Budget Talking Points

Budgetary Status

The Preliminary FY 2027 budget is operationally balanced

Capital Projects Transfer

\$750,000 transfer from O&M to Capital Projects in accordance with board policy

Fund Balance to Expenditures Ratio: 31.3%

- Includes arbitrage profit as part of year-end fund balances
- **Ratio is <33%: Necessity of financial sustainability plan delivery to the Board by January**
- No surplus referendum dollars (excess interest) are factored in at this time

2026-27 Staffing Plans and Priorities

Priorities - consistent from prior years:

- Adherence to class size targets as established in the 2018-2019 school year as much as reasonably possible
- Balance class sizes across the District, while keeping students in their home schools as much as possible
- Provide quality supports and services across all 13 schools in all instructional environments
- Continue to hire highly qualified, child-centered educators for all positions

2026-27 Staffing Plans and Priorities

Class Size Targets (est. 2018)

Grades K-2: 80% of classrooms will have 24 or fewer students

If 25-27 students, communication related to the rationale

At 28 students, there needs to be an action of some sort (meeting, additional supports, additional staff, scheduling of specialists, etc.), along with communication about the decision

Grades 3-8: 80% of classrooms will have 26 or fewer students

If 27-28 students, communication related to the rationale

At 29 students, there needs to be an action of some sort (meeting, additional supports, additional staff, scheduling of specialists, etc.), along with communication about the decision

2026-27 Staffing Plans and Priorities

Planning for 2026-27

- Equitable decision making based upon class size targets
 - Action taken at identified number
 - Reducing sections where combining would yield a configuration that does not reach the action number
 - Consideration of specialized program students based upon their level of inclusion

2026-27 Staffing Plans and Priorities

Anticipated adjustments for 2026-27 from 25-26 configurations

- Henry Puffer Kindergarten - 1 section from 2 (26 students confirmed)
- Hillcrest Kindergarten - 3 sections from 2 (56 students confirmed with 5 in DLP)
- Hillcrest 1st Grade - 3 sections from 2 (55 students confirmed with 5 in DLP)
- Kingsley 1st Grade - 3 sections from 2 (54 students confirmed with 7 in BEST)
- Kingsley 4th grade - 2 sections from 3 (53 students confirmed with 1 in BEST)
- Lester 3rd grade - 2 sections from 3 (56 students confirmed)
- Lester 5th grade - 3 sections from 4 (83 students confirmed)

These plans are based on current confirmed enrollment. We continue to monitor enrollment and registration. Intra-District Transfers are also confirmed or denied based on whether that transfer would bring a class size to an action level.

2026-27 Staffing Plans and Priorities

Additional Staffing Plans and Priorities

- Middle School class sizes are generally averaging 21-25 in core classes, up to 27 in exploratory and PE, lower in some specific/specialized classes.
- Related Services districtwide are remaining FTE neutral with the middle school transition
- Resource and Specialized Programs are staffed based upon student needs/ IEP minutes.
 - District 58 is recognizing an increase in students who are entitled to IEPs going into 2026-27, particularly as students are transitioning to middle school
 - Specialized programs are realizing an increase in student numbers; in some cases this represents less outplaced students, but in other cases it is simply an increase based upon identified student needs

No final Board action will be taken at a closed meeting.

Reconvened or Rescheduled Meetings

A meeting may be rescheduled or reconvened. Questions and Answers:

***Required Question 1. Some attorneys find the Open Meetings Act's (OMA's) posting requirements for special meetings to be unclear and recommend that a board post notices and agendas of such meetings at the district's main office *and* at the location where the meeting is to be held. Consult the board attorney for guidance on this issue and ensure that posting practices align with this policy and administrative procedure 2:200-AP, *Types of School Board Meetings*. Posting at the meeting location promotes greater transparency.

Does the Board post notices and agendas for special meetings at the location where the meeting is to be held, in addition to posting at the district's main office? If yes, note that this policy may require posting in the same manner for reconvened and rescheduled meetings, in alignment with OMA.

- No (Default)
 - Yes (IASB will revise this sentence after "the District's main office" to add "and the location where the meeting is to be held")

BOARD OF EDUCATION

2:220 Board of Education Meeting Procedure

Agenda

The Board of Education President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Any Board member may submit suggested agenda items to the Board President for his or her consideration for an upcoming meeting. District residents may suggest inclusions for the agenda. ^{Q1} The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of Board of Education Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote ^{Q2} shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within ten days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every

closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained within the District's administrative offices or their official storage location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, ~~or~~ (4) unexpected childcare obligations, or (5) performance of active military duty as a service member. [PRESSPlus1](#) If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video; Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination.

The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use

the most recent edition of *Robert's Rules of Order Newly Revised*, as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

BOARD OF EDUCATION

2:250 Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.

Freedom of Information Officer

The Superintendent shall appoint an employee, who may be himself or herself, to serve as the District's Freedom of Information Officer. That appointee assumes all the duties and powers of that office as provided in FOIA and this policy.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District. The District's public records do not include *junk mail*. [PRESSPlus1](#)

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. Email requests must include the entirety of the request within the body of the email and not as an attachment or hyperlink. [PRESSPlus2](#) The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; ~~or~~
3. Complying with the request would be unduly burdensome; ~~or~~
4. The request would require the District to open electronically attached files or hyperlinks to view or access details of a request. In that case, the requester shall be notified within five business

days that the entirety of the electronic request must appear within the body of the electronic submission; or

5. The District has a reasonable belief that the request was not submitted by a person, and the requester fails to verify orally or in writing that they are a person within 30 days of the District's request for such verification. [PRESSPlus3](#)

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester

to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the Board of Education or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

The Complaint Manager will first attempt to resolve complaints without resorting to this grievance procedure. If a formal complaint is filed under this policy, the Complaint Manager will address the complaint promptly and equitably. A student and/or parent/guardian filing a complaint under this policy may forego any informal suggestions and/or attempts to resolve it and may proceed directly to this

grievance procedure. The Complaint Manager will not require a student or parent/guardian complaining of any form of harassment to attempt to resolve allegations directly with the accused (or the accused's parent(s)/guardian(s)); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. If a person is pursuing another remedy subject to a complaint under this policy, the District will continue with a simultaneous investigation under this policy.

Deadlines

All deadlines under this policy may be extended by the Complaint Manager as he or she deems appropriate. As used in this policy, *school business days* means days on which the District's main office is open.

Filing a Complaint

A person (hereinafter Complainant) who wishes to avail him or herself of this grievance procedure may do so by filing a complaint with any District Complaint Manager. The Complainant shall not be required to file a complaint with a particular Complaint Manager and may request a Complaint Manager of the same gender. The Complaint Manager may request the Complainant to provide a written statement regarding the nature of the complaint or require a meeting with a student's parents/guardians. The Complaint Manager shall assist the Complainant as needed.

For any complaint alleging bullying and/or cyberbullying of students, the Complaint Manager or designee shall process and review the complaint under Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*, in addition to any response required by this policy.

For any complaint alleging sex discrimination that, if true, would implicate Title IX of the Education Amendments of 1972 ([20 U.S.C. §1681 et seq.](#)), the Title IX Coordinator or designee shall process and review the complaint under Board policy 2:265, *Title IX Grievance Procedure*.

For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

For any complaint alleging sexual harassment or other violation of Board policy 5:20, *Workplace Harassment Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint according to that policy, in addition to any response required by this policy, and shall consider whether an investigation under Board policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*, should be initiated.

Investigation Process

The Complaint Manager will investigate the complaint or appoint a qualified person to undertake the investigation on his or her behalf. The Complaint Manager shall ensure both parties have an equal opportunity to present evidence during an investigation. The complaint and identity of the Complainant will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement,

(2) as necessary to fully investigate the complaint, or (3) as authorized by the Complainant.

The identity of any student witnesses will not be disclosed except: (1) as required by law, this policy, or any collective bargaining agreement, (2) as necessary to fully investigate the complaint, or (3) as authorized by the parent/guardian of the student witness, or by the student if the student is 18 years of age or older.

The Complaint Manager will inform, at regular intervals, the person(s) filing a complaint under this policy about the status of the investigation. Within 30 school business days after the date the complaint was filed, the Complaint Manager shall file a written report of his or her findings with the Superintendent. The Complaint Manager may request an extension of time from the Superintendent.

The Superintendent will keep the Board informed of all complaints.

If a complaint contains allegations involving the Superintendent or Board member(s), the written report shall be filed directly with the Board, which will make a decision in accordance with paragraph four of the following section of this policy.

Decision and Appeal

Within five school business days after receiving the Complaint Manager's report, the Superintendent shall provide his or her written decision to the Complainant and the accused as well as to the Complaint Manager. All decisions shall be based upon the *preponderance of evidence* standard.

