Speaker (s) : Amber
Cawley/Susan Love

B. PRELIMINARIES

B.1. Call to Order

Discussion: Meeting called to order at 7:04pm

B.2. Pledge of Allegiance

B.3. Roll Call

B.4. Review of Minutes from the Regular School Board
Meeting on Feb 9, 2026

Discussion: Dr Todd explained that she likes to see a bit more content in the meeting minutes. With the switch from BoardDocs to BoardBook the meeting minutes are much more vague. Had a conversation with Christine Brandon, who made time to add more discussion content and created a new template that is easier to read.

C. PUBLIC COMMENT ON NON-AGENDA ITEMS

C.1. Public Comment Guidelines

D. AWARDS, HONORS AND CELEBRATIONS

D.1. School Board Appreciation Month

Discussion: Played a video to the board from the students of GMS who put together a school board appreciation rap video.

E. REPORTS/INTRODUCTIONS

E.1. Superintendent Report

Discussion: Jason Weber gave his report, no questions

Speaker (s) : Jason
Weber

E.2. Director of Curriculum, Instruction and
Assessment Report

Discussion: Jon Berkeley gave his report, no questions.

Speaker (s) : Jon
Berkeley

E.3. Director of Facilities and Operations Report **Speaker (s) :** Dan Bryant

Discussion: Dan Bryant gave his report.
Dr Meyer asked about the summer lawn care and if it was really needed? Could we consider summer temp help at a lower cost. Dan informed Dr Meyer that they are just looking at a bid to see if it is even an option but a summer temp employee may need to work.

E.4. Director of Business Services Report **Speaker (s) :** Amber Cawley/Susan Love

Discussion: Amber gave her report, no questions

E.5. Director of Special Education and Federal Programs Report **Speaker (s) :** Rylee Ownbey

Discussion: Rylee Ownbey gave her report, no questions.

G.2. Discussion on FY27 Budget Review Presented in Work Session

Speaker(s): Amber Cawley/Susan Love

Discussion: Jason Weber presented a flat and balanced budget. Meal increase proposal for next year. A Professional Development budget increase was proposed to assist with the retention of teachers. No staffing cuts. March 5th and 11th at noon in the Superintendent's office is open to the public to dig deeper and discuss the FY27 Budget proposal. Work Session review the timeline and how the budget is built. March 9th will go in front of Board to vote.

H. BOARD BUSINESS FROM THE FLOOR

H.1. Comments From Board Members

Discussion: Sonya Ash-Selanoff: What an amazing video! The Elks and it was really cool, our teams played well. Fun to see the young Bucs perform. Dr Meyer: Thank you to the Student Council and Mrs. Vincent for the video. Excited about the curriculum.

Dr Todd: Thanks to the accounting people for their work and making it easy to understand.

Scott McCumby: Thank you for the video. Just want to remind everyone how thankful we are that we are not like other districts experiencing huge budget cuts.

Carey: Thank you for the video and a huge thank you to Copper Valley Telecom for all of their support. Todd Wegner puts on the best programs in the state and so thankful for what he does.

Kalin King: Congrats to Betty McIntosh for winning the Dolores Gard Award and our new VHS audio system is scheduled to be installed over spring break.

BOARD REPORT

Mar 9, 2026

Goals:

- We were able to successfully fill 6 of our 7 open certified positions and their names are on the PAR. We currently have a special education position in middle school.
- The DO/HHES project is in its final stages, during the substantial completion meeting there were a few mechanical and electrical issues that were identified which is delaying the handover of the project. Visually it looks completed, the front desk is in place etc. The city is working on ordering furniture. We are still planning a spring break move for HHES..
- The district met again with PWSC this time were able to include both Kate Goudreau and David Cronk, they both offer great ideas and feedback with college and I look forward to the opportunities these conversations will create for our kids. The college has already offered several ideas for course offerings as well as college counseling support for our kids.
- RFQ High School has been released and talking with Kasey there has been strong interest from companies interested in the project.

Concerns

- Tuesday we had a Zoom meeting with our health insurance broker and found out our rates are increasing in the neighborhood of 17. If you remember from our budget presentation that is more than the 5% they had been telling us earlier this year. The reason they gave us is that people have been going to the doctor more the past few months and had not been using the doctor as much in the beginning of the year when they were giving us our initial quotes, which the budget was built on. Since this news has recently come to light we will need to adjust the budget and it will mean some cuts. There will be bills released in the House and the Senate to increase school funding, the House bill is more generous, so I will monitor them. The amount I am hearing is between 70 and 150 million dollars.

Achievement/celebrations

- Todd Wegner being inducted into the hall of fame, that is a great lifetime achievement.

VCS Legislative Update

- HB 78 is a bill being considered that would create a defined benefit option for teachers and public employees. I have included a resolution supporting the bill as recruitment and retention of teachers and public employees continues to cause problems. The cost of this bill appears to be cost neutral to the districts and employers, the state may have some risk but for the most part the numbers do look good, this bill would be different than the current defined benefit plan. Current teachers and public employees who are not in a defined benefit program could opt in. I am not clear on how that would work for each employee. I also like that the bill would count sick leave toward years of service creating an incentive not to use sick leave as often.
- HB 374 Was released on 3-4-2026 and would increase the BSA by \$690. I think whatever makes it over the finish line will be smaller than \$690 but I will follow the legislation. It is still very early in the session. I expect a similar bill to be released in the Senate with a smaller number.

Recent Events

The NYO season has started. They had their first practice last week on the 2nd.

There was a surplus sale in the VHS cafeteria to get rid of all our old furniture on March 3rd.

Basketball attended the regional tournament in Galena.

Upcoming Events

Spring Break is next week, from the 16th through the 20th.

The last day of the Quarter is March 12th.

The close-up trip to Washington, D.C. is March 26th - April 4th.

Concerns

The stools for the Science rooms did not work out; teachers have been getting student opinion on possible replacements.

Gilson Middle School

BOARD REPORT

Mar 3, 2026

Goals:

- Continuing to structure the curriculum around the priorities gathered through surveys for the study skills classes year 2 (communication, reading, technology, Alaska Culture & Language).
- Modifying master schedule with hired employee information for next year.
- Preparing students for AKStar and end of year projects.

