CONSENT AGENDA

Consider/Take Possible Action to Approve Out-of-State Travel for a Model United Nations Conference in
March of 2026

ACTION ITEM:

Board Policy [FMG \(LOCAL\)](#) requires that out-of-state student travel must be approved by the board of trustees. The Model United Nations team is requesting approval to participate in the Model United Nations competition to be held in Washington, DC in March 2026.

Marlin Model United Nations is now in its 4th year of growth and success, expanding from a small virtual experience into a strong and competitive program. The program began with seven students participating virtually in collaboration with students and faculty from the Osgood International Studies Department at the University of Houston.

Since then, Marlin MUN has advanced to include two years of participation in NHSMUN in New York City, organized by The National High School Model United Nations (NHSMUN). Most recently, the program shifted last year toward a regional conference participating in the Central Texas MUN administered by University of Texas international relations students, continuing to build student leadership and diplomacy skills.

This year, we are requesting approval to attend the Washington Area Model United Nations Conference (WAMUNC), a four-day conference focused on diplomacy, international affairs, and global understanding. WAMUNC is widely recognized as one of the premier high school Model UN conferences and is hosted near Washington, D.C., fully staffed and sponsored by The George Washington University. The conference offers high-quality committee simulations and educational opportunities such as briefings and guest speakers from professionals in related fields.

A delegation of 12 Marlin MUN students has been selected to attend. High School Principal David Swartwout and PAHS Counselor Morgan Melde will serve as chaperones. Mr. Swartwout has extensive Model UN experience and strongly believes this opportunity aligns with Marlin ISD's legacy of excellence by promoting student leadership, communication, critical thinking, and global awareness.

RATIONALE:	Board Policy FMG (LOCAL) requires board approval for student out-of-state travel.
BUDGET:	PAEF grant funds, student activity funds, fundraisers, and student contributions will be combined to fund the trip.
RECOMMENDATION:	Accept the superintendent's recommendation to approve the Port Aransas High School Model United Nations team travel to Washington DC in March 2026 for competition.

DISCUSSION AND/OR ACTION ITEM

Consider/Take Possible Action to Approve 2026-2027 PAISD Operational Calendar

ACTION ITEM:

The DWEIC (Districtwide Educational Improvement Committee) recommends the 2026-2027 PAISD District Calendar. HB 2610 requires a minimum of 75,600 minutes of instruction per year (with exceptions) instead of a set number of days. The number of work days for teachers and other professionals on a “teacher” contract remains 185 days.

Highlights of 2026-2027 Calendar:

185 teacher workdays

167 student school days

Each school day is 460 minutes long (minimum is 420 minutes). This is with each campus on the same bell schedule 8:00-3:40 each day.

The number of operational minutes is 77,940 minutes (minimum is 75,600 minutes). The extra minutes above the minimum allows for flexibility due to inclement weather, etc.

White = regular school day for students and staff

Blue = staff workday (no school for students)

Orange = professional development (no school for students)

Green = early release day for students (staff development in the afternoon)

Pink = not a school day for students or staff

First day of school for students is Monday, August 24, 2026.

Last day of school for students is Thursday, May 27, 2027.

Graduation will be Thursday, May 27, 2027.

RECOMMENDATION:	Accept the Superintendent’s recommendation to approve the 2026-2027 PAISD District Calendar as presented.

DISCUSSION AND/OR ACTION ITEMS

Order Calling a Bond Election to be Held by the Port Aransas Independent School District

ACTION ITEM:

In November 2019, the Board of Trustees reviewed the district goals related to facilities, technology, and maintenance. At that time, the board established a Capital Improvements Committee to assess the condition of and/or level of need of our current facilities and assets. The committee recommended that the board call for a bond election in May 2020. The board unanimously approved calling for four propositions for the May 2020 election (which was moved to November 2020 due to COVID-19). Another bond election was called for May 2023 with the largest projects being the Cole Center and HVAC renovations. The Capital Improvements Committee has continued to meet and review the current and future needs of the district.

