Recommendation
Summary/Background
<p>The Texas Education Agency recently conducted an Intruder Detection Audit at one or more of our campuses. The audits test whether a campus is accessible to an unauthorized individual. This audit helps identify how we can improve safety for students, such as ensuring exterior doors are locked.</p> <p>We are working closely with our School Safety & Security Committee to ensure we are training all our staff and securing our doors for the protection of everyone at our campuses. Intruder Detection Audits are just one of the many actions we are taking to ensure our schools are safe.</p> <p>Since the April 20, 2026, Regular Board Meeting, the district received eight (8) Intruder Detection Audit reports for eight (8) campuses. Seven (7) reports came back with no corrective actions, and one (1) report showed a finding.</p> <p>Specific details of the Intruder Detection Audit may be discussed in closed session and will be discussed with the Safety and Security Committee. Fort Bend ISD is committed to providing a safe and secure learning environment for our students and staff.</p>

Student Enrollment & GOF Update

- Enrollment trends: 2025-26 budgeted enrollment 79,970
March 31, 2026 enrollment 78,073
Variance (1,897)
- District did not meet the budgeted enrollment by the PEIMS snapshot date of October 31, 2025. The state funding impact of lower enrollment is estimated to be between \$14M-\$18M. The District has received \$24.5 in one-time state revenue payments from TEA related to the Comptroller adjusting prior year property values, do to prior year property value audits. These additional funds will offset the loss of revenues from our lower enrollment.

The District's Financial Policies allow for interfunction transfers to be processed by staff. The Board asked for information to be included with the monthly financial report outlining any interfunction transfers that occur. The interfunction transfers processed to date ensure that expenditures are categorized in the most appropriate function for reporting to TEA. The table above illustrates all changes to the adopted budget, including donations received, inter-function transfers that have been processed, and amendments approved by the Board.

The Fund will reimburse the school district for reasonable expenses incurred for attending to the business of the Fund, including travel-related expenses. Fund trustees serve without compensation. The Fund's board meets in Austin or another Texas city four times per year and virtually, if needed.</p> <p>Bridget Chutz, the District's Director of Risk Management, has been re-nominated to serve on the TASB Risk Fund Board of Trustees. She is on her third term as a trustee and chairs the member services committee. Ms. Chutz has over seventeen years of experience as a school business official, and was recently honored by TASBO, receiving their Ambassador Award.</p>

RE: Service on the TASB Risk Management Fund Board of Trustees

Dear Bridget,

The TASB Risk Management Fund is a member-governed, self-funded risk pool comprised of over 1,000 Texas school districts, regional service centers, community colleges, and shared services arrangements. The Fund was created by school districts, with the help of TASB, in 1974 as a way for districts to provide workers' compensation coverage for Texas schools. In the more than 51 years since the Fund was first established, it has expanded its programs to include coverage for property, automobile, legal liability, cyber, and unemployment claims risks. In addition to pooled self-insurance programs, the Fund offers members school risk management training, expertise, and resources.

The Fund is governed by a 21-member Board of Trustees comprised of school board members, superintendents, and school business officials from Fund member districts across the state. The Board of Trustees governs and oversees the Fund and monitors and evaluates the effectiveness of TASB's administration of Fund programs and services. Fort Bend ISD has been a member of the Fund continuously since 1974. We are grateful for your service as a Fund Trustee.

As you know, Fund trustees are nominated by the Board's Nomination's Committee and then considered by the full Board for approval. For Fund Trustees or nominees that are employees of a school district, we ask that the local school board approve a resolution authorizing the employee's service on the Fund's Board of Trustees. The Fund will reimburse the school district for reasonable expenses incurred as a result of your attending to the business of the Fund, including travel-related expenses. Fund Trustees serve without compensation. The Fund's Board meets in Austin or another Texas city four times per year and virtually, if needed.

The TASB Risk Management Fund's Board of Trustees ensures that the Fund remains responsive to member needs, is financially stable, and adapts to the changing risk landscape

for Texas public schools. For you and your local school district, there is value in serving as a Fund Trustee, including:

- In-depth, hands-on professional development in school risk management strategies, leadership, and governance at no cost to Fort Bend ISD.
- Networking and relationship building with school leaders from across Texas to learn about successful initiatives and strategies in their districts.
- Access to up-to-date information about emerging risk management and coverage trends to inform risk management strategies for Fort Bend ISD.
- Opportunity to provide insight and information to shape Fund programs and services and advocate for Texas school district needs.

Your insight and engagement are instrumental in ensuring the Fund continues to provide valuable and affordable coverage programs and services to Texas public schools. We are grateful to Fort Bend ISD for supporting your service on the TASB Risk Management Fund's Board of Trustees and appreciate their consideration of a resolution authorizing your service. Please contact me or Paul Taylor (512.467.3663) if you have any questions about the resolution. If your school board approves the resolution, please send the signed resolution to Mary Kate Rice at marykate.rice@tasb.org for our records.

Thank you!

Consideration and approval of the 2026 – 27 Annual Professional Learning Plan.

Summary/Background
<p>Policy DMA Local requires that the Board of Trustees annually review the professional development clearinghouse published by the State Board for Educator Certification (SBEC) and approve the District’s Annual Professional Development Plan.</p> <p>The SBEC clearinghouse articulates required training on seven topics included in Senate Bill 1267 including:</p> <ul style="list-style-type: none">• Suicide prevention,• Strategies for maintaining positive relationships among students, including conflict resolution,• Preventing, identifying, responding to, and reporting incidents of bullying,• Safety training program,• Increasing awareness of issues regarding sexual abuse, sex trafficking, and other maltreatment of children,• Increasing awareness and implementation of trauma-informed care, and• Administration of an epinephrine auto-injector. <p>In addition to the required training from Senate Bill 1267, the clearinghouse provides resources that outline additional required training for district employees. The attached 2026 – 27 Annual Professional Learning Plan provides a schedule of the required professional learning for all employees aligned to the SBEC Clearinghouse. In fulfillment with the District’s DMA Local policy, this plan also notes any differences in the clearinghouse requirements and the proposed District plan.</p>

Fort Bend Independent School District

In addition to these learning requirements, all FBISD staff engage in required, optional, and compliance learning throughout the year to support the implementation of District goals and priorities. These courses support teachers and administrators in meeting required continuing professional education components for educator renewal of standard certificates. The plan was reviewed and approved by DPAC on February 25, 2026.

The 2026-27 Annual Professional Learning Plan is attached.

Recommendation
Consideration and approval of a Board resolution for State and Local Cybersecurity Grant Program application for Cybersecurity - Assessment and Evaluation program Year 2.