Within 10 school business days after receiving the Superintendent's decision, the Complainant or the accused may appeal the decision to the Board by making a written request to the Complaint Manager. The Complaint Manager shall promptly forward all materials relative to the complaint and appeal to the Board.

Within 30 school business days after an appeal of the Superintendent's decision, the Board shall affirm, reverse, or amend the Superintendent's decision or direct the Superintendent to gather additional information. Within five school business days after the Board's decision, the Superintendent shall inform the Complainant and the accused of the Board's action.

For complaints containing allegations involving the Superintendent or Board member(s), within 30 school business days after receiving the Complaint Manager's or outside investigator's report, the Board shall provide its written decision to the Complainant and the accused, as well as to the Complaint Manager. This policy shall not be construed to create an independent right to a hearing before the Superintendent or Board. The failure to strictly follow the timelines in this grievance procedure shall not prejudice any party.

Appointing a Nondiscrimination Coordinator, Title IX Coordinator, and Complaint Managers

The Superintendent shall appoint a Nondiscrimination Coordinator to manage the District's efforts to provide equal opportunity employment and educational opportunities and prohibit the harassment of employees, students, and others.

The Superintendent shall appoint a Title IX Coordinator to coordinate the District's efforts to comply with Title IX.

The Superintendent shall appoint at least one Complaint Manager to administer this policy. If possible, the Superintendent will appoint two Complaint Managers, each of a different gender. The District's Nondiscrimination Coordinator may be appointed as one of the Complaint Managers.

The Superintendent shall insert into this policy and keep current the names, office addresses, email addresses, and telephone numbers of the Nondiscrimination Coordinator, Title IX Coordinator, and the Complaint Managers.

OPERATIONAL SERVICES

4:165 Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of: (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) grooming behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children, and define prohibited grooming behaviors, the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program. The Program will:

1. Educate students with:
 - a. An age-appropriate and evidence-informed health and safety education curriculum that includes methods for how to report child sexual abuse and grooming behaviors to authorities, through policy 6:60, *Curriculum Content*;
 - b. Information in policy 7:250, *Student Support Services*, about: (i) District counseling options, assistance, and intervention for students who are victims of or affected by sexual abuse, and (ii) community-based Children's Advocacy Centers and sexual assault crisis centers and how to access those serving the District.
2. Train District employees about child sexual abuse and grooming behaviors by January 31 of each school year with materials that include:
 - a. A definition of prohibited grooming behaviors and employee-student boundary violations pursuant to policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*;
 - b. Evidence-informed content on preventing, recognizing, reporting, and responding to child sexual abuse, grooming behaviors, and employee-student boundary violations pursuant to policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; 5:90, *Abused and Neglected Child Reporting*; 5:100, *Staff Development Program*; and 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; and
 - c. How to report child sexual abuse, grooming behaviors, and/or employee-student boundary violations pursuant to policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
3. Provide information to parents/guardians in student handbooks about the warning signs of child sexual abuse, grooming behaviors, and employee-student boundary violations with evidence-informed educational information that also includes:
 - a. Assistance, referral, or resource information, including how to recognize grooming behaviors, appropriate relationships between District employees and students based upon policy 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of*

Interest, and how to prevent child sexual abuse from happening;

- b. Methods for how to report child sexual abuse, grooming behaviors, and/or employee-student boundary violations to authorities; and
 - c. Available counseling and resources for children who are affected by sexual abuse, including both emotional and educational support for students affected by sexual abuse, so that the student can continue to succeed in school pursuant to policy 7:250, *Student Support Services*.
4. Provide parents/guardians of students in any of grades K through 8 with not less than five days' written notice before commencing any class or course providing instruction in recognizing and avoiding sexual abuse, as well as the opportunity to object in writing. [PRESSPlus1](#)

General Personnel

5:30 Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board of Education policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. If the Superintendent's recommendation is rejected, the Superintendent must submit another. The Superintendent may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval. No individual will be employed who has been convicted of a criminal offense listed in [105 ILCS 5/21B-80\(c\)](#).

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in [105 ILCS 5/21B-80](#) or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant

for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination. [PRESSPlus1](#)

Orientation Program

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

5:50 Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition

All District workplaces are drug- and alcohol-free workplaces.

An employee is *on call* when the District schedules the employee with at least 24 hours' notice to be on standby or otherwise responsible for performing employment-related tasks either at the District or another location previously designated by the District. [PRESSPlus1](#) All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being *on call* for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectable, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, [105 ILCS 5/22-33](#). The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

Professional Personnel

5:250 Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Sabbatical Leave, Personal Leave, Child-Rearing Leave (Parental Leave), Association Leave, Public Office, Professional Conferences, Jury Duty

Please refer to the applicable collective bargaining agreement(s).

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, [20 U.S.C. §2601 et seq.](#)) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, spouse, [PRESSPlus1](#) domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs. However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Leave of Absence Without Pay

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the same Election Day.

Leaves for Service in the Military

Leaves for service in the U.S. Armed Services or any of its reserve components and the National Guard, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in military service does not acquire tenure.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than

four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 ([29 U.S.C. §2601 et seq.](#)).

Leaves to Serve as an Officer, Trustee, or Representative of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) up to twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with [105 ILCS 5/24-6.3](#), (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in [105 ILCS 5/24-6.2](#), and (4) up to 10 days of paid leave per school term for teachers elected to represent a statewide teacher association in federal advocacy work in accordance with [105 ILCS 5/24-3.5](#).

COVID-19 Paid Administrative Leave

When applicable, paid administrative leave related to COVID-19 will be granted to eligible employees in accordance with State law.

Family Neonatal Intensive Care Leave [PRESSPlus2](#)

An unpaid leave from work is available to any staff member whose child [PRESSPlus3](#) is a patient in a neonatal intensive care unit (NICU) in accordance with the requirements of the Family Neonatal Intensive Care Leave Act. Educational Support Personnel

5:330 Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick Leave

Full time and part-time educational support personnel who work five (5) days per week and at least 600 hours per year will receive 15 paid sick leave days per year. Part-time employees who work five (5) days per week will receive sick leave pay equivalent to their regular workday. Part-time employees who work fewer than five (5) days per week will receive sick leave days on a pro-rata basis in relation to the number of days worked during a five (5) day week. Unused sick leave shall accumulate to a maximum of 260 days for 12-month employees and 180 days for 10-month employees, including the leave of the current year. This policy is the District's written plan allowing eligible employees to convert eligible accumulated sick leave to service credit upon a District employee's retirement under the Ill. Municipal Retirement Fund.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. Immediate family or household shall include spouse, children, parents, brothers, sisters, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, children-in-law, stepchildren, ward, and legal guardians. The Superintendent or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care,

paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Bereavement Leave

In case of death in the non-probationary employee's immediate family, a maximum of four (4) days absence shall be allowed at full pay. Any time required beyond four (4) days shall be assessed against the accumulated sick leave. Immediate family or household shall include spouse, children, parents, brothers, sisters, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, children-in-law, stepchildren, ward, and legal guardians.

For the purpose of attending the funeral of any other non-immediate family, a non-probationary employee shall be allowed a maximum absence of two (2) days without loss of salary. The non-immediate family shall be defined as grandparents-in-law, guardians of the employee's spouse, step grandchildren, uncles, aunts, nieces, nephews, and cousins of the first degree. Friends are not considered to be immediate or non-immediate family. Time off without pay or personal leave will be allowed for this purpose.

Personal Leave

Full-time educational support personnel will be granted one (1) paid personal leave day per year for the first three years of service in the District, cumulative to three (3) days. Thereafter, full-time educational support personnel will be granted two (2) paid personal leave days per year, cumulative to four (4) days.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, a personal leave request should be submitted to the immediate supervisor/administrator three days before the requested date.
2. No personal leave day may be used immediately before or immediately after a holiday, or during the first and/or last five days of the school year, unless the Superintendent grants prior approval.
3. Personal leave may be used in quarter day increments (quarter, half, three-quarters, full day).
4. Personal leave is subject to any necessary replacement's availability.
5. Personal leave may not be used when the employee's absence would create an undue hardship.

Holidays

Employees will not be required to work on legal school holidays, as indicated on the employee's individual work calendar, which is established annually by the Superintendent or designee.

A holiday will not cause a deduction from an employee's time or compensation. The District may require educational support personnel to work on a school holiday during an emergency or for the continued operation and maintenance of facilities or property.

Vacation

Full time twelve-month employees who work a minimum of 225 days per school year shall be eligible for paid vacation days according to the schedule in the applicable collective bargaining agreement,

employee handbook or individual contract.

Days earned/accrued during the work year will be allocated on July 1 of the new work year. The Superintendent or designee will determine the procedure for requesting vacation.

