To the extent possible and under reasonable circumstances, all transfers of Bonds shall be made within three (3) business days after request and presentation thereof. The Issuer shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. (b) Payment of Bonds and Interest. The Issuer hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bonds, all as provided in this Order. The Paying Agent/Registrar shall keep proper records of all payments made by the Issuer and the Paying Agent/Registrar with respect to the Bonds, and of all conversions and exchanges of Bonds, and all replacements of Bonds, as provided in this Order. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail,

first-class postage prepaid, to the address of each Registered Owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

The Bonds initially issued and delivered pursuant to this Order are not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for any Bond or Bonds issued under this Order the Paying Agent/Registrar shall execute the PAYING AGENT/REGISTRAR'S AUTHENTICATION CERTIFICATE, in the form set forth in the FORM OF BOND.

(d) Substitute Paying Agent/Registrar. The Issuer covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the Issuer will provide a competent and legally qualified bank, trust company, financial institution or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Order, and that the Paying Agent/Registrar will be one entity. The Issuer reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than fifty (50) days written notice to the Paying Agent/Registrar, to be effective not later than forty-five (45) days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Issuer covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Order. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the Issuer. Upon any change in the Paying Agent/Registrar, the Issuer promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Order, and a certified copy of this Order shall be delivered to each Paying Agent/Registrar.

(e) Book-Entry Only System. The Bonds issued in exchange for the Bonds initially issued to the purchaser specified herein shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and except as provided in subsection (f) hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations, or certain other organizations on whose behalf DTC was created ("DTC Participant") to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Issuer and the Paying

Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Registered Owner of Bonds, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any other person, other than a Registered Owner of Bonds, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Order to the contrary, the Issuer and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the Registered Owners, as shown in the Registration Books as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Registered Owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal and interest pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the Registered Owner at the close of business on the Record Date, the words "Cede & Co." in this Order shall refer to such new nominee of DTC.

(f) Successor Securities Depository; Transfers Outside Book-Entry Only System. In the event that the Issuer determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the Issuer to DTC or that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Registered Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

(g) Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of the Issuer to DTC.

(h) Notice of Redemption. (i) In addition to the notice of redemption set forth in the FORM OF BOND, the Paying Agent/Registrar shall give notice of redemption of the Bonds by first-class mail, postage prepaid at least thirty (30) days prior to a redemption date to each registered securities depository and to any national information service that disseminates redemption notices. In addition, in the event of a redemption caused by an advance refunding of the Bonds, the Paying Agent/Registrar shall send a second notice of redemption to the persons specified in the immediately preceding sentence at least thirty (30) days but not more than ninety (90) days prior to the actual redemption date. Any notice sent to the registered securities depositories or such national information services shall be sent so that they are received at least

two (2) days prior to the general mailing or publication date of such notice. The Paying Agent/Registrar shall also send a notice of prepayment or redemption to the Registered Owner of any Bond who has not sent the Bonds in for redemption sixty (60) days after the redemption date.

(ii) Each notice of redemption given by the Paying Agent/Registrar, whether required in the FORM OF BOND or in this Section, shall contain a description of the Bonds to be redeemed including the complete name of the Bonds, the Series, the date of issue, the interest rate, the maturity date, the CUSIP number, the certificate numbers, the amounts called of each certificate, the publications and mailing date for the notice, the date of redemption, the redemption price, the name of the Paying Agent/Registrar, and the address at which the Bonds may be redeemed, including a contact person and telephone number.

(iii) All redemption payments made by the Paying Agent/Registrar to the Registered Owners shall include a CUSIP number relating to each amount paid to such Registered Owner.

THIS BOND is one of a series of Bonds dated as of _____, authorized in accordance with the Constitution and laws of the State of Texas in the principal amount of \$ _____, FOR THE

PURPOSE OF PROVIDING FUNDS FOR THE CONSTRUCTION, ACQUISITION AND EQUIPMENT OF SCHOOL BUILDINGS IN THE ISSUER, INCLUDING THE PURCHASE OF THE NECESSARY SITES FOR SCHOOL BUILDINGS and comprised of (i) Bonds in the aggregate original principal amount of \$_____ that pay interest only at maturity (the “Capital Appreciation Bonds”) and (ii) Bonds in the aggregate original principal amount of \$_____ that pay interest semiannually until maturity (the “Current Interest Bonds”).

ON _____, or on any date thereafter, the Current Interest Bonds of this series may be redeemed prior to their scheduled maturities, at the option of the Issuer, with funds derived from any available and lawful source, as a whole, or in part, and, if in part, the particular Current Interest Bonds, or portions thereof, to be redeemed shall be selected and designated by the Issuer (provided that a portion of a Current Interest Bond may be redeemed only in an integral multiple of \$5,000), at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption.

