Summary

The Texas Education Agency recently conducted an Intruder Detection Audit at one or more of our campuses. The audits test whether a campus is accessible to an unauthorized individual. This audit helps identify how we can improve safety for students, such as ensuring exterior doors are locked.

We are working closely with our School Safety & Security Committee to ensure we are training all our staff and securing our doors for the protection of everyone at our campuses. Intruder Detection Audits are just one of the many actions we are taking to ensure our schools are safe.

Since the beginning of the 2024-25 school year, the district received six (6) Intruder Detection Audit reports for six (6) campuses. All six (6) reports came back with no findings and no corrective actions needed.

Specific details of the Intruder Detection Audit may be discussed in closed session and will be discussed with the Safety and Security Committee. Fort Bend ISD is committed to providing a safe and secure learning environment for our students and staff.

Recommendation

Consideration and approval of a Texas Education Agency (TEA) exception for class size in grades PreK-4 for elementary schools that exceed a teacher-to-student ratio of 22 students per classroom teacher (22:1).

Summary

For the 2024-25 school year, the Administration requests an exception for class size due to the District's continued growth, available classroom space, and current budget pressures. Furthermore, as the school year has launched, principals are continually recruiting highly qualified teachers to hire for current or anticipated vacancies. With class size exceptions approved, staff will work with principals to ensure appropriate support and learning environments conducive to the highest levels of student achievement.

When projecting teacher staffing for the 2024-25 school year, staff used the PASA "moderate" growth projection for each campus.

Note: Final recommendation will be provided to the Board in preparation for the September 23 Regular Board Meeting.

Recommendation

Consideration and approval to appoint new members to the School Boundary Advisory Committee (SBAC) as set forth in newly revised Policy FC(Local).

Summary

As outlined in Policy FC(Local), SBAC membership recruitment was determined through an online application. The Department of Collaborative Communities launched and utilized a Central Application Platform in Fall 2023 which allowed community members to complete one application to submit their interest in participating on a number of District committees and/or stakeholder engagement opportunities. The Central Application included an option for community members to submit their interest to participate on the SBAC.

As part of the SBAC member selection process, Administration utilized a fair and equitable process involving cross-departmental review. Measures were executed to ensure compliance with District policy and procedures. These measures included but were not limited to: verifying accuracy and completeness of the applications, reviewing applications with a holistic approach, and mapping the location of the interested applicants to ensure a balance of representation based on home residence. The primary goal for selection of SBAC members includes ensuring that each feeder pattern has representation of a parent and/or community member from the elementary level, the secondary level, and an alternate as outlined in Policy FC(Local).

Background

Policy FC(Local) was revised and approved on October 16, 2023. The updated policy includes revisions of the school boundary planning process based upon lessons learned from the most recent iterations of the process that took place in the 2022-2023 school year, including the re-design of the boundary committee.

Recommendation

Consideration and approval of a resolution approving the 2024 tax year tax roll, based on the certified 2024 values from the Fort Bend County Central Appraisal District.

Summary

The certified property values received from Fort Bend County Central Appraisal District on July 25, 2024 reflect an increase of approximately 7.2% in the total freeze-adjusted taxable property value for 2024. The Texas Tax Code §26.05(g) allows school districts to adopt a tax rate based on the preliminary certified tax roll received in April. Section 26.09(e) of the State Property Tax Code requires approval by the governing body of the appraisal roll each year with tax amounts entered to constitute the District's tax roll.

The certified freeze-adjusted taxable property value is anticipated to generate \$552,723,057 in tax revenue to the District for the 2024 tax year. The attached resolution provides information on the tax amounts due based on the 2024 appraisal roll. Staff will use this information to bring forward the tax rate adoption in September 2024.

**FORT BEND INDEPENDENT SCHOOL DISTRICT
TAX ROLL RESOLUTION**

WHEREAS, Section 26.09(e) of the Property Tax Code requires approval by the governing body of the Fort Bend Independent School District of the appraisal roll with tax amounts entered by the assessor, for the year 2024 tax year, and

WHEREAS, such roll was presented to the Fort Bend Independent School District's Trustees on September 09, 2024, and appears in all things correct as under the applicable laws of Texas, and

WHEREAS, said Trustees voted in open session to approve said roll,

IT IS HEREBY RESOLVED by the Trustees that the 2024 certified appraisal roll with amounts due totaling \$552,723,057 for the year 2024 tax year is approved and is the tax roll for the Fort Bend Independent School District for the 2024-25 school year.

Passed and adopted this 23rd day of September, 2024.

Recommendation

Consideration and approval of underwriters to be utilized by the District in connection with future bond debt issued.

Summary

Administration updates the list of underwriters the District can do business with annually. Underwriters are firms that market Fort Bend ISD debt to various types of investors. The number of underwriters used on an individual transaction will vary depending on the amount of the debt issuance. Under 44.031(f) of the Texas Education Code, bond or other financial instrument underwriters are fiscal agents and financial consultants and are exempt from competitive procurement requirements.

The recommended list is based on the firms' performance on past transactions, underwriter presentations made to the District, and suggestions on debt structure and innovation to minimize the costs to the District. If approved, staff will select underwriters from the list for debt transactions in the 2025 calendar year. A future agenda item to authorize the issuance of debt or refund existing debt will be presented to the Board in the future.

The list of underwriters below would be for use as senior manager or co-manager for the purpose of marketing debt issued by the District in either negotiated or competitive transactions. There are no changes to the list from the 2023-24 fiscal year and none of the firms recommended are included on the Texas Comptroller's list as noncompliant with Senate Bills 13 and 19.

Authorizing Redemption of Bonds

Recommendation

Consideration and approval of an order authorizing the redemption or purchase for cancellation of certain outstanding Fort Bend Independent School District Bonds as detailed.

Summary

The Order authorizes the payment prior to maturity of a portion of the Bonds. While the redemption of such bonds will occur in the summer of 2025, approval of the redemption is needed before the adoption of the district's tax rate.

Staff is requesting Board consideration and approval of an order authorizing the redemption or purchase for cancellation of \$7,100,000 in total principal amount from the following outstanding bonds:

- The Unlimited Tax Refunding Bonds, Series 2014 (the "Series 2014 Bonds")
- The Unlimited Tax Refunding Bonds, Series 2016A (the "Series 2016A Bonds")
- The Variable Rate Unlimited Tax School Building and Refunding Bonds, Series 2020B (the "Series 2020B Bonds")

The order authorizes the Superintendent or Chief Financial Officer to select the specific maturities of the Series 2014 Bonds, the Series 2016A Bonds and/or the Series 2020B Bonds to be redeemed. The redemption will result in a reduction in the amount of long-term debt the District has outstanding and result in present value debt service savings.

The Series 2014 Bonds and Series 2016A Bonds were callable effective August 15, 2024, and can be refunded or defeased any time after that date. The Series 2020B Bonds are variable rate bonds that are subject to mandatory tender on August 1, 2025, at the end of the current rate period. The District is authorized to redeem or purchase for cancellation the Series 2020B Bonds on the mandatory tender date. The District anticipates a remarketing transaction to establish a new rate period for the Series 2020B Bonds in the summer of 2025, and the redemption or purchase for cancellation of Series 2020B Bonds could take place at that time. A bond parameter order will be presented for consideration later this fiscal year to authorize the Series 2020B Bond remarketing transaction and other debt transactions.

The draft redemption order was prepared in consultation with the District's bond counsel, Bracewell, LLP and the District's financial advisor, Hilltop Securities.

WHEREAS, the District has heretofore issued its Fort Bend Independent School District Variable Rate Unlimited Tax School Building and Refunding Bonds, Series 2020B (the “Series 2020B Bonds,” and collectively with the Series 2014 Bonds and the Series 2016A Bonds, the “Outstanding Bonds”) pursuant to an order of the District, dated January 21, 2020, (the “Series 2020B Bond Order”) and its associated pricing certificate, which was executed on August 4, 2020, (the pricing certificate and the Series 2020B Bond Order are collectively referred to herein as the “Series 2020B Order,” and, collectively with the Series 2014 Order and the Series 2016A Order, the “Outstanding Bond Orders”); and

WHEREAS, the 2014 Order authorizes the District to redeem Series 2014 Bonds maturing on and after August 15, 2025, in whole or from time to time in part on August 15, 2024, or on any date thereafter, at a redemption price equal to the principal amount thereof plus accrued interest to the date of redemption, and the Series 2024 Bonds maturing on August 15, 2025 and August 15, 2026 are currently callable; and

WHEREAS, the 2016A Order authorizes the District to redeem Series 2016A Bonds maturing on and after August 15, 2025, in whole or from time to time in part on August 15, 2024, or on any date thereafter, at a redemption price equal to the principal amount thereof plus accrued interest to the date of redemption, and the Series 2016A Bonds maturing on August 15, 2025 are currently callable; and

WHEREAS, pursuant to Section 5.02 of the Series 2020B Bond Order, the District has the right to redeem or purchase for cancellation all or a portion of the Series 2020B Bonds that are subject to mandatory tender on any mandatory tender date at a price equal to the principal amount thereof plus any accrued but unpaid interest; and

WHEREAS, the Series 2020B Order establishes that the Series 2020B Bonds are subject to mandatory tender on August 1, 2025 (the “Mandatory Tender Date”); and

WHEREAS, the Board of Trustees (the “Board”) of the District desires to authorize the redemption or purchase for cancellation of \$7,100,000 in principal amount of the Outstanding Bonds on the redemption date identified as provided in Section 2 of this Order or on the Mandatory Tender Date, as applicable; NOW, THEREFORE

BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE FORT BEND INDEPENDENT SCHOOL DISTRICT:

Section 1. Recitals. It is hereby found and determined that the matters and facts set out in the recitals to this Order are true and correct and incorporated herein for all purposes. All capitalized terms not otherwise defined in the recitals to this Order shall have the meaning set forth in the Outstanding Bond Orders.

Section 2. Redemption or Purchase or Cancellation. The Board of Trustees (the “Board”) of the District hereby finds and determines that it is in the best interest of the District to redeem or purchase for cancellation and hereby authorizes and directs the redemption or purchase for cancellation of \$7,100,000 in principal amount of the Outstanding Bonds selected by the Authorized Officer (as defined herein) (the “Redeemed Bonds”) on the redemption date selected by the Authorized Officer (the “Redemption Date”), which date shall not be later than August 15, 2025, or the Mandatory Tender Date at a price of par plus accrued interest to the Redemption Date or the Mandatory Tender Date, as applicable. The Board hereby authorizes the Superintendent or the Chief Financial Officer of the District (each an “Authorized Officer”) to designate the portion of the Outstanding Bonds to be designated as Redeemed Bonds. The Board hereby authorizes directs an Authorized Officer or his designee to effectuate the redemption or purchase for cancellation of the Redeemed Bonds on the Redemption Date or the Mandatory Tender Date, as applicable, in accordance with the provisions of the Outstanding Bond Orders and this Order and to provide for the payment of the principal of and interest due on the Redeemed Bonds on the Redemption Date or Mandatory Tender Date, as applicable, from funds on deposit in the District’s debt service fund.

Section 3. Related Matters. To satisfy in a timely manner all of the District's obligations under this Order, the Superintendent, the Chief Financial Officer and all other appropriate officers and agents of the District are hereby authorized and directed to take all actions that are reasonably necessary to provide for the redemption or purchase for cancellation of the Redeemed Bonds, including, without limitation, selecting the Outstanding Bonds to be redeemed or purchased for cancellation, paying any fees or expenses required in connection with the redemption or purchase for cancellation of the Redeemed Bonds and executing and delivering on behalf of the District all notices, certificates, consents, receipts, requests, and other documents as may be necessary to effectuate the redemption or purchase for cancellation described herein and to direct the application of funds of the District consistent with the provisions of this Order. The District's bond counsel, Bracewell LLP, and financial advisor, Hilltop Securities Inc., are hereby authorized and directed to assist the District in effectuating the intent of this Order.

Section 4. No Personal Liability. No recourse shall be had for payment of principal of or interest on any Bonds or for any claim based thereon against any member of the Board or employee of the District.

Section 5. Open Meeting. It is hereby officially found and determined that the meeting at which this Order was adopted was open to the public, and that public notice of the time, place and purpose of said meeting was given, all as required by Chapter 551, Texas Government Code.

Section 6. Effective Date. This Order shall take effect immediately upon its passage.

Recommendation

Consideration and approval of the District's Fiscal and Budgetary Strategy.

Summary

The Fiscal and Budgetary Strategy provides the framework for the District's budgetary and financial processes. The document provides assurance to the various rating agencies that the District's financial processes and procedures are sound. Best practice is to review the document annually.

The following changes are proposed.

Page	Change	Rationale
6	Major Maintenance Repair and Replacement	Added verbiage to include the priority of use of funds for major maintenance repair.
8	Debt Management	Included additional eligible items for long-term debt issuance that have been added to Texas Education Code Section 45.001.
9	Debt Management – Method of Sale	Added verbiage to indicate that the Deputy Superintendent would only be included if the position is applicable to this item.
10	Debt Management-Debt Structuring	Added verbiage to indicate that the Deputy Superintendent would only be included if the position is applicable to this item.

I. PURPOSE

The Fort Bend Independent School District (the “District”) is committed to sound financial management through integrity, prudent stewardship, planning, accountability, full transparency, and open communication. The purpose of the Fiscal and Budgetary Strategy is to enable the District to achieve and maintain a stable long-term financial condition, provide guidelines for the day-to-day planning and operations of the District’s financial affairs, and communicate the District’s financial practices to stakeholders.

Fort Bend ISD’s general obligation bonds are currently rated at AA+ by Fitch and AA+ by Standard & Poor’s Investor Services. A high credit rating typically reduces the interest costs the District pays on the amounts borrowed. This in turn directly correlates to a lower tax rate on the outstanding debt of the District.

To help maintain the District’s creditworthiness, an established strategy of managing the District’s financial resources is essential and in the District’s best economic interest. The District shall take all practical precautions and proactive measures to avoid any financial decision that will negatively impact the credit ratings on existing or future debt issues.

The scope of the fiscal strategy encompasses accounting and financial reporting, internal controls, operating and capital budgeting, revenue management, investment and asset management, debt management, maintenance of fund balance, and forecasting. This is done to:

1. Demonstrate to Fort Bend ISD taxpayers, citizens, investment community, and bond rating agencies that the District is committed to a system of strong fiscal operations;
2. Provide precedents for future policy-makers and financial managers on common financial goals and strategies;
3. Fairly present and fully disclose the financial position of the District in conformity with generally accepted accounting principles (GAAP); and
4. Demonstrate compliance with finance-related legal and contractual issues in accordance with the Texas Education Code and other legal mandates.

This Fiscal and Budgetary Strategy shall be reviewed and updated as necessary, but not less than annually.

The Fort Bend Independent School District financial statements include the following fund types:

Governmental Funds:

General Fund accounts for the financial resources of the District and includes transactions as a result of revenues received primarily from local maintenance taxes, foundation entitlements, and other Foundation School Program resources,

Special Revenue Funds account for the proceeds of specific revenues that are legally restricted or committed to expenditure for specific purposes through federal, state, and local grant awards.

Debt Service Fund accounts for financial resources that are restricted, committed, or assigned to expenditure for principal and interest payments on the outstanding debt obligations of the District. These resources include Interest and Sinking Tax Revenues, which are considered restricted and for which a tax has been dedicated.

Capital Project Funds account for resources that are restricted, committed, or assigned to expenditures for capital outlay that include acquisition or construction of capital facilities and other capital assets that are financed through voter approved debt.

Proprietary Funds:

Internal Service Fund accounts for the activities of the District’s Print Shop, self-funded health, unemployment, technology, and Worker’s Compensation accounts.

Enterprise Fund accounts for the activities of the District's Extended Day program. Operations that generate revenue from outside sources are typically accounted for as Enterprise funds. Facility rentals, advertising, Career and Technology services, and other non-traditional revenue sources will also be accounted for in an Enterprise fund.

Fiduciary Funds:

Trust and Agency Fund accounts for assets held by a school district in a trustee capacity or as an agent for student organizations and scholarship funds. Funds maintained for the non-Teacher Retirement System (TRS) pension plan (Fort Bend ISD 457(b) Deferred Compensation Plan) are held the District in a trustee capacity only.

Basis of Accounting and Basis of Budgeting - The District accounts and budgets for all **Governmental Funds** using the modified accrual basis of accounting. This basis means that revenue is recognized in the accounting period in which it becomes available and measurable, while expenditures are recognized in the accounting period in which they are incurred. Because the appropriated budget is used as the basis for control and comparison of budgeted and actual amounts, the basis for preparing the budget is the same as the basis of accounting. Governmental funds would include the District's general, special revenue, debt service, and capital projects funds.

The District's Internal Service Funds and Enterprise Funds, which function as **Proprietary Funds**, are accounted and budgeted for using the full-accrual basis of accounting. Under this method, revenues are recognized when they are earned and measurable, while expenses are recognized when they are incurred.

II. OPERATING BUDGET

The budgeting process is an essential element of the financial planning, control and evaluation process of the District. The legal basis for the budget process is established in the Texas Education Code sections 44.002 through 44.006 and local policy.

The operating budget is Fort Bend Independent School District's annual financial operating plan. The adopted annual budget shall include allocations for campuses, departments, and approved positions of the district.

Strategic Plan – The District Strategic Plan (DSP) provides a strategic focus for district operations and student achievement and is adopted annually by the Board of Trustees. Funding for District programs shall be based upon the objectives contained in the District Strategic Plan and further outlined by the identified targets for success.

Specifically, the DSP provides the following goals for the District:

District Goal 1: The District will provide rigorous and relevant curriculum and deliver instruction that is responsive to the needs of all students.

District Goal 2: The District will provide a positive culture and climate that provides a safe and supportive environment for learning and working.

District Goal 3: The District will recruit, develop, and retain high quality teachers and staff.

District Goal 4: The District will engage students, parents, staff, and the community through ongoing communication, opportunities for collaboration and innovation, and partnerships that support the learning community.

District Goal 5: The District will utilize financial, material, and human capital resources to maximize district outcomes and student achievement.

Preparation – The Texas Education Code requires that the District budget be prepared by a date set by the State Board of Education, currently June 19th for districts that have a June 30th fiscal year end. The code further requires that the president of the Board of Trustees call a public meeting to discuss and adopt the budget and proposed tax rate. Notice under this subsection shall be published not earlier than the 30th day or later than the 10th day before the date of the hearing. Section 44.0041 of the Education Code, requires that, "concurrently with the publication of notice of the budget, a school district shall post a summary of the proposed budget on the school district's website. The budget summary must include: (1) information relating to per student and aggregate spending on (A)

Fort Bend Independent School District
Fiscal and Budgetary Strategy

instruction; (B) instructional support; (C) central administration; (D) district operations; (E) debt service; and (F) any other category designated by the commissioner; (2) a comparison to the previous year's actual spending."

The Board of Trustees must adopt the prepared budget, inclusive of any amendments, no later than June 30th. The officially adopted District budget must be filed with the Texas Education Agency (TEA) through the Public Education Information Management System by the date prescribed annually by TEA.

