HIDALGO COUNTY TAX OFFICE COLLECTION REPORTS

## **FUTURE OVERVIEW**

Our office is committed to making necessary adjustments to our collection procedures and methods to best advocate for the La Joya Independent School District. We will continue to offer firm yet flexible payment options for taxpayers experiencing financial hardship.

### **Review of Pending Judgments and the Filing of Additional Lawsuits**

During the remainder of the fiscal year, we will continue to work pending lawsuits for full payment or payment agreements. We will also continue researching the delinquent tax roll for possible new lawsuits; both real and personal property accounts.

### **Continued Monitoring of Bankruptcy Accounts**

As a continuation of our standard operating practice, we will actively monitor and verify accounts in bankruptcy for the payment of taxes, penalties, and interest owed to the District.

### **Digital Outreach**

Our office has implemented a new outreach initiative to delinquent taxpayers by sending text message reminders in addition to traditional mailed notices. These messages are delivered using a short code (a 5-to-6-digit number regulated by mobile carriers) which enhances legitimacy, security, and reliability while ensuring Linebarger's branding is clearly displayed so residents can easily recognize the sender. Short codes reduce the risk of messages being mistaken for spam, improve delivery rates, and demonstrate compliance with industry standards. A concise summary of the account, a phone number, and direct links to our vetted payment portal—ensuring the process remains simple, transparent, and accessible. When we help people resolve their obligations more easily, we help the district recover vital revenue more efficiently.

### **Mailing Program**

We continue to contact your taxpayers through mail correspondence for the remainder of the fiscal year. In addition to our scheduled mailings, we have implemented a compassionate letter program directed to taxpayers who are otherwise non-responsive to phone calls. These compassionate letters inform the delinquent taxpayer of options available for payment during this difficult period.

### **Scheduling of Property Sales**

As properties are taken to judgment, they will be reviewed and checked for payment. Those judgments with no taxpayer response will be further reviewed and scheduled for possible tax sale.

Execution of the work plan established for the La Joya Independent School District will include the constant monitoring of collection figures in order to adjust resources and enforce the collection of delinquent taxes. Our collection efforts will also include prosecuting pending suits to conclusion, mailing monthly letters, and filing new suits in order to maximize the collection of taxes. We will continue to work closely with you and your administrative staff to provide assistance and advice on all property tax matters, including changes in the law brought about by amendments to the Texas Property Tax Code.

**Board of Education Meeting:** February 25, 2026

**Strategic Priority:** Priority 5 - Operational Excellence and Financial Stability

**Agenda Category:** Action Item

**Item Title:** Approval of the Lone Star Governance Board Self-Assessment Using the LSG Integrity Instrument

**BACKGROUND:**

Governance teams who reflect on their commitment of focusing on student outcomes are more effective than boards who do not reflect on their behaviors and actions. In LSG, we make the commitment to use a tool that was developed around effective board behaviors to self-evaluate whether or not they are getting better for the students in their district. This Quarterly Progress Tracker - Integrity Instrument is a part of the open meeting every quarter so that the board can be transparent about their behaviors and actions for their community.

**RATIONALE:**

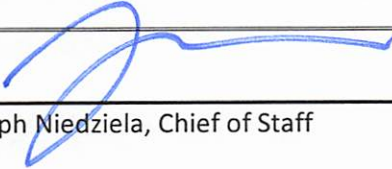

The Integrity Instrument is a tool for boards to use to determine growth over time in board effectiveness. Effective boards complete this every quarter to track progress.

## Implementation Integrity Instrument

The intention of Lone Star Governance is to provide a continuous improvement model for governing teams—boards in collaboration with their superintendents—that choose to intensively focus on one primary objective: improving student outcomes. Lone Star Governance accomplishes this intense focus through tailored execution of the five pillars of the Texas Framework for School Board Development, as adopted by the State Board of Education: Vision and Goals, Progress and Accountability, Systems and Processes, Synergy and Teamwork, and Advocacy and Engagement. In addition to its singular focus on improving student outcomes, Lone Star Governance provides a system for governing the secondary, but vital, legal and fiscal responsibilities of the board.