THE CURRENT INTEREST BONDS scheduled to mature on _____ in the years ____ and ____ (the “Term Current Interest Bonds”) are subject to scheduled mandatory redemption by the Paying Agent/Registrar by lot, or by any other customary method that results in a random selection, at a price equal to the principal amount thereof, plus accrued interest to the redemption date, out of moneys available for such purpose in the interest and sinking fund for the Bonds, on _____ in the years and in the respective principal amounts, set forth in the following schedule:

	Term Current Interest Bond Maturity: _____	
YEAR		PRINCIPAL AMOUNT(\$)
(maturity)		

	Term Current Interest Bond Maturity: _____	
YEAR		PRINCIPAL AMOUNT(\$)
(maturity)		

The principal amount of Term Current Interest Bonds of a stated maturity required to be redeemed on any mandatory redemption date pursuant to the operation of the mandatory sinking fund redemption provisions shall be reduced, at the option of the Issuer, by the principal amount of any Term Current Interest Bonds of the same maturity which, at least forty-five (45) days prior to a mandatory redemption date (1) shall have been acquired by the Issuer at a price not exceeding the principal amount of such Term Current Interest Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the Issuer at a price not exceeding the principal amount of such Term Current Interest Bonds plus accrued interest to the date of purchase, or (3) shall have been redeemed pursuant to the optional redemption provisions and not theretofore credited against a mandatory redemption requirement.

AT LEAST thirty (30) days prior to the date fixed for any redemption of Current Interest Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, to the Registered Owner of each Current Interest Bond to be redeemed at its address as it appeared at the close of business on the business day next preceding the date of mailing such notice and to major securities depositories, national bond rating agencies and bond information services; provided, however, that the failure of the Registered Owner to receive such notice, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Current Interest Bond. By the date fixed for any such redemption, due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Current Interest Bonds or portions thereof which are to be so redeemed. If such written notice of redemption is sent and if due provision for such payment is made, all as provided above, the Current Interest Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the Registered Owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Current Interest Bond shall be redeemed a substitute Current Interest Bond or Current Interest Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the Registered Owner, and in aggregate amount equal to the unredeemed portion thereof, will be issued to the Registered Owner upon the surrender thereof for cancellation, at the expense of the Issuer, all as provided in the Bond Order.

IF AT THE TIME OF MAILING of notice of optional redemption there shall not have either been deposited with the Paying Agent/Registrar or legally authorized escrow agent immediately available funds sufficient to redeem all the Bonds called for redemption, such notice must state that it is conditional, and is subject to the deposit of the redemption moneys with the Paying Agent/Registrar or legally authorized escrow agent at or prior to the redemption date, and such notice shall be of no effect unless such moneys are so deposited on or prior to the redemption date. If such redemption is not effectuated, the Paying Agent/Registrar shall, within five (5) days thereafter, give notice in the manner in which the notice of redemption was given that such moneys were not so received and shall rescind the redemption.

ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, with respect to Current Interest Bonds, in the denomination of any integral multiple of \$5,000, and with respect to Capital Appreciation Bonds, in the denomination of \$5,000 payment at maturity amounts or any integral multiple thereof. As provided in the Bond Order, this Bond may, at the request of the Registered Owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate Registered Owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate Registered Owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Order. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The form of Assignment printed or endorsed on this Bond may be executed by the Registered Owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the Registered Owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring,

converting and exchanging any Bond or portion thereof will be paid by the Issuer. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer or exchange with respect to Current Interest Bonds (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) with respect to any Current Interest Bond or any portion thereof called for redemption prior to maturity, within forty-five (45) days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Bond Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owners of the Bonds.

IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance and delivery of this Bond have been performed, existed, and been done in accordance with law; that this Bond is a general obligation of the Issuer, issued on the full faith and credit thereof; and that ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due, and as such principal matures, have been levied and ordered to be levied against all taxable property in the Issuer, and have been pledged for such payment, without legal limit as to rate or amount.

THE ISSUER ALSO HAS RESERVED THE RIGHT to amend the Bond Order as provided therein, and under some (but not all) circumstances amendments thereto must be approved by the Registered Owners of a majority in aggregate principal amount of the outstanding Bonds.

BY BECOMING the Registered Owner of this Bond, the Registered Owner thereby acknowledges all of the terms and provisions of the Bond Order, agrees to be bound by such terms and provisions, acknowledges that the Bond Order is duly recorded and available for inspection in the official minutes and records of the governing body of the Issuer, and agrees that the terms and provisions of this Bond and the Bond Order constitute a contract between each Registered Owner hereof and the Issuer.