1. **Proposed Budget** – A proposed budget shall be prepared by the Superintendent and Chief Financial Officer with participation of campus and department stakeholders within the provisions outlined in the District's strategic plan and federal and state mandated program guidelines.
 - a. The budget shall include four basic segments for review and evaluation:
 - i. Revenues
 - ii. Personnel Costs
 - iii. Operational Costs
 - iv. Capital and other non-project costs
 - b. The budget review process will include Board of Trustee participation and will allow for sufficient time for the Board to address the strategic plan and fiscal issues.
 - c. The proposed budget and all preliminary budgetary information will be available on the District's website for public view.
2. **Adoption** – Upon finalization of the proposed budget, the Board of Trustees will hold a public hearing, and subsequently adopt the final budget as amended. The budget will be effective for the fiscal year beginning July 1st.
3. **Tax Rate Adoption** – Not later than April 30th, the chief appraiser shall prepare and certify to the school district an estimate of the taxable value of property in that taxing unit. The District may adopt a tax rate, prior to the adoption of the budget, based upon this certified property estimate. The certified estimate shall be used in the calculation of the effective tax rate and the rollback tax rate of the District.

If the district elects to establish the tax rate after receiving the certified appraisal roll as defined by Section 26.01 of the Property Tax Code, typically July 25th, and the tax rate exceeds the rate proposed in the District's notice prepared for the budget hearing or the District's rollback rate as determined under Section 26.08 of the Property Tax Code, the District must publish a revised notice and hold another public meeting before adopting the tax rate.

Balanced Budget – The goal of the District is to balance the operating budget with current revenues, whereby current revenues would match and fund on-going expenditures. Unassigned fund balance in the general operating fund may be used for onetime non-recurring expenditures or capital needs.

Planning – The budget process will be coordinated so that major strategic issues are identified prior to the budget approval date. This will allow the Board of Trustees adequate time for consideration of appropriate decisions and analysis of the associated financial impacts.

Reporting – Written financial reports will be presented to the Board of Trustees on a monthly basis. In addition, the Administration will provide a quarterly report on financial outcomes at regularly scheduled meetings of the Board. These reports will enable the Board to understand the overall budget and financial status of the District. The reports shall include comparative financial statements, a budget amendment report, the investment report, tax collection report, and statement of cash flow. In addition, the budget will be electronically reported to TEA as required by the prescribed deadlines established by TEA.

Control and Accountability – Each campus and departmental administrator is responsible for the administration and oversight of their budget, which is controlled on an organizational basis. This includes accomplishing the targets adopted as part of the budget and monitoring each campus and departmental budget for compliance within approved spending limitations.

Budget Amendments – The District budget shall be amended as required. Budget amendments between fund and increases in expenditures require the approval of the Board of Trustees. The Board of Trustees may authorize an amendment to the budget for those items not included in the originally approved budget due to unforeseen circumstances.

III. REVENUE MANAGEMENT

The District will understand its revenue sources and enact consistent policies to provide assurances that the revenue base will materialize according to the budget. Revenues shall be estimated realistically and conservatively taking into account potential changes in law related to property valuation and state and federal funding.

Revenues shall be monitored as they are received and regularly compared to budgeted revenues; variances will be investigated as they are identified. Any abnormalities shall be included in the quarterly financial report and the budget shall be amended to appropriately reflect the change in anticipated revenue.

State Funding – The District shall ensure that the Weighted Average Daily Attendance (WADA) is maximized by accurately reporting student attendance and shall have processes in place to ensure that special program information is appropriately reflected in the information uploaded to the Public Education Information Management System (PEIMS). Information regarding property value, property tax collections, employee counts, and other information required by TEA for the purposes of state funding computation shall be reported within the prescribed timelines. The Board of Trustees authorized the superintendent to file waivers for missed days and low attendance days as needed. The Superintendent will inform the Board of any waivers submitted to TEA.

Property Tax Revenues – All real and business personal property located within the District shall be valued at 100% of fair market value for any given year based upon the current appraisal supplied by the Fort Bend County Appraisal District. Tax collections estimates utilized in the development of the budget will be based upon a prudent analysis of historical collection percentages and the current economic trends.

Current state funding guidelines penalize districts that adopt tax rates below the compressed tax rate. For budgeting purposes, the District will forecast the proposed property tax rate for maintenance and operations (M&O) the greater of the compressed rate, the compressed rate plus four cents (\$.04) or the voter approved rollback rate, not to exceed the current legal limit.

The District shall also consider the interest and sinking (I&S) tax rate in an amount to fund tax supported debt service that is due and payable for the corresponding calendar year period.

Interest Income – General, debt service, capital projects, food service, and internal service funds shall be invested individually in accordance with the Investment Strategy approved annually by the Board of Trustees. Interest earned from each investment account shall be credited to the fund from which the monies were provided.

User-Based Fees and Service Charges – For services associated with a user fee, such as building usage and instrument rental, the direct or indirect costs of that service will be offset by a fee where possible. The District shall update the usage fee schedule as required to ensure that fees provide adequate coverage for the cost of services.

Other Revenue – The District will pursue the full utilization of its assets to include trademarks of logos, rentals of facilities and real estate, and multiple forms of advertising. Advertising will include space on scoreboards, fences, gyms, buses, websites, etc.

Intergovernmental Revenues – The District shall carefully analyze grant opportunities to ensure that all grants comply with the overall District mission and strategic plan. All potential grants shall be examined for matching requirements, or other potential financial implications, prior to application to ensure that adequate funds are available from the general funds of the District.

Efforts should be made to ensure that grants are self-sustaining. However, it must be clearly understood that the operational requirements (on-going costs) set up as a result of a grant program could be discontinued once the terms

and conditions of the program have been completed in the event that sufficient resources are not available in the District's general operating budget.

Collection of Delinquent Receivables - All Fort Bend ISD campuses, programs and departments will, to the extent practicable, require payment in advance. Aged balances (90 days +) owed to the District will be pursued for collections and can be submitted to a collection agency at the discretion of Administration according to written District guidelines.

IV. EXPENDITURE POLICIES

Appropriations – The budget for all funds shall be controlled at the organizational level. Budget managers are authorized to transfer funds included in their basic budget within fund, function, and program intent code without prior approval. Budget amendments between fund, function, and program intent code require administrative approval. Approval of the Board of Trustees is required for all budget amendments between fund and any increases to fund expenditures. The cumulative transfer of funds between functions District-wide will be included in the next amendment for board approval.

Staffing – The staffing guidelines of the District shall be administered jointly by Human Resources, Department of School Leadership (DOSL), Curriculum and Instruction, and Business and Finance using established staffing guidelines and a system of position control.

In addition to teaching units, staffing guidelines shall also provide guidance for appropriate levels of staffing in the administrative, counseling, nursing, art, music, physical education, and educational and clerical support at each campus. Staffing allocations shall be distributed based upon the total student population and with additional consideration for special education, bilingual and at-risk student programming.

Course schedules shall be carefully reviewed to ensure that instructional units are used to best meet the instructional needs of the District within the available resources. Based upon sufficient revenues, additional staff members may be allocated to campuses based upon input from the Superintendent, Chief Human Resources Officer, DOSL, Teaching and Learning, and Business and Finance to balance class loads or to address the unique needs of a particular campus. Adjustments for student enrollment in grades K-4 shall be done only after a careful analysis of historical attendance patterns and available classroom capacity.

To the extent possible, the payroll for all employees, substitutes and temporaries will be done via direct deposit.

Benefits – To ensure the long-term health of the District's self-funded benefit programs, the budget shall be sufficient to provide for a fiscally sound health and worker's compensation program along with other state and federally mandated benefits including Medicare and Teacher Retirement System above state minimum.

The District's self-insured employee insurance program shall be funded by both District and employee contributions for employees and their supplemental dependents. The fund shall be evaluated annually by a third-party actuary to ensure that the premium structure is sufficient to meet the long-term needs of the District's employees.

The plans shall be administered by a third-party plan administrator and shall be bid periodically to ensure that the network reimbursement rates and employee co-pays are comparable to those provided within the marketplace. The District shall seek to ensure that insurance services are provided in both a cost efficient and compassionate manner to ensure the success of the program.

The District's self-insured worker's compensation program shall be funded through the budget process to ensure that the program has sufficient assets to meet both short and long-term worker's compensation claims. The district has established a comprehensive safety program to minimize the District's claims exposure and shall ensure that the plan is evaluated annually by a third-party actuary to ensure that the funding for the plan is sufficient.

Ongoing Maintenance Repair and Replacement – Ongoing maintenance and repair costs are included within the departmental operating budgets. These costs are generally considered systematic repairs and are not capitalized for accounting purposes. They include such items such as athletic equipment, routine musical instrument repair, HVAC maintenance and repair, and other general routine maintenance.

Major Maintenance Repair and Replacement – Repair costs that exceed departmental operating budgets, are considered non-routine, and are due to a major breakdown or extensive damage.

Each year, if sufficient fund balance capacity is available, funds are included in designated fund balance in the General Fund to address unexpected maintenance costs caused by weather incidents or catastrophic failure. Additionally, the District typically may have contingency within Capital Projects Funds that is available due to project cost savings and interest earnings. On a quarterly basis, the Business & Finance and Facilities Maintenance departments will evaluate expenditures made to date within the Facilities Maintenance department and determine if any are eligible for use of major maintenance or bond contingency funds. The final list of items identified will be included in the year-end budget amendment recommended to the Board of Trustees to reallocate the expenditures to the source of funding that is most appropriate for use. If fund balance capacity is not available and the expenditure is not eligible for use of bond contingency, operating funds will be used. Use of funds will be prioritized as follows:

1. General Fund major maintenance designated fund balance, if available
2. Bond contingency, if available and not prioritized for other uses
3. General Fund operating funds

Use of General Fund major maintenance designated fund balance or bond contingency requires approval from the Board of Trustees before funds can be utilized.

Capital Projects – The District’s goal is to maintain its facilities and infrastructure in order to provide exemplary educational services for its students, meet the needs of a growing community, and to comply with all local, state, and federal regulations. The District shall regularly review building capacity, enrollment projections, and planned subdivision and other housing information for the purpose of determining the number and timing of future facilities.

Capital project budgets shall be developed according to the projects approved by the voters. Excess capital project funds generated as a result of investment income and project savings may not be directed to other needs of the District without the specific approval of the Board of Trustees.

Technology – It is the policy of the District to plan and fund the maintenance and replacement of its computer network and other technology systems (infrastructure) through capital funding. These funds will be transferred to the technology internal service fund or maintained in a capital fund.

Ongoing replacement of computer devices (PCs, laptops, printers, etc.) will be funded through ongoing contributions from the general fund into the technology internal service fund. These ongoing contributions may include one-time transfers from the general fund. In some cases, administration may recommend replacement using bond funds. When using bond funds, the weighted average maturity of the bonds issued for technology will not exceed the weighted average economic life of the bond financed assets by more than 120%.

Accounts Payable – To the extent practical, all vendors doing business with the District must be able to accept payments electronically via ACH (automated clearing house).

V. BUDGET CONTINGENCY PLAN

This strategy is designed to establish general guidelines for managing revenue shortfalls resulting from local and state economic downturns that may adversely affect the District’s revenue stream.

Once a budgetary shortfall is projected, the Superintendent may take the necessary actions to offset any revenue shortfalls with a reduction in current expenses to include but not be limited to the following:

- ❖ Review all staffing levels;
- ❖ Freeze all new hire and vacant positions except those deemed to be a necessity to the instructional process or the safety of students;
- ❖ Review all planned capital expenditures;
- ❖ Forego out-of-state staff development;

Fort Bend Independent School District
Fiscal and Budgetary Strategy

- ❖ Review of all planned staff development activities;
- ❖ Curtail after-hours facility usage;
- ❖ Forego extracurricular field trips; and,
- ❖ Delay all non-essential spending or equipment replacement purchases.

If the above actions are insufficient to offset the revenue deficit and the shortfall continues to increase, the Superintendent shall develop an expenditure reduction plan for approval by the Board of Trustees that will further reduce operating expenses to balance the variance.

VI. ACCOUNTING, AUDITING, AND FINANCIAL REPORTING

Accounting – The District is solely responsible for the recording and reporting of its financial affairs, both internally and externally. The Chief Financial Officer is responsible for establishing the structure for the District's Chart of Accounts and for ensuring that procedures are in place to properly record financial transactions and report the District's financial position. All financial reports shall be published on the District's website.

Audit of Accounts – In accordance with Texas Education Code 44.008, the Board of Trustees shall cause the District's accounts to be audited at the close of each fiscal year, currently June 30th, by an auditor holding a valid permit from the Texas State Board of Public Accountancy.

The auditor shall perform the audit in accordance with generally accepted governmental auditing standards published by the United States General Accounting Office, commonly referred to as the Yellow Book. The financial statements shall be prepared on a government-wide basis and shall be in conformity with all pronouncements of the Governmental Accounting Standards Board (GASB).

External Reporting - The audit shall be accepted and completed within 150 days of year end and filed with the Texas Education Agency (TEA), Municipal Securities Rulemaking Board (MSRB), the Federal Audit Clearinghouse, Health and Human Services and the Liquidity Provider and Remarketing agent for the debt commercial paper program. In addition, certain schedules required by the TEA to be completed electronically shall be submitted no later than this date along with the publication of schedules required by law in a locally published newspaper.

No later than January 27th of each year, and in accordance with TEA published guidelines, the audit shall be transmitted electronically into the Public Education Information Management System (PEIMS).

Internal Auditing and Reporting – In accordance with Texas Education Code Section 11.170, consultants serving as the internal auditor shall report directly to the Board of Trustees. The internal auditor shall conduct internal audits on a rotational basis in accordance with the audit plan adopted annually by the Board of Trustees. The reports shall be of sufficient detail to identify areas of needed improvement and potential lapses of internal control. The internal audit staff, in conjunction with the finance staff and any other appropriate department of the District, shall make recommendations for improvement and develop improved financial processes based upon the prepared reports.

Each departmental director or campus principal is responsible for ensuring that good internal controls are adhered to throughout their organization and that all Financial Services procedures and policies are implemented. The Financial Services Department will periodically review and update written internal control processes and procedures.

Internal Risk Assessment – Departmental managers in the business area shall perform on-going risk assessments of their area of supervision to ensure that internal controls and business practices are sufficient to protect the assets of the District and prevent fraudulent activity.

VII. ASSET MANAGEMENT

Cash Management and Investments - The Board of Trustees has formally approved a separate Investment Strategy for Fort Bend ISD that meets the requirements of the Public Funds Investment Act (PFIA), Chapter 2256 of the Texas Local Government Code. This strategy is reviewed annually by the Board of Trustees and applies to all financial assets held by the District.

The District shall maintain a comprehensive cash management program to include the effective collection of all accounts receivable, prompt deposit of receipts to the District's depository and payment of obligations, and the prudent investment of idle funds in accordance with the approved investment strategy.

The District's investment program will be conducted in such a manner to accomplish the following listed in the order of priority:

1. Safety of principal
2. Liquidity and availability of cash to pay obligations when due
3. Receive the highest possible rate of return (yield) consistent with the District's investment strategy

Fixed Assets – These assets will be reasonably safeguarded, properly accounted for, and prudently insured. For purposes of budgeting and accounting classification, the following criteria must be met in order for an item to be capitalized:

1. The expected useful life of the asset must be longer than one year, or extend the life of an identified existing asset by more than one year
2. The original cost of the asset must be at least \$5,000
3. The asset must be tangible

On-going repairs and general maintenance are not capitalized. In the event that improvements are made to an asset that extends its original life or makes the asset more valuable, the cost will be capitalized. The replacement of asset components will normally be expensed unless it is of a significant nature and meets all capitalization criteria.

Business and Finance will maintain the permanent records of the District's fixed asset inventory including description, cost, department of responsibility, date of acquisition, depreciation, and expected useful life. Periodically random sampling at the department or campus level will be performed to inventory fixed assets assigned to that department or campus. Responsibility for safeguarding the District's fixed assets lies with the department or campus supervisor whose department has been assigned the asset.

VIII. DEBT MANAGEMENT

Fort Bend ISD faces continuing capital infrastructure requirements and recognizes that the primary purpose of capital debt is to provide educational services designed to meet the demands of the twenty first century. Debt financing is a tool that shall be judiciously used within the District's legal, financial, and debt market capacities.

The use of debt financing to meet the continued student population growth must be evaluated according to projected student growth by area, long-term facility efficiency, facility equity across the District, and limitations on total debt imposed by Texas Education Code Section 45.0031. The District realizes that failure to meet the demands of student growth may inhibit its continued educational success, but also realizes that failure to manage outstanding debt and repayment schedules may have long-term detrimental effects on the District's financial condition.

The District may issue long-term debt in accordance with Texas Education Code Section 45.001 for the following:

1. The construction, acquisition, and equipment of school buildings in the District.
2. The acquisition of property or refinancing of property financed under a contract entered under Subchapter A, Chapter 271, Local Government Code.
3. The purchase of the necessary sites for school buildings.
4. The purchase of new school buses.
5. The retrofitting of school buses with emergency, safety, or security equipment.
6. The purchase or retrofitting of vehicle to be used for emergency, safety, or security purposes.

The District will ensure that its long-term debt is soundly financed by conservatively projecting growth in taxable valuations and anticipated interest rates. The District will not finance improvements or purchases over a period greater than its estimated useful life and will determine that the cost benefit of the facilities, renovations, and equipment supported by the debt will have a positive impact on the District's student population and community.

The District shall, when planning for the issuance of new debt, consider the impact of such new debt on overlapping debt and the financing plans of local, state, and other governments that overlap the District. The District shall assess financial alternatives to include new and innovative financing approaches, including whenever feasible categorical grants, or other types of aid to minimize voter approved debt.

General Obligation Bonds (GO) – General obligation bonds must be authorized by a majority of the voters in a District election for the issuance of debt. General obligation bonds may be used only to fund capital assets of the District and are not to be used to fund on-going operational needs. The District shall determine the amortization schedule that will best fit with the overall debt structure of the District at the time the new debt is issued.

The District's unlimited debt service ad valorem taxing authority shall back general obligation bonds and the District shall endeavor to maintain the best possible credit rating for each debt issue. Where possible, the District shall also seek the guarantee of the Permanent School Fund for all debt issued.

Revenue Anticipation Notes – The District may issue fixed or variable rate tax and revenue anticipation notes that allow the District to meet its cash flow requirements. However, the District shall generally manage its cash position in a manner so that internally generated cash flow is sufficient to meet expenditures.

Lease-Purchase Agreements – Lease-purchase obligations are a routine and appropriate means of financing capital equipment. However, lease obligations are repaid from the District's maintenance and operations ad valorem tax and, therefore, have the greatest impact on budget flexibility. Therefore, efforts will be made to fund capital equipment directly through the budget process or with voter approved debt. Only the highest priority equipment purchases will be funded with lease obligations when it is determined that the cost benefit of such an arrangement is advantageous to the District.

Maintenance Tax Notes – The District may authorize the issuance of maintenance tax notes for the acquisition of personal public property, such as equipment. Maintenance tax notes are repaid from the District's maintenance and operations ad valorem tax. Each issuance will be assessed to ensure the cost effectiveness and the repayment schedule will not exceed the useful life of the asset and that the District has sufficient capacity in future budgets to ensure that the issuance does not place undue burden on the operating budget.

Use of Reserve Funds – The District may authorize the use of reserve funds to potentially delay or eliminate a proposed project from a future bond issue. This may occur due to higher than anticipated fund balances in prior years, thus eliminating or reducing the need for debt proceeds or when the timing of the related capital improvement does not correspond with a planned bond issue. Funds used in such manner should be used judiciously and with extreme care after careful analysis of the effect on the future funding needs of the District.

