

Bangor Board of Education Regular Board Meeting

Monday, October 12, 2026 5:30 PM

Middle School Library, 803 W Arlington, Bangor, MI 49013

I. Call to Order

II. Pledge of Allegiance

III. Roll Call

IV. Approval of agenda

Speaker (s) : Board
President

V. Citizen's Comments- Comments Specific to the Board Agenda

VI. Reports

VI.A. Superintendent Report

VI.B. School Resource Officer

VI.C. High School Report

VI.D. Middle School Report

VI.E. South Walnut Elementary Report

VI.F. Instructional Services, Federal and State Programs

VI.G. Facilities Maintenance Report

VII. Consent Agenda

VII.A. September 14, 2026 Regular Board Meeting Minutes

VII.B. September Bill lists

VII.C. Personnel Reports- Resignations/Retirements

Resignations:
Theodore Hoekstra- Bus Mechanic
Tangie Bearty- Bus Driver
Alexa Isom-Henderson- Sub Bus Driver

VII.D. Recommendation to hire Andrew Cervantes as HS &
MS Robotics Coach

VII.E. Recommendation to hire Icsel Crisantos as SW Kitchen
Aide

VII.F. Recommendation to hire Abdul-Raqib Cox as MS Boys
Basketball Coach

VII.G. Recommendation to hire Victoria Downing as District
Kitchen Assistant

VII.H. Recommendation to hire Alan McCoy as Varsity
Baseball Coach

VII.I. Recommendation to move Kevin Kropelin from Full
time bus driver to sub bus driver.

VIII. **Action Items**

VIII.A. Closed session student discipline hearing pursuant to
 Section 8(b) of the Michigan Open Meetings Act.

VIII.B. Closed Session

VIII.C. Recommendation to return to open session.

VIII.D. Closed session meeting minutes.

VIII.E. Student Discipline decision

IX. **First Considerations-NEOLA Update 41.1**

X. **Citizens Comments**

XI. **Adjournment**

Principal Wilson's Notes

Happy Fall

Bangor High School – October 2026 Board Update

Bangor High School has had a great start to the 2026–27 school year! Fall sports are beginning to wrap up, with district tournament competition on the horizon. We are proud of our student-athletes and coaches for their hard work, commitment, and representation of Bangor High School throughout the fall season.

Homecoming Week was a tremendous success, with strong student participation throughout the week. Students showed their Viking pride during the pep assembly, parade, football game, and Homecoming Dance. It was great to see our students, staff, families, and community come together to celebrate Bangor!

We continue to focus on creating a positive school culture through our PBIS program. This year, we have transitioned to using Minga points to recognize students who demonstrate positive behavior and meet our schoolwide expectations of being respectful, responsible, and safe. Students can use their points at the school store, and we continue to look for additional ways to recognize and reward positive choices, strong attendance, and academic success.

On October 22, Bangor High School will host a Character & Leadership Student Summit. This will provide students with an opportunity to develop leadership skills, build positive relationships, and strengthen the sense of belonging and school pride within our building.

Looking ahead, we are quickly approaching the end of the first marking period and Parent-Teacher Conferences. These provide an important opportunity to review student progress and partner with families to support student success.

As we continue through the school year, our focus remains on attendance, academic excellence, positive behavior, and student engagement. We believe student engagement is a key driver of improved attendance, behavior, academic achievement, and school pride. We are pleased with the positive start to the year and look forward to continuing that momentum throughout the fall.

Go Vikings!

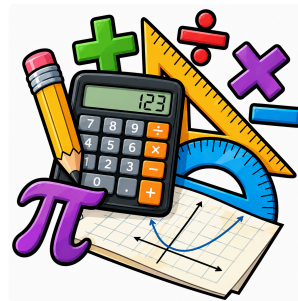

Science Happenings

Mr. Strong's science classes have been engaging in hands-on learning to strengthen both scientific and mathematical skills. His Astronomy students used Eratosthenes' method to estimate the circumference of the Earth by measuring shadows, calculating the sun's angle, and applying their results using Bangor's distance from the Equator. Other science classes have been developing essential laboratory skills through hands-on stations focused on accurate measurement, identification, observation, and scientific drawings.

