Primary Changes from May to June

- **June Tax Payment:**
  - $3,034,202.56 came in from Boone County (54%)
  - $42,178.62 came in from Winnebago County (50%)
- **CSFT** - $85,042.54 in June (***22.67%+***)
  - Total FY26 Revenue: $990,164.01 (***20.90%+***)
- **Interest** - $127,063.40
  - $999,728.25 for FY26 - *104% of our amended budget revenue for interest*
- **Fiscal Year 26 Closeout Review:** Working to reconcile, finish journal entries, and closeout FY26

General Updates

- **Eddi Platform Overview**
- **Fiscal Year 27 Budget Draft Update:** Working to get everything updated and in - new account numbers and the transition makes the development of the budget a bit more cumbersome
- **Bulk Fuel RFP:** Posted and sent out to 6 different companies. Public opening is 10:15 AM on August 12th in the District Office
- **Capital Asset Inventory:** Have quotes from 2 companies and working on getting a third quote right now we're between $7,900 and $12,500 with different scopes of work
- **Tyler ERP Update:** Running our first payroll through Tyler this week. Working through the expected bumps in any transition.
- **Website Update:** Working through some issues that we've found and Jerry has worked hard with them. Live date is expected to be tomorrow at 10 AM.

2026 HONDA® PIONEER 520

$12,070

2026 HONDA® PIONEER 520

Small footprint, bigger capabilities
Compact yet mighty, the updated 2026 Pioneer 520 offers exceptional versatility with its 518cc engine, 50-inch width, and 1000-pound towing capacity. Now with increased top speed, standard under-seat storage, and improved heat management to keep the cabin cooler, it's perfectly designed to fit your life's adventures.

Features may include:

- POWERFUL 518cc ENGINE

With an engine that’s both bigger and more powerful than our Pioneer 500’s, the Pioneer 520 also features electronic fuel injection. The engine is specially tuned for low-rpm torque and coupled with an efficient five-speed automatic transmission.

- AUTOMATIC TRANSMISSION WITH AT/MT MODE

You can let the Honda Pioneer 520’s automatic transmission shift for you, or you can still shift yourself with its paddle shifters. You can even shift from auto to manual (AT to MT) on the fly!

- TILT/DUMP BED

The Pioneer 520 features a super-convenient tilt/dump bed that can carry up to 450 pounds. An assist strut makes dumping easy, the tailgate opens flat, and the inside of the bed is set up for plywood dividers, or to hold milk crates or plastic buckets.

- COMPACT 50-INCH WIDTH AND TRAXLOK® 2WD/4WD

The Pioneer 520's 50-inch overall width is a huge bonus, whether it's for width-restricted trails or convenient transportation and storage (it fits into the bed of most full-sized pickups). Plus, TraxLok lets you choose either 2WD or 4WD

Model Code	KAT1000ATFNN
Stock Number	KU0438
Color	Metallic Sierra Blue
Condition	NEW
Engine Size	999 cc
Retail Price	~~$18,899.00~~
On Sale	$16,899.00

FEATURES

3- To 6-Passenger Trans Cab

MAXIMIZE CARRYING CAPACITY: The class-exclusive 3- to 6-passenger Trans Cab™ system allows you to convert a 3-passenger cargo hauler to a 6-passenger crew transporter. With the ability to move people and payloads, the MULE PRO-FXT™ 1000 LE side x side can do it all.

QUICK TRANSFORMATION: Converting the Trans Cab™ system is simple and takes minimal effort. All it requires is 1 person, 1 trip, and about 1 minute to transform the cabin seating from 3-passengers to 6. No tools or additional parts are needed.

Power

DEPENDABLE PERFORMANCE: The heavy-duty power to transport the entire crew and heavy loads comes from the new high-capacity 999cc twin-cylinder Kawasaki-built engine. This reliable side x side is ready to take on the most demanding jobs with dependable performance.

RELIABLE STRENGTH: Engine torque and power are complemented by the Continuously Variable Transmission (CVT) to offer quick response and broad power delivery throughout the rpm range. This helps with getting through tough spots even when loaded to capacity.

STEADY AND CONTROLLED: A Continuously Variable Transmission (CVT) also contributes to smooth, consistent engine braking that helps to maintain reduced vehicle speed during descents.

TOWING WITH CONFIDENCE: A massive 2,000-lb towing capacity helps you move extra equipment and supplies in fewer trips so you can get the job done quicker and more efficiently.

SIMPLE ACCESS: Maintaining your vehicle is a quick task with easy access to the oil filter, dipstick, and air filter. The air filter on the MULE™ PRO 1000 side x sides is 80% larger than that of the MULE™ PRO Series.

Premium Features

YEAR-ROUND CONVENIENCE: The MULE PRO-FXT™ 1000 LE side x side comes with convenient features to assist you on the job and on the trails when it's time to cut loose.

POWER ON DEMAND: This rugged side x side features 2 DC sockets integrated into the dashboard providing a power supply (up to 120W total) for accessory items or personal devices. This model also comes with 2 additional DC sockets located in the rear behind the driver seat for rear-passenger use.

CHOOSE YOUR TRACTION: Choose the right traction with selectable 2WD or 4WD and rear differential lock capability. The dash-mounted switches make it easy to instantly select the right mode to match terrain conditions.

PROTECTION FROM DEBRIS: Drive through rugged terrain with confidence as integrated inner wheel wells help protect the cabin and engine compartment from outside debris.

Comfort

COMFORTABLE RIDE: Drive comfortably in a spacious cabin that offers generous leg, shoulder, and headroom, while independent front and rear double wishbone suspension provides excellent bump absorption and off-road performance.

SMOOTH PERFORMANCE: Independent front and rear double-wishbone suspension deliver class-leading ride comfort by effectively damping both low- and high-speed bumps. Long wheel travel (11.0-in front, 10.1-in rear) contributes to ample ground clearance as well as superior ride comfort.