Method of Sale – The District will thoroughly analyze the conditions in the bond market prior to determining the method of sale that will be used to market bonds. The District may utilize a competitive bidding process, negotiated bid or private placement. The District will publicly present the reasons for the selected method of sale prior to the sale date.

Competitive sales shall be awarded based upon the lowest offered True Interest Cost (TIC). The District's Financial Advisor shall ensure that interest costs offered in a negotiated sale are in accordance with comparable market interest rates. In a negotiated sale, the District will rely on the recommendation of the Superintendent, Deputy Superintendent (if applicable), Chief Financial Officer, and the contracted Financial Advisor in the selection of the underwriter(s). The contracted financial advisory firm may not serve in an underwriting capacity.

Following the bid award, the financial advisor shall prepare a post-sale summary and analysis that documents the pricing of the bonds relative to other similar transactions priced at or near the time of the District's bond sale.

Private placement sales shall only be utilized when the sale must be structured for a single or limited number of purchasers, such as would be present in a Qualified Zone Academy Bond (QZAB) or Qualified School Construction Bond (QSCB) offering.

Debt Structuring – The District shall seek to repay its debt in an expeditious manner within the District's overall financial objectives and will issue bonds with an average life of no more than thirty (30) years, not to exceed the

useful life of the asset acquired. Pursuant to State law, the District can issue fixed rate, variable rate, or capital appreciation bonds. Market factors, such as the effects of legislative statutes, level of debt service fund balance, and the cost of early debt redemption will be given consideration during the structuring of long term debt instruments.

The District shall keep its variable rate exposure, to the extent not hedged or swapped to a fixed rate, at or below twenty-five percent (25%) of the total principal outstanding. If variable rate debt is used, the Chief Financial Officer will periodically, and no later than annually, determine whether it is appropriate to convert the debt to fixed interest rates.

The District issues commercial paper (which is variable rate debt by its nature) in blocks totaling up to \$150 million at a time. The District may exceed the 25% variable rate threshold, but only until that \$150 million of commercial paper is refunded by issuing fixed rate debt that would be expected to complete within a maximum time of six months.

Refunding and Restructuring Strategy – The District shall consider accelerated retirement and restructuring of its outstanding debt when financially advantageous or beneficial.

The Superintendent, Deputy Superintendent (if applicable), and Chief Financial Officer shall review a net present value analysis of any proposed refunding in order to make a determination regarding the cost-effectiveness of the proposal. The target net present value savings as a percentage of the refunded aggregate principal amount shall be no less than three percent (3%) when a refunding is offered in conjunction with new debt. In the case of a standalone refunding, savings should be evaluated in conjunction with the call dates of the outstanding bonds and a higher net present value savings should generally be achieved.

Financing Team Members – The District shall conduct a Request for Proposal (RFP) to determine the District's financial advisor and bond counsel when warranted. Generally, the District's contracts with financial advisors and bond counsel shall be for a term of three years with the option to renew for two additional one year periods. In all cases, the District will attempt to ensure that the contractual terms align with voter approved debt.

All financing team members will be required to provide full and complete disclosure relative to any and all agreements with other financing team members and outside parties. No agreements will be permitted that will compromise a firm's ability to provide independent advice that is solely in the best interest of the District or which could reasonably be perceived as a conflict of interest.

Markets – The District shall consider products and conditions in the bond market when meeting the District's financing needs. When practical in its financing program, the District shall consider local and regional markets as well as retail and institutional investors.

Disclosure – Full disclosure of operating costs along with capital costs will be made to the bond rating agencies and other users of financial information. The District shall follow the Disclosure Strategy as outlined in Exhibit A of the Fiscal and Budgetary Strategy.

The District shall maintain information on its website so that interested persons have a convenient way to locate major financial reports and documents pertaining to the District's finances and debt. The District will take responsibility for the accuracy of all financial information released.

The District shall prepare or cause to be prepared appropriate disclosures as required by the Securities and Exchange Commission Rule 15c2-12. District staff, with assistance of the financial advisor and bond counsel, will prepare the necessary materials for presentation to rating agencies and will aid in the production of the Preliminary Official Statements as required.

Federal Requirements – The District will maintain procedures to comply with arbitrage rebate and other Federal requirements in accordance with the Internal Revenue Code and applicable United States Treasury regulations.

Bond Reimbursement Resolution – The District may utilize reimbursements from bond proceeds as a tool to manage debt issues consistent with arbitrage requirements and project timing. In so doing, the District will utilize its

general fund reserve cash balances to delay the bond issue until such time when the issuance and timing are favorable and beneficial to the District.

The District shall comply with Internal Revenue Service requirements that stipulate that the reimbursement occur the earlier of (i) eighteen (18) months after the capital item is placed in service or (ii) thirty-six (36) months from the date of the expenditure. The total outstanding bond reimbursements may not exceed the total amount of the District's operational reserve fund.

Commercial Paper – In order to minimize the overall costs of borrowing, the District may issue short-term commercial paper as market conditions and cash flow needs for construction projects dictate. The maturity of the commercial paper should never exceed 270 days. The issuance of commercial paper can only be done for un-issued authorized voter approved debt. Any other issuance of commercial paper must have the approval of the Board of Trustees. The balance of outstanding commercial paper will be reported to the board on a quarterly basis.

Impact on Operating Budget – When considering any debt issuance, the potential impact of debt service and additional operating costs induced by new projects on the operating budget of the District, both short and long-term will be evaluated.

IX. FINANCIAL CONDITIONS, FUND BALANCE RESERVES, AND STABILITY RATIOS

Fort Bend ISD will maintain sufficient reserves in the ending fund balances to provide for a secure, healthy financial base for the District in the event of a natural disaster or other emergency, to allow for stability of District operations should revenues fall short of budgeted projections, and to provide available resources to implement budgeted expenditures without regard to actual timing of cash flows into the District.

Operational Coverage – The District's goal is to maintain operating revenues that at least equal or exceed current operating expenditures. Unless advantageous to the District, deferrals, short-term loans, or one-time sources will be avoided as budget balancing techniques.

Operating Reserves – Due to the timing of the District's fiscal year (July 1) and the receipt of maintenance and tax revenues (typically, December 31st), the District will strive to maintain an unassigned general fund balance equal to the greater of sixty (60) days or seventeen percent (17%) of the greater of the current year's anticipated adjusted budget operating expenditures or next year's net budgeted operating expenditures, if higher than the previous year. Unassigned fund balance requirements will be calculated as part of the annual budget process and will exclude TRS on behalf when calculating. In addition, non-recurring or one-time budget expenditures should be deducted from the calculation

In order to protect the district from a potential loss in state revenue, the district will commit at least thirty (30) days or eight and a third (8.33%) of the greater of the current year's anticipated adjusted budget operating expenditures or next year's net anticipated original budgeted operating expenditures to a Reserve for Potential Loss of State Revenue. When calculating the committed fund balance for potential loss of state revenue, TRS on behalf will be excluded from the calculation. In addition, non-recurring or one-time budget expenditures should be deducted from the calculation of Reserve for Potential Loss of State Revenue.

If operating reserves fall below the 60 days or seventeen percent (17%) in unassigned or below the 30 days or (8.33%) then strategies as more fully described V. Budget Contingency Plan above will be implemented. In addition, the District can utilize nonrecurring revenues, budget surpluses, excess resources in other funds (if legally permissible and there is a defensible rationale). The District shall make every effort to replenish the fund balances within one to three years.

The Board of Trustees will report the government fund balances per Governmental Accounting Standards Board (GASB) Statement 54 definitions in the balance sheet as follows: non-spendable, restricted, committed, assigned, and unassigned. The Board will utilize funds in the following spending order: restricted, committed, assigned, and then unassigned.

Unassigned fund balance is defined as the balance in excess of the optimum fund balance as defined by the Texas Education Agency and calculated annually in conjunction with the District's annual audit or the cash requirements

Fort Bend Independent School District
Fiscal and Budgetary Strategy

for two months operating expenditures. Usage of the unassigned fund balance shall be approached with caution after careful review of both the optimum fund balance and the cash flow needs of the District for the upcoming three-year period.

The Board of Trustees may establish commitments of fund balance from time to time in order to meet specific District needs. The purpose of commitments must be approved by the Board resolution prior to the fiscal year end but the amount of the commitment may be determined subsequent to June 30th. Amendments or modifications of the committed fund balance must also be approved by formal action of the Board.

Liabilities and Receivables – Procedures will be followed to maximize discounts and reduce penalties offered by creditors. Current liabilities will be paid within thirty (30) days of receiving the invoice. Accounts Receivable procedures will target collection for a maximum of thirty (30) days of service. To the extent allowable by law, non-collectible accounts that are delinquent for more than one year are considered uncollectible and shall be written off. To the extent allowable by law, patrons that owe the district money will be precluded from receiving district services. This includes patrons with open balances from Facility Rentals. Balances owed to the District can be submitted to a collection agency at the discretion of administration. A collection agency could be used for the all outstanding balance collections including, but not limited to the following:

- a. Unpaid facility rental fees
- b. Overpayments to former employees
- c. Unpaid Child Nutrition balances
- d. Unpaid advertising fees
- e. Unpaid tuition for Extended Learning programs

Capital Projects Funds – All reasonable efforts will be made to expend all monies within the Capital Project Funds within thirty-six (36) months of receipt. The restricted, committed, and assigned fund balance will be invested and the income generated will offset increases in construction costs or other costs associated with the project. Any excess funds remaining after the completion of the approved projects may be reallocated by the Board of Trustees to other capital projects to offset the cost of future bond issues or when the timing of a capital improvement does not correspond with a planned bond issue. Restricted, committed, or assigned funds shall be used judiciously and with extreme care after careful analysis of the effect on the future funding needs of the District.

Debt Service Funds – Revenues within this fund are stable, based on property tax revenues. Balances are maintained to meet contingencies and to make certain that the next year's debt service payments may be met in a timely manner. The fund balance should not fall below one month or 1/12th the annual debt service requirements in accordance with Internal Revenue Service guidelines.

Investment of Funds – The non-spendable, restricted, committed, assigned, and unassigned funds will be invested in accordance with the District's approved investment strategy.

Ratio/Trend Analysis – Ratios and significant balances will be incorporated into the annual financial report. This information will provide users with meaningful data to identify major trends of the District's financial condition through analytical procedures. The following ratios/balances will be used as key financial indicators:

- | | |
|---------------------------|---|
| 1. Fund Balance / Equity: | Assets less liabilities |
| 2. Working Capital | Current assets less current liabilities |
| 3. Current Ratio | Current assets divided by current liabilities |
| 4. Debt / Assessed Value | Debt divided by assessed value |
| 5. Debt Ratio | Current liabilities plus long-term liabilities / Total assets |

The District will develop minimum and maximum levels for the above ratios/balances by thoroughly analyzing District historical trends, projected growth and peer districts.

Special Situations - Changes in the state funding allocations, economic downturn, District programs or other unforeseen circumstances may from time to time produce situations that are not covered by this strategy. These situations may require modifications or exceptions to achieve strategy goals. Management flexibility is appropriate and necessary in such situations, provided specific authorization is received from the Board of Trustees.

X. OTHER FINANCIAL CONSIDERATIONS

Use of Unclaimed Lunch Credits - At the close of each fiscal year there are unpaid lunch balances as well as unclaimed lunch credits. The balances and credits are typically left by students who have left the district or graduated. Unpaid balances are charged to the General Fund as Federal statutes prevent the Child Nutrition Fund from absorbing these balances. At the close of each fiscal year, the unclaimed credits will be used to offset the unpaid balance amounts to avoid a negative financial impact to the General Fund. If a student or parent requests a refund of the credit after the amount has been used to offset the unpaid balances in the General Fund, a refund will be paid from the General Fund where the credits were used.

Designation of New Title I Campuses - The District is charged by the U.S. Department of Education and Texas Education Agency with deciding where to best utilize federal funding to have the greatest impact on student academic performance. Texas Education Agency allocates funding to the District based on a formula that includes district-wide poverty; therefore, designating additional campuses does not increase the federal funding received. The District follows all statutes and timelines when choosing to designate a campus as Title I. Aligned with current research and best practices, the District channels the majority of federal funds into the elementary level where it is most impactful.

The District planning process for reviewing campuses for Title I eligibility begins in March of each year. The District utilizes the February monthly report compiled by the Child Nutrition Department containing enrollment and free and reduced meal participation numbers to determine campuses that meet eligibility requirements. February data is used because it is the most recent period for which a full month of enrollment and free and reduced meal participation information is available.

A campus must be in an eligible attendance area, where the percentage of children from low income families is at least as high as the district-wide percentage of children from low income families, as referenced in 20 U.S.C. 6313(a)(2)(B). The district-wide percentage of low-income students from the Texas Academic Performance Report for the prior year is used to establish eligible attendance areas. Attendance areas that meet or exceed the district-wide percentage are considered for Title I designation.

The District chooses which campuses to serve, or allocate funding, within the structure of Federal statutes. If the funding is insufficient to serve all eligible school attendance areas, the District must:

- a. Rank the eligible attendance areas that exceed a 75% low income population based on February information compiled by the Child Nutrition Department, Section 1113 of Title I, Part A. Serve campuses that exceed 75% low income population first, in rank order, and without regard to grade spans (i.e. elementary or secondary schools) 20 U.S.C. 6313(a)(3).
 - i. If a campus exceeds a 75% low income population, the District can choose to not designate the campus as Title I and elect to provide supplemental funds from other state or local sources that equal or exceed the amount that would be provided to the campus under Title I.
 - ii. Allocate Title I funds based on the free and reduced numbers for each campus.
- b. Funds remaining after the allocation to campuses that exceed 75% low income population are allocated to existing Title I campuses that do not exceed the 75% low income population and meet the district threshold for being an eligible attendance area 20 U.S.C. 6313(a)(4). Allocation of remaining funds is done as follows:
 - i. Remaining eligible Elementary campuses are ranked using the February Free and Reduced Report information compiled by the Child Nutrition Department; campuses with a Free and Reduced percentage based on February data with a rate of 70% or greater receive Title I.

- ii. Secondary campuses are not served until they have a low-income population greater than 75%, based on the District's decision to provide funding at the elementary level where it is most impactful.

EXHIBIT A

DISCLOSURE STRATEGY PURPOSE AND INTENT

It is the stated policy and objective of Fort Bend Independent School District (the "District") to (i) ensure that the District's financial disclosures are fair and accurate, and comply with all applicable securities laws, (ii) satisfy in a timely manner all contractual obligations undertaken pursuant to the District's Continuing Disclosure Undertakings (as defined herein), and (iii) promote best practices relating to financial disclosures by the District.

The Board of Trustees has approved this Disclosure Strategy (referred to herein as the "Procedures") as of the date set forth above for the purpose of establishing, maintaining, and evidencing compliance with internal procedures, promoting compliance with securities laws, documenting the process for preparing and reviewing Disclosure Documents, and assisting the District in complying with its Continuing Disclosure Undertakings.

It is the intention of the District to modify or amend these Procedures in the future in order to comply with any changes in legal or regulatory requirements to the extent such changes may apply to the District and its obligations, or improve the realization of the purpose and intent of these Procedures.

I. DEFINITIONS

Capitalized terms used in these Procedures shall have the meanings set forth below:

"Auditor" means the independent outside auditor retained by the District to conduct an annual audit of the District and prepare a report thereon.

"Annual Report" means the annual financial information and operating data required to be filed pursuant to the Continuing Disclosure Undertakings.

"Annual Review" means the annual evaluation of the Procedures that is performed by the DWG.

"Periodic Training" means periodic disclosure training for staff and officials of the District involved in preparing or approving the Disclosure Documents.

"Audit Committee" means the Audit Committee of the Board of Trustees.

"Audited Financial Statements" means the audited financial statements or comprehensive annual financial reports of the District.

"Board of Trustees" means the Board of Trustees of the District.

"Bond Counsel" means the attorney or law firm retained to provide an opinion regarding the validity of the bonds or other municipal securities described in the Offering Documents.

"Continuing Disclosure Undertakings" means the District's contractual obligations relating to its outstanding securities entered into to permit the underwriters of such securities to comply with the Rule.

“Continuing Disclosure Undertakings Master List” means a current list of each Continuing Disclosure Undertaking of the District, identified by name of the issue covered and the CUSIP numbers associated therewith, for which the District remains obligated to advance funds to pay or support the municipal securities covered, together with a description of the tables and other matters required in the Annual Report for such Continuing Disclosure Undertaking, the date on or before which the Annual Report and Audited Financial Statements must be filed, a description of information required in any notice of a failure to file the Annual Report and Audited Financial Statements, and a description of each event for which notice must be filed and whether the event must be filed in a timely manner or within ten business days of the occurrence of the event.

“Contributors” means those District staff members and officials involved in preparing or approving the Disclosure Documents or additional staff members assigned by the DWG Chair or identified to the DWG Chair by a director or manager of a department, or other unit of the District, to assist with the review or preparation of one or more sections of a Disclosure Document.

“Disclosure Document” means any of the District’s documents and materials prepared, issued, or distributed in connection with the District’s disclosure obligations under applicable federal securities laws or that could potentially subject the District to liability under applicable federal securities laws, and shall include, but not be limited to, the following: the Offering Documents; the Annual Report; any filing made by the District with EMMA pursuant to Continuing Disclosure Undertakings, including an Event Notice; any voluntary filing made by the District that is filed on EMMA; rating agency presentations; and any other document that is reviewed and approved in accordance with these Procedures.

“Disclosure Working Group” or “DWG” means the District’s Chief Financial Officer, Executive Director of Finance, Director of Finance, District Treasurer, and in-house General Counsel, or the designee of any of the foregoing.

“Disclosure Working Group Chair” or “DWG Chair” means the Chief Financial Officer (or the person acting in the capacity of the Chief Financial Officer), or a designee authorized by the Chief Financial Officer to act on his or her behalf.

“EMMA” means the Electronic Municipal Market Access system maintained by the MSRB.

“Event Notice” means a notice for any of the events listed in the Rule.

“Financial Advisor” means an individual or firm providing financial advice to the District, including a municipal advisor.

“Financial Obligation” means a: (A) debt obligation; (B) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (C) guarantee of (A) or (B). The term Financial Obligation does not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule. The terms used in the definition of Financial Obligation have the meanings ascribed to them in 83 F.R. 44700 (Aug. 31, 2018).

“Financial Obligations Master List” means a list of the District’s existing Financial Obligations. The Financial Obligations Master List should include for each Financial Obligation listed such terms of the Financial Obligation as may be necessary to comply with the information reporting requirements of event (15) under the Rule and monitoring requirements of event (16) under the Rule. The Financial Obligations Master List should be updated on a continuing basis upon incurrence of each new Financial Obligation or modification of an existing Financial Obligation.

“Financing Group” means the members of the DWG, Bond Counsel, the Financial Advisor, the Underwriter, counsel to the Underwriter, and any other party engaged by the District to assist in the offer, placement, and sale of the bonds or municipal securities described in an Offering Document.

“MSRB” means the Municipal Securities Rulemaking Board.

“Offering Documents” means all preliminary and final official statements, offering memoranda and other materials prepared by or for the District, together with any amendments or supplements thereto, for use in connection with the offering of notes, bonds, other municipal securities, or other obligations of the District subject to the antifraud provisions of federal securities law.

“Required Date” means the latest date or dates after the end of the District’s fiscal year when the Audited Financial Statements and Annual Report are required to be filed with the MSRB under the District’s Continuing Disclosure Undertakings, as identified by the Continuing Disclosure Undertakings Master List.