Math Department Highlights

Our new two-year Algebra I course is off to a positive start and is providing students with additional time and support to build a strong mathematical foundation. While many students entered the course with significant gaps in basic math skills, instruction is intentionally addressing those areas alongside the Algebra I curriculum. Students are working daily to strengthen foundational skills while also developing their understanding of algebraic concepts. The goal is to close learning gaps, build student confidence, and better prepare students for success in future mathematics courses.

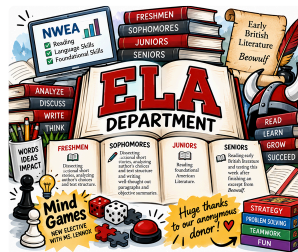

Social Studies Happenings

Mr. Wegener and Mr. Cameron are placing an increased emphasis on reading and writing across the social studies curriculum this year. Students are reading more frequently, using both fiction and nonfiction texts to explore historical topics and primary-source perspectives. Written assessments are also being structured to reinforce many of the same literacy skills students are developing in their English classes. Recently, World History students read *The Song of Gimmile*, a short story connected to the Mali Empire in West Africa, to explore the cultural values and expectations the people of Mali placed on their leaders.

ELA Highlights

The ELA department for the high school just recently completed the fall round of NWEA testing for both reading and language skills, as well as reviewing foundational skills they should have upon entry into their grade-level. Freshmen and sophomores have been busy dissecting fictional short stories, analyzing author's choices in regards to text structure, and writing well-thought out paragraphs and objective summaries. Juniors are reading foundational American Literature, and seniors are reading early British literature and testing this week after finishing an excerpt from *Beowulf*. Other exciting news includes the positive student response to a new elective taught by Ms. Lennox called "Mind Games" where students are learning to think strategically through game play. Just this past Sunday, Lennox posted an Amazon wish list of games, manipulative puzzles, and buzzers for competitions. Within minutes, an anonymous donor purchased everything on the list!

From our Counselor- Mrs. Munro

Bangor High School was awarded the College Bound Michigan 2025-2026 College Access Champion Award. This means that at least 85% of the Senior class of 2026 submitted a college application.

October is the kick off for college application month. The seniors visited a College Fair on Thursday, October 1 with over 50 colleges in attendance. They also participated in a College Application Day on Tuesday, October 6. As of October 6, 30 out of 48 seniors have applied to at least 1 college.

October Upcoming Events

- **October 13** – 🎵 Bandfest at Bangor High School
- **October 14** – 🏃 Varsity Cross Country SW10 Meet at Bloomingdale, 5:00 PM

- **October 16** – 🏈 Van Buren Vipers Football Senior Night at Bangor, 7:00 PM vs. Fennville
- October 20 – 🏐 Varsity Volleyball Senior Night vs. Decatur
- **October 19** – ⚽ Soccer Districts 1st Round at Bangor 6:00
- **October 21** – 🏃 Cross Country at Bangor
- **October 22** – ☀ Character & Leadership Student Summit hosted at Bangor High School
- **October 23** – 📅 End of the First Marking Period

BANGOR

Bangor Middle School- Board Notes

Oct 2026

Principal's Note

Principal's Note:

Student Behavior & School Climate

I want to bring to your attention an ongoing challenge we are observing regarding student behavior outside of school hours and off school grounds. Increasingly, conflicts, social media issues, and community incidents that take place after hours spill over into the school day. This dynamic directly impacts our school culture, consuming staff time for conflict resolution and disrupting student focus during instructional time. We are working diligently to reinforce clear boundaries and encourage our students to make positive choices outside the building that reflect our school values.

Addressing Middle School Vaping & Mental Health

Hand-in-hand with these behavioral challenges is a concerning trend among our middle school students: a growing number are experimenting with and using both nicotine-based and THC-based vapes. Crucially, our observations and conversations with students reveal that many are turning to vaping as a form of self-medication to cope with underlying stress, anxiety, and emotional distress. Recognizing that punitive measures alone will not address the root causes of substance use, our administration and support staff are taking a proactive, comprehensive approach focused on education, positive climate, and direct mental health intervention.