Summary/Background
<p>The district is seeking grant funds through State and Local Cybersecurity Grant Program application for Cybersecurity, Objective 2, Assessment and Evaluation, penetration testing.</p> <p>Grant funds will allow the district to broaden its annual cybersecurity penetration tests, which are currently limited by funding. With these funds, more comprehensive tests can be performed to better identify vulnerabilities in network and systems environments.</p> <p>This is a federal funding opportunity designed to help state, local, and tribal governments identify cyber risks, evaluate current security postures, and implement necessary, structured assessments to improve defenses against cyber threats. Managed by CISA and FEMA, this grant focuses on identifying vulnerabilities to strengthen critical infrastructure and services. This grant is administered by the State of Texas through a partnership between two key agencies, the Office of Governor & Texas Department of Information Resources (DIR).</p>

Recommendation
Consideration and approval of 2023 Bond Safety and Security Budget Amendment.

Summary/Background										
<p>Administration is requesting to move \$200,000 from the safety and security mounted door lock project and \$240,000 from safety and security contingency to the police vehicle project for purchase of police vehicles for the police department. The vehicles would be procured through an existing cooperative agreement. The eight vehicles include 5 marked police cars, 2 vans for the life safety group and 1 for emergency management.</p> <p>The police department currently has 91 vehicles with ages recapped below:</p> <table border="1"> <thead> <tr> <th>Age of Vehicles</th> <th>Number of Vehicles</th> </tr> </thead> <tbody> <tr> <td>9+ years old</td> <td>28</td> </tr> <tr> <td>5-7 years old</td> <td>40</td> </tr> <tr> <td>0-2 years old</td> <td>23</td> </tr> <tr> <td>Total</td> <td>91</td> </tr> </tbody> </table> <p>With 31% of the fleet over nine years old with high mileage, the department needs to replace vehicles. The vehicles allow officers and staff to travel to campuses to ensure safety and security of students and staff. Recommendation
Consideration and approval of the purchase of new library materials that were posted for public review beginning April 2026.

Summary/Background
Pursuant to SB 13, all new library materials recommended for purchase must be posted for a 30-day public review period to provide staff, students, parents, and community members the opportunity to review and comment prior to purchase. In addition, each time a school library catalog is updated, the Board of Trustees must approve or reject the list of proposed library materials at the first open meeting held 30 days or later after the list is made available to the public.
The library materials recommended for purchase have been posted in compliance with this requirement and are now submitted for Board consideration and approval.

Recommendation
Consideration and approval of the recommended 2026-27 School Health Advisory Committee (SHAC) membership roster.

Summary/Background
<p>The School Health Advisory Council (SHAC) is an advisory group whose duties are detailed within policy EHAA (LEGAL). In its capacity, the SHAC makes recommendations regarding initiatives and instruction related to health education, nutrition, fitness, and mental health. The board shall establish a local School Health Advisory Council (SHAC) to assist the district in ensuring that local community values are reflected in the district's health education instruction. <i>Education Code 28.004(a) Texas law</i> (Texas Education Code, Title 2, Subtitle F, Chapter 28, Subchapter A, §28.004) requires the establishment of a SHAC for every school district and they are required to meet at least four times each year [see BDF (LEGAL)].</p> <p>Annually, the SHAC provides the Board of Trustees with their recommended membership roster for approval. Members of the SHAC come from different areas of the community and from within the school district. The majority of members must be parents who are not employed by the district. The board shall appoint at least five members to the SHAC. A majority of members must be persons who are parents of students enrolled in the district and who are not employed by the district. One of those members shall serve as chair or co-chair of the SHAC. The board also may appoint one or more persons from each of the following groups or a representative from a group other than the group specified: Classroom teachers employed by the district, School counselors- employed by the district, School administrators employed by the district, District students, Health-care professionals licensed or certified to practice in this state, including medical or mental health professionals, a member of the business community, a member of Law enforcement, Senior citizens, a member of the clergy, a member</p>

of a Nonprofit health organizations; and a member of Local domestic violence programs.
Education Code 28.004(d)

Members are assigned to one, two, or three-year terms to maintain a balance of new and tenured members. This will protect the stability and develop consistency of the SHAC.

Recommendation
Consideration and approval of a Board resolution for the Criminal Justice Grant Program application to implement an Officer Wellness & Readiness Program.

Summary/Background
<p>The district is seeking grant funds from the Criminal Justice Grant Program application for the implementation of an officer wellness program. This is a federal funding opportunity designed to help state, local, and tribal governments for projects that promote public safety, reduce crime, and improve the criminal justice system.</p> <p>Program Purpose</p> <ul style="list-style-type: none">• Implement Vigilife, a comprehensive officer wellness and fitness-readiness platform.• Strengthen physical readiness, reduce preventable injuries, and support long-term workforce sustainability.• Provide individualized wellness insights and early-warning indicators aligned with the demands of school-based policing. <p>Identified Need</p> <ul style="list-style-type: none">• School policing requires sustained physical capability, yet the department lacks a unified system to track wellness, fatigue, or injury-risk trends.• Over the past three years, various injuries and fatigue-related sick leave have increased, many occurring during routine physical tasks.• These preventable injuries contribute to staffing shortages, overtime strain, and inconsistent readiness across shifts.• Current methods rely on officer self-management with no centralized data to guide early intervention.

Project Overview

- Deploy Vigilife to all sworn personnel to ensure equitable access and consistent readiness standards.
- Officers receive individualized dashboards, readiness indicators, and coaching tools.
- Supervisors receive aggregate, non-punitive data to support early intervention, workload balancing, and trend identification.
- Implementation includes onboarding, training, baseline assessments, and monthly progress reviews integrated into shift briefings and annual evaluations.

Overall Impact

- Strengthens officer health and operational readiness.
- Reduces avoidable strain on staffing and overtime resources.
- Supports a proactive, data-driven wellness culture that benefits officers, the department, and the school community.

**RESOLUTION
FORT BEND INDEPENDENT SCHOOL DISTRICT**

REGARDING AUTHORITY TO SUBMIT FEDERAL GRANT APPLICATION

WHEREAS, the Fort Bend ISD Board of Trustees ("Board") finds it in the best interest of the students, staff, and community members of Fort Bend ISD ("District"), that the District initiate the FBISD Police Department – Officer Wellness Program ("Program") and Year 1 of the Program be operated during the 2026-2027 academic year; and

WHEREAS, the Board agrees to provide applicable matching funds for said Program as required by the DJ-Edward Byrne Memorial Justice Assistance Grant Program application; and

WHEREAS, the Board agrees that in the event of loss or misuse of grant funds the Board assures the Office of the Governor that the funds shall be returned in full; and

WHEREAS, the Superintendent of Schools is the authorized official of Fort Bend ISD and as stated in Board Policy CB (LOCAL), the Superintendent is delegated authority to apply for, accept, reject, alter or terminate the grant on behalf of the District.