Engagement/SEL

- Cross Country Ski finished out their season with a final timed trial and all teams enjoyed a team celebration after the end of their seasons.
- NYO & Track parent interest meeting & season beginning this month.
- Boys' Volleyball practices continue with the opportunity for a trip to Fairbanks to compete in a tournament in April.
- CVEA hosted a class in 8th Grade Science introducing the students to local sources of electricity and safety then provided a tour of the hydro dam.
- As we approach the end of the term, students have been focused on submitting all work to improve grades. With so many illnesses, many students needed some extra support to catch up in their school work and after the bell tutoring with Ms. Bailey and Ms. Vincent has been really helpful as well as the time they have during Flex Friday.
- Students have been progressing well in the i-ready system for math with support from Mr. Bryan & Ms. Bailey. The program is used both as a supplemental homework practice and for remediation.

Concerns

- We are still searching for a SpEd teacher for next year.
-

Achievement/celebrations

- End of season Spring Fling Volleyball Tournament went smoothly. Our volleyball teams won both brackets! Thanks to Mr. Josh Bryan, and coaches Hope Finley, Meagan Craig, and Tawnee King for a great season. Thanks to Brandy Smelcer for organizing the hospitality room and for all the parent and community volunteers for contributing time and food. We had a fun spirit week and pep assembly leading up to the tournament.
- Wrestlers and coaches were complemented last weekend by the Tanana tournament host for their sportsmanship and service. “I just wanted to report that your wrestlers and coaches are awesome. They always are, but this year they really stepped up and pitched in to help me when I was scrambling to move 2 wrestling mats and supplies over to West Valley. I really appreciate their willingness to help, especially with how cold it was outside! I hope your students enjoyed the tournament and will come back again next year.” - Rob Ott

BOARD REPORT

March 9, 2026

Goals:

- Our goal is to have every classroom complete the IditaRead Challenge. HHES students have been participating in a challenge that celebrates our state's unique sporting history and promotes literacy. IditaRead is a companion to the annual and iconic Iditarod dog sled race. Classrooms have been studying the race and its history while simultaneously encouraging students to read independently for 20 minutes each day. When 75% or more students complete their reading goals, a class can move its musher avatar to the next checkpoint along our school-wide trail. Teachers and parents report students being highly motivated to help their classroom proceed down the Iditarod trail, edging ever closer to the burlled arch at the HHES office! Next week will see us watching some of the race live, as well as wrapping up this challenge with some fun prizes and celebrations for all!

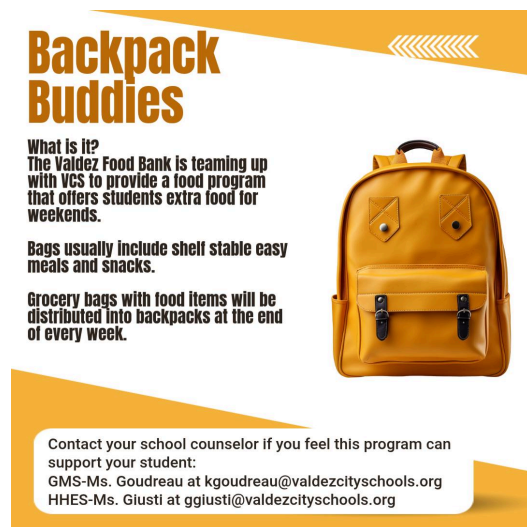

Engagement

- The PTA will be hosting a Book Fair in the school library from Wednesday, March 11, through Friday, March 13. As part of this event, the PTA is generously providing each student with a free book, which students will select during their scheduled class visit. The Book Fair will also be open to families,
- In collaboration with the Valdez Museum and City Library, the Valdez Art program is happy to announce the return of their District-Wide Art Show. Students from preschool through 12th grade are excited to share their hard work and creativity with their community. The show will be available to view by families, class field trips, and the first round of cruise ship visitors. The kick-off party will take place on April 10th from 4:30- 7:00 pm. We hope to see you there!
- At Family Literacy Night on April 29, 2026, we will be welcoming award-winning novelist and illustrator Terri Libenson! Libenson's Invisible Emmie was a featured title in this year's Battle of the Books, and her series of the same name has been tremendously popular at

our school: our library can't keep any of Libenson's books in stock! Libenson will share her path to becoming an author-illustrator and offer advice to students who want to publish their own books. In addition, she will be hosting an illustration workshop in which students can sketch their favorite characters alongside a favorite author! Valdez Literacy Council is partnering with the Valdez Consortium Library to bring this author to our community, so following the author talk and workshop at HHES, community members will be invited to the library for an author meet-and-greet and book signing opportunity.

SEL

- Valdez City Schools would like to extend a huge thank you to the Valdez Food Bank. The Valdez Counseling Department and the Valdez Food Bank have joined forces to provide the Backpack Buddies program. Please see attached Flyer:

A flyer for the Backpack Buddies program. It features a yellow and white color scheme. The title "Backpack Buddies" is in a large, bold, orange font. Below the title, there are three paragraphs of text: "What is it? The Valdez Food Bank is teaming up with VCS to provide a food program that offers students extra food for weekends.", "Bags usually include shelf stable easy meals and snacks.", and "Grocery bags with food items will be distributed into backpacks at the end of every week." To the right of the text is a photograph of a yellow backpack. At the bottom, there is a white box with contact information for school counselors.

Concerns

- We are waiting for an update on when we will be able to move into the renovated office location.

Achievement/celebrations

- Huge thank you to the City of Valdez Publix Works for creating the HHES sledding hill!
- We officially ended our Battle of the Books Season last week. Our 3rd-grade team participated in State Battles via Zoom on February 26th. There was a lot of positive energy and excitement. Although the team didn't advance to the finals, they worked well together and put their knowledge of the books to good use during the 32-question battle.

