Key Points

- The Strategic Plan is our North Star
- This is a Collaborative Plan (Board, Admin., Staff, Students, Community)
- Focusing on Priorities set by the Community Each Year (Typically Two to Three)
- All Priorities will be Addressed
- Work will Continue on all Priorities over the Five Year Period
- Development Teams will Continue the Work Throughout the Five Year Timeframe
- The DLT will Continue to Monitor Progress
- THANK YOU to the Board, DLT, Assistant Superintendents, Staff, Students, and Community Members!

Downers Grove Grade School District 58
We Envision. We Seek. We Believe

Goal 1: Priorities

Goal 1: Focus on Learning (Curriculum, Assessment, & Instruction)

Objective 1.1: District 58 will set high expectations for all learners that are designed to meet their individual needs.

Objective 1.2: Ensure students' availability for learning by measuring and supporting their behavioral needs, while also supporting mental health.

Objective 1.3: District 58 will implement a systematic review of (multiple forms of) data to inform transparent instructional decision making.

Objective 1.4: Support students in the intentional use of technology to build digital literacy and citizenship.

Objective 1.5: Commit to regularly evaluating and improving upon our curricular offerings to ensure that students have equitable access to broader areas of learning.

Goal 1 - Year Four Overview

Goal 1: Focusing on Learning (Curriculum, Assessment, and Instruction)

Plan for SY 26-27

Objective 1.1

- Continue focused work on PLCs with staff and supporting student instruction.
- Implementation of MTSS aligned practices through our intervention supports.

Objective 1.2

- Support the behavioral and social emotional needs of all students, through established processes across the District. Review ISBEs communications regarding the upcoming mental health screener and implement according to their guidance.

Objective 1.3

- In alignment with the PLC process, use our current data systems, including ECRA, Forefront, CommonLit and Amplify to make informed instructional decisions.

Objective 1.4

- Continue to strengthen students' digital literacy and citizenship skills through intentional instruction across grade levels with age appropriate instruction.

Objective 1.5

- Review our curriculum review process and calendar to ensure we are using the best instructional tools available to our students.
- Review the middle school exploratory offerings and implement adjustments as needed.

Goal 2: Priorities

Goal 2: Connecting with the Community (Communication)

Objective 2.1 - District 58 will build and enhance two-way communication that is equitable, inclusive, and culturally responsive.

Objective 2.2: District 58 will foster strong relationships with all families and extended community.

Objective 2.3: District 58 will provide families with opportunities for parent/guardian education and collaboration based on needs.

Objective 2.4: District 58 will provide and receive support from community partners to help with District 58 initiatives and resources.

Objective 2.5: District 58 will build consistent collaboration opportunities between neighborhood schools to celebrate successes and shared learnings.

Goal 2 - Year Four Overview

Goal 2: Connecting with the Community (Communication)

Plan for SY 26-27

Objective 2.1

- Continue the implementation of ParentSquare, with a focus on building out the communication tools that will support our multilingual students and families.
- Implementation of ParentSquare as a classroom level tool at the middle school while continuing our strong communication methods at the elementary level

Objective 2.2 *and* Objective 2.5

- Aligned with Goal 5.5, bring a vast group of community partners together in January of 2027, to cultivate relationships, explore opportunities for mutually beneficial support and develop an action plan to support current and future District 58 families.

Objective 2.3

- Collaboratively with the PTAs and community organizations, continue to identify, support, promote and provide parent education and involvement opportunities throughout the school year.

Objective 2.4

- In alignment with Goal 5.5, continue to enhance our efforts to celebrate and communicate student and staff successes in a variety of venues and spaces districtwide.

Goal 3: Priorities

Goal 3: Securing the Future (Finance and Facilities)

Objective 3.1: District 58 shall oversee & ensure referendum resources with an eye on timely and efficient project completion.

Objective 3.2: District 58 shall continually plan to make sure resources are available to support district initiatives.

Objective 3.3: District 58 shall maintain balanced budgets by complying with existing Board policies and implement a capital policy

Objective 3.4: District 58 shall explore possible sources and achieve savings.

Objective 3.5: District 58 shall preserve buildings long term with appropriate investment and and efficient utilization.

Goal 3 - Year Four Overview

Goal 3: Securing the Future (Finance and Facilities)

Plan for SY 26-27

Objective 3.1

- Construction is substantially complete on all phases and punchlist items are being methodically addressed
- Pierce Downer A/C will be in proper working order by spring/summer 2027

Objective 3.2

- June 30, 2027 fund balances are expected to be ~32%
- Depending on board action, working cash bond sale could augment fund balances (not pay for one-time or recurring costs) to comply with policy

Objective 3.3

- FY 2027 budget is operationally balanced
- Additional revenue or reduced expenditures is necessary to grow fund balances sufficiently to keep pace with policy

Objective 3.4

- “Pay-as-you-go” mindset for new expenditures
- Exploring efficiencies and unnecessary costs; pursuing additional revenue options

Objective 3.5

- $750,000 transfer to Capital Projects included in FY 2027 budget
- Recommendations for post-referendum projects for summer of 2027 by January

Goal 4: Priorities

Goal 4: Building for Success (Implementing the New PK-5 and 6-8 Models)

Objective 4.1: District 58 will work to ensure smooth transitions to a 6-8 middle school model for all stakeholders, especially in the first year of transition.

Objective 4.2: In order to ensure equitable access to curricular, programmatic, and instructional resources District 58 should examine school boundaries based on building utilization.

Objective 4.3: The district will examine the use and implementation of resources that provide intervention and enrichment to the student experience (curricular and extra-curricular).

Objective 4.4: The pre-k/5 elementary structure will be examined in order to optimize opportunities and innovative experiences.

