On November 6th, our culinary and baking technical shops hosted their first public takeout event of the year. It was quite a success, with eager customers forming lines outside well in advance.

Financial Aid Night was held on Thursday November 4th to help students and their families understand the process of paying for college.

Key Club organized a food drive for Philabundance and Preston and Steve's Camp Out for Hunger. Collection boxes were placed around the school. Philabundance works year-round to aid the thousands who struggle with food insecurity every day.

On November 5th, the 12th grade had the opportunity to hear from motivational guest speaker Charlie "The Spaniard" Brenneman. BCTHS has hosted Mr Brenneman for a few years and the assembly is always a success.

The class of 2027 Cap and gown measurements took place on November 10th.

The SKILLS USA Fall Leadership conference was held from November 18th to the 20th at Pocono Summit, PA.

Thank you for supporting our student activities.