Key Action Steps & Initiatives

1. Promoting Positive School Culture & Student Safety

1. **Kindness & OK2SAY Assemblies:** We recently hosted presentations focused on kindness and the **OK2SAY** confidential reporting system, empowering students to support one another and speak up when a peer is in distress or facing potential harm.
2. **October Kindness Initiatives:** To keep positivity top-of-mind throughout the month, we have launched an **October Kindness Competition** alongside our **Kindness Tree** interactive display, recognizing and celebrating positive peer interactions across all grade levels.

2. Substance Abuse Awareness & Guest Speaker

1. We brought in national presenter **Tony Hoffman**, who delivered an incredibly powerful message to our student body regarding substance abuse, accountability, and perseverance. His lived experiences and direct message about the realities of addiction resonated deeply with our students.

3. Expanded Mental Health Support & Direct Referrals

1. To directly support students who are struggling emotionally or showing signs of self-medicating, **Mr. Aaron** and **Katlyn Smith** are actively facilitating direct mental health

smore

Share

Translate

Accessibility

0

3
tly.

4. Restorative Support & Educational Alternatives to Suspension

1. In an effort to prioritize rehabilitation and learning over purely exclusionary discipline, we now offer an **option to reduce vaping-related suspensions**. Students who agree to attend and complete dedicated substance abuse classes provided by **VBCMh** can have their suspension days reduced, helping them receive guidance while minimizing missed classroom instruction.

5. Community Partnership & Parent Engagement – The Nurture Initiative

1. I recently connected with **Ben Bowater** from **The Nurture Initiative** to discuss partnering with Bangor Public Schools, modeling a successful program they have already implemented with Paw Paw Public Schools.
2. This multidisciplinary group includes representatives from law enforcement, pediatric medicine, mental health professions, and education. They offer valuable services, including student lessons, parenting support, and an interactive **vape simulation for parents**.
3. I am currently exploring options to bring members of this team on-site during our upcoming **Parent-Teacher Conferences** to offer these critical resources directly to our school families.

We remain committed to supporting the whole child—balancing firm expectations with compassionate mental health support and community resources. Thank you for your continued leadership and support of our school community.

Student Data Review Fall (Failing Grades, Behavior, Attendance)

Failing Grades

Current # of failures= 180

Behavior

Attendance

We currently have 273 students enrolled up 1 student from September's report.

Fall Assessment Data- Delta Math Readiness Assessments (New 26-27SY)

Executive Summary: Fall Delta Math Readiness Screener Analysis (Grades 5–8)

Our Fall Delta Math Readiness Screener data across Grades 5 through 8 provides an empirical baseline of prerequisite grade-level math competencies. Across all four grade levels, the data reveals significant learning gaps in foundational operations—most notably in fraction fluency, multi-digit operations, and algebraic structure—that require immediate, targeted Tier 1 scaffolding and Tier 2/3 interventions.

While student cohorts demonstrate localized strengths in basic whole-number fluency and preliminary coordinate geometry, foundational gaps from prior grade standards impede direct entry into grade-level core curriculum without structured daily remediation.

Grade-Level Performance Breakdown

1. 5th Grade Readiness (4th Grade Standards)