The committee has shared their findings with the board in recent months and is recommending that all projects listed in their report be approved by the board of trustees and they are recommending that a bond election be held in May 2026 to support the facility and maintenance needs of the district.

This would include the following three propositions:

In compliance with state law, the ballot must include "This is a Property Tax Increase", even if the tax rate will not increase.

A	General	\$4,190,000
B	Athletics	\$2,850,000
C	Technology	\$1,175,000

Attached is a proposed Bond Order prepared by bond counsel to raise funds for campus improvements and maintenance to extend the useful life of capital assets, athletic facilities, and technology.

RATIONALE:	Board approval is required before calling for a bond election.
BUDGET:	We hope to hold a shared election with the city in order to reduce expenses.
RECOMMENDATION:	Accept the superintendent's recommendation to adopt the attached order calling a bond election for May 2, 2026.

AN ORDER CALLING A BOND ELECTION TO BE HELD BY THE PORT ARANSAS
INDEPENDENT SCHOOL DISTRICT, MAKING PROVISION FOR THE CONDUCT OF THE
ELECTION, AND RESOLVING OTHER MATTERS RELATED TO THAT ELECTION

WHEREAS, the Board of Trustees (the *Board*) of the PORT ARANSAS INDEPENDENT SCHOOL DISTRICT (the *District*), located in Nueces and Aransas Counties, Texas (individually, the *County*, collectively, the *Counties*), finds and determines that a special election (the *Election*) should be held to determine whether the District will be authorized to issue bonds in the amount and for the purposes identified in this order (the *Order*); and

WHEREAS, the District will conduct the Election according to the Texas Election Code, as amended (the *Code*), and other applicable state and federal laws; and

WHEREAS, the Board hereby finds and determines that the anticipated capital improvements identified in Measure B and corresponding Proposition B must be submitted to the eligible voters of the District as an additional measure and corresponding proposition because these facilities are the type of facilities described in Section 45.003(g)(3) of the Texas Education Code; and

WHEREAS, the Board hereby finds and determines that the anticipated capital improvements identified in Measure C and corresponding Proposition C must be submitted to the eligible voters of the District as an additional measure and corresponding proposition because these facilities are the type of facilities described in Section 45.003(g)(6) of the Texas Education Code; and

DISCUSSION AND/OR ACTION ITEMS

Resolution Regarding Senate Bill 11 Opportunity for Prayer and Religious Expression

ACTION ITEM:

Senate Bill 11 was passed by the 89th Texas Legislature. The law requires all school boards to hold a recorded vote by March 1, 2026, to decide whether or not to adopt a policy that mandates a daily period for prayer and reading the Bible or other religious texts on every campus.

The superintendent is recommending that the board not adopt this resolution. This decision was based on the conclusion that existing laws and district policies already sufficiently protect the rights of students and staff to express their faith.

Current practices and protections include:

Students have an absolute right to pray or meditate silently and voluntarily, and read religious texts, provided it does not disrupt school activities.

The district treats voluntary religious expression with the same respect as secular viewpoints.

Every campus observes a moment of silence daily following the pledges of allegiance.

Students can organize and participate in religious clubs and groups per existing board policy FNA (LOCAL) during non-instructional time.

RATIONALE:	SB 11 requires all Texas ISDs to take a recorded vote to adopt the resolution.
BUDGET:	None at this time. If the resolution is adopted, we will have expenses to develop the policy and publish it. If the resolution is adopted, we may need to pay staff overtime to monitor the students and to handle all of the paperwork associated with it.
RECOMMENDATION:	Accept the superintendent's recommendation to not adopt the resolution.

Resolution Regarding Senate Bill 11
Period of Prayer and Reading of the Bible or Other Religious Text

The Port Aransas ISD shall adopt a policy requiring every campus to provide a period of prayer and reading of the Bible or other religious text as provided by Education Code 25.0823.

Adopted this ____ (*date*) day of _____ (*month*), _____ (*year*), by the Board.