BP 5113 Absences and Excuses

The School Board believes that regular attendance plays a key role in the success a student achieves in school. The Board recognizes its responsibility under the law to ensure that students attend school regularly. Parents/guardians of children aged 7 to 16 are obligated to send their children to public school except as allowed by law. The Board shall abide by all state attendance laws and may use any legal means to correct the problems of excessive absence or truancy.

A student has an obligation to attend all assigned classes and to be present in the classroom at the required time.

The Board is committed to keeping students in school. Truancy is defined as the absence of a student from class without the knowledge or prior consent of the parent/guardian. The Superintendent or designee shall implement all steps appropriate to reduce student absences and to ensure that all children residing within the district are receiving appropriate educational services as required by law.

(cf. 5147 - Dropout Prevention)

(cf. 6164.5 - Student Study Teams)

(cf. 6176 - Weekend/Saturday Classes)

A student's grades may be affected by excessive unexcused absences in accordance with Board policy.

(cf. 5121 - Grades/Evaluation of Student Achievement)

The Superintendent or designee shall report to the Board any apparent violations of compulsory attendance laws. The Board shall investigate such reports and any public complaints of violations of state compulsory attendance laws.

Make Up Work

Any student who knowingly will be absent from school must make arrangements before the absence to make up all the class requirements. This requirement will be satisfied for any school sponsored activity and/or parent-sponsored activity. Failure to complete the make-up work assigned will result in the absence being deemed unexcused and treated accordingly. Make-up work for a pre-planned absence is due upon return to school.

In case of an unplanned absence such as illness or a family emergency, the student will be given one (1) day to make up work for each day absent. For extended absences, two (2) weeks make-up time may be allowed at the discretion of the building administrator.

Parent Notification

The School District will make every effort to notify parents/guardians of unexcused absence of their child and informed of state compulsory attendance laws.

Students experiencing difficulty with attendance shall be counseled in an attempt to alleviate the problem. The district, the parents/guardians, and the student shall work together to develop an appropriate plan for improving school attendance.

Compulsory Attendance

Unless a child subject to compulsory attendance laws is exempted, excluded, or expelled from school attendance, each five days of unlawful absence constitutes a separate violation of the law and will be referred to local law enforcement. ([A.S. 14.30.020](#))

Return to School

When students who have been absent return to school, they must present a satisfactory explanation verifying the reason for the absence. The following methods may be used to verify student absences:

1. Written note from parent/guardian or parent-representative.
2. Conversation, in person or by telephone, between the school district and the student's parent/guardian or parent representative.
3. Any other reasonable method that establishes the fact that the student was actually absent for the reasons stated. A written recording shall be made, including information outlined above.

ABSENCE LIMITS

Middle and High School students (grades 6-12) must not be absent, for any reason not related to school activities, more than eight (8) times from each semester course in which they are enrolled if they are to receive credit for that course.

Middle School students (grades 6-8) must not be absent more than 8 times per semester or they may be considered for retention in the same grade the following year.

Elementary (grades Pre-K-5) students must not be absent more than ten (10) times per semester or they may be considered for retention in the same grade the following year.

The following absences shall not count toward the absence limit:

1. Illness, injury, or medical appointment substantiated by a statement from a parent/guardian, and/or medical practitioner. The principal may ask a parent/guardian to provide medical evidence from a physician or medical practitioner for excessive absences.
2. Death in the student's family necessitating an absence
3. Absences from school due to school-sponsored activities
4. Absences due to work or training college as an approved part of their educational plan
5. Unavoidable emergencies at home as determined by the principal
6. Medical or dental appointments
7. Religious observances
8. Other special circumstances approved by the principal.

ADDITIONAL EXCEPTIONS:

1. A student may be absent up to five (5) days in addition to the absence limits each semester for special reasons if approved by the building principal.
2. Additional days may be granted for exceptional circumstances such as national competition or academic competition. Additional exceptions shall be determined by the building principal.

The following absences shall count against the absence limits:

A student:

1. Skips a class having once arrived at school.
2. Leaves the school campus without checking out through the office, except during lunch.
3. Is more than 10 minutes late for a class.
If the absence is not excused, make-up work will be assigned for the absence, but no credit will be given.

Note: Should the school district move back to a five-day school week in grades 6-12 all grades would have a ten (10) day absence limit.

LOSS OF CREDIT/COURSE FAILURE

When a high school student's absence exceeds the 8 time absence limit he/she will lose credit/fail the class for each affected course. He/she may be given the option of either staying in the class, or be withdrawn from the class, assigned to a study area for the remainder of the semester during the period he/she was scheduled for that class. The determination of placement shall be made by the principal based upon input from the student, parent/guardian, and teachers.

Students who are habitually truant may be dropped from school enrollment or denied admission if a remedial plan of action is not successful. Credits lost due to poor attendance may be made up in the regular school program, or through correspondence school. A notation shall be made on the student's report card/interim report, transcript, when a grade has been lowered due to a violation of the attendance policy. Students withdrawn from a course for non-attendance will have a "WF" (Withdrawn-Failing) recorded on their report cards and transcripts. That grade will be included in the calculation of his/her grade point average and will affect extra-curricular eligibility. The loss of credit and/or course failure does not preclude disciplinary action initiated by the school where otherwise warranted.

When a middle school student's absences exceed the 8-day limit, the principal will consider the student for retention in the same grade.

When an elementary student's absences exceed the 10-day limit, the principal will consider the student for retention in the same grade.

HIGH SCHOOL CREDIT LOSS MAKEUP

Students who have lost credit due to excessive absences may attend a scheduled Saturday School to make up the needed days. Credit may be reinstated at the completion of the appropriate makeup time. Students must gain makeup approval from the principal.

ELEMENTARY SCHOOL TARDINESS

Being absent from school for more than 30 minutes at the beginning of the day or after lunch is considered a half-day absence.

MIDDLE SCHOOL AND HIGH SCHOOL TARDINESS

Students are considered tardy through the 10th minute of the class period. After the 10th minute, the student is considered absent from that period. If the student is tardy for a class, he/she should report directly to the office to secure an admit slip. The office will assign a 30-minute detention on the third tardy and a 48-minute detention each for the fourth and fifth tardies during a quarter. Detention shall be completed within two school days and must be served at lunch, or after school. If a student accrues six or more tardies in any quarter, a parent conference will be requested to develop a special plan to remedy this issue.