IN WITNESS WHEREOF, the Issuer has caused this Bond to be signed with the manual or facsimile signature of the President of the Board of Trustees of the Issuer and countersigned with the manual or facsimile signature of the Secretary of the Board of Trustees of the Issuer, and has caused the official seal of the Issuer to be duly impressed, or placed in facsimile, on this Bond.

(iii) The initial Capital Appreciation Bond shall be numbered “TCAB-1.”

Section 6. TAX LEVY. (a) A special Interest and Sinking Fund (the “Interest and Sinking Fund”) is hereby created solely for the benefit of the Bonds, and the Interest and Sinking Fund shall be established and maintained by the Issuer at an official depository bank of the Issuer. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the Issuer, and shall be used only for paying the interest on and principal of the Bonds. All ad valorem taxes levied and collected for and on account of the Bonds, together with any accrued interest received from the initial purchasers of the Bonds, shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Bonds or interest thereon are outstanding and unpaid, the governing body of the Issuer shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on the Bonds as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of its Bonds as such principal matures; and said tax shall be based on the latest approved tax rolls of the Issuer, with full allowance being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the Issuer for each year while any of the Bonds or interest thereon are outstanding and unpaid; and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Bonds as such interest comes due and such principal matures are hereby pledged for such payment, without limit as to rate or amount.

(b) Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of the taxes granted by the Issuer under this Section, and is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the taxes granted by the Issuer under this Section is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the Registered Owners of the Bonds the perfection of the security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Section 7. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a “Defeased Bond”) within the meaning of this Order, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the “Future Escrow Agreement”) for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Order, and such principal and interest shall be payable solely from such money or Defeasance Securities, and thereafter the Issuer will have no further responsibility with respect to amounts available to the Paying Agent/Registrar (or other financial institution permitted by applicable law) for the payment of such Defeased Bonds, including any insufficiency therein caused by the failure of

the Paying Agent/Registrar (or other financial institution permitted by applicable law) to receive payment when due on the Defeasance Securities. Notwithstanding any other provision of this Order to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in (a)(i) or (ii) of this Section 7 shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer also be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in (a)(i) or (ii) of this Section 7. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(c) The term “Defeasance Securities” means any securities and obligations now or hereafter authorized by State law that are eligible to discharge obligations such as the Bonds. The Pricing Officer may restrict such eligible securities and obligations as deemed appropriate.

(d) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Issuer shall make proper arrangements to provide and pay for such services as required by this Order.

(e) In the event that the Issuer elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 8. **DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.** (a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the Registered Owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the Registered Owner applying for a replacement bond shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the Registered Owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond. In every case

of damage or mutilation of a Bond, the Registered Owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on the Bond, the Issuer may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the Registered Owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Bonds duly issued under this Order.

(e) Authority for Issuing Replacement Bonds. In accordance with Subchapter B, Chapter 1206, Texas Government Code, this Section shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 4(a) of this Order for Bonds issued in conversion and exchange for other Bonds.

Section 9. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION, CUSIP NUMBERS, AND CONTINGENT INSURANCE PROVISION OR PERMANENT SCHOOL FUND GUARANTEE PROVISION, IF OBTAINED. The President and/or Vice President of the Board of Trustees of the Issuer and the Pricing Officer are hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Bonds said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the Issuer's Bond Counsel and the assigned CUSIP numbers may, at the option of the Issuer, be printed on the Bonds issued and delivered under this Order, but neither shall have any legal effect, and shall be solely for the convenience and information of the Registered Owners of the Bonds. In addition, if bond insurance is obtained or if the Bonds are guaranteed by the Texas Permanent School Fund, the Bonds may bear an appropriate legend as provided by the insurer or the Texas Education Agency, respectively.