Beginning July 1, 2021, vacation days earned in one fiscal year must be used by the end of the following fiscal year; they do not accumulate. Employees resigning or whose employment is terminated are entitled to the monetary equivalent of all earned vacation.

Leave to Serve as a Trustee of the Ill. Municipal Retirement Fund

Upon request, the Board will grant 20 days of paid leave of absence per year to a trustee of the Ill. Municipal Retirement Fund in accordance with State law.

Other Leaves

Educational support personnel receive the following leaves on the same terms and conditions granted professional personnel in Board policy 5:250, *Leaves of Absence*:

PRESSPlus 1. To comply with the Elementary and Secondary Education Act (ESEA), a board must incorporate by reference the district's exhibits 6:170-AP1, E1, *District-Level Parent and Family Engagement Plan*, and 6:170-AP1, E2, *School-Level Parent and Family Engagement Plan*. These exhibits, which have both been renamed to more closely align with federal statutes and guidance and terminology used by ISBE, contain all legally required components and are compatible with sample templates contained in the U.S. Dept. of Education's non-regulatory guidance titled Parent and Family Engagement (2025), at: www.ed.gov/media/document/parent-and-family-engagement-guidance-2025-109202.pdf.

Districts receiving a Title I, Part A allocation that are required to submit proof of parent and family engagement (PFE) compliance to the Ill. State Board of Education (ISBE) as part of their FY 2027 Consolidated District Plan (CDP) will need to submit this adopted policy and both exhibits 6:170-AP1, E1 and 6:170-AP1, E2. **Please note that the plans must be customized to reflect the district's actual Title I parent and family engagement activities.** At the end of March, ISBE will offer a recorded webinar on CDPs that will include additional information on Title I requirements. **Issue 121, March 2026**

STUDENTS

7:50 School Admissions and Student Transfers To and From Non-District Schools

Age

To be eligible for admission, a child must be five years old on or before September 1 of that school term. A child entering first grade must be six years of age on or before September 1 of that school term. Based upon an assessment of a child's readiness to attend school, the District may permit him or her to attend school prior to these dates. A child will also be allowed to attend first grade based upon an assessment of his or her readiness if he or she attended a non-public preschool, continued his or her education at that school through kindergarten, was taught in kindergarten by an appropriately licensed teacher, and will be six years old on or before December 31. A child with exceptional needs who qualifies for special education services is eligible for admission at three years of age. Early entrance to kindergarten or first grade may also be available through Board policy 6:135, *Accelerated Placement Program*.

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within ten days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that ten-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*.

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U.S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade

level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Ill. Dept. of Children and Family Services (DCFS) when enrolling in or changing schools. The District's liaison ensures that DCFS' Office of Education and Transition Services receives all written notices and records pertaining to students in the legal custody of DCFS as required by State law.

Student Transfers To and From Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

STUDENTS

7:100 Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students

Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering kindergarten or the first grade;
2. Entering the sixth grade; and
3. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required for students in grade 6.

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.
3. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.
4. Before admission and in conjunction with required physical examinations, parents/guardians of children between the ages of one and seven years must provide a statement from a physician that their child was *risk-assessed* or screened for lead poisoning.
5. The IDPH will provide all students entering sixth grade and their parents/guardians information about the link between human papillomavirus (HPV) and HPV-related cancers and the availability of the HPV vaccine.
6. The District will provide informational materials regarding influenza and influenza vaccinations developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parents/guardians.

Unless an exemption or extension applies, the failure to comply with the above requirements by October 15 of the current school year will result in the student's exclusion from school until the required health forms are presented to the District. New students who register after October 15 of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required

immunization by October 15, the student must present, by October 15, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, advanced practice registered nurse, physician assistant, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by October 15 may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Eye Examination

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parents/guardians of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the IDPH. Schools shall not exclude a student from attending school due to failure to obtain an eye examination.

Dental Examination

All children in kindergarten and the second and sixth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected.
2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.
3. Eye examination requirement, if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
4. Dental examination requirement, if the student's parents/guardians show an undue burden or a lack of access to a dentist.

Homeless Child

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce immunization and health records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, governs the enrollment of homeless children.

7:240 Conduct Code for Participants in Extracurricular Activities

The Superintendent or designee, using input from coaches and sponsors of extracurricular activities, shall develop a conduct code for all participants in extracurricular activities consistent with Board of Education policy. The conduct code shall: (1) require participants in extracurricular activities to conduct themselves as good citizens and exemplars of their school at all times, including after school, on days when school is not in session, and whether on or off school property; (2) emphasize that hazing and bullying activities are strictly prohibited; and (3) notify participants that failure to abide by it could result in discipline, up to and including removal from the activity. Participants who violate the conduct code will be allowed to give an explanation before being progressively disciplined. The conduct code shall be reviewed by the Building Principal periodically at his or her discretion and presented to the Board.

Participants in extracurricular activities must abide by the conduct code for the activity and Board policy 7:190, *Student Behavior*. All coaches and sponsors of extracurricular activities shall annually review the conduct code with participants and provide participants with a copy. In addition, coaches and sponsors of interscholastic athletic programs shall provide instruction on steroid abuse prevention to students in grades 7 and 8 participating in these programs.

7:260 Exemption from Physical Education

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course.

State law prohibits the Board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

1. He or she (a) is in grades 3-8, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or
2. He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Superintendent or designee.

A student requiring adapted physical education must receive that service in accordance with his or her Individualized Educational Program/Plan (IEP).

Students in grades 7 and 8 may submit a written request to the Building Principal to be excused from physical education courses because of his or her ongoing participation in an interscholastic or extracurricular athletic program. The Building Principal will evaluate requests on a case-by-case basis.

The Superintendent or designee shall maintain records showing that the criteria set forth in this policy were applied to the student's individual circumstances, as appropriate.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

1. The time of year when the student's participation ceases; and
2. The student's class schedule.

COMMUNITY RELATIONS

8:90 Parent Organizations, Education Foundation, and Booster Clubs

Parent organizations, the Education Foundation, and booster clubs are invaluable resources to the District's schools. While parent organizations, the Education Foundation, and booster clubs have no administrative authority and cannot determine ~~District Board~~ [PRESSPlus1](#) policy, the Board of Education welcomes their suggestions and assistance.

Parent organizations, the Education Foundation, and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, ~~or~~ a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization, foundation, or club is a 501(c)(3) that has submitted proof of its status and has by laws containing the following:

1. The organization's, foundation's, or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members, including on any organization or club websites or social media accounts.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization, the Education Foundation, or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations, the Education Foundation, or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the Board of Education may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The District's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

Academic Credit for Missed Classes During School Bus Suspension

A student suspended from riding the bus who does not have alternate transportation to school shall have the opportunity to complete or make up work for equivalent academic credit. It shall be the responsibility of the student's parent or guardian to notify the school that the student does not have alternate transportation.

Electronic Recordings on School Buses

Electronic visual and audio recordings may be used on school buses to monitor conduct and to promote and maintain a safe environment for students and employees when transportation is provided for any school related activity. Notice of electronic recordings shall be displayed on the exterior of the vehicle's entrance door and front interior bulkhead in compliance with State law and the rules of the Illinois Department of Transportation, Division of Traffic Safety.

Students are prohibited from tampering with electronic recording devices. Students who violate this policy shall be disciplined in accordance with the Board's discipline policy and shall reimburse the School District for any necessary repairs or replacement.

E-Rate and Internet Safety

The E-Rate Program

Downers Grove Grade School District 58 participates in the federal E-Rate program, which is a program providing significant discounts and grant money for our Internet and fiber optic connections and services, and for internal technology infrastructure.

Internet Safety and Protection Software

To receive E-rate funding, we are required to teach Internet Safety and to have Internet protection software in place to block access to harmful images from all of our student and staff computers.

6:235 Access to Electronic Networks

Board Policy requires the District satisfy these requirements:

- *“...students will be educated about appropriate online behavior...”*
- *“Technology protection measures shall be used on each District computer with Internet access. They shall include a filtering device that protects against Internet access by both adults and minors to visual depictions that are: (1) obscene, (2) pornographic, or (3) harmful or inappropriate for students...”*

Internet Safety

- Students receive Internet Safety instruction during Library Skills lessons. Most resources are from Common Sense Media.
- Internet Safety will also be taught in the new Middle School Technology and Learning Course

Protection Software

District 58 utilizes a firewall and proxy filter to protect users from harmful content.

Artificial Intelligence Guidance

6:235 Access to Electronic Networks:

Use of Artificial Intelligence (AI)-Enabled Tools

The Board recognizes that AI-enabled tools are important to enhance student learning, educator effectiveness, and school operations. The use of AI-enabled tools in the District shall be implemented in a safe, ethical, and equitable manner and in accordance with Board policies 1:30, School District Philosophy, and 7:345, *Use of Educational Technologies; Student Data Privacy and Security*.