PARENT NOTIFICATION

Each time that a student is absent from school, the school Attendance Secretary shall initiate telephone contact with the parent/guardian if the school has not already been contacted by the parent. The school shall place a student on attendance probation when the student reaches six (6) absences **on a five day school week and five (5) on a 4 day school week** in any course in a semester. A probation notice including an attendance summary for all classes shall be sent to that parent/guardian/student at this time. After six (6) absences **on a five day school week and five (5) on a 4 day school**

week in a course, a parent/guardian/student/teacher/administrator conference shall be scheduled to determine remedial steps to be undertaken to avoid loss of credit. A student, parent, or guardian may request an attendance summary through the principal at any time during the school year. Valdez High School shall withhold credit for any course in which a student's absences exceed eight (8) in a semester. The student/parent/guardian shall be contacted on a class-by-class basis. A letter with notification of withdrawal of credit shall be mailed to parents/guardians/students in each instance.

APPEALS PROCEDURE

If a parent or student wishes to appeal a decision made pursuant to this policy, such an appeal must be initiated in writing within fifteen (15) school days of the date of the decision or the date of the letter of notification to the Superintendent of schools. The letter requesting an appeal must include specific reasons that the request should be considered. If an appeal is not filed within the timeline provided, the student/parent/guardian shall be deemed to have waived the right to an appeal and a hearing.

A parent/guardian may appeal the Superintendent's decision by requesting in writing that the school board review the decision within five (5) days of the Superintendent's decision. The board will hear the appeal in executive session at the next scheduled board meeting.

Subj: Weight room equipment for VHS in the amount of \$147,991 from Top Fitness of Anchorage.

This request is to purchase strength and weight training equipment to transform the VHS rifle range into a strength and weight training space. The space will be a benefit to VHS students, teams, community members, and staff. We plan to have students using the new weight room for classes and team sports at VHS in the fall of 2026. I have been working with the city on this project as well to ensure the space will be adequate for use as a weightroom. Our maintenance department will work to convert the space to a weight room over the summer of 2026 and have it open for students when they return to school in the fall. The funds to pay for the equipment would come from our undesignated reserves which is currently over the 10% threshold required by law. We do have the funds for the project. If approved a budget amendment will be brought to the board at the next meeting. The middle school weight room would be adjusted to support the student population they serve and members from the middle school were able to give input on all decisions for the VHS weight room and how to reallocate current equipment to the best audience. This quote is inclusive of the needs of both rooms.

We had a team of Christine Brandon, Todd Wegner, Michelle, Peterson, David Cronk, Joshua Bryan, Kasey Walker, Amanda Tippets, Kate Goudreau, and Tracy Gilson provide input and work on this request for equipment. The team chose Top Fitness because they felt their choice of equipment best met the needs of what the team was asking for, providing high quality long equipment with long life spans, installation, as well as definitive shipment costs direct to Valdez. Although the Bear complex quote came in lower, the team felt the equipment would not hold up over time as more crossfit non commercial grade set up, they did not provide complete information on shipping, lacked pieces of equipment to meet the teams needs, and no installation costs included. Information from each quote is provided, the last quote was of good quality, it had a higher cost and there were still unknowns on shipping costs.

Recommendation: Approve the purchase of weight room equipment in the amount of \$147,991 from Top Fitness of Anchorage.

**BUDGET AMENDMENT REQUEST
26-7**

Justification for Amendment

Budget amendment for equipment repair. The forklift used to move heavy items from the bus barn and warehouse uses a 36-volt battery, which was recently discovered to have multiple bad or shorted cells. A new battery is needed for this piece of critical equipment.

VALDEZ CITY SCHOOL DISTRICT

SUBSTITUTE HANDBOOK 2026-2027

Welcome and thank you for joining our Valdez City Schools community!

As a substitute, you play a vital role in maintaining the continuity of our educational program. Your efforts help ensure that students' learning experiences remain consistent and productive, even in the absence of their regular teacher. We recognize that this is an important and sometimes challenging task.

Our mission is based on a partnership of schools, parents, and the community united in education for life - instructing, inspiring, and empowering every student in a safe environment. We do this by offering a challenging curriculum across all three schools - Hermon Hutchens Elementary, Gilson Middle School, and Valdez High School. Students enjoy a rich educational experience from Pre-Kindergarten through twelfth grade through the collaborative efforts of engaging teachers, administrators, and staff.

Employment

This handbook does not create or intend to create a contract of employment, either expressed or implied. A substitute is an at-will employee of the District and the relationship with the District may be terminated by the substitute or the District at any time, with or without cause. The District does not guarantee specific benefits or terms of employment.

I. General Information

A. Payroll

The Payroll office is open from 7:30 a.m. to 4:30 p.m. Monday through Friday (907-835-4357). Feel free to contact the Director of Business Services for payroll inquiries or if assistance is needed.

Before the first day of service with the District, you must complete the necessary paperwork in your Onboarding Packet emailed to you via Frontline.

The pay period for all employees is from the 21st of the prior month to the 20th of the current month. All District substitutes are paid once a month during the regular payroll period. Payments are deposited on the last working day of the month on the school calendar (e.g., If January has thirty-one days and the last working day falls on Friday, the 29th, that is the day that payments will be deposited.)

Substitutes do not need to fill out a timecard. All shifts picked up will automatically be transferred to payroll. Shifts worked are always confirmed by our school's front desk administrators so be sure to check in prior to starting your shift.

B. Change of Name, Address, or Telephone

For name changes, you must bring your new social security card to the Payroll office and fill out a new W4.

C. Removing Your Name from the Substitute List

If you are no longer available to sub for VCS, please email or call the district administrative assistant and request that your name be removed from the substitute list. (907) 834-4701 or Email: humanresources@valdezcityschools.org

Substitutes who have not accepted any assignments within a 90-day period will be considered inactive. Inactive substitutes will be removed from the district's substitute roster. To remain active, substitutes are encouraged to regularly check for and accept available assignments.

