Recommendation
Consideration and approval of an order authorizing the issuance of Fort Bend ISD Fixed Rate Unlimited Tax School Building and Refunding Bonds, which may be issued in one or more series in accordance with specified parameters; and enacting other provisions relating thereto (the "Fixed Rate Order").

Summary/Background			
In connection with the three outstanding bond programs listed below, the District has the following voted authorization, amounts issued, and amounts unissued:			
Election	Amount Voted	Amount Previously Issued	Authorized but Unissued Balance
2023 Election (Proposition A) (General Proposition)	\$ 1,180,830,000	\$ 732,230,000	\$ 448,600,000
2023 Election (Proposition B) (Technology)	\$ 52,470,000	\$ 35,770,000	\$ 16,700,000
2023 Election (Proposition C) (Natatorium)	\$ 22,900,000	\$ 3,750,000	\$ 19,150,000
2018 Election (Proposition A)	\$ 992,600,000	\$ 966,620,000	\$ 25,980,000
2014 Election (Proposition No. 1)	\$ 484,000,000	\$ 476,750,000	\$ 7,250,000
The attached Fixed Rate Order addresses three distinct financing goals.			
1. <u>Refinancing Outstanding Commercial Paper:</u>			

Fort Bend Independent School District

The District issues commercial paper for cash flow needs, and it is anticipated that the District could have issued between \$100-\$150 million in commercial paper by the end of February 2027, which amounts will be deducted from the available voted authorization from the 2023, 2018 and 2014 elections listed above. A maximum of \$150 million in commercial paper can be outstanding at any time. The cash flow projections for projects authorized in the 2023, 2018 and 2014 bond elections show that the District will pay approximately \$150 million for construction activity by March 2027.

This Fixed Rate Order authorizes the District to refinance the outstanding commercial paper notes with fixed rate bonds. The issuance of refunding bonds to refinance up to \$150 million of commercial paper would free up capacity under the commercial paper program for additional commercial paper draws and provide long-term fixed rate financing for the outstanding commercial paper notes being refinanced.

Administration is also interested in having the flexibility to refinance the outstanding commercial paper with variable rate bonds if it is in the best interest of the District. A variable rate new money and refunding bond order (the "Variable Rate Order") providing that flexibility is being presented as a separate agenda item.

The Fixed Rate Order and the Variable Rate Order are drafted so that the total amount of bonds that can be issued under the two orders is capped as provided below.

2. Issuance of New Money Bonds for Projects:

Depending on market conditions in 2026-2027, the Administration is seeking flexibility to potentially issue up to \$200 million of new money bonds for projects without utilizing the commercial paper program. If market conditions are favorable and cash flow needs associated with the 2023, 2018 and 2014 bond authorizations persist, having the flexibility to issue new money bonds would allow the District to achieve efficiencies by avoiding back-to-back debt transactions.

3. Refunding Outstanding Bonds:

The District currently has the following bonds eligible to be refunded:

- Fixed Rate Bonds
 - \$5,935,000 of its Unlimited Tax Refunding Bonds, Series 2017A (the "Series 2017A Bonds") outstanding, of which \$5,935,000 is eligible to be refunded.
 - \$4,570,000 of its Unlimited Tax Refunding Bonds, Series 2017B (the "Series 2017B Bonds") outstanding, of which \$4,570,000 is eligible to be refunded.
 - \$121,330,000 of its Unlimited Tax Refunding Bonds, Series 2018 (the "Series 2018 Bonds") outstanding, of which \$119,585,000 is eligible to be refunded.
 - \$49,760,000 of its Unlimited Tax School Building Bonds, Taxable Series 2018 (the "Series 2018 TXBL Bonds"), of which \$48,300,000 is eligible to be refunded.

Fort Bend Independent School District

- Variable Rate Bonds

- \$196,870,000 of its Unlimited Tax School Building & Refunding Bonds, Series 2024B (the “Series 2024B Bonds”) outstanding, of which \$195,025,000 is eligible to be refunded.

In the event that favorable market conditions exist, Administration would like the flexibility to refinance the Series 2017A Bonds, the Series 2017B Bonds, the Series 2018 Bonds, the Series 2018 TXBL, and the Series 2024B Bonds through a fixed rate refunding(s). A fixed rate refunding(s) would provide long-term financing at fixed rates, which would reduce variable rate exposure and potentially offer savings to the District.

The separate Variable Rate Order provides the administration with the flexibility to refinance the Series 2024B Bonds through a variable rate refunding if that approach would be more beneficial to the District than either remarketing the Series 2024B Bonds or refunding them with fixed rate bonds.

In the event a conversion of the Series 2024B Bonds would be more beneficial to the District than a variable rate or fixed rate refinancing, the separate Conversion Order agenda item being presented would authorize the conversion of the Series 2024B Bonds to a new Term Rate Period (variable rate) or to fixed rate.

Bond refinancing (refunding) is an important debt management tool for state and local government issuers. Refundings are typically executed to achieve interest cost savings, to restructure debt service payments, or to achieve other policy objectives. It is the District’s goal to keep the cost of debt as low as possible.

Therefore, with the potential (i) refinancing of up to \$150 million of outstanding commercial paper over the course of the year, (ii) refunding of up to \$5,935,000 of the Series 2017A Bonds, \$4,570,000 of the Series 2017B Bonds, \$119,585,000 of the Series 2018 Bonds, \$48,300,000 of the Series 2018 TXBL Bonds, and \$195,025,000 of the Series 2024B Bonds, and (iii) issuance of up to \$200 million in new money bonds, Administration is requesting approval of the Fixed Rate Order. The Fixed Rate Order provides for and authorizes the following:

1. The issuance of fixed rate refunding bonds to refinance any outstanding commercial paper in a principal amount not to exceed \$150,000,000 (the combined total of fixed rate bonds and variable rate bonds issued for this purpose cannot exceed \$150,000,000);
2. The issuance of fixed rate new money bonds in a principal amount not to exceed \$200,000,000 (the combined total of fixed rate bonds and variable rate bonds issued for this purpose cannot exceed \$200,000,000);
3. The issuance of fixed rate refunding bonds to refund the Series 2017A Bonds in a principal amount not to exceed \$5,935,000;

Fort Bend Independent School District

5. The issuance of fixed rate refunding bonds to refund the Series 2018 Bonds in a principal amount not to exceed \$119,585,000;
6. The issuance of fixed rate refunding bonds to refund the Series 2018 TXBL Bonds in a principal amount not to exceed \$48,300,000;
7. The issuance of fixed rate refunding bonds to refund the Series 2024B Bonds in a principal amount not to exceed \$195,025,000;
8. The refunding of fixed rate bonds must result in a present value debt service savings of at least 3.00% of the principal amount of the fixed rate bonds being refunded;
9. The total principal amount of bonds that may be issued under the Fixed Rate Order and the Variable Rate Order (separate board agenda item) for the purpose of fixing-out outstanding commercial paper, issuing new money bonds, and refunding the refunded bond candidates cannot exceed \$723,415,000;
10. Bonds currently outstanding as tax-exempt bonds are expected to be refunded with tax-exempt refunding bonds. Bonds currently outstanding as taxable bonds are expected to be refunded with taxable refunding bonds;
11. The bonds may be designated as green bonds;
12. The designation of the Superintendent and Chief Financial Officer as Authorized Officers authorized to establish final terms of the bonds issued under the Fixed Rate Order within the parameters contained in Section 3.01 and 7.01 of the Fixed Rate Order;
13. A maximum maturity of any bonds issued not to exceed 40 years;
14. The preparation of a Preliminary Official Statement to be used in the connection with the issuance of the bonds in accordance with the District's Disclosure Strategy; and
15. The authority to issue bonds under the Fixed Rate Order for one year from the date the order is executed.

The District's bond counsel, Bracewell LLP has prepared and reviewed the Fixed Rate Order. The District's financial advisor, Hilltop Securities, has also reviewed the Fixed Rate Order.

As required by the Fiscal and Budgetary Strategy, Exhibit A (Disclosure Strategy), approved by the Board in September 2025 (and being presented at the September 14, 2026 Board of Trustees meeting for annual approval), the Chief Financial Officer will provide a summary of the pricing as well as the final Official Statement to the Board for each debt transaction shortly after the transaction has priced or closed.

Further, the combined total principal amount of bonds issued under this Order for the purposes specified in Sections 3.01(a), (b) and (c), and under the Variable Rate Order for the purposes specified in Sections 2.01(a)(x), (y) and (z) shall not exceed \$723,415,000.

(d) Interest shall accrue and be paid on each Bond, respectively, until the principal amount thereof has been paid or provision for such payment has been made, from the later of the Dated Date or Closing Date, as specified in the Pricing Certificate, or the most recent Interest Payment Date to which interest has been paid or provided for at the rate per annum for each respective maturity specified in the Pricing Certificate. Such interest shall be payable on each Interest Payment Date and shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.03. Medium, Method and Place of Payment. (a) Debt Service shall be paid in lawful money of the United States of America.

(b) Interest on each Bond shall be paid by check dated as of the Interest Payment Date, and sent United States mail, first class, postage prepaid, by the Paying Agent/Registrar to each Owner, as shown in the Register at the close of business on the Record Date, at the address of each such Owner as such appears in the Register or by such other customary banking arrangements acceptable to the Paying Agent/Registrar and the person to whom interest is to be paid; provided, however, that such person shall bear all risk and expense of such other customary banking arrangements.

(c) The principal of each Bond shall be paid to the Owner thereof at Maturity upon presentation and surrender of such Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar.

(d) If the date for the payment of Debt Service is not a Business Day, the date for such payment shall be the next succeeding Business Day, and payment on such date shall for all purposes be deemed to have been made on the due date thereof as specified in this Section.

(e) In the event of a nonpayment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the special payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five (5) Business Days prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of each Owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last Business Day next preceding the date of mailing of such notice.

(f) Unclaimed Payments shall be segregated in a special account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owner of the Bonds to which the Unclaimed Payments pertain. Subject to Title 6, Texas Property Code, Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three (3) years after the applicable payment or redemption date shall be applied to the next payment or payments on the Bonds thereafter coming due and, to the extent any such money remains after the retirement of all outstanding Bonds, shall be paid to the District to be used for any lawful purpose. Thereafter, neither the District, the Paying Agent/Registrar nor any other person shall be liable or responsible to any holders of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to Title 6, Texas Property Code.

Section 3.04. Execution and Registration of Bonds. (a) The Bonds shall be executed on behalf of the District by the President or Vice President and the Secretary of the Board, by their manual or facsimile signatures, and the official seal of the District shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the District had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the District whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Order unless and until the Certificate of Paying Agent/Registrar, substantially in the form provided herein, has been duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond for each series of Bonds delivered on the Closing Date shall (i) have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State or by his/her duly authorized agent, or (ii) be accompanied by such other form of registration certificate as utilized by the Comptroller of Public Accounts of the State from time to time, executed manually or in electronic format by the Comptroller of Public Accounts of the State or by his/her duly authorized agent, which certificate may be attached to the opinion of

the Attorney General of the State, and either such certificate shall be evidence that the Initial Bond for each series of Bonds has been duly approved by the Attorney General of the State and that it is a valid and binding obligation of the District, and has been registered by the Comptroller of Public Accounts of the State.

(d) On the Closing Date, the Initial Bond for each series of Bonds, representing the aggregate principal amount of each series of Bonds, to be payable in stated installments to the Representative or its designee, to be executed by manual or facsimile signatures of the President or Vice President and Secretary of the Board, approved by the Attorney General of the State, registered by the Comptroller of Public Accounts of the State, and accompanied by a certificate of registration manually or electronically signed by the Comptroller of Public Accounts of the State, will be delivered to the Representative or its designee. Upon payment for the Initial Bond for each series of Bonds, the Paying Agent/Registrar shall cancel the Initial Bond for each series of Bonds and deliver Bonds to DTC in accordance with Section 3.09. To the extent the Paying Agent/Registrar is eligible to participate in DTC's FAST System, as evidenced by an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

Section 3.05. Ownership. (a) The District, the Paying Agent/Registrar and any other person may treat the Owner as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof, for the further purpose of making and receiving payment of the interest thereon (subject to the provision herein that interest on the Bonds is to be paid to the person in whose name the Bond is registered on the Record Date or Special Record Date, as applicable), and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of a Bond shall be valid and effectual and shall discharge the liability of the District and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange. (a) So long as any Bonds remain outstanding, the District shall cause the Paying Agent/Registrar to keep at its Designated Payment/Transfer Office the Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Order.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office with such endorsement or other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for exchange.

(d) The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds transferred or exchanged in accordance with this Section. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer, or sent by United States mail, first class, postage prepaid, to the Owner or his designee. Each Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the District and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, any subsequent transfer, or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption within 45 days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the registered owner of the uncalled balance of a Bond.

Section 3.07. Cancellation. All Bonds paid or redeemed before Stated Maturity in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Order, shall be cancelled upon the making of proper records regarding such payment, exchange or replacement. The Paying Agent/Registrar shall dispose of such cancelled Bonds in the manner required by the Securities Exchange Act of 1934, as amended.

Section 3.08. Replacement Bonds. (a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like maturity, interest rate and principal amount bearing a number not contemporaneously outstanding. The District or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like maturity, interest rate and principal amount and bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the District to save them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the District and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the District and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the District or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the District and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.09. Book-Entry Only System. (a) To the extent so designated in the Pricing Certificate, the definitive Bonds shall be initially issued in the form of a fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.10 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Order. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, of any amount with respect to Debt Service. Notwithstanding any other provision of this Order to the contrary, the District and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bonds for the purpose of payment of Debt Service on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all Debt

Service only to or upon the order of the respective Owners, as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of Debt Service, to the extent of the sum or sums so paid. No person other than an Owner, shall receive a Bond certificate evidencing the obligation of the District to make payments of amounts due pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

(c) The Representation Letter previously executed and delivered by the District and applicable to the District's obligations delivered in book-entry-only form to DTC as securities depository is hereby ratified and approved for the Bonds.

Section 3.10. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the District or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the District or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, as applicable, in accordance with the provisions of this Order.

Section 3.11. Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments of Debt Service on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

Section 4.03. Mandatory Sinking Fund Redemption. (a) The Bonds designated as “Term Bonds” in the Pricing Certificate (“Term Bonds”), if any, are subject to scheduled mandatory redemption and will be redeemed by the District, in part, at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the interest and sinking fund, on the dates and in the respective principal amounts as set forth in the Pricing Certificate.

(c) The principal amount of the Term Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.03 shall be reduced, at the option of the District, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the District and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.04. Partial Redemption. (a) If less than all of the Bonds are to be redeemed pursuant to Section 4.02, the District shall determine the maturities (or mandatory sinking fund payment with respect to Term Bonds) and the principal amount thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot or any other customary random selection method such Bonds for redemption.

(b) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. The Paying Agent/Registrar shall treat each \$5,000 portion of such Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Order, shall authenticate and deliver exchange Bonds in an aggregate principal amount equal to the unredeemed principal amount of the Bond so surrendered, such exchange being without charge.

Section 4.05. Notice of Redemption to Owners. (a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice by United States mail, first class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown in the Register at the close of business on the Business Day next preceding the date of mailing such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) The District reserves the right to give notice of its election or direction to redeem Bonds under Section 4.02, conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the District retains the right to rescind such notice at any time prior to the scheduled redemption date if the District delivers a certificate of the District to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain outstanding.

(d) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.06. Payment Upon Redemption. (a) Before or on each redemption date, the District shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the interest and sinking fund or otherwise received by the Paying Agent/Registrar from the District and shall use such funds solely for the purpose of paying the principal of, redemption premium, if any, and accrued interest on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of, redemption premium, if any, and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

Section 4.07. Effect of Redemption. (b) If the District fails to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same.

Section 4.08. Lapse of Payment. Money set aside for the redemption of the Bonds and remaining unclaimed by the Owners thereof shall be subject to the provisions of Section 3.03(f) hereof.

whether each series of Bonds will be designated as “green bonds;” the form in which the Bonds shall be issued; the years and dates on which the Bonds will mature, the principal amount to mature in each of such years and the defeasance provisions for the Bonds; selecting the specific maturities or series of Refunded Obligations to be refunded by each series of Bonds from the list of Refunded Obligation Candidates; the aggregate principal amount of Refunded Obligations; the aggregate principal amount of Bonds to be issued by the District; the Propositions from which voted authorization should be used and the amount of voted authorization to be used from such Propositions, if any; the rate of interest to be borne by each maturity of the Bonds; the Interest Payment Dates; the dates, prices, and terms upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the District and shall be subject to mandatory sinking fund redemption; the verification agent, if any; the selection of Underwriters; and all other matters relating to the issuance, sale and delivery of the Bonds and the refunding of the Refunded Obligations, all of which shall be specified in the Pricing Certificate, a form of which is attached hereto as Exhibit A, as may be amended by the Authorized Officer; subject to the following conditions:

(i) the Bonds shall not bear interest at a rate greater than the maximum rate allowed under Section 1204.006, Texas Government Code, as amended;

(ii) the aggregate principal amount of the Bonds authorized to be issued for the purposes described in Section 3.01 for new money and refunding purposes shall not exceed the respective limits described in Section 3.01;

(iii) the Pricing Certificate for the Bonds issued in whole or in part for new money purposes shall indicate the amount of authorized but unissued bonds that remain available to the District from the applicable voted authorization following the issuance of the Bonds approved in the Pricing Certificate;

(iv) the Pricing Certificate for each series of bonds issued for new money or refunding purposes shall indicate the amount of new money or refunding authority remaining under Section 3.01 of this Order and section 2.01 of the Variable Rate Order, if any, following the issuance of such series of Bonds;

(v) the refunding of the fixed rate Refunded Bonds shall produce a net present value debt service savings of at least 3.000% of the principal amount of the fixed rate Refunded Bonds being refunded with such series of Bonds (for purposes of clarity, this savings parameter does not apply to the refunding of variable rate Refunded Obligations);

(vi) the Pricing Certificate for the Bonds issued for the purposes of refunding the Refunded Obligations shall indicate the amount of voted authorization previously used to issue the Refunded Obligations; and

(vii) no Bond shall mature more than 40 years from the date of delivery thereof.

(b) The Authorized Officer is hereby authorized and directed to execute and deliver on behalf of the District one or more Purchase Contracts providing for the sale of the Bonds to the Underwriters, in such form as determined by the Authorized Officer. The Authorized Officer is hereby authorized and directed to approve the final terms and provisions of each Purchase Contract

(c) Any finding by the Authorized Officer relating to the sale and delivery of the Bonds shall have the same force and effect as a finding or determination made by the Board.

(d) The authority granted to the Authorized Officer under Section 7.01(a) shall expire at 11:59 p.m., Central time, on a date one year from the date of this Order, unless otherwise extended by the Board by separate action. (e) All officers, agents and representatives of the District are hereby authorized to do any and all things necessary or desirable to satisfy the conditions set out in the Purchase Contract and to provide for the issuance and delivery of the Bonds, including, without limitation, qualifying the Bonds as “green bonds” to the extent such qualification is required. The Initial Bond for each series of Bonds shall initially be registered in the name of the Representative or such other entity as may be specified in the Purchase Contract for each series of Bonds. If the Authorized Officer is required to show debt service savings in connection with the refunding of variable rate Refunded Obligations, the Authorized Officer may demonstrate the existence of savings using a calculation that measures debt service on the variable rate Refunded Obligations using the applicable Stepped Rate (as defined in the applicable orders and pricing certificates for such variable rate Refunded Obligations) as the interest rate on the variable rate Refunded Obligations following the end of the current rate period.