FEATURES

Power

BUILT KAWASAKI STRONG: A 617cc V-twin engine produces strong, dependable performance. Start up in cold or warm temperatures with ease thanks to fuel injection.

Hauling & Towing

PACKED WITH PULLING POWER: Move extra equipment, supplies, and tools easily with 1,200 lbs of towing capacity. While you're at it, haul up to 800 lbs (400 lbs in two-row configuration) in the durable steel cargo bed designed to tackle tough loads. The cargo bed also tilts for easy access to the engine compartment.

Trans Cab™

MOVE PEOPLE & PAYLOADS: The 2- to 4-passenger Trans Cab™ system design lets you quickly change from a 4-seat crew mover to a 2-seat cargo hauler, without the need for tools.

Comfort & Convenience

RIDE PREPARED: Electric Power Steering (EPS), thick padded bench seats and passenger grab bars help make the ride comfortable. The dashboard houses 2 glove boxes, a 12V DC outlet, and cup holders for added convenience, along with a digital fuel gauge and hour meter. A generous 15.8-gallon storage space is located under the hood, making it easy to stow additional belongings.

COLORS

BRANDING

Color is at the core of team and community pride. Watchfire works with you to create a look that reflects everything that is good about your brand.

CHOOSE YOUR BASE
Mix and match colors to create a dynamic two-tone look or request exact color matching.

CHOOSE YOUR CAPTION COLOR
Choose letters in white or complementary colors for contrast and team pride.

CHOOSE YOUR ACCENT
Add colorful trim to outline your scoreboard for a cohesive, branded look.

Watchfire Signs, LLC – SIGN TERMS OF SALE

These Sign Terms of Sale (these "Terms of Sale") are subject to change without notice. All transactions for a System (as defined below) sold or otherwise provided by Watchfire Signs, LLC ("Watchfire") are subject to the latest published terms and conditions (including, without limitation, these Terms of Sale and Equipment Financing Supplement, if any) which may be contained or incorporated in applicable Watchfire quotations (each, a "Quotation"), including, without limitation, each Digital Billboard Quote issued by Watchfire. Such Quotation from Watchfire to the applicable purchaser ("Buyer"), which Quotation was accepted by Buyer (whether by handwritten or electronic signature on behalf of Buyer, clicking or checking "accept" in digital format, or by other comparable manifestation of acceptance), and the Terms of Sale, Equipment Financing Supplement, Warranty Terms as in effect on the date of the Quotation (the "Warranty Terms") (a copy of which is available at https://www.watchfiresigns.com/Standard_Warranty_Terms), and all other terms and conditions contained or incorporated therein collectively comprise the "Agreement." In accepting a Quotation, Buyer acknowledges that it has read, understands, and agrees to the terms and conditions of the Agreement. In the event of any conflict or inconsistency between any document forming part of the Agreement, the following order of priority shall apply: (i) first, any addendum or amendment to the Quotation which is executed by each of Watchfire and Buyer; (ii) second, the Quotation; (iii) third, these Terms of Sale; and (iv) lastly, any other written agreement (including any "click through" agreement provided by Watchfire with respect to the software) executed by each of Watchfire and Buyer. Notwithstanding the foregoing, (1) Watchfire's End-User License Agreement ("EULA") shall control Buyer's use of and Watchfire's obligations related to any Watchfire software (a copy of which is available at https://www.watchfiresigns.com/EULA) and (2) the Warranty Terms shall control with respect to Buyer's rights and Watchfire's obligations related to any warranty.

For purposes of clarity, Watchfire rejects any and all modified or additional terms within Buyer's purchase order or similar documents which are not executed and expressly accepted by Watchfire. A "System" means all products and services sold or otherwise provided by Watchfire to Buyer under the Agreement.

Quotation. A Quotation shall be valid and capable of acceptance and execution by Buyer for no more than fifteen (15) calendar days from its date of issuance by Watchfire, unless otherwise stated in the Quotation, at which point it shall automatically expire and be void. Without limiting the foregoing, any Quotation is subject to change or revocation by Watchfire at any time upon notice to Buyer prior to the later of (i) execution of the Quotation by Buyer or (ii) Buyer's payment to Watchfire of the deposit contemplated below. Buyer is obligated to review the Quotation carefully and to immediately advise Watchfire of any discrepancies or errors. Changes to the System or any portion thereof after acceptance of a Quotation are valid only when in a writing executed by both Watchfire and Buyer.

Terms of Payment. Upon Buyer's execution of a Quotation, Buyer shall make a non-refundable minimum deposit of one-half of the System Price reflected in such Quotation. The remainder of the System Price must be paid by Buyer no later than ten (10) Business Days prior to the Shipment Date. The System Price does not include any construction or installation of the System (unless otherwise contemplated by the Quotation and the Scope of Work (as defined below) incorporated therein), which are solely the responsibility of Buyer. An additional charge of $100.00 shall be immediately due and paid by Buyer if any check, electronic check, or ACH transfer by Buyer is returned by Buyer's bank as not honored for payment for any reason. In the event of any dishonored payment of Buyer, future checks, electronic checks, or ACH transfers from Buyer may not be accepted as payment for future orders, in Watchfire's sole discretion. In the event Buyer fails to timely pay Watchfire any amount owing pursuant to the Agreement, Watchfire may, in its sole and absolute discretion, without limiting any other rights: (a) suspend its performance pursuant to the Agreement until all such payment obligations are fulfilled; (b) suspend or caused to be suspended System access, which may not be restored until all such payment obligations are fulfilled; (c) void and terminate the Agreement in the event of Buyer's failure to pay all or any part of the non-refundable minimum deposit, while retaining any funded portion thereof; (d) charge to Buyer interest on any unpaid amount at the rate equal to the lesser of eighteen percent (18%) per annum or the maximum amount permissible pursuant to applicable law; and (e) recover any amounts owing to Watchfire by Buyer from any amounts paid by Buyer to Watchfire (including any down payment). Each of the foregoing remedies are cumulative and not exclusive of each other. In addition to amounts otherwise owing by Buyer (including any interest assessed by Watchfire pursuant to the Agreement), Buyer also agrees to pay all of Watchfire's fees and costs of collection including, without limitation, Watchfire's attorneys' fees and costs.