Section 10. FEDERAL TAX COVENANTS. (a) General Tax Covenants Regarding Tax Exemption of Interest on the Bonds. The Issuer covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(i) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any “private business use,” as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(ii) to take any action to assure that in the event that the “private business use” described in subsection (a) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a “private business use” which is “related” and not “disproportionate,” within the meaning of section 141(b)(3) of the Code, to the governmental use;

(iii) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(iv) to refrain from taking any action which would otherwise result in the Bonds being treated as “private activity bonds” within the meaning of section 141(b) of the Code;

(v) to refrain from taking any action that would result in the Bonds being “federally guaranteed” within the meaning of section 149(b) of the Code;

(vi) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(1) proceeds of the Bonds invested for a reasonable temporary period until such proceeds are needed for the purpose for which the bonds are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(vii) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(viii) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(ix) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the “Excess Earnings,” within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than sixty (60) days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

In order to facilitate compliance with the above covenant (viii), a “Rebate Fund” is hereby established by the Issuer for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

The Issuer understands that the term “proceeds” includes “disposition proceeds” as defined in the Treasury Regulations. It is the understanding of the Issuer that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the Issuer will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the Issuer hereby authorizes and directs the Pricing Officer to execute any documents, certificates, or reports required by the Code and to make such elections, on behalf of the Issuer, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(b) Interest Earnings on Bond Proceeds. Interest earnings derived from the investment of proceeds from the sale of the Bonds shall be used along with other bond proceeds for the purpose for which the Bonds are issued, as set forth in Section 1 hereof; provided that after completion of such purpose, if any of such interest earnings remain on hand, such interest earnings shall be deposited in the Interest and Sinking Fund. It is further provided, however, that any interest earnings on bond proceeds which are required to be rebated to the United States of America pursuant to Section 10(a) hereof in order to prevent the Bonds from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

(c) Disposition of Project. The Issuer covenants that the property constituting the projects financed with the proceeds of the Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless the Issuer obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(d) Allocation of, and Limitation on, Expenditures for the Project. The Issuer covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in

Section 1 of this Order (the “Project”) on its books and records in accordance with the requirements of the Internal Revenue Code. The Issuer recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within eighteen (18) months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the Issuer recognizes that in order for proceeds to be expended under the Internal Revenue Code, the sale proceeds or investment earnings must be expended no more than sixty (60) days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired. The Issuer agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest. This Order is intended to satisfy the official intent requirements set forth in section 1.150-2 of the Treasury Regulations.

(e) Designation as “Qualified Tax-Exempt Obligations”. If the Pricing Officer, pursuant to the authority granted by this Order, authorizes the issuance of Bonds that otherwise meet the qualifications for designation as being “qualified tax-exempt obligations” and sets forth such designation in the Pricing Certificate for such series of Bonds, the Issuer, by and through such action of the Pricing Officer, hereby designates any such Bonds as “qualified tax-exempt obligations” as defined in section 265(b)(3) of the Code. In furtherance of such designation, if applicable, the Issuer represents, covenants and warrants the following: (a) that during the calendar year in which the Bonds are issued, the Issuer (including any subordinate entities) has not designated nor will designate bonds, which when aggregated with the Bonds, will result in more than maximum allowable issuance amount of “qualified tax-exempt obligations” being issued under the Code; (b) that the Issuer reasonably anticipates that the amount of tax-exempt obligations issued, during the calendar year in which the Bonds are issued, by the Issuer (or any subordinate entities) will not exceed such maximum amount permitted under the Code; and, (c) that the Issuer will take such action or refrain from such action as necessary, and as more particularly set forth in Section 10, hereof, in order that the Bonds will not be considered “private activity bonds” within the meaning of section 141 of the Code.

(f) Federal Tax Compliance Procedures. The Federal Tax Compliance Procedures attached hereto as Exhibit A are hereby established by the Issuer.

Section 11. SALE OF BONDS; OFFICIAL STATEMENT.

(a) The Bonds shall be sold and delivered subject to the provisions of Sections 1 and 3 and pursuant to the terms and provisions of the winning bid or a bond purchase contract or contracts (the “Purchase Contract”) which the Pricing Officer is hereby authorized to execute and deliver and in which the initial purchaser or purchasers (the “Underwriters”) of the Bonds shall be designated. The Bonds shall initially be registered in the name of the purchaser thereof as set forth in the Pricing Certificate.

(b) The Pricing Officer is hereby authorized, in the name and on behalf of the Issuer, to approve, distribute, and deliver a preliminary official statement and a final official statement relating to the Bonds to be used by the Underwriters in the marketing of the Bonds.

Section 12. RESERVED.

Section 13. FURTHER PROCEDURES. (a) The President or Vice President and Secretary of the Board of Trustees of the Issuer, the Pricing Officer and all other officers, employees and agents of the Issuer, and each of them, shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and, under the corporate seal, if necessary, and on behalf of the Issuer, a Paying Agent/Registrar Agreement with the Paying Agent/Registrar and all other instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Order, the DTC Blanket Letter of Representations, the Bonds, the sale of the Bonds and the Official Statement. Notwithstanding anything to the contrary contained herein, while the Bonds are subject to DTC's Book-Entry Only System and to the extent permitted by law, the DTC Blanket Letter of Representations is hereby incorporated herein and its provisions shall prevail over any other provisions of this Order in the event of conflict. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

(b) The obligation of the Underwriters to accept delivery of the Bonds is subject to the Underwriters being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the Issuer, which opinion shall be dated as of and delivered on the date of initial delivery of the Bonds to the Underwriters. The engagement of such firm as bond counsel to the Issuer in connection with issuance, sale and delivery of the Bonds is hereby approved and confirmed.