WHEREAS, the Director of Special Revenue is designated as the grantee’s financial officer. The financial officer is given the authority to submit financial and/or programmatic reports or submit grant revisions on behalf of the District.

NOW THEREFORE, BE IT RESOLVED THAT:

Fort Bend ISD Board of Trustees approves the Superintendent's submission of the grant application for the FBISD Police Department – Officer Wellness Program to the Office of the Governor.

Recommendation
Consideration and approval for the purchase of school nutrition software from CyberSoft Technologies, Inc. under a cooperative contract with Choice Partners in an amount not-to-exceed \$850,000 over a five-year period and authorization for the Superintendent to negotiate and execute the agreement through May 2031.

Summary/Background
<p>On April 3, 2023, the Board approved 23-028AB Child Nutrition Software to provide school nutrition software for the District. This contract will be replaced by 26-062KS upon expiration. The school nutrition software provided by CyberSoft Technologies, Inc. is a comprehensive, integrated system that supports key components of the District's Child Nutrition program within a single platform.</p> <p>The system has been successfully implemented and utilized by the District for the past nine (9) years. The modules in use have significantly improved operational efficiency by reducing processing time, eliminating paper-based processes, and providing critical data to support informed decision-making. The system serves as a comprehensive solution, functioning as a point-of-sale system, menu planning tool, free and reduced meal tracking system, and inventory management platform. It also delivers detailed financial reporting and includes a parent portal to enhance communication and accessibility for families. The department has been satisfied with the system's performance and would like to continue its use; therefore, it is recommended that the contract be renewed through a cooperative agreement with Choice Partners.</p>

Fort Bend Independent School District

This contract 26-062KS Child Nutrition Software seeks approval under relevant statutes, including Chapter 44, § 44.031(a) of the Texas Education Code and Chapter 791, Interlocal Cooperation Act, along with Board Policies CH (LEGAL) and CH (LOCAL) for purchasing goods and services. The Board of Trustees must approve proposal awards worth \$50,000 or more.

Renewal options are available through May 2031. Should the contracts not be renewed for the full term, staff will utilize an alternate cooperative contract or return to the Board to request authorization to utilize an alternate procurement method.

The term of this contract is for one (1) year with four (4) optional one-year extensions. The contract term will begin on May 12, 2026, and will run through May 11, 2027. With the four (4) optional one-year extensions, the contract may be extended through May 11, 2031.

Background

Expenditures in 2025 were \$149,380. Expenditures are not expected to exceed \$850,000 through May 2031. Funding is included in the budget.

Recommendation
Consideration and approval for the operation and management of the district online spirit store from STS Brand in an amount not to exceed \$2,700,000 over a five-year period and authorization for the Superintendent to negotiate and execute the agreement through May 2031.

Summary/Background
<p>On November 23, 2025, the District issued RFP 25-060AL to solicit qualified vendors to develop, manage, and operate the District's Online Spirit Store serving students, teachers, principals, parents, and staff across all campuses and departments.</p> <p>The purpose of the RFP is to establish a centralized, user-friendly e-commerce platform offering high-quality branded apparel and merchandise that reflects school spirit while maintaining consistency with District brand standards. The store will support year-round spirit wear needs as well as seasonal and event-specific collections, including back-to-school, homecoming, graduation, championships, and other District initiatives.</p> <p>Services will include the development and management of a 24/7 district online spirit store platform, including campus-specific webpages aligned with FBISD branding; diverse product offerings such as apparel, outerwear, accessories, and promotional items; a full range of sizes and options; secure online payment processing; purchase order capability; order fulfillment and shipping; inventory management; customer service; commission remittance to the District; and optional fundraising opportunities for campuses and organizations.</p>

Fort Bend Independent School District

This solicitation is intended to provide a consistent, compliant, and scalable solution across the District, while maximizing value through competitive pricing, revenue generation opportunities, and enhanced customer experience. The selected vendor(s) will be expected to demonstrate the ability to maintain brand integrity, ensure product quality, provide timely fulfillment, and deliver reliable customer support.

An evaluation team comprised of Fort Bend ISD staff members from Business and Finance, Enterprise Funds, Campus Administration, and Communications Departments evaluated the submissions. The district applied the “Best Value” process in selecting the vendors to be awarded in accordance with Chapter 44, §44.031 (b) of the Texas Education Code & CH (Local) CH (Legal) purchasing and acquisition District policies.

The term of this contract is three (3) years with two (2) optional one-year extensions. The contract term will begin on June 1, 2026, and will run through May 31, 2031. With the two (2) option years, the contract can be extended until May 31, 2031.

Background

Expenditures are not expected to exceed \$2,700,000 through May 31, 2031. Based on expected expenditures, which will primarily occur in Special Revenue and Activity Funds, the District could generate \$270,000 in commissions to offset expenditures. Funding is included in the budget.

Recommendation
Consideration and approval for the purchase of evaluation management system from Kickup Inc. in an amount not to exceed \$415,000 over a five-year period and authorization for the Superintendent to negotiate and execute the agreement through June 2031.

Summary/Background
<p>On February 24, 2020, the Board approved 20-015JB, Multiple Integrated Systems, to support assessment and performance management in the District. This contract will expire in June 2026. Fort Bend ISD issued RFP 26-040CT for an Evaluation Management System on December 11, 2025, in anticipation of the expiration.</p> <p>Fort Bend ISD requires a modern, integrated platform to manage performance evaluations across the District. The solution will serve all employees and be configurable to meet the needs of multiple job groups, including teachers, administrators, paraprofessionals, and auxiliary staff.</p> <p>The selected system will provide a comprehensive platform to support the District's educator evaluation and development processes. Key capabilities include:</p> <ul style="list-style-type: none">• The system supports the Texas Teacher Evaluation and Support System (T-TESS) and Texas Principal Evaluation and Support System (T-PESS) frameworks through fully integrated, end-to-end workflows. It includes configurable scoring structures and role-based access to ensure appropriate oversight for evaluators, administrators, and staff.• The system allows for flexible configuration of evaluation processes, including the ability to modify form templates during active evaluation cycles and design customized

forms for full-year use. It also incorporates intelligent features that provide recommendations to improve workflow efficiency and form utilization.