Shipment Date; Delivery Date. Within ten (10) Business Days after Watchfire's receipt of the deposit (such date of receipt of the deposit, the "Deposit Payment Date"), Buyer shall provide Watchfire with written notice of its requested date of shipment of the portions of the System which are tangible personal property, which requested date shall not be earlier than the date which follows the Deposit Payment Date by the Manufacturing Lead Time referenced on the Quotation unless Watchfire agrees to the contrary in writing. Watchfire will promptly respond to Buyer in writing to confirm the date of shipment of the portions of the System which are tangible personal property (such confirmed date of shipment, the "Shipment Date"). The Shipment Date shall have a corresponding date of delivery (the "Delivery Date"), which will be determined using the average transit time to destination determined by Buyer. Buyer must confirm to Watchfire in writing Buyer's readiness for shipment of the System on the Shipment Date and, accordingly, readiness for delivery of the System on the Delivery Date no later than fifteen (15) Business Days prior to the Shipment Date. If (i) Buyer fails to timely confirm to Watchfire in writing no later than fifteen (15) Business Days prior to the Shipment Date Buyer's readiness for shipment of the System on the Shipment Date and readiness for delivery of the System on the Delivery Date or (ii) there is a Buyer Delay (as defined below), then in either such event Watchfire reserves the right, without limiting its other rights (including the rights noted under the "Shipping and Delivery Delays" heading below), to suspend its performance pursuant to the Agreement until Buyer provides Watchfire with such written confirmation, and in such case the Agreement shall be subject to corresponding equitable adjustments to time periods and the adjustments to the System

Price contemplated herein. For purposes of clarity, the Shipment Date and the Delivery Date may not be amended to earlier dates without the prior written agreement of each of Watchfire and Buyer, which agreement may be withheld in either party's sole discretion.

Shipping and Delivery Delays. As an increase to the System Price, Buyer agrees to pay Watchfire an additional $5,000 (the "Delay Payment") in the event Buyer provides Watchfire with written notice during the fifteen (15) Business Day period prior to the Shipment Date of a delay of more than one (1) Business Day in the Shipment Date (or the corresponding Delivery Date) (in any such case, a "Buyer Delay"), unless Buyer demonstrates to Watchfire's reasonable satisfaction that such rescheduling or delay was the result of a Buyer Force Majeure Event (as defined below) (in which case Buyer's obligation to pay the Delay Payment shall be waived). "Buyer Force Majeure Event" means any of the following acts, events or conditions beyond the reasonable control of Buyer which, despite Buyer's reasonable efforts to prevent, avoid, delay, or mitigate such acts, events or conditions, prevents or delays Buyer's performance and/or the Shipment Date: epidemic or pandemic not existing or of severity greater than as existing on the date of Buyer's execution of the Quotation, embargos, quarantines, viruses, strikes, material labor problems, governmental orders, acts of terrorism, parts or material unavailability, transportation failures, accidents, fires, war, natural disaster, and acts of God. The parties intend that the Delay Payment constitutes compensation, and not a penalty. The parties acknowledge and agree that Watchfire's harm caused by a Buyer Delay would be impossible or very difficult to accurately estimate at the time of the Quotation, and the Delay Payment is a reasonable estimate of the anticipated or actual harm that might arise from such a Buyer Delay, including for damages to Watchfire from increased manufacturing, shipping, material storage, and field rescheduling expenses. Buyer's payment of the Delay Payment is Buyer's sole liability and entire obligation and Watchfire's exclusive remedy for a Buyer Delay resulting in a delay in the initial, confirmed Shipment Date or the corresponding Delivery Date, subject to the remaining provisions under this "Shipping and Delivery Delays" heading. Further, if the System is substantially complete and, due to a Buyer Delay, is stored in Watchfire's facility beyond twenty (20) Business Days following the initial, confirmed Shipment Date, then Buyer shall thereafter pay on a monthly basis (and earlier upon the due date for the remainder of the System Price) a storage fee of $500 per month in which the System is stored in Watchfire's facility. The foregoing storage fee obligation is in addition to the Delay Payment and Watchfire's right to terminate the Agreement upon the failure of the Shipment Date to occur within six (6) months after Buyer's execution of a Quotation.

In the event that, after the Shipment Date and prior to delivery, the Delivery Date (or the time of delivery on the Delivery Date) is delayed due to the request, action, or inaction of Buyer, then Buyer shall pay to Watchfire any costs or expenses incurred by Watchfire with respect to a System to the extent resulting from such delay in the Delivery Date (including, without limitation, delays at port, delays on the jobsite greater than 2 hours, delays at the terminal, etc.). Any such costs and expenses pursuant to the foregoing sentence must be paid by Buyer within five (5) Business Days of invoice by Watchfire to Buyer.

Cancellation. In the event Buyer requests or attempts to cancel or rescind acceptance of the Agreement (including the Quotation) at any time, Watchfire reserves the right to reject any such cancellation or rescission in its sole discretion. If Watchfire approves and accepts such a cancellation or rescission, then it may in its sole discretion, charge Buyer and Buyer shall pay Watchfire: (i) the full cost of all custom equipment and any costs or expenses incurred by or on behalf of Watchfire prior to such cancellation or rescission; and (ii) a cancellation and restocking fee equal to 50% of the System Price with respect to all standard equipment. Buyer expressly acknowledges that such charges are reasonable. Further, Watchfire shall have the right to terminate the Agreement (including the Quotation with respect to Buyer's order for the System) and retain the non-refundable deposit in the event the Shipment Date has not occurred and/or Buyer has failed to pay in full the remaining balance of the System Price and associated expenses within six (6) months after Buyer's execution of a Quotation. In the event of any such termination after title to the System has transferred in accordance with the Agreement, the title to the System shall automatically transfer back to Watchfire.