Section 14. COMPLIANCE WITH RULE 15c2-12.

(a) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

“*MSRB*” means the Municipal Securities Rulemaking Board.

“*Rule*” means SEC Rule 15c2-12, as amended from time to time.

“*SEC*” means the United States Securities and Exchange Commission.

(b) Annual Reports. (i) The Issuer shall provide annually to the MSRB, in the electronic format prescribed by the MSRB, within six (6) months after the end of each fiscal year, financial information and operating data with respect to the Issuer of the general type included in the final Official Statement authorized by Section 11 of this Order, as described in the Pricing Certificate, and financial statements within twelve (12) months of the end of each fiscal year. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in the financial statements of the Issuer appended to the Official Statement, or such other accounting principles as the Issuer may be required to employ from time to time pursuant to state law or regulation, and (2) audited, if the Issuer commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not completed within twelve (12) months after any such fiscal year end, then the Issuer shall file unaudited financial statements within such twelve (12) month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements becomes available.

(ii) If the Issuer changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the Issuer otherwise would be required to provide financial information and operating data pursuant to this Section. The financial information and operating

data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any documents available to the public on the MSRB's internet website or filed with the SEC.

(c) Event Notices. The Issuer shall notify the MSRB, in a timely manner not in excess of ten (10) Business Days after the occurrence of the event, of any of the following events with respect to the Bonds:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
7. Modifications to rights of holders of the Bonds, if material;
8. Bond calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Bonds, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the Issuer;
13. The consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
14. Appointment of a successor trustee or change in the name of the trustee, if material;
15. Incurrence of a financial obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Issuer, any of which affect security holders, if material; and
16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the Issuer, any of which reflect financial difficulties.

The Issuer shall notify the MSRB, in a timely manner, of any failure by the Issuer to provide financial information or operating data in accordance with subsection (b) of this Section by the time required by subsection (b). As used in clause (c)12 above, the phrase “bankruptcy, insolvency, receivership or similar event” means the appointment of a receiver, fiscal agent or similar officer for the Issuer in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court of governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if jurisdiction has been assumed by leaving the Board of Trustees and officials or officers of the Issuer in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer. For the purposes of clauses (c)15 and (c)16 above, the term “financial obligation” means a (i) debt obligation, (ii) derivative instrument entered into in connection with or pledged as security or a source of payment for, an existing or planned debt obligation, or (iii) a guarantee of (i) or (ii); provided however, that a “financial

obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

(d) Limitations, Disclaimers, and Amendments. (i) The Issuer shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Issuer remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the Issuer in any event will give notice of any deposit made in accordance with this Order or applicable law that causes the Bonds no longer to be outstanding.

(ii) The provisions of this Section are for the sole benefit of the Registered Owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the Issuer in observing or performing its obligations under this Section shall comprise a breach of or default under the Order for purposes of any other provision of this Order. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Issuer under federal and state securities laws.

(v) The provisions of this Section may be amended by the Issuer from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Issuer, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the Registered Owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (b) any qualified person that is unaffiliated with the Issuer (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the Registered Owners and beneficial owners of the Bonds. If the Issuer so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Issuer may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and

to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

Section 15. FACILITIES ALLOTMENT FUNDS; STATE ASSISTANCE FUNDS. In connection with the issuance of the Bonds, the Issuer may receive financial assistance from the Texas Education Agency in accordance with one or more programs established pursuant to Chapter 46, Texas Education Code, as amended (the "Program"). In each fiscal year in which the Issuer receives funding under the Program or any successor State funding program which provides a debt service subsidy for the Bonds and, in either case, which requires the Issuer to deposit such debt service subsidy into the Interest and Sinking Fund for the Bonds (such funds being collectively referred to herein as "Debt Subsidy Funds"), the Issuer shall deposit immediately upon receipt the Debt Subsidy Funds received to the credit of the Interest and Sinking Fund for the Bonds created pursuant to Section 6. Notwithstanding the requirements of Section 6, if Debt Subsidy Funds are actually on deposit in the Interest and Sinking Fund for the Bonds in advance of the time when ad valorem taxes are scheduled to be levied for any fiscal year, then the amount of ad valorem taxes which otherwise would have been required to be levied pursuant to Section 6 shall be reduced to the extent and by the amount of the Debt Subsidy Funds then on deposit in the Interest and Sinking Fund for the Bonds.