- The system includes built-in tools to support goal setting, evidence collection, and self-reflection. These tools provide automated insights and enable seamless data transfer, helping streamline documentation and improve the quality of evaluations.
- The system offers calibration functionality to promote consistency across evaluators, supporting aligned scoring practices and reducing variability. Advanced analytics help identify patterns and support more objective evaluation outcomes.
- Real-time data functionality with nightly data feeds to maintain accurate employee-supervisor relationships and reporting alignment
- Advanced analytics, including AI-driven insights and evaluator calibration tools to support consistent and informed evaluations

An evaluation team comprised of Fort Bend ISD staff from the Business and Finance, Information Technology, Human Resources and Organizational Development Departments reviewed the submissions, including vendor demonstrations and interviews. The District applied the “Best Value” method in selecting the recommended vendor in accordance with Chapter 44, §44.031(b) of the Texas Education Code and District policies CH (Legal) and CH (Local) related to purchasing and acquisition.

The term of this contract is for three (3) years with two (2) optional one-year extensions. The contract term will begin on July 1, 2026, and will run through June 30, 2029. With the two (2) option years, the contract can be extended until June 30, 2031.

Background

Expenditures in 2024-25 were \$81,120. Expenditures are not expected to exceed \$415,000 through June 2031. Funding is included in the budget.

Recommendation
Consideration and approval for the purchase of Microsoft Enrollment for Education Solutions (EES) from SHI International in an amount not to exceed \$10,950,000 over a seven (7) year period and authorization for the Superintendent to negotiate and execute the agreement through August 2033.

Summary/Background
<p>The current Microsoft Enrollment for Education Solutions (EES) contract 24-022AL approved by the Board on April 22, 2024, through a cooperative purchasing method is set to expire in September 2027. To ensure compliance with applicable funding requirements and to establish District-specific terms and conditions, Fort Bend ISD issued RFP 26-070RA for Microsoft Enrollment for Education Solutions (EES) on February 11, 2026.</p> <p>The Microsoft operating system serves as the District’s standard platform for servers, desktops, and laptops (including our 1:1 EquippED program). Maintaining current licenses is essential to ensure all systems running Microsoft software remain compliant, secure, and fully supported.</p> <p>The Enrollment for Education Solutions (EES) Agreement provides school districts with a cost-effective and streamlined method for acquiring Microsoft software licenses through a single, subscription-based agreement. Fort Bend Independent School District has participated in the Microsoft EES Agreement since the 2014–2015 school year. This annual agreement provides the District with the necessary licensing for all data center systems, standard desktop environments, and a modern productivity suite.</p>

Fort Bend Independent School District

License quantities for Microsoft products and services are adjusted annually to reflect District growth and evolving needs. The solutions included under this agreement enable the District to utilize current, enterprise-grade technology to support all operational functions.

Major software subscriptions and licenses included in this agreement are as follows:

- Windows-based operating systems for desktops and laptop computers used throughout the District including Office 365 (latest version), Desktop Optimization Packs
- Outlook E-mail - Cloud-based email transport for faculty, staff, and students
- OneDrive for Business - Cloud-based storage space for faculty, staff, and students
- SharePoint Online - Cloud-based collaboration tool and storage of department and campus files
- CoPilot Studio – Client-based tool for building and managing AI chat agents that interact with users, use data, and connect to apps like Microsoft Teams and websites
- Power BI and Power Apps - Cloud-based data analysis tools for reporting and building custom dashboards to digitize processes
- Microsoft 365 Copilot – Tool used to draft content, summarize documents, analyze data and automate workflows
- Microsoft Intune - Cloud-based tool that manages and secures access to company data across mobile, desktop, and virtual devices
- Microsoft Power Automate – Cloud-based tool used to automate tasks, notifications and workflows
- Microsoft Teams - Collaboration tool using instant messaging, peer-to-peer voice and video calls, and virtual meetings
- Microsoft Project Pro and Planner – Collaboration tools for planning, prioritizing, and managing project tasks and goals
- Microsoft Visio - Collaboration tool to visualize complex data, streamline processes, and support STEM learning
- Microsoft MSDN – Cloud-based collaboration tool for code development and testing
- Infrastructure services include Azure cloud services, SQL database licenses, 400+ Windows servers, etc.

An evaluation team comprised of Fort Bend ISD staff members from the Business and Finance and the Information Technology Departments evaluated the submissions. The District applied the “Best Value” process in selecting the vendors to be awarded in accordance with Chapter 44, §44.031 (b) of the Texas Education Code & CH (Local) CH (Legal) purchasing and acquisition District policies.

The contract term is seven (7) years, beginning September 1, 2026, and ending August 31, 2033. Staff is recommending a seven-year contract to ensure the most competitive pricing and to maintain flexibility for how the software can be funded.

Recommendation

Consideration and approval to execute a job order with JR Thomas Group, Inc. to perform the necessary relocation, set up and repair for portable classroom buildings needed to support the relocations associated with Madden ES Slab Repairs and Upgrades (BP023); approval of a Design Services Agreement with MWA Architects; approval of a not-to-exceed contract of \$600,000; and authorization for the Superintendent to negotiate, execute or terminate the respective contracts.

Summary/Background

On June 26, 2023, the Board of Trustees (BOT) approved the Bond 2023 A/E Architectural Design Teams and pool selection for Bond 2023 projects. MWA Architects was selected from the Board approved vendor pool to provide professional design services related to the installation, relocation, and repairs of the district's portable classroom buildings.

On June 26, 2023, the BOT approved the 2023 Bond Program Master Budgets, which included approval of \$9,032,022 for Madden ES Slab Repairs & Upgrades (BP023).

On August 21, 2023, the BOT approved a Job Order Contracting (JOC) pool of five contractors to provide construction services to the District for both Bond 2023 and non-bond work. JR Thomas Group, Inc. was one of the selected JOC contractors in the vendor pool.

On July 28, 2025, the BOT approved the use of Bond 2023 Program Contingency funds to increase the total project budget to \$21,180,116 which represents an increase of \$12,148,094 in the construction budget.

Fort Bend Independent School District

On March 30, 2026, the BOT approved the use of Bond 2023 Program Contingency funds for relocation costs. The approved relocation costs of \$1,500,000 revised the total project budget for the Madden ES Slab Repairs and Upgrades (BP023) to \$22,680,116.

The proposed amount received from JR Thomas Group, Inc. was within the approved project budget.

The table shown below summarizes the anticipated portable classroom building relocations and installations for the 2026-2027 school year:

Campus	Current Number of Portable Buildings	Portable Buildings Available for Release	Portable Buildings to be Installed	Projected Number of Portable Buildings 2026-2027
Malala ES	4	0	3	7
Neill ES	6	2	0	4
Mission Glen ES	1	1*	0	0
Total	11	3	3	11

*Portable Restroom

The scope of work required to relocate and set up the portable classrooms needed to support instruction for the upcoming school year includes, but is not limited to: building set up, site preparation required to receive the buildings, fire alarm system modifications, concrete sidewalks, landings, intercom systems, HVAC systems, fencing, walkway canopies, and building refurbishment.