- **Assessed Standards:** [4.NF.3b](#) (Mixed Numbers/Improper Fractions), [4.NF.2](#) (Comparing Fractions), [4.NBT.6](#) (Multi-digit Division), [4.NBT.5](#) (Multi-digit Multiplication), [4.NF.3c](#) (Adding/Subtracting Mixed Numbers), [4.NF.4b](#) (Fraction Multiplication).
 - **Diagnostic Summary:** Student data indicates acute friction when moving from single-step whole-number calculations to fraction representation and long division ([4.NBT.6](#)). Whole-number multiplication shows partial proficiency across Hours 1–3, but fraction conversions ([4.NF.3b](#)) and mixed-number operations ([4.NF.3c](#)) represent a substantial barrier for over 60% of the cohort.
 - **Instructional Priority:** Daily Tier 1 fluency routines focused on fraction-decimal visual models and explicit division algorithm coaching.
2. 6th Grade Readiness (5th Grade Standards)
- **Assessed Standards:** [5.OA.1](#) (Order of Operations), [5.NBT.5](#) (Multi-digit Multiplication), [5.NBT.6](#) (Division of 4-digit numbers), [5.NF.1](#) (Adding/Subtracting Unlike Fractions), [5.NF.4b](#) (Fraction Multiplication), [5.NF.7a](#) (Unit Fraction Division), [5.NF.7b](#) (Whole Number Division by Fraction).
 - **Diagnostic Summary:** The 6th-grade cohort demonstrates a severe operational bottleneck in fraction division ([5.NF.7a](#) and [5.NF.7b](#)). Across Hours 1, 2, and 7, nearly all students scored 0 on unit fraction division tasks. Order of Operations ([5.OA.1](#)) and multi-digit operations ([5.NBT.5](#)) remain relative strengths, providing a practical entry point for scaffolding.
 - **Instructional Priority:** Intensive small-group intervention on fraction concepts (reciprocals, equal grouping models) prior to starting 6th-grade ratio and rate modules.
3. 7th Grade Readiness (6th Grade Standards)
- **Assessed Standards:** [6.NS.1](#) (Fraction Division), [6.NS.6c](#) (Coordinate Plane), [6.EE.2a](#) (Translating Algebraic Expressions), [6.EE.2c](#) (Evaluating Expressions), [6.EE.4](#) (Simplifying Expressions), [6.EE.7](#) (1-Step Equations).
 - **Diagnostic Summary:** Plotting ordered pairs ([6.NS.6c](#)) and basic expression translation ([6.EE.2a](#)) represent the highest proficiency scores in 7th grade. However, fraction division ([6.NS.1](#)) and combining like terms/simplifying algebraic expressions ([6.EE.4](#)) present significant tier 3 intervention needs across Hours 1, 3, and 4.
 - **Instructional Priority:** Integrating daily 10-minute visual expression-building and fraction operations into core Tier 1 instruction before launching 7th-grade proportional relationships.
4. 8th Grade Readiness (7th Grade Standards)
- **Assessed Standards:** [7.NS.1d](#) (Integer Addition/Subtraction), [7.NS.2c](#) (Integer Multiplication/Division), [7.EE.1a](#) (Linear Expression Addition/Subtraction), [7.EE.1b](#) (Expanding Linear Expressions), [7.EE.1c](#) (Factoring Linear Expressions), [7.EE.4a](#) (Multi-step Equations: $Spx + q = rS$ and $S(p(x + q) = rS$)).
 - **Diagnostic Summary:** Students display emerging mastery in basic integer arithmetic ([7.NS.1d](#), [7.NS.2c](#)) and linear expansion ([7.EE.1b](#)). However, multi-step equation solving ([7.EE.4a](#)) and algebraic factoring ([7.EE.1c](#)) show low proficiency across Hours 3, 4, and 6. Without mastery of multi-step linear equations, students will face substantial difficulty with 8th-grade linear functions and systems.
 - **Instructional Priority:** Scaffolded equation-solving workshops focusing on inverse operations and distributive property applications.

Core Systemic Trends & Insights

1. The Cumulative "Fraction Cliff"

Data across grades 5, 6, and 7 demonstrates a compounding deficit in rational number operations. Students who struggled with fraction concepts in 4th grade ([4.NF.3](#)) hit a steep performance decline when encountering 5th and 6th-grade fraction division ([5.NF.7](#), [6.NS.1](#)). Addressing rational numbers must be a district-wide focus.

2. Algebraic Readiness Deficits in Upper Middle School

In 7th and 8th grades, student performance drops significantly as abstract symbolism is introduced ([6.EE.4](#) to [7.EE.4a](#)). While basic computation is manageable for many, manipulating expressions and solving multi-step equations requires targeted concrete-representational-abstract (CRA) instructional strategies.

3. High Variance Across Class Hours

Section-by-section analysis shows variance in prerequisite mastery across different class hours, highlighting the need for flexible grouping and targeted scheduling for Tier 2/3 intervention blocks.

Action Plan & Recommendations

Tier 1: Core Instructional Adjustments (All Students)

- **Prerequisite Warm-Up Routine:** Dedicate the first 8–10 minutes of every math period to target essential prerequisite standards identified in this screener (e.g., fraction operations in 5th–7th, integer multi-step steps in 8th).
- **Conceptual Modeling:** Mandate visual models (number lines, area models, fraction bars) across middle school math classrooms to bridge conceptual understanding before moving to algorithmic shortcuts.