6:235 Access to Electronic Networks:

To implement the use of AI-enabled tools in the District, the Superintendent or designee shall:

1. Develop a District-wide AI Plan that addresses the District's approach to the integration of AI;
2. Based on the District-wide AI Plan, establish AI Responsible Use Guidelines to address the responsible use of AI in the District by students and staff;
3. Ensure that AI-enabled tools comply with State and federal law;
4. Ensure that staff receive training and students receive instruction on the use of AI, as appropriate; and
5. Review the District's AI Plan and AI Responsible Use Guidelines on an annual basis and update them as needed.

District 58: Artificial Intelligence Guidance

The District 58 Technology and Learning Committee met twice this year to draft and revise our [Artificial Intelligence Guidance](#).

Navigating AI in District 58

Navigating AI in District 58: New Guidance & Procedures

- **Context:** Rapid evolution of Generative AI tools (e.g., Gemini, ChatGPT, Copilot) requires proactive district-wide guidance.
- **Purpose:** To guide students, staff, and the community on the appropriate, responsible, and ethical use of AI.
- **Alignment:** Directly supports existing Board Policy 6:235 regarding Artificial Intelligence Enabled Tools.
- **Goal:** Maximize educational benefits while thoughtfully managing and mitigating risks.

Scope & Core Philosophy

Who is Impacted & Our Guiding Principles

- Scope: Applies to all students, teachers, staff, and administrators using AI for education or district operations.
- Human-Centric Approach: AI is a tool to augment learning and teaching, not replace human instruction or judgment.
- AI Literacy: Committing to educating both staff and students on how AI works, its limitations, and ethical implications.
- Community Engagement: Ensuring families are informed and engaged as our AI practices evolve.

Responsible & Educational AI Use

Potential Uses for Enhancing the Learning Experience

- Student Learning: Age-appropriate implementation.
- Aide in creativity, collaboration, and learning support
- Teacher Support: Assist in differentiating resources, enhancing lesson plans based on student needs
- Complement informal assessment design and resource compilation. AI will not supplant our guaranteed curriculum or sole grading responsibilities
- District Operations: Streamline administrative process and refine communications

Mitigating Risks & Prohibited Uses

Establishing Clear Boundaries

- Protecting Students: Strict prohibitions against using AI for bullying, harassment, or impersonation.
- Plagiarism & Cheating: Submitting AI-generated work as original is prohibited; clear citation rules will be taught and enforced.
- Addressing AI Limitations: Teaching students to verify AI outputs
- Societal Bias: Training staff and students to recognize and critically evaluate bias in AI-generated content.
- Human Review: Mandatory human oversight for all AI-generated outputs before educational use.

Clear Guidelines for Use

0 to Infinity - NCDPI AI Use Continuum v. 2.0: for Educators

	Levels	Full Description
0	AI Free	<p>This AI-resistant assessment is completed in a controlled environment, entirely without AI assistance. AI Must not be used at any point during the assessment.</p> <p>This level ensures that students rely solely on their own knowledge, understanding, and skills.</p>
1	AI Planning	<p>AI can be used in the pre-work for the assessment including brainstorming, outlining, researching, creating structures, and generating ideas for improving work.</p> <p>This level focuses on the effective use of AI for lanning, synthesis, and ideation but assessments should emphasize the ability to develop and refine these ideas independently</p>
2	AI Collaboration	<p>Student may collaborate with AI to help complete the task, including idea generation, drafting, feedback, and refinement. Students should critically evaluate and modify the AI-suggested outputs, demonstrating their own understanding.</p>
3	Full AI Use	<p>AI may be used to complete any elements of the task unless specific use cases are communicated by the teacher. The focus is on students directing AI to achieve the assessment goals while maintaining critical oversight and evaluation to achieve goals and solve problems.</p>
4	 AI Exploration	<p>AI is used creatively to enhance problem-solving, generate novel insights, or develop innovative solutions to solve problems.</p> <p>AI should be a 'co-pilot' to enhance your human intelligence and creativity.</p>

Security, Privacy, and Safety

Safeguarding District Data

- Data Protection: Strict prohibition against entering confidential or Personally Identifiable Information (PII) into unauthorized AI tools.
- Vetting Tools: All deployed AI systems will be rigorously evaluated for compliance with privacy laws (FERPA, COPPA) and safety standards.
- Consumer AI Guardrails: We will not share student data with consumer-based AI systems lacking approved data privacy agreements.

Looking Ahead

Ongoing Review & Evaluation

- Staff professional learning during June 2026 teacher institute days
- Annual Review: This guidance will be reviewed at least annually to keep pace with rapid technological and legal changes.
- Continuous Monitoring: We are committed to auditing our district's use of AI to ensure equity and effectiveness.
- Feedback Loop: Welcoming input from the Board, staff, and families as we navigate this evolving landscape together.

Downers Grove Grade School District 58

We Envision. We Seek. We Believe.

Primary Student iPads

Primary Student iPad Usage

- Minimal Homework: Generally speaking, our primary students don't have homework other than reading, which should ideally be done with a physical book.
- In-School Practice: Optional digital practice, such as Dreambox and Lexia can occur during the regular school day.
- Logistical Use: In many cases, iPads are currently sent home primarily to be charged.

Stakeholder Conversations

- Parent Feedback
- Administrator Discussion
- Grade Level Meetings

The Proposal

Administration is recommending that iPads for kindergarten, first grade, second grade and third grade students be kept at school and not sent home beginning in next school year, in August 2026.

Considerations - Charging

- The Challenge: Managing charging becomes a logistical task that teachers would have to manage.
- The Benefit: Guaranteed control. Ensuring iPads are fully charged and available for student use each day without relying on home routines.
- The Solution: Utilizing creative, low-cost charging hubs. Many kindergarten classrooms already use these successfully, avoiding the need for large, expensive charging carts.

Considerations - Remote Learning

- Future discussion on remote learning utilization (July)
- Regardless of how frequently we use remote learning days, we will still need to be prepared to implement them.
- Devices could be sent home in anticipation of a remote learning day.
- Charging options during remote learning

Considerations - Individual Student Needs

- We will always accommodate extenuating circumstances, including students with IEPs, multilingual learners, or those needing additional academic support.
- In any of these unique situations, we can remain flexible and choose to send the device home for an individual student for a prescribed period of time.

Financial Implications

- Finances are not the driving factor
- Savings: By keeping these devices at school, they will experience fewer battery cycles, less LCD screen-on time, and significantly less wear and tear from daily backpack commutes.
- The electrical/charging costs are minimal
- There will be an increase in cost for charging hubs and some storage solutions. (Not charging carts)

Technology Usage - Next Steps

- Take home devices for 4th grade and beyond
- Purposeful use of technology in our classrooms
- Future Strategic Planning

SECTION 6 - INSTRUCTION

6:235 Access to Electronic Networks

Electronic networks are a part of the District's instructional program and serve to promote educational excellence by facilitating resource sharing, innovation, and communication.

The term *electronic networks* includes all of the District's technology resources, including, but not limited to:

1. The District's local-area and wide-area networks, including wireless networks (Wi-Fi), District-issued Wi-Fi hotspots, and any District servers or other networking infrastructure;
2. Access to the Internet or other online resources via the District's networks or to any District-issued online account from any computer or device, regardless of location;
3. District-owned or District-issued computers, laptops, tablets, phones, or similar devices.

The Superintendent shall develop an implementation plan for this policy and appoint system administrator(s).

The School District is not responsible for any information that may be lost or damaged, or become unavailable when using the network, or for any information that is retrieved or transmitted via the Internet. Furthermore, the District will not be responsible for any unauthorized charges or fees resulting from access to the Internet.

Curriculum and Appropriate Online Behavior

The use of the District's electronic networks shall: (1) be consistent with the curriculum adopted by the District as well as the varied instructional needs, learning styles, abilities, and developmental levels of the students, and (2) comply with the selection criteria for instructional materials and library resource center materials. As required by federal law and Board policy 6:60, *Curriculum Content*, students will be educated about appropriate online behavior, including but not limited to: (1) interacting with other individuals on social networking websites and in chat rooms, and (2) cyberbullying awareness and response. Staff members may, consistent with the Superintendent's implementation plan, use the Internet throughout the curriculum.

The District's electronic network is part of the curriculum and is not a public forum for general use.