The proposed budget also includes the scope to complete and provide the necessary technology to support the added classrooms; professional services to facilitate the design and permit process; and a site development allowance to cover site preparation.

The following table summarizes the anticipated costs associated with the relocation and installation of such buildings at the receiving campuses.

2026-2027 Portable Classroom Building Relocations and Repairs Budget	Cost
Professional Design Services	\$27,000
Design Contingency (10%)	\$2,700
Subtotal (Design Services)	\$29,700
Construction – Portable Building Relocations, Installation & Repairs	NTE \$450,000
Construction Contingency (10%)	\$45,000
Subtotal (Construction)	\$495,000

Fort Bend Independent School District

Site Development	\$16,000
Technology	\$50,000
Furniture, Fixtures, and Equipment (FF&E)	\$9,300
Subtotal (Other Project Costs)	\$75,300
Total Budget	\$600,000

The proposal for this job order and professional services agreement are within the approved construction budget. Administration recommends acceptance of a not-to-exceed amount of \$600,000 for the relocation, set up and repair of portable classroom buildings.

The detailed adjusted project budget for the Madden ES Slab Repairs & Upgrades (BP023) is provided on the attached Exhibit 1.

Package Number	Description	Adjusted Project Budget
BP023	Madden ES Slab Repairs and Upgrades	\$22,680,116

The negotiated contract amount for the portable classroom building relocation, installation and repairs will be funded from the 2023 Bond Program Funds, as detailed in the table above.

Upon Board approval, staff will execute the contract for the portable classroom building relocation, installation and repairs for Madden ES Slab Repairs and Upgrades (BP023). To ensure the portable classroom buildings are ready for use by August 2026, the work will begin in June 2026.

District Priority Alignment

This agenda item aligns with **District Priority 3** by ensuring operational readiness and continuity of instruction during major campus improvements. The relocation, installation, and repair of portable classrooms support uninterrupted learning environments while Madden Elementary undergoes critical slab repairs and upgrades. It reflects responsible stewardship of Bond 2023 funds through pre-approved vendor pools, budget oversight, and phased project planning. Overall, the item advances efficient facilities management and student-centered infrastructure planning to meet enrollment and instructional needs.

The negotiated contract amount will be funded with 2023 Bond Program funds as detailed in the above table.

Upon Board approval, staff will execute the contract for Sitework Package 3 (BP038) at multiple campuses and work will begin in Summer 2026.

District Priority Alignment

This agenda item aligns with **District Priority 3** by supporting the responsible management of district facilities and capital investments through the 2023 Bond Program. Approval of the Construction Services Agreement ensures that sitework improvements across multiple campuses are delivered within the approved budget, demonstrating strong fiscal stewardship. The competitively procured contract reflects effective use of public funds while maintaining accountability and transparency. Additionally, the project advances safe, functional learning environments and supports timely execution of voter-approved bond initiatives.

Recommendation
Consideration and approval for the purchase of cheerleader and dance team uniforms, supplies, and related items from multiple vendors in an amount not to exceed \$650,000 over a five-year period and authorization for the Superintendent to negotiate and execute the agreements through May 2031.

Summary/Background
<p>On June 14, 2021, the Board approved RFP 21-046KB for cheerleader and dance team uniforms and related items, which is scheduled to expire on June 13, 2026. The District issued RFP 26-047LB to replace the expiring contract.</p> <p>This contract will allow the District to secure competitive pricing from qualified vendors while ensuring high-quality standards for cheerleader and dance team uniforms. It also supports the replacement of aging or worn uniforms and helps ensure that all secondary campuses are adequately equipped to meet program needs.</p> <p>The District requires updated cheerleader and dance uniforms that meet current standards for performance, safety, durability, and school representation. Evaluation of proposals extends beyond cost and includes consideration of quality, design, customization, and expected longevity. This RFP enabled the District to evaluate vendors based on price and value-added factors. This contract establishes clear requirements for:</p> <ul style="list-style-type: none">• Fabric quality and durability• Sizing inclusivity and proper fit

Fort Bend Independent School District

- Custom design elements and school branding
- Compliance with applicable safety and activity standards

Cheerleader and dance team uniforms are purchased on an annual basis to support newly selected team members and to maintain consistency across programs.

An evaluation team comprised of Fort Bend ISD staff members from the Fine Arts, Athletics, Teaching and Learning and Business and Finance Departments evaluated the submissions. The district applied the “Best Value” process in selecting the vendors to be awarded in accordance with Chapter 44, §44.031 (b) of the Texas Education Code & CH (Local) CH (Legal) purchasing and acquisition District policies.

The term of this contract is for three (3) years with two (2) optional one-year extensions. The contract term will begin on May 11, 2026, and will run through May 10, 2029. With the two (2) option years, the contract can be extended until May 10, 2031.

Background

Expenditures in 2024-25 were \$117,496. Expenditures are not expected to exceed \$650,000 through May 2031. Funding is included in the budget.

Recommendation
Consideration and approval for the purchase of Online Payment Services for Sports Officials from Arbiter through the Central Texas Purchasing Alliance contract in an amount not-to-exceed \$217,609, a five-year period and authorization for the Superintendent to negotiate and execute the agreement through May 2031.

Summary/Background
<p>The Athletics Department requests approval to enter into an agreement with Arbiter to support the assignment and payment of athletic officials across the District. Payments to officials have historically been processed through the District's financial system; however, the process has presented challenges. The Arbiter platform provides a more efficient, controlled solution with improved tracking, standardized workflows, and enhanced auditability.</p> <p>This platform will be used for processing athletic officials' payments in a consistent and streamlined manner for the Athletics Department. Approval of this item will improve operational efficiency, strengthen internal controls, and support timely payment to athletic officials. This contract Online Payment Services for Sports Officials seeks approval under relevant statutes, including Chapter 44, § 44.031(a) of the Texas Education Code and Chapter 791, Interlocal Cooperation Act, along with Board Policies CH (LEGAL) and CH (LOCAL) for purchasing goods and services. The Board of Trustees must approve proposal awards worth \$50,000 or more.</p> <p>Renewal options are available through May 2031. Should the contracts not be renewed for the full term, staff will utilize an alternate cooperative contract or return to the Board to request authorization to utilize an alternate procurement method.</p>

Fort Bend Independent School District

The contract term is five (5) years, beginning May 12, 2026, and ending May 11, 2031.

Background

Expenditures are not expected to exceed \$217,609 through May 2031. Funding is included in the budget.

Recommendation
Consideration and approval for a partnership with Edmentum to provide instructional and programmatic support for the district's virtual high school under a cooperative contract with The Interlocal Purchasing System (TIPS) in an amount not to exceed \$4,200,000 over a five-year period and authorization for the Superintendent to negotiate and execute the agreement through June 2031.