Taxes. Except with respect to the amounts of taxes set forth in the Quotation, the System Price is exclusive of all federal, state and local taxes including without limitation, sales, use, excise, privilege, transactional, gross receipts, ad valorem or any other transactional tax or customs or duties ("Tax" or "Taxes") under or in connection with the Agreement, which shall be the sole responsibility of Buyer. Buyer shall immediately pay upon demand the full amount of any such applicable Taxes and shall hold harmless and indemnify Watchfire from the claims of any governmental authority asserting any such Tax is due and payable.

Title; Risk of Loss; Delivery. Watchfire shall, at Buyer's sole cost, arrange for delivery of the System to Buyer. Without limiting the foregoing, Watchfire may estimate but Buyer shall be solely responsible for actual shipping and delivery costs. Shipping and delivery of the System is performed by third parties and Watchfire is not responsible for any delays in shipment that are beyond Watchfire's control. Title to the System (excluding software) and risk of loss of the System shall pass to Buyer upon the later of (x) the initial, confirmed Shipment Date (without giving effect to any Buyer Delay) or (y) Watchfire's completion of the manufacture of the System (excluding software). Buyer shall inspect the System within fourteen (14) calendar days after delivery of the System (the "Inspection Period"). Buyer will be deemed to have accepted the System unless it notifies Watchfire in writing of a Nonconforming System during the Inspection Period and furnishes such written evidence or other documentation as reasonably required by Watchfire. "Nonconforming System" means only the following: (i) product shipped, in whole or in part, is different than identified in the Quotation; or (ii) product's label or packaging incorrectly identifies its contents. If Buyer timely notifies Watchfire of any Nonconforming System, Watchfire shall, in its sole discretion, (i) replace such Nonconforming System, in whole or in part, with a conforming System or (ii) credit or refund the price, in whole or in part, for such Nonconforming System. If Watchfire exercises its option to replace the Nonconforming System, Watchfire shall deliver a conforming System to Buyer according to the delivery terms applicable to the original System. Buyer acknowledges and agrees that the remedies set forth in this paragraph are Buyer's exclusive remedies for the delivery of a Nonconforming System.

Watchfire Force Majeure. Watchfire shall not be liable for any damages as a result of any Watchfire Force Majeure Event (as defined below). In the event of any Watchfire Force Majeure Event, the Shipment Date and, accordingly, the Delivery Date shall be extended for a period of time reasonably necessary to cover the effect of such Watchfire Force Majeure Event. Further, in the event of the existence of a Watchfire Force Majeure Event which results in cost increases of the System of ten percent (10%) or more from the date of issuance of such Quotation, the System Price shall be equitably adjusted to reflect such cost increases. "Watchfire Force Majeure Event" means any acts, events, or conditions beyond the reasonable control of Watchfire, including, without limitation, telecommunications failures, technology attacks, instability and unavailability of the Internet, epidemic, pandemic, quarantines, viruses, strikes, material labor problems, embargos, tariffs, governmental orders, acts of terrorism, parts or material unavailability, transportation failures, accidents, fires, war, natural disaster, acts of God, or other acts, events, or conditions causing increase in cost of the System or delay in the ability to manufacture and ship the System.

Intellectual Property. Buyer acknowledges that Watchfire retains ownership of all Watchfire-owned intellectual property and Watchfire retains its other rights of all third party-owned intellectual property in any materials, goods, software and production process which may be developed or delivered under the Agreement. For purposes of clarity, all drawings, designs, and layouts of proposed builds (in any form, including print and digital) are deemed Watchfire-owned intellectual property. Buyer agrees to execute any documentation reasonably requested by Watchfire to memorialize the ownership by Watchfire of all such intellectual property rights. For the avoidance of doubt, in no case shall Buyer obtain any ownership or other rights to any software loaded into the System or otherwise delivered to Buyer beyond what is provided in the EULA or another limited license agreement between Buyer and an applicable third-party with respect to software loaded into the System or otherwise delivered to Buyer pursuant to the Agreement.

Use of System Image. Buyer agrees that Watchfire, without compensation to Buyer, may use Buyer's name along with photographs and images of the System in Watchfire's advertising and promotional materials in any media worldwide without the prior written consent of Buyer.

Third-Party Software. Operation of the sign equipment included in the System is supported only with Watchfire software and Watchfire qualified versions of approved third-party software. Installing un-supported software on sign controllers could lead to non-operational signs for which no warranty applies. Service charges for troubleshooting and returning to operation will apply.

General Representations and Warranties. Each party represents and covenants that: (a) it has obtained and shall maintain the power and authority to enter into the Agreement, to grant the rights herein granted and to undertake its obligations hereunder, without the further consent of any other person or entity; (b) it is not a party to any written agreement with a third party, the terms of which prohibit or restrict such party from performing its obligations hereunder; and (c) it is not a party to any pending litigation, the resolution of which is reasonably likely to adversely affect the ability of such party to fully perform its obligations hereunder, nor is any such litigation reasonably contemplated.