Acceptable Use

To implement the use of AI-enabled tools in the District, the Superintendent or designee shall:

1. Develop a District-wide AI Plan that addresses the District's approach to the integration of AI;
2. Based on the District-wide AI Plan, establish AI Responsible Use Guidelines to address the responsible use of AI in the District by students and staff;
3. Ensure that AI-enabled tools comply with State and federal law;
4. Ensure that staff receive training and students receive instruction on the use of AI, as appropriate; and

RE: Preschool Program Name Change

Background

Grove Children's Preschool has served the District for more than 25 years, growing from its original vision into a gold-rated program supporting over 180 students annually. As the program has evolved, particularly in expanding services for students with more complex needs, we are now preparing to unify all preschool programming in a single, dedicated location. This transition will strengthen collaboration, consistency, and inclusive practices.

Administrative Recommendation

As part of this transition, the administration recommends simplifying the program's name to Grove Preschool. The term "Children's" is redundant, and a more streamlined name improves clarity, strengthens communication with families, and aligns with a unified, forward-looking program identity. This change is cost-neutral, with funds already allocated for updated signage at Henry Puffer School and minimal updates needed to electronic materials. Research confirms no duplication of the proposed name among comparable Illinois programs.

Recommendation

The administration respectfully requests the Board of Education's approval to proceed with the name change to Grove Preschool.

Memorandum

To: Board of Education, Dr. Kevin Russell

From: Gregory Harris, Assistant Superintendent for Business/CSBO

Date: May 11, 2026

Re: Rexnord Property Tax Abatement

Background:

In August of 2017, the Board of Education approved an abatement agreement to incentivize an expansion of the Rexnord facility, located at 2400 Curtiss Street in Downers Grove. This abatement agreement was also agreed to by the board of District 99. The Village of Downers Grove, for its part, agreed to waive permit and inspection fees for the project. Altogether, this was a nice win for the community as more jobs were created and the tax base was increased for the taxing districts.

Administrative Considerations:

The tax abatement applies to the excess real estate taxes on the Rexnord property as a result of the expansion project. The 2025 tax year is the seventh year of this agreement (out of nine years). According to the terms of the agreement, 30% of taxes shall be abated in year seven. This means that, for 2025, the Board of Education is obligated to abate \$46,754.22 in property taxes.

Recommendation:

It is recommended that the Board approve the resolution instructing the County Clerk to abate property taxes as described in the initial agreement and for the administration to work with the County Clerk to ensure that the terms of the 2017 agreement are met.

**RESOLUTION AUTHORIZING PROPERTY TAX ABATEMENT
FOR THE REXNORD FACILITY FOR THE 2025 TAX YEAR**

WHEREAS, under section 18-165 of the *Property Tax Code* (35 ILCS 200/18-165), “[a]ny taxing district, upon a majority vote of its governing authority, may, after the determination of the assessed valuation of its property, order the clerk of that county to abate any portion of its taxes...” on several categories of property, including “the property of any commercial or industrial firm,” provided that “[t]he abatement shall not exceed a period of 10 years and the aggregate amount of abated taxes for all taxing districts combined shall not exceed \$4,000,000”; and

WHEREAS, the Board of Education previously approved the agreement attached hereto as Exhibit A (the “Agreement”) with Rexnord Industries, LLC (“Rexnord”) to abate certain property taxes with respect to an expansion of the manufacturing facility at 2400 Curtiss Street, Downers Grove, Illinois (“Rexnord Facility”) to induce Rexnord to bring more jobs to the community and increase the School District’s tax base; and

WHEREAS, Rexnord has completed the project and has provided the required annual certification to the Board as required under paragraph 2(D) of the Agreement, and the Board finds that Rexnord has satisfied the conditions of the Agreement and is eligible to receive the property tax abatement as stated under the Agreement with respect to the 2025 tax year.

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of Downers Grove Grade School District No. 58, DuPage County, Illinois, as follows:

Section 1: The Board finds that all of the recitals contained above are true and correct, and that the same are incorporated herein by reference.

Section 2: The Board hereby orders the Clerk of DuPage County, Illinois to abate property taxes for the Rexnord Facility as stated in the Agreement for the 2025 tax year; except that the aggregate abatement, in accordance with the Agreement, of real estate taxes on the Rexnord Facility by the Board and all other taxing districts combined shall not exceed the total of four million dollars (\$4,000,000).

Section 3: The Board directs the Secretary of the Board or designee to file a certified copy of this Resolution with the Office of the DuPage County Clerk.

Section 4: All resolutions or parts thereof in conflict with this Resolution are repealed and this Resolution shall be in full force and effect immediately upon its passage.

**TAX ABATEMENT AGREEMENT BETWEEN DOWNERS GROVE
GRADE SCHOOL DISTRICT NO. 58 AND REXNORD INDUSTRIES,
LLC REGARDING EXPANSION PROJECT**

This AGREEMENT (the "Agreement") is entered into this 28th day of August, 2017 (the "Effective Date") by and between the BOARD OF EDUCATION OF DOWNERS GROVE GRADE SCHOOL DISTRICT NO. 58, DuPage County, Illinois, an Illinois public school district ("DISTRICT 58" or "the DISTRICT") and REXNORD INDUSTRIES, LLC, a Delaware limited liability company ("REXNORD"). DISTRICT 58 and REXNORD are sometimes individually referred to as a "Party" and collectively referred to as the "Parties."

WITNESSETH

WHEREAS, REXNORD has an aerospace manufacturing business which currently owns and operates a manufacturing facility (the "REXNORD Facility") located at 2400 Curtis Street, Downers Grove, Illinois (the "REXNORD Property"). A true and accurate legal description of the REXNORD Property is attached here as Exhibit A and made a part hereof; and

WHEREAS, REXNORD is investing in the development of the REXNORD Property by allowing the construction of a new facility (the "New Facility") with approximately two hundred thousand (200,000) square feet of modernized manufacturing infrastructure and offices, including the purchase of new machinery and equipment by REXNORD (the "Expansion Project"), after which the REXNORD Facility will be razed; and

WHEREAS, the Expansion Project is expected to cost in excess of Nineteen Million Dollars (\$19 million) to have developed; and

WHEREAS, REXNORD seeks public financial assistance for the Expansion Project and has requested a property tax abatement from the DISTRICT of the additional property taxes caused by the Expansion Project in excess of those property taxes currently paid on the REXNORD Property, to make the Expansion Project feasible; and

WHEREAS, to induce REXNORD to proceed with the Expansion Project, DISTRICT 58 agrees to provide REXNORD with a real estate tax abatement regarding certain real estate taxes assessed by DISTRICT 58 against the REXNORD Property in excess of those real estate taxes currently paid on the REXNORD Property (the "Tax Abatement"); and

WHEREAS, the Tax Abatement will provide a real estate tax abatement from DISTRICT 58 to REXNORD pursuant to Section 18-165 of the Illinois Property Tax Code (35 ILCS 200/18-165) (the "Abatement Law"); and

WHEREAS, by providing the Tax Abatement, DISTRICT 58 will provide an inducement to REXNORD to cause the Expansion Project to be constructed and operated, for the financial benefit of the DISTRICT 58 through the enlargement of the overall tax base of the DISTRICT; and

WHEREAS, other area units of local government, including but not limited to Downers Grove Elementary School District No. 58 and the Village of Downers Grove, are also expected to approve a tax abatement for the REXNORD Project like that set forth in this Agreement; and

WHEREAS, it is in the best interests of the Parties to enter into this Agreement;

NOW, THEREFORE, in consideration of the foregoing, and the mutual covenants and agreements contained herein, the Parties hereto agree as follows:

1. INCORPORATION OF PREAMBLES. The preambles hereto, as set forth above, are incorporated herein by reference and are made part hereof.

2. REXNORD OBLIGATIONS TO RECEIVE AND MAINTAIN TAX ABATEMENT. REXNORD's right to receive the Tax Abatement under this Agreement is expressly conditioned upon REXNORD causing the performance of the following conditions:

A. REXNORD shall cause the construction of, and operate the Expansion Project in accordance with, Exhibit B which is attached hereto and made a part hereof.

B. REXNORD shall use best efforts to obtain certificates of occupancy for the Expansion Project from all governmental entities having jurisdiction over the Expansion Project, on or near December 31, 2018. The date that REXNORD receives the last certificate of occupancy for the Expansion Project from all governmental entities having jurisdiction over the design and construction of the Expansion Project shall be the "Commencement Date." REXNORD shall notify DISTRICT 58 of the Commencement Date within fourteen (14) calendar days of the Commencement Date.

C. REXNORD shall operate the Expansion Project for the design and manufacture of highly-engineered seals and bearings for critical applications in the aerospace industry, including a visitor center and related uses at what will be REXNORD's aerospace headquarters. The REXNORD Facility shall remain operational for that use and any other use permitted by applicable zoning laws, including variances, use permits and amendments to applicable zoning laws, for the term of the Tax Abatement. During the term of the Tax Abatement and for a

period of two (2) years thereafter, if REXNORD moves its operations from the REXNORD Property to an area outside the territorial boundaries of the DISTRICT or otherwise closes or ceases its operations at the REXNORD Property, REXNORD shall refund to the DISTRICT all Tax Abatement amounts previously received by REXNORD. Such refund of Tax Abatement amounts shall be paid by REXNORD to the DISTRICT within ninety (90) days of the DISTRICT's written demand for payment.