Summary/Background
<p>The Edmentum partnership is a student-centered initiative designed to support Fort Bend ISD's virtual high school by providing high-quality, TEKS-aligned digital curriculum, instructional resources, and academic supports to ensure student success in a fully online learning environment. The program is structured to expand access to flexible learning opportunities while maintaining rigorous academic expectations and strong student outcomes.</p> <p>Edmentum will support virtual high school students through a comprehensive online learning platform that includes standards-aligned core content, credit recovery options, and personalized learning pathways. Beginning in the 2026–2027 school year, Edmentum will provide curriculum and instructional resources for identified students enrolled in the virtual high school program. The platform will enable students to progress at an individualized pace while ensuring alignment to state standards and graduation requirements.</p> <p>In addition, Edmentum will provide tools for progress monitoring, assessment, and data reporting to support teachers and administrators in tracking student performance and intervening as needed. Professional learning and implementation support will also be provided to ensure staff are equipped to effectively facilitate online instruction and support student engagement.</p>

Fort Bend Independent School District

This partnership supports district priorities by expanding access to innovative learning models, increasing opportunities for credit attainment and recovery, and ensuring students are prepared for college, career, and military readiness through a flexible, high-quality virtual learning experience. The program will generate average daily attendance (ADA) revenue that exceeds the per student cost, providing a financial sustainable model for the District. The cost of the program is \$2,500 per student. The district generates \$6,215 per student in ADA, so the program will generate a net total of \$3,529 in ADA at a 95% attendance rate for each student enrolled.

This contract 26-076DE Virtual School Provider seeks approval under relevant statutes, including Chapter 44, § 44.031(a) of the Texas Education Code and Chapter 791, Interlocal Cooperation Act, along with Board Policies CH (LEGAL) and CH (LOCAL) for purchasing goods and services. The Board of Trustees must approve proposal awards worth \$50,000 or more. Under the authority of the Texas Government Code §791.001 and the Interlocal Cooperation Act as amended, local governments like Fort Bend ISD are allowed to contract with each other and other government agencies. This Act exempts the requirement of seeking competitive bids for goods and services, once a school district determines that a local cooperative purchasing program offers the best value, to enhance efficiency and effectiveness.

Renewal options are available through May 2031. Should the contracts not be renewed for the full term, staff will utilize an alternate cooperative contract or return to the Board to request authorization to utilize an alternate procurement method. The term of this contract is for three (3) years with two (2) optional one-year extensions. The contract term will begin on July 1, 2026, and will run through June 30, 2027. With the two (2) optional years, the contract can be extended until June 30, 2031.

Background

Expenditures are not expected to exceed \$4,200,000 through July 2031 and will be 100 percent offset by the ADA revenue generated from students in attendance. Funding will be included in the 2026-27 budget for this item.

Recommendation
Consideration and approval for an Interlocal Contract (ILC) with the Regional Security Operations Center (RSOC) at the University of Texas (UT) at Austin.

Summary/Background
<p>The district is interested in completing an ILC with the UT RSOC to receive email security services funded by the Texas Education Agency (TEA), administered by UT's RSOC.</p> <p>This ILC authorizes the RSOC to implement and administer Abnormal.AI, an advanced email security platform, on behalf of the district. Abnormal.AI employs artificial intelligence to identify and mitigate sophisticated email-based threats that traditional security tools frequently fail to detect, including executive impersonation attempts (particularly those targeting campus principals), fraudulent vendor invoice schemes, and phishing attacks that contain no links or attachments. These threat vectors routinely evade the district's current security controls due to the use of highly tailored sender identities designed to mimic district leadership or other advanced methods of concealment.</p> <p>This enhanced email security will be offered to districts free of charge. Due to TEA's limited funding, participation will be determined on a first-come, first-served basis. Accordingly, the district seeks to be included for consideration as soon as TEA begins accepting requests on May 1, 2026.</p> <p>FBISD Legal has reviewed and approved the ILC language.</p>

**INTERLOCAL COOPERATION CONTRACT
BETWEEN
UNIVERSITY OF TEXAS AT AUSTIN
AND
Fort Bend ISD**

**RELATING TO THE USE OF THE UT AUSTIN REGIONAL SECURITY OPERATIONS
CENTER (RSOC) SERVICES**

THIS INTERLOCAL COOPERATION CONTRACT (“Agreement”) is entered into by and between Fort Bend ISD (“RSOC Customer”) and THE UNIVERSITY OF TEXAS (“UT”) (referred to individually as a “Party” and collectively as the “Parties”), pursuant to the authority granted and in compliance with the provisions of the Interlocal Cooperation Act, Texas Government Code, Chapter 791. This AGREEMENT is created to give effect to the intent and purpose of Chapter 2063, Texas Government Code, concerning Regional Security Operations Centers, including Sections 2063.601 through 2063.605 and authorizes RSOC Customer to participate in the RSOC operated by UT. RSOC Customer acknowledges and agrees that this Agreement is with UT and, therefore, RSOC Customer does not have privity of contract with any other UT service provider(s). The RSOC shall use reasonable efforts to provide the services (the “Services”) described in the Service Description.

SECTION I – CONTRACTING PARTIES

RSOC CUSTOMER: Fort Bend ISD

PERFORMING AGENCY: University of Texas at Austin

UT Contract No.: RSOC_ILC_0237

SECTION II – STATEMENT OF SERVICES TO BE PERFORMED

2.1 Effect of AGREEMENT and General Process

Per Government Code Section 2063.604, DIR and its university partner may include, but is not obligated to, provide the following security services through the RSOCs:

- (a) real-time network security monitoring to detect and respond to network security events that may jeopardize this state and the residents of this state;
- (b) alerts and guidance for defeating network security threats, including firewall configuration, installation, management, and monitoring, intelligence gathering, and protocol analysis;
- (c) immediate response to counter network security activity that exposes this state and the residents of this state to risk, including complete intrusion detection system installation, management, and monitoring for participating entities;
- (d) development, coordination, and execution of statewide cybersecurity operations to isolate, contain, and mitigate the impact of network security incidents for participating entities; and
- (e) cybersecurity educational services.

This Agreement is between UT and RSOC Customer and does not replace or supersede any other contracts for services, such as those offered by DIR. The terms of relevant DIR Shared Services Contracts, where applicable, will apply to this Agreement and will remain in full force and effect except as may be expressly modified by any amendment to the specific DIR Shared Services Contract. Such amendments will automatically apply to this Agreement with no further action by the Parties.