(f) The Authorized Officer is hereby authorized and directed to cause to be prepared on behalf of the District, in accordance with the District’s Disclosure Strategy, one or more “Preliminary Official Statements,” to be used by the Underwriters in the offering and sale of the Bonds, and to certify or otherwise represent that such Preliminary Official Statement(s) are “deemed final” Preliminary Official Statement(s) as of their dates (except for the omission of pricing and related information) within the meaning and for the purposes of paragraph (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended, with such changes, modifications and completions as may be required upon pricing and approved by the Authorized Officer (the “Preliminary Official Statement”). The use and distribution of one or more Preliminary Official Statements in the public offering of the Bonds by the Underwriters is hereby authorized. The Authorized Officer is hereby further authorized and directed (i) to cause to be prepared on behalf of the District, in accordance with the District’s Disclosure Strategy, one or more final Official Statements (each an “Official Statement”), (ii) to use and distribute or authorize the use and distribution of one or more Official Statements, (iii) to execute the same, if required, and (iv) to deliver appropriate numbers of copies thereof to the Underwriters. Each Official Statement as thus approved, executed and delivered, with such appropriate variations as shall be approved by the Authorized Officer and the Underwriters, may be used by the Underwriters in the public offering and sale thereof.

(g) The President or Vice President of the Board, the Secretary of the Board, the Authorized Officer and all other officers of the District are authorized to take such actions, to

obtain such consents or approvals, to deliver such notices and to execute such documents, certificates and receipts as they may deem necessary and appropriate in order to consummate the delivery of the Bonds, to pay the costs of issuance of the Bonds, to effectuate the refunding of the Refunded Obligations and to effectuate the terms and provisions of this Order, including, without limitation, making application for the guarantee of the Permanent School Fund of the State for the Bonds from the Texas Education Agency. Further, in connection with the submission of the record of proceedings for the Bonds to the Attorney General of the State for examination and approval of such Bonds, the appropriate officer of the District is hereby authorized and directed to issue a check or wire payable to the Attorney General of the State as a nonrefundable examination fee in the amount required by Chapter 1202, Texas Government Code (such amount to be the lesser of (i) 1/10th of 1% of the principal amount of the Bond or (ii) \$9,500, but in no case less than \$750).

Section 7.02. Deposit of Proceeds. The proceeds from the sale of the Bonds shall be deposited as set forth in the Pricing Certificate. Proceeds from the sale of the Bonds may, at the option of the District, be invested in any investments authorized by State law, including specifically, the Public Funds Investment Act and the District's Investment Policy, including through guaranteed investment contracts authorized by Section 2256.015 of the Texas Government Code; provided that all such investments shall be made in such a manner that the money required to be expended will be available at the proper time or times.

Section 7.03. Control and Delivery of Bonds. (a) The Authorized Officer is hereby authorized to have control of the Initial Bond for each series of Bonds and all necessary records and proceedings pertaining thereto pending investigation, examination and approval of the Attorney General of the State, registration by the Comptroller of Public Accounts of the State, and registration with, and initial exchange or transfer by, the Paying Agent/Registrar.

(b) After registration by the Comptroller of Public Accounts of the State, delivery of the Bonds shall be made to the Representative under and subject to the general supervision and direction of the Authorized Officer, or, in his absence, any officer of the Board, against receipt by the District of all amounts due to the District under the terms of sale.

ARTICLE VIII

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 8.01. Payment of the Bonds. On or before each date on which Debt Service is due on the Bonds, there shall be made available to the Paying Agent/Registrar, out of the interest and sinking fund, money sufficient to pay such Debt Service when due.

Section 8.02. Other Representations and Covenants. (a) The District will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Order and in each Bond; the District will promptly pay or cause to be paid Debt Service on the dates and at the places and manner prescribed in such Bond; and the District will, at the times and in the manner prescribed by this Order, deposit or cause to be deposited the amounts of money specified by this Order.

(b) The Board hereby finds, determines and declares that the District is duly authorized under the laws of the State to issue the Bonds; the projects being financed utilizing voted authority from Proposition A from the 2023 Election are projects eligible to be financed under a general proposition voted pursuant to Section 45.003, Texas Education Code; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the District in accordance with their terms.

Section 8.03. Taxable Bonds. The Bonds designated as Taxable Bonds will not constitute obligations described in Section 103(a) of the Code.

Section 8.04. Federal Tax Matters for Tax-Exempt Bonds.

(a) General. The District covenants not to take any action or omit to take any action that, if taken or omitted would cause the interest on the Tax-Exempt Bonds to be includable in gross income, for federal income tax purposes. In furtherance thereof, the District covenants to comply with sections 103 and 141 through 150 of the Code and the provisions set forth in the Federal Tax Certificate executed by the District in connection with the Tax-Exempt Bonds.

(b) No Private Activity Bonds. The District covenants that it will use the proceeds of the Tax-Exempt Bonds (including investment income) and the property financed, directly or indirectly, with such proceeds so that the Tax-Exempt Bonds will not be “private activity bonds” within the meaning of section 141 of the Code. Furthermore, the District will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Tax-Exempt Bonds to be a “private activity bond” unless it takes a remedial action permitted by section 1.141-12 of the Regulations.

(c) No Federal Guarantee. The District covenants not to take any action or omit to take any action that, if taken or omitted, would cause the Tax-Exempt Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code, except as permitted by section 149(b)(3) of the Code.

(d) No Hedge Bonds. The District covenants not to take any action or omit to take action that, if taken or omitted, would cause the Tax-Exempt Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code.

(e) No Arbitrage Bonds. The District covenants that it will make such use of the proceeds of the Tax-Exempt Bonds (including investment income) and regulate the investment of such proceeds of the Tax-Exempt Bonds so that the Tax-Exempt Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code.

(f) Required Rebate. The District covenants that, if the District does not qualify for an exception to the requirements of section 148(f) of the Code, the District will comply with the requirement that certain amounts earned by the District on the investment of the gross proceeds of the Tax-Exempt Bonds, be rebated to the United States.

(g) Information Reporting. The District covenants to file or cause to be filed with the Secretary of the Treasury an information statement concerning the Tax-Exempt Bonds in accordance with section 149(e) of the Code.

(h) Record Retention. The District covenants to retain all material records relating to the expenditure of the proceeds (including investment income) of the Refunded Obligations and the Tax-Exempt Bonds and the use of the property financed, directly or indirectly, thereby until three years after the last Tax-Exempt Bond is redeemed or paid at maturity (or such other period as provided by subsequent guidance issued by the Department of the Treasury) in a manner that ensures their complete access throughout such retention period.

(i) Registration. If the Tax-Exempt Bonds are “registration-required bonds” under section 149(a)(2) of the Code, the Tax-Exempt Bonds will be issued in registered form.

(j) Favorable Opinion of Bond Counsel. Notwithstanding the foregoing, the District will not be required to comply with any of the federal tax covenants set forth above if the District has received an opinion of nationally recognized bond counsel that such noncompliance will not adversely affect the excludability of interest on the Tax-Exempt Bonds from gross income for federal income tax purposes.

(k) Continuing Compliance. Notwithstanding any other provision of this Order, the District’s obligations under the federal tax covenants set forth above will survive the defeasance and discharge of the Tax-Exempt Bonds for as long as such matters are relevant to the excludability of interest on the Tax-Exempt Bonds from gross income for federal income tax purposes

(l) Official Intent. For purposes of section 1.150-2(d) of the Regulations, to the extent that an official intent to reimburse by the District has not been adopted for a particular project, this Order serves as the District’s official declaration of intent to use proceeds of the Tax-Exempt Bonds to reimburse itself from proceeds of the Tax-Exempt Bonds issued in the maximum amount for certain expenditures paid in connection with the projects set forth herein. Any such reimbursement will only be made (i) for an original expenditure paid no earlier than 60 days prior to the date hereof and (ii) not later than 18 months after the later of (A) the date the original expenditure is paid or (B) the date of which the project to which such expenditure relates is placed in service or abandoned, but in no event more than three years after the original expenditure is paid.

ARTICLE IX

Section 9.01. Discharge. The District reserves the right to defease, refund or discharge the Bonds in any manner now or hereafter permitted by law.

ARTICLE X

SUBSCRIPTION FOR SECURITIES; APPROVAL OF ESCROW AGREEMENT; PAYMENT OF REFUNDED OBLIGATIONS

Section 10.01. Subscription for Securities. The Authorized Officer is authorized to make necessary arrangements for and to execute such documents and agreements in connection with the purchase of the Escrow Securities required by and referenced in the Escrow Agreement, if any, as may be necessary for the Escrow Fund and the application for the acquisition of the Escrow Securities is hereby approved.

Section 10.02. Appointment of Escrow Agent; Approval of Escrow Agreement; Deposit with Paying Agent for Refunded Obligations. The Authorized Officer is hereby authorized to execute and deliver, or cause the execution and delivery by the President or Vice President and Secretary of the Board, one or more Escrow Agreements, having such terms and provisions as are approved by the Authorized Officer as evidenced by his execution thereof or the execution thereof by other appropriate District officials. Alternatively, the Authorized Officer may elect to deposit directly with the issuing and paying agent for the Refunded Obligations the proceeds of the Bonds, together with other available funds, in an amount sufficient to provide for the payment or redemption of the Refunded Obligations and is hereby authorized to execute and deliver one or more deposit agreements in connection with such deposits.

Section 10.03. Redemption and Defeasance of Refunded Obligations. The discharge, defeasance, redemption and/or payment of the Refunded Obligations shall be carried out pursuant to the terms and provisions of this Order and the Pricing Certificate. The Refunded Obligations shall be defeased and/or paid as required by the order authorizing such Refunded Obligations. Following the adoption of this Order and prior to the execution of the Pricing Certificate, the Authorized Officer is hereby authorized to deliver a notice of redemption to the paying agent/registrar for any of the Refunded Obligation Candidates if required under the plan of finance, and the paying agent/registrar for such Refunded Obligation Candidates is hereby authorized and directed to provide notice of such redemption. The Board hereby authorizes and directs the Authorized Officer to take all necessary steps to redeem and defease the Refunded Obligations and use proceeds of the Bonds and other available revenues of the District to pay the principal of, redemption premium, if any, and interest on the respective redemption dates or payment dates set forth in the Pricing Certificate.

ARTICLE XI

(c) the District will notify the Division of State Funding in writing within ten (10) calendar days of the defeasance of any guaranteed Bonds.

(b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. (e) The provisions of this Article may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (A) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Order that authorize such an amendment) of the outstanding Bonds consent to such amendment or (B) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Bonds. The District may also repeal or amend the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the District also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling the Bonds in the primary offering of the Bonds, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule. If the District so amends the provisions of this Article, the District shall include with any amended financial information or operating data next provided in accordance with this Article an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

Section 12.04. Amendments to the Rule. In the event the Authorized Officer, in consultation with Bond Counsel and the District's financial advisor, determines that it is necessary or desirable to amend the provisions of this Article XII in order to facilitate compliance with amendments to the Rule and related guidance from the SEC, the Authorized Officer may make such changes in the Pricing Certificate for the Bonds and such amendments are hereby authorized and shall be deemed effective as set forth in the Pricing Certificate.

In the Order, the District reserves the right, in the case of an optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the District retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the District delivers a certificate of the District to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days after the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

Recommendation
Consideration and approval of an order authorizing the issuance of Fort Bend ISD Variable Rate Unlimited Tax School Building and Refunding Bonds, which may be issued in one or more series in accordance with specified parameters; and enacting other provisions relating thereto (the "Variable Rate Order").

Summary/Background			
In connection with the three outstanding bond programs listed below, the District has the following voted authorization, amounts issued, and amounts unissued:			
Election	Amount Voted	Amount Previously Issued	Authorized but Unissued Balance
2023 Election (Proposition A) (General Proposition)	\$ 1,180,830,000	\$ 732,230,000	\$ 448,600,000
2023 Election (Proposition B) (Technology)	\$ 52,470,000	\$ 35,770,000	\$ 16,700,000
2023 Election (Proposition C) (Natatorium)	\$ 22,900,000	\$ 3,750,000	\$ 19,150,000
2018 Election (Proposition A)	\$ 992,600,000	\$ 966,620,000	\$ 25,980,000
2014 Election (Proposition No. 1)	\$ 484,000,000	\$ 476,750,000	\$ 7,250,000
The attached Variable Rate Order addresses three distinct financing goals.			
1. <u>Refinancing Outstanding Commercial Paper:</u>			

Fort Bend Independent School District

The District issues commercial paper for cash flow needs, and it is anticipated that the District could have issued between \$100-\$150 million in commercial paper by the end of February 2027, which amounts will be deducted from the available voted authorization from the 2023, 2018 and 2014 elections listed above. A maximum of \$150 million in commercial paper can be outstanding at any time. The cash flow projections for projects authorized in the 2023, 2018 and 2014 bond elections show that the District will pay approximately \$150 million for construction activity through March 2027.

This Variable Rate Order authorizes the District to refinance the outstanding commercial paper notes with variable rate bonds. The issuance of refunding bonds to refinance up to \$150 million of commercial paper would free up capacity under the commercial paper program for additional commercial paper draws and provide long-term variable rate financing for the outstanding commercial paper notes being refinanced.

Administration is also interested in having the flexibility to refinance the outstanding commercial paper with fixed rate bonds if it is in the best interest of the District. A fixed rate new money and refunding bond order (the "Fixed Rate Order") providing that flexibility is being presented as a separate agenda item.

The Variable Rate Order and the Fixed Rate Order are drafted so that the total amount of bonds that can be issued under the two orders is capped as provided below.

2. Issuance of New Money Bonds for Projects:

Depending on market conditions in 2026-27, the Administration is seeking flexibility to potentially issue up to \$200 million of new money bonds for projects without utilizing the commercial paper program. If market conditions are favorable and cash flow needs associated with the 2023, 2018 and 2014 bond authorizations persist, having the flexibility to issue new money bonds would allow the District to achieve efficiencies by avoiding back-to-back debt transactions.

3. Refunding Outstanding Bonds:

The District currently has the following bonds eligible to be refunded:

- Fixed Rate Bonds
 - \$5,935,000 of its Unlimited Tax Refunding Bonds, Series 2017A (the "Series 2017A Bonds") outstanding, of which \$5,935,000 is eligible to be refunded.
 - \$4,570,000 of its Unlimited Tax Refunding Bonds, Series 2017B (the "Series 2017B Bonds") outstanding, of which \$4,570,000 is eligible to be refunded.
 - \$121,330,000 of its Unlimited Tax Refunding Bonds, Series 2018 (the "Series 2018 Bonds") outstanding, of which \$119,585,000 is eligible to be refunded.
 - \$49,760,000 of its Unlimited Tax School Building Bonds, Taxable Series 2018 (the "Series 2018TXBL Bonds"), of which \$48,300,000 is eligible to be refunded.

Fort Bend Independent School District

- Variable Rate Bonds

- \$196,870,000 of its Unlimited Tax School Building & Refunding Bonds, Series 2024B (the “Series 2024B Bonds”) outstanding, of which \$195,025,000 is eligible to be refunded.

In the event that favorable market conditions exist next year, Administration would like the flexibility to refinance the Series 2024B Bonds through a variable rate refunding. A variable rate refunding may potentially offer additional market efficiencies versus the remarketing of the variable rate Refunded Bond and allow the District to maintain its desired balance of fixed rate and variable rate interest rate exposure.

The separate Fixed Rate Order provides the administration with the flexibility to refinance the Series 2024B Bonds through a fixed rate refunding if that approach would be more beneficial to the District than remarketing the Series 2024B Bonds or refunding them with variable rate bonds.

In the event a conversion of the Series 2024B Bonds would be more beneficial to the District than a variable rate or fixed rate refinancing, the separate Conversion Order agenda item being presented would authorize the conversion of the Series 2024B Bonds to a new Term Rate Period (variable rate) or to fixed rate.

Bond refinancing (refunding) is an important debt management tool for state and local government issuers. Refundings are typically executed to achieve interest cost savings, to restructure debt service payments, or to achieve other policy objectives. It is the District’s goal to keep the cost of debt as low as possible.

Therefore, with the potential (i) refinancing of up to \$150 million of outstanding commercial paper over the course of the year, (ii) refunding of up to \$5,935,000 of the Series 2017A Bonds, \$4,570,000 of the Series 2017B Bonds, \$119,585,000 of the Series 2018 Bonds, \$48,300,000 of the Series 2018 TXBL Bonds, and \$195,025,000 of the Series 2024B Bonds, and (iii) issuance of up to \$200 million in new money bonds, Administration is requesting approval of the Variable Rate Order. The Variable Rate Order provides for and authorizes the following:

Exhibit A Form of Officer's Pricing Certificate

AN ORDER AUTHORIZING THE ISSUANCE OF FORT BEND
INDEPENDENT SCHOOL DISTRICT VARIABLE RATE UNLIMITED TAX
SCHOOL BUILDING AND REFUNDING BONDS, WHICH MAY BE ISSUED
IN ONE OR MORE SERIES IN ACCORDANCE WITH SPECIFIED
PARAMETERS; AND ENACTING OTHER PROVISIONS RELATING
THERETO

WHEREAS, there are presently outstanding certain obligations of Fort Bend Independent School District (the “District”) described on Schedule I attached hereto and incorporated herein by reference for all purposes (collectively, the “Refunded Obligation Candidates”), which are secured by and payable from ad valorem taxes levied, assessed and collected, without legal limit as to rate or amount, on property within the District in an amount sufficient to pay principal of and interest on such obligations as they become due; and

WHEREAS, it is intended that all or a portion of the Refunded Obligation Candidates shall be designated as Refunded Obligations (as hereinafter defined) in the Officer’s Pricing Certificate(s) (as hereinafter defined) and shall be refunded pursuant to this Order and the Officer’s Pricing Certificate(s); and

WHEREAS, Chapter 1207, Texas Government Code, as amended (“Chapter 1207”), authorizes the District to issue refunding bonds for the purpose of refunding or defeasing the Refunded Obligations, and to accomplish such refunding or defeasance by depositing directly with a paying agent for the Refunded Obligations (or other qualified escrow agent), the proceeds of such refunding bonds, together with other available funds, in an amount sufficient to provide for the payment or redemption of the Refunded Obligations, and provides that such deposit shall constitute the making of firm banking and financial arrangements for the discharge and final payment or redemption of the Refunded Obligations; and

WHEREAS, the District desires to authorize the execution of one or more escrow agreements or deposit agreements in order to provide for the deposit of proceeds of the refunding bonds and, to the extent specified pursuant hereto, other lawfully available funds of the District, to pay the redemption price of the Refunded Obligations when due; and

WHEREAS, upon the issuance of the refunding bonds herein authorized and the deposit of funds referred to above, the Refunded Obligations shall no longer be regarded as being outstanding, except for the purpose of being paid pursuant to such deposit, and the pledges, liens, trusts and all other covenants, provisions, terms and conditions of the orders authorizing the issuance of the Refunded Obligations shall be, with respect to the Refunded Obligations, discharged, terminated and defeased; and

WHEREAS, the Board of Trustees of the District (the “Board”) hereby finds and determines that the refunding of the Refunded Notes (as defined herein) as contemplated in this Order will benefit the District by providing long-term financing of the Refunded Notes and reducing market risks to the District, and that such benefits constitute a valid public purpose and are sufficient consideration for the refunding contemplated herein; and

WHEREAS, the Board hereby finds and determines that the refunding of the Refunded Bonds (as defined herein) as contemplated in this Order will benefit the District by providing long-term financing of the Refunded Bonds, additional market efficiencies versus the remarketing of the variable rate Refunded Bonds, allow the District to maintain its desired balance of fixed rate and variable rate interest rate exposure, and/or reduced market risks to the District, and that such benefits constitute a valid public purpose and are sufficient consideration for the refunding contemplated herein; and

WHEREAS, the Board hereby finds and determines that the manner in which the refunding of the Refunded Obligations is being executed does not make it practicable to make the determination required by Section 1207.008(a)(2); and

WHEREAS, the Board hereby finds and determines that it is necessary and in the best interest of the District and its citizens that it authorize by this Order the issuance and delivery of its refunding bonds at this time; and

(a) The definitive Bonds of each series, subseries or tranche, shall be initially issued in the form of a single fully registered Bond for each Initial Rate Period and bearing interest at the same Initial Rate. Upon initial issuance, the ownership of such definitive Bonds shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 2.09 hereof, all of the Outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the Owner at the close of business on the Record Date, the word "Cede & Co." in this Order shall refer to such new nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District, the Tender Agent and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such DTC Participant holds an interest in the Bonds. Without limiting the immediately

preceding sentence, the District, the Tender Agent and the Paying Agent/Registrar shall have no responsibility or obligation with respect to

(i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any DTC Participant or any other person, other than an Owner, as shown on the Register of any amount with respect to principal of Bonds, premium, if any, or interest on the Bonds.