“Rule” means Securities and Exchange Commission Rule 15c2-12, adopted pursuant to the Securities Exchange Act of 1934, 17 CFR § 240.15c2-12, as amended from time to time.

“Underwriter” means the broker, dealer, or municipal securities dealer offering or placing the bonds or other municipal securities described in the Offering Documents to or with investors.

II. DISCLOSURE WORKING GROUP

A. DWG CHAIR RESPONSIBILITIES

The DWG Chair is responsible for oversight of compliance with these Procedures. The DWG Chair is the leader of the DWG.

The DWG Chair may designate staff or engage the Financial Advisor, Bond Counsel or other professional to assist in the execution of his or her responsibilities under these Procedures.

B. DWG RESPONSIBILITIES

The DWG is responsible for compliance with these Procedures and promoting compliance with federal securities laws.

The DWG shall meet (which meeting may be by phone or electronic means) not less than annually to fulfill its obligations under these Procedures. The DWG shall also meet (which meeting may be by phone or electronic means) prior to the posting of any Disclosure Document relating to the issuance of bonds. The DWG is encouraged to provide suggestions to improve these Procedures and the Disclosure Documents. The DWG may consult with Bond Counsel, the Financial Advisor, and the Auditor as necessary in connection with carrying out their obligations under these procedures.

Contributors, staff, and officials must cooperate with the DWG and provide the DWG with any information, assurances or certifications that it deems necessary to ensure that the Disclosure Documents are accurate and complete in all material respects.

III. DISCLOSURE PROCEDURES

A. PRIMARY DISCLOSURE

The following process will be used in connection with reviewing the form and content of Offering Documents and any supplements thereto.

1. DWG CHAIR

- The DWG Chair will coordinate with the members of the DWG to:
 - (i) ensure that all appropriate members of the DWG are included on the

distribution lists of the Financing Group, (ii) assign portions of the Offering Documents, including appendices, to members of the DWG or Contributors with responsibility for the financial information or operating data described therein, and (iii) assign relevant portions of the Offering Document to Bond Counsel for review.

2. OFFERING DOCUMENT REVIEW PROCESS

- Unless the District has contracted with another party to provide such services, the Financial Advisor will prepare the initial draft of the Offering Document and appendices thereto for review by the DWG and Financing Group and manage the incorporation of comments to the Offering Document received from the DWG, Contributors and the Financing Group.
- The District Treasurer, with the assistance of the Financial Advisor, will be responsible for compiling the financial information and operating data contained in the tables in the Offering Document and assigning such information and operating data to the members of District's staff with responsibility for such financial information or operating data for review and comment.
- If the Offering Document will be a "final official statement" as defined in the Rule, the District Treasurer will be responsible for coordinating, with the assistance of the Financial Advisor, a review of the District's compliance with its Continuing Disclosure Undertakings for the past five years and reviewing the information regarding the same in the Offering Document. Such review shall include a review of the Continuing Disclosure Master List, the Financial Obligation Master List, and the District's filings with EMMA for the preceding five years to determine whether any failures to comply have occurred. The DWG will consider any identified failures to comply and may consult with Bond Counsel regarding whether the disclosure of any such failures is required in the Offering Document and the contents of any such disclosure. To the extent practicable, remedial filings with respect to any such failures to file shall be prepared and filed in accordance with these Procedures.
- The District's in-house General Counsel will review and, if necessary, consult with District staff and other consultants or attorneys regarding disclosures contained in the Offering Document related to litigation, ongoing investigations and other general legal matters.
- The Chief Financial Officer or his or her designee, with the assistance of the DWG, will be available to respond to diligence questions during the preparation of the Offering Documents.
- Bond Counsel will review and comment on disclosures related to the order or resolution authorizing the debt obligations, the description of the continuing disclosure undertaking, and federal income tax considerations contained in the Offering Document.
- The DWG will consult with Contributors and other appropriate District officials, the Auditor, the Financial Advisor, Bond Counsel, and other outside consultants, if necessary, regarding the disclosure in the Offering Documents.

- The DWG must approve the final version of an Offering Document prior to the approval or execution of the Offering Document by the DWG Chair or other District Official or the posting or distribution of the Offering Document when such approval or execution is not required. Before final approval, the DWG must determine that the material facts described therein are consistent with those known to the DWG, and that the final version of the Offering Document (1) does not make any untrue statement of a material fact or omit any material fact necessary to make the statements made therein, in light of the circumstances in which they are made, not misleading, and (2) is accurate and complete in all material respects.
- Approval of an Offering Document shall be evidenced by written sign-off (which may be delivered by e-mail) from each member of the DWG with responsibility for the disclosure provided in the Offering Document. The DWG Chair should retain the written sign-offs received from such members of the DWG in accordance with the District's records retention policy. In circumstances in which approval or execution by the District or a District official other than the DWG Chair is not required, the DWG Chair will authorize the distribution of the Offering Document.
- If requested by the Board of Trustees or any District official signing the Offering Document or approving its use, the DWG Chair will certify that (i) the Offering Document has been prepared in accordance with these Procedures and (ii) to the knowledge of the DWG and the DWG Chair, the Offering Document is accurate and complete in all material respects and does not make any untrue statement of a material fact or omit any material fact necessary to make the statements made therein, in light of the circumstances in which they are made, not misleading. This process may occur with respect to: (1) posting or other distribution of (i) a preliminary Offering Document, and deeming final thereof, (ii) a final Offering Document, and (iii) any supplement or amendment to a preliminary or final Offering Document, and (2) execution of (i) any purchase agreement or (ii) closing document by an District official containing a representation, warranty, or certification that the Offering Document is accurate and complete in all material respects and does not make any untrue statement of a material fact or omit any material fact necessary to make the statements made therein, in light of the circumstances in which they are made, not misleading.
- The DWG Chair will keep a record of the members of the DWG, the Financing Group, Contributors or other outside consultants that reviewed, drafted, approved or certified the Offering Document.

3. REPORT TO THE BOARD OF TRUSTEES

- Following each transaction pricing and the posting of the final official statement, the DWG will provide the Board of Trustees with a summary of the pricing, a copy of the final official statement containing the Continuing Disclosure Undertaking entered into in connection with such transaction, and a statement that the Offering Documents for the transaction were prepared in accordance with these Procedures.

B. CONTINUING DISCLOSURE

In connection with the issuance of municipal securities, the District has entered into (and in the future may enter into) a Continuing Disclosure Undertaking for the benefit of the holders and

beneficial owners of the municipal securities of each such issuance, as required by the Underwriters in accordance with the Rule. The District is required to comply with these Continuing Disclosure Undertakings for so long as it remains obligated to advance funds to pay or support the municipal securities covered by the respective Continuing Disclosure Undertaking.

Under the Continuing Disclosure Undertakings, the District is obligated to provide (1) annual financial information consisting of (i) Audited Financial Statements and (ii) the Annual Report on or before the date specified in the Continuing Disclosure Undertaking, and notice of any failure to provide such annual financial information, and (2) in a timely manner, notice of any of the events specified in the Continuing Disclosure Undertaking to the MSRB by means of the EMMA system.

The District Treasurer will maintain the Continuing Disclosure Undertakings Master List of the District.

1. AUDITED FINANCIAL STATEMENTS

- The Director of Finance will work with relevant officials of the District to assure that the engagement letter with the Auditor requires completion and delivery by the Auditor of the District's annual Audited Financial Statements with sufficient time to permit the presentation to and acceptance by the District of the Audited Financial Statements and for the DWG to review and incorporate data and other information provided therein into the Annual Report prior to the respective Required Date.
- The Financial Advisor will file the Audited Financial Statements with EMMA upon availability or together with the Annual Report, provided such filing occurs on or before the respective Required Date. The Director of Finance or his or her designee shall be responsible for confirming that such filings have been made.
- If the Audited Financial Statements are not available by the Required Date, the Director of Finance will (i) if required under the District's Continuing Disclosure Undertakings, arrange for the review by the DWG and filing of unaudited financial statements with such cautionary statements and disclaimers as may be appropriate on or before the Required Date or as soon as practicable thereafter, and (ii) coordinate with Bond Counsel and the Financial Advisor for the drafting of and with the Financial Advisor for the filing of an Event Notice, in conformity with the failure to file notice provisions of the Continuing Disclosure Undertakings, stating that the Audited Financial Statements are not yet available and will not be filed by the Required Date. When the Audited Financial Statements become available, the Director of Finance shall make arrangements with the Financial Advisor for the filing of such Audited Financial Statements on EMMA and confirm that such filing was made.

2. ANNUAL REPORT

- The Director of Finance, with the assistance of the Financial Advisor, will schedule the preparation and drafting of the Annual Report with the DWG in time to file the Annual Report on or before the Required Date.
- The Director of Finance, with the assistance of the Financial Advisor, will assign drafting portions of the draft Annual Report, as appropriate, to DWG members and Contributors with responsibility for the financial information or operating data described therein.

- The DWG will review, comment on, and revise the initial and any subsequent drafts of the Annual Report; check, confirm and include or incorporate by reference, as appropriate, information contained in the Audited Financial Statements, and such other reports as required; and consult with appropriate staff and officials, the Auditor, Bond Counsel, the Financial Advisor and other outside consultants, if necessary, regarding the disclosure in the Annual Report.
- The DWG must approve of the final version of the Annual Report. Before final approval, the DWG must determine that the material facts described therein are consistent with those known to the DWG, and that the final version of the Annual Report (1) does not make any untrue statement of a material fact or omit any material fact necessary to make the statements made therein, in light of the circumstances in which they are made, not misleading, and (2) is accurate and complete in all material respects.
- Prior to releasing the Annual Report, the DWG Chair must receive written sign-off (which may be delivered by email) from each member of the DWG with responsibility for the disclosure provided in the Annual Report. The DWG Chair should retain the written sign-offs received from such members of the DWG in accordance with the District's records retention policy.
- If the Annual Report is not available by the Required Date, the Director of Finance shall coordinate with Bond Counsel and the Financial Advisor for the drafting of and with the Financial Advisor for the filing of an Event Notice, in conformity with the failure to file notice provisions of the Continuing Disclosure Undertakings, stating that the Annual Report is not yet available and will not be filed by the Required Date. When the Annual Report becomes available, the Director of Finance shall make arrangements with the Financial Advisor for the filing of such Audited Financial Statements on EMMA and confirm that such filing was made.

3. EVENT NOTICES

In its Continuing Disclosure Undertakings, the District is obligated to file notices of certain events on EMMA in a timely manner (in certain undertakings within ten business days) after the occurrence of the event, as set forth in the Continuing Disclosure Undertakings Master List. While the list of required event notices required under the District's Continuing Disclosure Undertakings has varied with changes in the Rule, a copy of the events for which event notices are required under the District's most recent Continuing Disclosure Undertakings and reflecting the amendments to the Rule that became effective in 2019 is attached hereto as **Attachment #1**.

A. EVENT NOTICES – GENERAL

- Each member of the DWG is expected to have an understanding of the events listed in the Continuing Disclosure Undertakings, as described in the Continuing Disclosure Undertakings Master List.
- At all times a DWG member is required to notify the DWG Chair if he or she becomes aware of any event or potential for the occurrence of an event described in the Continuing Disclosure Undertakings Master List that may require the filing of an Event Notice.

- The DWG shall identify District departments responsible for information relating to the District's Continuing Disclosure Undertakings and Event Notices. The DWG shall require all departments in the District to promptly notify the DWG regarding the occurrence of any event or the potential occurrence of an event triggering a requirement to file an Event of Default.
- Upon notification of the occurrence of an event or potential occurrence of an event that may require filing of an Event Notice, the DWG Chair will confer with members of the DWG, as well as District staff, Bond Counsel, the Financial Advisor and other outside consultants, if necessary, to determine whether an event has occurred and, if necessary, draft or assign the drafting of the Event Notice in sufficient time to allow the District to meet its continuing disclosure obligations described in the Continuing Disclosure Undertakings Master List.
- The DWG Chair will provide the DWG with a draft of the Event Notice and the DWG will review, revise, and comment on initial and revised drafts of the Event Notice. The DWG will consult with Contributors and other appropriate District staff and officials, the Auditor, Bond Counsel, the Financial Advisor and/or other outside consultants they deem necessary regarding the Event Notice.
- Before final approval, the DWG must determine that the material facts described in the Event Notice are consistent with those known to the DWG, and that the final version of the Event Notice (1) does not make any untrue statement of a material fact or omit any material fact necessary to make the statements made therein, in light of the circumstances in which they are made, not misleading, and (2) is accurate and complete in all material respects.
- Prior to releasing the Event Notice, the DWG Chair must receive written sign-off (which may be delivered by email) from each member of the DWG with responsibility for the disclosure provided in the Event Notice. The DWG Chair should retain the written sign-offs received from such members of the DWG in accordance with the District's records retention policy.
- If the DWG becomes aware of an Event Notice that was not filed, the DWG Chair will follow the process described above to promptly file such Event Notice.

B. EVENT NOTICES – FINANCIAL OBLIGATIONS

Beginning February 27, 2019, in connection with any primary offering subject to the Rule, the District will be required to include in Continuing Disclosure Undertakings an agreement to file, not in excess of ten business days, an Event Notice for: (15) incurrence of a Financial Obligation of the District, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the District, any of which affect security holders, if material; and (16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the District, any of which reflect financial difficulties. The terms used in events (15) and (16) shall have the meanings ascribed to them in 83 F.R. 44700 (Aug. 31, 2018).

- Each member of the DWG is expected to have an understanding of new events (15) and (16) under the Rule.
- The DWG will, in consultation with Bond Counsel and the Financial Advisor, be responsible for: (i) identifying existing material Financial Obligations; (ii) tracking new material Financial Obligations, including amendments thereto; and (iii) monitoring Financial Obligations for events which may reflect financial difficulties.
- To assist in monitoring compliance with new events (15) and (16), the DWG Chair and the DWG will create the Financial Obligations Master List, with the assistance of the Financial Advisor, Bond Counsel, and other outside consultants, as the DWG Chair and DWG deem appropriate.
- The DWG Chair will maintain and update the Financial Obligations Master List, and upon approval of the DWG and the District, may retain a Financial Advisor or other outside consultants, as may be necessary, to effectively maintain and continuously update such Master List as well as to make all filings required to be made by the District under the Continuing Disclosure Undertakings.
- The DWG Chair shall review District agenda items in order to identify potential Financial Obligations (or a modification of an existing Financial Obligation) and shall follow-up with the individual responsible for the agenda item to determine if the item rises to the level of disclosure. For purposes of this section, at a minimum, items to be considered by the DWG as a potential “Financial Obligation” shall include, but are not limited to:
 1. A debt obligation;
 2. A derivative instrument entered into in connection with or pledged as security or a source of payment for, an existing or planned debt obligation;
 3. A guarantee of (1) or (2);
 4. A financing agreement, financing lease or energy savings performance contract where the District effectively borrows money at a rate of interest for the purchase of vehicles and equipment and pays back such borrowing over a number of years;
 5. A line of credit, credit agreement or commercial paper program; and
 6. Any other instrument that contains “debt-like” features or terms.
 - 7.
- The DWG shall review all potential Financial Obligations for materiality and recommend to the DWG chair whether filing is required. For purposes of this section, a determination as to the materiality of a potential Financial Obligation involves a determination as to whether a financial obligation or the terms of a financial obligation, if they affect security holders, would be important, to the total mix of information made available to a reasonable investor when making an investment decision.

- At all times the DWG members are required to notify the DWG Chair if they become aware of the occurrence or potential occurrence of events, amendments or new agreements, or other items that would constitute new events (15) and (16) under the Rule. If a DWG member provides such notice or the DWG Chair otherwise becomes aware of such actual or potential event, the DWG Chair will follow the steps under “Section IV(B)(3)(A) Event Notices – General” of these Procedures in determining whether an event has occurred and, if necessary, the drafting and filing of the Event Notice and related record-keeping.

C. VOLUNTARY FILINGS WITH EMMA

- If District staff or officials desire to file a voluntary disclosure filing on EMMA, the staff or officials must make a request to the DWG Chair describing the reason for providing a voluntary disclosure. The DWG Chair will coordinate with the DWG, Bond Counsel and the Financial Advisor to determine whether a voluntary filing is appropriate and, if so, draft or assign the drafting of the voluntary disclosure filing.
- The DWG Chair will provide the DWG with a draft of the voluntary filing and the DWG will review, revise, and comment on initial and revised drafts of the voluntary filing. The DWG will consult with Contributors and other appropriate District staff and officials, the Auditor, the Financial Advisor, Bond Counsel, and other outside consultants, if necessary, regarding the voluntary filing.
- The DWG must approve of the final version of the voluntary filing. Before final approval, the DWG must determine that the material facts described therein are consistent with those known to the DWG, and that the final version of the voluntary filing (1) does not make any untrue statement of a material fact or omit any material fact necessary to make the statements made therein, in light of the circumstances in which they are made, not misleading, and (2) is accurate and complete in all material respects.
- Approval of a voluntary filing shall be evidenced by written sign-off (which may be delivered by e-mail) from each member of the DWG with responsibility for the disclosure provided in the voluntary filing. Upon receipt of sign-off from such members of the DWG, the DWG Chair shall file the voluntary filing with EMMA. The DWG Chair should retain the written sign-offs received from members of the DWG in accordance with the District’s records retention policy.

D. RATING AGENCY PRESENTATIONS

- In the event officials of the District are to make a presentation to a rating agency relating to the rating of outstanding or proposed municipal securities, the DWG Chair will assign portions of the draft rating agency presentation to DWG members and Contributors with responsibility for the financial and other information to be provided therein and to Bond Counsel and the Financial Advisor, as appropriate.
- The DWG will consult with Contributors and other appropriate District staff and officials, the Auditor, the Financial Advisor, Bond Counsel, and other outside consultants, if necessary, regarding the disclosure in the rating agency presentation. The DWG will review, revise, and comment on initial and revised drafts of the rating agency presentation.
- The DWG must approve the final version of any rating agency presentation prior to delivery to a rating agency. Before final approval, the DWG must determine that the

material facts described therein are consistent with those known to the DWG, and that the final version of the rating agency presentation (1) does not make any untrue statement of a material fact or omit any material fact necessary to make the statements made therein, in light of the circumstances in which they are made, not misleading, and (2) is accurate and complete in all material respects.

- Approval of a rating agency presentation shall be evidenced by written sign-off (which may be delivered by e-mail) from each member of the DWG with responsibility for the disclosure provided in the rating agency presentation. Upon receipt of sign-off from such members of the DWG, the DWG Chair shall provide the rating agency presentation to the rating agency. The DWG Chair should retain the written sign-offs received from members of the DWG in the in accordance with the District's records retention policy.

IV. ANNUAL REVIEW OF PROCEDURES

- Each year the DWG will conduct the Annual Review. The purpose of the Annual Review is for the DWG to evaluate the design, operation and effectiveness of these Procedures.
- Following the Annual Review, the Procedures will be submitted to the Board of Trustees for review. If the DWG recommends any substantive amendment to these Procedures, the DWG Chair will prepare a written summary of such amendment and deliver such summary to the Board of Trustees together with the recommendations of the DWG. Any amendments to the Procedures will be discussed with Bond Counsel.
- In addition to a recommendation to amend these Procedures made in the Annual Review, the DWG, the DWG Chair, and any official or staff involved in preparing or approving the Disclosure Documents may at any time recommend an amendment to the Procedures.
- Following receipt of the recommendation for an amendment, the DWG will convene a meeting (which may be by phone or electronic means) to discuss the proposed amendment and determine whether such amendment should be approved. Any amendments to the Procedures will be discussed with Bond Counsel. If the DWG recommends that the Board of Trustees make any substantive amendment to these Procedures, the DWG Chair will prepare a written summary of such amendment and deliver such summary to the Board of Trustees together with the recommendations of the DWG.