D. During the term of this Agreement, REXNORD shall provide DISTRICT 58 with a certification stating its number of employees and average wages. The certification shall be provided to DISTRICT 58 annually to certify December 31st employment and wages by the following March 1. During any calendar year, to the extent employment at the REXNORD Property is less than 200 full-time employees or the average compensation falls below \$40,000 per year but the REXNORD Property remains open and continues to operate, the Tax Abatement shall be reduced pro rata based upon the lesser of the number of full-time employees below 200 or the actual average compensation compared to \$40,000 per year.

E. Commencing with the Commencement Date and concluding upon fulfillment of the Tax Abatement, REXNORD shall not file any tax rate objection against the DISTRICT. In addition, to the extent REXNORD pursues an assessment appeal during the period REXNORD is entitled to receive the Tax Abatement at either the Property Tax Appeal Board, the Circuit Court, or by a Certificate of Error, any refund issued to REXNORD (or any affiliated entity) pursuant to an assessment appeal shall be credited to the DISTRICT as a

reduction in a subsequent year Tax Abatement, so as to preserve the actual Tax Abatement Obligation as set forth below. Notwithstanding the foregoing, REXNORD may contest or file an assessment appeal when (i) the assessed valuation of the REXNORD Property increases by more than three percent (3.0%) over the assessed valuation of the REXNORD Property of the prior assessment year (exclusive of the assessed value added by the Expansion Project), or (ii) REXNORD believes there is a manifest computational or factual error in the tax assessment or tax bill for the Property. In the event REXNORD files an assessment appeal as permitted herein, within five (5) days of filing such appeal, it shall provide to the DISTRICT a copy of its appeal along with all evidence supporting the appeal. Failure to provide notice of the appeal within such time period shall require REXNORD to dismiss and/or withdraw the appeal.

F. Commencing with the Effective Date and concluding five (5) years following the termination of the Tax Abatement, REXNORD shall be prohibited from filing a petition to detach the REXNORD Property from the territorial boundaries of the DISTRICT or from otherwise cooperating with or encouraging a detachment petition filed by another with respect to the REXNORD Property.

G. REXNORD shall secure similar tax abatement agreements from Downers Grove Elementary School District No. 58 and the Village of Downers Grove. If REXNORD fails to secure such tax abatement agreements by the Commencement Date, the DISTRICT may, in its sole discretion, terminate this Agreement.

H. The conditions and obligations set forth in this Paragraph 2 of the Agreement shall be conditions precedent to the Tax Abatement obligations of DISTRICT 58 contained herein.

I. Notwithstanding anything herein that may be deemed to the contrary, REXNORD shall have the right to enter into a sale-leaseback transaction for the REXNORD Property ("Sale-Leaseback") and its entry into a Sale-Leaseback shall not be deemed a violation of any of its obligations under this Agreement and REXNORD shall be entitled to receive the Tax Abatement subsequent to a Sale-Leaseback. The counter-party(ies) to the Sale-Leaseback shall be made aware of the obligations and terms of this Agreement and REXNORD shall continue to be bound in all respects to this Agreement.

3. **DISTRICT 58 ABATEMENT OBLIGATION.** Subject to REXNORD satisfying the conditions precedent contained in Paragraph 2 above, and otherwise being in compliance with the applicable terms and conditions of this Agreement, DISTRICT 58 agrees to implement the Tax Abatement. Such Tax Abatement shall be based upon DISTRICT 58's proportionate share of the excess of the real estate taxes levied on the REXNORD Property upon completion of the Expansion Project less the real estate taxes levied on the REXNORD Property in the 2016 tax assessment year, as follows, with each "Year" representing a full assessment year and the first year of Tax Abatement being the first full assessment year after the year which includes the Commencement Date:

A. Percentage of taxes abated each Year of Tax Abatement:

Year of Tax Abatement	Percentage of Taxes to be Abated
1	90%
2	80%
3	70%
4	60%
5	50%
6	40%
7	30%
8	20%
9	10%

B. The Tax Abatement shall only apply to the excess real estate taxes on the REXNORD Property as a result of the Expansion Project. The Tax Abatement shall be based upon the difference between the 2016 tax assessment bill for the REXNORD Property, and the tax bill for the REXNORD Property for the particular Year of Tax Abatement and multiplying it by the applicable percentage of taxes to be abated per the table in Paragraph 3(A) immediately above. By way of example, and not in any way as a limitation, if the 2016 tax assessment bill for the REXNORD Property was \$95,000 and the tax bill in Year 3 of the Tax Abatement is \$400,000, the Tax Abatement calculation would be $(\$400,000 - \$95,000) \times .70 = \$213,500$. District 58 would then be obligated to abate a portion of the \$213,500 based on its proportionate share of the total tax bill.

C. Upon verification by DISTRICT 58 that REXNORD is in compliance with Paragraph 2D, and is otherwise in compliance with any other applicable terms

and conditions of this Agreement, DISTRICT 58 shall take all actions required for establishing the Tax Abatement, as required by the Abatement Law, including approving, and filing with DuPage County Clerk, a resolution directing the DuPage County Clerk to abate taxes consistent with this Agreement.

4. **REAL ESTATE TAX OBLIGATIONS OF REXNORD.**

A. For the duration of the Agreement, REXNORD shall inform DISTRICT 58 of all changes in the Permanent Index Number(s) identifying the REXNORD Property within a reasonable time after REXNORD is advised by DuPage County of such changed Permanent Index Number. DISTRICT 58 acknowledges and agrees that so long as REXNORD informs DISTRICT 58 of a change in the Permanent Index Number(s) for the REXNORD Property within a reasonable time after REXNORD is advised by DuPage County of such changed Permanent Index Number(s), then the Tax Abatement shall apply with respect to such modified Permanent Index Number(s).

B. REXNORD shall annually provide the DISTRICT with copies of the most recent real estate tax bill for the REXNORD Property, for purposes of auditing compliance with this Agreement. REXNORD agrees to pay, or cause to be paid, all general and special real estate taxes levied against the REXNORD Property, including any improvements related to the Expansion Project located thereon, on or prior to the date same is due, and said real estate taxes shall not become delinquent. REXNORD shall deliver evidence of payment of such real estate taxes to the DISTRICT 58 upon request.

5. GENERAL CONDITIONS/REQUIREMENTS.

A. This Agreement is entered into for the benefit of each of the Parties, solely, and not for the benefit of any third party.

B. Nothing contained in this Agreement shall constitute a waiver of any privileges, defenses, or immunities which DISTRICT 58 may have under the Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101, *et seq.*, with respect to any claim brought by a third party.

C. This Agreement shall be recorded on title to the REXNORD Property at the expense of REXNORD. REXNORD shall provide the DISTRICT with a copy of the recorded Agreement within thirty (30) days of recordation.

D. Neither Party shall be entitled to exercise any right hereunder, or at law or in equity, on account of any default by the other Party in accordance with the provisions of this Agreement, unless it gives the defaulting party ten (10) business days prior notice of its intention to take such action, and unless during such period the defaulting party has not (a) cured such default, or (b) if such default is not reasonably capable of being cured within such 10-business day period, commence curing such default, and thereafter diligently proceeded to complete such cure and caused such default to be cured as soon as practicable but in no event later than thirty (30) days following receipt of such notice. Upon a breach of this Agreement by REXNORD, and subject to the above notice and cure provisions, DISTRICT 58 may repeal its Tax Abatement resolution, and any Party, by an action or proceeding solely in equity brought in the Circuit Court

of DuPage County, Illinois, may seek the specific performance of the covenants and agreements herein contained, for failure of performance; provided, however, the remedy of specific performance or other similar equitable remedies shall not be available for REXNORD's failure to maintain certain numbers of employees, certain average compensation of employees, some or all of its operations at the Property or to otherwise construct the New Facility.

E. In the event of a default by any of the Parties, the defaulting Party, as adjudicated by a court of competent jurisdiction, shall pay to the non-defaulting Party, upon demand, the non-defaulting Party's reasonable costs, charges and expenses, including, but not limited to, the costs of accountants, consultants, attorneys, and others retained by the non-defaulting Party for the purpose of enforcing any of the obligations of the defaulting Party under this Agreement.