Tier 2 & Tier 3: Targeted Interventions

- **Delta Math Automated Learning Pathways:** Assign personalized, skill-specific remediation queues in Delta Math targeting student-specific red standards twice weekly during academic support blocks.
- **Small-Group Flexible Intervention:** Utilize math interventionists and push-in support to run 15-minute targeted skill-builder sessions focusing on high-need standards ([5.NF.7](#), 6.NS.1, [7.EE.4a](#)).

Monitoring & Benchmark Goals

- **30-Day Check-in:** Conduct short 3-question Delta Math formative checks on priority intervention standards.
- **Winter Benchmark Target:** Aim for a 25% reduction in Tier 3 (intensive need) student counts across all grade levels on the Winter Delta Math Readiness Screener.

South Walnut Elementary

September/October 2026

A Note From the Principal

It's hard to believe it is already October! September seemed to fly by. Our students have become familiar with our routines and school-wide expectations, and we recently wrapped up our Fall Assessment Window.

We are continuing to build on our PBIS incentives while focusing on the social-emotional needs of our students. October will be a month focused on kindness and anti-bullying. Students will participate in classroom activities centered around kindness toward themselves, their peers, and others. We will also be creating a school-wide Kindness Wall to celebrate the many ways our students are showing kindness throughout South Walnut.

Our school social worker, Mrs. Church, will be visiting classrooms throughout the month to talk with students about kindness, positive relationships, and anti-bullying.

Academically, we are continuing to focus on strong implementation of our Bridges Math curriculum and our new HMH Into Reading curriculum. We are using DIBELS, NWEA, and classroom data to identify student needs and strategically place students into our school-wide WIN (What I Need) Time reading groups. Our goal is to make sure students receive targeted instruction and support based on their individual needs. We are working to make WIN Time a consistent and successful part of our school-wide instructional day.

A special thank you to Ms. Latham, our Reading Interventionist, for the tremendous amount of time and effort she has put into assisting with student testing, analyzing data, and helping organize and schedule our WIN groups. Her support has been instrumental in helping us get this work up and running successfully across the building.

We are also continuing to focus on building positive attendance habits this school year and encouraging students to develop strong, consistent attendance routines.

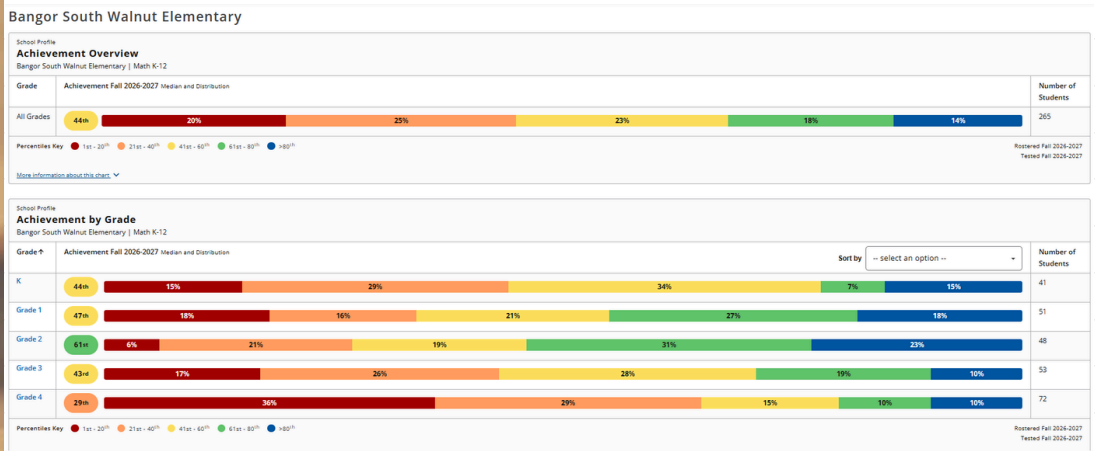

We are looking forward to a great October at South Walnut!