V. PERIODIC TRAINING

- The District will provide Periodic Training for all staff and officials involved in preparing or approving the Disclosure Documents, including members of the DWG authorizing or participating in the preparation of or approval of any Offering Document for dissemination. The Periodic Training should be prepared by or with the assistance of Bond Counsel.
- The Periodic Training will generally include an overview of these Procedures, the disclosure obligations of the District under federal and state securities laws, and the responsibilities and potential liabilities of the staff and officials involved in preparing or approving the Disclosure Documents.
- All staff and officials involved in preparing or approving the Disclosure Documents are required to attend the Periodic Training or obtain comparable training approved by the DWG Chair.
- The DWG Chair will keep a record of those that attend the Periodic Training and maintain such record in accordance with these Procedures.

VI. INTERNAL USE ONLY

- These Procedures are intended for internal use only and are not intended to establish any duties in favor of or rights of any person other than the District.

Attachment #1

Example Event Notice Requirements

(Reflecting Amendments to the Rule that Became Effective on February 27, 2019)

Event Notices.

- (a) The District shall provide the following to the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner not in excess of ten (10) business days after the occurrence of the event, notice of any of the following events with respect to the Bonds:

- (1) Principal and interest payment delinquencies;
- (2) Non-payment related defaults, if material;
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) Substitution of credit or liquidity providers, or their failure to perform;
- (6) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (7) Modifications to rights of the holders of the Bonds, if material;
- (8) Bond calls, if material, and tender offers;
- (9) Defeasances;
- (10) Release, substitution, or sale of property securing repayment of the Bonds, if material;
- (11) Rating changes;
- (12) Bankruptcy, insolvency, receivership or similar event of the District;

Note to paragraph 12: For the purposes of the event identified in paragraph 12 of this section, the event is considered to occur when any of the following occur: the

appointment of a receiver, fiscal agent or similar officer for the District in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the District, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District.

- (13) The consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (14) Appointment of successor or additional paying agent/registrar or the change of name of a paying agent/registrar, if material;
- (15) Incurrence of a Financial Obligation of the District, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the District, any of which affect security holders, if material; and
- (16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the District, any of which reflect financial difficulties.

Note to paragraphs (15) and (16): For purposes of the events identified in paragraphs (15) and (16) of this section and in the definition of Financial Obligation in Section 1.01, the District intends the words used in such paragraphs to have the meanings ascribed to them in SEC Release No. 34-83885 dated August 20, 2018 (the “2018 Release”) and any further written guidance provided by the SEC or its staff with respect to the amendments to the Rule effected by the 2018 Release.”

The District shall provide to the MSRB, in an electronic format as prescribed by the MSRB, in a timely manner, notice of a failure by the District to provide financial information and operating data (i.e. Annual Reports and Audited Financial Statements) in accordance with the requirements of the applicable Order. All documents provided to the MSRB should be accompanied by identifying information as prescribed by the MSRB.

Additionally, if the District changes its fiscal year, it must notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the District otherwise would be required to provide its Annual Reports and Audited Financial Statements.

Recommendation

Consideration and approval of a resolution for the district's investment strategy and authorization of investment brokers for the District.

Summary

The Public Funds Investment Act (PFIA), Chapter 2256 of the Texas Government Code, governs the rules and regulations regarding the District's investment of funds. PFIA requires the Board to review the District's investment strategy at least annually.

The District is required to invest its funds in accordance with PFIA and provide guidance to potential investors with respect to the types and amounts of allowable instruments. The Government Treasurer's Organization of Texas (GTOT) recognized the investment strategy as a best practice in August 2024 for the sixth consecutive bi-annual period. The attached Resolution approves the attached investment strategy that the Board last approved on September 18, 2023.

The table below reflects the changes made to the Investment Strategy.

Page	Change	Rationale
5	Replace "Investment Officers" with "Board of Trustees" for approval of qualified broker/dealers and financial institutions	The purpose of the proposed change is to align the wording of the District's annual review process with the PFIA Sec. 2256.025.

PFIA also requires the District to obtain Board of Trustee approval of authorized brokers annually. Prior to purchasing government securities, the District takes quotes from a minimum of three brokers. The District has identified the following six brokers/dealers as firms that provide competitive pricing and yield for prospective investments:

BOSC, Inc.	Mischler Financial Group
FHN Financial	PNC Capital Markets LLC
Hilltop Securities, Inc.	Stifel, Nicolaus & Co., Inc.

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

POLICY

The Fort Bend Independent School District (the District) shall invest funds in a manner that will provide the maximum security and the best commensurate yield while meeting the daily cash flow demands of the District and conforming to all federal, state and local statutes, rules and regulations governing the investment of public funds including the Public Funds Investment Act, Chapter 2256 of the Texas Government Code. This Strategy sets forth the investment program of the District and the guidelines to be followed in achieving its objectives.

Not less than annually, the Fort Bend Independent School District Board of Trustees shall adopt a written instrument by resolution stating that it has reviewed the Investment Strategy and that the written instrument so adopted shall record any changes made.

SCOPE

This strategy governs the investment of all funds of the District except those that are not directly managed by the authority of the Board of Trustees. This Strategy shall be made available to anyone who has management responsibility for any District funds, and in the absence of their specific investment strategy, or not otherwise being governed by state law, this Strategy shall prevail.

Funds covered by this Strategy are as follows:

GENERAL FUNDS	This fund usually includes transactions as a result of revenues from local maintenance taxes, payments in lieu of taxes, foundation entitlements, and other Foundation School Program sources.
SPECIAL REVENUE FUNDS	Special revenue funds are governmental funds used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.
DEBT SERVICE FUNDS	A debt service fund is a governmental fund, with budgetary control, that must be used to account for general long-term debt principal and interest for debt issues and other long-term debts for which a tax has been dedicated.
CAPITAL PROJECTS FUNDS	A capital projects fund is a governmental fund that must be used to account, on a project basis, for projects financed by the proceeds from bond issues, or for capital projects otherwise mandated to be accounted for in this fund.
ENTERPRISE FUNDS	This fund is used to accounts for business type activities including the operations of extended day and facility rentals.
INTERNAL SERVICE FUNDS	Internal service funds are a proprietary fund accounted for on the accrual basis.
TRUST AND AGENCY FUNDS	This group of funds is used to account for assets held by a school district in a trustee capacity of the District, or as an agent for individuals, private organizations, other governmental units and/or other funds. This fund type consists of expendable trust funds, nonexpendable trust funds, pension trust funds and agency funds.

Funds not covered by this Strategy are as follows:

TEXAS TEACHER RETIREMENT FUND

All employees of Fort Bend Independent School District employed for one-half or more of the standard work load, and who are not exempted from membership under Texas Government Code, Title I, Subtitle C Section 822.002, are required to participate in the Teacher Retirement System of Texas (the "System"), a multiple-employer public employee retirement system ("PERS"). It is a cost-sharing PERS with one exception - all risks and costs are not shared by the District, but are the liability of the State of Texas, as such, all investments are maintained by the Teacher Retirement System.

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

PENSION PLAN FOR EMPLOYEES

Fort Bend ISD has established a Deferred Compensation FICA Alternative Plan (the FICA Alternative Plan) for non-TRS Employees, which is a single-employer contribution plan giving retirement benefits to employees who are not eligible to participate in TRS. FBISD has also established an Employee Incentive Plan which is an employer contribution retirement plan established under section 401(a) of the Internal Revenue Code. Such plans are not subject to the rules and regulations surrounding the Public Funds Investment Act. The investments of these plans are managed by the district's third-party administrator in accordance with the plan document.

OBJECTIVE

Investment of the funds covered by this Strategy shall be governed by the following investment objectives, in the order of priority:

- SAFETY:** Safety of principal is the primary objective of the Investment Strategy. Investment of the District's funds shall be undertaken in a manner that seeks to ensure the preservation of capital for the overall portfolio. To attain this objective, investment in only high-quality securities and diversification are required in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.
- LIQUIDITY:** The District's investment portfolio will remain sufficiently liquid to enable the District to meet all operating requirements that might be reasonably anticipated.
- YIELD:** The District's investment portfolio shall be designed with the objective of attaining the best yield, throughout budgetary and economic cycles, commensurate with the District's investment risk constraints and the cash flow characteristics of the portfolio.

The District shall monitor the rating of all investments and collateral at least quarterly and shall include the ratings in the regular investment report. The ratings may be obtained from one of the following nationally recognized rating companies: Standard & Poor's, Fitch, Moody, or any other nationally recognized company.

DELEGATION OF AUTHORITY

The Chief Financial Officer, under the direction and authority of the Board of Trustees shall direct the cash management program of the District as defined in CDA Legal and CDA Local. Pursuant to Chapter 2256.005 of the Texas Government Code, the Board of Trustees shall designate the Chief Financial Officer, Executive Director of Finance, Director of Finance, and District Treasurer as investment officers responsible for the investment of its funds, under the direction and authority of the Board of Trustees.

The District's investment officers shall establish written procedures for the operation of the investment program consistent with this Investment Strategy. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction except as provided under the terms of this Strategy and the written procedures. Authority granted to a person to invest the District's funds is effective until rescinded or until termination of the person's employment by the District. The investment officers shall be responsible for all transactions undertaken and shall establish a system of controls, to be reviewed by the District's Internal Auditor, to regulate the activities of subordinate officials. The investment officers shall possess sufficient working knowledge of economics and securities markets, as well as the supervisory experience and judgment necessary to carry out the responsibilities outlined in this Strategy.

PRUDENCE

The governing body of the investing entity retains ultimate responsibility as fiduciaries of the assets of the entity and shall ensure that investments shall be made with judgment and care – under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

The standard of prudence to be used by investment officials shall be the "prudent person" standard and shall be applied in the context of managing an overall portfolio. Investment officers acting in accordance with written procedures and the Investment Strategy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

In determining whether an investment official has exercised prudence with respect to an investment decision, the determination shall be made taking into consideration the investment of all funds over which the official had responsibility rather than consideration as to the prudence of a single investment and, whether the investment decision was consistent with the District's Investment Strategy and written investment procedures.

ETHICS AND CONFLICTS OF INTEREST

Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

Officers and employees involved in the investment process shall sign annual statements agreeing to abide by this section of the Investment Strategy and affirming no known conflicts of interest.

An officer or employee involved in the investment process has a personal business relationship with a business organization if:

- the officer or employee owns 10 percent or more of the voting stock or shares of the business organization or owns \$5,000 or more of the fair market value of the business organization;
- funds received by the officer or employee from the business organization exceed 10 percent of his/her gross income for the previous year; or
- the officer or employee has acquired from the business organization during the previous year investments with a book value of \$2,500 or more for his/her personal account.
- the officer is related within the second degree by affinity or consanguinity, as determined under Chapter 573 of the Texas Government Code, to an individual seeking to transact investment business with the entity.

If the investment officer has a personal business relationship with a business organization, a disclosure statement must be filed with the Texas Ethics Commission.

CAPABILITY OF INVESTMENT MANAGEMENT

The District shall provide periodic training in investments for the investment personnel through courses and seminars offered by professional organizations and associations in order to insure the quality and capability of the District's investment personnel making investment decisions in compliance with the PFIA.

TRAINING

The Investment Officers and the persons authorized to execute investment transactions shall receive not less than 8 hours of instruction relating to investment responsibilities every two fiscal years that begins on the first day of the District's fiscal year of the two consecutive fiscal years after that date. Newly appointed Investment Officers shall receive not less than 10 hours of instruction within 12 months after taking office or assuming duties. Investment training courses will be received through an independent source, including but not limited to the Government Treasurer's Organization of Texas, University of North Texas Center for Public Management, Region IV Education Service Center, Harris County Department of Education, Texas Association of School Business Officials, Texas Association of School Boards, and any other source meeting the criteria outlined in the Public Funds Investment Act.

AUTHORIZED AND SUITABLE INVESTMENTS

District funds governed by this Strategy may be invested in the instruments described below, all of which are authorized by Chapter 2256 of the Government Code (Public Funds Investment Act). However, investments in instruments other than government securities shall be made only if the yield is equal to or greater than the bond equivalent yield on U.S. Treasury obligations of comparable maturity.

Investments not listed below, including any of the following are strictly prohibited:

- Mortgage obligations
 - (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal;
 - (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security collateral and bears no interest;
 - (3) collateralized mortgage obligations that have a stated final maturity date of greater than 10 years; and

**FORT BEND INDEPENDENT SCHOOL DISTRICT
INVESTMENT STRATEGY**

(4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index

- Reverse repurchase agreements
- Corporate bonds issued by domestic business entities.

In addition, the purchase of specific issues may at times be restricted or prohibited by the Chief Financial Officer due to current market conditions.

An investment that requires a minimum rating under this section does not qualify as an authorized investment during the period the investment does not have the minimum rating. The District shall take all prudent measures consistent with this Investment Strategy to liquidate an investment that does not have the minimum rating.

- Direct obligations of the United States of America.
- Other obligations, the principal and interest of which are unconditionally guaranteed or insured by, or backed by the full faith and credit of, the United States of America.
- Direct obligations of the State of Texas or its agencies, which are unconditionally guaranteed or insured by the full faith and credit of the State of Texas.
- Obligations of other school districts which are unconditionally guaranteed by the Permanent School Fund.
- Obligations of cities, counties, and other political subdivision located in the state of Texas rated with an investment quality not less than A or its equivalent.
- Direct obligations of the following United States agencies and instrumentalities including, but not limited to:
 - Federal Farm Credit System
 - Federal Home Loan Bank System
 - Federal Home Loan Mortgage Corp.
 - Federal National Mortgage Association
 - Federal Agricultural Mortgage Corporation
- Fully collateralized Certificates of Deposit/Share Certificates of a depository institution or a broker (selected from a list adopted by the investing entity) with a main office or branch located in the state of Texas provided that they:
 - are guaranteed or insured by the Federal Deposit Insurance Corporation or its successor or the National Credit Union Share Insurance Fund or its successor; or
 - have a stated maturity of 365 days or fewer from the date of its issuance; and
 - is not rated less than A-1 or P-1 or an equivalent rating by at least two nationally recognized credit rating agencies; or
 - one nationally recognized credit rating agency and is fully secured by an irrevocable letter of credit issues by a bank organized and existing under the laws of the United States or any state.
 - are secured by obligations of the United States government described above.
- Repurchase Agreement, approved by the District's Board of Trustees, which details eligible collateral, collateralization ratios, standards for collateral custody and control, collateral valuation, and conditions for agreement termination and provided the repurchase agreement:
 - has a defined termination date;
 - is secured by obligations of the U.S. Treasury;
 - requires the securities being purchased by the District to be assigned to the District, held in the District's name, and deposited at the time the investment is made with the District or with a third party selected and approved by the District; and
 - is placed through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in this state, and which is rated no less than A or its equivalent by two nationally recognized rating services.

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

- Commercial Paper provided:
 - has a stated maturity of 365 days or fewer from the date of issuance;
 - is rated not less than A-1 or P-1 or an equivalent rating by at least two nationally recognized rating services or by one nationally recognized credit rating agency and is fully secured by an irrevocable letter of credit issued by a bank organized and existing under the laws of the United States or any state.
- No-load money market mutual funds that are registered with and regulated by the Securities and Exchange Commission that:
 - have a dollar-weighted average stated maturity of 90 days or fewer;
 - seek to maintain a stable net asset value of \$1 per share;
 - are rated not less than Aaa/AAA, Aaam/AAAm or an equivalent rating by at least one nationally recognized rating service; and
 - have provided the District with a prospectus and other information required by the Securities Exchange Act of 1934 or the Investment Company Act of 1940.

Investments will be made in a money market mutual fund only after a thorough investigation of the fund and collective approval by the District's designated investment officers who shall, at least annually, review, revise and adopt a list of approved funds.

- Local government investment pools, created to function as money market mutual funds, organized in conformity with Chapter 791 (Inter Local Cooperation Contracts Act) and Chapter 2256 (Public Funds Investment Act) of the Government Code that:
 - have a dollar-weighted average stated maturity of 90 days or fewer;
 - seek to maintain a stable net asset value of \$1 per share;
 - are rated not less than Aaa/AAA or an equivalent rating by at least one nationally recognized rating service; and
 - have provided the District with an offering circular and other information required by the Public Funds Investment Act.
- Local government investment pools that do not meet the requirements of one that is created to function as a money market mutual fund must:
 - maintain a maximum average dollar weighted maturity that does not exceed 365 days, or 366 days in the case of a leap year,
 - provide a fixed interest rate and fixed maturity term for each pool position,
 - be rated not less than Aaa/AAA, Aaam/AAAm or an equivalent rating by at least one nationally recognized rating service; and
 - have provided the District with an offering circular and other information required by the Public Funds Investment Act.

To become eligible, investment pools must meet all the requirements of state law as determined under Chapter 2256 of the Government Code, as amended; and be approved by District Board of Trustees action. Investments will be made in a local government investment pool only after a thorough investigation of the pool and approval by the Investment Committee which shall, at least annually, review, revise and adopt a list of approved pools.

AUTHORIZED BROKER/DEALERS AND FINANCIAL INSTITUTIONS

The Board of Trustees, in consultation with the Superintendent and the Investment Officers, shall, at least annually, review, revise, and adopt a list of qualified broker/dealers and financial institutions authorized to engage in investment transactions with the District. In order to be considered those firms that desire to become qualified bidders for investment transactions will be required to provide information regarding creditworthiness, experience and reputation and must have a main office or a branch office in Texas. Authorized firms may include primary dealers or regional dealers that qualify under Securities & Exchange Commission Rule 15C3-1 (uniform net capital rule).

A written copy of this Investment Strategy shall be presented to any person offering to engage in an investment transaction with the District. Investments shall only be made with those business organizations (including money market mutual funds

Commented [O51]: Added language per request of Trustee Angie Hanan at 9/09/24 board workshop meeting.

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

and local government investment pools) that have provided the District with a written instrument executed by a qualified representative of the firm, acknowledging that the business organization has:

- received and reviewed the District's Investment Strategy; and
- implemented reasonable procedures and controls in an effort to preclude investment transactions conducted between the District and the organization that are not authorized by the District's Investment Strategy, except to the extent that this authorization is dependent on an analysis of the makeup of the District's entire portfolio or requires an interpretation of subjective investment standards.

SELECTION OF DEPOSITORY

The Board of Trustees shall select and designate a depository institution in accordance with Texas Education Code 45.202. The depository shall be selected based upon its solvency and stability of leadership as well as on the services provided. The depository shall be selected through a formalized competitive process in response to the District's request for proposal (RFP) outlining all services required. Such services should provide the greatest flexibility for money management and should include online account management, controlled disbursement, positive pay account with vendor recognition, controlled ACH disbursement, overnight sweeps, and purchasing card capabilities.

The District shall have the discretion to determine the time span for requesting proposals for the depository contract; however, a six-year period will be the maximum length of time between competitive processes.