D. Certification For pay purposes, the District recognizes current teaching certificates from Alaska. If you are a certificated substitute teacher, you must provide a copy of your valid Alaska teaching certificate(s) to the Payroll office in order to receive certificated pay. Eligibility for certificated pay begins on the date the Payroll office receives a copy of your certificate, not the effective date of the certificate.

If your certificate expires while substituting and a renewed certificate or verification from the State of Alaska Department of Education and Early Development (EED) or receipt of your renewal application is not received in the payroll office, you will be paid at the non

certificated rate of pay until a renewed certificate is received in the payroll office.

Substitutes are encouraged to apply for an Alaska Teaching Certificate if they are eligible. Please visit EED's [website at www.eed.state.ak.us/teachercertification](http://www.eed.state.ak.us/teachercertification) for information regarding your eligibility or contact them in Juneau at (907) 465-2831.

E. School Closure Information

In the very rare event of an emergency school closure, contact your assigned school to determine if you are to report to work. If you report to work and there is no school, you will not be paid. Access to school closure information is available at: **VCS Main Telephone: (907) 835-4357**

Website: www.valdezcityschools.org

VCS Facebook: <https://www.facebook.com/valdezcityschools>

F. Substitute Pay

Substitute pay shall be \$18.00 per hour for those teachers without Alaska certification; \$25.00 per hour for those teachers who hold a valid Alaska certificate.

Substitutes who teach nineteen (19) consecutive school days for the same individual and are Alaska certified will receive on the twentieth (20) day an hourly rate calculated based on the certified negotiated agreement BA column, 0 experience, divided by 185 days, divided by 7.5 hours. Each additional consecutive day following the twentieth (20) will also be paid using the same hourly rate.

When a long-term absence is arranged in advance, the long-term rate will be applied starting on the first day. Long term subs receive a higher rate as the qualifications are a teacher certification, and they are expected to perform expanded duties. No other benefits are provided. Additional provisions as provided for in State Law, 4 AAC 18.021.

FY26 example calculation ($\$55,589/185 \text{ days}$)/7.5hrs=\$40.07per hour.

Substitute Positions and Salary as of 2026:

Teachers: \$18.00 per hour without current Alaska Teaching Certificate

Teachers: \$25.00 per hour with current Alaska Teaching Certificate

Food Service I: \$18.00 per hour

Food Service Warehouse/Freight: \$18.00 per hour

Building Secretary: \$18.00 per hour

Administrative Secretary: \$18.00 per hour

Paraprofessional: \$18.00 per hour

Custodian: \$18.00 per hour

Library Associate: \$18.00 per hour

Substitutes are classified as a temporary employee. One who works on an irregular basis, or who has been appointed for a period of less than six working months, and is not eligible for employee benefits unless he or she is assigned to a permanent position following his/her probationary period.

Required Qualifications: High School Diploma or Equivalent.

G. Substitute Evaluation

Substitutes are evaluated via the Aesop system on a regular basis. If there are any concerns, you will receive feedback from the building principal, the substitute coordinator or the District Office. Repeated unsatisfactory evaluations may result in your name being removed from the substitute list. Please remember that substituting is, by its nature, temporary and sometimes sporadic in nature.

H. DEED eLearning

All substitute staff are required to create an account with the Alaska Department of Education & Early Development (DEED) eLearning platform to complete the “Mandated Reporters of Child Abuse and Neglect.” training This training is required by the State of Alaska and must be completed prior to serving in a substitute role. Click on the eLearning link to start: <https://eedelearning.inquisiqlms.com/Default.aspx>

II. Emergency Procedures

Substitutes are expected to comply with and assist in any emergency procedure. There is a telephone in every classroom to call for assistance in an emergency.

Red Hanging spiral binders hang in each classroom titled “Crisis Response Plan”. Please review this and procedures prior to your classroom start time. Please see the school principal with any questions. Fire drills are conducted regularly. Teachers are informed and reminded the day of our scheduled fire drills.

A. Injury to Student

In case of an accident or medical need for a student, notify school office staff via phone to receive assistance from the school nurse. Never leave remaining students unattended. Substitutes are to report all accidents to the building level principal or school nurse’s office. Classroom teachers are issued disposable gloves to be used in the event of the presence of bodily fluids (mucous, blood, vomit, etc.).

B. In Case of Personal Injury

Any injury in the course of school duties must be reported immediately to the school administrator or school nurse. An Injury Report must be completed and submitted to the Business Department at the time of the injury. A substitute injured on the job may be insured under the provisions of Workers’ Compensation Laws.

III. Responsibilities

A. General School Policies

1. All VCS property is smoke-free, drug-free, cannabis-free, alcohol-free and weapon-free.
2. Students are never to be left alone without supervision.
3. Corporal punishment is not to be used in any circumstance.
4. Students are not to be released from the building during the school day without permission from the office.
5. Classes are to be dismissed promptly at the designated time. No students are to remain

in the classroom or any other part of the building unless parents have been notified and transportation, if needed, has been arranged. A teacher must be present to supervise the student.

6. No medication (even aspirin, cough drops, etc.) is to be stored or administered in the classroom. Regularly prescribed medication will be administered in the nurse's office by appropriate school personnel.

7. Money collected from students for any reason is to be delivered to the office at the first available opportunity.

8. Animals are not allowed in the building, unless it is a service animal.

9. Substitutes are not allowed to bring their own children to the building without prior administrative permission.

B. School and/or Teacher Responsibilities

1. Provide an identification badge for the substitute to wear at all times in the building.

2. Provide directions to the teacher's mailbox, classroom and staff rooms, including the restrooms.

3. Provide lesson plans, including textbooks and necessary materials for the daily lessons and any special instructions needed.