SECTION III – RSOC CUSTOMER PARTICIPATION

3.1 RSOC Customer Specific Requirements

RSOC Customer shall notify UT, in writing prior to execution of this Agreement, of all RSOC Customer-specific requirements (“RSOC Customer-Specific Legal Requirements”) that pertain to any part of RSOC Customer’s business that is supported by UT under this Agreement. The Parties intend that if the Parties agree such RSOC Customer-Specific Requirements will be coordinated between the Parties as part of the Services. RSOC Customer shall use commercially reasonable efforts to notify UT, in writing, of any changes to RSOC Customer-Specific Requirements that may, in any way, impact the performance, provision, receipt and use of Services. If necessary to facilitate UT compliance, RSOC Customer shall provide written interpretation to UT of any RSOC Customer-Specific Requirements. Should any RSOC Customer-Specific Requirements that are amended after the execution of this Agreement impede or otherwise impact the ability of UT to perform the services provided for herein, UT may terminate this Agreement immediately without further obligation to the RSOC Customer.

3.2 RSOC Responsibilities

The RSOC is responsible for:

- (a) security monitoring tools;
- (b) monitoring of security events;
- (c) notification of security events that require follow-up; and
- (d) reporting.

3.3 RSOC Customer Responsibilities

Where appropriate, RSOC Customer shall support the following:

- (a) Software currency standards are established for the environment. RSOC Customers are expected to remediate applications to comply with the standards.
- (b) Ensure network connectivity and sufficient bandwidth to meet RSOC Customer's needs.
- (c) Collaborate with the RSOC to establish and leverage standard, regular change windows to support changes to enterprise systems.
- (d) Allocate appropriate resources to perform the installation and support of the RSOC tools to enable RSOC to provide the services.
- (e) Coordinate with the RSOC to facilitate the uninterrupted collection of the data required for the RSOC to perform the services.
- (f) Collaborate with RSOC to develop and maintain the incident escalation matrix and make personnel available to act on a RSOC reported incident or alert.

- (g) Coordinate with the RSOC to act on planned and unplanned upgrades, maintenance, or other system changes within a mutually agreed upon timeframe.
- (h) Engage with the RSOC to act on reported incidents within a mutually agreed upon timeframe.

RSOC Customer acknowledges that any failure on its part to follow the above recommendations may place its own data and operations at risk.

3.4 RSOC Customer Equipment and Facilities

Any use by UT of RSOC Customer Equipment and/or Facilities shall be limited to the purpose of fulfilling the requirements of this Agreement. RSOC Customer will retain ownership of RSOC Customer Equipment.

3.5 Security

RSOC Customer agrees to comply with security recommendations provided by UT in connection with the Services, as communicated from time to time by UT. RSOC Customer agrees to inform UT of any RSOC Customer-specific security considerations. RSOC Customer acknowledges that any failure on its part to follow the above recommendations may place its own data and operations at risk. RSOC Customer accepts the risks and liabilities associated with failure to follow RSOC recommendations where UT and/or its service provider(s) determine that such recommendations would have prevented or mitigated an issue. UT and/or its service provider(s) accept no responsibility for the risk or liability incurred due to a RSOC Customer's decision not to follow UT's recommendations. Additionally, failure to comply with security standards, policies, and procedures may lead to the suspension or termination of the availability of certain Applications and services. UT will notify RSOC Customer of non-compliance.

SECTION IV

4.1 PRICING

The RSOC program is fully funded by the Texas Department of Information Resources (DIR) through legislative appropriations. As such, all RSOC services described in this agreement are provided to RSOC Customers free of charge, and no costs shall be incurred by the RSOC Customer for participation.

In accordance with Texas Government Code § 791.011(d)(3), each Party paying for the performance of governmental functions or services must make those payments from current revenues available to the paying Party.

In the event that legislative appropriations are reduced or eliminated such that DIR can no longer fund the RSOC program, this Agreement may be renegotiated to include a mutually agreed upon cost recovery model through an amendment to this Agreement. No charges will be made to the RSOC Customer without prior written agreement and approval from both parties.

4.2 PAYMENT FOR SERVICES

No payment is required from RSOC Customers under the current RSOC funding model. If in the future, RSOC services require a cost recovery due to a change in funding, the RSOC Customer shall not be billed or invoiced unless a new agreement is signed by both parties that outlines the scope, cost, and terms of payment.

Any future changes proposed must be reviewed and approved in writing by the RSOC Customer prior to invoicing. The Customer shall not be obligated to pay any charges that are not explicitly authorized in advance.

SECTION V – TERM AND TERMINATION OF CONTRACT AND SERVICES

5.1 Term and Termination of Agreement

The term of this Agreement shall commence upon execution of this Agreement by the last party to execute this Agreement and shall continue for an initial term of one (1) year. This Agreement shall automatically renew for successive one (1) year terms unless either Party provides notice of termination in accordance with Sections 5.2 and 6.4.

This Agreement is contingent on the continued appropriation of sufficient funds to pay the amounts specified in the RSOC Customer's Requests for Services, including the continued availability of sufficient relevant state funds if applicable. Continuation of the Agreement is also contingent on the continued statutory authority of the Parties to contract for the Services.

5.2 Termination of Services

Either Party may terminate this Agreement by giving the other Party sixty (60) calendar days' written notice in accordance with Section 6.4 of this Agreement.

SECTION VI – MISCELLANEOUS PROVISIONS

6.1 Public Information Act Requests

Under Chapter 552, Texas Government Code (the Public Information Act), information held by UT in connection with the RSOC is information collected, assembled, and maintained for UT. If RSOC Customer receives a Public Information Act request for information that RSOC Customer possesses, RSOC Customer shall respond to the request as it relates to the information held by RSOC Customer. Responses to requests for confidential information shall be handled in accordance with the provisions of the Public Information Act relating to Attorney General Decisions. Neither Party is authorized to receive or respond to Public Information Act requests on behalf of the other, but both Parties agree to inform the other Party upon receipt and prior to responding to a Public Information Act Request related to this Agreement or the services contemplated herein.

6.2 Confidential Information

Each Party shall maintain the confidentiality of information to the same extent that and with the same degree of care used to protect their own confidential information. UT acknowledges that

RSOC Customer may be legally prohibited from disclosing or allowing access to certain confidential data in its possession to any third party, including UT.

UT and RSOC Customer shall determine whether:

- (1) RSOC Customer is subject to the Family Educational Rights and Privacy Act of 1974 (FERPA) regulations at 34 Code of Federal Regulations Part 99;
- (2) RSOC Customer receives Federal tax returns or return information and must comply with the requirement of IRS Publication 1075 and Exhibit 7 to IRS Publication 1075; or
- (3) RSOC Customer is subject to any other requirements specific to the provision of Services.

The Parties shall negotiate in good faith to determine the ability of and mechanisms for UT to receive data or information protected by such regulations.