COMPETITIVE BIDDING

It is the strategy of the District to require competitive bidding for all individual security purchases and sales except for:

- transactions with money market mutual funds and local government investment pools (which are deemed to be made at prevailing market rates); or,
- automatic overnight "sweep" transactions with the District Depository; or,
- brokers that are exclusive for the sale

At least three bids or offers must be solicited for all other transactions involving individual securities. The District's investment advisor is also required to solicit at least three bids or offers when transacting trades on the District's behalf. In situations where other dealers do not offer the exact security being offered, offers on the closest comparable investment may be used to establish a fair market price for the security.

COLLATERALIZATION

The District requires that all uninsured collected balances plus accrued interest, if any, in depository accounts be secured in accordance with the requirements of state law. Financial institutions serving as District depositories will be required to sign a Depository Agreement with the District which details eligible collateral, collateralization ratios, standards for collateral custody and control, collateral valuation, rights of substitution and conditions for agreement termination.

The District requires that all securities purchased under the terms of a repurchase agreement be assigned to the District in accordance with state law. Dealers and financial institutions wishing to transact repurchase agreements with the District will be required to sign the District's Master Repurchase Agreement which details eligible collateral, collateralization ratios, standards for collateral custody and control, collateral valuation, rights of substitution, and conditions for agreement termination.

Collateral will always be held by an independent third party with which the District has a current custodial agreement and shall be reviewed at least monthly to ensure that the market value of the pledged securities is adequate. Eligible collateral and collateral ratios are as follows:

**FORT BEND INDEPENDENT SCHOOL DISTRICT
INVESTMENT STRATEGY**

ELIGIBLE COLLATERAL	COLLATERAL RATIOS
1. Direct obligations of the United States of America which includes Treasury bills, bonds and notes.	100%
2. Agency bonds/notes which include obligations of the Federal Farm Credit Bank, Federal Home Loan Bank, Federal Housing Administration, Federal Home Loan Mortgage Corporation.	100%
3. Letter of Credit issued by a Federal Home Loan Bank	100%

SAFEKEEPING AND CUSTODY

Safekeeping and custody of securities and collateral shall be in accordance with state law. It shall be the District's intent to place securities and collateral in the possession of a third party custodian designated by the District where feasible, and held in the District's name as evidenced by safekeeping receipts of the institution with which the securities are deposited.

All trades will be executed by delivery vs. payment (DVP), except local government investment pool and mutual fund transactions to ensure that securities are deposited in an eligible financial institution prior to the release of funds. That is, funds shall not be wired or paid until verification has been made that the Trustee received the collateral.

INVESTMENT STRATEGIES

The District maintains separate portfolios for individual funds that are managed according to the terms of this Strategy and the following corresponding investment strategies:

- ensure safety of principal by investing only in high-quality securities for which a strong secondary market exists;
- ensure that anticipated cash flows are matched with adequate investment liquidity;
- limit market and credit risk through diversification.

SALE OF SECURITIES

The District's strategy is to hold securities to maturity. However, securities may be sold:

- in order to minimize the potential loss of principal on a security whose credit quality has declined; or
- in order to swap into another security which would improve the quality, yield, or target duration of the portfolio; or
- in order to meet unanticipated liquidity needs of the portfolio.

EXEMPTION OF EXISTING INVESTMENTS

Any investment currently held that does not meet the guidelines of this policy shall be exempted from the requirements of this policy. At maturity or liquidation, such monies shall be reinvested only as provided by this policy. The District is not required to liquidate investments that were authorized investments at the time of purchase.

ARBITRAGE

The Tax Reform Act of 1986 provided limitations restricting the amount of income that could be generated from the investment of tax-exempt General Obligation Bond proceeds and debt service income. The arbitrage rebate provisions require that the District compute earnings on investment from each issue of bonds on an annual basis to determine if a rebate is required. To determine the District's arbitrage position, the District is required to perform specific calculations relative to the actual yield earned on the investment of the funds and the yield that could have been earned if the funds had been invested at a rate equal to the yield on the bonds sold by the District. The rebate provision states that periodically (not less than once every five years, and not later than sixty days after the maturity of the bonds), the District is required to pay the U.S. Treasury a rebate of excess earnings based on the District being in a positive arbitrage position. The Tax Reform restrictions require precision in the monitoring and recording of investments as a whole, and particularly as relates to yields and computations so as to ensure compliance. Failure to comply can dictate that the bonds become taxable, retroactively from the date of issues.

**FORT BEND INDEPENDENT SCHOOL DISTRICT
INVESTMENT STRATEGY**

The District's investment position relative to arbitrage is the continued pursuit of maximizing the yield on applicable investments while ensuring the safety of capital and liquidity. It is a fiscally sound position to continue maximization of yield and rebate excess earnings, if necessary.

DIVERSIFICATION AND MAXIMUM MATURITIES

The District's investment portfolios, in aggregate, will be diversified to limit market and credit risk by observing the following limitations:

SECURITY	MAXIMUM STATED MATURITY	ISSUER LIMITATIONS	FUNDS AUTHORIZED
U.S. TREASURIES	2 years	100% of the total portfolio may be invested in obligations of the U.S. Treasury.	General Fund Special Revenue Fund Debt Service Fund Capital Projects Fund
U.S. AGENCIES / INSTRUMENTALITIES	2 years	No more than 60% of the total portfolio may be invested in the obligations of any one issuer. The District may not own more than 10% of any single issue.	General Fund Special Revenue Fund Debt Service Fund Capital Projects Fund Internal Service Fund
OBLIGATIONS OF STATES, AGENCIES, COUNTIES, CITIES & OTHER POLITICAL SUBDIVISIONS	2 years	No more than 60% of the total portfolio may be invested in the obligations of any one issuer rated A or higher by a nationally recognized rating firm. The District may not own more than 10% of any single issue.	General Fund Special Revenue Fund Debt Service Fund Capital Projects Fund Internal Service Fund
REPURCHASE AGREEMENTS	30 days	No more than 15% of the portfolio may be invested with one counterpart (Note 1).	General Fund Capital Projects Fund
MONEY MARKET MUTUAL FUNDS	NA	The District may not invest more than 30% of the District's investment portfolio in any one fund.	General Fund Special Revenue Fund Debt Service Fund Capital Projects Fund Enterprise Funds Internal Service Fund Trust and Agency Fund
LOCAL GOVERNMENT INVESTMENT POOLS	NA	The District may not invest more than 35% of the District's local government investment pool total in any one local government investment pool. Each CD may not exceed \$25 million in any one depository at any given time.	General Fund Special Revenue Fund Debt Service Fund Capital Projects Fund Enterprise Funds Internal Service Fund Trust and Agency Fund

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

In addition to the above limitations the District's Investment Portfolio shall be diversified by market sector as follows:

MARKET SECTOR	MAXIMUM PERCENTAGE OF INVESTMENT PORTFOLIO
U.S. TREASURIES	100%
U.S. AGENCIES/INSTRUMENTALITIES FIXED-RATE NOTES	60% (maximum 15% callable)
U.S. AGENCIES/INSTRUMENTALITIES DISCOUNT NOTES	60%
OBLIGATIONS OF THE STATE OF TEXAS OR ITS AGENCIES	20%
OBLIGATIONS OF OTHER LOCAL SCHOOL DISTRICTS BACKED BY THE PERMANENT SCHOOL FUND	25%
REPURCHASE AGREEMENTS	15%
MONEY MARKET MUTUAL FUNDS	60%
LOCAL GOVERNMENT INVESTMENT POOLS	65%
COMMERCIAL PAPER	10%
CERTIFICATES OF DEPOSIT	40%

Note 1: With respect to bond proceeds and other bond funds, the District may specifically authorize investments in repurchase agreements with maturities in excess of 30 days subject to any required approvals from bond insurers and the Board of Trustees.

Note 2: Under adverse market conditions, the District may deviate from the limitations outlined above for periods of 90 days or less, with the Superintendent's approval, in order to sufficiently maintain safety and liquidity.

Note 3: For Long-Term Variable Rate Securities for which the principal amount is scheduled to be paid in more than 397 calendar days, that is subject to a Demand Feature, the maximum "stated maturity date" may not exceed the maximum date allowed by law and for purposes of this policy, the "maturity date" shall be the date the principal amount can be recovered through demand and in no case shall the "maturity date" exceed two years.

REPORTING

Investment performance is regularly monitored by investment staff and reported to the Board of Trustees. Month-end market prices on each security are obtained from the District's investment software database that receives its information from a variety of nationally recognized securities databases (e.g., the Wall Street Journal, Bloomberg, etc.). These prices are recorded in the District's portfolio database and included in all management reports as well as the District's Comprehensive Annual Financial Report.

Not less than quarterly the Investment Officers will submit to the Board of Trustees a written report of the status of the current investment portfolio. The report must meet the requirements of Chapter 2256 of the Government Code (Public Funds Investment Act) and:

- describe in detail the investment and accrued interest receivable position of the District on the date of the report;
- be prepared jointly by all investment officers of the District;
- be signed by each investment officer of the District (Electronic signatures are allowed based on Board Policy CQ (Local));
- state the book value and market value of each separately invested asset at the beginning and end of the reporting period by the type of asset and fund type invested;
- state the maturity date of each separately invested asset that has a maturity date;
- state the current rating of each investment;
- state the account or fund or pooled fund group for which each individual investment was acquired; and

**FORT BEND INDEPENDENT SCHOOL DISTRICT
INVESTMENT STRATEGY**

- state the compliance of the investment portfolio as it relates to the investment strategy and relevant provisions of this Strategy and the Public Funds Investment Act.

An independent auditor shall formally review all quarterly investment reports prepared under this section at least annually, and that auditor shall report the results of the review to District Board of Trustees.

ANNUAL COMPLIANCE AUDIT

In conjunction with the annual financial audit, a compliance audit shall be performed which includes an audit of management controls on investments and adherence to the District's established strategy.

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

GLOSSARY OF TERMS

ACCRETION OF DISCOUNT: Periodic straight-line increases in the book or carrying value of a security so the amount of the purchase price discount below face value is completely eliminated by the time the bond matures or by the call date, if applicable.

ACCRUED INTEREST: The interest accumulated on a security from its issue date or since the last payment of interest up to but not including the purchase date. The purchaser of the security pays to the seller the market price plus accrued interest.

AMORTIZATION OF PREMIUM: Periodic straight-line decreases in the book or carrying value of a security so the premium paid for a bond above its face value or call price is completely eliminated.

ASK: The price at which sellers offer securities.

BARBELL MATURITY STRATEGY: A maturity pattern within a portfolio in which maturities of the assets in the portfolio are concentrated in both the short and long ends of the maturity spectrum.

BASIS POINT: One one-hundredth (1/100) of one percent; 0.0001 in decimal form.

BENCHMARK: A comparative base for performance evaluation. A benchmark can be a broad-based bond index, a customized bond index, or a specific objective.

BID: The price offered for securities by purchasers. (When selling securities, one asks for a bid.)

BOND EQUIVALENT YIELD: Used to compare yields available from discounted securities that pay interest at maturity with yields available from securities that pay interest semi-annually.

BOOK ENTRY SECURITIES: Stocks, bonds, other securities, and some certificates of deposit that are purchased, sold, and held as electronic computer entries on the records of a central holder. These securities are not available for purchase in physical form; buyers get a receipt or confirmation as evidence of ownership.

BOOK VALUE: The original cost of the security as adjusted for amortization of any premium paid or accretion of discount since the date of purchase.

BROKER: A party who brings buyers and sellers together. Brokers do not take ownership of the property being traded. Commissions compensate them. They are not the same as dealers; however, the same firms that act as brokers in some transactions may act as dealers in other transactions.

CALLABLE BOND: A bond that the issuer has the right to redeem prior to maturity at a specified price. Some callable bonds may be redeemed on one call date while others may have multiple call dates. Some callable bonds may be redeemed at par while others can be redeemed only at a premium.

CERTIFICATE OF DEPOSIT (CD): A time deposit with a specific maturity evidenced by a certificate. Large-denomination (over \$100,000) CD's are typically negotiable.

COLLATERAL: Securities, evidence of deposit or other property that a borrower pledges to secure repayment of a loan. Also refers to securities pledged by a bank to secure deposits of public monies.

COMMERCIAL PAPER: Short-term unsecured promissory notes issued by corporations for maturity specified by the buyer. It is used primarily by corporations for short-term financing needs at a rate that is generally lower than the prime rate.

CONFIRMATION: The document used to state in writing the terms of the trade that had previously been agreed to verbally.

COUPON RATE: The stated annual rate of interest payable on a coupon bond expressed as a percentage of the bond's face value.

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

CREDIT RISK: The risk that (1) the issuer is downgraded to a lower quality category and/or (2) the issuer fails to make timely payments of interest or principal.

CUSIP NUMBER: A nine-digit number established by the Committee on Uniform Securities Identification Procedures that is used to identify publicly traded securities. Each publicly traded security receives a unique CUSIP number when the security is issued.

CUSTODY: The service of an organization, usually a financial institution, of holding (and reporting) a customer's securities for safekeeping. The financial institution is known as the custodian.

DEALER: A firm that buys and sells for its own account. Dealers have ownership, even if only for an instant, between a purchase from one party and a sale to another party. They are compensated by the spread between the price they pay and the price they receive. Dealers are not the same as brokers; however, the same firms that act as dealers in some transactions may act as brokers in other transactions.

DELIVERY VERSUS PAYMENT (DVP): The safest method of settling a trade involving a book entry security. In a DVP settlement, the funds are wired from the buyer's account and the security is delivered from the seller's account in simultaneous, interdependent wires.

DEMAND FEATURE: A feature of long-term variable rate securities which permits the district to reasonably expect to sell the security at a price equal to the principal amount of the security plus accrued interest, if any, at the time demand.

DEPOSITORY TRUST COMPANY (DTC): An organization that holds physical certificates for stocks and bonds and issues receipts to owners. Securities held by DTC are immobilized so that they can be traded on a book entry basis.

DERIVATIVE: A security that derives its value from an underlying asset, group of assets, reference rate, or an index value. Some derivatives can be highly volatile and result in a loss of principal in changing interest rate environments.

DISCOUNT: The amount by which the price paid for a security is less than its face value.

DISCOUNT SECURITIES: Securities that do not pay periodic interest. Investors earn the difference between the discount issue price and the full face value paid at maturity.

DIVERSIFICATION: Dividing investment funds among a variety of securities offering independent returns, to reduce risk inherent in particular securities.

DURATION: A sophisticated measure of the weighted average maturity of a bond's cash flow stream, where the present values of the cash flows serve as the weights.

ECONOMIC CYCLE (BUSINESS CYCLE): As the economy moves through the business cycle, interest rates tend to follow the levels of production, output, and consumption - rising as the economy expands and moves out of recession and declining after the economy peaks, contracts, and heads once again into recession.

EFFECTIVE MATURITY: The average maturity of a bond, given the potential for early call. For a non-callable bond, the final maturity date serves as the effective maturity. For a callable bond, the effective maturity is bounded by the first call date and the final maturity date; the position within this continuum is a function of the call price, the current market price, and the reinvestment rate assumed.

FACE VALUE: The principal amount due and payable to a bondholder at maturity; par value. Also, the amount on which coupon interest is computed.

FAIL: The event of a securities purchase or sale transaction not settling as intended by the parties.

FAIR VALUE: The amount at which a financial instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

FEDERAL DEPOSIT INSURANCE CORPORATION (FDIC): A federal agency that insures bank deposits, currently up to \$250,000 per depositor per insured bank for each account ownership category.

FEDERAL FARM CREDIT BANKS (FFCB): A government-sponsored corporation that was created in 1916 and is a nationwide system of banks and associations providing mortgage loans, credit, and related services to farmers, rural homeowners, and agricultural and rural cooperatives. Their respective borrowers cooperatively own the banks and associations, directly or indirectly. The Federal Farm Credit System is supervised by the Farm Credit Administration, an independent agency of the U.S. government. (See Government Sponsored Enterprise)

FEDERAL FUNDS: Monies within the Federal Reserve System representing a member bank's surplus reserve funds. Banks with excess funds may sell their surplus to other banks whose funds are below required reserve levels. Normally, Federal funds are employed in settling all government securities transactions. The Federal Funds Rate is the rate of interest at which Fed funds are traded. This rate is currently pegged by the Federal Reserve through open-market operations.

FEDERAL HOME LOAN BANKS (FHLB): Government-sponsored wholesale banks (currently twelve regional banks) which lend funds and provide correspondent banking services to member commercial bank, thrift institutions, credit unions and insurance companies. The mission of the FHLBs is to liquefy the housing related assets of its members who must purchase stock in their district Bank. (See Government Sponsored Enterprises)

FEDERAL HOME LOAN MORTGAGE CORPORATION (FHLMC OR "FREDDIE MAC"): A government-sponsored corporation that was created in July 1970, by the enactment of Title III of the Emergency Home Finance Act of 1970. Freddie Mac was established to help maintain the availability of mortgage credit for residential housing, primarily through developing and maintaining an active, nationwide secondary market in conventional residential mortgages. (See Government Sponsored Enterprises)

FEDERAL NATIONAL MORTGAGE ASSOCIATION (FNMA OR FANNIE MAE): FNMA, like GNMA was chartered under the Federal National Mortgage Association Act in 1938. FNMA is a federal corporation working under the auspices of the Department of Housing and Urban Development (HUD). It is the largest single provider of residential mortgage funds in the United States. Fannie Mae is a private stockholder-owned corporation. FNMA securities are highly liquid and are widely accepted. FNMA assumes and guarantees that all security holders will receive timely payment of principal and interest. (See Government Sponsored Enterprises)

FEDERAL OPEN MARKET COMMITTEE (FOMC): Consists of seven members of the Federal Reserve Board and five of the twelve Federal Reserve Bank presidents. The president of the New York Federal Reserve Bank is a permanent member while the other presidents serve on a rotating basis. The Committee periodically meets to set Federal Reserve guidelines regarding purchases and sales of government securities in the open market as a means of influencing the volume of bank credit and money.

FEDERAL RESERVE SYSTEM: The central bank of the United States created by Congress and consisting of a seven member Board of Governors in Washington, D.C., twelve regional banks and about 5700 commercial banks that are members of the system.

FIXED-INCOME SECURITY: A financial instrument promising a fixed amount of periodic income over a specified future time span.

GOVERNMENT-SPONSORED ENTERPRISES (GSE's): Payment of principal and interest on securities issued by these corporations is not guaranteed explicitly by the U.S. government; however, most investors consider these securities to carry an implicit U.S. government guarantee. The debt is fully guaranteed by the issuing corporations. GSE's include: Farm Credit System, Federal Home Loan Bank System, Federal Home Loan Mortgage Corporation, Federal National Mortgage Association, Student Loan Marketing Association, and the Tennessee Valley Authority.

INSTRUMENTALITIES: See Government-Sponsored Enterprises

INTEREST RATE RISK: The risk that the general level of interest rates will change, causing unexpected price appreciation or depreciation.

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

LADDERED MATURITY STRATEGY: A maturity pattern within a portfolio in which maturities of the assets in the portfolio are equally spaced. Over time, the shortening of the remaining lives of the assets provides a steady source of liquidity or cash flow. Given a normal yield curve with a positive slope this passive strategy provides the benefit of being able to take advantage of the higher, longer-term yields without sacrificing safety or liquidity.

LIQUIDITY: An entity's capability to meet future monetary outflows (whether they are required or optional) from available resources. Liquidity is often obtained from reductions of cash or by converting assets into cash.

LIQUIDITY RISK: The risk that an investment will be difficult to sell at a fair market price in a timely fashion.