F. The failure of any Party to insist upon the strict and prompt performance of the terms, covenants, agreements, and conditions herein contained, or any of them, by any other Party, shall not constitute or be construed as a waiver or relinquishment of any Party's right thereafter to enforce any such term, covenant, agreement, or condition, but the same shall continue in full force and effect.

G. If the performance by any Party hereunder is delayed because of circumstances which are beyond the reasonable control of such Party (which circumstances shall only include acts of God, war, strikes or similar acts of *force majeure*), the time for such performance shall be extended by the amount of time of such delay.

6. **NOTICES.** Notice or other writings which any Party is required to, or may wish to, serve upon any other Party in connection with this Agreement shall be in writing and shall be delivered personally or sent by registered or certified mail, return receipt requested, postage prepaid, sent and addressed to the persons set forth by signature block below or to such other address, or additional individuals/entities, as any Party may from time to time designate in a written notice to the other Parties, with a copy to:

PO Box 2022

7. **COUNTERPARTS.** This Agreement may be executed simultaneously in counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same Agreement.

8. **ENTIRE AGREEMENT.** This Agreement contains the entire understanding between the Parties and supersedes any prior understanding or written or oral agreements between them regarding the within subject matter. There are no representations, agreements, arrangements or understandings, oral or written, between and among the Parties hereto relating to the subject matter of this Agreement which are not fully expressed herein.

9. **ASSIGNMENT.** Subject to District 58's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed, REXNORD shall have the right to assign the benefits of this Agreement to any person or entity acquiring its interest in the Property; provided, however, District 58's prior written consent shall not be required for any assignment to any entity that is related to, controlled by or

controls REXNORD. Any such assignment shall not constitute a breach of Paragraph 2C.

10. **EFFECTIVE DATE.** This Agreement shall be deemed dated and become effective on the date the last of the Parties execute this Agreement as set forth below, which date shall be inserted on page 1 hereof.

IN WITNESS WHEREOF, the DISTRICT, pursuant to authority granted by the Illinois Property Tax Code, has caused this Agreement to be signed by its President and attested by its Secretary; and REXNORD, pursuant to proper authority granted in accordance with its organizational documents, has caused this Agreement to be executed by its Vice President and attested by its Secretary.

Memorandum

To: Board of Education, Dr. Kevin Russell

From: Gregory Harris, Assistant Superintendent for Business/CSBO

Date: May 11, 2026

Re: Exclusive Broker Services Agreement

Background:

For its self-funded health insurance plans, the District carries stop-loss insurance to act as a safety net to protect the medical reserve fund when costs spike due to large claims. After a deductible of \$175,000, the stop-loss carrier reimburses the District for any claims above that amount.

Administrative Considerations:

The Board's brokers at Assured Partners/Gallagher go out to the market every year to get the best deal for the District's self-funded plans. The best option available at this time is to renew with Voya. The renewal comes at a 7.5% increase over the prior year but it is the most competitive offer. Some of the competing offers were as high as 15% and included "lasers," which is a term that means the insurer identifies specific large claimants and sets deductibles at numbers far higher than \$175,000 for those individuals. Despite the 7.5% number, the renewal is within \$6,000 of what has been budgeted by Assured Partners/Gallagher.

Recommendation:

It is recommended that the Board approve the stop-loss insurance renewal with Voya.

- No fully insured lives are covered.
- Any FDA approved cell and gene therapies are covered under our Stop Loss policy, provided they are also covered under the group's medical plan and used for the purpose for which they were approved. This includes any new approvals that occur mid-policy year. We also exclude these high-cost claims from the following year's renewal package, helping to lower the impact of this cutting-edge care on self-funded employer costs.
- In addition to base commissions, certain brokers and/or service providers may receive compensation related to factors such as overall sales of Company products, total premium for products sold through the broker/service provider, growth in the number of customers, and retention of existing customers. Compensation and fees may also be paid to brokers and/or service providers for administrative services in connection with Company products. Please contact us if you would like additional detail on compensation and fees payable on your case.
- Quote assumes pharmacy benefits are not carved out to a separate Pharmacy Benefit Manager.
- Plan must have medical case management and utilization review.
- All claims are reported/paid in U.S. dollars.

- Premium rates were adjusted via filed and approved underwriting discretion in consideration of the carrier reporting fees assessed by the PBM or TPA, which are directly associated with the claims information we require to administer our Policy.
- Duplication of current plan designs and contribution levels. Any changes may require an adjustment to the individual excess risk rates.
- There is no coverage for retirees.
- Rates are firm through May 15, 2026

The individual stop loss renewal is based upon the current leveraged trend factors, market conditions, plan designs and current demographic factors. The aggregate renewal is based upon the experience of the group and current trend. Any plan changes may affect this renewal and need to be disclosed prior to the renewal acceptance.

Excess Risk Insurance is underwritten by ReliaStar Life Insurance Company. Policy form RL-SL-POL-2025 (may vary by state). Exclusions and limitations are described in the policy.

Economic Factors: Manage the Effects of Leveraged Trend (Illustrative)

Medical trend is the anticipated annual increase in the cost of medical claims from year to year. Medical costs generally increase every year through inflation, and there are many additional factors that determine the actual medical trend for a specific health plan.

Components of medical trend include:

Plan Design

Technology

Network

Utilization Patterns

Demographics

Cost Shifting

Medical trend gets leveraged when parties responsible for medical claims do not maintain the same proportional share of the risk from year to year. Put simply, rising medical costs affect stop loss carriers differently than employers. But rather than passing our increasing risk back on to you in the form of large rate increases, we can compensate with small increases in deductibles.

Here's an example. In Year 1, the plan elects a \$150,000 individual stop loss deductible. If there is an individual claim of \$225,000, the first \$150,000 is the employer's responsibility and the remaining \$75,000 is reimbursed by the stop loss carrier.

In Year 2, assuming an 8% increase in medical costs, a claim that would have been \$225,000 in Year 1 now costs \$243,000. If the deductible doesn't change, the first \$150,000 is the employer's responsibility and the remaining \$93,000 reimbursed by the stop loss carrier. So that 8% trend produces a 24% cost increase to the stop loss carrier's claim and 0% increase to the employer.

If the stop loss deductible is left at the same dollar level year after year, the employer's risk actually decreases as a percentage of the overall claim. Conversely, the insurer's risk is increasing -- and, in response, the insurer has to increase rates well beyond medical trend.

In order to eliminate the leveraging effect, the employer should increase its individual deductible by trend each year. This essentially retains the exact same proportion of the risk.

In an effort to mitigate the effects of leveraged trend, your underwriter has included an optional quote during this year's renewal.

Memorandum

To: Board of Education, Dr. Kevin Russell

From: Gregory Harris, Assistant Superintendent for Business/CSBO

Date: May 11, 2026

Re: Exclusive Broker Services Agreement

Background:

To operate self-funded insurance plans, the Board of Education requires the support of a broker in several key areas. The broker analyzes claims data, enrollment numbers, and cost trends to help the Board make decisions regarding yearly renewals and long-term financial planning. They negotiate on the District's behalf with stop-loss insurance carriers, third-party administrators, pharmacy benefit managers, and other vendors. They support the District with compliance and regulatory guidance and act as a valuable resource based on their expertise on a large number of topics. In short, the Board's relationship with the broker is a foundational piece to the success of the District's benefits program because they provide a wealth of services that the small Business Office team cannot manage on its own.

Administrative Considerations:

Though the name of the company has changed over the years, the administration and the Health & Wellness Committee have been enjoying a very productive relationship with the same two individuals for a very long time. Many years ago, they were with Group Alternatives. Group Alternatives was bought out by Assured Partners. Assured Partners was recently acquired by Gallagher. However, the Board will notice that this contract is with Assured Partners. The reason for this is that Gallagher's legal team requires this because, despite the acquisition, Assured Partners has not been fully integrated into Gallagher's systems.

The monthly fee for these services will not increase in FY 2027. In FY 28, the increase is 3.5%, and then 3.3% in FY 29. This is a reasonable increase based on the District's expectations for CPI and new money coming in over that time period from local property taxes. This is paid from the District's medical reserve fund, not from operating funds.

Here is a breakdown of the fees for services:

FY 2027 - \$87,000
FY 2028 - \$90,00
FY 2029 - \$93,000

Recommendation:

It is recommended that the Board approve the exclusive broker services agreement with Assured Partners for three years at the rates listed above.

Memorandum

To: Board of Education, Dr. Kevin Russell

From: Gregory Harris, Assistant Superintendent for Business/CSBO

Date: May 11, 2026

Re: Exclusive Broker Services Agreement

Background:

For the annual audit of the District's finances, the Board of Education has enjoyed a healthy and productive relationship with Miller Cooper & Co. for many years. However, the administration learned in the winter that Miller Cooper was dissolving the sector of its business that worked in public sector audits. As such, a process was conducted for the purpose of finding a new auditing firm to work with the District, starting with Fiscal Year 2026.

