Before any closed meeting is convened, the presiding officer will publicly identify the section or sections of the Act authorizing the closed meeting. All final votes, actions, or decisions will be taken in open meeting. [See BEC (LEGAL)]

The following Fort Bend ISD Goals may be referenced in agenda items included in this document:

Priority 1: Increase successful student outcomes through enhanced learning opportunities.

Goal 1: By 2028, 80% of all students, at every campus, in grades 3, 5, 8, and 10 will grow at least one year in reading as indicated by NWEA Map Growth Measures.

Goal 2: For the class of 2026, the percentage of graduates that meet the criteria for CCMR will increase from 65% to 90%.

Priority 2: Create and sustain a culture and climate of professionalism, accountability, and communication (PAC) where stakeholders (students, parents, and staff) are valued, inspired, and engaged.

Goal 1: By 2027, FBISD will increase overall staff satisfaction with the district from 73% to 85% through an organizational focus on the principles of the PAC as measured by the District Culture and Climate Survey.

Goal 2: By 2027, FBISD will increase overall secondary student engagement in schools from 78% to 85% evidenced by students indicating they feel good about being in school on the District Student Engagement Survey.

Goal 3: By 2027, FBISD will increase parent satisfaction with FBISD schools from 80% to 85% evidenced by parents indicating the quality of their child's school as excellent or good through an organizational focus on the principles of the PAC as measured by the District Culture and Climate Survey.

Priority 3: Exhibit financial responsibility through transparent budgeting processes and effective management of resources aligned to the district strategic plan.

Goal 1: By June 2025, FBISD will review 100% of the key revenue drivers with the Board and align all funding with the district strategic plan. (Completed)

Goal 2: By 2027, ensure efficient staffing in all areas of the organization including campuses and departments.

8

Secondary LRBP Scope of Work

Relieve High School Overutilization

- Austin High School
- Elkins High School
- Travis High School

Feeder Pattern Review

- Elementary to Middle School
- Middle School to High School

9

Why a Focused Approach?

- **Three high schools remain overutilized and require attention**
 - Austin High School
 - Elkins High School
 - Travis High School
- **Opportunities exist to improve feeder alignment**
 - Particularly following recent elementary boundary adjustments
- **Several factors may influence future enrollment patterns**
 - Middle School Choice Programs
 - Limited Open Enrollment (Interdistrict and Intradistrict)
 - Education Savings Accounts (vouchers)

The district will continue to monitor enrollment trends to inform future boundary decisions.

Considerations that Informed Draft Boundary Scenarios

Reviewed collectively through a multi-step, iterative planning process

Key Component	Description
FBISD Policy FC (Local)	Guides boundary process and includes Decision Principles
Enrollment Trends	Current and projected enrollment
Maintaining Student Cohorts	Opportunities to keep student cohorts together following elementary boundary moves
Campus Utilization	Assessment of overutilized high school campuses
School Location	Proximity to nearby schools that are overutilized and/or underutilized
Transportation	Feasibility of bus routes and costs

11

These factors were reviewed through multiple rounds of analysis and discussion. No individual factor was reviewed in isolation.

Policy FC (Local) Decision Principles Summary

Category	Key Criteria
Community Integrity*	Neighborhood cohesion, safe walking distances, natural boundaries, feeder alignment
Growth Projections	Balanced utilization, minimize portables
Program Accommodations/Student Needs	Consideration of unique student needs
Frequency of Changes	Minimize repeated rezoning/boundary changes at same school level
Cost Effectiveness	Reduce costs (portables, staffing, transportation)

**Where feasible and practical*

Per Policy FC(Local), decision principles are primary factors considered in boundary recommendations with a student-centered focus.

The SBAC Process

Five meetings, plus make-up sessions

- 01 All scenarios presented** The committee received the secondary school scenarios at the outset.
- 02 Middle schools first** We initially focused on the middle school boundaries because of the complexity of the work.
- 03 Middle school vote** By the third meeting, the committee reached a majority vote on the proposed middle school plan.
- 04 High school discussions** Additional meetings were devoted to reviewing and finalizing the high school boundaries.
- 05 High school vote** The committee ultimately reached a majority vote on the high school recommendation.

15

High School Boundaries: Shared Agreement, One Key Decision

The overall high school pattern was agreed upon by the committee, with one unresolved question: How best to relieve Elkins High School.

COMMITTEE CONSENSUS

The high school pattern was agreed upon by all members except for the method of relieving Elkins.

Option 1

- Send a portion of students to Clements High School.
- Clements has been rebuilt, increasing its maximum capacity is harmless.
- Elkins is newer than Dulles and has a better FCI rating.

Option 2

- Rezoning Quail Valley Middle School to Dulles High School and part of EHS to CHS
- Address the use of portables serving approximately 650 students.
- Address safety concerns tied to substantial overcrowding and limited ease of access to the campus because of the two-way road.

16

The discussion was not about whether Elkins needed relief — it was about the degree and method of relief.

Data, Information & Staff Support

FBISD staff provided the information needed to evaluate the scenarios.

- Current and projected enrollment numbers
- Campus capacity percentages
- Proposed enrollment counts
- Maps and boundary information
- Portable classroom counts
- Transportation feedback
- Academy enrollment numbers and zoned schools

17

The committee also asked follow-up questions as issues emerged, including operational and educational implications.

A New Set of Eyes

New members brought fresh questions and perspectives.

Fresh perspective

A good number of new members joined the committee this round, bringing a new set of eyes to the scenarios.

Important questions

New members asked questions and offered thoughtful feedback as they became familiar with the process.

Healthy disagreement

Different viewpoints helped the committee examine capacity, operations, safety, and future needs from multiple angles.

18

The committee benefited from both returning experience and new perspectives.

Putting District Needs First

The committee's responsibility was to evaluate the information and recommend a plan aligned with district objectives and future needs.

What guided the discussion

- District objectives
- Current and projected capacity
- Enrollment impacts
- Operational considerations
- Safety and access concerns
- Future district needs

Our role as committee members was not to advocate for our respective feeder patterns.

Our role was to listen, evaluate, ask questions, consider competing concerns, and make a recommendation for the district as a whole based on the information and objectives provided to us.