Limitations. Buyer's exclusive remedy for Watchfire's breach of the Agreement as to any term thereof (including, without limitation, the Warranty Terms), and Watchfire's only liability for any such breach, shall be replacement or repair of the System and its parts actually delivered to Buyer in Watchfire's sole discretion. **WATCHFIRE'S LIABILITY TO BUYER UNDER THE AGREEMENT (INCLUDING THESE TERMS OF SALE AND THE WARRANTY TERMS) OR FOR THE SYSTEM OR SOFTWARE IS LIMITED AS SET FORTH HEREIN AND IN THE EULA, WHETHER SUCH LIABILITY IS IN CONTRACT, TORT, OR ANY OTHER THEORY OF LIABILITY, INCLUDING BUT NOT LIMITED TO FRAUD, MISREPRESENTATION, BREACH OF CONTRACT, PERSONAL INJURY, PRODUCTS LIABILITY OR ANY OTHER THEORY. WATCHFIRE SHALL NOT BE LIABLE FOR ANY SPECIAL, INDIRECT, EXEMPLARY, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, OR DAMAGES FOR LOSS OF USE, LOSS OF ANTICIPATED PROFITS, INCOME, OR ECONOMIC LOSSES OF ANY KIND. BUYER MAY NOT BRING ANY ACTION UNDER THE AGREEMENT (INCLUDING IN CONNECTION WITH ANY BREACH OF WARRANTY, WHETHER PURSUANT TO THE WARRANTY TERMS OR OTHERWISE) MORE THAN ONE YEAR AFTER THE CAUSE OF ACTION HAS ACCRUED. WITHOUT LIMITING ANY OTHER LIMITATION ON LIABILITY HEREUNDER, IN NO EVENT WILL WATCHFIRE BE LIABLE TO BUYER FOR LOSS, DAMAGE, OR INJURY OF ANY KIND OR NATURE ARISING OUT OF THE AGREEMENT IN EXCESS OF THE SYSTEM PRICE ACTUALLY PAID TO WATCHFIRE BY BUYER; AND, SUBJECT TO THE FOREGOING PORTION OF THIS SENTENCE, WATCHFIRE'S LIABILITY UNDER ANY WARRANTY PURSUANT TO THE AGREEMENT (INCLUDING, WITHOUT LIMITATION, UNDER THE WARRANTY TERMS), WHETHER EXPRESS OR IMPLIED, SHALL NOT EXCEED THE COST OF REPAIR OR REPLACEMENT OF DEFECTIVE PARTS OF THE SYSTEM AND SOFTWARE ACTUALLY DELIVERED TO BUYER. BUYER AGREES THAT THESE LIMITATIONS ON LIABILITY AND REMEDIES ARE INDEPENDENT OF THE AGREED REMEDIES UNDER THE AGREEMENT.**

Disclaimer. THE WARRANTIES EXPRESSLY WRITTEN IN THE AGREEMENT (INCLUDING, WITHOUT LIMITATION, THESE TERMS OF SALE AND THE WARRANTY TERMS) ARE THE SOLE AND EXCLUSIVE WARRANTIES GIVEN BY WATCHFIRE WITH RESPECT TO THE SYSTEM AND THE SOFTWARE AND ARE IN LIEU OF AND EXPRESSLY EXCLUDE ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, ARISING BY OPERATION OF LAW OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE WHETHER OR NOT THE PURPOSE OR USE HAS BEEN DISCLOSED TO WATCHFIRE AND WHETHER OR NOT THE SYSTEM OR SOFTWARE IS SPECIFICALLY DESIGNED AND/OR MANUFACTURED BY WATCHFIRE FOR BUYER'S USE OR PURPOSE, AGAINST INTELLECTUAL PROPERTY INFRINGEMENT, OR OTHERWISE.

Indemnification for Use of Content. BUYER SHALL AND SHALL CAUSE ITS END USER(S) TO, INDEMNIFY WATCHFIRE AND ITS AFFILIATES FOR, AND HOLD SUCH PERSONS AND ENTITIES HARMLESS FROM AND AGAINST, ANY CLAIM, LOSSES, DAMAGES, COSTS, AND EXPENSES (INCLUDING WATCHFIRE'S ATTORNEYS' FEES) WITH RESPECT TO THE USE OF THE SOFTWARE OR SYSTEM, INCLUDING WITH RESPECT TO THE SOFTWARE OR SYSTEM INFRINGING ANY INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY DUE TO CONTENT (INCLUDING IMAGERY) DISPLAYED UTILIZING THE SYSTEM; PROVIDED, HOWEVER, THE FOREGOING INDEMNIFICATION OBLIGATION SHALL NOT APPLY TO A BUYER WHICH IS A FEDERAL, STATE, REGIONAL, MUNICIPAL OR LOCAL GOVERNMENTAL OR ADMINISTRATIVE AUTHORITY (COLLECTIVELY, A "GOVERNMENTAL AUTHORITY") WITH RESPECT TO THE CONDUCT OF THIRD-PARTY END USERS.

Site Preparation. Without limiting other provisions of these Terms of Sale (including under the "Installation Assumptions" heading below), Buyer is responsible for the supply and provision of electrical, data, internet, and required conduit terminated in conformity with applicable laws, codes, regulations, and similar rules and requirements within fifteen (15) feet of the proposed installation. Structural provisions not shown in Watchfire drawings are required to be provided by Buyer. Control room set-up includes unpackaging and connection of Watchfire provided products. Standard Watchfire online product and software training is provided by Watchfire. All other control room hardware, organization, installation of conduit, and layout is required to be provided by Buyer. Buyer is responsible for obtaining product training, service, and support with respect to any hardware or software not branded as "Watchfire" directly from the manufacturer or owner of such hardware, software or other product.