Objective 4.5: Middle school structure will be examined in order to optimize opportunities and innovative experiences

Goal 4 - Year Four Overview

Goal 4: Building for Success (Implementing the New PK-5 and 6-8 Models)

Plan for SY 26-27

Objective 4.1

- Continue to provide support and resources to our middle school staff in the implementation of the new middle school model.
- Review implementation and ensure we are leveraging our resources to meet the needs of of all our learners.

Objective 4.2

- The District demographer' report was completed and consists of a data trend analysis through 2034. At this time, the Board can determine whether we want to look deeper into the forecasted trend data to determine next steps.

Objective 4.3

- The gifted committee will share a recommendation of newly established criteria for identification of gifted students for use in programming for the 2027-2028 school year.

Objective 4.4 and 4.5

- Support the continued work of providing curricular and extracurricular activities that are meaningful and engaging for the students we serve, including community partnerships.

Goal 5: Priorities

Goal 5: Cultivating Talent (Maximizing the Potential of Students, Staff, and Families)

Objective 5.1: District 58 will analyze and explore our existing and potential staffing practices and structures in order to achieve more equitable experiences for all students.

Objective 5.2: District 58 will review, expand, and support equitable opportunities for students to explore and develop their individual talents.

Objective 5.3: District 58 will establish a culture that recognizes, celebrates, develops, and supports the talents that exist within the district to promote the retention of staff.

Objective 5.4: District 58 will recruit and attract high-quality staff that are representative of the larger community (for all positions).

Objective 5.5: District 58 will engage with the local community to enhance the student, staff, and school experience

Goal 5 - Year Four Overview

Goal 5: Cultivating Talent (Maximizing the Potential of Students, Staff, and Families)

Plan for SY 26-27

Objective 5.1

- Continued annual review of staffing plans districtwide, with specific focus on the new 6-8 middle school model and student support districtwide amidst finite fiscal resources.

Objective 5.2

- Review of activity/club structure and student participation in new instructional model to maximize student opportunities

Objective 5.3

- Aligned with Goal 2.2 and 2.5, bring a vast group of community partners together in January of 2027, to cultivate relationships, explore opportunities for mutually beneficial support and develop an action plan to support current and future District 58 families.

Objective 5.4

- Continued efforts to strengthen pipelines through job fairs, student teachers, etc. with a focus on diversifying our candidate pool; continued review of hiring practices and procedures

Objective 5.5

- In alignment with Goal 2.4, continue to enhance our efforts to celebrate and communicate student and staff successes in a variety of venues and spaces districtwide.

Next Steps

- Incorporate feedback
- Finalize the plan report for Year Four
- Seek Board approval on Nov. 9th
- Updates will be provided to the DLT and the Board at their respective meetings
- Questions?

Connection to KPIs (looking ahead)

Key Performance Indicator #1 - Academic Proficiency

The academic proficiency indicator measures the percentage of students that have demonstrated grade-level proficiency in reading and math as measured by objective assessments. Academic proficiency is reported in grades 3-8 via the Illinois Assessment of Readiness (IAR) and grades K-8 via NWEA MAP assessments.

Metric: Percentage of students meeting or exceeding state proficiency benchmark

Benchmark: State 75th percentile for Reading; State 85th percentile for Math

Annual Targets: Established each year based upon projections for that school year

- This ranking is available after the public release of the School Report Card and will be shared at the November Board of Education Meeting

Connection to KPIs

Key Performance Indicator #2 - Academic Growth

The academic growth indicator measures the degree to which students are demonstrating personal growth on objective assessments. It reports the degree to which students scored above or below their personalized projection in reading and math. Personalized projections are set using a student's prior assessment history to project his/her most probable score on an assessment. Assessment growth is reported in grades 3-8 via the Illinois Assessment of Readiness (IAR) and grades 1 through 8 for NWEA MAP assessments. Metric: Percentage of students demonstrating expected or higher than expected growth

Benchmark: 85%

Annual Targets: Established each year based upon projections for that school year

School Improvement Planning

- Our schools engage in the Cycles of Inquiry and review their end of year data to determine appropriate goals for their School Improvement Plans.
- School was given two goals which are uniform across the District. Those include PLC implementation and continued focus on our MTSS process.
- Each school has an individual goal with topics ranging from writing instruction to student agency.
- SIP plans are posted on the District website and principals will continue to provide updates during their School Spotlights.

MTSS Intervention Subcommittee

- Elementary
  - Continued implementation of the intervention guidance document
  - Reading intervention materials
- Middle School
  - Implementation of the MS intervention guidance document

Middle School Math Committee

- Implementation of Amplify Desmos
- Ongoing professional learning
- Building our knowledge of the Illinois Comprehensive Numeracy Plan
- Committee Goals:
  - Curriculum review process
  - Feedback from our teachers
  - Parent education for district website

Elementary Math Committee

- New Committee
  - 32 members, representation from all elementary schools
- Goal:
  - Complete steps 1 & 2 of the curriculum review process
    - Ensure collective understanding of our Illinois Learning Standards
    - Unpack the Illinois Comprehensive Numeracy Plan
    - Gain a clear perspective of current implementation
    - Review student achievement & growth data across the years of implementation
    - Evaluate Bridges using our Curriculum Evaluation Tool

Science Committee

- Pilot of Elementary Open Sci Ed resource
  - 2 full day training sessions
  - Material accessibility
  - Implementation review after the pilot
- Anticipated recommendation for future Science resources at the February curriculum workshop

Gifted Committee

- Reconvened the larger gifted committee after 3 years of curriculum work and program development
- Extensive review of our current model and practices, including our criteria for identifying students for our program
- Establishment of our committee values and what our program is meant to contribute for our students.
- Initial brainstorming of future criteria for identification purposes.