Section 16. METHOD OF AMENDMENT. The Issuer hereby reserves the right to amend this Order subject to the following terms and conditions, to wit:

(a) The Issuer may from time to time, without the consent of any Registered Owner, except as otherwise required by paragraph (b) below, amend or supplement this Order to (i) cure any ambiguity, defect or omission in this Order that does not materially adversely affect the interests of the Registered Owners, (ii) grant additional rights or security for the benefit of the Registered Owners, (iii) add events of default as shall not be inconsistent with the provisions of this Order and that shall not materially adversely affect the interests of the Registered Owners, (iv) qualify this Order under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (v) make such other provisions in regard to matters or questions arising under this Order as shall not be materially inconsistent with the provisions of this Order and that shall not, in the opinion of nationally-recognized bond counsel, materially adversely affect the interests of the Registered Owners.

(b) Except as provided in paragraph (a) above, a majority of the Registered Owners (for purposes of this sentence only, 100% of the aggregate principal amount of Bonds which are insured by a bond insurance provider at the time that the Issuer seeks approval of an amendment shall be deemed to be owned by such bond insurance provider) of Bonds then outstanding that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the Issuer; provided, however, that without the consent of 100% of the Registered Owners in aggregate principal amount and Maturity Amount of the then outstanding Bonds, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Order or in any of the Bonds so as to:

- (1) Make any change in the maturity of any of the outstanding Bonds;
- (2) Reduce the rate of interest borne by any of the outstanding Bonds;
- (3) Reduce the amount of the principal of, or redemption premium, if any, or Maturity Amount payable on any outstanding Bonds;

(4) Modify the terms of payment of principal of, or interest, or redemption premium, if any, or Maturity Amount on outstanding Bonds or any of them or impose any condition with respect to such payment; or

(5) Change the minimum percentage of the principal amount and Maturity Amount of the Bonds necessary for consent to such amendment.

(c) If at any time the Issuer shall desire to amend this Order under this Section, the Issuer shall send by U.S. mail to each Registered Owner of the affected Bonds a copy of the proposed amendment.

(d) Whenever at any time within one year from the date of mailing of such notice the Issuer shall receive an instrument or instruments executed by the Registered Owners of at least a majority in aggregate principal amount of all of the Bonds then outstanding that are required for the amendment (or 100% if such amendment is made in accordance with paragraph (b)), which instrument or instruments shall refer to the proposed amendment and which shall specifically consent to and approve such amendment, the Issuer may adopt the amendment in substantially the same form.

(e) Upon the adoption of any amendatory Order pursuant to the provisions of this Section, this Order shall be deemed to be modified and amended in accordance with such amendatory Order, and the respective rights, duties, and obligations of the Issuer and all Registered Owners of such affected Bonds shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Any consent given by the Registered Owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six (6) months from the date of such consent and shall be conclusive and binding upon all future Registered Owners of the same Bond during such period. Such consent may be revoked at any time after six (6) months from the date of said consent by the Registered Owner who gave such consent, or by a successor in title, by filing notice with the Issuer, but such revocation shall not be effective if the Registered Owners of the required amount of the affected Bonds then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

For the purposes of establishing ownership of the Bonds, the Issuer shall rely solely upon the registration of the ownership of such Bonds on the Registration Books kept by the Paying Agent/Registrar.

Section 17. APPROPRIATION. To pay the debt service coming due on the Bonds, if any (as determined by the Pricing Officer) prior to receipt of the taxes levied to pay such debt service, if any, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

Section 18. GOVERNING LAW. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 19. PERMANENT SCHOOL FUND GUARANTEE PROGRAM. To the extent applicable, the Issuer covenants to timely comply with all applicable requirements and procedures under Article VII, Section 5 of the Texas Constitution, Subchapter C of Chapter 45, Texas Education Code and the Rules of the State Board of Education relating to the guarantee of the principal of and interest on the Bonds by the Texas Permanent School Fund. Upon defeasance of such Bonds prior to maturity in accordance with applicable law, the guarantee of the principal and interest on such Bonds by the Texas Permanent School Fund shall cease and no longer be available. In case of a default in the payment of principal or interest on the Bonds, and in accordance with Section 45.061, Texas Education Code, the Comptroller of Public Accounts of the State of Texas is authorized to withhold from the Issuer amounts equal to the amounts paid by the Permanent School Fund on account of such default, plus interest thereon, from the first state money payable to the Issuer from the following sources and in the following order, to wit: foundation school fund, available school fund.