Ms. Crowton

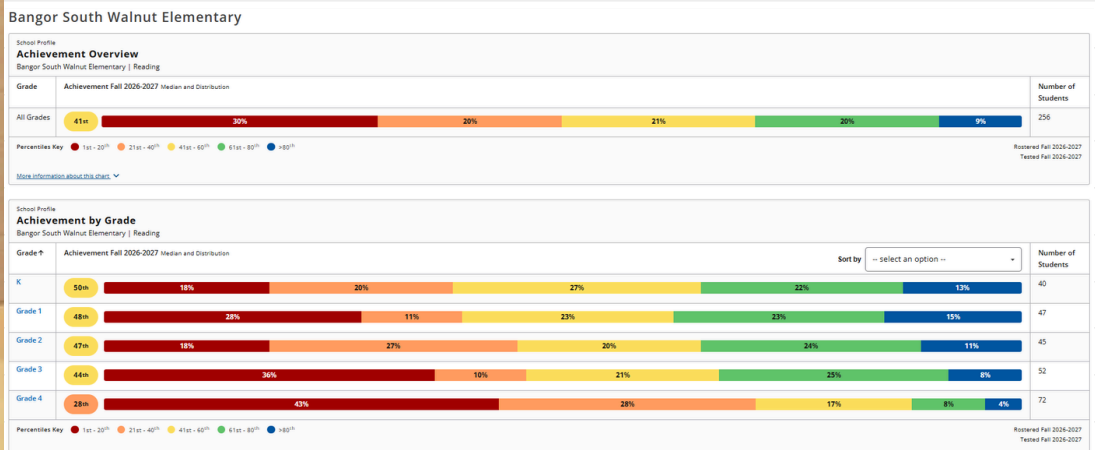

Principal, South Walnut Elementary

Grand Total	255	14	0	1	268	5380	0	90	365.00	4925.00	246.26	93.10%

We are continuing to monitor attendance closely and are running **weekly Friday attendance reports**. Our team is also reaching out to families when students have been absent multiple days without parent contact. Consistent attendance is essential for student success!

Current Attendance by Grade:

- Kindergarten: 92%
- 1st Grade: 93%
- 2nd Grade: 93%
- 3rd Grade: 94%
- 4th Grade: 94%
- Schoolwide Average Attendance in September: 93%

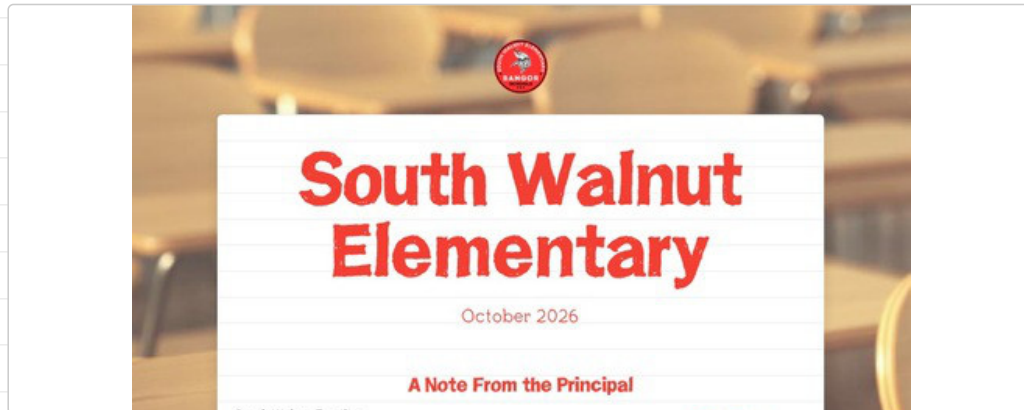

How We Track & Communicate

We track attendance closely and will keep families informed along the way:

- **Attendance letters** are sent home after **5, 8, and 10 absences**.
- Parents should contact the school whenever they know their child will be absent.
- If attendance does not improve after the **10-day letter**, a **truancy referral may be made**.
- Our team will also reach out when students have multiple consecutive absences without parent communication.

STAR. Expectations at Our School

At our school, we focus on creating a positive environment where everyone can succeed. Our S.T.A.R. behavior expectations help guide us in how we act every day.

Here's what S.T.A.R. stands for:

S - Stay Safe

We make choices that keep ourselves and others safe.

T - Take Pride

We take pride in our work and our school.

A - Act Responsibly

We take responsibility for our actions and choices.