(c) Notwithstanding any other provision of this Order to the contrary, the District, the Tender Agent and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar and the Tender Agent shall pay all principal of Bonds, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payments of principal, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner shall receive a Bond certificate evidencing the obligation of the District to make payments of amounts due pursuant to this Order.

(d) The Representation Letter previously executed and delivered by the District and applicable to the District's obligations delivered in book-entry-only form to DTC as securities depository is hereby ratified and approved for the Bonds.

Section 2.08. Payments and Notices to Cede & Co. Notwithstanding any other provision of this Order to the contrary, while any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on the Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter of the District to DTC.

Section 2.09. Successor Securities Depository; Transfer Book-Entry Only System. In the event that the District or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter of the District to DTC, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the District or the Paying Agent/Registrar shall (a) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (b) notify DTC

of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

Section 2.10. Variable Rate and Flexible Rate Bonds Held in Book-Entry Only System. This Section 2.10 shall apply with respect to tenders and purchases of Variable Rate and Flexible Rate Bonds held in the Book-Entry Only System. The Remarketing Agent will transfer proceeds from the remarketing of tendered Variable Rate or Flexible Rate Bonds directly to DTC to be distributed in accordance with DTC's normal procedures. Evidence of beneficial ownership in Variable Rate or Flexible Rate Bonds purchased with such remarketing proceeds shall be provided to the purchasers thereof according to DTC's normal procedures. To the extent the Remarketing Agent is unable to successfully remarket tendered Variable Rate or Flexible Rate Bonds, and the Purchase Price thereof shall have been paid pursuant to a Liquidity Facility, then upon the Bank's purchase of such Variable Rate or Flexible Rate Bonds, such Purchased Bonds shall be transferred to the DTC Participant account of the Bank or, if directed in writing by the Bank, to the DTC Participant account of the Tender Agent or other nominee or designee of the Bank, for the benefit of the Bank as beneficial owner of such Purchased Bonds, at the time and in the manner set forth in the Liquidity Facility. The Remarketing Agent shall continue its attempts to remarket the Purchased Bonds pursuant to the provisions of this Order and the Remarketing Agreement.

Section 2.11. Cancellation. All Bonds paid or redeemed before scheduled maturity in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Order, shall be canceled and proper records made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall treat such canceled Bonds in accordance with its document retention policies.

Section 2.12. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding. The District or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) If any Bond is lost, apparently destroyed, or wrongfully taken, the District, pursuant to the applicable laws of the State and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authorize and the Paying Agent/Registrar shall deliver a replacement Bond of like maturity, interest rate and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction, or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the District to save them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the District or the Paying Agent/Registrar.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the District and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the District or the Paying Agent/Registrar in connection therewith.

(d) If any such mutilated, lost, apparently destroyed, or wrongfully taken Bond has become or is about to become due and payable, the District, in its discretion, instead of issuing a replacement Bond, may authorize the Paying Agent/Registrar to pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 2.13. Tax Levy.

(a) Pursuant to the authority granted by the Constitution and laws of the State, there shall be levied and there is hereby levied for the current year and for each succeeding year hereafter while any of the Costs of Credit Agreements, if any, are unpaid or the Bonds or any interest thereon is outstanding and unpaid, an ad valorem tax on each one hundred dollars valuation of taxable property within the District at a rate sufficient, without limit as to rate or amount, to pay the principal of and interest on the Bonds when due and payable and the Costs of Credit Agreements, if any, incurred in connection with the Bonds when due and payable, full allowance being made for delinquencies and costs of collection taking into account otherwise unencumbered or lawfully available funds of the District that are on deposit in the Interest and Sinking Fund and are available to pay debt service on the Bonds and the Costs of Credit Agreements, using the following guidelines: (i) if the interest rate on the Bonds for all or a portion of the period for which taxes are then being assessed is not then known, and only if no "Event of Default" (as defined in the Liquidity Facility, if any) has occurred, for the period that the interest rate on the Bonds is not known, using an interest rate on the Bonds equal to the rate prescribed in a then-effective Liquidity Facility, if any, to apply during such time or, if no Liquidity Facility is in effect, using the

Maximum Rate, and (ii) using the actual interest rate on the Bonds for the period that the actual interest rate on the Bonds is known. If an “Event of Default” (as defined in the Liquidity Facility, if any) has occurred, the District will assume that the interest rate on the Bonds is the Maximum Rate.

(b) The ad valorem tax thus levied shall be assessed and collected each year against all property appearing on the tax rolls of the District most recently approved in accordance with law and the money thus collected shall be deposited as collected to the Interest and Sinking Fund.

(c) Said ad valorem tax, the collections therefrom, and all amounts on deposit in or required hereby to be deposited to the Interest and Sinking Fund are hereby pledged and committed irrevocably to the payment of the principal of and interest on the Bonds and the Costs of Credit Agreements, if any, and other costs related to the Bonds when and as due and payable in accordance with their terms and this Order.

(d) To pay the debt service coming due on the Bonds prior to receipt of the taxes levied to pay such debt service, if any, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

(e) Any money received by the District with respect to the Bonds as state assistance pursuant to the instructional allotment or as state assistance with existing debt, each as authorized by Chapter 46, Texas Education Code, shall be deposited in the interest and sinking fund as required by Sections 46.009 and 46.035, Texas Education Code, respectively. The District will take into account the balance in the Interest and Sinking Fund when it sets its debt service tax rate each year.

Section 2.14. Interest and Sinking Fund.

(a) The District hereby establishes a special fund(s) or account(s), to be designated the “Fort Bend Independent School District Variable Rate Unlimited Tax School Building and Refunding Bonds, [series designation assigned to the Bonds in the Officer’s Pricing Certificate] Interest and Sinking Fund,” (or as otherwise designated in the Officer’s Pricing Certificate) (the “Interest and Sinking Fund”) said fund(s) to be kept at an official depository bank of the District and established and maintained on the books and records of the District separate and apart from all other funds and accounts of the District.

(b) Money on deposit in or required by this Order to be deposited to the Interest and Sinking Fund shall be used solely for the purpose of paying the interest on and principal of the Bonds when and as due and payable and the Costs of Credit Agreements, if any, incurred in connection with the Bonds in accordance with their terms and this Order.

Section 2.15. Application of Chapter 1208, Government Code. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the taxes granted by the District under Section 2.13, and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the taxes granted by the District under Section 2.13 is to be subject to the

filing requirements of Chapter 9, Business & Commerce Code, in order to preserve to the registered owners of the Bonds and the Bank or any other provider of Credit Agreements relating to the Bonds the perfection of a security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

ARTICLE III INTEREST RATES ON BONDS

Section 3.01. Initial Interest Rates; Subsequent Interest Rates; No Liquidity Facility During Initial Rate Period. The Bonds shall bear interest at the Initial Rate(s) for the Initial Rate Period(s) set forth in the Officer's Pricing Certificate. Following the end of the Initial Rate Period(s), the Bonds shall be subject to mandatory tender for purchase on the date(s) set forth in the Officer's Pricing Certificate, without right of retention by the Owners, in accordance with the provisions of Section 4.08. After the Initial Rate Period, the Bonds shall be converted to bear interest in a different Rate Period as determined in accordance with the provisions of this Order, until the Bonds mature or are converted to a different Rate Period, as applicable, all as provided herein. Notwithstanding the foregoing, if the Remarketing Agent fails to remarket all of the Bonds on the mandatory tender date(s) following the end of the Initial Rate Period(s) resulting in the Owners thereof retaining the Bonds subsequent to the end of the Initial Rate Period, the Bonds shall bear interest at the Stepped Rate for the duration of the Stepped Rate Period, all as set forth in Section 4.08 of this Order. No Liquidity Facility shall be in effect during the Initial Rate Period. In addition and notwithstanding the foregoing or the provisions of Section 3.04 of this Order, the Pricing Officer may initially designate one or more maturities of Bonds as fixed rate Bonds as set forth in the Officer's Pricing Certificate. Bonds designated as fixed rate Bonds in the Officer's Pricing Certificate shall bear interest at the fixed rate designated therein until maturity or prior redemption as specified in the Officer's Pricing Certificate.

Section 3.02. Variable Rates; Conversions to Variable Rate Periods.

(a) Determination by Remarketing Agent. Subject to the further provisions of this Article III with respect to particular Variable Rates or conversions between or to Variable Rate Periods, the Variable Rate to be applicable to the Bonds during any Variable Rate Period shall be determined by the Remarketing Agent. The Remarketing Agent shall determine the Variable Rate on each Rate Determination Date in accordance with this Section 3.02. The Variable Rate so determined shall become effective on the first day of the next succeeding Variable Rate Period.

(i) In each case, the Variable Rate for the Variable Rate Period in question shall be determined by the Remarketing Agent on the Rate Determination Date required pursuant to Section 3.02(b), (c), (d), (e), or (f) below, as is applicable.

(ii) Each Variable Rate determined by the Remarketing Agent shall be the lowest rate of interest which, in the judgment of the Remarketing Agent, would cause the Bonds to have a market value equal to not less than 100% of the principal amount thereof, plus accrued interest, under prevailing market conditions as of the

Rate Determination Date, provided that, and except as otherwise expressly provided herein, (A) if the Remarketing Agent fails for any reason to determine or notify the Tender Agent or the Paying Agent/Registrar of the Variable Rate for any Variable Rate Period when required hereunder, the Variable Rate for such period shall be deemed to be determined as the Variable Rate then in effect until the Remarketing Agent determines a new Variable Rate and notifies the Tender Agent and the Paying Agent/Registrar of such rate in accordance with the provisions of this Order; and (B) in no event shall the Variable Rate for any Variable Rate Period exceed the Maximum Rate.

(iii) In determining the interest rates, the Remarketing Agent shall take into account to the extent applicable market interest rates and indices, general economic conditions, and general market conditions as they relate to comparable securities which are held by institutional and private investors with substantial portfolios (1) with a term equal to the applicable Rate Period for the Bonds; (2) the interest on which is exempt from federal income taxation; (3) rated, if the Bonds are rated, by a Rating Agency in the same rating category as the Bonds; (4) with security or credit support similar to the Bonds; and (5) with redemption provisions similar to those of the Bonds.

(iv) All determinations of Variable Rates pursuant to this Section shall be conclusive and binding, absent manifest error, upon the District, the Tender Agent, the Paying Agent/Registrar, any Bank, and the Owners of the Bonds to which such rates are applicable. The District, the Tender Agent, the Paying Agent/Registrar and the Remarketing Agent shall not be liable to any Owners for failure to give any notice required herein or for failure of any Owners to receive such notice.

(b) Weekly Rates. A Weekly Rate shall be determined for each Weekly Rate Period as follows:

(i) Weekly Rate Periods shall commence on Thursday of each week and end on Wednesday of the following week; except that in the case of a conversion to a Weekly Rate Period from a different Variable Rate Period or from a Flexible Rate Period, the initial Weekly Rate Period shall (A) commence on the Weekly Rate Conversion Date, and (B) end on the next succeeding Wednesday.

(ii) The Weekly Rate for each Weekly Rate Period shall be effective from and including the commencement date of such Weekly Rate Period and shall remain in effect through and including the last day thereof. Each such Weekly Rate shall be determined by the Remarketing Agent by 12:00 p.m., New York City time on the Rate Determination Date, which date shall be the Business Day immediately preceding the commencement date of the Weekly Rate Period to which it relates, and each such Weekly Rate shall be made available to the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent by the close of business on the Rate Determination Date.

(iii) Notice of Weekly Rates determined for each Weekly Rate Period shall be given promptly by the Paying Agent/Registrar to DTC (and any successor to DTC). In the event the Book-Entry Only System is discontinued, notice of Weekly Rates determined for each Weekly Rate Period shall be given by the Paying Agent/Registrar by first class mail or by electronic means to each Owner within seven (7) Business Days after each Interest Payment Date on which interest at a Weekly Rate is to be paid. The Paying Agent/Registrar shall include in the notice a telephone number Owners may call to ascertain the Weekly Rate in effect from time to time.

(c) Monthly Rates. A Monthly Rate shall be determined for each Monthly Rate Period as follows:

(i) Monthly Rate Periods shall (A) commence on the first Business Day of each calendar month, except that in the case of a conversion to a Monthly Rate Period from a different Variable Rate Period or from a Flexible Rate Period, the initial Monthly Rate Period shall commence on the Monthly Rate Conversion Date, and (B) end on the last day prior to the first Business Day of the following month.

(ii) The Monthly Rate for each Monthly Rate Period shall be effective from and including the commencement date of such period and shall remain in effect through and including the last day thereof. Each such Monthly Rate shall be determined by the Remarketing Agent no later than 12:00 p.m., New York City time on the Rate Determination Date, which shall be the Business Day immediately preceding the commencement date of such Monthly Rate Period, and each such Monthly Rate shall be made available to the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent by the close of business on the Rate Determination Date.

(iii) Notice of Monthly Rates determined for each Monthly Rate Period shall be given promptly by the Paying Agent/Registrar to DTC (and any successor to DTC). In the event the Book-Entry Only System is discontinued, notice of Monthly Rates determined for each Monthly Rate Period shall be given by the Paying Agent/Registrar by first-class mail or by electronic means to each Owner promptly after such Monthly Rate is determined.

(d) Quarterly Rates. A Quarterly Rate shall be determined for each Quarterly Rate Period as follows:

(i) Quarterly Rate Periods shall (A) commence initially on a Quarterly Rate Conversion Date and thereafter on the first Business Day of each third calendar month thereafter; and (B) end on the last day preceding either (i) the commencement date of the following Quarterly Rate Period or (ii) the Conversion Date on which a different Rate Period shall become effective.

(ii) The Quarterly Rate for each Quarterly Rate Period shall be effective from and including the commencement day of such period and shall remain in effect

through and including the last date thereof. Each such Quarterly Rate shall be determined by the Remarketing Agent not later than 12:00 p.m., New York City time, on the Rate Determination Date, which date shall be the Business Day immediately preceding the commencement date of such period, and each Quarterly Rate shall be made available to the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent by the close of business on the Rate Determination Date.

(iii) Notice of Quarterly Rates determined for each Quarterly Rate Period shall be given promptly by the Paying Agent/Registrar to DTC (and any successor to DTC). In the event the Book-Entry Only System is discontinued, notice of Quarterly Rates determined for each Quarterly Rate Period shall be given by the Paying Agent/Registrar by first class mail or by electronic means to each Owner promptly after such Quarterly Rate is determined.

(e) Semiannual Rates. A Semiannual Rate shall be determined for each Semiannual Rate Period as follows:

(i) Semiannual Rate Periods shall (A) commence initially on a Semiannual Rate Conversion Date and thereafter on the first day of each sixth calendar month thereafter; and (B) end on the last day preceding either (i) the commencement date of the following Semiannual Rate Period or (ii) the Conversion Date on which a different Rate Period shall become effective.

(ii) The Semiannual Rate for each Semiannual Rate Period shall be effective from and including the commencement date of such period and shall remain in effect through and including the last day thereof. Each such Semiannual Rate shall be determined by the Remarketing Agent not later than 12:00 p.m., New York City time, on the Rate Determination Date, which date shall be the Business Day immediately preceding the commencement date of such period, and each such Semiannual Rate shall be made available to the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent by the close of business on the Rate Determination Date.

(iii) Notice of Semiannual Rates determined for each Semiannual Rate Period shall be given promptly by the Paying Agent/Registrar to DTC (and any successor to DTC). In the event the Book-Entry Only System is discontinued, notice of Semiannual Rates determined for each Semiannual Rate Period shall be given by the Paying Agent/Registrar by first class mail or by electronic means to each Owner promptly after such Semiannual Rate is determined.

(f) Term Rates. A Term Rate shall be determined for each Term Rate Period as follows:

(i) Term Rate Periods shall (A) commence on each Term Rate Conversion Date, and (B) end on the date established by the District as the last day for each such Term Rate Period pursuant to Section 3.02(f)(ii); provided, however, that each Term Rate Period shall be at least nine (9) months in duration; provided

further, that in the event any Conversion Date established pursuant to the provisions of this Order in connection with a conversion from a Term Rate Period is not the day that immediately succeeds the last day of the then-expiring Term Rate Period, the duration of the then-expiring Term Rate Period shall be deemed to have been extended to end on the day immediately preceding such Conversion Date; provided further, that if the District elects to obtain a Liquidity Facility for the Bonds in connection with such Term Rate Period, the Term Rate Period for such Bonds shall end on a Business Day that is not less than five (5) days prior to the stated expiration date of the Liquidity Facility providing liquidity support for such Bonds.

(ii) Prior to the commencement of each Term Rate Period, the District shall determine the last day of each such Term Rate Period; provided, that the duration of each such Term Rate Period complies with Section 3.02(f)(i) above. The District shall give written notice of the potential duration of each Term Rate Period to the Paying Agent/Registrar, the Tender Agent, the Remarketing Agent and the Bank, if any, in accordance with Section 3.02(g)(ii) and 3.02(h)(ii), as applicable.

(iii) The Term Rate for each Term Rate Period shall be effective from and including the commencement date of each such Term Rate Period and shall remain in effect through and including the last day thereof. Each such Term Rate shall be determined for each Term Rate Period not later than 12:00 p.m., New York City time on the Rate Determination Date, which date shall be a Business Day not less than one (1) Business Day preceding the commencement date of such Term Rate Period, and each such Term Rate shall be made available to the Paying Agent/Registrar, the Bank, if any, and the Tender Agent by the Remarketing Agent, in consultation with the District, by the close of business on the Rate Determination Date. If, at the expiration of the then-applicable Term Rate Period, there does not exist a Liquidity Facility providing liquidity support for such Bonds and there occurs a failed conversion and remarketing of the type described in Section 4.03(g), then such Bonds shall bear interest at the Stepped Rate for the duration of the Stepped Rate Period in accordance with, and shall be subject to, the provisions of Section 4.03(g).

(iv) While the Bonds bear interest at a Term Rate, the District shall use its best efforts to take all such actions required by this Order to be performed by the District to cause such Bonds to be converted to a different Rate Period (including to a Term Rate Period of the same or a different duration as the then-expiring Term Rate Period) on the first Business Day immediately following the last day of the then-expiring Term Rate Period. If there is a Liquidity Facility then in effect providing liquidity support for such Bonds to be converted from a Term Rate Period to a different Rate Period, then such Bonds are subject to mandatory tender for purchase on the Conversion Date pursuant to Section 4.03(a), Section 4.03(b) or Section 4.04(a), as applicable. If there does not exist a Liquidity Facility providing liquidity support for such Bonds to be converted from a Term Rate Period to a different Rate Period (and there was no Liquidity Facility in effect for such Bonds upon commencement of the then-expiring Term Rate Period), then such Bonds are

subject to mandatory tender for purchase on the Conversion Date pursuant to Section 4.03(g).

(g) Conversions To or Between Variable Rate Periods. At the option of the District, and pursuant to an order of the Board, the Bonds may be converted from one Variable Rate Period to a different Variable Rate Period (including from a Term Rate Period to a new Term Rate Period of the same or a different duration as the then-expiring Term Rate Period). Any such conversion shall be accomplished as follows:

(i) The Conversion Date for a conversion from one Variable Rate Period to a different Variable Rate Period shall be an Interest Payment Date on which interest is payable for the Variable Rate Period from which the conversion is to be made; provided, however, that if the conversion is from a Term Rate Period to a different Variable Rate Period (including a conversion from a Term Rate Period to a new Term Rate Period of the same or a different duration as the then-expiring Term Rate Period), the Variable Rate Conversion Date shall be the first Business Day immediately following the last day of the then-expiring Term Rate Period; provided further, that Purchased Bonds or Bonds bearing interest at a Stepped Rate may be converted to a different Variable Rate Period on any Business Day. The Variable Rate Conversion Date for a conversion from an Initial Rate Period to a different Variable Rate Period shall be the Business Day immediately following the end of such Initial Rate Period or such other date as may be established in accordance with Section 4.08 hereof.