19

The proposed plan reflects many hours of discussion, review, questions, and consideration.

Thank You

On behalf of the School Boundary Advisory Committee

Thank you to the Board of Trustees

for allowing us to serve and provide community input into this major decision.

Thank you to FBISD staff

for the extensive information, expertise, and support provided throughout the process.

20

And thank you to every SBAC member

for the time, effort, questions, perspective, and commitment brought to this work.

This was not an easy process, but we are grateful for the opportunity to contribute to the future of Fort Bend ISD.

 - Out years projections assume current transfer patterns remain constant for illustrative purposes only.
 - Actual future transfer participation may vary due to limited open enrollment opportunities, program availability, student choice behavior, attendance boundary changes, and other emerging enrollment factors.
 - Net transfer data reflects current attendance boundaries and was not recalculated under the proposed boundary scenarios.
 - FCI = Facility Condition Index; lower percentages indicate facilities in better condition relative to estimated replacement value

Recommendation

Summary/Background
Greg Gibson from the Gibson Consulting Group will present information from the Student Information System (SIS)/ Public Education Information Management System (PEIMS) Audit. In August 2025, pursuant to its contract to provide internal audit services for Fort Bend Independent School District, Gibson Consulting Group initiated an audit of the District's Student Information System (SIS) and the organizational function responsible for Public Education Information Management System (PEIMS) data submissions. The audit evaluated the effectiveness of internal controls, processes, and compliance practices related to SIS and PEIMS operations and included recommendations to address identified deficiencies, strengthen internal controls, and enhance operational effectiveness.

SIS/PEIMS Internal Audit

Fort Bend Independent School District

Report Presentation to the Board Audit Committee

Agenda

- Audit Objectives, Scope, and Summary
- Audit Recommendations
- Questions

Audit Objectives, Scope, and Summary

Audit Objectives

- To assess controls, processes, and procedures in SIS and PEIMS
- To ensure data accuracy and compliance with TEA Standards

Audit Scope

Eight major areas were analyzed during this audit:

- Organization and Management
- Student Information Systems
- Attendance and Six-Week Reporting
- Emergent Bilingual
- Immigrant Students
- Leavers
- At-Risk
- Other PEIMS Components

74

Audit Summary

- Targeted investments support data quality
 - ▶ Campus-embedded specialists and data quality monitoring tools
- Key risks remain:
 - ▶ Campus PEIMS responsibilities
 - ▶ SIS user security
 - ▶ Attendance reporting compliance
 - ▶ Emergent bilingual workflows
 - ▶ Documentation and coding practices on special populations
- 11 recommendations for improvement
 - ▶ 4 High priority
 - ▶ 6 Medium priority
 - ▶ 1 Low priority

75

Audit Recommendations

No.	Priority	Recommendation
1	Medium	Develop a districtwide framework that formally defines PEIMS roles and responsibilities for campus-based positions.
2	Medium	Strengthen the SIS user security group and location assignment process to address the position and school changes.
3	High	Monitor and enforce attendance reporting requirements.
4	High	Configure Skyward to limit a teacher's ability to enter attendance for the official attendance-taking time within a district prescribed time window.
5	Medium	Run periodic reports for all schools with unresolved "W" coded absences and require staff to clear all instances.
6	Medium	Implement additional controls over the six-week reporting process.
7	High	Invest in an EB data management system to minimize compliance risk and maximize efficiency.
8	High	Redesign the immigration identification process.
9	Medium	Expand the current leaver audit process.
10	Medium	Clarify at-risk coding roles and responsibilities and update the At-Risk Coding Guide to reflect the current state of automation.
11	Low	Implement a periodic review of G/T student documentation and establish a structured data validation process between the G/T Department and the PEIMS/Attendance/Enrollment team.

76

Audit Recommendations

Organization and Management

Recommendation 1: Develop a districtwide framework that formally defines PEIMS roles and responsibilities for campus-based positions.

- Lack of documented campus-level PEIMS roles.
- Misalignment between documented roles and actual practices.
- Overlapping ownership of PEIMS tasks at campuses.

78

Student Information Systems

Recommendation 2: Strengthen the SIS user security group and location assignment process to address the position and school changes.

- SIS security groups and campus access are automatically assigned based on HR position data.
- Changes in employee roles or locations are not consistently reflected in SIS access.
- Some users retain SIS security roles that no longer align with current job responsibilities.

79

Attendance

Importance of Accurate Attendance Reporting

- Texas uses a positive attendance system: students are assumed present unless marked absent.
- Attendance-related work in PEIMS audits is not about identifying additional funding but preventing potential funding loss due to noncompliance.
- PEIMS audits verify that absences are properly recorded and submitted during the designated reporting period.
- Lack of documentation or late-recorded attendance may lead TEA to withholding Foundation School Program (FSP) funding.

80

Attendance

Recommendation 3: Monitor and enforce attendance reporting requirements.

- Secondary schools reported lower rates of attendance taking than elementary secondary schools.
- Attendance Clerks do not have authority to hold teachers accountable for attendance practices.
- District-level attendance monitoring information is limited.
- Inappropriately recorded and unsupported attendance increases financial risk to FBISD.

81

Attendance

Recommendation 4: Configure Skyward to limit a teacher's ability to enter attendance for the official attendance-taking time within a district prescribed time window.

- Attendance can be entered or modified until 11:59 p.m. each day.
- Teachers can take or modify attendance outside the official attendance window.
- Available system controls are not configured to enforce attendance timing requirements.

82

Attendance

Recommendation 5: Run periodic reports for all schools with unresolved “W” coded absences and require staff to clear all instances.

- Attendance data for 2024-25 show 825 student absences remained coded as “W.”
- District procedures require clerks to review and clear “W” codes daily or weekly but were not completed for all instances. 83
- Unresolved “W” codes are treated as unexcused absences in state reporting.
- While this does not impact ADA funding, it may result in students being incorrectly identified for truancy.

Six-Week Reporting

Recommendation 6: Implement additional controls over the six-week reporting process.

- Six-weeks checklists and guidance are published for campuses but do not contain sufficient detail to validate the sequence and timing of required signoffs.
- Audit testing of a sample of reports identified inconsistencies in six-weeks signoffs.
- In several instances, the Principal signature was prior to report generation, the Principal was not the last party to review, or the Principal signature was missing.