R - Respect Everyone

We treat everyone with kindness and respect.

By following these expectations, we build a strong, positive community where everyone can learn and grow!

Behavior & Reflection Room

Our behavior systems continue to focus on **student accountability, skill-building, and maintaining a safe and positive learning environment**. We are using behavior data to identify patterns and provide additional support to students who may need it.

Our **Reflection Room** provides a structured space for students who need additional support after a significant behavior incident or when behavior is interfering with the learning environment. Students have an opportunity to **reset, reflect on their choices, review expectations, and identify strategies for making more positive choices moving forward**.

We continue to reinforce our schoolwide **STAR expectations** through positive recognition, STAR Dollars, classroom incentives, and celebrations. Staff are working to provide consistent expectations and responses across grade levels while also communicating with families when additional support is needed.

Moving forward, we will continue monitoring behavior trends and using that information to guide interventions, support students, and strengthen our schoolwide approach to positive behavior.

Happening This Month!

Instructional Services, Federal and State Programs

October 2026

The Bangor Way

As we settle into another school year, I want to take a moment to recognize the incredible work happening across Bangor Public Schools. The beginning of a school year brings new students, new routines, new challenges, and countless behind-the-scenes efforts from our teachers, support staff, administrators, and families. Thank you for the time and energy you continue to invest in our students.

October also gives us an opportunity to recognize National Principals Month. Our principals and other district administrators carry the important responsibility of supporting students and staff while helping move our schools forward academically and operationally. Thank you to our building leaders for the many ways you show up for our students and staff each day.

Looking at Our Students and Our Data

Count Day has provided us with an important snapshot of our district and helps establish the enrollment foundation for Michigan school funding. More importantly, our early-year data gives us an opportunity to look closely at where students are performing, where growth is occurring, and where additional support may be needed.

As we move through the fall, our focus remains on using data to inform instruction rather than simply collecting data. Through our MICIP, MTSS, and district strategic plan, we are working to ensure that interventions, instructional practices, schedules, and resources are aligned to the needs of our students.

Our goal is clear: increase student achievement and ensure that every student experiences meaningful academic growth.

