Discussion and Possible Action to Approve an Order Approving Early Voting and Election Day Voting Sites and Other Matters in Connection with the May 2, 2026 Trustee District Nine Election

Presented to the Board Acting as Committee of the Whole on April 14, 2026 and now presented to the Board for approval at a regular meeting on April 21, 2026.

MINUTE ORDER:

“The Board hereby approves the attached Order approving early voting and election day voting sites and other matters in connection with the May 2, 2026 Trustee District 9 election.”

PURPOSE:

To approve the Early Voting and Election Day voting sites as designated by Bexar County under the Countywide Polling Place Program and other matters in connection with the May 2, 2026 election for Trustee District Nine.

BACKGROUND:

On January 20, 2026, the Board called a general election on the Uniform Election Date of Saturday, May 2, 2026 to elect Trustees for single-member Districts 4, 8, and 9, whose terms expire in May 2026. The Board also approved that the Trustee election be conducted by Bexar County under a Contract for Election Services. On March 17, 2026, the Board cancelled the May 2, 2026 Trustee election for Districts 4 and 8 because the incumbents were unopposed and ordered the election to proceed as to Trustee District 9. The Board also approved the execution of the Contract for Election Services with Bexar County and payment required. Bexar County is participating in the Countywide Polling Place Program, implemented by the Texas Secretary of State and authorized by Texas Election Code §43.007, which has the effect of reducing the number of voting sites and election costs and allows voters to vote at any voting site(voting center, polling place) on Early Voting days and Election Day.

IMPLICATIONS:

Financial: Estimated pro rata share of \$54,855.06 with deposit of \$27,427.53, excluding cost of any runoff election for District 9

- C.1.4 – Budget Policy

- Institutional Excellence and Continuous Improvement

AlamoFORWARD

- Performance Excellence

SETTING THE STAGE FOR FY27

ENROLLMENT GROWTH OUTPACING REVENUE GROWTH

Property Tax Rate

- Overall rate unchanged since FY13 at \$0.149150 per \$100 of valuation

Affordable Tuition

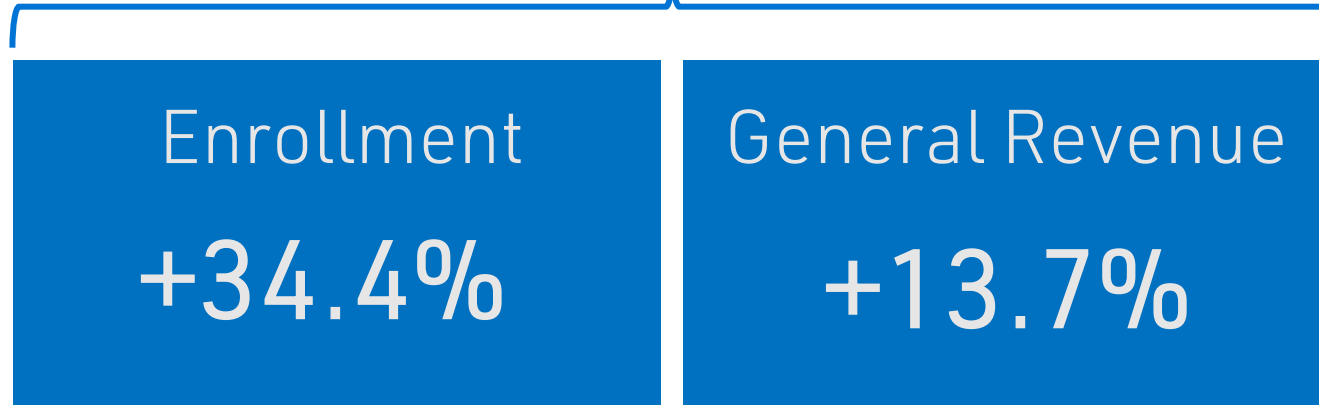

- General tuition rate unchanged since FY19
- BOOKS+ \$10 Instructional Material fee rolled into tuition in FY24

HB8 Performance Funding

- Degrees & Certificates +32% (AY2025 v AY2024)
- State Funding is not keeping pace with our performance

ENROLLMENT & REVENUE TRENDS

FY24 – FY27 (proposed)

HB8 performance funding began in FY24. Since that time, ACD's duplicated enrollment growth has outpaced revenue growth by 2.5 times.