Section 20. SEVERABILITY. If any provision of this Order or the application thereof to any circumstance shall be held to be invalid, the remainder of this Order and the application thereof to other circumstances shall nevertheless be valid, and this governing body hereby declares that this Order would have been enacted without such invalid provision.

Section 21. EVENTS OF DEFAULT. Each of the following occurrences or events for the purpose of this Order is hereby declared to be an event of default (an “Event of Default”):

- (i) the failure to make payment of the principal of or interest on any of the Current Interest Bonds or the Maturity Value of the Capital Appreciation Bonds when the same becomes due and payable; or
- (ii) default in the performance or observance of any other covenant, agreement or obligation of the Issuer, the failure to perform which materially, adversely affects the rights of the Registered Owners, including, but not limited to, their prospect or ability to be repaid in accordance with this Order, and the continuation thereof for a period of sixty (60) days after notice of such default is given by any Registered Owner to the Issuer.

Section 22. REMEDIES FOR DEFAULT. (a) Upon the happening of any Event of Default, then and in every case, any Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the Issuer for the purpose of protecting and enforcing the rights of the Owners under this Order, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 23. REMEDIES NOT EXCLUSIVE. (a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Order, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Order.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(c) By accepting the delivery of a Bond authorized under this Order, such Owner agrees that the certifications required to effectuate any covenants or representations contained in this Order do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or trustees of the Issuer or the Board of Trustees.

C. Record Retention. The Responsible Persons will maintain or cause to be maintained all records relating to the investment and expenditure of the proceeds of the Obligations and the use of the facilities financed or refinanced thereby for a period ending three (3) years after the complete extinguishment of the Obligations. Such records can be maintained in paper or electronic format.

D. Responsible Persons. Each Responsible Person shall receive appropriate training regarding the Issuer's accounting system, contract intake system, facilities management and other systems necessary to track the investment and expenditure of the proceeds and the use of the facilities financed with the proceeds of the Obligations. AGREEMENT FOR CONTINUING DISCLOSURE SERVICES:

Mr. Tim Sherrod, Chief Financial Officer, recommended that the Wichita Falls Independent School District Board of Trustees approve an agreement for Continuing Disclosure Services by and between Wichita Falls Independent School District, Texas and HTS Continuing Disclosure Services.

WFISD (the Issuer) of bonds, is obligated to file certain annual continuing disclosure information, pursuant to SEC Rule 15c2-12 (the “Rule”) undertakings to disclose to the investing public, on a periodic and continuing basis, certain information, as more fully set forth in such undertakings and as contemplated by the provisions of Securities and Exchange Commission Rule 15c2-12, as amended (the “Rule”). Sentry Management has recommended the district obtain this service.

SEC Rule 15c-12 was originally put in place to improve disclosure practices among municipal issuers. In today’s economic climate, the Rule has only increased in visibility and importance. The Rule prohibits underwriters from buying an issuer’s bonds if they do not file required disclosure information.

The Issuer’s current disclosure requirements include filing certain data and audited financial statements, as well as any applicable material event notices with the Municipal Securities Rulemaking Board (MSRB).

The annual fee for these services are \$3,500 annually. Sentry Management will pay \$3,500 for the first year and Wichita Falls Independent School District will be required to pay \$3,500 a year for a (5) year term that is renewable in (1) year increments thereafter until terminated by either party.

The purchase is a multi-year agreement, which requires the Board of Trustees approval per policy, CH Local.

This item will be placed on the consent agenda for the Board of Trustees regular meeting on January 18, 2021.

Mr. Murphy Davis Sr., with Sentry Management, discussed a rough timeline of key dates and items that need to be completed for the District’s upcoming finance.

ADMINISTRATIVE SERVICES:

ADOPTION OF THE WFISD 2021-2022 SCHOOL CALENDAR:

Ms. K. Elizabeth Yeager, seconded by Mr. Robert Payton, moved that the Wichita Falls Independent School District Board of Trustees approve the 2021-2022 WFISD School Calendar.

Carried unanimously by a vote of 7– 0

WFISD 2020-2021 SPRING SCHOOL CALENDAR:

Dr. Peter Griffiths, Associate Superintendent, recommended that the Wichita Falls Independent School District Board of Trustees be made aware that the District will have four early release dates in the spring of 2021 to allow teachers some planning time.

