5. **Business Affairs**

A. JDEP Program Transition and Name Change Approval
Assistant Superintendent Kylee Harrison will present the JDEP program and the recommendation to change the name. SOESD will take over operation of the program for the 2026-2027 school year. The program provides educational services within a 16-bed detention facility and focuses on competency development, restorative justice, vocational training, and evidence-based supports designed to strengthen academic progress and long-term outcomes for youth in custody.

The current name does not reflect the program's restorative, competency-based, and future-focused approach. "Momentum Learning Center" better captures its focus on building confidence, skills, and forward progress. The name was selected through a robust feedback process involving JDEP staff and participating students within the program.

PROPOSED ACTION: Move to approve renaming the JDEP program to the Momentum Learning Center and transferring operation of the program from the Medford School District to the Southern Oregon Education Service District, effective July 1, 2026.

B. Long Term Care and Treatment (LTCT) Integrated Program Plan Review and Approval.
Administration requests Board approval to submit an LTCT Integrated Program Plan application, as sites are now eligible for these ODE funds. ODE requires that new applications be presented at a public board meeting where community comment is allowed.

Proposed ACTION: Move to approve the SOESD LTCT Integrated Program Plan application for submission to the Oregon Department of Education.

Administration requests approval to accept up to $30,000 from Rogue Workforce Partnership to fund student scholarships up to $1,500 each for the 2026 Summer iBuild Program. Funds will support participation costs for up to 20 students ages 16-24.