C. Substitute Responsibilities

1. Arrive at the school at least 15 minutes prior to the posted job time and report to the main office of the school.

Substitute teachers are expected to be on duty by the start time for the building they are substituting in unless otherwise indicated by the secretary or AESOP/(Frontline) calling system. This will allow time to check in at the office and grab an iPad/binder if needed, find the classroom, locate and read the lesson plans, prepare the room and instructional materials, take roll call, collect hot/cold lunch orders and otherwise prepare for a successful day of substitute teaching. Before leaving at the end of the day, leave notes on how the day went for the regular classroom teacher.

Substitute aides/paraprofessionals, secretaries, and custodians should confirm the time they begin with AESOP, the school secretary, or the principal.

AESOP keeps track of the hours a substitute works, which are confirmed by the building secretaries or administrators.

2. Appropriate and professional attire is required. Business casual is acceptable.

Employees are expected to dress in an appropriate manner according to their job description. Keep in mind that you are a role model for students.

Shirts that ride up the midriff or are cut low at the neckline are unacceptable. Sweatpants, torn jeans, short skirts, spaghetti strap tops, bare midriffs, message T Shirts, bar hoodies, etc. are not considered to be professional or appropriate. Appropriate hoodies, shirts, slacks, denim, leggings and appropriate length skirts are acceptable.

3. Responsibilities related to the teaching day include the following:

A. Maintain direct supervision (line-of-sight) of students.

B. Utilize appropriate, effective classroom management strategies, including, but not limited to:

1. Model good manners (i.e., please, thank you, respect, and encouragement).

2. Complete attendance procedures, Lunch counts, and provide documentation.
3. Implement lesson plans prepared by the teacher utilizing District teaching methods and materials, including extra assignments such as bus duty, lunch duty, recess duty, etc.
4. Upon request, correct assignments given during the substitute's workday in the classroom.
5. Distribute hand-outs as requested by the teacher or school office.

C. Substitutes are to remain in the building all day with the exception of the 30-minute lunch period.

Substitutes may purchase lunch from the cafeteria.

A substitute teacher is assigned to every class period of the day, with the exception of a 30-minute duty-free lunch period. Substitutes may be assigned to more than one classroom in a day. Questions pertaining to substitute responsibilities should be directed to the principal.

D. Use of Technology

The use of technology by teachers is a daily occurrence. Teachers use laptops, smart screens, and iPads to allow staff and students to interact and learn in ways not previously possible. Use of cell phones, personal laptops or other personal electronic media is prohibited during your assignment. Substitutes must read the most current version of the VCS Board Policy, BP5141.42 Professional Boundaries of Staff with Students, located on our website <https://www.valdezcityschools.org/school-board/board-policy> along with all other board/school policies. Should a substitute commit any violation, access privileges may be revoked, and school disciplinary and/or appropriate legal action may be taken.

B. Before the School Day Starts

1. Familiarize yourself with the room.
2. Check the daily program or schedule.
3. Read the lesson plans.
4. Print your name on the board.
5. Review the seating chart, if provided, to familiarize yourself with student names.

C. The Start of the Day

1. Be in the room or at the door when students arrive. Greet the students.
2. Introduce yourself and write your name on the board.
3. Follow the established routine as shown in the lesson plans.
4. Check attendance carefully. Your attitude will set the tone for the day. The initial impact of the substitute is a key factor in successful classroom management. Self-confidence, initiative, resilience and resourcefulness, as well as patience, honesty, enthusiasm, and acceptance are some of the necessary requisites.

D. Class Control

A few simple suggestions will help you establish good class routines, provide for efficient learning situations, and establish mutual respect between teacher and student.

1. Expect good behavior. Children tend to respond to whatever we expect of them. A few minutes of explanation at the start of the school day outlining your expectations will solve problems that may arise.

2. Be fair and consistent. Class control depends greatly on the degree of fair and consistent treatment. Children must know the “ground rules” before they will accept them.

3. Recognize the importance of every child. Children are human beings with personal

feelings and individual differences. At all times, avoid embarrassment, ridicule, and sarcasm. Positive comments or supplying “jobs” for some students will sometimes correct a trying situation.

4. Do not leave the group. If a situation does arise, notify the closest teacher so that the students in your room are not left unattended. Use the telephone in the room or, if provided, the handheld radio, to request assistance.

5. Profanity or derogatory comments are never to be used to motivate or control students.

6. If discipline problems arise which you are not able to manage, a Principal should be contacted **immediately** for assistance.

E. Helpful Hints

1. Be Prepared Your ability to carry out the day’s lesson plans as outlined will affect the class control and the students’ education for the day.

2. Be Ready Be sure to read any and all notes the teacher has provided before the children arrive. There may be information about behavior and learning concerns that are important to know before the day begins. Have materials ready for the children, put instructions on the board if called for, and know the starting assignment. Be sure that you have the complete attention of every student in the class, firmly but gently, before starting. If you have any questions regarding the lesson plans of the teacher, check with the building administrator. Substitutes are to follow the lesson plans of the regular teacher, not do their own thing in the classroom.

3. Motivation is the Key Children need and want motivation. Remember, however, that your primary purpose is to teach and not to entertain. Be brief, set the stage, arouse curiosity, and relate to the previous lesson. This can be accomplished by a picture, a key question, a story or a brief shared experience. Be enthusiastic; it’s contagious.

4. Make Your Presentation Clear What children gain from the lesson will depend on how well you present it.

- a. Keep the language on the child’s level.
- b. Present one point at a time.
- c. Go from the known to the unknown, the easy to the difficult.
- d. Stop often and review.
- e. Do not hesitate to repeat.
- f. Give the children the opportunity to ask questions.
- g. Ask Good Questions

5. Good teaching is a process of drawing out from within the students rather than stuffing them with knowledge. A good question is one that:

1. Asks something you really want to know.
2. Is concise and expressed well.
3. May often require some intermediate answers. Directs a student in self-motivation.
4. Gives the student an idea of what is to follow.
5. Causes students to formulate new or unexpected ideas.
6. Does not call for mere repetition of book materials.