At the October 2020 District Advisory Committee (DAC) meeting, the committee members asked if there was a way to increase staff planning time without disrupting too much of the instructional minutes due to staff needing more time. A survey was sent out to teachers as well. District staff brought six early release days to the DAC at the November meeting. After a lengthy discussion, the DAC suggested only four days since January and February already had built-in days for planning. At the December meeting, the DAC was presented and approved the recommendation of the four early release days as follows:

March 3, 2021, March 24, 2021, April 14, 2021 and April 28, 2021 to be recommended as early release days for students.

Per the Texas Education Agency’s allowance, if the campuses still remain open for students who do not have access to the internet and may be allowed to stay on campuses, the instructional minutes are not lost. However, the district has additional minutes built in to the calendar to allow missed instructional minutes without needing a waiver, if needed.

No action is needed by the board, only for information and to allow comments.

NAMING THE NEW SCHOOLS:

Ms. Debby Patterson, Executive Director of School Administration presented to the Wichita Falls Independent School District Board of Trustees the process for naming the two new high schools.

The Board shall direct the Superintendent or designee to form and chair a naming committee for school buildings. Any individual may submit a nomination form to the Superintendent’s office. The naming committee for school building shall review the nomination forms, forward all nominees to the Board, and recommend no more than five names to the Board. The Board reserves the right to consider all nominations.

The process takes approximately 4-6 months.

1. The district is planning to have a committee of 40 members comprised of 10 students, 10 parents, 10 staff and 10 community members. Students and parents will be represented by individuals of interest in serving on the committee who are from grade levels of K-8.
2. Meetings will be held with the naming committee to explain the process, time lines, criteria, and procedures.
3. Nominations for naming the campuses will be accepted by the district for two months.
4. Meetings will be held with the committee to review nominations at the close of the 2 months.
5. Meetings with the committee will result in 5 recommendations for each building to be presented.

7. During the 2nd meeting, the Board will vote to name the building.
8. The Board reserves the right to consider all nominations.

DEA (REGULATION) COMPENSATION AND BENEFITS: COMPENSATION PLAN:

Ms. Debby Patterson, Executive Director of School Administration, recommended that the Wichita Falls Independent School District Board of Trustees be informed concerning the annual compensation notification for employees.

Additional wording is added to DEA (REGULATION) noting a time requirement for notifying staff of any incremental or non-incremental pay increases as a result of the finalized approved budget by the Board.

TEXAS EDUCATION AGENCY ANNUAL REPORT:

Dr. Peter Griffiths, Associate Superintendent, reported to the Wichita Falls Independent School District Board of Trustees, the annual TAPR Public Hearing is scheduled for 5:30 p.m. on January 18, 2021.

INNOVATIVE COURSES:

Dr. Peter Griffiths, Associate Superintendent recommended that the Wichita Falls Independent School District Board of Trustees approve the Innovative courses.

Some students are unable to complete an Endorsement even with a modified curriculum. For these students, they complete most of their state required credits during freshman and sophomore year and then have a large gap in their schedule junior and senior year. WFISD has added Job Readiness I & II as local courses, but I am proposing adding two innovative courses to increase the number of classes we can offer these students, and ultimately better prepare them for life after high school. These courses can satisfy elective credit toward graduation requirements. The two courses being proposed are General Employability Skills and Making Connections I-IV.

This item will be placed on the consent agenda for the Board of Trustees regular meeting on January 18, 2021

Administrative Information:

The Wichita Falls Independent School District Board of Trustees give approval to submit a waiver to the Texas Education Agency for remote homebound instruction for one special education student and three Section 504 students as submitted by Alefia Paris-Toulon, Director of Special Services, and as recommended by Michael S. Kuhrt, Superintendent of Schools.

Explanation:

Under current TEA rules and policies, remote instruction that is not delivered through the Texas Virtual School Network (TxVSN) is not eligible for state funding unless a waiver is submitted by the school district and approved by TEA.

Since the last Waiver Request in December, the district has 4 new Homebound placements that will require a waiver to the Texas Education Agency for remote homebound instruction. 1 student is in Special Education, and Homebound started on 2/9/21. There are 3 students in Section 504 that started remote homebound in January and are still being served. All 4 students have a recommendation from a Medical Doctor, and Homebound placement was recommended by either the ARD committee or 504 committee.

Due to the current health situation, no teachers/staff will enter the student homes, these students will be served virtually. This would be provided through “Google Hangout” via the Chromebook by the homebound teacher. The students have access to a Chromebook provided by the district.

When the student is in attendance via Google Hangout, with an approved waiver, they can be counted as “present” for their remote time of instruction and therefore eligible for state funding.

Fiscal Note:

There is no additional cost to the district to provide this instruction.