(ii) The District shall give written notice of any such conversion to the Paying Agent/Registrar, the Tender Agent, the Remarketing Agent and the Bank (if any) not less than thirty (30) days prior to the proposed Conversion Date. Such notice shall specify the proposed Conversion Date and the Variable Rate Period to which the conversion will be made, and in the case of conversion to a Term Rate Period (including any conversion from a Term Rate Period to a new Term Rate Period of the same or different duration as the then-expiring Term Rate Period), the potential last day of such new Term Rate Period. Such notice shall also specify the conditions, if any, to the conversion and the consequences of such conditions not being fulfilled.

(iii) Except when a conversion is being made from one Term Rate Period to another Term Rate Period or from the Initial Rate Period to a Term Rate Period, in which instances no notice under this Section 3.02(g)(iii) shall be required, not less than twenty (20) days prior to the Conversion Date, the Paying Agent/Registrar shall send (by first class mail or by other customary means) a written notice of the conversion to the Owners. When required, such notice shall:

(A) contain the information set forth in the notice from the District pursuant to Section 3.02(g)(ii) above; and

(B) set forth the matters required to be stated pursuant to Section 4.03(d).

(iv) The Variable Rate for the Variable Rate Period commencing on the Conversion Date shall be determined by the Remarketing Agent in the manner provided in Section 3.02(a) above on the date set forth in Section 3.02(b), (c), (d), (e) or (f) above, whichever is applicable to the Variable Rate Period to which the conversion shall be made.

(v) Any conversion pursuant to this Section 3.02 shall be subject to the condition that the District shall have delivered to the Paying Agent/Registrar and the Remarketing Agent, along with the notice required by Section 3.02(g)(ii) above, an Opinion of Bond Counsel (which opinion shall be confirmed on the Conversion Date). If such Opinion of Bond Counsel is not delivered, the conversion shall not occur, the Paying Agent/Registrar shall not deliver notice to the Owners and the Bonds shall remain in the same Rate Period; provided, however, that if the existing Rate Period for such Bonds is an Initial Rate Period or a Term Rate Period (for which there is not a Liquidity Facility then in effect for such Bonds and there was no Liquidity Facility in effect for such Bonds upon the commencement of then-expiring Term Rate Period), then such Bonds shall be subject to the provisions of Section 4.03(g) or Section 4.08, as applicable.

(vi) In the event the confirmation of the Opinion of Bond Counsel is not delivered on the proposed Conversion Date pursuant to Section 3.02(g)(v), the following provisions shall apply:

(A) if the existing Rate Period of the Bonds to be converted is a Weekly Rate Period, Monthly Rate Period, Quarterly Rate Period, or Semiannual Rate Period then (I) the conversion shall not occur and such Bonds shall remain in the same Rate Period, (II) the failed conversion shall not constitute an Event of Default under this Order or such Bonds, (III) the mandatory tender will be deemed to have been rescinded for that date with respect to such Bonds and any Bonds so tendered will be returned to the Owners thereof, and (IV) the Paying Agent/Registrar shall give notice on the proposed Conversion Date to the Owners of such Bonds stating that the mandatory tender and conversion did not occur because the conditions to such conversion were not satisfied in accordance with the terms of this Order; or

(B) if the existing Rate Period of the Bonds to be converted is a Term Rate Period (for which a Liquidity Facility is then in effect providing liquidity support for such Bonds), then (I) the conversion shall not occur, (II) the failed conversion shall not constitute an Event of Default under this Order or such Bonds, and (III) such Bonds shall be subject to mandatory tender pursuant to Section 4.03(a); or

(C) if the existing Rate Period of the Bonds to be converted is an Initial Rate Period or a Term Rate Period (for which there is not a Liquidity Facility then in effect for such Bonds and there was no Liquidity Facility in effect for such Bonds upon the commencement of the then-expiring Term

Rate Period), then the conversion shall not occur and the provisions of Section 4.03(g) or Section 4.08, as applicable, shall apply to such failed conversion.

(h) Conversions to Variable Rate Period from Flexible Rate Period. At the option of the District, and pursuant to an order of the Board the Bonds may be converted from a Flexible Rate Period to a Variable Rate Period (other than the Initial Rate Period). To accomplish the proposed conversion, the District shall give written notice of the proposed conversion pursuant to Section 3.02(h)(ii) together with a copy of the Opinion of Bond Counsel. The conversion shall be accomplished as follows:

(i) The Conversion Date shall be both (A) the first Business Day of a calendar month, and (B) the last Interest Payment Date on which interest is payable for any Flexible Rate Periods theretofore established for the Bonds to be converted pursuant to Section 3.03.

(ii) The District shall give written notice of any such conversion to the Paying Agent/Registrar, the Tender Agent, the Remarketing Agent and the Bank, if any, in the manner and at the times prescribed by Section 3.02(g)(ii).

(iii) The Variable Rate for the Variable Rate Period commencing on the Conversion Date shall be established in accordance with the applicable subsection of Section 3.02, and notice of such conversion shall be given to the Owners in the same manner as is provided for conversions from one Variable Rate Period to another Variable Rate Period pursuant to Section 3.02(g)(iii) above.

(iv) Notwithstanding the foregoing, no conversion shall be effected pursuant to this Section 3.02(h) unless the Paying Agent/Registrar shall have received (A) on or before five (5) days prior to the date on which such notice is required to be given to the Owners, written confirmation from the Remarketing Agent to the effect that it has not established and will not establish any Flexible Rate Period extending beyond the Conversion Date and, (B) an Opinion of Bond Counsel (which opinion shall be confirmed on the Variable Rate Conversion Date). If such Remarketing Agent confirmation or Opinion of Bond Counsel is not delivered by the required time set forth above, the conversion shall not occur the Paying Agent/Registrar shall not deliver notice to the Owners and the Bonds shall remain in the Flexible Rate Period.

(v) If the confirmation of the Opinion of Bond Counsel is not delivered on the proposed Conversion Date pursuant to Section 3.02(h)(iv), the conversion shall not occur and the Bonds shall remain in the same Rate Period; provided, however, that such Bonds shall be subject to mandatory tender as provided herein.

(i) On any Conversion Date, in accordance with all applicable law, the District reserves the right to divide the Bonds into two or more subseries. All Bonds of a particular series or subseries shall bear interest in the same Rate Period, provided that, any Bond of

a particular series or subseries may bear interest at a Flexible Rate for a Flexible Rate Period different from any other Bond in accordance with Section 3.03(a).

Section 3.03. Flexible Rates; Conversions to Flexible Rate Periods.

(a) Flexible Rates. A Flexible Rate for each Flexible Rate Period shall be determined as follows:

(i) The Flexible Rate Period for each Bond shall be of such duration, not less than 7 days and not exceeding 270 days, as may be determined by the Remarketing Agent pursuant to Section 4.02 or 4.03 and any Bond may bear interest at a Flexible Rate for a Flexible Rate Period different from any other Bond; provided that each such Flexible Rate Period shall (A) commence on a Business Day (initially, the Flexible Rate Conversion Date), and (B) end on a day which is a Business Day not less than five (5) days prior to the stated expiration date of any Liquidity Facility providing liquidity support for such Bonds. All determinations of Flexible Rate Periods pursuant to this Section shall be conclusive and binding, absent manifest error, upon the District, the Tender Agent, the Paying Agent/Registrar, the Bank, and the Owners of the Bonds to which such Flexible Rate Periods are applicable. Each Flexible Rate Period shall be made available to the Bank, the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent including but not limited to via electronic means by 12:00 p.m. on its Rate Determination Date.

(ii) The Flexible Rate for each Flexible Rate Period shall be effective from and including the commencement date of such Flexible Rate Period through and including the last day thereof. Each such Flexible Rate shall be determined by the Remarketing Agent in connection with the sale of the Bond or Bonds to which it relates pursuant to Section 4.02 or 4.03. Flexible Rates shall be determined for the Bonds no later than 12:00 p.m. New York City time on the Rate Determination Date, which shall be the day immediately preceding the commencement date of each Flexible Rate Period with respect to such Bond, by the Remarketing Agent in connection with the remarketing of the Bonds at a rate or rates which, in the judgment of the Remarketing Agent, would cause such Bond to have a market value equal to not less than 100% of the principal amount thereof, plus accrued interest, under prevailing market conditions, provided, however, that such Flexible Rate shall never exceed the Maximum Rate. All determinations of Flexible Rates pursuant to this Section shall be conclusive and binding, absent manifest error, upon the District, the Tender Agent, the Paying Agent/Registrar, the Bank, and the Owners of the Bonds to which such rates are applicable. Each Flexible Rate shall be made available to the Bank, the Paying Agent/Registrar and the Tender Agent by the Remarketing Agent including but not limited to via electronic means by 12:00 p.m. on its Rate Determination Date.

(b) Conversions to Flexible Rate Periods. At the option of the District, and pursuant to an order of the Board, the Bonds may be converted from a Variable Rate Period to Flexible Rate Periods; provided, however, that the stated expiration date of a Liquidity

Facility providing liquidity support for such Bonds shall be a day that is not less than five (5) days after the last day of each Flexible Rate Period, the Liquidity Facility shall provide an interest commitment as necessary to accommodate the number of days of each Flexible Rate Period, and notice of such conversion will be provided to the Rating Agency not less than 30 days prior to the Flexible Rate Conversion Date. The conversion shall be accomplished as follows:

(i) The Flexible Rate Conversion Date for a conversion from a Variable Rate Period shall be an Interest Payment Date on which interest is payable for the Variable Rate Period from which the conversion is to be made; provided, however, that in the event the conversion is from a Term Rate Period, the Flexible Rate Conversion Date shall be the first Business Day immediately following the last day of the then-expiring Term Rate Period; provided further, that Purchased Bonds or Bonds bearing interest at a Stepped Rate may be converted to a Flexible Rate Period on any Business Day. The Flexible Rate Conversion Date for a conversion from an Initial Rate Period to a Flexible Rate Period shall be the Business Day immediately following the end of such Initial Rate Period or such other date as may be established in accordance with Section 4.08 hereof.

(ii) The District shall give written notice of any such conversion to the Paying Agent/Registrar, the Tender Agent the Remarketing Agent and the Bank not less than thirty (30) days prior to the proposed Flexible Rate Conversion Date. Such notice shall specify the proposed Flexible Rate Conversion Date and the Flexible Rate Period or Periods to which the conversion will be made. Such notice shall also specify the conditions, if any, to the conversion and the consequences of such conditions not being fulfilled.

(iii) Not less than twenty (20) days prior to the Conversion Date, the Paying Agent/Registrar shall send (by first class mail or by other customary means) a written notice of the conversion to the Owners of the Bonds. Such notice shall:

(A) contain the information set forth in the notice from the District pursuant to Section 3.03(b)(ii) above, and

(B) set forth the matters required to be stated pursuant to Section 4.03(d) with respect to purchases of Bonds governed by such Section.

(iv) The Flexible Rate or Rates for the Flexible Rate Period or Periods commencing on the Flexible Rate Conversion Date shall be determined by the Remarketing Agent in the manner and on the date provided in Section 3.03(a) above.

(v) Any conversion pursuant to this Section 3.03(b) shall be subject to the condition that the District shall have delivered to the Paying Agent/Registrar and the Remarketing Agent, along with the notice required in Section 3.03(b)(ii) above, an Opinion of Bond Counsel (which opinion shall be confirmed on the Flexible Rate Conversion Date). If such Opinion of Bond Counsel is not delivered,

the conversion shall not occur, the Paying Agent/Registrar shall not deliver notice to the Owners and the Bonds shall remain in the same Variable Rate Period; provided, however, that if the existing Rate Period for such Bonds is an Initial Rate Period or a Term Rate Period (for which there is not a Liquidity Facility then in effect for such Bonds and there was no Liquidity Facility in effect for such Bonds upon the commencement of the then-expiring Term Rate Bonds), then such Bonds shall be subject to the provisions of Section 4.03(g) or Section 4.08, as applicable.

(vi) In the event the confirmation of the Opinion of Bond Counsel is not delivered on the proposed Flexible Rate Conversion Date pursuant to Section 3.03(b)(v), the following provisions shall apply:

(A) if the existing Rate Period of the Bonds to be converted is a Weekly Rate Period, Monthly Rate Period, Quarterly Rate Period or Semiannual Rate Period, then (I) the conversion shall not occur and such Bonds shall remain in the same Rate Period, (II) the failed conversion shall not constitute an Event of Default under this Order or such Bonds, (III) the mandatory tender will be deemed to have been rescinded for that date with respect to such Bonds and any Bonds so tendered will be returned to the Owners thereof, and (IV) the Paying Agent/Registrar shall give notice on the proposed Flexible Rate Conversion Date to the Owners of such Bonds stating that the mandatory tender and conversion did not occur because the conditions to such conversion were not satisfied in accordance with the terms of this Order; or

(B) if the existing Rate Period of the Bonds to be converted is a Term Rate Period (for which a Liquidity Facility is then in effect providing liquidity support for such Bonds), then (I) the conversion shall not occur, (II) the failed conversion shall not constitute an Event of Default under this Order or such Bonds, and (III) such Bonds shall be subject to mandatory tender in accordance with Section 4.03(b); or

(C) if the existing Rate Period of the Bonds to be converted is an Initial Rate Period or a Term Rate Period (for which there is not a Liquidity Facility then in effect for such Bonds and there was no Liquidity Facility in effect for such Bonds upon the commencement of the then-expiring Term Rate Period), then the conversion shall not occur and the provisions of Section 4.03(g) or Section 4.08, as applicable, shall apply to such failed conversion.

Section 3.04. Fixed Rate Conversion at Option of the District.

(a) At the option of the District, and pursuant to an order of the Board, the Bonds bearing interest at a Variable Rate (including an Initial Rate), Flexible Rate or Stepped Rate may be converted in whole or in part to a Fixed Rate or Rates to their maturity or prior redemption. In the event of a conversion of less than 100% of all Outstanding Bonds to a Fixed Rate pursuant to this Section, the Paying Agent/Registrar shall, at the

direction of the District, select the Bonds to be converted to a Fixed Rate, assuming the Bonds then Outstanding are each in a minimum Authorized Denomination; provided, however, that in the event of a conversion of less than 100% of all Outstanding Bonds, Purchased Bonds, if any, and Bonds bearing interest at the Stepped Rate, if any, shall be converted prior to any other Bonds, and Purchased Bonds, if any, shall be converted prior to any Bonds bearing interest at the Stepped Rate. In connection with any such conversion, the District reserves the right to divide the Bonds into two or more subseries as provided in Section 3.02(i).

(b) In determining the Fixed Rate, the Remarketing Agent, in consultation with the District, shall take into account to the extent applicable (i) market interest rates for comparable securities which are held by institutional and private investors with substantial portfolios (A) with terms equal to the periods to maturity remaining on the Bonds, (B) the interest on which is exempt from federal income taxation, (C) rated, if the Bonds are rated, by a Rating Agency in the same rating category as the Bonds, (D) with security or credit support similar to the Bonds, and (E) with redemption provisions similar to those of the Bonds; (ii) other financial market rates and indices which have a bearing on the fixed rate (including but not limited to rates borne by general obligation bonds, United States Treasury obligations, commercial bank prime rates, certificate of deposit rates, federal funds rates, indices maintained by The Bond Buyer, and other publicly available tax-exempt interest rate indices); (iii) general financial market conditions (including current forward supply); and (iv) industry, economic, or financial conditions which may affect or be relevant to the Bonds.

Any such conversion shall be made as follows:

(c) The Fixed Rate Conversion Date for a conversion from a Variable Rate Period or a Flexible Rate Period shall be an Interest Payment Date on which interest is payable for the Variable Rate Period from which the conversion is to be made or an Interest Payment Date on which interest is payable for all Bonds to be converted which are bearing interest at a Flexible Rate; provided, however, that if the conversion is from a Term Rate Period, the Fixed Rate Conversion Date shall be the first Business Day immediately following the last day of the then-expiring Term Rate Period; provided further, that Purchased Bonds or Bonds bearing interest at a Stepped Rate may be converted to a Fixed Rate or Rates on any Business Day. The Fixed Rate Conversion Date for a conversion from an Initial Rate Period to a Fixed Rate Period shall be the Business Day immediately following the end of such Initial Rate Period or such other date as may be established in accordance with Section 4.08 hereof.

(d) (i) The District shall give written notice of any such conversion to the Remarketing Agent, the Paying Agent/Registrar, the Tender Agent and the Bank, if any, not less than thirty (30) days prior to the proposed Conversion Date. Such notice shall specify the Fixed Rate Conversion Date, the conditions (if any) to the conversion, the consequences of such conditions not being fulfilled and the principal amount of Bonds to be converted.

(ii) Not less than fifteen (15) days prior to the Fixed Rate Conversion Date, the Paying Agent/Registrar shall send (by first class mail or other customary means) a written notice of the conversion to the Owners of all Bonds to be converted, setting forth the matters required to be stated pursuant to Section 3.04(e).

(e) Notice of conversion shall be given by first class mail or by other customary means by the Paying Agent/Registrar to each Rating Agency and the Owners of all Bonds to be converted. Such notice shall inform the Owners of:

(i) the proposed Fixed Rate Conversion Date;

(ii) the conditions to the conversion and the consequences of such conditions not being fulfilled pursuant to Section 3.04(g) below; and

(iii) the matters required to be stated pursuant to Section 4.04(b) with respect to purchases of Bonds governed by such Section.

(f) Not later than 12:00 p.m., New York City time, on or before the seventh (7th) Business Day prior to the Fixed Rate Conversion Date, the Remarketing Agent shall, in consultation with and subject to the approval of the District, determine the Fixed Rate or Rates (not in excess of the Maximum Rate) for the Bonds which will cause the Bonds to have a market value equal to the principal amount thereof; provided, however, the market value of the Bonds may exceed par for the purpose of obtaining the lowest reoffering yield to the District and to pay remarketing costs, but the tendering Owners will only receive the Purchase Price of the tendered Bonds. The Bonds shall have the redemption dates and prices determined pursuant to Section 3.04(h) hereof, and the Remarketing Agent shall make the Fixed Rate or Rates available to the Paying Agent/Registrar, including but not limited to via electronic means, on the date of determination. Each maturity of the Bonds may have a different Fixed Rate but there shall be only one Fixed Rate per maturity. Promptly after the date of determination, the Paying Agent/Registrar shall give notice of such Fixed Rate or Rates by first class mail to the Tender Agent and the Bank, if any.

(g) Any conversion to a Fixed Rate pursuant to this Section 3.04 shall be subject to the following conditions:

(i) on or before the Fixed Rate Conversion Date, the District shall have delivered to the Paying Agent/Registrar and the Remarketing Agent an Opinion of Bond Counsel; and

(ii) as of the Fixed Rate Conversion Date, sufficient funds shall be available to purchase Bonds which are then required to be purchased pursuant to Section 4.04.

If the foregoing conditions are not met for any reason, the following provisions shall apply:

(i) if the existing Rate Period of the Bonds to be converted is a Weekly Rate Period, Monthly Rate Period, Quarterly Rate Period or Semiannual Rate Period, then (A) the conversion shall not occur and such Bonds shall remain

in the same Rate Period, (B) the failed conversion shall not constitute an Event of Default under this Order or such Bonds, (C) the mandatory tender will be deemed to have been rescinded for that date with respect to such Bonds and any Bonds so tendered will be returned to the Owners thereof, and (D) the Paying Agent/Registrar shall give prompt notice (not later than the proposed Fixed Rate Conversion Date) to the Owners of such Bonds stating that the mandatory tender and conversion did not occur because the conditions to such conversion were not satisfied in accordance with the terms of this Order; or

- (ii) if the existing Rate Period of the Bonds to be converted is a Flexible Rate Period or a Term Rate Period (for which a Liquidity Facility is then in effect providing liquidity support for such Bonds), then (A) the conversion shall not occur, (B) the failed conversion shall not constitute an Event of Default under this Order or such Bonds, and (C) such Bonds shall be subject to mandatory tender in accordance with Section 4.02 or Section 4.04(a), as applicable; or
- (iii) if the existing Rate Period of the Bonds to be converted is an Initial Rate Period or a Term Rate Period (for which there is not a Liquidity Facility then in effect for such Bonds and there was no Liquidity Facility in effect for such Bonds upon the commencement of the then-expiring Term Rate Period), then the conversion shall not occur and the provisions of Section 4.03(g) or Section 4.08, as applicable, shall apply to such failed conversion.

(h) Unless the second sentence under this Section 3.04(h) applies, the Bonds converted to a Fixed Rate on a Fixed Rate Conversion Date shall mature, be subject to redemption and have the same terms and features as set forth in Section 2.02 and Section 5.03 hereof. Notwithstanding the previous sentence, in connection with a conversion to a Fixed Rate, the District may elect, at its sole option, to provide for serial or term maturities, revised redemption provisions and other terms to be applicable to the Bonds on and after the Fixed Rate Conversion Date. If the District so elects, the serial or term maturities for the Bonds converted to a Fixed Rate shall be determined on the basis of providing similar relative principal and interest payments on such Bonds, including the principal payment schedule set forth in Section 5.03 (after giving pro rata effect for any prior sinking fund redemptions of the Bonds, if any, not then converted to a Fixed Rate), commencing in the fiscal year in which the conversion occurs, and any revised redemption provisions shall provide for such Fixed Rate Bonds to be subject to optional redemption in whole or in part without premium on the redemption date, which shall be determined by the District in connection with the conversion. If the principal payment schedule for the Bonds established by the District pursuant to this Section 3.04(h) is not substantially similar to the principal payment schedule set forth in Section 5.03, at the time of the conversion the District must be able to demonstrate that the District has the projected ability to pay the principal and interest on the Bonds after the conversion in the manner required by Section 45.0031, Texas Education Code, or any successor statute in effect at the time of the conversion.

Section 3.05. Interest on Purchased Bonds.

(a) Purchased Bonds shall bear interest, for each day elapsed, from and including the date they become Purchased Bonds to and including the day preceding the date they cease to be Purchased Bonds, at the Bank Rate. If at any time or times the Bank Rate would exceed the Maximum Rate, the rate of interest to accrue on the unpaid principal balance of the Purchased Bonds during all such times shall be limited to the Maximum Rate; provided, however, that if at any time the Bank Rate shall exceed the Maximum Rate, then any subsequent reduction below the Maximum Rate in the Bank Rate to be paid hereunder will not effect a reduction in such rate below the Maximum Rate until the total amount of interest accrued on the unpaid principal balance of the Purchased Bonds equals the amount of interest which would have accrued if the Bank Rate (without giving effect to this Section 3.05) had at all times been in effect. The District shall pay such interest based on a certificate from the Bank stating the amount of interest to be paid.

(b) Interest on Purchased Bonds shall accrue at the Bank Rate calculated and computed in accordance with the provisions of the Liquidity Facility and shall be payable (i) on each Interest Payment Date and (ii) upon the remarketing or sale of each Purchased Bond pursuant to this Order, with the difference between the Bank Rate relating to the Purchased Bonds so remarketed or so sold, as the case may be, and the rate borne by the Bonds and payable to other Owners, being an obligation of the District to the Bank with respect to the Purchased Bonds.

**ARTICLE IV
TENDER AND PURCHASE OF BONDS**

Section 4.01. Optional Tenders During Certain Variable Rate Periods.

(a) Purchase Dates. While a Bank is obligated to purchase Bonds pursuant to a Liquidity Facility, the Owners of such Bonds bearing interest at Variable Rates (other than an Initial Rate or a Term Rate) may elect to have their Bonds (or portions thereof in Authorized Denominations) purchased at the Purchase Price on the following purchase dates and upon the giving of written notice meeting the requirements of this subsection (a) and subsection (b) below:

(i) Bonds bearing interest at a Weekly Rate may be tendered for purchase at the Purchase Price, payable in immediately available funds, on any Thursday, or if such Thursday is not a Business Day, on the next following Business Day, upon delivery of a written notice of tender to the Tender Agent not later than 3:00 p.m., New York City time, on a Business Day that is not less than seven (7) calendar days prior to the purchase date stated in such notice.

(ii) Bonds bearing interest at a Monthly Rate, Quarterly Rate or Semiannual Rate may be tendered for purchase on any Interest Payment Date for such Bonds at the Purchase Price, payable in immediately available funds, upon delivery of a written notice of tender to the Tender Agent not later than 3:00 p.m.,

New York City time, on a Business Day that is not less than seven (7) Business Days prior to the purchase date stated in such notice.

(iii) [Reserved.]

(iv) [Reserved.]

(v) For the avoidance of doubt, Bonds bearing interest at (1) an Initial Rate, (2) a Term Rate, or (3) a Stepped Rate, are not subject to optional tender at the election of the Owners thereof.

(b) Notice of Optional Tender. Each notice of optional tender:

(i) shall be delivered to the Tender Agent at its designated office and be in form satisfactory to the Tender Agent;

(ii) shall state (A) the principal amount and the bond number (if not held in a Book-Entry Only System) of the Bond to which the notice relates, (B) that the Owner irrevocably demands purchase of such Bond or a specified portion thereof in an amount equal to an Authorized Denomination, (C) the date on which such Bond or portion thereof is to be purchased, and (D) payment instructions with respect to the Purchase Price; and

(iii) shall automatically constitute (A) an irrevocable offer to tender the Bond (or the specified portion thereof) to which the notice relates on the purchase date, at the Purchase Price, (B) an irrevocable authorization and instruction to the Tender Agent to effect transfer of such Bond (or the specified portion thereof) upon payment of the Purchase Price to the Tender Agent on the purchase date, (C) an irrevocable authorization and instruction to the Tender Agent to effect the exchange of the Bond to be purchased in whole or in part for other Bonds in an equal aggregate principal amount so as to facilitate the sale of such Bond (or the specified portion thereof), (D) an acknowledgment that such Owner will have no further rights with respect to such Bond (or the specified portion thereof) upon payment of the Purchase Price thereof to the Tender Agent on the purchase date, except for the right of such Owner to receive such Purchase Price upon surrender of such Bond to the Tender Agent, and (E) an acknowledgement that if the Owner fails to tender such Bond for purchase on the Purchase Date, such untendered Bond shall be deemed tendered, shall cease to bear interest and shall be outstanding for the sole purpose of receiving the Purchase Price upon delivery thereof to the Tender Agent.

The determination of the Tender Agent as to whether a notice of tender has been properly delivered pursuant to the foregoing shall be conclusive and binding upon the Owner. The Tender Agent may waive nonconforming tenders. The Tender Agent shall promptly, and in no event later than the close of business on the next succeeding Business Day, electronically transmit a copy of any notice received pursuant to this Section 4.01 to the Remarketing Agent and the Bank.

(c) Remarketing of Tendered Bonds. The Remarketing Agent shall offer for sale and use its best efforts to remarket all Bonds or portions thereof for which notice of tender has been received pursuant to Section 4.01(b) above. The terms of any sale by the Remarketing Agent shall provide for the payment of the Purchase Price for tendered Bonds by the Remarketing Agent to the Tender Agent (in exchange for new registered Bonds) in immediately available funds at or before 10:30 a.m., New York City time, on the purchase date. Notwithstanding the foregoing, the Remarketing Agent shall not remarket any Bond for which a notice of conversion from one type of Variable Rate Period to another, from or to Flexible Rate Periods, or to a Fixed Rate Period has been given by the Paying Agent/Registrar unless the Remarketing Agent receives written acknowledgment from the person to whom the Bond is being remarketed of the conversion.

(d) Purchase of Tendered Bonds.

(i) Notice. At or before 3:00 p.m., New York City time, on the Business Day immediately preceding the date fixed for purchase of tendered Bonds, the Remarketing Agent shall give notice by telephone, telegram, telecopy, time-sharing terminal, telex, facsimile transmission, or other similar communication to the Tender Agent of the principal amount of tendered Bonds which were not remarketed. Not later than 4:00 p.m., New York City time, on the date of receipt of such notice, the Tender Agent shall give notice by telephone, telegram, telecopy, facsimile transmission, electronic mail, or other similar communication to the Pricing Officer, the Bank and the Paying Agent/Registrar specifying the principal amount of tendered Bonds which have not been remarketed. At or before 3:00 p.m., New York City time, on the Business Day immediately preceding the date fixed for purchase of the tendered Bonds, to the extent known to the Remarketing Agent, but in any event, no later than 10:30 a.m., New York City time, on the date fixed for purchase, the Remarketing Agent shall give notice to the Tender Agent by telephone (promptly confirmed in writing, which may be electronic) of the names, addresses, and taxpayer identification numbers of the purchaser of the remarketed Bonds, the Authorized Denominations of the Bonds to be delivered to each purchaser and, if available, payment instructions for regularly scheduled interest payments.

(ii) Sources of Payment. At or before 10:30 a.m., New York City time on the date fixed for purchase of the tendered Bonds, the Remarketing Agent shall cause to be paid to the Tender Agent for deposit in the "Fort Bend Independent School District Remarketing Proceeds Payment Fund, [series designation assigned to the Bonds in the Officer's Pricing Certificate] (the "Payment Fund"), all amounts representing proceeds of the remarketed Bonds, such payments to be made in the manner and at the time specified in Section 4.01(c) above. If such amounts, plus all other amounts received by the Tender Agent for the purchase of tendered Bonds, are not sufficient to pay the Purchase Price, the Tender Agent shall immediately notify the Bank and the Pricing Officer of any deficiency no later than 11:00 a.m., New York City time, on such date in the form required pursuant to the Liquidity Facility; provided, however, in the event the date of purchase of the tendered Bonds is an Interest Payment Date, payment of the accrued interest portion of the Purchase

Price for the tendered Bonds shall be the sole responsibility of the District and the Bank shall have no liability for such interest portion of the Purchase Price of the tendered Bonds to the Owners thereof. The Bank and the District (if the District is obligated to pay the interest portion of the Purchase Price) shall deliver to the Tender Agent immediately available funds in an amount at least equal to its portion of the Purchase Price agreed to be paid on the tender date of such unremarketed Bonds prior to 1:30 p.m., New York City time, on the date set for purchase of such tendered Bonds. All money received by the Tender Agent as remarketing proceeds and additional amounts, if any, received from the Bank and the District to pay the Purchase Price of the tendered Bonds shall be deposited by the Tender Agent in the Payment Fund to be used solely for the payment of the Purchase Price of such tendered Bonds and shall not be commingled with other funds held by the Tender Agent and shall remain uninvested; if any such money representing amounts received from the Bank exceed the amount required to pay the Purchase Price of tendered Bonds, such excess shall be paid back to the Bank.

(iii) Payments by the Tender Agent. At or before 2:30 p.m., New York City time, on the date set for purchase of tendered Bonds and upon receipt by the Tender Agent of 100% of the aggregate Purchase Price of the tendered Bonds, the Tender Agent shall pay the Purchase Price of such Bonds to the tendering Owners thereof at its designated office or by bank wire transfer. Such payments shall be made in immediately available funds. The Tender Agent shall apply in order (A) money paid to it by the Remarketing Agent as proceeds of the remarketing of such Bonds by the Remarketing Agent, (B) money, if any, paid by the District, and (C) money paid pursuant to the Liquidity Facility, if any. If sufficient funds are not available for the purchase of all tendered Bonds (but excluding any Bonds for which a tender has been rescinded pursuant to the provisions of this Order), no Bonds shall be purchased.

(iv) Registration and Delivery of Tendered or Purchased Bonds. On the purchase date, the Tender Agent shall register and deliver (or hold) or cancel all Bonds purchased on any purchase date as follows: (A) Bonds purchased or remarketed by the Remarketing Agent shall be registered by the Tender Agent and delivered to the new registered owner in accordance with the instructions of the Remarketing Agent by 2:00 p.m., New York City time; and (B) Purchased Bonds, if any, shall be registered and transferred in accordance with Section 2.10 of this Order.

Notwithstanding anything to the contrary in the foregoing paragraph, for so long as the Bonds are held in the Book-Entry Only System of DTC in accordance with Section 2.07 hereof, (i) any Bond remarketed by the Remarketing Agent shall be delivered to the new beneficial owner thereof by a transfer in the Book-Entry Only System of DTC of such remarketed Bond to the applicable DTC Participant account for such beneficial owner; and (ii) Purchased Bonds shall be delivered to the Bank by a transfer in the Book-Entry Only System of DTC of such Purchased Bonds to the DTC Participant account of the Tender Agent for the benefit of the Bank, as beneficial owner of such Purchased Bonds.

(v) Delivery of Bonds; Effect of Failure to Surrender Bonds. All Bonds to be purchased on any date shall be delivered to the office of the Tender Agent prior to 5:00 p.m., New York City time, on the Business Day next preceding the purchase date (12:00 noon New York City time on the tender date for Bonds held in Book-Entry Only System). If the Owner of any Bond (or portion thereof) that is subject to purchase pursuant to this Section fails to deliver such Bond to the Tender Agent for purchase on the purchase date, and if the Tender Agent is in receipt of the Purchase Price therefor, such Bond (or portion thereof) shall nevertheless be deemed purchased on the day fixed for purchase thereof and shall constitute an Undelivered Bond. Ownership of Undelivered Bonds shall be transferred to the purchaser thereof as provided in Section 4.01(d)(iv) above and the Tender Agent shall authenticate and deliver substitute Bonds in lieu of such Undelivered Bonds. Any Owner of Undelivered Bonds shall have no further right thereunder except the right to receive the Purchase Price thereof upon presentation and surrender of said Bonds to the Tender Agent. The Tender Agent shall, as to any Undelivered Bonds, (A) promptly notify the Remarketing Agent of such nondelivery and (B) place a stop transfer against such Undelivered Bonds.

Section 4.02. Mandatory Tender After Flexible Rate Periods.

(a) Purchase Dates. While a Bank is obligated to purchase Bonds pursuant to a Liquidity Facility, each such Bond bearing interest at a Flexible Rate shall be subject to mandatory tender for purchase on the first Business Day after the end of the Flexible Rate Period applicable to such Bond at its Purchase Price. The Owners of such Bonds shall not have the right to elect to retain their Bonds. Each Flexible Rate Period and mandatory tender date for a Bond shall be established on the date of purchase of such Bond as hereinafter provided. The Owner of any Bond bearing interest at a Flexible Rate and tendered for purchase as provided in this Section 4.02(a) shall provide the Tender Agent with payment instructions for the Purchase Price of its Bond upon tender thereof to the Tender Agent.

(b) Remarketing of Tendered Bonds. The Remarketing Agent shall use its best efforts to remarket all Bonds bearing interest at Flexible Rates required to be purchased on the ensuing purchase date. Subject to the provisions of Section 3.03, in remarketing the Bonds, the Remarketing Agent shall offer and accept purchase commitments for the Bonds for such Flexible Rate Periods and at such Flexible Rates as it deems to be advisable in order to minimize the net interest cost on the Bonds under prevailing market conditions; provided, however, that the foregoing shall not prohibit the Remarketing Agent from accepting purchase commitments for longer Flexible Rate Periods (and at higher Flexible Rates) than are otherwise available at the time of any remarketing if the Remarketing Agent determines that, under prevailing market conditions, a lower net interest cost on the Bonds can be achieved over the longer Flexible Rate Period. Notwithstanding the foregoing, no Flexible Rate Period may be established which (i) exceeds 270 days or is less than 7 days, or (ii) if the Remarketing Agent has given or received notice of any conversion to a Variable Rate Period or the Fixed Rate Period, exceeds the remaining number of days prior to the Conversion Date. The terms of any sale by the Remarketing Agent shall provide for the authorization of the payment of the Purchase Price by the Remarketing Agent to the

Tender Agent in immediately available funds at or before 10:30 a.m., New York City time, on the purchase date.

(c) Purchase of Tendered Bonds. The provisions of Section 4.01(d) shall apply to tenders pursuant to this Section 4.02.

Section 4.03. Mandatory Tender Upon Variable Rate Conversion or Flexible Rate Conversion; Conversion from Term Rate Period with No Liquidity Facility.

(a) Conversions to Variable Rate Periods. Subject to Section 3.02(g)(vi), while a Bank is obligated to purchase Bonds pursuant to a Liquidity Facility, each such Bond to be converted from any Variable Rate Period to a different Variable Rate Period (including from a Term Rate Period to a new Term Rate Period of the same or a different duration as the then-expiring Term Rate Period) pursuant to Section 3.02(g) or from a Flexible Rate Period to a Variable Rate Period pursuant to Section 3.02(h) are subject to mandatory tender for purchase on the applicable Variable Rate Conversion Date at the Purchase Price. The Owners of such Bonds shall not have the right to elect to retain their Bonds.

(b) Conversion to Flexible Rate Periods from Variable Rate Periods. Subject to Section 3.03(b)(vi), while a Bank is obligated to purchase Bonds pursuant to a Liquidity Facility, each such Bond to be converted to a Flexible Rate Period pursuant to Section 3.03(b) are subject to mandatory tender for purchase on the applicable Flexible Rate Conversion Date at the Purchase Price. The Owners of such Bonds shall not have the right to elect to retain their Bonds.

(c) [Reserved.]

(d) Notice to Owners. Any notice of a Conversion Date given to Owners pursuant to Section 3.02(g)(iii), 3.02(h)(iii) or 3.03(b)(iii) shall, in addition to the requirements of such Section, state that the Bonds to be converted will be subject to mandatory tender for purchase on the Conversion Date and the time at which Bonds are to be tendered for purchase.

(e) Remarketing. On the date any notice of a Conversion Date is given to Owners pursuant to Section 3.02(g)(iii), 3.02(h)(iii), or 3.03(b)(iii), the Tender Agent shall notify the Pricing Officer, the Paying Agent/Registrar, the Remarketing Agent and the Bank, if any, by telephone, telegram, telecopy, facsimile transmission, electronic mail or other similar communication, of the principal amount of Bonds to be tendered for purchase on the Conversion Date. The Remarketing Agent shall use its best efforts to remarket such Bonds. The terms of any sale by the Remarketing Agent shall provide for the payment of the Purchase Price of tendered Bonds to the Remarketing Agent in immediately available funds at or before 9:30 a.m., New York City time, on the Conversion Date.

(f) Purchase of Tendered Bonds. The provisions of Section 4.01(d) shall apply to tenders pursuant to this Section 4.03.

(g) Conversion from Term Rate Period with No Liquidity Facility. As set forth in Section 3.02(f)(iv), while the Bonds bear interest at a Term Rate, the District shall use

its best efforts to take all such actions required by this Order to be performed by the District to cause such Bonds to be converted to a different Rate Period (including to a Term Rate Period of the same or a different duration as the then-expiring Term Rate Period) on the first Business Day immediately following the last day of the then-expiring Term Rate Period. If the conversion of Bonds relates to a conversion from a Term Rate Period to a different Rate Period (including from a Term Rate Period to a new Term Rate Period of the same or a different duration as the then-expiring Term Rate Period), and there then exists no Liquidity Facility relating to such Bonds (and there was no Liquidity Facility in effect for such Bonds upon the commencement of the then-expiring Term Rate Period), then such Bonds shall be subject to mandatory tender for purchase on the Conversion Date without right of retention by the Owners at the Purchase Price. The provisions of Section 4.01(d) shall apply to such mandatory tenders pursuant to this Section 4.03(g). In the event that all of such Bonds (of the same series or subseries) subject to such mandatory tender are not converted into one or more Rate Periods and remarketed to new purchasers on the Conversion Date, the District shall have no obligation to purchase any of the Bonds tendered on such date, the failed conversion and remarketing shall not constitute an Event of Default under this Order or such Bonds, the mandatory tender will be deemed to have been rescinded for that date with respect to all of such Bonds, and such Bonds (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing of such Bonds, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to optional redemption and mandatory tender for purchase at the Purchase Price on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at the District's discretion upon delivery of at least one day's notice to the Owners thereof), and (v) will be deemed to continue in a Term Rate Period for all other purposes of this Order (including the identification of the Interest Payment Dates until the Bonds are remarketed or redeemed), though bearing interest during such time at the Stepped Rate until remarketed or redeemed in accordance with the terms of this Order. In the event of a failed conversion and remarketing as described above, the District will use its best efforts to cause such Bonds to be converted and remarketed on the earliest reasonably practicable date on which such Bonds can be remarketed at par plus accrued interest, in such Rate Period or Rate Periods as the District directs, at a rate not exceeding the Maximum Rate. The provisions of Sections 4.03(d), 4.03(e), 4.04(b) and 4.04(c) of this Order, as applicable, also shall apply to and govern the mandatory tender of Bonds described in this Section 4.03(g) to the extent such provisions are not in conflict with this Section 4.03(g).

(h) Notwithstanding any other provision of this Section 4.03 to the contrary, mandatory tenders to occur with respect to Bonds to be converted from the Initial Rate Period to any other Rate Period shall be governed by Section 4.08 of this Order.

Section 4.04. Mandatory Tender Upon Fixed Rate Conversion.

(a) Mandatory Tender Upon Conversion. Subject to Section 3.04(g), while the Bank is obligated to purchase Bonds pursuant to a Liquidity Facility, any such Bond to be converted to a Fixed Rate pursuant to Section 3.04 shall be subject to mandatory tender for purchase on the Fixed Rate Conversion Date at the Purchase Price. The Owners of such Bonds shall not have the right to elect to retain their Bonds. Any Bond in an Initial Rate

Period or a Term Rate Period (for which no Liquidity Facility is then in effect and there was no Liquidity Facility in effect for such Bonds upon the commencement of the then-expiring Term Rate Period) to be converted to a Fixed Rate pursuant to Section 3.04 is subject to mandatory tender for purchase on the Fixed Rate Conversion Date in accordance with the provisions of Section 4.03(g) or Section 4.08, as applicable.

(b) Notice to Owners. Any notice of conversion given to Owners pursuant to Section 3.04(d)(ii) shall, in addition to the requirements of such Section, state that (i) Owners shall not have the right to waive mandatory tender, (ii) Bonds not delivered to the Tender Agent for purchase on the date specified in the notice shall be deemed tendered on such date and that after such date Owners will not be entitled to any payment (including interest to accrue subsequent to the mandatory tender date) other than the Purchase Price for such Undelivered Bonds, (iii) such Undelivered Bonds shall no longer be entitled to the benefits of this Order, and (iv) the Bonds will not be subject to tender for purchase at the option of the Owner after the Fixed Rate Conversion Date.

(c) Remarketing. The Remarketing Agent shall use its best efforts to remarket the Bonds. The terms of any sale by the Remarketing Agent shall provide for the payment of the Purchase Price of the tendered Bonds to the Remarketing Agent in immediately available funds at or before 9:30 a.m., New York City time on the Fixed Rate Conversion Date.

(d) Purchase of Tendered Bonds. The provisions of Section 4.01(d) shall apply to mandatory tenders pursuant to this Section 4.04.

Section 4.05. Mandatory Tender Upon Expiration or Voluntary Termination of Liquidity Facility.

(a) While a Bank is obligated to purchase Bonds pursuant to a Liquidity Facility, such Bonds covered by the Liquidity Facility shall be subject to mandatory tender for purchase at the Purchase Price on the following dates, without the right of the Owners thereof to retain such Bonds:

(i) on the last Business Day prior to the date on which the Liquidity Facility expires by its terms; provided, that no such tender and purchase shall be required if the Liquidity Facility is renewed or extended prior to the date of notice of mandatory tender to the Owner; or

(ii) on the last Business Day before termination of the Liquidity Facility as a result of the voluntary action of the District; and

(iii) on the last Business Day prior to the substitution of a new Liquidity Facility for such Bonds, provided that no such tender and purchase shall be required if prior to the date of notice to the Owner pursuant to subsection 4.05(b) below, the Remarketing Agent, the Paying Agent/Registrar, the Bank, and the Tender Agent shall have received written confirmation from the Rating Agency to the effect that the rating or ratings assigned to the Bonds will not be lowered, suspended or withdrawn as a result of the substitution.

(b) Not later than thirty (30) days prior to the purchase date, the Paying Agent/Registrar shall mail a written notice of the mandatory tender for purchase to the Owners of the Bonds subject to mandatory tender, which notice shall specify (i) the purchase date and (ii) the event requiring the purchase pursuant to Subsection (a) above. In the event that no mandatory tender and purchase is required as provided in Subsection 4.05(a)(iii) above, the Paying Agent/Registrar shall, upon receipt of the written confirmation required from the Rating Agency under Subsection 4.05(a)(iii), promptly mail a written notice to the Owners of the Bonds, which notice shall specify (i) the effective date of the substitute Liquidity Facility and (ii) the identity of the provider under the substitute Liquidity Facility.

(c) Bonds required to be delivered to the Tender Agent pursuant to this Section 4.05 shall be tendered in accordance with the provisions of Section 4.01(d).

Section 4.06. Mandatory Tender Upon Notice of Termination.

(a) While a Bank is obligated to purchase Bonds pursuant to a Liquidity Facility, the Bonds are subject to mandatory tender for purchase at the Purchase Price without the right of Owners to retain their Bonds, on any date specified in a Notice of Termination from the Bank. Upon receipt of Notice of Termination from the Bank, the District shall immediately, but in no event later than one (1) Business Day after receipt of such Notice of Termination, notify the Paying Agent/Registrar of the matters set forth in such notice.

(b) The Paying Agent/Registrar shall give notice to Owners of a mandatory tender pursuant to this Section 4.06 at least nine (9) days prior to the mandatory tender date. Such notice of mandatory tender shall state that the Bonds are subject to mandatory tender on the Business Day next preceding the date of termination of the Liquidity Facility, as stated in the notice from the District and that Owners shall not have a right to retain their Bonds.

(c) Bonds shall be required to be delivered to the Tender Agent against payment therefor in accordance with the provisions of Section 4.01(d).

(d) No remarketing of the Bonds shall occur after the receipt by the District of the Notice of Termination until such time as a new Liquidity Facility is in effect.

Section 4.07. Mandatory Tender at Direction of District.

(a) Prior to the Fixed Rate Conversion Date, while a Bank is obligated to purchase Bonds pursuant to a Liquidity Facility, such Bonds are subject to mandatory tender for purchase at the option of the District, without the right of the Owners to retain their Bonds, on any date that such Bonds would otherwise be subject to optional redemption pursuant to Section 5.02 of this Order, for conversion to any other Rate Period in accordance with the provisions of this Order. No tender for purchase of Bonds pursuant to any such mandatory tender shall be deemed to be a payment or redemption of such Bonds or any portion thereof, and such purchase will not operate to extinguish or discharge the indebtedness evidenced by such Bonds.

(b) Any mandatory tender pursuant to this Section 4.07 shall be subject to the following conditions:

(i) on or before the mandatory tender date, the District shall have delivered to the Paying Agent/Registrar and the Remarketing Agent an Opinion of Bond Counsel; and

(ii) as of the mandatory tender date, sufficient funds shall be available to purchase Bonds which are then required to be purchased at the direction of the District pursuant to this Section 4.07.

If the foregoing conditions are not met for any reason, then (A) such Bonds shall remain in the same Rate Period, (B) the failed mandatory tender shall not constitute an Event of Default under this Order or such Bonds, (C) the mandatory tender will be deemed to have been rescinded for that date with respect to such Bonds and any Bonds so tendered will be returned to the Owners thereof, and (D) the Paying Agent/Registrar shall give prompt notice (not later than the proposed mandatory tender date) to the Owners of such Bonds stating that the mandatory tender did not occur because the conditions to such mandatory tender were not satisfied in accordance with the terms of this Order.

(c) Notice to Owners. Any notice of such mandatory tender will be given to Owners pursuant to Section 5.07 and shall, in addition to the requirements of such Section, state that Owners shall not have the right to retain their Bonds and that Bonds not delivered to the Tender Agent for purchase on the date specified in the notice shall be deemed tendered on such date and the conditions contained in this Order for such mandatory tender to occur and the consequences of the failure to satisfy such conditions and that after such date Owners will not be entitled to any payment (including interest to accrue subsequent to the required purchase date) other than the Purchase Price for such Undelivered Bonds and such Undelivered Bonds shall no longer be entitled to the benefits of this Order.

(d) Remarketing. The Remarketing Agent shall offer for sale and use its best efforts to remarket the Bonds in the Rate Period selected by the District, all in accordance with the applicable provisions of this Order. The terms of any sale by the Remarketing Agent shall provide for the payment of the Purchase Price to the Remarketing Agent of the tendered Bonds in immediately available funds at or before 9:30 a.m., New York City time on the mandatory date specified in the notice. The Remarketing Agent shall not sell any Bond for which a notice of conversion from one type of Variable Rate Period to another, to Flexible Rate Periods, or to a Fixed Rate Period has been given by the Paying Agent/Registrar unless the Remarketing Agent has advised the person to whom the sale is being made of the conversion.

(e) Purchase of Tendered Bonds. The provisions of Section 4.01(d) shall apply to mandatory tenders pursuant to this Section 4.07.

Section 4.08. Mandatory Tender at End of Initial Rate Period. The District shall use its best efforts to take all such actions required by this Order to be performed by the District to cause all Bonds (of a particular series or subseries) to be converted from the Initial Rate Period to a

different Rate Period on the first Business Day immediately following the last day of the applicable Initial Rate Period. Notwithstanding any other provision of this Order to the contrary, all Bonds issued hereunder shall be subject to mandatory tender for purchase on the mandatory tender date set forth in the Officer's Pricing Certificate to occur on the Business Day immediately following the last day of the Initial Rate Period, without right of retention by the Owner, at the Purchase Price. The provisions of Section 4.01(d) shall apply to such mandatory tenders pursuant to this Section 4.08. In the event that all of the Bonds (of the same series or subseries) subject to such mandatory tender are not converted into one or more Rate Periods and remarketed to new purchasers on the scheduled date of mandatory tender, the District shall have no obligation to purchase any of such Bonds tendered on such date, the failed conversion and remarketing shall not constitute an Event of Default under this Order or such Bonds, the mandatory tender will be deemed to have been rescinded for that date with respect to all of such Bonds, and such Bonds (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing of the Bonds, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender for purchase at the Purchase Price on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at the District's discretion upon delivery of at least one day's notice to the Owners thereof), and (v) will be deemed to continue in an Initial Rate Period for all other purposes of this Order (including the identification of Interest Payment Dates until the Bonds are remarketed or redeemed), though bearing interest during such time at the Stepped Rate until remarketed or redeemed in accordance with the terms of this Order. In the event of a failed conversion and remarketing as described in this Section 4.08, the District will use its best efforts to cause such Bonds to be converted and remarketed on the earliest reasonably practicable date on which such Bonds can be sold at not less than par plus accrued interest, in such Rate Period or Rate Periods as the District directs, at a rate not exceeding the Maximum Rate. The provisions of Sections 4.03(d), 4.03(e), 4.04(b) and 4.04(c) of this Order, as applicable, also shall apply to and govern the mandatory tender of Bonds described in this Section 4.08 to the extent such provisions are not in conflict with this Section 4.08.

ARTICLE V REDEMPTION OF BONDS BEFORE MATURITY

Section 5.01. Limitation on Redemption. The Bonds shall be subject to redemption before scheduled maturity only as provided in this Article V and in the Officer's Pricing Certificate. Any provision of this Article V, including, without limitation, any provisions relating to the method of selection of Bonds for redemption, may be modified in an Officer's Pricing Certificate.

Section 5.02. Optional Redemption.

(a) Prior to the Fixed Rate Conversion Date, Bonds, other than (i) Purchased Bonds, (ii) Bonds bearing interest at the Initial Rate during the Initial Rate Period, and (iii) Bonds bearing interest at the Stepped Rate during the Stepped Rate Period, are subject to redemption at the option of the District, in whole or in part, at a redemption price equal to the principal amount thereof plus interest accrued thereon to the redemption date, on any Interest Payment Date.

(b) Bonds bearing interest at the Stepped Rate during the Stepped Rate Period and Purchased Bonds are subject to redemption, in whole or in part, at the option of the District, on any Business Day at a redemption price equal to the principal amount thereof plus interest accrued thereon at the Stepped Rate or the Bank Rate, as applicable, to the redemption date. Bonds bearing interest at the Initial Rate during the Initial Rate Period shall be subject to redemption only as provided in the Officer's Pricing Certificate.

(c) Bonds bearing interest at a Fixed Rate are subject to redemption at the option of the District, in whole or in part, on the dates and at the prices determined and established by the District in accordance with Section 3.04(h) of this Order.

(d) The District shall deliver notice to the Paying Agent/Registrar of its intention to redeem Bonds, which notice shall specify the principal amount and the maturity or maturities of the Bonds to be redeemed (i) with respect to Purchased Bonds and Bonds bearing interest at a Stepped Rate, at least two (2) days prior to the redemption date, (ii) with respect to Bonds bearing interest at a Flexible Rate, Weekly Rate or Monthly Rate, at least twenty-five (25) days prior to the redemption date; and (iii) with respect to Bonds bearing interest at a Quarterly Rate, Semiannual Rate, Term Rate or Fixed Rate, at least thirty-five (35) days prior to the redemption date.

(e) Subject to Section 5.07(c), on or prior to the date established for optional redemption of any Bonds or Purchased Bonds, the District shall have deposited an amount sufficient to pay the redemption price of the Bonds to be redeemed with the Paying Agent/Registrar or an authorized escrow agent. Such money may be invested in Government Securities having maturities which coincide with the redemption date.

(f) In addition to the foregoing and notwithstanding the notice provisions of Section 5.07 hereof, the District, at its option, may purchase for cancellation or redeem any Bond subject to mandatory tender on any mandatory tender date therefor without notice to any Owner, at a price equal to the principal amount thereof plus any accrued and unpaid interest.

Section 5.03. Scheduled Mandatory Redemption.

(a) The Bonds are subject to mandatory redemption from money on deposit in the Interest and Sinking Fund at a price of par plus accrued interest to the date fixed for redemption, in the amounts and on the dates set forth in the Officer's Pricing Certificate.

(b) Prior to each scheduled mandatory redemption date for the Bonds required to be redeemed pursuant to subparagraph (a) of this Section 5.03, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Bonds equal to the aggregate principal amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 5.07.

(c) The principal amount of the Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 5.03 shall be reduced by the

principal amount of any Bonds of the same maturity which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the District and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption. Bonds purchased for cancellation or redeemed pursuant to the optional redemption provisions hereof that are required to be redeemed pursuant to Section 5.03(a) shall be credited against future mandatory redemption payments as directed by the District.

(d) In lieu of mandatorily redeeming the Bonds subject to redemption pursuant to subparagraph (a) of this Section 5.03, the District reserves the right to purchase for cancellation such Bonds of the same maturity at a price no greater than the applicable redemption price of such Bonds.

Section 5.04. Additional Mandatory Redemption.

(a) In each fiscal year in which any series of the Bonds are Outstanding and accruing interest at a Flexible Rate or a Variable Rate, the District shall budget (in accordance with Section 2.13(a) hereof) for such fiscal year for the payment of interest on the Bonds, to the extent it is unknown, at a rate prescribed in the then-effective Liquidity Facility, if any, or at a rate equal to the Maximum Rate per annum. In the event and to the extent that interest paid on the Bonds during such fiscal year is less than the amount payable at the rate prescribed in the then-effective Liquidity Facility, if any, or the Maximum Rate, as applicable, when either such rate is used by the District in calculating its tax rate (the "Subsection (a) Excess Interest Funds"), the District shall cause the Subsection (a) Excess Interest Funds to be allocated and appropriated for the payment of the mandatory redemption of Bonds on the first August 1 next following the end of such fiscal year; provided the amount of such Subsection (a) Excess Interest Funds is equal to or greater than \$100,000. In each fiscal year when the amount of Subsection (a) Excess Interest Funds is equal to or greater than \$100,000, the District shall cause Bonds in a principal amount equivalent to the Excess Interest Funds to be redeemed on the August 1 next following the end of such fiscal year at the redemption price of par plus accrued interest to the date of redemption. The mandatory redemption of Bonds in accordance with the provision of this subsection (a) shall be in addition to the amount of Bonds to be mandatorily redeemed as set forth in the Officer's Pricing Certificate. The principal amount of Bonds subject to mandatory redemption, if any, shall be reduced, in inverse chronological order of redemption dates, by the amount of Bonds redeemed pursuant to the provisions of this Section 5.04(a).

(b) Notwithstanding the provisions of Section 2.13 and Section 5.04(a) above, in addition, in each fiscal year in which any series of the Bonds are Outstanding and accruing interest at a Flexible Rate or a Variable Rate, the District may, at the District's discretion, budget for such fiscal year and levy taxes for the payment of interest on the Bonds based on an interest rate on the Bonds equal to the actual rate borne thereby or any rate not to exceed the Maximum Rate per annum that is not less than the actual rate per annum. At the end of the fiscal year in which the District levies a tax based on the interest rate on the Bonds being equal to a rate exceeding the actual rate on the Bonds, the District

shall cause the difference between the amount budgeted at a rate exceeding the actual rate on the Bonds and the amount paid on the Bonds ("Subsection (b) Excess Interest Funds") to be allocated and appropriated for the purchase for cancellation (if August 1 is a mandatory tender date) or payment of the mandatory redemption of Bonds on the first August 1 next following the end of such fiscal year; provided the amount of such Subsection (b) Excess Interest Funds is equal to or greater than \$100,000. In each fiscal year when the amount of Subsection (b) Excess Interest Funds is equal to or greater than \$100,000, the District shall cause Bonds in a principal amount equivalent to the Excess Interest Funds to be purchased for cancellation (if August 1 is a mandatory tender date) or redeemed on the August 1 next following the end of such fiscal year at the redemption price of par plus accrued interest to the date of redemption. The mandatory redemption of Bonds in accordance with the provision of this subsection (b) shall be in addition to the amount of Bonds to be mandatorily redeemed as set forth in the Officer's Pricing Certificate.

(c) Unless utilized to purchase Bonds for cancellation on a mandatory tender date, at least 45 days prior to each mandatory redemption date described in subsections (a) and (b) of this Section 5.04, the District will notify the Paying Agent/Registrar and the Remarketing Agent in writing of the principal amount of Bonds to be mandatorily redeemed on such mandatory redemption date, and instruct the Paying Agent/Registrar to select by lot or other customary random selection method the Bonds or portions thereof to be redeemed.

Bonds to be redeemed in any year by mandatory redemption shall be redeemed at par, plus accrued interest to the date of redemption, and shall be selected by the Paying Agent/Registrar by lot or other method that results in a random selection thereof. The District, at its option, may credit against any mandatory redemption requirement, Bonds which have been purchased by the District, using funds other than remarketing proceeds or moneys drawn under the Liquidity Facility, at a price not exceeding the principal amount of such Bonds plus accrued interest to the date of purchase and canceled by the Paying Agent/Registrar, or have been optionally redeemed and not theretofore applied as a credit against any mandatory redemption requirement.

Section 5.05. Special Mandatory Redemption. Purchased Bonds shall be subject to special mandatory redemption, if required by and in accordance with the provisions of the applicable Liquidity Facility.

Section 5.06. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed, the District shall direct the Paying Agent/Registrar to call Purchased Bonds first and then to call Bonds or portions thereof by lot or other random selection method for redemption; provided that in the event that the District elects to optionally redeem less than all of the Outstanding principal amount of a maturity of Bonds that are term Bonds with multiple mandatory sinking fund redemption dates the Pricing Officer shall select, or cause to be selected, the mandatory redemption dates to which such redemption shall be applied and the principal amounts of such Bonds to be redeemed, and the Paying Agent/Registrar shall then select, or cause to

be selected, such principal amount of Bonds to be redeemed by lot or other random selection method for redemption.

(b) A portion of a single Bond of a denomination greater than a minimum Authorized Denomination may be redeemed but only in a principal amount equal to a minimum Authorized Denomination or any integral multiple thereof. The Paying Agent/Registrar shall treat each minimum Authorized Denomination of such Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered.

Section 5.07. Notice of Redemption.

(a) The Paying Agent/Registrar shall cause notice of redemption of any Bond to be redeemed in whole or in part to be mailed first class mail to the Rating Agency and to the Owner thereof at the address of the Owner appearing in the Register (i) with respect to a Bond bearing interest at a Stepped Rate or a Bank Rate, at least one (1) day prior to the redemption date; (ii) with respect to a Bond bearing interest at a Flexible Rate, Weekly Rate or Monthly Rate, at least twenty (20) days prior to the redemption date; and (iii) with respect to a Bond bearing interest at a Quarterly Rate, a Semiannual Rate, a Term Rate or a Fixed Rate, at least thirty (30) days prior to the redemption date.

(b) The notice of redemption shall identify the Bonds to be redeemed, and shall specify the numbers thereof (if not held in a Book-Entry Only System), the redemption date and the redemption price. The notice shall state that (i) on the redemption date the Bonds called for redemption will be payable at the designated office of the Paying Agent/Registrar, and (ii) on and after the redemption date interest will cease to accrue (unless sufficient moneys are not available to the Paying Agent/Registrar to pay the redemption price on the redemption date).

(c) The District reserves the right to give notice of its election or direction to redeem Bonds under Section 5.02 conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the District retains the right to rescind such notice at any time prior to the scheduled redemption date if the District delivers a certificate of the District to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice of redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain Outstanding. Failure to pay the redemption price of the Bonds subject to optional redemption shall not constitute an Event of Default hereunder or under any Bond.

(d) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 5.08. Payment Upon Redemption.

(a) By each redemption date, the District shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date.

(b) Upon presentation and surrender of any Bond called for redemption at the designated office of the Paying Agent/Registrar on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of and accrued interest on such Bond to the date of redemption from the money provided for that purpose.

Section 5.09. Effect of Redemption.

(a) Notice of redemption having been given, and due provision having been made for payment, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption; thereafter, such Bonds or portions thereof shall cease to bear interest from the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the District shall fail to make provision for the payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest until due provision is made for the payment of same by the District.

Section 7.02. CUSIP Registration. The District may secure identification numbers through the CUSIP Global Services or another entity that provides securities identification numbers for municipal securities, and may authorize the printing of such numbers on the face of the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof and neither the District nor bond counsel are to be held responsible for CUSIP numbers incorrectly printed on the Bonds.

Section 8.01. Sale of Bonds; Offering Memorandum.

(a) The Bonds shall be sold and delivered to the Underwriter at a price to be set forth in the Officer's Pricing Certificate and in accordance with the terms of the Purchase Contract approved by the Pricing Officer. Upon completion of the terms of the Officer's Pricing Certificate, any of the Pricing Officers are hereby authorized and directed to execute the Purchase Contract and the Officer's Pricing Certificate on behalf of the District, which final terms shall be determined to be the most advantageous reasonably attainable by the District, such approval and determination being evidenced by the execution of the Purchase Contract by the Pricing Officer. The President and Vice President of the Board, the Secretary of the Board, the Pricing Officer and all other officers, agents and representatives of the District are hereby authorized to do any and all things necessary or desirable to satisfy the conditions set out therein and to provide for the issuance and delivery of the Bonds.

(b) The Pricing Officer is hereby authorized and directed to cause to be prepared on behalf of the District, in accordance with the District's Disclosure Strategy, one or more Preliminary Offering Memoranda, to be used by the Underwriter in the

If the Pricing Officer is required to show debt service savings in connection with the refunding of variable rate Refunded Obligations, the Pricing Officer may demonstrate the existence of savings using a calculation that measures debt service on the variable rate Refunded Obligations using the applicable Stepped Rate (as defined in the applicable orders and pricing certificates for such variable rate Refunded Obligations) as the interest rate on the variable rate Refunded Obligations following the end of the current rate period. Further, in connection with the submission of the record of proceedings for the Bonds to the Attorney General of the State of Texas for examination and approval of such Bonds, the appropriate officer of the District is hereby authorized and directed to issue a check or wire payable to the Attorney General of the State of Texas as a nonrefundable examination fee in the amount required by Chapter 1202, Texas Government Code (such amount to be the lesser of (i) 1/10th of 1% of the principal amount of the Bond or (ii) \$9,500, but in no case less than \$750).

The investments under this Order include guaranteed investment contracts as authorized by Section 2256.015 of the Texas Government Code; all such investments shall be made in such a manner that the money required to be expended will be available at the proper time or times.

(b) Any securities or obligations in which money is so invested shall be kept and held in trust for the benefit of the Owners and shall be sold and the proceeds of sale shall be timely applied to the making of all payments required to be made from the Interest and Sinking Fund.

(b) The Board hereby finds, determines and declares that the District is duly authorized under the laws of the State to issue the Bonds; the projects being financed utilizing voted authority from Proposition A from the 2023 Election are projects eligible to be financed under a general proposition voted pursuant to Section 45.003, Texas Education Code; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the District in accordance with their terms.

Section 10.03. Taxable Bonds. The Bonds designated as Taxable Bonds will not constitute obligations described under Section 103(a) of the Code.

Section 10.04. Federal Tax Matters for Tax-Exempt Bonds.

(a) General. The District covenants not to take any action or omit to take any action that, if taken or omitted would cause the interest on the Tax-Exempt Bonds to be includable in gross income, for federal income tax purposes. In furtherance thereof, the District covenants to comply with sections 103 and 141 through 150 of the Code and the provisions set forth in the Federal Tax Certificate executed by the District in connection with the Tax-Exempt Bonds.

(b) No Private Activity Bonds. The District covenants that it will use the proceeds of the Tax-Exempt Bonds (including investment income) and the property financed, directly or indirectly, with such proceeds so that the Tax-Exempt Bonds will not be “private activity bonds” within the meaning of section 141 of the Code. Furthermore, the District will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Tax-Exempt Bonds to be a “private activity bond” unless it takes a remedial action permitted by section 1.141-12 of the Regulations.

(c) No Federal Guarantee. The District covenants not to take any action or omit to take any action that, if taken or omitted, would cause the Tax-Exempt Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code, except as permitted by section 149(b)(3) of the Code.

(d) No Hedge Bonds. The District covenants not to take any action or omit to take action that, if taken or omitted, would cause the Tax-Exempt Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code.

(e) No Arbitrage Bonds. The District covenants that it will make such use of the proceeds of the Tax-Exempt Bonds (including investment income) and regulate the

investment of such proceeds of the Tax-Exempt Bonds so that the Tax-Exempt Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code.

(f) Required Rebate. The District covenants that, if the District does not qualify for an exception to the requirements of section 148(f) of the Code, the District will comply with the requirement that certain amounts earned by the District on the investment of the gross proceeds of the Tax-Exempt Bonds, be rebated to the United States.

(g) Information Reporting. The District covenants to file or cause to be filed with the Secretary of the Treasury an information statement concerning the Tax-Exempt Bonds in accordance with section 149(e) of the Code.

(h) Record Retention. The District covenants to retain all material records relating to the expenditure of the proceeds (including investment income) of the Refunded Obligations and the Tax-Exempt Bonds and the use of the property financed, directly or indirectly, thereby until three years after the last Tax-Exempt Bond is redeemed or paid at maturity (or such other period as provided by subsequent guidance issued by the Department of the Treasury) in a manner that ensures their complete access throughout such retention period.

(i) Registration. If the Tax-Exempt Bonds are “registration-required bonds” under section 149(a)(2) of the Code, the Tax-Exempt Bonds will be issued in registered form.

(j) Favorable Opinion of Bond Counsel. Notwithstanding the foregoing, the District will not be required to comply with any of the federal tax covenants set forth above if the District has received an opinion of nationally recognized bond counsel that such noncompliance will not adversely affect the excludability of interest on the Tax-Exempt Bonds from gross income for federal income tax purposes.

(k) Continuing Compliance. Notwithstanding any other provision of this Order, the District’s obligations under the federal tax covenants set forth above will survive the defeasance and discharge of the Tax-Exempt Bonds for as long as such matters are relevant to the excludability of interest on the Tax-Exempt Bonds from gross income for federal income tax purposes.

(l) Official Intent. For purposes of section 1.150-2(d) of the Regulations, to the extent that an official intent to reimburse by the District has not been adopted for a particular project, this Order serves as the District’s official declaration of intent to use proceeds of the Tax-Exempt Bonds to reimburse itself from proceeds of the Tax-Exempt Bonds issued in the maximum amount for certain expenditures paid in connection with the projects set forth herein. Any such reimbursement will only be made (i) for an original expenditure paid no earlier than 60 days prior to the date hereof and (ii) not later than 18 months after the later of (A) the date the original expenditure is paid or (B) the date of with the project to which such expenditure relates is placed in service or abandoned, but in no event more than three years after the original expenditure is paid.

ARTICLE XI DEFAULT AND REMEDIES

Section 11.02. Remedies for Default.

- (a) Upon the happening of any Event of Default, then any Owner or an authorized representative thereof, including but not limited to a trustee or trustees therefor, may proceed against the District for the purpose of protecting and enforcing the rights of the Owners under this Order by mandamus or other suit, action, or special proceeding in equity or at law in any court of competent jurisdiction for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.
- (b) All such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then Outstanding.

Section 11.03. Remedies Not Exclusive.

- (a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Order.
- (b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

Section 13.03. Limitations, Disclaimers and Amendments.

(a) The District shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the District remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the District in any event will give notice of any deposit that causes Bonds no longer to be outstanding.

(b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITH OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN

CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(c) No default by the District in observing or performing its obligations under this Article shall comprise a breach of or default under this Order for purposes of any other provisions of this Order.

(d) Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the District under federal and state securities laws.

(e) The provisions of this Article may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the District, but only if (1) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (A) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Order that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (B) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Bonds. The District may also repeal or amend the provisions of this Article if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the District also may amend the provisions of this Article in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling the Bonds in the primary offering of the Bonds, giving effect to (i) such provisions as so amended and (ii) any amendments or interpretations of the Rule. If the District so amends the provisions of this Article, the District shall include with any amended financial information or operating data next provided in accordance with Section 13.01 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

Section 13.04. Amendments to the Rule. In the event the Pricing Officer, in consultation with Bond Counsel and the District's financial advisor, determines that it is necessary or desirable to amend the provisions of this Article XIII in order to facilitate compliance to the Rule and related guidance from the SEC, the Pricing Officer may make such changes in the Officer's Pricing Certificate for the Bonds and such amendments are hereby authorized and shall be deemed effective as set forth in the Officer's Pricing Certificate.

ARTICLE XIV
AMENDMENTS AND SUPPLEMENTS TO ORDER

Section 14.01. Without Consent of Owners. Without notice to or the consent of any Owner, the District may, at any time, amend or supplement this Order or the Bonds (including any particular series or subseries thereof):

(a) to cure or correct any ambiguity or defective provision herein or to correct or supplement any provision in this Order which may be inconsistent with any other provision contained herein;

(b) to modify this Order or the Bonds to permit qualification under the Trust Indenture Act of 1939, as amended, or any similar federal statute at the time in effect, or to permit the qualification of the Bonds for sale under the securities laws of any state of the United States;

(c) to authorize different authorized denominations of the Bonds and to make correlative amendments and modifications to this Order regarding exchangeability of Bonds of different authorized denominations, redemptions of portions of Bonds of particular authorized denominations and similar amendments and modifications of a technical nature;

(d) to increase or decrease the number of days specified for the giving of notices in Articles III, IV and V of this Order, provided that no decreases in any such number of days shall become effective except while the Bonds bear interest at a Variable Rate and until 30 days after the Paying Agent/Registrar has given notice to the Owners of such Bonds of such amendment or supplement;

(e) to provide for an uncertificated system of registering the Bonds or to provide for the change to or from a Book-Entry Only System for the Bonds;

(f) to make any change to this Order when all Bonds have been tendered to the Remarketing Agent pursuant to the terms of this Order, but have not been remarketed following such tender; provided, however, that the Remarketing Agent consents to such amendment or supplement;

(g) to provide for the benefit of all of the Bonds a Liquidity Facility (or a substitute Liquidity Facility, as the case may be), which may change the provisions of this Order regarding payment, remedies and any other matter which affects the Owners of Bonds;

(h) effective upon any Conversion Date to a new Rate Period, to make any changes to this Order affecting only the Bonds being converted;

(i) to increase the Maximum Rate; or

(j) to make any other change that does not, in the opinion of bond counsel to the District, materially adversely affect the interests of the Owners.

Section 14.02. With Consent of Owners. If an amendment of or supplement to this Order or the Bonds without any consent of Owners is not permitted by Section 14.01, the District may enter into such amendment or supplement without prior notice to any Owners but with the consent of Owners of at least a majority in principal amount of the Bonds then Outstanding of the particular series or subseries affected by such amendment or supplement. However, except as permitted by subsections (f), (g) and (h) of Section 14.01, nothing herein contained shall permit or be construed to permit the amendment, without the consent of each Owner affected thereby, of or supplement to the terms and conditions in this Order, so as to:

- (a) change the sinking fund requirements, if any, Interest Payment Dates, rights of the Owners to tender or the maturity or maturities of the Outstanding Bonds;
 - (b) reduce the rate of interest borne by any of the Outstanding Bonds;
 - (c) reduce the amount of the principal or Purchase Price of or premium, if any, payable on the Outstanding Bonds;
 - (d) modify the terms of payment of principal or Purchase Price of, premium, if any, or interest on the Outstanding Bonds, or impose any conditions with respect to such payments;
 - (e) affect the rights of the Owners of fewer than all of the Outstanding Bonds;
- or
- (f) decrease the minimum percentage of the principal amount of Outstanding Bonds necessary for consent to any such amendment.

Section 14.03. Effect of Consents. Any consent received pursuant to Section 14.02 will bind each Owner delivering such consent and each subsequent Owner of a Bond or portion of a Bond evidencing the same debt as the consenting Owner's Bond.

Section 14.04. Notation on or Exchange of Bonds. If an amendment or supplement changes the terms of a Bond, the Paying Agent/Registrar may require the Owner thereof to deliver it to the Paying Agent/Registrar. The Paying Agent/Registrar may place an appropriate notation on the Bond about the changed terms and return it to the Owner. Alternatively, if the Paying Agent/Registrar and the District determine, the District in exchange for the Bond will issue and the Paying Agent/Registrar will authenticate a new Bond that reflects the changed terms.

Section 14.05. Notice to Owners. Upon receipt of notice of an amendment or change to this Order, the Paying Agent/Registrar shall cause notice of the execution of each supplement or amendment to this Order to be mailed to the Owners affected thereby. The notice will at the option of the Paying Agent/Registrar, either (i) briefly state the nature of the amendment or supplement and that copies of it are on file with the Paying Agent/Registrar for inspection by Owners or (ii) enclose a copy of such amendment or supplement.

ARTICLE XV PERMANENT SCHOOL FUND GUARANTEE

Section 15.01. Permanent School Fund Guarantee. The District will apply for and expects to receive approval from the Texas Commissioner of Education (the “Commissioner”) for payment of the principal of and interest on the Bonds to be guaranteed by the Permanent School Fund of the State, subject to compliance with the Texas Education Agency’s rules and regulations. If the Bonds are defeased, the guarantee of the Bonds will be removed in its entirety and, in case of default and in accordance with Texas Education Code §45.061, the Comptroller of Public Accounts will withhold the amount paid, plus interest, from the first state money payable to the District in the following order: foundation school fund, available school fund. In connection with the guarantee of the Bonds by the Permanent School Fund, the District hereby certifies and covenants that

INTEREST PROVISIONS

This Bond bears interest at a Variable Rate, a Flexible Rate or a Fixed Rate, as further set forth in the Order.

This Bond initially shall bear interest at the Initial Rate provided in the Pricing Certificate from the Issuance Date stated above to and including _____, 20__ (the "Initial Rate Period"). This Bond shall be subject to mandatory tender, without right of retention by the owners thereof, on _____, 20__ and shall be tendered to the Tender Agent against payment therefor. Thereafter, this Bond shall bear interest at a Weekly Rate, Monthly Rate, Quarterly Rate, Semiannual Rate, Term Rate or Flexible Rate until converted to another Rate Period, or at a Fixed Rate.

The rate of interest applicable to any Rate Period shall be determined in accordance with the applicable provisions of the Order and pursuant to the terms of the Remarketing Agreement between the District and the Remarketing Agent.

OPTIONAL TENDERS

During such time that the Bonds are benefitted by a Liquidity Facility, the registered owner hereof has the right to tender this Bond for purchase at the principal amount hereof plus accrued interest in accordance with and subject to the terms of the Order.

AFTER THE BONDS HAVE BEEN CONVERTED TO BEAR INTEREST AT A FIXED RATE THEY SHALL NOT BE SUBJECT TO TENDER FOR PURCHASE.

MANDATORY TENDER

This Bond is subject to mandatory tender for purchase in accordance with the terms of the Order.

FAILED REMARKETING WITH NO LIQUIDITY FACILITY

Initial Rate Period. In the event that this Bond bears interest at an Initial Rate and it is not converted into a different Rate Period and remarketed to new purchasers on the scheduled date of mandatory tender, the District shall have no obligation to purchase this Bond tendered on such date, the failed conversion and remarketing shall not constitute an Event of Default under the Order or this Bond, the mandatory tender will be deemed to have been rescinded for that date with respect to this Bond, and this Bond (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing of this Bond, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender at the purchase price on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at the District's discretion upon delivery of at least one day's notice to the Owner hereof), and (v) will be deemed to continue in an Initial Rate Period for all other purposes of the Order (including the identification of Interest Payment Dates until the Bonds are remarketed or redeemed), though bearing interest during such time at the Stepped Rate until remarketed or redeemed in accordance with the terms of the Order. In the event of a failed conversion and remarketing as described above, the District will use its best efforts to cause this

Bond to be converted and remarketed on the earliest reasonably practical date on which it can be remarketed at not less than par plus accrued interest, in such Rate Period or Rate Periods as the District directs, at a rate not exceeding the Maximum Rate.

Term Rate Periods. If this Bond is subject to mandatory tender on the Conversion Date in connection with a conversion from a Term Rate Period to a different Rate Period (including from a Term Rate Period to a new Term Rate Period of the same or a different duration as the then-expiring Term Rate Period), and there then exists no Liquidity Facility relating to this Bond (and there was no Liquidity Facility upon the commencement of the then-expiring Term Rate Period), and this Bond is not converted into a different Rate Period and remarketed to new purchasers on the Conversion Date, then the District shall have no obligation to purchase this Bond tendered on such date, the failed conversion and remarketing shall not constitute an Event of Default under the Order or this Bond, the mandatory tender will be deemed to have been rescinded for that date with respect to this Bond, and this Bond (i) will continue to be Outstanding, (ii) will be purchased upon the availability of funds to be received from the subsequent remarketing of this Bond, (iii) will bear interest at the Stepped Rate during the Stepped Rate Period, (iv) will be subject to redemption and mandatory tender for purchase at the purchase price on any date during the Stepped Rate Period upon which a conversion occurs (which shall occur at the District's discretion upon delivery of at least one day's notice to the Owner hereof), and (v) will be deemed to continue in a Term Rate Period for all other purposes of the Order (including the identification of the Interest Payment Dates until the Bonds are remarketed or redeemed), though bearing interest during such time at the Stepped Rate until remarketed or redeemed in accordance with the terms of the Order. In the event of a failed conversion and remarketing as described above, the District will use its best efforts to cause this Bond to be converted and remarketed on the earliest reasonably practical date on which it can be remarketed at not less than par plus accrued interest, in such Rate Period or Rate Periods as the District directs, at a rate not exceeding the Maximum Rate.

REDEMPTION PROVISIONS

Optional Redemption. The Bonds are subject to redemption at the option of the District in accordance with the terms of the Order.

Scheduled Mandatory Redemption. The Bonds are subject to scheduled mandatory redemption, at a price equal to the principal amount thereof plus interest accrued thereon, on each of the following dates and in the following principal amounts:

<u>Mandatory Redemption Date</u>	<u>Amount</u>	<u>Mandatory Redemption Date</u>	<u>Amount</u>
--------------------------------------	---------------	--------------------------------------	---------------

Prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of such Bonds equal to the aggregate principal amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in the Order.

The principal amount of the Bonds required to be redeemed on any redemption date set forth above shall be reduced, at the option of the District, by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the District at a price not exceeding the principal amount of such Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions set forth in the Order and not previously credited to a mandatory sinking fund redemption.

In lieu of mandatorily redeeming the Bonds, the District reserves the right to purchase for cancellation Bonds of the same maturity at a price no greater than the applicable redemption price of such Bonds.

Additional Mandatory Redemption. The Bonds are also subject to Additional Mandatory Redemption prior to stated maturity at the times and in the amounts as set forth in the Order.

Special Mandatory Redemption. Purchased Bonds shall be subject to special mandatory redemption, if at all, in accordance with the terms of the applicable Liquidity Facility.

Notice of Redemption. Notice of optional and mandatory redemption shall be given as provided in the Order.

GENERAL PROVISIONS

As provided in the Order, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the designated trust office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Following the Fixed Rate Conversion Date neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 30 calendar days after the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The District, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date) and for all other purposes, whether or not this Bond be overdue, and neither the District nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions, and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form, and manner, as required by law; that sufficient and proper provision for the levy and collection of taxes has been made, without limit as to rate or amount, which when collected shall be appropriated exclusively to the timely payment of the

Recommendation
Consideration and approval of an order authorizing the conversion of the Fort Bend Independent School District Variable Rate Unlimited Tax School Building and Refunding Bonds, Series 2024B to a new rate period; authorizing the preparation of a remarketing memorandum; and enacting other provisions relating thereto (the "Conversion Order").

Summary/Background
The District currently has \$196,870,000 of Variable Rate Unlimited Tax School Building and Refunding Bonds, Series 2024B (the "Series 2024B Bonds") outstanding. The Series 2024B Bonds bear interest at a Term Rate of 3.73% until July 31, 2027, at which time the outstanding principal amount of the Series 2024B Bonds will be \$195,025,000. Pursuant to the terms of the order authorizing the issuance of the Series 2024B Bonds, the District is obligated to use its best efforts to cause a conversion of the outstanding Series 2024B Bonds from the Initial Rate Period to a new rate period. The Conversion Order authorizes the District to either (i) convert the Series 2024B Bonds to a new Term Rate Period (variable rate) with a duration not later than August 1, 2032, or (ii) convert the Series 2024B Bonds to a fixed rate. A conversion to a new Term Rate Period will result in the reset of the variable interest rate for the duration of the new Term Rate Period for the Series 2024B Bonds. A conversion to a fixed rate would result in setting a long-term fixed rate for the Series 2024B Bonds. In a separate agenda item, the Administration is recommending approval of a Fixed Rate Order that would give the District the flexibility to refund the Series 2024B Bonds to a fixed rate if favorable market conditions exist. The District has more flexibility in how it may structure its

Fort Bend Independent School District

fixed rate debt in connection with a refunding than it does in connection with a fixed rate conversion. The Administration is also recommending an agenda item for the approval of a Variable Rate Order that would give the District the flexibility to refund the Series 2024B Bonds with a series of variable rate bonds to achieve market efficiencies in connection with setting the new variable rate. The Administration is requesting the adoption of the Fixed Rate Order, Variable Rate Order, and this Conversion Order to allow the District to monitor market conditions and choose the option that is most advantageous for the District.

The order that originally authorized the issuance of the Series 2024B Bonds requires the Board of Trustees to make certain determinations and authorizations in connection with the conversion of the Series 2024B Bonds into new rate periods. The Conversion Order is the mechanism by which the Board of Trustees takes that action. The Conversion Order contains the following Board actions:

1. It provides for the conversion of the Series 2024B Bonds (i) into a Term Rate Period with a duration not later than August 1, 2032, or (ii) into a Fixed Rate Period;
2. It establishes a Stepped Rate (the rate of interest the Series 2024B Bonds would bear if there were a failed remarketing until the Series 2024B Bonds could be remarketed) of 7.00% and confirms a Maximum Rate for the Series 2024B Bonds of 7.00% as provided in the Original Order, but provides the Pricing Officer with the authority to lower the Stepped Rate and Maximum Rate if market conditions would allow for such a reduction;
3. It authorizes the Pricing Officer to establish the redemption provisions for the Series 2024B Bonds during the new rate period in response to market conditions;
4. It authorizes the preparation of a Remarketing Memorandum to be used in connection with the remarketing of the Series 2024B Bonds;
5. It authorizes the Pricing Officer to retain or terminate the existing Remarketing Agent and appoint a new Remarketing Agent for the Series 2024B Bonds and authorizes the Pricing Officer to approve the fees of the Remarketing Agent as provided in the Remarketing Agreement; and
6. Pursuant to the terms of the Original Order, the Superintendent and Chief Financial Officer are the Pricing Officers authorized to establish final terms of the remarketing.

The District's bond counsel, Bracewell LLP has prepared and reviewed the Conversion Order. The District's financial advisor, Hilltop Securities, has also reviewed the Conversion Order.

Unless the Series 2024B Bonds are refunded under the Fixed Rate Order or the Variable Rate Order, the District expects the remarketing of the Series 2024B Bonds to close on August 2, 2027, with the pricing to occur within one month prior to the closing date.

As required by the Fiscal and Budgetary Strategy, Exhibit A (Disclosure Strategy), approved by the Board in September 2025 (and being presented at the September 14, 2026 Board of Trustees meeting for annual approval), the Chief Financial Officer will provide a summary of the pricing as well as the final Official Memorandum to the Board for each debt transaction shortly after the transaction has priced.

Recommendation
Consideration and approval of a Resolution Expressing the Intent to Finance Expenditures (“Reimbursement Resolution”) to be incurred in conjunction with the 2023, 2018 and 2014 Bond Programs and capital improvement planning.

Summary/Background
As the District continues to incur capital expenditures authorized by the District’s 2023, 2018 and 2014 bond elections, administration recommends approval of a Reimbursement Resolution that would provide flexibility to temporarily use available General Fund cash balances to fund eligible capital expenditure when appropriate. Upon future issuance of authorized tax-exempt commercial paper (“CP”) or permanent debt, the General Fund could be reimbursed for those expenditures. The District has used this strategy previously, including under a reimbursement resolution approved by the Board in December 2025, as well as reimbursement provisions included in various debt obligation orders. Given the District’s ongoing capital program, adoption of the resolution will ensure that there are no gaps in the District’s ability to reimburse itself for expenditures paid as projects are completed from either the proceeds of CP or other obligations that are subsequently issued. Use of General Fund cash for bond-funded projects would be a last resort. The District typically issues CP in minimum increments of \$5 million, and the District would generally issue CP before utilizing General Fund cash. Administration would also evaluate all available

Fort Bend Independent School District

funding options, including available capacity under both the Series A and B CP programs. However, temporary market disruptions or unusually high interest rates could limit access to the CP market or make borrowing less cost effective. The resolution would provide flexibility in these rare instances. In addition, Administration will schedule permanent debt issuance prior to CP reaching the \$150 million limit, ensuring the CP credit line is available.

The resolution establishes the maximum reimbursement amounts associated with each voter authorized bond program, including:

- Up to \$50 million from the 2023 authorization;
- Up to \$5 million from the 2018 authorization;
- Up to \$2 million from 2014 authorization; and
- includes \$150,000 of capital improvement planning expenses.

The recommended reimbursement resolution is not a request to spend \$57.15 million or to issue debt in that amount. Rather, the resolution preserves the District's ability to reimburse the General Fund for eligible expenditures on Board-approved capital projects up to the amounts identified above. Without a reimbursement resolution, the District's ability to reimburse itself from future tax-exempt bond proceeds would be limited. The resolution provides financing flexibility and may reduce interest costs by allowing the District to temporarily use existing cash resources before issuing authorized debt.

There are separate agenda items authorizing the issuance of bonds to permanently finance commercial paper issued for capital projects and the issuance of new money bonds for capital projects. Administration worked with the District's financial advisor and bond counsel, and both have reviewed and support the Reimbursement Resolution.

Recommendation
Consideration and approval of a resolution adopting the combined Ad-Valorem tax rate of \$0.9969 per \$100 of valuation for the Fort Bend Independent School District for the 2026 tax year. The proposed tax rate is comprised by the Maintenance and Operations (M&O) rate of \$0.7169, which covers the district's operational expenses, and an Interest and Sinking (I&S) rate of \$0.2800, which is designated for the repayment of bonds issued by the district. The adoption of the recommended tax rate ensures that the district can continue to meet its financial obligations while providing necessary services and maintaining its infrastructure.

Summary/Background
In accordance with the Property Tax Code Section 26.05, the Board of Trustees must approve the tax rate of the district. The method of adoption of the tax rate must be a written ordinance, resolution, or order. Before setting a tax rate, school districts must act on several items. These items include publishing notices on the district's website and in newspapers distributed within the school district boundaries; conducting a public hearing regarding the district's budget and tax rate; and adopting a budget. The district received certified property values from the Fort Bend Central Appraisal District on July 25, 2026, and has complied with the requirements of the law. Therefore, Fort Bend ISD may now proceed with adoption of the tax rate for the 2026-27 fiscal year. Fort Bend Independent School District's proposed tax rate for the 2026 tax year is \$0.9969 per \$100 of valuation, which is the district's voter-approval tax rate. The 2026 total tax rate was calculated as required by law. This year's proposed tax rate does not exceed the district's no-new-revenue rate of \$1.021062, therefore, a motion to adopt an ordinance, resolution, or order setting the tax rate does not require the language about "tax increase" as stated in Tax Code Section 26.05(b).

FORT BEND INDEPENDENT SCHOOL DISTRICT

A RESOLUTION

A RESOLUTION ADOPTING A 2026 TAX RATE AND LEVYING SCHOOL DISTRICT AD VALOREM TAXES FOR THE FORT BEND INDEPENDENT SCHOOL DISTRICT FOR THE YEAR OF 2026-27, DIRECTING THE ASSESSMENT AND COLLECTION THEREOF:

Whereas, the Board of Trustees of Fort Bend Independent School District finds that the tax rate for the year 2026, hereinafter levied for all lawful expenses of the school district and the carrying out of the duties and responsibilities placed upon said school district by law must be levied to provide the revenue requirements of the budget for the ensuing year; and

Whereas, the Tax Collector of Fort Bend County has certified a tax collection rate of one hundred (100.00) percent; and

Whereas, the Board of Trustees of Fort Bend Independent School District finds that all things prerequisite to the passing of this resolution, including all notices of hearings, consideration of budget and all other things have been done and performed; and

Whereas, the Board of Trustees of Fort Bend Independent School District further finds that the taxes for the year 2026, hereinafter levied therefore are necessary to pay all lawful expenses of the district and to carry out the duties and obligations placed upon said school district by law and to provide the required sinking fund on outstanding bonds of the school district and on bonds proposed to be issued for such purposes during the ensuing year; and,

Whereas, the 2026 total no-new-revenue tax rate calculated as required by law is \$1.021062 per \$100 of valuation. The proposed rate of \$0.996900 reflects a decrease of \$0.024162 cents per \$100 of assessed valuation.

NOW, THEREFORE, BE IT ORDERED BY THE BOARD OF TRUSTEES OF THE FORT BEND INDEPENDENT SCHOOL DISTRICT THAT;

SECTION 1. For the further maintenance of public free schools in this school district and to pay the principal of and interest on outstanding bonds of the district during the ensuing year, and for all other lawful purposes, there is hereby levied and ordered to be assessed and collected for the year 2026, and for each year thereafter until it be otherwise provided and ordered, on all property situated within the limits of the boundaries of this school district, and not exempt from taxation by valid laws, an ad valorem tax at the rate of \$0.9969 (\$0.7169 to be used for maintenance and operations and \$0.2800 to be used for payment of bonds) on the One Hundred (\$100) Dollars valuation of such property.

SECTION 2. This resolution shall become effective from and after its passage. Passed, adopted and ordered by the Board of Trustees, at a meeting at which a quorum was present with more than sixty percent of the trustees voting for and at which meeting this resolution, in written form, was before the Board at the time of its adoption on the 28th day of September 2026. Recommendation
Consideration and approval of the Revised 2026-27 District Instructional Calendar and related professional learning waivers.

Summary/Background
In January 2026, the Board of Trustees adopted the 2026-27 District Instructional Calendar. Following adoption of the calendar, graduation dates were reserved with the venue, creating a need to adjust the instructional calendar to ensure the District can host graduation on four consecutive days, prior to Memorial Day, for operational efficiency and to ensure a consistent experience for the Fort Bend ISD Community. The proposed revised calendar shifts the last day of school from May 27th to May 26th and designates May 27th as a teacher workday. This option allows all students, including seniors, to complete the school year prior to graduation while maintaining the required 187 contract days for staff. The proposed revised calendar meets all required criteria and maintains a bank of minutes equivalent to two days. The proposed revised calendar is attached.

Summary/Background
SB 12 from the 89th Legislative Session addressed parental rights in public education and requires certification of compliance with provisions of the Education Code regarding (1) instruction and (2) diversity, equity, and inclusion (DEI) duties. Not later than September 30 of each year, the Superintendent of a school district shall certify to the Texas Education Agency that the district is in compliance with Education Code 11.005 (prohibition on DEI duties) and Education Code 28.0022 (instructional requirements and prohibitions). The certification requires the District to identify the policies and procedures required by Texas Education Code 11.005 and 28.0022(h) and to describe how employees and contractors were notified of these policies and procedures as well as existing policies, programs, procedures, or trainings that were altered to ensure compliance with Sections 11.005 or 28.0022. Recommendation
Consideration and approval of certified campus-based T-TESS Appraisers in administrative positions to serve as teacher appraisers for the 2026-2027 school year.

Summary/Background
The Texas Teacher Evaluation and Support System (T-TESS) requires appraisers to complete a three-day training and maintain certification by passing the online exam annually. Only certified appraisers may conduct formal observations. Appraisers evaluate teaching proficiency and provide evidence-based feedback that guides instructional improvements and supports student outcomes. Administration verifies each appraiser's compliance with Chapter 150, Commissioner's Rules on Educator Appraisal, pending annual Board approval.

Recommendation
Consideration and approval for a new natural gas contract with Energyby5 through The Interlocal Purchasing System (TIPS) to cover the District's natural gas needs going forward and authorization for the Superintendent to negotiate and execute the contracts through October 2031.

Summary/Background
Fort Bend ISD currently has a natural gas contract with ProEnergy until October 31, 2028. However, current natural gas pricing is extremely favorable for long term contracts into the future years beyond 2028. The District would work with our electricity energy consultant EnergyBy5 to secure new contracts after our current expiration date to obtain more cost-effective natural gas pricing through the TIPS Cooperative. If the District locks in favorable priced contracts prior to October 2028, it could lead to budgetary savings over the current contract. Energyby5 currently provides electricity consulting services to the District. This approval will expand the District's authorized use of Energyby5 to include natural gas services. Based on current market conditions, the District may have an opportunity to secure favorable pricing for natural gas service beginning after the expiration of the current agreement. Natural gas pricing is subject to market fluctuations, and quoted rates may be available for less than 24 hours. Since the natural gas market can be volatile and it is not possible to hold favorable rates beyond 24 hours, a contract will need to be signed prior to the next Board of Trustees meeting. It is recommended that the Board of Trustees delegate authority to the Superintendent to sign and enter into a contract(s) with a natural gas provider(s) on the District's behalf.

Fort Bend Independent School District

Under the authority of the Texas Government Code §791.001 and the Interlocal Cooperation Act as amended, local governments like Fort Bend ISD are allowed to contract with each other and other government agencies. This Act exempts the requirement of seeking competitive bids for goods and services, once a school district determines that a local cooperative purchasing program offers the best value, to enhance efficiency and effectiveness.

This 27-006AL Natural Gas Procurement Services and Delegation of Authority agenda item seeks approval to continue utilizing the TIPS cooperative purchasing contract to ensure uninterrupted service and compliance. Renewal options are available through October 2031. Should the contracts not be renewed for the full term, staff will utilize an alternate cooperative contract or return to the Board to request authorization to utilize an alternate procurement method.

Background

Expenditures from 2023 to date are \$939,036. The selected natural gas vendor, contract amount, and contract term will be presented to the Board at its next scheduled meeting.

Recommendation
Consideration and approval of the purchase of new library materials that were posted for public review from April 20, 2026, through May 20, 2026.

Summary/Background
Pursuant to SB 13, all new library materials recommended for purchase must be posted for a 30-day public review period to provide staff, students, parents, and community members with the opportunity to review and comment prior to purchase. In addition, each time a school library catalog is updated, the Board of Trustees must approve or reject the list of proposed library materials at the first open meeting held 30 days or later after the list is made available to the public.
The library materials recommended for purchase have been posted in compliance with this requirement and are now submitted for Board consideration and approval.

Recommendation
Consideration and approval of a Modified Schedule for State Assessment Testing Days Waiver and granting the Superintendent the authority to approve and submit all necessary waiver requests for the Modified Schedule for State Assessment Testing Days Waiver for the 2026-27, 2027-28, and 2028-29 school years.

Summary/Background
The Student Attendance Accounting Handbook allows a school district to modify the schedule of classes for students who are not being tested on state assessment days to report and attend school after the state assessment testing period has ended; therefore, reducing the interruptions during the testing period. The Administration is requesting this waiver so non-testers at the high school level would be allowed late arrival. The non-testing students will be in attendance for the required four hours of instructional time per the Student Attendance Accounting Handbook. The waiver will allow high school campuses to take official attendance at an alternative time per their altered schedule instead of the district's official attendance time on designated testing days. The practice is expected to improve Average Daily Attendance (ADA) used to calculate the district's annual funding and assist in the logistics of administering state assessments.

Recommendation
Consideration and approval for the purchase of Facilities Management Software and Solutions from OperationsHERO through a cooperative contract with The Interlocal Purchasing System (TIPS) in an amount not-to-exceed \$882,285 over a five-year period, and authorization for the Superintendent to negotiate and execute the agreement through September 2031.

Summary/Background
On February 14, 2022, the Board approved 22-040CT, Facilities Management Software Subscriptions, authorizing the purchase of software subscriptions, ongoing maintenance, technical support, and related services through the OMNIA Partners cooperative purchasing contract. The existing contract provides the Facilities Department with access to SchoolDude, its current computerized maintenance management system, and is scheduled to expire in March 2027. The Facilities Department uses SchoolDude to manage maintenance activities, assets, work orders, labor, inventory, and preventive maintenance programs. However, the system has become outdated, and continued use would require significant upgrades and additional investment to maintain its functionality. The Department determined that these upgrades would not provide sufficient long-term value or adequately support its future operational needs. 27-003RA Facilities Management Software and Solutions will replace the existing contract and provide a modern, comprehensive platform to support the efficient operation, maintenance, and oversight of the District's facilities and infrastructure.

Fort Bend Independent School District

The implementation of a new CMMS will require an initial investment. The Facilities Department recommends transitioning to OperationsHERO. OperationsHERO is a modern, cloud-based CMMS that incorporates AI-enabled capabilities designed to improve work-order management, reporting, and operational efficiency. The proposed system will not require on-premises servers or additional hardware, thereby reducing IT infrastructure and maintenance requirements. The platform is intuitive, user-friendly, and designed to enhance productivity while providing a scalable solution to support the District's current and future facilities-maintenance operations.

This recommendation is presented for approval under Texas Education Code §44.031(a), Texas Government Code Chapter 791 the Interlocal Cooperation Act, and Board Policies CH (LEGAL) and CH (LOCAL) governing the procurement of goods and services. Board approval is required for contract awards of \$50,000 or more.

Texas Government Code Chapter 791 authorizes local governmental entities, including school districts, to enter into interlocal contracts with other governmental entities for the purchase of goods and services and the performance of governmental functions. Purchases made through an authorized cooperative purchasing program satisfy applicable competitive procurement requirements. The District has determined that the recommended cooperative purchasing method provides the best value.

Renewal options are available through September 2031. Should the contracts not be renewed for the full term, staff will utilize an alternate cooperative contract or return to the Board to request authorization to utilize an alternate procurement method. The initial term of this contract is three (3) years, beginning October 1, 2026, and ending September 30, 2029, with two (2) optional one-year extensions through September 30, 2031.

Background

Expenditures in 2025-26 were \$102,321. Expenditures are not expected to exceed \$882,285 through October 2031. Funding is included in the budget.