6. Mechanics of Asking Questions

1. State the question, wait 5 seconds, then call on a student.
2. Discourage students from shouting out an answer. Encourage hand raising. If students do not raise hands, give them a warning. (i.e., "I will be calling on Eric to answer #7, so be ready.")
3. Respect the student's answers (i.e. "Good try, but not quite the answer I had in mind.")
4. Use good probing techniques. (i.e., "Why do you think...")
5. Use a positive approach.
6. When needed, follow up student responses by asking for:
 - Clarification – When you are not sure what the student is talking about. (i.e. , "Help me understand what you are saying...")
 - Elaboration – When you would like more details regarding an answer (i.e., "You're on the right track, tell me more...")
 - Evidence – When a student needs to substantiate an answer (i.e., "Can you show me where you got that answer?")

7. Provide for Active Participation

In a really good lesson, students are engaged in organized activities. Directions should be clear, supervision constant, and emphasis should be on the project.

8. Time for Summary

All facts and concepts need to be brought back together before the close of the lesson. Vary your ways of summations. It can be teacher-directed, student-directed, or activity-directed.

9. Give Clear Assignments

Assignments should be clear, concise, purposeful, and should take into account individual differences. If homework is assigned, write the assignment with its due date on the board. Remember to leave the teacher a note with what was completed and what was assigned for homework.

10. Stay on Schedule

Do your best to maintain the schedule set by the teacher.

11. Your Idea Book/Sub Pack

Start your own tip book of ideas for "filling time." Always keep it with you and add to it as you learn new activities, stories, games, etc. In every room you may find an idea that you can use and adapt to another room. The internet has many sites for finding appropriate activities for various grade levels and subjects.

F. The End of the Day

1. Routine dismissal procedures should be followed.
2. Students are not allowed to remain in the building without parental permission.
3. Leave the room in an orderly fashion. Return teacher manuals to the appropriate location. Leave any assignments collected for the teacher.

4. Leave a summary for the teacher with any challenges to the day and how much of the lesson plan was completed.
5. Return any keys you were issued to the school office.
6. Sign out at the front office.

V. Professional Ethics

A. Professional Ethics of the Substitute

All information regarding students, parents, staff, or other school-related matters is confidential. Negative comments, insulting remarks and/or inappropriate language regarding students or staff members are not permitted.

B. Interacting with Students

Every parent knows that children benefit from gentle touches and hugs. Unfortunately, innocent gestures can be misinterpreted as inappropriate touching, excessive force, or even abuse. Touching children at school increases the risk that people will face these types of accusations.

Use common sense to prevent false claims of abuse and inappropriate touching.

1. Avoid being alone with a student of either sex.
2. Avoid physical contact with students, which could be misunderstood as sexual in nature.
3. Physical force to enforce discipline is not allowed.
4. Avoid communicating with students outside of school hours.

5. Avoid off-the-cuff comments with suggestive overtones.
6. Do not be drawn into discussions of sexually explicit topics such as tasteless jokes or suggestive song lyrics, politics, or religion.
7. If a student confides in you regarding a personal topic of a sexual nature, invite another adult to join the conversation and report the conversation verbally and in writing to the principal immediately.
8. Do not transport students in your personal vehicle.
9. Avoid any romantic contact with current or former students, even if the students are over 18 years old.

C. Confidentiality

As a substitute, you will be in situations that may expose you to information about individual students or groups of students that is confidential in nature and is not to be shared with anyone. Among the types of information that must be protected are: student grades and test scores, student status in terms of special education or bilingual education services, student discipline, attendance, and behavior records or activity, and a variety of other information. Sharing confidential information with others will result in disciplinary action and will likely lead to removal from the approved substitute list.

As a general rule, it is best that you never use student names outside of the classroom setting unless talking with the building principal. If they believe there is someone else you should talk to, they can direct you. It is also recommended that when talking to family and friends about your substitute experiences you avoid providing them with any detail or information that might inadvertently identify any individual student or record as this may be a breach of confidentiality, too.

Should you have ANY questions about confidentiality, please ask a building principal.

D. Removal of a Substitute

Any substitute may be removed from the list of substitutes by the School District and thus become ineligible for assignment as a result of unsatisfactory evaluations, misconduct charges, exclusion reports, refusals to accept assignments, or for other reasons.

Again, a substitute is an at-will employee or independent contractor of the District and relationship with the District may be terminated by the substitute or the District at any time, with or without cause.

The District does not guarantee specific benefits or terms of employment.

E. BP 4119.21/4219.21/4319 Code of Ethics

The School Board expects District employees to maintain the highest ethical standards, to follow district policies and regulations, and to abide by state and national laws. Employee conduct should enhance the integrity of the District and the goals of the educational program. The Board encourages district employees to accept as guiding principles the codes of ethics published by professional associations to which they may belong.

Note: Pursuant to [4 AAC 18.010](#) all teacher contracts must state that the teacher is obligated to abide by the code of ethics and professional standards adopted by the Professional Teaching Practices Commission. See E 4119.21.

Members of the teaching profession are obligated by law to abide by the code of ethics and professional standards adopted by the Professional Teaching Practices Commission (20 AAC 10.010). Employees who violate provisions of the code of ethics and professional standards may be subject to disciplinary action, up to and including termination. The District may report any violation of the code of ethics to the Professional Teaching Practices Commission.

Note: [20 AAC 10.310](#) requires that copies of the PTPC Handbook for Alaskan Educators be conspicuous and available at every educational institution.

Based upon the variety of positions you may cover, be sure to confirm start times and shift details in Aesop/Frontline and/or the principal and administrative team..

A. Generalized Substitute Job Description

Job Title: School Substitute

Reports To: Building Principal

Summary:

The School Substitute provides temporary coverage for a variety of roles within the school environment, including classroom teaching, library assistance, paraprofessional support, food service, and custodial duties. This position is essential for maintaining a smooth and efficient school day when regular staff members are absent. The ideal candidate will demonstrate flexibility, a strong work ethic, and a commitment to creating a positive and safe learning environment for students.

Essential Functions

Classroom Support (Teacher Role):

Deliver lessons and instructional activities across subjects such as reading, language arts, mathematics, science, and more, following lesson plans provided by the absent teacher.

Maintain a positive classroom environment that encourages student engagement and supports the school-wide behavior expectations.