The Bangor Way

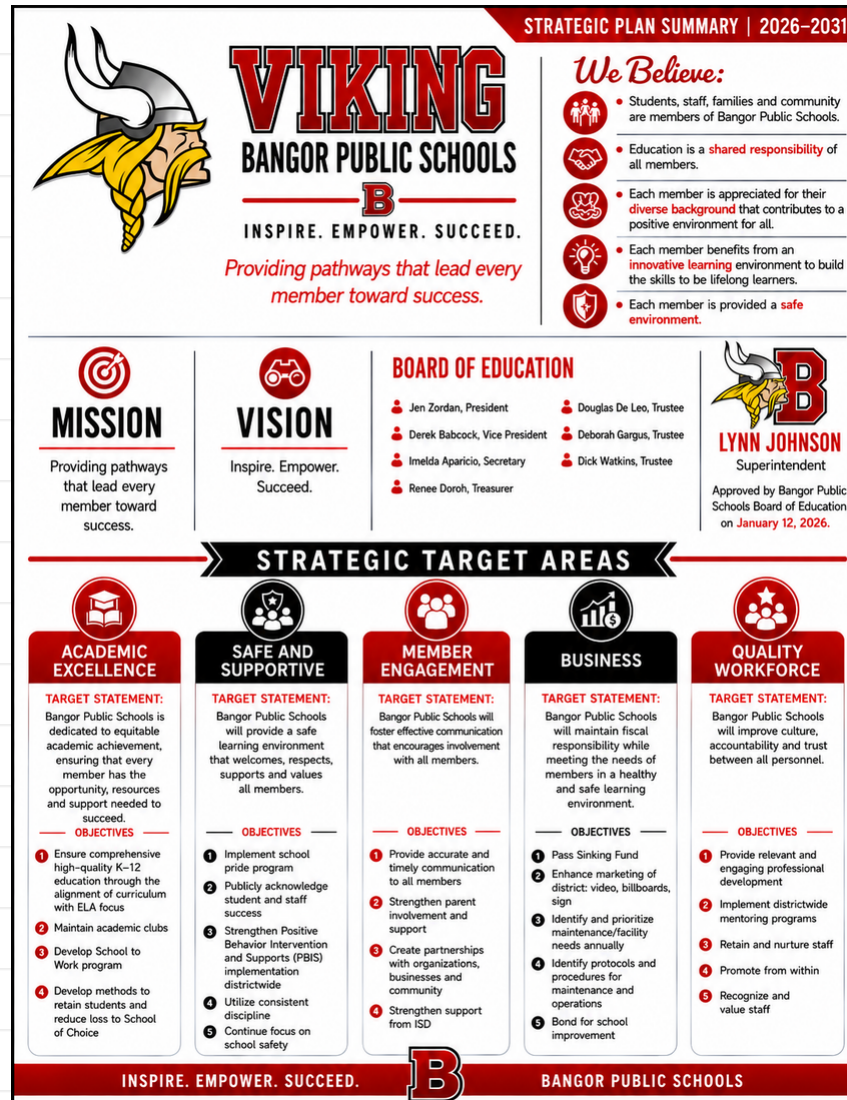

Improvement does not happen through one program, one person, or one initiative. It happens when we work together with a shared purpose. Teachers, support staff, administrators, families, and

community partners each play an important role in creating the conditions for students to succeed.

As we continue through the 2026-27 school year, we will remain focused on Academic Excellence, Safe and Supportive Schools, Member Engagement, and Business Quality Workforce while continuing to build on what makes Bangor Public Schools special.

Thank you for the work you do every day!

The Michigan Code of Educational Ethics

[Michigan Code of Educational Ethics.](#)

The Michigan Code of Educational Ethics provides principles for best practice, mindfulness, self-reflection, and decision-making – setting the groundwork for self regulation and self-accountability. The establishment of this Code honors the public trust and upholds the dignity of education across the state. Here are the core principles.

THE PRINCIPLES

- 1. Responsibility to the Profession:** Trust in the educational system depends upon a level of professional conduct and responsibility that may be higher than required by law. This entails holding one another to the same ethical standards.
- 2. Responsibility for Professional Competence:** Commitment to the highest levels of professional and ethical practice, including demonstration of the knowledge, skills, and dispositions required for professional competence.
- 3. Responsibility to Students:** A primary obligation to treat students with dignity and respect, including promoting the health, safety and well-being of students by establishing and maintaining appropriate verbal, physical, emotional, and social boundaries.

4. Responsibility to the School Community: Promotion of positive relationships and effective interactions with all members of the school community, while maintaining professional boundaries.

5. Responsible and Ethical Use of Technology: Consideration of the impact of consuming, creating, distributing and communicating information through all technologies. Vigilance to ensure that appropriate boundaries of time, place, and role are maintained when using electronic communication.

Facilities Report

September 2026

Maintenance and Transportation

Repairs made:

Repaired leaking sink at Head Start room #2.
Replaced 2 doors in High School that had failed Asbestos inspection.
Replaced discolored ceiling tiles in High School kitchen.
Resecured playground equipment at South Walnut.
Repaired storage room lock at the CEC.
Repaired AC for Middle School room #113.
Replaced pencil sharpener in High School room #20.
Replaced pencil sharpener in the Middle School Art room.

Scheduled Maintenance:

Cleaned Annex office carpet for Secretary move.
Hung Class of '26 picture in High School hallway.
Disposed of old floor mats and chairs from Middle School Cafeteria.
Mounted bulletin board in High School office.
Hung light covers in High School room #9.
Disposed of old refrigerator from Middle School.
T.V. moved from Apple Tree to the CEC.
Relocated thermostat in the Middle School Gone Boarding room.
Relocated napkin dispensers in the South Walnut Cafeteria
Relocated kidney table from South Walnut room #8 to room #2.
Bounce Houses were set up in the South Walnut Gym.
Moved bookshelf from Middle School room #107 to room #116.
Counter, Flooring and Electrical installed in Stadium Press Box.

Oct. Scheduled PM's

AED inspections, Monthly Bleacher Inspections, Furnace Fan Filter Replacements, Roof Exhaust Inspections, Exit Sign Inspections, Air Compressor Inspections.

New Lift Bus

Purchased a Lift Bus from the VBISD.

James Windiate

Director of Facilities and Transportation