Installation Assumptions. All Work performed under the Agreement shall be subject to the assumptions and scope of work (the "Scope of Work") incorporated into the Quotation or elsewhere in the Agreement. If no Scope of Work is provided, Watchfire will perform as a material supplier and provide reasonable product support and guidance only. For purposes of the Agreement, the "Project Site" shall mean the location of Buyer's products being installed by or on behalf of Watchfire; the "Operations Area" shall mean the portion of the real property to which Watchfire shall have access in connection with the Work, whether more or less than the entirety of the Project Site; and the "Work" shall mean, if any, the installation and all related services to be performed by Watchfire or Watchfire's contractor(s) under the Agreement. Each of the following are excluded from the Work and the quoted price unless specifically reviewed and listed in the Scope of Work and, accordingly, are Buyer's responsibility (each of the following, collectively, "Excluded Scope and Costs"): (i) fabrication, construction, installation, or modification of any structure, adjacent signage, electrical service, overload protection devices, and any apparatus not manufactured and supplied directly by Watchfire; (ii) additional costs and efforts (beyond those reflected in the Scope of Work) to gain access beyond readily available standard personnel lifts and Watchfire's ordinary course hand tools; and (iii) additional or ancillary services or requirements (beyond those reflected in the Scope of Work), including, but not limited to, lane closures, pedestrian protection, Project Site security or safety, permits, prevailing wage requirements, specific labor agreements, design services, stamped and approved engineering drawing costs, inspections, permitting, cranes, off-road material handling, additional labor for groundwork, landscaping, additional mounting, utility removal, tree trimming, utility location and connection, Project Site access costs, licenses or costs associated with requests for payment or software or other submission processes or requirements in connection with project documentation, computer aided design (CAD) files or materials, documentation required pursuant to federal, state, local or other laws, codes, regulations, or similar rules or requirements, disposal fees or services and hazardous waste fees. Additional trim, finish pieces to fit and match facility, or decorative materials are not included in the quoted price or the Scope of Work. Buyer will, at Buyer's cost and expense, provide Watchfire and its contractor(s) with unfettered access to the Project Site for the duration of the performance of the Work by or on behalf of Watchfire, including the period from the commencement of the Work through completion of any punch list items. Such access will include, without limitation, adequate space on and around the Project Site for materials storage, lay-down and staging areas, toilet facilities, and loading and unloading areas. Unless otherwise depicted in the Scope of Work, the Operations Area will be the entirety of the Project Site and access will be during normal working hours (Monday thru Friday 7 a.m. to 5 p.m.). Upon Watchfire's written request to Buyer, Buyer will also provide Watchfire and its contractor(s) with access to the Operations Area after completion of the Work to investigate any alleged defect. No later than commencement of the Work by Watchfire under the Agreement, Buyer will, at Buyer's cost and expense, furnish all easements and other rights of way, which are reasonably necessary for Watchfire to perform such Work and access to the Project Site and Operations Area, including (a) all crane-swing and equipment easements and (b) all easements and approvals necessary for the installation and maintenance of utilities. The time for Watchfire's performance and the System Price in connection with any Work will be increased as applicable to account for any increased costs and delays arising out of Buyer's failure to comply with the foregoing obligations. Buyer represents and warrants to Watchfire that: (a) Buyer is the fee simple owner of, or has the legal right to use or occupy the Project Site and Operation Area; and (b) upon commencement of Work, there will be no encumbrances or restrictions applicable to the Project Site and Operation Area that will prevent or interfere with Watchfire's performance of the Work and Watchfire's use of the Project Site and Operation Area, except those, if any, specifically identified in the Scope of Work. In the event that Watchfire becomes subject to or incurs any Excluded Scope and Costs, without limiting any rights of Watchfire (including, without limitation, to suspend performance until Buyer performs and satisfies, as applicable, such Excluded Scope and Costs), Buyer shall pay to Watchfire any costs or expenses with respect thereto. Nothing herein shall require Watchfire to assume obligations with respect to any Excluded Scope and Costs or changes to the Scope of Work.

Unforeseen Conditions. "Unforeseen Conditions" are: (a) Project Site specific, or latent physical conditions at the Project Site (including, without limitation, conditions of any structure or improvement located at the Project Site onto which the Work is to be performed or any component part thereof is to be located, affixed, attached, or installed) differing or omitted from the Scope of Work, whether or not concealed or undisclosed; (b) conditions which are unusual in nature or differing from those ordinarily encountered and generally recognized as inherent in the Work; (c) differences or changes in the Project Site or Operations Area between the time of Watchfire's issuance of the Quotation (or inspection by Watchfire, if earlier) and commencement of the Work; (d) electrical or electromagnetic issues,

conditions, or requirements at the Project Site, including, but not limited to, power fluctuations and harmonics and power surges or drops, in each case due to, caused by, resulting from or arising out of other electrical equipment, devices or facilities not a part of the Work, electromagnetic radio or other atmospheric interference or disturbance, Wi-Fi signal loss, hard wired data interference, onsite internet service loss, and/or any other electrical interference, damage or disturbance not caused by Watchfire or anyone for whom Watchfire is legally responsible; and (e) any hazardous substances encountered at the Project Site that were not brought to the Project Site by Watchfire or its contractors. If Watchfire encounters Unforeseen Conditions that affect the Work, Watchfire shall promptly notify Buyer in writing and the time of performance shall be equitably adjusted. If Watchfire incurs costs or expenses as a result of the Unforeseen Conditions, Buyer shall pay to Watchfire, as an increase to the System Price, any costs or expenses resulting from the Unforeseen Conditions. Notwithstanding anything to the contrary contained in the Agreement, BUYER UNDERSTANDS, ACKNOWLEDGES AND AGREES THAT WATCHFIRE SHALL NOT BE OBLIGATED TO UNCOVER ANY CONCEALED OR UNDISCLOSED CONDITIONS AT THE PROJECT SITE OR ANY CONDITIONS THAT COULD HAVE BEEN REVEALED OR DISCLOSED BY BUYER HAD BUYER PROVIDED WATCHFIRE WITH COMPLETE AND CURRENT BUILDING PLANS AND SPECIFICATIONS, INVESTIGATIONS AND OTHER REPORTS CONCERNING SUCH PROJECT SITE BUT FAILED, FOR WHATEVER REASON, TO DO SO. FOR ALL PURPOSES HEREIN, "CONCEALED," "UNDISCLOSED" AND WORDS OF SIMILAR IMPORT SHALL MEAN THAT SUCH INFORMATION WAS NOT IDENTIFIED IN THE SCOPE OF WORK. WATCHFIRE IS RELYING SOLELY AND EXCLUSIVELY ON THE DOCUMENTATION, INFORMATION AND OTHER MATERIALS PROVIDED BY BUYER AND INCORPORATED IN THE SCOPE OF WORK REGARDING THE PROJECT SITE AND SHALL HAVE NO DUTY OR OBLIGATION TO DETERMINE THE ACCURACY, COMPLETENESS AND CORRECTNESS OF THE SAME. NO INVESTIGATION OR INSPECTION BY WATCHFIRE IN ADVANCE OF THE ISSUANCE OF THE QUOTATION SHALL IMPACT THE FOREGOING.