Adapt materials and instructional strategies as needed to meet the diverse learning needs of students.

Evaluate and monitor student progress, maintain attendance, and provide feedback when necessary.

Foster a respectful and supportive classroom culture, working closely with students and staff.

Library Assistance (Library Associate Role):

Assist students and staff with locating library materials and utilizing library resources effectively.

Operate and maintain the library circulation system, including check-in/check-out procedures, inventory, and overdue notices.

Help with library displays, special student activities (e.g., book fairs), and maintaining a welcoming library environment.

Provide training on library software and digital tools to students and staff.

Special Education Support (Paraprofessional Role):

Provide one-on-one or small group support to students with varying needs, reinforcing classroom material and assisting with physical tasks.

Adapt classroom materials to meet the needs of individual students under the direction of the special education teacher.

Foster supportive relationships with students while maintaining professional boundaries.

Food Service Support (Food Service Role):

Assist with the preparation, serving, and clean-up of meals in the school cafeteria, ensuring that food is served promptly and safely.

Maintain cleanliness and organization of the cafeteria area, including dishwashing and equipment sanitation.

Operate the point of sale system as needed and assist with inventory and meal-related tasks.

Custodial Support (Custodial Role):

Perform general cleaning and maintenance duties within the building, including classrooms, hallways, and outdoor areas.

Ensure the school environment is clean, safe, and conducive to learning.

Assist with the set-up and clean-up of special events, and perform minor repairs or report major issues to the facilities director.

Maintain the cleanliness and safety of the school grounds, including shoveling snow, mowing lawns, and disposing of waste properly.

Non-Essential Functions

Competencies:

Ability to adapt quickly and efficiently to various roles within the school environment.

Strong communication and interpersonal skills, with the ability to interact with students, staff, and parents from diverse backgrounds.

Good organizational and time-management skills.

Ability to maintain confidentiality and demonstrate professionalism.

Ability to follow instructions and work independently with minimal supervision.

Basic knowledge of safety procedures, especially in food handling, custodial tasks, and student supervision.

Supervisory Responsibility:

Supervise students during assigned duties, including in the classroom, library, cafeteria, or outdoor areas.

Assist with the supervision of student interns or volunteers as needed.

Work Environment:

The role may require working in various environments, including classrooms, the library, kitchen, and outdoor areas, depending on the assignment.

Must be able to perform physical tasks such as lifting, bending, standing for extended periods, and operating equipment.

Physical Demands:

Ability to lift and carry up to 70 pounds with assistance.

Ability to perform tasks involving repetitive motions, standing, walking, bending, and occasionally climbing or balancing.

Clear speaking and hearing abilities to communicate effectively in a school setting.

This position offers a unique opportunity to work in different capacities within the school system and contribute to the success and safety of students on a daily basis. Flexibility, adaptability, and a strong work ethic are essential for success in this role.

We hope this handbook will be a helpful resource as you work to support our educational goals. Should you have any questions, please don't hesitate to reach out to the District Office at 907-835-4357 or the District Administrative Assistant at 907-834-4701 Mon-Fri 7:30-4:30.

Resolution of the Valdez City School District Board of Education A Resolution Supporting House Bill 78 Regarding Defined Benefits

WHEREAS, the Valdez City School District Board of Education recognizes the critical importance of attracting, recruiting, and retaining high-quality educators and staff to best serve the students of Valdez; and

WHEREAS, Valdez City Schools has found that each year recruiting hiring and retaining high quality teachers has become increasingly difficult: and

WHEREAS, the availability of a stable and secure retirement plan, such as a defined benefit plan, is a crucial factor in the employment decisions of experienced and prospective employees, forcing districts to rely on emergency certifications creative hiring as stop gap measures; and

WHEREAS, Alaska is the only state in the nation that does not offer its public school teachers a defined retirement plan, placing Alaska at a significant competitive disadvantage when recruiting and retaining educators compared to every other state in the country;

WHEREAS, research consistently demonstrates that defined benefit retirement plans are among the most effective tools available for long-term educator retention, particularly in rural, remote, and high need school districts;

WHEREAS, House Bill 78 passed the Alaska State Senate, would restore a defined benefit pension option for teachers and public employees covered by the Teachers' Retirement System (TRS) and the Public Employees' Retirement System (PERS), with retirement eligibility at age 60 or after 30 years of service, and would allow current employees to voluntarily opt into the new plan;

WHEREAS, HB 78 passed the Alaska House of Representatives of May 12, 2025, and is under consideration by the Senate;

WHEREAS, a fiscal note analysis prepared by the State of Alaska actuary (David Kershner, Division of Retirement and Benefits, March 2025) found that the HB 78 pension sub-trusts are structured to begin with zero unfunded liability as to the plans effective date, with assets transferred on an actuarially equivalent basis to fully fund all credited service at inception; and further found that the plan includes automatic financial safeguards – including adjustable member contribution rates and conditional cost-of-living adjustments – designed to protect the funded status of the trust without requiring additional employer contributions beyond existing

statutory caps; and that TRS employer contribution rates under HB 78 are projected to decrease slightly from current levels as a share of total payroll as the workforce stabilizes under higher retention assumptions, maintaining the existing 12.56% statutory employer contribution cap;

WHEREAS, the Board believes that the provisions of HB 78 are essential to recruiting and retaining high quality teachers now and into the future; and

WHEREAS, the Board has reviewed the fiscal impact and long-term implications of HB 78 and has determined that its benefits to the district and its employees outweigh any potential costs or administrative burdens; and

NOW, THEREFORE, BE IT RESOLVED that the Valdez City School District Board of Education hereby formally endorses and supports House Bill 78 of the 34th Alaska State Legislative Session; and

BE IT FURTHER RESOLVED that the Board of Education directs the Superintendent to transmit a certified copy of this Resolution to the Governor of Alaska, the presiding officers of the Alaska State Senate and House of Representatives, the members of the Alaska Senate Labor and Commerce Committee, and each member of the Alaska State Legislature representing the Valdez City Schools.

ADOPTED AND APPROVED this 9th day of March, 2026, by the Valdez City School District Board of Education.