MARKET VALUE: The price at which a security is trading and could presumably be purchased or sold.

MARKING-TO-MARKET: The practice of valuing a security or portfolio according to its market value, rather than its cost or book value.

MASTER REPURCHASE AGREEMENT: A written contract covering all future transactions between the parties to repurchase an agreement that establishes each party's rights in the transactions. A master agreement will often specify, among other things, the right of the buyer to liquidate the underlying securities in the event of default by the seller.

MATURITY DATE: The date on which the principal or face value of an investment becomes due and payable.

MONEY MARKET INSTRUMENT: Generally, a short-term debt instrument that is purchased from a broker, dealer, or bank. Sometimes the term "money market" with "short-term", defines an instrument with no more than 12 months remaining from the purchase date until the maturity date. Sometimes the term "money market" is used more restrictively to mean only those instruments that have active secondary markets.

MORTGAGE-BACKED SECURITIES (MBS): Securities composed of, or collateralized by, loans that are themselves collateralized by liens on real property.

OFFER: The price asked by a seller of securities. (When purchasing securities, one asks for an offer.)

OPEN MARKET OPERATIONS: Purchases and sales of government and certain other securities in the open market by the New York Federal Reserve Bank as directed by the FOMC in order to influence the volume of money and credit in the economy. Purchases inject reserves into the bank system and stimulate growth of money and credit; sales have the opposite effect. Open market operations are the Federal Reserve's most important and most flexible monetary strategy tool.

OPPORTUNITY COST: The cost of pursuing one course of action measured in terms of the foregone return that could have been earned on an alternative course of action that was not undertaken.

PAR: See Face Value

POOLED FUND GROUP: An internally created fund of an investing entity in which one or more institutional accounts of the investing entity are invested (as defined by the Public Funds Investment Act).

PREMIUM: The amount by which the price paid for a security exceeds its face value.

PRIMARY DEALER: A group of government securities dealers that submit daily reports of market activity and positions and monthly financial statements to the Federal Reserve Bank of New York and are subject to its informal oversight. Primary dealers include Securities and Exchange Commission (SEC)-registered securities broker-dealers, banks, and a few unregulated firms.

PRINCIPAL: The face or par value of an instrument, exclusive of accrued interest.

PRUDENT PERSON RULE: An investment standard. In some states the law requires that a fiduciary, such as a trustee, may invest money only in a list of securities selected by the state. In other states the trustee may invest in a security if it is one that would be bought by a prudent person of discretion and intelligence who is seeking a reasonable income and preservation of capital.

FORT BEND INDEPENDENT SCHOOL DISTRICT INVESTMENT STRATEGY

QUALIFIED PUBLIC DEPOSITORIES: A financial institution which does not claim exemption from the payment of any sales or compensating use or ad valorem taxes under the laws of this state, which has segregated for the benefit of the commission eligible collateral having a value of not less than its maximum liability and which has been approved by the Public Deposit Protection Commission to hold public deposits.

QUALIFIED REPRESENTATIVE: A person who holds a position with - and is authorized to act on behalf of - a business organization (as defined by the Public Funds Investment Act).

RATE OF RETURN: The amount of income received from an investment, expressed as a percentage. A market rate of return is the yield that an investor can expect to receive in the current interest-rate environment utilizing a buy-and-hold to maturity investment strategy.

REINVESTMENT RATE: The interest rate earned on the reinvestment of coupon payments.

REINVESTMENT RATE RISK: The risk that the actual reinvestment rate falls short of the expected or assumed reinvestment rate.

REPURCHASE AGREEMENT (RP OR REPO): An agreement of one party to sell securities at a specified price to a second party and a simultaneous agreement of the first party to repurchase the securities at a specified price on demand or at a specified later date. The difference between the selling price and the repurchase price provides the interest income to the party that provided the funds. Every transaction where a security is sold under an agreement to be repurchased is a repo from the seller/borrower's point of view and a reverse repo from the buyer/lender's point of view.

SAFEKEEPING: A procedure where a third party acting as custodian for a fee holds securities.

SECONDARY MARKET: A market made for the purchase and sale of outstanding issues following the initial distribution.

SECURITIES AND EXCHANGE COMMISSION: Agency created by Congress to protect investors in securities transactions by administering securities legislation.

SEC RULE 15 C3-1: See Uniform Net Capital Rule

STRUCTURED NOTES: Debt obligations whose principal or interest payments are determined by an index or formula.

SEPARATELY INVESTED ASSET: An account or fund of a state agency or local government that is not invested in a pooled fund group (as defined by the Public Funds Investment Act).

SPREAD: Most commonly used when referring to the difference between the bid and asked prices in a quote.

STRIPS: Separation of the principal and interest cash flows due from any interest-bearing securities into different financial instruments. Each coupon payment is separated from the underlying investment to create a separate security. Each individual cash flow is sold at a discount. The amount of the discount and the time until the cash flow is paid determine the investor's return.

SWAP: The trading of one asset for another. Sometimes used in active portfolio management to increase investment returns by "swapping" one type of security for another.

TOTAL RETURN: Interest income plus capital gains (or minus losses) on an investment.

TREASURY BILLS: A non-interest bearing discount security issued by the U.S. Treasury, generally having initial maturities of 3 months, 6 months, or 1 year.

TREASURY BONDS: Long-term, coupon bearing U.S. Treasury securities having initial maturities of more than 10 years.

TREASURY NOTES: Intermediate-term, coupon bearing U.S. Treasury securities having initial maturities of 2 - 10 years.

**FORT BEND INDEPENDENT SCHOOL DISTRICT
INVESTMENT STRATEGY**

UNIFORM NET CAPITAL RULE: Securities and Exchange Commission requirement that member firms as well as nonmember broker-dealers in securities maintain a maximum ratio of indebtedness to liquid capital of 15 to 1; also called *net capital rule* and *net capital ratio*. Indebtedness covers all money owed to a firm, including margin loans and commitments to purchase securities, one reason new public issues are spread among members of underwriting syndicates. Liquid capital includes cash and assets easily converted into cash.

YIELD TO MATURITY (YTM): The promised return assuming all interest and principal payments are made and reinvested at the same rate taking into account price appreciation (if priced below par) or depreciation (if priced above par).

A RESOLUTION ADOPTING INVESTMENT STRATEGY

WHEREAS, the Public Funds Investment Act codified in Government Code Chapter 2256 governs local government investments; and

WHEREAS, the Public Funds Investment Act (Section 2256.005a), as amended, requires the Fort Bend Independent School District to adopt an investment policy and investment strategies by rule, order, ordinance or resolution governing the investments of funds under its control; and

WHEREAS, the Public Funds Investment Act (Section 2256.005e), requires the governing body to review and adopt that investment policy and investment strategies by rule, order, ordinance or resolution not less than annually, recording any changes made thereto; NOW, THEREFORE,

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE FORT BEND INDEPENDENT SCHOOL DISTRICT THAT:

The District has complied with the requirements of the Public Funds Investment Act and the Investment Strategy, with the changes attached hereto, is hereby adopted as the Investment Strategy of the District effective September 23, 2024.

Sugar Land 95 Memorial Project
Department: Communications

Recommendation

Consideration and approval of an Affiliate Agreement with 501(c)3 nonprofit organization Friends of the Sugar Land 95, for ongoing community engagement and stewardship activities related to the Sugar Land 95 Memorial Project.

Summary

On February 19, 2018, during the construction of the James Reese Career and Technical Center, an unforeseen discovery of human remains and a subsequent archeological investigation resulted in the discovery of a historical cemetery, which is the foundation for the Sugar Land 95 Memorial Project.

The District realized the incredible learning opportunities this discovery offered to students and families in our community, and designated this Historic Texas Cemetery as a site for broader educational outreach and memorializing the individuals whose lives were lost on the sacred ground. In developing the project, FBISD considered the historical nature of the site and the significant impact that the discovery of the historical cemetery continues to have on the community. The magnitude of the discovery has garnered ongoing attention at the local, state, and national levels.

During the earliest phase of the project, the District committed to educating communities about the historic discovery, engaging community members in acts of commemoration, and memorializing the site as an official burial site located on District property.

Phase One of the Sugar Land 95 Memorial Project included the development of curricular resources for social studies classes and the Sugar Land 95 Exhibit within the James Reese CTC. Phase Two of the Project includes the development of an outdoor learning environment and a beautified cemetery area.

In considering a long-term path forward, FBISD expressed the need for partners capable of advancing our goals and commitments to the Sugar Land 95 Memorial Project.

In 2022, the District began discussions with community members about the need for external support in engaging the community, spreading awareness, and stewardship for the historic cemetery. Several community members previously involved in early Sugar Land 95 Task Forces, advisory committees, or advocacy groups decided to incorporate as a 501(c)3 non-profit, Friends of the Sugar Land 95 (FOSL95), with the primary goal of providing support to the District and serving as community ambassadors for the Project.

Mrs. Marilyn Moore, widow of the late Reginald Moore, is the founder and president of FOSL95. Reginald Moore has been nationally recognized posthumously as a trailblazer in the study of convict leasing. He is regarded by FBISD as a local example of servant leadership and compassionate citizenship for his advocacy for the Sugar Land 95, both before and after the historic discovery.

FOSL95 is fashioned after the Friends of the Fort Bend Historical Commission and Friends of the Texas Historical Commission, similar organizations whose primary activities include educational programming, community engagement, and perpetual care for historic sites. The specific mission of the organization includes:

- Advocacy for the respectful memorialization of forced labor victims
- Education of all generations about the past and present impact of the convict leasing system
- Partnership with FBISD in fundraising to construct the Sugar Land 95 memorial site
- Management of community stewardship for perpetual care of the site
- Service as liaison between FBISD and community groups

Since its incorporation in 2023, FOSL95 has participated in and facilitated a host of community events and engagements centered on Sugar Land 95. The organization has grown to include over 50 members, launched a website www.sugarland95.org, and has served as spokesperson for the Project in major publications and reports.

At this time, FOSL95 requests that an official partnership between the District and the organization be established through an Affiliate Agreement. The Affiliate Agreement outlines the responsibilities of both the District and FOSL95 and sets terms for the partnership. The Agreement will allow FOSL95 to serve as a fiscal sponsor for the District on funding sources as needed, and to engage other organizations and institutions to acquire additional support.

Upon Board approval, District staff will collaborate with FOSL95 to develop standard operating procedures and will begin the necessary work of transitioning activities as outlined in the Agreement.

**Affiliation Agreement
BETWEEN
FORT BEND ISD
and
FRIENDS OF THE SUGAR LAND 95**

This Agreement is entered into on the ____ day of _____, 2024 ("the Effective Date"), by and between the **FORT BEND INDEPENDENT SCHOOL DISTRICT** ("DISTRICT"), which is located at 16431 Lexington Blvd., Sugar Land, TX 77479, and **FRIENDS OF THE SUGAR LAND 95** ("NONPROFIT"), a 501(c)3 corporation, which is located at 8619 Barron Wood Circle East, Houston, TX 77083

Whereas the school district is the legal owner of the property where the historic cemetery resides (12300 University Blvd., Sugar Land, TX 77479) and is responsible for ongoing care of the cemetery.

Whereas, the Parties seek to establish an affiliation for the memorialization and preservation of the State Convict Lease System Labor Camp Cemetery ("Cemetery"); and

Whereas, the NONPROFIT's mission is to engage, advocate, educate, inform, and stand as an ally with other 501c3 organizations whose primary cause is that of the Sugar Land 95;

DEFINITIONS

- **Cemetery** – refers to the historic cemetery designated as the State Convict Lease System Labor Camp Cemetery, located on the campus of the James Reese Career and Technical Center, at 12300 University Blvd., Sugar Land, TX 77479
- **Memorialization**: Memorialization shall include the Outdoor Learning Area and other structures that will stand upon the burial site (Cemetery) including markers, headstones, pathways, enclosure, and other aspects of the physical memorial site AND memorialization in written form to include the creation of pamphlets, books, flyers, newsletters, and educational programs to increase community awareness and appreciation of the memorial for the Sugar Land 95. All of these are part of memorialization.
- **Periodic** - the period of reporting on the progress and uses of monies donated to the Outdoor Learning Area shall be mutually agreed upon by both parties and must occur at least quarterly (4 times per year) until project completion or termination of this agreement, whichever comes first.

ARTICLE 1 – RESPONSIBILITIES OF NONPROFIT

NONPROFIT shall fulfill the following terms, obligations, and covenants:

- (1) Inform DISTRICT of the name, address, and phone number of a Program Liaison who will be available to assist DISTRICT personnel and who will be responsible for maintaining ongoing contact with DISTRICT's representative;

- (2) Limit the activities of NONPROFIT members at DISTRICT to only those functions required to fulfill the terms of this AGREEMENT unless otherwise agreed to by DISTRICT (See Addendum A);
- (3) Cooperate with DISTRICT in implementing and operating programs and events related to the memorialization of the Sugar Land 95 that are suitable to both parties;
- (4) Provide DISTRICT's designated representative with information regarding the objectives, goals, and specifics of the NONPROFIT;
- (5) Unless a NONPROFIT member is a DISTRICT employee with a criminal background check on file with the DISTRICT, inform members that a criminal background check must be completed through the DISTRICT criminal history procedures, and that members are obligated to comply with all DISTRICT administrative policies, procedures, rules, standards, schedules, practices, and state laws when participating in Program activities; failure to do so may result in loss of access to DISTRICT property.
- (6) Require members to provide transportation, appropriate supplies, and uniforms, as applicable;
- (7) Inform DISTRICT of any adverse circumstances to which DISTRICT may be exposed because of the activities or health status, including the mental health status, of a member;
- (8) Inform DISTRICT of any complaint, claim, investigation, or lawsuit that involves the NONPROFIT and that is related to the Program or any other educational experiences provided under this Agreement;
- (9) Accept overall responsibility for Program logistics, evaluation, marketing, and data collection for any events or programs initiated and hosted by the NONPROFIT, unless otherwise specified by the DISTRICT;
- (10) NONPROFIT will serve as the fiscal agent of funds raised related to the memorialization of the Sugar Land 95.

ARTICLE 2 - RESPONSIBILITIES OF DISTRICT

DISTRICT shall fulfill the following terms, obligations, and covenants:

- (1) Inform NONPROFIT of the name, email address, and phone number of a DISTRICT employee who will be available to assist NONPROFIT members and who will be responsible for maintaining ongoing contact with the NONPROFIT;
- (2) Coordinate access to the Sugar Land 95 Exhibit inside the James Reese Career and Technical Center, located at 12300 University Blvd, Sugar Land, TX 77479 with FBISD liaison per school hours of availability;
- (3) Provide NONPROFIT with periodic updates in a format agreed upon by the DISTRICT and the NONPROFIT regarding any activities related to the Cemetery and during the construction of the memorial;
- (4) Provide NONPROFIT with information regarding policies and procedures of DISTRICT.
- (5) Collaborate with NONPROFIT to establish a fundraising plan and strategies to garner philanthropic and financial support for the Sugar Land 95 Memorial Project

- (6) May provide the NONPROFIT with organizational support and marketing collateral (i.e. use of logos, graphics, and digital materials subject to conditions of the fundraising plan

ARTICLE 3 – RESPONSIBILITIES OF THE PARTIES

Both parties mutually agree to fulfill the following terms, obligations, and covenants:

- (1) NONPROFIT and NONPROFIT members shall not be considered employees, agents, partners, or joint venturers of DISTRICT;
- (2) DISTRICT is not responsible for wages, social security taxes, medical insurance, hospitalization insurance, or workers' compensation insurance for NONPROFIT members. In no event shall the parties be considered joint employers.
- (3) Nothing in this Agreement is to be construed as transferring responsibility from one Party to another;
- (4) Without limitation of any provision outlined in this Agreement, the Parties expressly agree to abide by all applicable federal and/or state equal employment opportunity statutes, rules, and regulations; and
- (5) To the extent permitted by the constitution and laws of the State of Texas and without the waiver of sovereign immunity or any other defense to which NONPROFIT is or may be entitled to assert, NONPROFIT shall indemnify and hold DISTRICT harmless from and against any claims, costs, including reasonable attorneys' fees, liabilities, or causes of action arising out of or from any acts or omissions by NONPROFIT or NONPROFIT members who are engaged in activities at DISTRICT that are directly related to the Cemetery. Notwithstanding the foregoing, neither Party hereto shall be obligated to indemnify the other for such other Party's own negligence. This indemnification provision shall survive termination of this Agreement.

ARTICLE 4 – TERM AND TERMINATION

- (1) This Agreement shall commence on September 23, 2024, and shall terminate on June 30, 2028.
- (2) Notwithstanding any other provision in the Agreement, either Party shall have the right to terminate this Agreement upon thirty (30) consecutive days' written notice given to the other Party.
- (3) In the event the Agreement is terminated by either party, NONPROFIT will donate all funds collected by the NONPROFIT specifically for the memorialization of the Cemetery to DISTRICT, after which the monies will be solely dedicated to the construction and maintenance of the site.
- (4) The DISTRICT shall have the right to demand the immediate removal of NONPROFIT members from its premises, upon a determination by the DISTRICT that the member poses a threat to the health, safety, or welfare of DISTRICT's students or personnel or to the orderly business function of DISTRICT. NONPROFIT shall cooperate with such demands.

ARTICLE 5 – GENERAL PROVISIONS

- (1) The Parties agree that this Agreement will be construed by the laws of the State of Texas and the venue for purposes of alternative dispute resolution, claims, or litigation shall be Fort Bend County, Texas.
- (2) The terms and conditions of this Agreement may be modified upon mutual written consent of the Parties at any time.
- (3) This Agreement and all terms and conditions contained herein shall become effective as of the date noted as the Effective Date that first appears in paragraph one of this document.
- (4) Any notice required or permitted under this Agreement shall be considered effective as of the date sent by certified mail, return receipt requested, as follows:

DISTRICT:

Marcell Smith, Ed.D.

- (5) Neither Party may assign any rights or obligations under this Agreement without the prior written consent of the other Party.
- (6) Each individual executing this Agreement on behalf of any Party expressly represents and warrants that he/she has authority to do so, and thereby to bind the Party on behalf of which/whom he/she signs, to the terms of this Agreement.
- (7) If any part of the Agreement should be determined to be invalid, illegal, inoperative, or contrary to applicable law, statute, regulation, or NONPROFIT or DISTRICT policies, that part of the Agreement shall be modified, if reasonably possible, to comply with the applicable policies, provisions of law, statute, or regulation, and in any event, the remaining parts of the Agreement shall be fully effective and operative insofar as reasonably possible.
- (8) A waiver by either Party of the breach or violation of any provision of the Agreement shall not operate as, or be construed to be, a waiver of any subsequent breach of the Agreement.
- (9) This Agreement is entered into by and between the Parties hereto and for their benefit. Unless explicitly provided in this Agreement, there is no intent by either Party to create or establish third-party beneficiary status or rights in any third party, and no such third party shall have any right to enforce any right or enjoy any benefit created or established under this Agreement.

- (10) This is the entire Agreement between the Parties and supersedes all prior agreements, proposals, or understanding, whether written or oral.
- (11) Nothing in this Agreement shall be construed as a waiver or relinquishment of any governmental immunities or defenses on behalf of FBISD, its trustees, officers, employees, and agents as a result of the execution or performance of this Agreement.

In witness thereof, the Parties have executed this Agreement in multiple counterparts, to be effective as of the date written on page one (1) of the Agreement.