Administrative Considerations:

The administration sought proposals from all of the auditing firms that serve school districts in DuPage County. After weighing a number of different factors—including but not limited to qualifications, methodology, reputation, and cost—the administration has decided to recommend that the Board of Education engage in a new partnership with Sikich. As an added bonus, the partner who will be directing the audit will be the same partner at Miller Cooper who previously worked with the District. Her institutional knowledge and experience offer the Board of Education continuity in the auditing process, while her new team at Sikich brings new perspectives to the work.

Here is a breakdown of the fees over the next three years:

FY 2026 Audit - \$47,500
FY 2027 Audit - \$49,400
FY 2028 Audit - \$50,000

Recommendation:

It is recommended that the Board accept the proposal for auditing services from Sikich.

Our client service approach

Collaboration is a two-way street

- We work closely with you from the start. From setting expectations to executing the plan and preparing for next year, communication and collaboration are always front and center.
- Our approach starts with obtaining an understanding of your expectations and your operational and strategic objectives. We will design our approach to exceed your expectations.
- Our experience to ensure that your engagement is tailored to the risks inherent in your organization and the environment in which you operate, with eyes on identifying financial and operational improvements.
- Communication is key to collaboration; we will seek to avoid any surprises and keep you apprised of progress and any findings on a timely basis.

Client Service Cycle

Our audit approach

At the core of our business, we have been and always will be an organization with a focused audit methodology supported by a robust technology platform. We're proud to boast the latest technological resources, world-class subject-matter experts and sought-after credentials to support your audit team.

Measure twice and cut once. Sound planning on the front-end of the engagement allows our team to plan and create efficiencies that benefit you. Our multi-faceted approach will begin prior to your year-end with certain preliminary and planning procedures, such as internal controls assessment and documentation, tests of controls and audit correspondence. The conclusion of our planning efforts will be the development of detailed audit programs for all significant elements of the financial statements, as well as significant compliance matters. Our detailed audit programs will include procedures designed to obtain maximum audit efficiencies. The second phase, our substantive fieldwork, will be performed after year-end on a schedule that is flexible to your needs and reporting requirements.

Sikich's audit approach includes, but is not limited to, the following procedures:

- Audit plan development
- Determination of materiality
- Audit risk evaluation
- Interviews with management to provide information for detailed documentation of the internal control structure
- Interviews and analysis of audit evidence to identify and assess risks that may result in material misstatement due to fraud
- Measurement of accounting presentation and compliance reporting by identifying and focusing on areas sensitive to organizations like the District
- Performance of testing to evaluate your organization's internal control structure
- Confirmation of various accounts, performance of substantive testing and analytical procedures

Audit standards

The objective of our audit is to issue an unmodified opinion on the District's governmental activities, each major fund and the aggregate remaining fund information that collectively comprise the District's basic financial statements. The audit will be conducted in accordance with generally accepted auditing standards as set forth by the American Institute of Certified Public Accountants, and, if necessary, generally accepted government auditing standards issued by the United States Government Accountability Office (GAO, 2024), the Single Audit Act of 1996 and the Uniform Guidance (if applicable). We will issue an opinion on the basic financial statements and will subject the combining and individual fund financial statements and schedules and any other supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and will provide an opinion on it in relation to the financial statements as a whole.

In addition, we will apply certain limited procedures to the Required Supplementary Information. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

We will not audit the introductory or statistical sections of the annual comprehensive financial report and accordingly, will not express an opinion on the information contained in these sections.

Wherever possible, we will utilize your schedules to maximize efficiencies and contain audit costs. We request that the District provide us with the basic information required for our audit.

Practical and constructive management letter comments

We believe the management letter is an important part of the engagement, and we encourage all members of our engagement team to give thoughtful consideration toward developing constructive comments within the constraints of the overall engagement. Our policies regarding management letters adhere to the Professional Standards of the AICPA. If significant deficiencies and material weaknesses in internal controls are noted during the audit, they are required to be communicated in writing to those charged with governance. Items of an immaterial nature (i.e., clerical problems, minor procedures or reporting problems, etc.) are communicated to management. In both cases, we adhere to a strict company policy that all comments and recommendations are discussed in preliminary form with appropriate personnel prior to their communication. This allows for clarification of misunderstandings, miscommunication or compensating controls or factors which may be in place.

Quality control

At Sikich, we are committed to providing the highest quality audits in the industry. The District can be assured of receiving the highest level of quality and ethical professional services. Quality control is so important to us that our company has been a member of the Private Companies Practice Section of the Division for CPA Firms of the AICPA since our formation in 1982. As such, we have voluntarily submitted our audit and accounting practice to quality control reviews of our compliance with professional standards as established by the AICPA and, more recently, by the United States Government Accountability Office, for more than 30 years. Since our company's inception, our CPA firm and its predecessor parties have received unmodified ("Pass") peer review reports. As required by professional standards, we undergo a peer review every three years.

A "Pass" peer review report is the highest level of recognition conferred upon a public accounting firm for its quality control systems. Also, we go beyond the external reviews and maintain strong internal reviews of procedures and processes with oversight by our Quality Assurance Committee. Please refer to the Exhibits section for a copy of our most recent peer review which included a review of specific government engagements since this accounts for a significant segment of our practice.

In addition, our reports have been reviewed by numerous federal and state oversight bodies and professional organizations. Sikich has not been the subject of any disciplinary action or inquiry during the past five years. Sikich is a member of the AICPA's Governmental Audit Quality Center (GAQC), which is a company-based voluntary membership center designed to promote the importance of quality governmental audits and the value of these audits to purchasers of government audit services. As a member of the GAQC, Sikich has access to key information and comprehensive resources that we use to ensure our compliance with appropriate professional standards and laws and regulations that affect our audits. Through our membership in the GAQC, we also adhere to membership requirements designed to enhance the quality of our audit practice.

Specific audit approach

Identification of potential audit problems

Our company's approach to resolving any problems that arise during the audit is the same as our overall approach to the audit - professionalism. Professionalism in performing the audit is the cornerstone to our philosophy during all phases of the audit. Any problems encountered during the audit, except for irregularities and illegal acts, will be discussed and documented with Superintendent of Business Services. The timing of this discussion will provide the District with ample time to rectify any situations that may otherwise result in the issuance of a qualified audit opinion. Irregularities and illegal acts detected or of which we become aware of will be communicated in writing to Superintendent of Business Services or the appropriate level as defined in our professional standards.

Our company's philosophy on additional fees and/or billings is based on an understanding between Sikich and the client of the scope of the work to be performed. We have proposed a "not-to-exceed fee" for the audit, the scope and timing of which was specified by the District. The billings for the audit will not exceed this fee unless the District specifically requests that the scope of the engagement be expanded and the District and Sikich reach a mutual agreement, in writing, as to the expanded scope of the engagement and the fee, if any, for the expanded scope.

Sikich will comply with all relevant rules and regulations of authoritative bodies and the AICPA Code of Professional Conduct regarding access to our working papers and audit documentation. Reasonable requests for access will not be denied.

Fee proposal

Our fees for the years ending June 30, 2026-2028, are as follows:

Deliverable	Fee
Audit of the financial statements of the District – FY26	\$47,500
Audit of the financial statements of the District – FY27*	\$49,400
Audit of the financial statements of the District – FY28*	\$50,000

**Note: Sikich will issue annual Statements of Work – the fees for 2027 and 2028 are presented for the District’s consideration.*

These fees assume that the District will provide the auditors with electronic copies of adjusted trial balances by individual funds, a year-to-date general ledger with details of postings to all accounts, subsidiary ledgers that agree or are reconciled to the general ledger and will prepare certain schedules of account analysis and confirmations of account balances.

We invoice our clients on a monthly basis as services are provided. Payments for all services are due in accordance with applicable state statutes.

If the District requires assistance with implementing GASB pronouncements or any other additional services outside the scope of the audit fees these non-audit services will be billed at the following hourly discounted rates, subject to change each January 1:

Effective January 1, 2026	Fee
Principal	\$350
Director	\$300
Senior Managers	\$275
Managers	\$215
Senior Staff	\$135

RE: Surplus Equipment

Surplus Equipment

Background

The District is looking to sell items that are no longer within their useful life. The items are:

- 2012 Chevy CNG van
- Racks of metal folding chairs
- 14 used window air conditioners
- Various new & used motors
- Used milk coolers
- Fuel caddy
- 1000 9th-generation iPads

Administrative Considerations

The process for selling District equipment begins with the Board of Education declaring the equipment as surplus equipment. Items are then posted on Public Surplus for auction.

Recommendation

It is recommended that the Board of Education designate as surplus equipment the items listed in this memo.