84

Emergent Bilingual

Recommendation 7: Invest in an EB data management system to minimize compliance risk and maximize efficiency.

- The district does not use a centralized EB data management system.
 - ▶ The EB identification process relies on paper records, custom Skyward Q forms, and supplemental spreadsheets.
- K-12 campuses have limited visibility into the status of EB assessment and identification activities.
- Existing district-wide EB data is inconsistently captured and contains missing or anomalous entries.
 - ▶ Central office spreadsheets do not clearly capture enrollment dates or service start dates.

85

Immigrant Students

Recommendation 8: Redesign the immigrant identification process.

- Required data elements for immigrant identification are missing or incomplete in Skyward Q.
- The “years in U.S. schools” field has been managed primarily for EB TELPAS purposes.
- Data analysis identified missing values in the “years in U.S. schools” field
- Oversight of immigrant identification and coding is limited.

86

Leavers

Recommendation 9: Expand the current leaver audit process.

- District required leaver forms are not consistently completed.
- Supporting documentation did not consistently meet TEA requirements.

At-Risk

Recommendation 10: Clarify at-risk coding roles and responsibilities and update the At-Risk Coding Guide to reflect the current state of automation.

- The At-Risk Coding Guide defines entry responsibilities but does not fully reflect current system practices.
- Multiple campus positions are listed as responsible for the same at-risk tasks.88
 - ▶ The guide is not differentiated by school level.
 - ▶ Twelve positions are identified for data collection and seven for Skyward Q entry.
- Campus practices do not consistently align with the At-Risk Coding Guide.

Gifted and Talented (G/T)

Recommendation 11: Implement a periodic review of G/T student documentation and establish a structured data validation process between the G/T department and the PEIMS/Attendance/Enrollment Team.

- Exceptions were identified in the areas of parental consent and the need to provide evidence that a three-person committee convened to determine G/T eligibility.
- Six-week reporting confirms enrollment numbers but not documentation completeness.
- No formal step to verify that required documentation is on file for identified students.

Recommendation
Consideration and approval of a donation and General Fund budget amendment for 2026-2027.

Summary/Background																																																		
Per Board Policy CDC (Legal), the Board of Trustees will approve all District donations valued at \$50,000 or more. The district is receiving a \$54,500 donation from the Clements High School Band and Color Guard Booster Club for the purchase of a Band Tower. As a result, General Fund Revenues are increasing by \$54,500. The amendment below recognizes the revenues and expenditures resulting from the donation. <table border="1"> <thead> <tr> <th>Fund</th> <th>Function</th> <th>Original Budget</th> <th>Amendment</th> <th>Amended Budget</th> </tr> </thead> <tbody> <tr> <td></td> <td>Revenues</td> <td></td> <td></td> <td></td> </tr> <tr> <td>199</td> <td>57 – Local Revenues</td> <td>\$407,489,972</td> <td>\$54,500</td> <td>\$407,544,472</td> </tr> <tr> <td>199</td> <td>58 – State Revenue</td> <td>440,974,639</td> <td>-</td> <td>440,974,639</td> </tr> <tr> <td>199</td> <td>59 – Federal Revenues</td> <td>9,439,559</td> <td>-</td> <td>9,439,559</td> </tr> <tr> <td></td> <td>Total Revenue</td> <td>\$857,904,170</td> <td>\$54,500</td> <td>\$857,958,670</td> </tr> <tr> <td></td> <td>Expenditures</td> <td></td> <td></td> <td></td> </tr> <tr> <td>199</td> <td>11 – Instruction</td> <td>\$537,596,277</td> <td>-</td> <td>\$537,596,277</td> </tr> <tr> <td>199</td> <td>12 – Instructional Resource Media</td> <td>8,719,878</td> <td>-</td> <td>8,719,878</td> </tr> <tr> <td>199</td> <td>13 – Curriculum Development</td> <td>16,865,041</td> <td>-</td> <td>16,865,041</td> </tr> </tbody> </table>	Fund	Function	Original Budget	Amendment	Amended Budget		Revenues				199	57 – Local Revenues	\$407,489,972	\$54,500	\$407,544,472	199	58 – State Revenue	440,974,639	-	440,974,639	199	59 – Federal Revenues	9,439,559	-	9,439,559		Total Revenue	\$857,904,170	\$54,500	\$857,958,670		Expenditures				199	11 – Instruction	\$537,596,277	-	\$537,596,277	199	12 – Instructional Resource Media	8,719,878	-	8,719,878	199	13 – Curriculum Development	16,865,041	-	16,865,041

Recommendation
Consideration and approval for the use of 2023 Bond Program Contingency as proposed by Administration.

Summary/Background
The Texas Commission on Environmental Quality (TCEQ) Texas Clean School Bus (TCSB) Program grant was awarded to FBISD and will partially fund the replacement of aging diesel school buses to improve student health, safety, and air quality. The financial impact to FBISD will be \$515,679.00 to purchase 8 new school buses. Background: The Texas Clean School Bus (TCSB) Program, administered by the Texas Commission on Environmental Quality (TCEQ) under the Texas Emissions Reduction Plan (TERP), provides grant funding to school districts to reduce diesel exhaust emissions from school buses. The program prioritizes replacing older, high-emission buses with newer, cleaner models, thereby reducing student exposure to diesel exhaust and supporting statewide environmental and public health goals. The program reimburses eligible costs associated with approved bus replacement activities and requires strict compliance with procurement, reporting, usage, and equipment disposition requirements.

Fort Bend Independent School District

Grant Application Summary:

Fort Bend ISD submitted an application requesting funding for ten (10) bus replacement activities, with a total requested amount of \$1,074,418, under the TCSB Program. Following TCEQ's competitive review and prioritization process, eight (8) of the ten (10) submitted activities were approved and incorporated into the final executed grant contract. As a result, the District was awarded a total contract amount not to exceed \$841,072 under the Texas Clean School Bus Program.

TCEQ exercised its authority to approve a reduced number of activities as permitted under program rules.

Funding and Financial Impact

Total Cost of eight (8) new buses: \$1,356,751.00

Total Grant Amount Not to Exceed: \$841,072.00

District Expense: \$515,679.00 (for eight (8) new school buses)

Participation in the TCSB Program allows FBISD to:

- Replace aging buses that have exceeded their optimal service life;
- Improve air quality and reduce student exposure to diesel exhaust;
- Accelerate fleet modernization while reducing financial impact to local funds; and
- Support the District's long-term transportation safety and sustainability goals

Recommendation
Consideration and approval of the Personal Services Contract Exception Request and the attached contract, pursuant to Texas Education Code § 11.006 to permit K’Nara Coleman to perform personal services for the National Literacy Institute as stated in the written contract.

Summary/Background
A school district administrator may not receive financial benefit for the performance of personal services for any business entity that conducts or solicits business with the school district that employs the administrator, an education business that provides services regarding the curriculum or administration of any school district, or another school district, open-enrollment charter school, or regional education service center. Tex. Educ. Code § 11.006. However, an administrator (other than a member of a board of managers, superintendent, or assistant superintendent) may receive a financial benefit for the performance of personal services for (A) an education business that provides services regarding the curriculum or administration of any non-FBISD school district, or (B) another school district, open-enrollment charter school, or regional education service center if the Board of Trustees is provided and approves a written contract describing those services after determining that (1) the contract will not harm the district; (2) the arrangement does not present a conflict of interest and (3) the services to be performed by the administrator will be performed entirely on the administrator’s personal time (the “Exception Criteria”). For purposes of Section 11.006, an “administrator” is defined as a person who has significant administrative duties relating to the operation of a school district, including the operation of a campus, program, or other subdivision of the District. It does not include a District employee whose employment contract responsibilities primarily include the in-classroom instruction of students or a trustee of the District.

Fort Bend Independent School District

K'Nara Coleman has submitted an exception request, along with the written contract describing the personal services that K'Nara Coleman proposes to perform for the National Literacy Institute. In the request K'Nara Coleman has certified that the arrangement meets the Exception Criteria. Human Resources and Legal has reviewed the request and found that it meets the Exception Criteria.

If the Board finds that the contract meets the Exception Criteria above, it may approve the contract. If the Board votes not to approve the contract, the provision of personal services will be prohibited by Texas law. *See* Tex. Educ. Code §11.006. If the employee provides the services without Board approval, the employee is liable for a civil penalty of \$10,000 per violation. Tex. Educ. Code § 11.006.

Recommendation
Consideration and approval of the Harlem Road Expansion Detention Pond and Drainage Easement Agreement with Fort Bend County for the expansion, improvement, and perpetual, non-exclusive use of the existing detention pond on the Travis High School campus, and authorization for the FBISD Board President and/or a designee to negotiate and execute this agreement.

Summary/Background
Fort Bend County (FBC) is expanding Harlem Road, including segments adjacent to the Travis High School campus, as part of its Mobility Project No. 17402. The project requires additional detention to accommodate the increased storm water flow and drainage resulting from the road expansion and to comply with applicable government regulations. Fort Bend County has agreed to expand the capacity and improve the existing FBISD detention pond and drainage area on the Travis High School campus in exchange for perpetual, non-exclusive use to accommodate the increased storm water flow and drainage. In addition to accommodating the Harlem Road Expansion increased storm water flow, the expansion and improvements to detention pond have been designed to accommodate possible future improvements to the Travis High School campus.

DETENTION POND AND DRAINAGE EASEMENT AGREEMENT

This Detention Pond and Drainage Easement Agreement (the "Easement Agreement") is made by and between Fort Bend Independent School District ("Grantor"), an independent school district and political subdivision organized under the laws of the State of Texas, and Fort Bend County, Texas, a political subdivision of the State of Texas ("Grantee"). Grantor and Grantee are herein collectively referred to as the "Parties," and individually as a "Party."

WHEREAS, Grantor is the owner of certain tract land located in Richmond, Fort Bend County, Texas described as follows:

Being a tract of land containing 72.598 acres, more or less, being a portion of the State of Texas Permanent School Fund call 274.505 acre tract (Tract 1, Part Three, Fort Bend County Clerk's File No. 2003023371) being in the William Morton Survey, Abstract No. 62, Fort Bend County, Texas; said 72.598 acres being more particularly described by metes and bounds in Deed recorded under Clerk's File No. 2004079512 of the Official Public Records of Fort Bend County, Texas (the "Grantor Tract").

WHEREAS, the Grantor Tract is located adjacent to the Harlem Road right-of-way, which right-of-way is part of Fort Bend County road expansion project under Mobility Bond Project No. 17402 (the "Project"); and

WHEREAS, in connection with said Project, Grantee needs storm water detention in a volume sufficient under all regulatory requirements to accommodate the increased storm water flow and drainage arising from the Project; and

WHEREAS, Grantor has agreed to provide Grantee a perpetual, non-exclusive easement for the purposes of accommodating such storm water flow and drainage from the Harlem Road right-of-way to the existing detention pond located on the Grantor Tract (the "Detention Pond").

NOW, THEREFORE, for and in consideration of the sum of Ten and 00/100 Dollars (\$10.00) and other good and valuable considerations, the receipt and sufficiency of which is hereby acknowledge, Grantor and Grantee agree as follows:

1. **Recitals.** The recitals set forth above are a material part of this Easement Agreement and are incorporated herein by reference and made a part hereof.
2. **Easements.**
 - (a) Drainage Easement. Grantor hereby grants, conveys, and transfers to Grantee a perpetual, non-exclusive drainage easement (the "Drainage Easement") for the purpose of draining storm water flow from the Harlem Road right-of-way through any outflow lines, drainage lines, swales, ditches, or other facilities existing within over, and across a portion of the surface of the Grantor Tract 274.50 feet in width along the boundary line between the Grantor Tract and the expanded Harlem Road right-of-way, as described in more detail in Exhibit "A", attached hereto and incorporated herein by reference (the "Drainage Easement Area") to the Detention Pond, as permitted by the Detention Easement described below, and subject to the terms and conditions set forth in this Easement Agreement.
 - (b) Detention Easement. Grantor grants to Grantee a perpetual, non-exclusive easement over a portion of Grantor's Tract containing the Detention Pond, as defined in more detail in Exhibit "A", attached hereto and incorporated herein by reference (the "Detention Pond Easement Area") for the purpose of performing the Detention Pond Expansion (as defined below), and for the discharge of storm water in a capacity not to exceed Grantee's portion of the Needed Capacity as described in Section 3, below, from the Drainage Easement Area into the Detention Pond Area, subject to the terms and conditions set forth in this Easement Agreement.
3. **Project Description and Outflow.** Grantee shall widen the existing Harlem Road right-of-way to a six (6) lane concrete boulevard including drainage improvements sufficient to accommodate drainage flow arising from the Project to the Detention Pond Area. in a volume of up to 6.00 acre-feet (the same being the "Needed Capacity" for the Detention Pond) as follows:
 - (a) 1.00 acre-feet shall be allocated to Grantee for the Project.
 - (b) 1.5 acre-feet shall be allocated to Grantee for any future expansion of Harlem Road located South of the Grantor Tract.
 - (c) 3.5 acre-feet shall be allocated to Grantor for any future detention needs of Grantor.
4. **Detention Pond Expansion.** As part of the consideration for the granting of this Easement Agreement, Grantee, at Grantee's sole cost and expense, shall, no later than twenty-four (24) months following the Effective Date, expand the existing Detention Pond within the Detention Pond Easement Area by 6.00 additional acre-feet of detention capacity (the "Detention Pond Expansion") in accordance with the specifications attached hereto on Exhibit "B, "and incorporated herein by reference (the "Detention Pond Expansion Specifications"), to accommodate the additional storm water flow as provided in Section 3 above. Grantee, shall, at its sole cost and expense, remove any soil excavated from the Detention Pond Expansion and shall transport such soil to a location determined by Grantee in compliance with all applicable laws and regulations.

5. **Detention Pond Maintenance.** Upon Grantee's completion of the Project and the Detention Pond Expansion, as be evidenced by a Certificate of Completion issued by the Fort Bend County Engineer, Grantor, at Grantor's sole cost and expense, shall be responsible for providing any maintenance or repairs to the Detention Pond to ensure that the Needed Capacity is available for use by Grantee and Grantor.
6. **Outfall Maintenance.** Grantee, at Grantee's sole cost and expense, shall be responsible for providing any maintenance or repairs to the storm sewer outfall and related facilities for the Detention Pond.
7. **Rights of Ingress and Egress to Grantor Tract.** Prior to commencement of the Detention Pond Expansion, Grantee, and Grantee's successors, assigns, contractors, subcontractors, and employees, shall have the right to go over and across the lands of Grantor entering at entering at the north gate of the Athletics Fields Complex, accessible from the main campus entry drive off Harlem Road, next to the Faculty Parking Lot during the hours of 8:30 AM to 3:30 PM for the purposes of performing surveys and other such necessary pre-construction or work for the Detention Pond Expansion. All construction activities for the Detention Pond Expansion, including excavation, earth work, and other related work, shall also utilize the same access and be limited to the hours of 8:30 AM to 3:30 PM. No excavation work, earth moving work, or other such work shall be undertaken by Grantee on any lands of Grantor except as required for the Detention Pond Expansion. After Grantee completes the Detention Pond Expansion, Grantee, including its successors, assigns, contractors, subcontractors, and employees, from time to time, shall have a right of ingress and egress over, along and across the Grantor Tract for the purpose of operating, repairing, maintaining, altering, reconstructing and/or inspecting the Detention Pond Expansion, any storm sewer outfalls constructed for the Detention Pond Expansion, and all associated equipment and appurtenances thereto. Except as otherwise specifically set forth in this paragraph, Grantee shall have no right to go or travel upon, over or across any lands of Grantor.
8. **Permits and Storm Water Discharge.** Grantor, at Grantor's sole cost and expense, shall be solely responsible for obtaining all permits, authorizations, licenses, and consents required by any and all governmental entities having jurisdiction over the maintenance and environmental compliance of the Detention Pond, including any permits or authorizations from the Texas Commission on Environmental Quality ("TCEQ"). Grantee, at Grantee's sole cost and expense, shall be solely responsible for obtaining all permits, authorizations, licenses, and consent required by any and all governmental entities having jurisdiction over the transmission and discharge of storm water flow from the Harlem Road right-of-way, including any permits or authorizations the TCEQ.
9. **No Construction of Barriers.** Grantor, on behalf of itself and its successors and assigns, covenants and agrees that it will not erect, construct, or install any improvements on the Easement Area that would obstruct or diminish the discharge of storm water and drainage from the Harlem Road right-of-way onto, over, and to the Easement Area.

10. **No Right to Construct Improvements.** This Easement Agreement does not grant Grantee any right to engage in any activity or construct or maintain any improvements except as provided in this Easement Agreement. Grantor, for itself, its successors and assigns, hereby reserves and shall have the right, at all times, to remove any structures or improvements not consistent with the terms of this Easement Agreement.
11. **Non-Exclusive Provisions.** The Easement rights, and privileges granted herein are non-exclusive, and Grantor reserves and retains the right to convey, plat, and/or dedicate similar rights and easements, as well as other types of rights and easements, to such other persons or entities as Grantor may deem proper, providing such other conveyances do not materially affect the Grantee's use of the Easement conveyed herein. Subject to the limitations set forth in the preceding sentence of this Easement Agreement, Grantor specifically reserves the right to expand, enlarge, or otherwise modify the Detention Pond. Grantor shall provide Grantee with an update to the Drainage Study prepared by an engineer selected by Grantor reflecting any proposed modifications of the Detention Pond at least thirty (30) days prior to the construction of any modifications to insure that Grantee's rights granted hereunder are preserved.
12. **Limitations.** Grantor shall have no liability or responsibility for constructing or arranging additional outflow lines, drainage lines, swales, ditches, or other facilities to transport storm water flow and drainage from the Project to the Detention Pond other than any outflow lines, drainage lines, or other facilities that currently exist on the Grantor Tract. The Easement shall be used for the purpose of serving the detention capacity needs of the Road Expansion Project only as provided in this Easement Agreement, and shall not be used for any other projects of Grantee without the prior written consent Grantor.
13. **Term.** The term of the Easement shall be perpetual until Grantee records a release and abandonment of easement document in the Official Public Records of Fort Bend County, Texas, forever releasing and abandoning the Easement rights and privileges granted herein.
14. **Default.** In the event there is a breach by either Party with respect to any provision of this Easement Agreement or its obligations hereunder, including preservation of each Party's respective rights to the Needed Capacity and maintenance obligations related to the Detention Pond, such Party (the "non-defaulting party") shall give the other Party (the "defaulting party") written notice of such breach. After receipt of such written notice, the defaulting party shall have forty-eight (48) hours in which to cure any such breach, if such breach constitutes an emergency, or ten (10) days if such breach does not constitute an emergency. Should the defaulting party fail to cure the breach, upon the expiration of the time limitations set forth herein, the non-defaulting party shall have the right to take any and all necessary actions to cure such breach, and seek reimbursement from the defaulting party for any reasonable costs and expenses incurred by the non-defaulting party in curing such breach.
15. **Notices.** Any notice required or permitted to be given under this Easement Agreement shall be in writing, and shall be deemed to have been given when delivered by hand

delivery, or when deposited in the U.S. Post Office, registered or certified mail, postage prepaid, return receipt requested, if mailed. Notices shall be addressed as follows:

Executive Summary

Agenda Review Workshop		Meeting Date: August 17, 2026
Agenda Item Title: Review: Library Book Purchase Programs Update		
Board Policy: EFB	District Priority: Priority 1	
Department: Deputy Superintendent Teaching & Learning		
Are there related documents to be signed by the Board? NO		
☒ Administration has reviewed the final submission for this agenda item.		
☒ Reviewed by Deputy Superintendent		☒ Reviewed by Chief of Staff

Recommendation
Consideration and approval of the purchase of new library materials that were posted for public review beginning July 2026.

Summary/Background
Pursuant to SB 13, all new library materials recommended for purchase must be posted for a 30-day public review period to provide staff, students, parents, and community members the opportunity to review and comment prior to purchase. In addition, each time a school library catalog is updated, the Board of Trustees must approve or reject the list of proposed library materials at the first open meeting held 30 days or later after the list is made available to the public.
The library materials recommended for purchase have been posted in compliance with this requirement and are now submitted for Board consideration and approval.

Agenda Review Workshop		Meeting Date: August 17, 2026
Agenda Item Title: Review: Pharmacy Benefit Management (PBM) Administration		
Board Policy: CH, CV, or DBD (Local)	District Priority: Priority 3	
Department: Deputy Superintendent Operations		
Are there related documents to be signed by the Board? NO		
☒ Administration has reviewed the final submission for this agenda item.		
☒ Reviewed by Deputy Superintendent	☒ Reviewed by Chief of Staff	

Recommendation
Consideration and approval for the purchase of Pharmacy Benefit Management (PBM) Administration from CaremarkPCS Health, L.L.C. / Employers Health Purchasing Corporation (Employers Health) in an amount not to exceed \$126,268,800 over a five-year period and authorization for the Superintendent to negotiate and execute the agreement through December 2031.

Summary/Background
On February 17, 2026, the District issued RFP 26-057KB to solicit proposals from qualified vendors to provide Pharmacy Benefit Management (PBM) Administration. Under this contract, CaremarkPCS Health, L.L.C. will provide PBM services in collaboration with Employers Health Purchasing Corporation (Employers Health). District Goal 2 is to recruit, develop, and retain effective teachers and staff. The offering of a comprehensive pharmacy benefit plan is a key, ongoing effort to meeting this goal. Vendors were evaluated based upon the anticipated cost to the District, reputation, quality of programs offered, extent to which the programs met the District's needs, strength of the management team, cost effectiveness of the drug pricing, and the clinical pharmacy programs offered. With Pharmacy and Specialty Pharmacy trends still a growing component of overall health care costs, many employers have tried to find ways to help mitigate the impact of this trend. Given the rapid changes in the PBM marketplace and recent acquisition activity, it is imperative that employers re-evaluate their current arrangements to better understand the impact this market dynamics have on services, market share, pricing, and transparency.

Fort Bend Independent School District

An evaluation team comprised of Fort Bend ISD staff members from Employee Benefits & Wellness Committee, Business & Finance, and Human Resources (Employee Benefits & Wellness) departments evaluated the submissions. The district applied the “Best Value” process in selecting the vendors to be awarded in accordance with Chapter 44, §44.031 (b) of the Texas Education Code & CH (Local) CH (Legal) purchasing and acquisition District policies.

The term of this contract is for three (3) years with two (2) optional one-year extensions. The contract term will begin on January 1, 2027, and will run through December 31, 2029. With the two (2) option years, the contract can be extended until December 31, 2031.

Background

Expenditures for Plan Year 2025 were \$27,094,849. Expenditures are not expected to exceed \$126,268,800 through December 2031. Funding is included in the budget.

Recommendation
Consideration and approval to increase the existing contract awarded under 23-082AR School Bus Purchase by \$1,356,751 for a total not to exceed amount of \$6,994,155 to continue the purchase of school buses through September 2028.

Summary/Background
The Transportation department is requesting an increase for the purchase of eight (8) new 77 passenger school buses. The District's bus replacement and fleet growth plan focuses on replacing aging buses that have exceeded their useful service life while supporting the growing transportation needs of students. As vehicles age, maintenance costs increase, reliability declines, and operating expenses continue to rise. The District currently operates an aging fleet of school buses, many of which exceed the industry standard age for replacement. While the Transportation Department will continue to maintain the existing fleet, additional bus replacements are necessary to ensure safe, reliable, and efficient transportation services. Older buses have become increasingly costly to maintain and are more susceptible to mechanical failures, resulting in occasional service disruptions and longer route times. Increasing the authorization for the replacement of aging school buses supports the District's commitment to student safety, fiscal responsibility, and environmental stewardship by: • Replacing buses that have exceeded their optimal service life, improving fleet reliability and reducing maintenance costs.

Fort Bend Independent School District

- Improving air quality by reducing student and driver exposure to diesel emissions through the deployment of newer, cleaner buses.
- Accelerating the modernization of the District's transportation fleet while minimizing the impact on local operating funds through available grant assistance.
- Advancing the District's long-term transportation, safety, sustainability, and operational efficiency goals.

Approval of this increase will enable the District to modernize its transportation fleet, reduce future maintenance expenditures, improve service reliability, and ensure the continued delivery of safe, efficient, and dependable transportation services for students.

Background

Expenditures in 2025-26 were \$2,502,258. The contract balance remaining under the is \$184,152. The expenditures are not expected to exceed \$6,994,155 through September 2028.

Recommendation
Consideration and action to approve an Agreement for the Purchase of Attendance Credit (Option 3 Agreement) and to delegate contractual authority to the Superintendent. For the 2026-2027 school year, we delegate contractual authority to obligate the school district under Texas Education Code (TEC) §11.1511(c)(4) to the Superintendent, solely for the purpose of obligating the district under TEC, §48.257 and TEC, Chapter 49, Subchapters A and D, and the rules adopted by the commissioner of education as authorized under TEC, 49.006. This included approval of the Agreement for the Purchase of Attendance Credit, the Agreement for the Purchase of Attendance Credit (Netting Chapter 48 Funding) or the Agreement for Purchase of Attendance Credit and Netting Chapter 48 Funding.

Summary/Background
Annually in July, the Texas Education Agency (TEA) provides official notification to districts with yield per penny per student in weighted average daily attendance (WADA) exceeding the Tier 2 – Level 2 (Copper pennies) guaranteed yield of \$49.72 established by the Texas Education Code (TEC), §48.257. The estimates are based on student enrollment projections for school year 2026-27 and estimated property values for tax year 2026. Because TEA does not yet have final state certified property values for tax year 2026, the agency is using preliminary estimated values in line with statewide growth rates included in the General Appropriations Act.
The District received official Chapter 49 Notification for 2026-27 from the TEA on July 15, 2026.
Districts whose local revenue is in-excess of entitlement will be required to reduce their revenue level for the 2026-27 school year using one or more of the following statutory options available:

Fort Bend Independent School District

1. Consolidate with another district (Option 1),
2. Detach property (Option 2),
3. Purchase attendance credits from the state (Option 3),
4. Contract to educate nonresident students (Option 4), and/or
5. Consolidate tax bases with another district (Option 5).

To avoid permanently losing access to a portion of the tax base which results under options 1, 2 and 5, Chapter 49 school districts have historically chosen either option 3 or 4, or a combination of the two. Administration recommends the selection of Option 3, which enables the district to reduce its revenue in-excess of entitlement by purchasing attendance credits from the state. No election is required for this local revenue reduction option. The local revenue in-excess of entitlement factored into the 2026-27 approved budget was \$1.3 million.

Fort Bend ISD must complete and submit a Chapter 49 District Intent/Choice Selection form via the Chapter 49 subsystem of the online Foundation School Program System to inform the state of its intentions by September 1, 2026. The choice selection form will need to be filed promptly for the Commissioner of Education to certify that the District has elected an option to adjust revenues in-excess of entitlement before the 2026-27 tax rate can be adopted. Additionally, TEA requires that districts selecting the offset provision also submit a signed "Option 3" agreement, as attached. To facilitate the required Commissioner's certification, action is being requested at the August 17, 2026 Board meeting to select the recommended provision.

Agreement for the Purchase of Attendance Credit (Netting Chapter 48 Funding)

This agreement is entered into pursuant to the Texas Education Code (TEC), Chapter 49, Subchapters A and D, and rules adopted by the commissioner of education as authorized by the TEC, §49.006. The purpose of this agreement is to enable the district to reduce its local revenue level to a level not to exceed the level established under TEC, §48.257 for the school year.

The school year to which this agreement applies is 2026-27 (the "school year").

The agreement is for Fort Bend Independent School District ("the district"), with a county-district number of 079907, to purchase attendance credit from the state for the school year.

The local revenue level in excess of entitlement will be based on the commissioner's estimate of the cost of credit as determined under TEC, §49.153, using the district's projected maintenance and operations tax revenue that exceeds the level established under TEC, §48.257. Provisions in the TEC, §48.257(c), allow districts to offset the reduction of excess local revenue against state aid under Chapter 48, Education Code, that is not described by TEC, §48.266(a)(3) for the school year. A district that is subject to the reduction in excess local revenue agrees to offset its obligations against state aid in accordance with the provisions specified in the TEC, §48.257(c).

When near-final data are available following the close of the school year to which this agreement applies, the district's entitlement under Chapter 48 will be recalculated. If the district's state aid under Chapter 48, Education Code, that is not described by TEC, §48.266(a)(3) is less than the cost of recapture as determined by the commissioner in accordance with the TEC, §49.153, using near-final data, the district will be required to have an election and the recapture balance will be recovered in accordance with TEC, §48.272, by withholding subsequent allocations of state funds or requiring and obtaining a refund.

The actual cost of credit for the school year will be determined by the commissioner in accordance with the TEC, §49.153, when final data on the district's maintenance and operations tax revenue that exceeds the level established under TEC, §48.257 is available.

The cost of purchased attendance credit will be reduced for county appraisal district costs. The reduction will be computed in accordance with the TEC, §49.157. If the reduction exceeds the cost for the school year, the difference will be carried forward and applied to each subsequent year's cost until the total amount of the reduction has been exhausted.

Recommendation
Consideration and approval to endorse candidates to represent Region IV as Directors on the Texas Association of School Boards (TASB) Board of Directors.

Summary/Background
Between Friday, June 26, and Friday, August 21, 2026, the Board is invited to endorse a candidate for each position in Region IV. The following candidates are in Region IV: • Winford Adams, Jr. – Spring ISD – Position B • Ann Williams – Alief ISD – Position B • Shirley Rose-Gilliam – Fort Bend ISD – Position G (Large District Position) – already endorsed by Fort Bend ISD Board of Trustees through original nomination at the June 8, 2026, Agenda Review Board Meeting. If a majority of the Active Members of the Region endorses a candidate, that individual will be elected to the TASB Board. If at least 25 percent, but not a majority, endorse the candidate; that individual will be included on the official ballot at the TASB Delegate Assembly. The endorsement count will be updated regularly as they are received. The nomination from the individual's local school board is counted as an endorsement. Dr. Shirley Rose-Gilliam is listed as a candidate for Region IV Position G (Large District Position) and is counted as an endorsement by Fort Bend ISD by way of the Board's prior nomination. Therefore, no additional action is necessary to endorse Dr. Gilliam.

July 6, 2026

Dear Members of the Board of Trustees,

I hope to earn your endorsement as I seek election to Region 4, Position B on the Texas Association of School Boards (TASB) Board of Directors.

I am currently completing my ninth year of service on the Spring ISD Board of Trustees, having first been elected in 2017. Throughout my service, I have been guided by a steadfast commitment to ensuring every student has access to a high-quality public education. My professional and personal experiences have provided me with a broad perspective on public education, from Head Start through higher education, as a student, educator, parent, administrator, and trustee.

For more than 20 years, I have served in public education as a classroom teacher, central office administrator, or trustee. These experiences have strengthened my understanding of the opportunities and challenges facing school districts and have reinforced my belief that strong governance is essential to student success.

As a TASB Master Trustee, my involvement with the association spans more than 15 years, beginning during law school when I served as a policy consultant for Houston ISD through an Education Pioneers fellowship. Since then, I have remained actively engaged with TASB through a variety of leadership roles, including serving as Spring ISD's Alternate Delegate to the TASB Delegate Assembly, Regional Vice President of the Texas Caucus of Black School Board Members (TCBSBM), and Chair of the TASB Delegate Assembly Credentials Committee. These experiences have provided valuable opportunities to collaborate with trustees from across Texas, strengthen my understanding of effective governance and public education policy, and prepare me to thoughtfully represent the diverse interests of Region 4.

I earned a Bachelor of Arts in Political Science from the University of California, Berkeley. Following graduation, I joined Teach for America and taught high school mathematics in rural South Louisiana before continuing my teaching career in Austin and Houston. After six years in the classroom, I earned my Juris Doctor from the University of Houston Law Center, where I focused on juvenile justice and employment law.

As a lifelong learner, I have continued to invest in governance and leadership development through professional learning opportunities offered by TASB Leadership TASB (LTASB), TASB SLI, txEDCON, Holdsworth's Texas School Board Institute, the Center for Reform of School Systems (CRSS), and School Board Partners (SBP). Most recently, I earned a Certificate in Education Finance from Georgetown University, further strengthening my ability to support sound fiscal stewardship and effective governance.

If elected to the TASB Board of Directors, I will be a collaborative leader and strong advocate for every district in Region 4. Our region reflects the diversity of Texas public education, with districts that vary in size, geography, and community needs. I am committed to listening, building relationships, and ensuring that every district has a voice in the decisions that shape the future of public education.

Thank you for your consideration and for your continued service to Texas students, educators, and communities. I would be honored to earn your endorsement and the opportunity to serve and represent the diverse districts of Region 4 on the TASB Board of Directors.

Sincerely,

Winford Adams, Jr.

Trustee, Position 4

Subject: SEEKING ISD's ENDORSEMENT FOR TASB DIRECTOR REGION 4,
POSITION B

Board President & Superintendent,

I am Ann Williams, Trustee for Alief Independent School District and nominee for the TASB Board of Directors, Region 4, Position B. I am asking for your support and board endorsement of my nomination. Attached is a related biography of myself and an endorsement form.

First, please share this information with your board members. The candidate endorsement process runs from Friday, June 26, to Friday, August 21, 2026. During this time, Active Members may endorse one nominated individual from their TASB regions. You may review and circulate the attached letter of endorsement from my district.

Secondly, please have this information added as an action item to your board agenda during your **July or August** meeting with the following motion.

“Consider Approval of Alief ISD Trustee Ann Williams to be nominated for the vacant position TASB Region 4, Position B, on the TASB Board of Directors.”

Third, once your board has nominated me, please make sure your board president signs the Endorsement "**Form D**" and email to boardcommunications@tasb.org no later than 5:00 p.m. on Friday, August 21, 2026.

Finally, I want to take this opportunity to thank you for your time in reviewing and considering. I am asking you and the fellow board members for endorsement.

Best Regards,
Trustee Ann Williams

TASB BOARD CANDIDATE BIOGRAPHICAL SKETCH

02b -FORM B Biographical Sketch Form - Ann Williams

NAME: Ann(ie) Williams

SCHOOL DISTRICT: Alief Independent School District (Region 4)

Ann Williams has been a steadfast advocate for Alief students and families since first being elected to the Alief ISD Board of Trustees in 2007. With nearly two decades of dedicated service, including seven consecutive years as Board President, she has built a legacy of integrity, collaboration, and an unwavering commitment to educational equity and excellence. Her leadership is guided by a simple but powerful vision: ensuring that every Alief student has access to exceptional educational opportunities, safe and supportive learning environments, and the resources needed to thrive in college, career, and life.

A proud product of public education and the mother of two Elsie High School graduates, Ann understands firsthand the aspirations and challenges of Alief families. As a trustee, she has championed initiatives that promote academic achievement, expand college and career readiness programs, strengthen student wellness services, and foster meaningful partnerships between schools, parents, and the community.

Professionally, Ann is an educator and certified Principal as Instructional Leader, currently serving as an Instructional Curriculum Coach in Spring ISD. In this role, she leads Multi-Tiered Systems of Support (MTSS) and Response to Intervention (RTI) initiatives, helping schools identify and support students most at risk while promoting restorative practices that create positive and inclusive campus cultures.

Beyond her district, Ann is widely respected as a trainer, mentor, and governance expert. She has facilitated board governance workshops throughout Texas, served multiple terms as President of the Texas Caucus of Black School Board Members, and now serves as its Past President. She also serves on the Texas Association of School Boards Energy Cooperative Board, supporting innovative and cost-effective solutions for school districts.

Ann holds a Bachelor's degree in Information Technology, a Master of Business Administration in Project Management, and certifications as a Texas Principal (EC-12) and Transformational Life Coach. A proud Alief resident, she remains deeply committed to empowering students, strengthening public education, and serving her community with purpose and passion.