For: Fort Bend ISD Board of Trustees Date: September 23, 2024 Action: Consideration and Approval: OEM Kitchen Equipment Parts, Preventative Maintenance, Repairs and Related Items Reference: District Goal 5 Department: Child Nutrition
--

Recommendation

Consideration and approval for the purchase of OEM kitchen equipment parts, preventative maintenance, repairs, and related items from multiple vendors in an amount not to exceed \$770,000 and for the Superintendent to extend the agreements through April 2025.

Summary

Original Equipment Manufacturer (OEM) refers to a company that produces parts or subsystems that are used in another company's end product. The Child Nutrition Department requires OEM specifications for this contract, rather than after-market parts, to ensure quality and compatibility. The extension of this contract will also cover all installation services associated with the District's large kitchen equipment spend-down plan, including the installation of new dish machines, ovens, steamers, reach-in coolers/warmers, serving lines, and more. As part of the Texas Department of Agriculture's approved spend-down plan, the Child Nutrition Department will utilize vendors under this contract for both equipment parts and installation services.

On July 20, 2020, the Board approved this contract for the Child Nutrition, Facilities, and Career and Technical Education (CTE) Departments with an initial expenditure amount not to exceed \$3,080,000 through June 2024. This extension will allow the Child Nutrition Department to continue the purchase of OEM parts, preventative maintenance, repairs, and related items.

Background

Expenditures for FY 2023-24 were \$1,819,407. The contract balance remaining under the current Board authorization is \$6,421. The increase of \$770,000 will raise the expenditure limit on the contract to \$3,850,000 through April 2025. Funding for the increase of \$770,000 is included in the budget.

Action: Consideration and Approval:
Special Programs, Services,

(Supplemental)
Reference: District Goal 5
Department: Special Education

Recommendation

Consideration and approval for the purchase of special program services, materials, and related items from multiple vendors and authorization for the Superintendent to negotiate and execute the agreements through March 2028.

Summary

On November 20, 2022, the District issued RFP 23-021AB to request proposals soliciting responses for services and support materials in the areas of Special Education (speech, sign language interpreting, braille transcription, language translation and oral interpretation, audiological, deaf and hard of hearing, dyslexia/dysgraphia/dyscalculia, evaluations, supplemental direct Special Education services, behavioral support, and related services providers), English as a Second Language (ESL), Bilingual, At-Risk, and Gifted and Talented. Thirty-two (32) vendors were awarded for their services.

On May 2, 2024, Fort Bend ISD issued a supplemental RFP 23-021AB-01 Special Programs, Services, Materials, and Related Items. Forty-five (45) vendors submitted proposals. This proposed action adds additional vendors to the list of previously approved vendors. The originally approved length of commitment and authorized expenditure amount do not change.

Fort Bend ISD is required to provide Special Education services and appropriate materials and equipment for students as determined by their Admission, Review and Dismissal (ARD) committees. Often these additional services, materials, and equipment require the District to enter into contractual agreements with vendors who specialize in a specific area or expertise to provide the goods or services. This RFP will ensure compliance with all applicable federal, state, and local statutory requirements. RFP 22-055AB and 22-048AB were awarded in June 2022 for similar services, and this allows additional resources to be added. In addition to the Special Education services, this RFP includes vendors who can provide Deaf and Hard of Hearing, ESL, Bilingual, and At-Risk student support. These consulting services and materials supplement the expertise of the school district.

An evaluation team comprised of Fort Bend ISD staff members from the Special Education and Business and Finance Departments evaluated the proposals. The vendors were selected by the evaluation team because they represent the best overall value for the District. The District applied the “Best Value” process in selecting the vendors to be awarded in accordance with Chapter 44, §44.031 (b) of the Texas Education Code & CH (Local) CH (Legal) purchasing and acquisition District policies.

Background

Expenditures in 2023-24 were \$706,387. Total expenditures year-to-date are \$3,085,459. Expenditures are not expected to exceed \$6,800,000 through March 31, 2028.

Athletic Trainer Supplies,
Equipment and Related Items
Reference: District Goal 5
Department: Athletics

Recommendation

Consideration and approval for the purchase of athletic trainer supplies, equipment, and related items from multiple vendors for an amount not to exceed \$1,500,000 and authorization for the Superintendent to negotiate and execute the agreements through September 2029.

Summary

On November 18, 2019, the Board approved RFP 19-086KB for Athletic Trainer Supplies, Equipment, and Related Items, which is set to expire in November 2024. On June 23, 2024, the District issued RFP 24-073AR to solicit new proposals for athletic trainer supplies, equipment, and related items for the District. Eleven vendors submitted proposals.

These supplies and equipment are crucial for maintaining a safe and effective athletic program within the District. The selected vendors will enable the District to establish a list of approved suppliers for Athletic Training Supplies, Equipment, and Related Items, which will support students and provide high-quality resources that meet the needs of students, athletic trainers, and coaches. By procuring top-quality supplies and equipment, the District aims to enhance the health, safety, athletic development, and the overall well-being of its students.

An evaluation team, consisting of staff from the Fort Bend ISD Athletic and Business and Finance Departments, reviewed the submissions. Vendors were assessed based on several criteria, including purchase price, vendor reputation, the quality of their goods or services, how well the goods or services met the District's needs, the vendor's past relationship with the District, and the long-term cost of acquiring the vendor's goods or services.

The District applied the "Best Value" process in selecting the vendors to be awarded in accordance with Chapter 44, §44.031 (b) of the Texas Education Code & CH (Local) CH (Legal) purchasing and acquisition District policies.

The term of this contract is for three (3) years with two (2) optional one-year extensions. The contract term will begin on September 23, 2024, and will run through September 22, 2027. With the two (2) option years, the contract can be extended until September 2029.

Background

Expenditures in 2023-24 were \$221,946. The previous five (5) year expenditure recommendation for this project was \$750,000. Expenditures will not exceed \$1,500,000 through September 2029. This includes additional expenditures not included in previous years, such as the anticipated annual spending for Crawford High School, the potential furnishing of Middle School #16, and the procurement of new equipment for the Clements High School rebuild. Funding is included in the budget.

Recommendation

Consideration and approval for the purchase of special event production, rental equipment, and related items from multiple vendors for an amount not-to-exceed \$520,760 and authorization for the Superintendent to negotiate and execute the agreements through September 2029.

Summary

The District issued RFP 24-067AL Special Event Production, Rental Equipment, and Related Items to replace RFP 19-101JB Special Event Production, Rental Equipment, and Related Items, which was approved by the Board in August 2019. This RFP is to qualify vendors to support a wide range of District events held by Fort Bend ISD administration, departments, and campuses.

This contract would not only support events managed by the Communications Department but will also be used by other District departments and campuses. Services would include, but are not limited to:

- Provision of audio-visual equipment (speakers, microphones projectors, screens)
- Lighting equipment for stage effects and ambiance
- Design and setup of event stages
- Rigging services for hanging equipment and decorations
- Technical support for audio, visual, and lighting systems
- IT services for events with digital components
- Decors and theming to enhance the event atmosphere
- Floral arrangements and centerpieces
- Power distribution and electrical services to support equipment
- Logistics management for timely setup, dismantling and removal of equipment etc.

These services ensure that events organized by any department or campus within the District are well-organized and successfully executed, contributing to a vibrant and engaging community atmosphere.

An evaluation team comprised of Fort Bend ISD District and Campus staff members evaluated the submissions. Vendors were evaluated based on the purchase price, the reputation of the vendor and the vendor's goods or services, the quality of the vendor's goods or services, the extent to which the goods or services met the District's needs, the vendor's past relationship with the District, and the long-term cost to the District to acquire the vendor's goods or services.

The District applied the "Best Value" process in selecting the vendors to be awarded in accordance with Chapter 44, §44.031 (b) of the Texas Education Code & CH (Local) CH (Legal) purchasing and acquisition District policies.

The term of this contract is for three (3) years with two (2) optional one-year extensions. The contract term will begin on September 23, 2024, and will run through September 22, 2027. With the two (2) option years, the contract can be extended until September 2029.

Recommendation

Consideration and approval of Construction Services Agreement with Dunhill Development and Construction LLC for Dulles High School and Dulles Middle School Renovations (BP028) for a contract lump sum amount of \$15,830,669 and authorization for the Superintendent to negotiate and execute or terminate the agreement.

Summary

On June 26, 2023, the Board of Trustees (BOT) approved all project budgets for the 2023 Bond Program. The BOT also approved PBK Architects Inc. as the architect of record to design and prepare construction documents for the Dulles HS/MS renovations.

The Competitive Sealed Proposal solicitation (CSP 24-061KB) requested bids for the Construction of Dulles High School and Dulles Middle School Renovations (BP028). Three firms responded to the CSP.

Design & Construction staff, in collaboration with the Director of Purchasing and Materials Management acting in an oversight capacity, evaluated the proposal using an evaluation team composed of FBISD staff members from the Design & Construction, Procurement and Finance Departments.

The final ranking of the contractors are as follows:

Firm Name	CSP Score	Base Bid Amount
Dunhill Development and Construction LLC	87.26	\$11,783,000
E Contractors LLC	76.82	\$13,500,000
Bass Construction Company, Inc.	69.20	\$22,000,000

The bid amount received was under the original budget. Through negotiations with the general contractor and the project team, staff is recommending acceptance of bid alternates along with an Owner's Contingency Allowance for a total construction cost of \$15,830,669.

The scope of work for this package includes renovations at Dulles High School and Dulles Middle School.

The detailed project budget for BP028 – Dulles High School and Dulles Middle School Renovations is provided on the attached Exhibit 1.

CSP Contract	Package Number	Description	Project Budget
CSP 24-061KB	BP028	Dulles HS/MS Renovations	\$19,792,856

The negotiated contract amount will be funded as part of the 2023 Bond Program Funds as detailed in the above table.

Upon Board approval, staff will negotiate the contract for the Dulles High School and Dulles Middle School Renovations and will begin once the contract is executed.

On May 6, 2023, FBISD successfully passed the 2023 Bond Program.

On June 26, 2023, the FBISD Board of Trustees (BOT) approved the 2023 Bond Program Master Project Budgets, including BP032 Hightower HS Renovations.

On October 2, 2023, the BOT approved the Phase 3 Professional Services Firms for Bond 2023 projects. Infrastructure Associates, Inc. was selected to design the chiller replacement scope from the Board approved vendor pool for BP023 Hightower HS Renovations,

On August 21, 2023, the BOT approved a Job Order Contracting (JOC) pool of five contractors to provide construction services to the district for both Bond 2023 and non-bond work. E Contractors USA, LLC was included as one of the selected JOC contractors in the vendor pool.

Staff is requesting approval to proceed with E Contractors USA, LLC as the JOC to execute the chiller replacement work under BP032 Hightower HS Renovations.

The detailed project budget for BP032 Hightower High School Renovations is provided on the attached Exhibit 1.

Package Number	Description	Project Budget
BP032	Hightower High School Renovations	\$14,672,500

Upon Board approval, staff will negotiate the contract with E Contractors USA, LLC and work will begin once the contract is executed.

Recommendation

Consideration and approval of a Construction Services Agreement with E Contractors USA, LLC for HVAC MEP West Central 2 Renovations and Upgrades at Multiple Campuses (BP045) for a stipulated lump sum amount of \$10,997,500, and authorization for the Superintendent to negotiate and execute or terminate the agreements.

Summary

The 2023 Bond Program includes HVAC MEP West Central 2 Renovations and Upgrades at four campuses: Kempner High, First Colony Middle, Sartartia Middle and Sugar Land Middle Schools.

On June 26, 2023, the Board of Trustees (BOT) approved all project budgets for the 2023 Bond Program. The BOT also approved Stantec as the architect of record to design and prepare construction documents for the HVAC MEP West Central 2 Renovations and Upgrades.

The Competitive Sealed Proposal (CSP) solicitation (CSP 24-059AL) requested bids for the HVAC MEP West Central 2 Renovations and Upgrades (BP045) construction. Seven firms responded to the CSP. Two firms were disqualified by Purchasing due to an incomplete bid submission.

Design & Construction staff, in collaboration with the Director of Purchasing and Materials Management acting in an oversight capacity, evaluated the proposals using an evaluation team composed of FBISD staff members from the Design & Construction, Procurement and Finance Departments.

The final ranking of the contractors is as follows:

Firm Name	CSP Score	Base Bid Amount
E Contractors USA, LLC	81.88	\$10,700,000
Bass Construction Co. Inc.	80.26	\$11,977,000
Prime Contractors, Inc.	77.75	\$13,100,000
ICI Construction, Inc.	74.38	\$13,100,000
American Mechanical Services	50.87	\$12,350,000

The bid amount received was under the original budget. Through negotiations with the general contractor and project team, staff is recommending acceptance of additive and deductive alternates along with Owner's Contingency Allowance for a total construction cost of \$10,997,500.

The detailed project budget for HVAC MEP West Central 2 (BP045) is provided on the attached Exhibit 1.

CSP Contract	Package Number	Description	Project Budget
CSP 24-059AL	BP045	HVAC MEP West Central 2	\$14,196,384

The negotiated contract amount will be funded with 2023 Bond Program Funds as detailed on the above table.

Upon BOT approval, staff will negotiate the contract for HVAC MEP West Central 2 and work will begin in fall 2024.

Moving Services and Supplies
(Increase)

Department: Design and Construction

Recommendation

Consideration and approval to increase the existing contract awarded under 22-032ZB Moving Services and Supplies by \$400,000 for a total not to exceed the amount of \$1,699,375, to continue purchasing moving services and supplies through June 2025.

Summary

The Design and Construction Department is requesting an increase to the existing contract awarded under 22-032ZB for Moving Services and Supplies, which is set to expire in June 2025. This contract supports the District's needs for moving supplies and services, including assistance with construction projects, T-building relocations, and various other moves across the District, such as relocating offices, departments, and/or campuses. Additionally, it covers the assembly and disassembly of furniture.

Several unplanned events occurred that required the procurement of moving services and supplies, resulting in the need for an increase. Those events were:

- The 2023 Easter Day Flood at the Administration Building
- The closure and reconsolidation of multiple campuses
- The closure and temporary storage of assets in the Annex building, and
- The damage of District facilities due to Hurricane Beryl.

The ongoing Bond 2023 projects, as well as unanticipated damages to school facilities that required emergency relocations and temporary storage of materials and equipment, have resulted in significant unplanned expenditures and the need for a contract increase. Therefore, the department is requesting a \$400,000 increase to the contract to meet the District's needs through 2025.

Background

Expenditures in 2023-24 were \$426,540, and expenditures year-to-date are \$260,311. The contract balance remaining under the current Board authorization is \$6,407. Expenditures will not exceed \$1,699,375 through June 2025. Funding for the increase of \$400,000 is included in the budget.

2024 Ad Valorem Tax Rate
References: Board Policy CCG (Legal)
Department: Business and Finance

Recommendation

Consideration and approval of a resolution adopting the combined Ad Valorem tax rate of \$0.9869 per \$100 of valuation for the Fort Bend Independent School District for the 2024 tax year.

Summary

This recommendation aligns with the requirements set forth in Section 48.255 of the Texas Education Code, which mandates that school districts calculate tax rate compression. Due to these required calculations, the Ad Valorem tax rate for the 2024 tax year is lower than last year's tax rate.

The proposed tax rate of \$0.9869 per \$100 of property valuation is comprised by the Maintenance and Operations (M&O) rate of \$0.7169, which covers the district's operational expenses, and an Interest and Sinking (I&S) rate of \$0.27, which is designated for the repayment of bonds issued by the district. The adoption of the recommended tax rate ensures that the district can continue to meet its financial obligations while providing necessary services and maintaining its infrastructure.

In accordance with the Property Tax Code Section 26.05, the Board of Trustees must approve the tax rate of the district. The method of adoption of the tax rate must be a written ordinance, resolution, or order. Before setting a tax rate, school districts must act on several items. These items include publishing notices on the district's website and in newspapers distributed within the school district boundaries; conducting a public hearing regarding the district's budget and tax rate; and adopting a budget.

The district has complied with the requirements of the law and received certified property values on July 25, 2024. Therefore, Fort Bend ISD may now proceed with adoption of the tax rate for the 2024-25 fiscal year.

The Fort Bend Independent School District's proposed tax rate for the 2024 tax year is \$0.9869 per \$100 of valuation, which is the district's voter-approval tax rate. This rate represents a \$0.0023 decrease from the current tax rate. The 2024 total tax rate was calculated as required by law.

This year's proposed tax rate exceeds the district's no-new-revenue rate of \$0.9015, therefore, a motion to adopt an ordinance, resolution, or order setting the tax rate does require the language about "tax increase" as stated in Tax Code Section 26.05(b).

"I move that the property tax rate be increased by the adoption of a tax rate of \$0.9869, which is effectively a 9.47 percent increase in the tax rate. I move that the 2024 total tax rate of \$0.9869 be adopted, with \$0.7169 for maintenance and operations and \$0.27 for debt service."

FORT BEND INDEPENDENT SCHOOL DISTRICT

A RESOLUTION

A RESOLUTION ADOPTING A 2024 TAX RATE AND LEVYING SCHOOL DISTRICT AD VALOREM TAXES FOR THE FORT BEND INDEPENDENT SCHOOL DISTRICT FOR THE YEAR OF 2024-25, DIRECTING THE ASSESSMENT AND COLLECTION THEREOF:

Whereas, the Board of Trustees of Fort Bend Independent School District finds that the tax rate for the year 2024, hereinafter levied for all lawful expenses of the school district and the carrying out of the duties and responsibilities placed upon said school district by law must be levied to provide the revenue requirements of the budget for the ensuing year; and

Whereas, the Tax Collector of Fort Bend County has certified a tax collection rate of one hundred (100.00) percent; and

Whereas, the Board of Trustees of Fort Bend Independent School District finds that all things prerequisite to the passing of this resolution, including all notices of hearings, consideration of budget and all other things have been done and performed; and

Whereas, the Board of Trustees of Fort Bend Independent School District further finds that the taxes for the year 2024, hereinafter levied therefore are necessary to pay all lawful expenses of the district and to carry out the duties and obligations placed upon said school district by law and to provide the required sinking fund on outstanding bonds of the school district and on bonds proposed to be issued for such purposes during the ensuing year; and,

Whereas, the 2024 total no-new-revenue tax rate calculated as required by law is \$0.9015 per \$100 of valuation. The proposed rate of 0.9869 reflects an increase of \$0.0854 cents per \$100 of assessed valuation or 9.47 percent increase above the total no-new-revenue tax rate. *THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE*

NOW, THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE FORT BEND INDEPENDENT SCHOOL DISTRICT THAT;

SECTION 1. For the further maintenance of public free schools in this school district and to pay the principal of and interest on outstanding bonds of the district during the ensuing year, and for all other lawful purposes, there is hereby levied and ordered to be assessed and collected for the year 2024, and for each year thereafter until it be otherwise provided and ordered, on all property situated within the limits of the boundaries of this school district, and not exempt from taxation by valid laws, an ad valorem tax at the rate of \$0.9869 (\$0.7169 to be used for maintenance and operations and \$0.27 to be used for payment of bonds) on the One Hundred (\$100) Dollars valuation of such property.

SECTION 2. This resolution shall become effective from and after its passage. Passed, adopted and ordered by the Board of Trustees, at a meeting at which a quorum was present with more than sixty percent of the trustees voting for and at which meeting this resolution, in written form, was before the Board at the time of its adoption on the 23rd day of September 2024. The results of the 2024 tax rate vote are as follows:
