- Require that comments involving personally identifiable student information be made through the grievance policy.
- Continue a meeting or an agenda item to another day in order to allow adequate time for public comment.
- Make other reasonable adjustments to the timing of public comment in accordance with law.

The Board delegates to its presiding officer the authority to make reasonable adjustments to the timing and conduct of public comment in accordance with law. [See BDAA]

The presiding officer will announce these adjustments in an open meeting.

Per-Speaker Time Limit

A speaker will be given up to five (5) minutes to address the Board. If, however, the total number of speakers seeking to address the Board at a meeting exceeds five (5) the per-speaker time limit may be reduced. [See DGBA, FNG, and GF] Each of these processes provides that, if a resolution cannot be achieved administratively, the person may appeal the administrative decision to the Board as a properly posted agenda item. DC(LEGAL) EMPLOYMENT PRACTICES

A cross-reference in the Employment Policies section has been updated to reflect changes to the DP series of policies.

DC(LOCAL) EMPLOYMENT PRACTICES

The cross-reference at Employment Assistance Prohibited has been updated to reflect changes to the DH series of policies. Standard policy language at BJA(LOCAL) notes that the superintendent may delegate responsibilities to other employees of the district but shall remain accountable to the board for the performance of all duties, delegated or otherwise. For this reason, TASB recommends removing "or designee" from the Posting Vacancies section.

DCA(LEGAL) EMPLOYMENT PRACTICES: PROBATIONARY CONTRACTS

The note at the top of this legal framework has been updated to remove the hyperlink to the district's innovation plan. The hyperlink to the district's innovation plan is located in AF(LOCAL), and a cross-reference to that code has been included.

DEAA(LEGAL) COMPENSATION PLAN: INCENTIVES AND STIPENDS

House Bill 2, Article 2.20(b) from the 89th Legislature repealed Education Code 48.114 effective September 1, 2026. TASB has opted to include this repeal with Update 127, as it will be the Update closest in time to the effective date.

DH(LOCAL) EMPLOYEE STANDARDS OF CONDUCT

The two cross-references to DH(EXHIBIT) have been revised to reflect changes to the DH series of policies, which are described in more detail below.

Explanatory Notes

TASB Localized Policy Manual Update 127

DHA(LEGAL) EMPLOYEE STANDARDS OF CONDUCT: EDUCATOR CODE OF ETHICS

This new legal framework has been created to house information relating to the Educators' Code of Ethics. This material has been recoded to clarify that elements 3.8 and 3.9 of the Code of Ethics now form the basis of the reporting requirements for educator misconduct that changed during the 89th Legislature. Prior to Update 127, the Educators' Code of Ethics was housed as an exhibit to the manual at DH(EXHIBIT). Because the definitions relating to inappropriate communication and boundaries are from the Code of Ethics, they are now in this new legal framework.

DHB(LEGAL) EMPLOYEE STANDARDS OF CONDUCT: REPORTS TO STATE BOARD FOR EDUCATOR CERTIFICATION

The cross-reference at Deadline to Report After Termination or Resignation has been updated to reflect changes to the DP series of policies.

DHC(LEGAL) EMPLOYEE STANDARDS OF CONDUCT: REPORTS TO TEXAS EDUCATION AGENCY

The cross-reference at Deadline to Report has been updated to reflect changes to the DP series of policies. A citation has been corrected in the Contents of Report section.

DK(LEGAL) ASSIGNMENT AND SCHEDULES

The note at the top of this legal framework has been updated to remove the hyperlink to the district's innovation plan. The hyperlink to the district's innovation plan is located in AF(LOCAL), and a cross-reference to that code has been included.

DP(LEGAL) PERSONNEL POSITIONS

Material at DP(LEGAL) is being recoded to DPA, regarding principals, and DPB, regarding other personnel positions, as the requirements specific to principals have expanded sufficiently to warrant a separate legal framework.

DP(LOCAL) PERSONNEL POSITIONS

To accommodate the restructuring of the DP series due to the requirements specific to principals, this local policy is recommended for deletion. Materials regarding principal qualifications have been moved to DPA(LOCAL), and the language relating to school counselors and school chaplains has been moved to DPB(LOCAL).

DPA(LEGAL) PERSONNEL POSITIONS: PRINCIPALS

Information relating to principals previously found at DP has been relocated to this new code. In addition, a note relating to the requirement to report child abuse or neglect has been added so all reporting requirements for principals are housed in one location for clarity.

DPA(LOCAL) PERSONNEL POSITIONS: PRINCIPALS

This new code specifically related to principals now houses principal qualification language that was previously at DP(LOCAL). Minor revisions have been made to the text at Qualifications to align with the model job description provided by TASB HR Services. Any posting for a principal position would, at minimum, include the items provided in this list. Other qualifications may be included as provided by the last item in the list.

The School Psychological Services section has been amended to reflect changes in 22 Administrative Code 465.38(b)-(c).

DPB(LOCAL)

PERSONNEL POSITIONS: OTHER PERSONNEL POSITIONS

This new policy now houses text relating to school counselors and school chaplains that was previously at DP(LOCAL).

This new legal framework now houses information formerly in DPB(LLEGAL) relating to substitute positions.

EB(LLEGAL)

EFA(LLEGAL)

INSTRUCTIONAL RESOURCES: INSTRUCTIONAL MATERIALS

Substantive revisions are due to amendments to 19 Administrative Code 67.1501 and 67.1502 regarding TEA standards for review of instructional materials. Additional revisions have been made for organization and to margin notes to improve clarity and readability.

EHAC(LLEGAL)

BASIC INSTRUCTIONAL PROGRAM: REQUIRED INSTRUCTION (SECONDARY)

Changes to this policy regarding course offerings in grades 9-12 were needed after amendments to 19 Administrative Code 74.3. Citations have also been updated to conform with the new amendments.

FA(LEGAL) PARENT RIGHTS AND RESPONSIBILITIES

A section prohibiting infringement on parental rights has been added after voters approved Senate Joint Resolution 34 from the 89th Legislature.

FDA(LEGAL) ADMISSIONS: INTERDISTRICT TRANSFERS

(LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.
- Additions are in a blue font: **new text**.
- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes moved text.
- Revision bars appear in the right margin to show sections with changes.

Note: While the annotation software competently identifies simple changes, large or complicated changes — as in an extensive rewrite — may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes make formatting changes appear tracked, even though the text remains the same.

- LRE/inclusion requires attention: 71.0% of school-aged SPED students are in regular class at least 80% of the day, below SPP target.
- Discipline is a major RDA risk: total disciplinary removals are 38.7% and Performance Level 2.

Clyde CISD received its Special Education Cyclical Monitoring Report from the Texas Education Agency for the 2025–2026 school year on April 30, 2026. The report reflects a comprehensive desk review of the district’s special education systems, including policy review, student folder review, stakeholder feedback, and compliance across state-identified priority areas.

RDA summary supports a positive overall SPED determination.

MOE certification and local current-year compliance data should be reviewed alongside RDA and cyclical monitoring evidence.

Policy review all priority areas

Clyde CISD received its Special Education Cyclical Monitoring Report from the Texas Education Agency for the 2025–2026 school year on April 30, 2026. The report reflects a comprehensive desk review of the district's special education systems, including policy review, student folder review, stakeholder feedback, and compliance across state-identified priority areas.

Priority area	Policy Review	Folder Review
Child Find/Evaluation/FAPE	100% (17/17)	100% (16/16)
IEP Development	100% (3/3)	56% (9/16)
IEP Content	100% (4/4)	100% (16/16)
IEP Implementation	100% (10/10)	100% (16/16)
Properly Constituted ARD	100% (8/8)	100% (16/16)
State Assessment	100% (3/3)	100% (16/16)
Transition	100% (6/6)	100% (2/2)

Overall, the report highlights many strengths within Clyde CISD's special education program. The district received 100% compliance in several major areas, including Child Find/Evaluation/FAPE, IEP Content, IEP Implementation, Properly Constituted ARD, State Assessment, and Transition. The report also recognized Clyde CISD for strong Child Find systems, well-developed documentation practices, detailed PLAAFP statements supported by student data, and exceptional record keeping. These findings reflect the district's continued commitment to serving students with disabilities and maintaining strong systems of support.

56%

IEP Development folder review

The one area identified for corrective action was IEP Development. Specifically, the concern involved IEP goals that were missing one of the required measurable components: timeframe, behavior, condition, or criteria. Because this concern was found in more than two student records, TEA required the district to complete a Corrective Action Plan, commonly referred to as a CAP.

A Corrective Action Plan is a formal process used by TEA to ensure that any identified area of noncompliance is fully corrected. A CAP typically requires the district to identify the root cause of the concern, provide staff training, review and correct affected records, implement stronger internal procedures, and submit evidence showing that the concern has been resolved. The purpose of the CAP is not simply to correct individual files, but to demonstrate that the district has put systems in place to ensure ongoing compliance.

Monitoring Successes and Program Implications

Compliance strengths should support outcome-focused improvement work

TEA-identified successes	Evidence
Child Find	Comprehensive systems communicated to staff, parents, and community stakeholders
Documentation	Detailed PLAAFPs supported by student data
Record keeping	Timely, organized files and artifacts

Clyde CISD has responded proactively and has already completed four of the five CAP requirements, all of which have been approved. The district has completed training with special education teachers, reviewed IEP goals to ensure compliance, analyzed goals for the required components, and corrected any goals found to be missing a required element. These actions demonstrate the district’s commitment to continuous improvement and to ensuring that IEP goals are clear, measurable, and aligned with student needs.

For the final CAP requirement, Clyde CISD has submitted data for Area 5 to the auditor for 12 students. This information was provided so TEA can verify that the district has corrected the area of concern and is now consistently meeting compliance expectations. Once TEA completes its review of the submitted student files and verifies accuracy, the district expects closure of the CAP by June 14, 2026.

Clyde CISD is optimistic that, following TEA’s review, the district will be released from the Corrective Action Plan and found to be in compliance. The district’s timely response, completed training, internal review process, and corrected documentation reflect a strong commitment to accountability, student support, and high-quality special education services.

Improvement Recommendations and Required Board Discussion

Target strategies to academic, CCMR, inclusion, transition, and compliance gaps

- Academic performance: set SPED Meets/Masters targets by grade/subject; prioritize grades 3-8 RLA/Math and English I/II.
- Growth: create a SPED growth dashboard with expected/accelerated growth flags after each interim assessment cycle.
- CCMR: use local unmasked data to expand TSI, dual credit, IBC, and workforce pathways.
- Inclusion/LRE: improve 5A/6A target performance while monitoring service quality and co-teaching implementation.
- Discipline: conduct root-cause review of removal patterns and strengthen behavior supports before exclusionary discipline.

Required board discussion prompts

- Which SPED academic outcome gaps should be prioritized for the next improvement cycle?
- What evidence will show CCMR pathways are expanding beyond a single pathway?
- How will the district monitor LRE quality, not just placement percentage?
- What follow-up is needed on discipline and leaver data-validation items?

School Health Advisory Council

HEALTH AND WELLNESS PLAN

Recognizing that good student health fosters student attendance and education and that schools play a vital part in influencing and promoting wellness, it is the goal of Clyde CISD to advance student health, reduce childhood obesity, and promote the general wellness of all students through nutrition education, physical activity, and other school-based activities.

The district and campus administrators will oversee the implementation and monitoring of this plan. Clyde CISD will continue to develop guidelines and goals for this health, nutrition & wellness plan with input from students, parents, school administration, school food service personnel, the Board, and the community, through the School Health Advisory Council.

The Clyde CISD Wellness Plan focuses on five main health related areas including:

- Setting Nutrition Education Goals
- Setting Physical Activity Goals
- Establishing Nutrition Standards for All Foods Available on School Campus during the School Day
- Setting Goals for Other School Based Activities Designed to Promote Student Wellness
- Setting Goal for Measurement and Evaluation

Component 1: Setting Nutrition Education Goals

- The primary goal of nutrition education is to influence students' eating behaviors. Nutrition education may be defined as "any set of learning experiences designed to facilitate the voluntary adoption of eating and other nutrition-related behaviors conducive to health and well-being." (ADA 1996)

Component 2: Setting Physical Activity Goals

- The primary goal for Clyde CISD physical activity component is to provide opportunities for every student to develop the knowledge and skills for specific physical activities, maintain physical fitness, regularly participate in physical activity, and understand the short-and long-term benefits of a physically active and healthy lifestyle. The physical education curriculum for grades K-12 will be aligned with established state physical education standards. A comprehensive physical activity program encompasses a variety of opportunities for students to be physically active, including: physical education, recess, after school physical activity programs, health education that includes physical activity as a main component, and physical activity breaks within regular classrooms.

School Health Advisory Council

Component 3: Establishing Nutrition Standards for All Foods Available on School Campus during the School Day

- Clyde CISD understands that students' lifelong eating habits are greatly influenced by the types of foods and beverages available to them during the school day. The reimbursable school meals shall be at least as restrictive as federal regulations and guidance. Child Nutrition Programs will be accessible to all students.

Component 4: Setting Goals for Other School Based Activities Designed to Promote Student Wellness

- It is the policy of Clyde CISD to create a school environment that provides consistent wellness messages and is conducive to healthy eating and being physically active.

Component 5: Setting Goal for Measurement and Evaluation

- Funding to support the wellness implementation guidelines and or evaluation of the above guidelines will be provided by the district. The district superintendent or designee will be responsible for the overseeing of the guidelines, monitoring and evaluating the implementation and reporting on the status of the wellness plan to the school board, the parents, and the community. A notification will be posted on the Clyde CISD website inviting members of the community, parents, students, and staff to join the SHAC. Parents, students, representatives of the school food authority, PE teachers, school health professionals, the school board, school administrators, and the general public will be invited to be included in the development, implementation, review and update of the wellness policy with the SHAC.