6.3 Ownership of Data

The RSOC Customer will retain full ownership of the data the RSOC Customer provides to UT. UT is permitted to use such data as necessary to perform the Services under this Agreement.

Upon termination of this Agreement, UT will make commercially reasonable efforts to remove RSOC Customer-provided data from UT's active operational systems within thirty (30) days, except where retention is required by applicable law, UT policy, security operations practices, or system backup retention schedules.

6.3.1 FERPA

This Section 6.3.1 applies only if and to the extent that the RSOC Customer provides data subject to the Family Educational Rights and Privacy Act of 1974 (FERPA). For purposes of this Agreement, UT acknowledges its obligations to comply with FERPA, including but not limited to the obligation to maintain confidentiality of student education records. If applicable, RSOC Customer may designate UT as a "School Official", as an outside service provider used by the RSOC Customer to perform institutional services, only to the extent that access to the records is required to carry out the obligations under this Agreement. The Parties understand that any unauthorized disclosure of confidential student information may violate FERPA and its implementing regulations. Disclosure of confidential student information received under this Agreement to a third party is not authorized. Upon termination of this Agreement, UT will make commercially reasonable efforts to return or remove confidential information maintained in active systems within thirty (30) days, unless retention is required by applicable law, UT policy, security operations practices, or system backup retention schedules.

6.4 Notification Information

Notice given pursuant to this Agreement shall be in writing and shall be given by United States certified or registered mail, return receipt requested, addressed to the appropriate party as set forth below:

RSOC Customer's Primary Contact for Agreement

Name:
Title:
Address:
Telephone:
Email:

UT's Primary Contact for Agreement

Name: Jeremy Carter
Title: Regional Security Operations Center Manager
Address: 1 University Station
Telephone: 512-475-9242

6.5 Binding Effect

The Parties hereto bind themselves to the faithful performance of their respective obligations under this Agreement.

6.6 Amendments

This Agreement may not be amended except by written document signed by the Parties hereto or as specified within this Agreement or the attachment being amended.

6.7 Conflicts between Contracts

If the terms of this Agreement conflict with the terms of any other contract between the Parties, the terms of this Agreement shall govern with respect to RSOC Services unless the Parties expressly agree in writing that another agreement supersedes this Agreement for those Services.

6.8 Responsibilities of the Parties

The Parties shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations and with the orders and decrees of any courts or administrative bodies or tribunals in any manner affecting the performance of the Agreement. The parties do not intend to create a joint venture. Each Party acknowledges it is not an agent, servant or employee of the other. Each Party is responsible for its own acts and deeds and for those of its agents, servants and employees. Notwithstanding the foregoing, UT will cooperate with RSOC Customer in all reasonable respects to resolve any issues pertaining to federal or state funding in connection with this Agreement. RSOC Customer shall comply with all policies, procedures, and processes as provided by UT.

In the event that RSOC Customer actions, failure to perform certain responsibilities, or requests outside the scope of Services result in direct and measurable additional costs to UT, the Parties agree to coordinate in good faith to address such costs. Any such costs will be communicated in

advance and will not be incurred without prior discussion and mutual understanding between the Parties. UT and RSOC Customer shall also coordinate and plan for situations where conflicts, delays, or competing resource demands may arise during the term of this Agreement.

6.9 Audit Rights of the State Auditor's Office

In accordance with Section 2262.154, Texas Government Code and other applicable law, the Parties acknowledge and agree that:

- (1) the state auditor, the Parties' internal auditors, and if applicable, the Office of Inspector General of RSOC Customer or their designees may conduct audits or investigations of any entity receiving funds from the state directly under the Agreement or indirectly through a subcontract under the Agreement;
- (2) that the acceptance of funds directly through this Agreement or indirectly through a subcontractor under the Agreement acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, the Parties' internal auditors, and if applicable, the Office of Inspector General of RSOC Customer or their designees to conduct audits or investigations in connection with those funds; and
- (3) that the Parties shall provide such auditors or inspectors with access to any information considered relevant by such auditors or inspectors to their investigations or audits.

6.10 General Terms

Except as expressly provided herein, no provision of this Agreement will constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies or immunities available to either Party. The failure to enforce or any delay in the enforcement of any privileges, rights, defenses, remedies, or immunities available to either Party by law will not constitute a waiver of said privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. Except as expressly provided herein, neither Party waives any privileges, rights, defenses, remedies or immunities available to it.

This Agreement will be construed and governed by the laws of the State of Texas. Venue for any action relating to this Agreement is in Texas state courts in Austin, Travis County, Texas, or, with respect to any matter in which the federal courts have exclusive jurisdiction, the United States District Court for the Western District of Texas, Austin Division. If one or more provisions of this Agreement, or the application of any provision to any Party or circumstance, is held invalid, unenforceable, or illegal in any respect, the remainder of this Agreement and the application of the provision to other Parties or circumstances will remain valid and in full force and effect.

6.11 Liability

Neither Party shall have a duty to defend or indemnify the other Party for claims arising out of or relating to the Services, except as otherwise provided by law.

The RSOC Customer understands that, while RSOC services will likely improve and support the cybersecurity posture of the RSOC Customer, there is no guarantee provided or asserted in any way that this service can or will block all attacks or prevent all breaches. In the event of a successful attack and/or breach, the RSOC Customer understands that, based on many factors, including system settings, user behaviors, and the availability of log and other information, it may

not be possible to stop, or identify the source of, a compromise or breach. Furthermore, through this service, it may not be possible to determine the precise number of records affected in the event of a breach.

6.12 Signatory Warranty

Each signatory warrants requisite authority to execute the Agreement on behalf of the entity represented.

SECTION VII – CERTIFICATIONS

The undersigned Parties hereby certify that:

- (1) the matters specified above are necessary and essential for activities that are properly within the statutory functions and programs of the affected agencies of State Government;
- (2) this Agreement serves the interest of efficient and economical administration of State Government; and
- (3) the Services, supplies or materials in this Agreement are not required by Section 21, Article 16 of the Constitution of Texas to be supplied under contract given to the lowest responsible bidder.

IN WITNESS WHEREOF, the Parties have signed this Agreement effective on date of last signature below.

Recommendation
Consideration and approval of a donation and General Fund budget amendment for 2025-2026.

Summary/Background				
<p>Per Board Policy CDC (Legal), the Board of Trustees will approve all District donations valued at \$50,000 or more. The District is receiving a \$141,930 donation from the Hightower Football Letterman Club to upgrade the Hightower fieldhouse weightroom. As a result, General Fund Revenues are increasing by \$141,930.</p> <p>The amendment below recognizes the revenues and expenditures resulting from the donation. A final budget amendment will be recommended in June 2026 for General Fund, Child Nutrition Fund and Debt Service Fund.</p>