Notices. Except as otherwise provided in the Agreement (i.e., with respect to notices to Watchfire's Helpdesk contemplated by the Warranty Terms), all notices and other communications under the Agreement (each, a "Notice") shall be in writing and addressed to the applicable party at the physical or e-mail address set forth on the face of the Quotation or to such other physical or e-mail address that may be designated by the recipient in writing. Except as otherwise provided in the Agreement, a Notice is effective only (a) when delivered by hand (with written confirmation of receipt); (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (c) on the date sent by e-mail (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next Business Day if sent after normal business hours of the recipient; or (d) on the third calendar day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid.

Certain Definitions. For purposes of the Agreement, (i) "Business Day" means, individually, and "Business Days" means, collectively, any calendar day that is not a Saturday, a Sunday, or any other calendar day on which banks are required or authorized by law to be closed in Vermilion County, Illinois; and (ii) the "System Price" shall mean the purchase price reflected in such Quotation (including applicable taxes set forth in the Quotation, crating, transportation, delivery charges, and any other related expenses known to Watchfire at the time of such Quotation), as may be adjusted by Watchfire in accordance with these Terms of Sale.

Assignment. Buyer may not assign the Agreement, or any portion thereof, without the written consent of Watchfire. Watchfire reserves the right to, without consent of Buyer, assign any of its rights and delegate any of its duties under the Agreement to a successor, subsidiary, parent company, or affiliate of Watchfire, or in connection with a merger or sale or all of substantially all of Watchfire's assets relevant to the Agreement. The Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective permitted successors and assigns.

Relationship of Parties. The Agreement is only intended to create an independent contractor relationship and is not intended to create any other relationship such as a partnership, franchise, joint venture, agency or employment relationship. Neither party may act in a manner which expresses or implies a relationship other than that of independent contractor nor bind the other party.

Non-Exclusive Agreement. The Agreement does not grant to Buyer an exclusive right or privilege to receive from Watchfire any System or services. Watchfire reserves the right to contract with other parties for the sale and procurement of comparable products, services, or for the sale and performance of any other activities contemplated hereunder.

Export. The System and related technology and software are subject to U.S. export control laws and may be subject to export or import regulations in other countries. Buyer agrees not to export, reexport, or transfer, directly or indirectly, any software or technical data acquired from Watchfire, or any products incorporating such software or data, in violation of the United States export laws or regulations.

Counterparts. The Agreement may be executed in counterparts, each of which will constitute an original, and all of which will constitute one agreement. The parties agree that they will accept electronic signatures and signatures delivered electronically or by facsimile in lieu of original signatures, and the Agreement will have the same binding and enforceable effect as it would have with original signatures.

Severability; Governing Law; Venue; Arbitration. Should any part of the Agreement be found invalid, the other parts shall remain unaffected and shall be enforceable. The Agreement shall be governed by the laws of the State of Illinois, without regard to choice of law principles; provided, however, in the event Buyer is a Governmental Authority, this Agreement shall be governed by the laws of the State to which the System is to be shipped by Watchfire pursuant to the Agreement. In the event Buyer is not a Governmental Authority, any controversy or claim arising out of or relating to the Agreement, whether sounding in contract or tort, which cannot first be resolved amicably and satisfactorily between the parties, shall be resolved by arbitration in Vermilion County, Illinois administered by the American

Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction over the parties. Subject to the arbitration provision above, any litigation arising out of or relating in any way to the Agreement (including, without limitation, these Terms of Sale or the Warranty Terms), whether sounding in contract or tort, shall be exclusively in Vermilion County, in the State of Illinois or the U.S. District Court for the Central District of Illinois; provided, however, in the event Buyer is a Governmental Authority, any litigation arising out of or relating in any way to the Agreement shall be in the state or federal courts located in the State to which the System is to be shipped by Watchfire pursuant to the Agreement. Watchfire shall be entitled to recover all attorneys' fees and costs should it prevail in any litigation, arbitration, or other dispute arising out of or relating in any way to the Agreement (including, without limitation, these Terms of Sale or the Warranty Terms).

Entire Agreement; Amendment. The Agreement is the complete and exclusive statement of the contract between Watchfire and Buyer with respect to the subject matter of the Agreement, and supersedes any prior written or oral agreement regarding the same subject matter. No waiver, consent, modification, amendment or change of the terms contained in the Agreement shall be binding unless in writing and signed by the duly authorized representatives of both Watchfire and Buyer.

PRODUCT FACT SHEET - INDEPENDENT TENTH-SECOND SHOT CLOCK

Watchfire's interior shot clock operates independently of any existing scoring system, making it an easy and affordable addition to any facility.

This shot clock counts down from any preset time between 0 and 99 seconds for precise play calls, various levels of play, and rule changes. It counts down from any preset and displays a tenth of a second with less than 10 seconds remaining.

FEATURES

A hand-held switch with two programable reset buttons is included. Mounting hardware (inline, offset, or wall mount) is included.

The built-in horn sounds distinctly different from that of a game clock horn to avoid confusion. The LED digits have dimming capabilities to ensure the best appearance in your facility.

The black, aluminum cabinets are lightweight yet durable enough to withstand ball impact without the need for protective covers.

ENGINEERED AND BUILT FOR RELIABILITY AND QUALITY

Operating temperatures are 15 °F to +100 °F (-10 °C to +38 °C) at up to 90% relative humidity.

Clocks are verified and comply with FCC regulations regarding emissions interference.

Watchfire's industry best 5-year warranty covers all Watchfire manufactured parts and factory labor. It comes standard with every LED display we sell.

Re: **North Boone Gymnasium- Shot Clocks w electrical installation**

TERMS & CONDITIONS

1. Applicant agrees to comply with all terms and conditions of credit established by Sievert Electric Service & Sales Company and its subsidiaries ("Creditor") set forth herein. Creditor may amend the terms and conditions of credit by written notice at any time.
2. Applicant agrees to pay Creditor all fees, costs, and expenses, including but not limited to, attorney fees, expert witness fees, and deposition expenses, incurred by Creditor to collect all amounts due from Applicant to Creditor.
3. No credit will be allowed for goods returned without prior consent. Factory acceptance and terms will govern amount of credit on non-stock material.
4. Applicant agrees to pay Creditor any service charge(s) incurred for all returned checks.
5. Applicant agrees to notify the Credit Department by certified mail of any change in ownership and agrees to continue to be liable for all purchases after said change should the undersigned fail to comply with said notification.
6. Applicant agrees if any portion of a balance owed to Creditor shall become delinquent, at the sole discretion of Creditor, all invoices on the account may become immediately due and payable without notice.
7. Applicant understands and agrees that the granting of any credit hereunder and the amount or the term of such credit is the sole and exclusive decision of Creditor.
8. To avoid being charged sales tax, a bona fide copy of Applicants resale or exemption certificate must accompany credit application.
9. Applicant authorizes Creditor to contact bank and business references provided and to investigate Applicants credit history, including allowing creditor to request credit bureau reports regarding Applicant.
10. Creditor reserves the right to charge a service fee of 18% per annum or the maximum allowed by law, on all balances that become delinquent.
11. Applicant agrees to accept and honor for payment electronic reproductions of all invoices and authorizing signatures of Applicants employees thereon.
12. Applicant certifies that all goods to be purchased by it from Creditor are not primarily for personal, family or household use.
13. Applicant agrees that the law of Illinois is applicable to all transactions, sales and disputes between Applicant and Creditor.
14. Applicant agrees that any action commenced by Creditor against it, including but not limited to any action to collect any amounts due to creditor, may be brought in any court of competent jurisdiction in the State of Illinois, and consents to the jurisdiction of said courts.
15. Applicants signature attests financial responsibility, ability and willingness to pay our invoices in accordance with the credit terms set forth herein.
16. The undersigned hereby certifies that all information contained herein is true and correct.
17. This account will be considered in default if payment in full has not been received by Creditor within thirty (30) days of invoice date.
18. This account relationship may be terminated by Creditor at any time for any reason upon written notice to you.
19. Applicant represents that all sales are for commercial purposes and not intended for retail or residential use.

⚠ WARNING California residents: may contain chemicals that cause cancer/reproductive harm www.p65warnings.ca.gov

Description

Make your court a brighter place with the Bison SportPride 8’ illuminated convertible scorer’s table. This versatile basketball scorer's table can be used freestanding on the floor or installed in your gym's bleachers. The table converts for bleacher installation by swapping out the floor adjustable legs with the included bleacher adjustable legs. Also required for bleacher installation is a customer supplied platform to safely hold the weight of the scoring table. The customer supplied platform should also be equipped with a ledge to keep the table from rolling. Show your team pride by adding artwork on the front panel and side padding (both included in the price). The front graphics are printed on a durable, translucent substrate that is protected by an unbreakable, clear polycarbonate for a lifetime of sharp, bright images. The support legs and 1'4" deep table top conveniently fold for storage while the built-in, non-marking casters allow for easy transport. The table is equipped with full safety padding on the sides and padding on top edge to keep players safe. The front panel illuminates via three included LED tubes. A 120 volt power strip with surge protector is also included. The SportPride 8’ illuminated scorer’s table is backed by a five-year limited warranty on the table, excluding the lamps.

⚠ WARNING California residents: may contain chemicals that cause cancer/reproductive harm www.p65warnings.ca.gov

Description

The Fisher bleacher mount scorer's table is a perfect option for gymnasiums with limited sideline space. This scorer's table features adjustable footing and easily mounts on any first bleacher row, allowing the second bleacher row to be used as seating. The 10' wide design comes in two 5' table sections, allowing for easier storage. Each 5' section features two cup holders for added convenience for the spectator. Measuring 42" in height, this basketball scorer's table can be mounted to the first row of the bleacher or used as a standing height floor table. This scorer's table features three grommeted cable holes, ensuring a clutter-free environment for efficient cable management. Stay powered and connected with the built-in six-outlet power strip, while the interior shelving keeps your essential equipment organized and easily accessible. With its 3" locking rubber casters this table is guaranteed to roll smoothly, allowing you to effortlessly position the table up to any bleacher. The portable scorer's table includes 2" thick vinyl-covered foam padding on the front and side panels for player safety. For the front padding, you have the option of having two front pads or one pad across the front. The front sponsor pads and the edge pieces in the center attach with Velcro, and the remaining edge padding is screwed in place permanently. Either layout is available for the same price. The padding is offered in a vibrant array of colors to complement your team's branding or match your event theme. The price includes artwork on the front panel and side padding at no additional charge, allowing you to showcase your team spirit or event branding.

Description

The Bison SportPride graphic convertible scorer's table provides the perfect blend of safety, function and school pride. Offered in 8' and 12' lengths, this versatile basketball scorer's table can be used freestanding on the floor or installed in your gym's bleachers. The table converts for bleacher installation by swapping out the floor adjustable legs with the included bleacher adjustable legs. A customer supplied platform is also required for bleacher installation to safely hold the weight of the scoring table. The customer supplied platform should also be equipped with a ledge to keep the table from rolling. Show your team pride by adding artwork on the front panel and side padding (both included in the price). The padded front and sides feature 14 oz. anti-mildew, UV protected, fire-retardant vinyl wrapped over 2" thick urethane foam to keep players safe. The support legs and 1'4" deep table top conveniently fold for storage while the built-in, non-marking casters allow for easy transport. The SportPride scorer's table is backed by a 1-year limited warranty.