RECAP: FY26 ADOPTED ALL FUNDS BUDGET

FY26 Preparing for Growth

The FY26 budget was adopted to fund our moonshot while supporting the fast-growing San Antonio region with a \$1 Billion all funds budget, including the overwhelming community-supported \$987B bond.

+10.2% Enrollment

+5.7% Operating Revenue

General Operating	\$558.9M
Restricted	<u>\$489.8M</u>
TOTAL ALL FUNDS	\$1,048.7M

PROPERTY TAX: OPPORTUNITIES & CHALLENGES

Positioning ACD for sustainable enrollment & fiscal growth

FY27 First Look

\$276.8M
+\$7.9M vs FY26
48.3% of Total

Key Drivers:

- Bexar County property valuations
- Board-adopted tax rate (August 2026)
- Provides funding for a wide range of operational costs including Facilities, Preventive Maintenance, Fringe Benefits, Enterprise-wide Costs, Core Operations

Property Tax

Bexar County valuation growth has slowed, resulting in **modest net new resources** to support our students and community

Potential state-level restrictions looming in the upcoming legislative session, **limiting our ability to adjust rates** in the future

STATE APPROPRIATIONS: OPPORTUNITIES & CHALLENGES

Positioning ACD for sustainable enrollment & fiscal growth

FY27 First Look
\$129.2M
+\$3.8M vs. FY26
22.5% of Total

State Funding

ACD metrics excel regarding HB8 funding based on **performance and completion**

THECB funding formulas continue to evolve, creating **uncertainty as to what level of funding** we can expect going forward

Key Drivers:

- Performance metrics, including degrees & certificates awarded, dual credit completion, transfers
- Includes FAST funds that directly support dual credit & high school programs
- Includes the State’s portion of employee benefits for TRS (pension) and ERS (group health)

TUITION: OPPORTUNITIES & CHALLENGES

Positioning ACD for sustainable enrollment & fiscal growth

FY27 First Look

\$132.9M

+\$9.7M vs. FY26

23.2% of Total

Key Drivers:

- Projected Semester Credit Hours (1.4M)
- Board-adopted tuition rates (March 2026)
- Includes Exemptions & Waivers of -\$41.1M

Tuition

Affordable tuition rates allows ACD to be **accessible** to our growing learner base

As codified in SB1, **a freeze on tuition rates limits options to sustain ACD's growth**, as we near 100k in duplicated enrollment

Discussion and Possible Action on Approval of Monthly Report on Cooperative Purchases in Excess of \$200,000

Presented to the COTW for approval on **April 14, 2026**, and at the regular Board Meeting for approval on **April 21, 2026**.

MINUTE ORDER

“The Alamo Colleges District Board of Trustees hereby approves the monthly Cooperative Purchase Report as presented.”

PURPOSE

The purpose of this Minute Order is to provide a monthly report of purchases exceeding \$200,000 and any fees charged by the various local, state, and national providers of Cooperative Purchasing (COOP) programs during February and March of 2026. Not all COOP programs charge fees, and some COOP's offer cash rebates paid directly to Alamo Colleges. The Purchasing and Contract Administration Department utilizes the COOP programs to gain greater access to goods and services, cost savings through leveraged buying, and reduced administration costs by issuing fewer competitive bids and proposals. The combined buying power of public institutions throughout the State of Texas nationally translates into savings and provides an efficient, cost effective and legal means for providing goods and services to departments throughout the Alamo Colleges in an expedited fashion.

BACKGROUND

Vendor contracts awarded through approved federal, state, or cooperative purchasing agreements are a statutorily approved alternative to competitively procured vendor contracts. Only the following contract purchases require prior Board approval:

- a. Purchases valued at \$200,000 or more in any 12-month period that will result in additional gross square footage (permanent or otherwise) that will require cleaning and maintaining and have at least two utilities present.
- b. Purchases valued at \$200,000 or more in any 12-month period that in the judgment of the Chancellor or Purchasing & Contract Administration would commit the College District or one of the colleges to an entirely new technology that would be pervasive for subsequent years.

For any cooperative purchasing contract valued at \$25,000 or more, Purchasing & Contract Administration shall document any contract-related fee, including any management fee. At least annually, Purchasing & Contract Administration shall present a written report regarding any contract-related fees, including any management fees, to the Board of Trustees at a properly posted open meeting.

Discussion and Possible Action on Engagement of Independent Audit Firm for FY2026 Audit and Review Services

Presented to the Board Acting as Committee of the Whole on April 14, 2026 and now presented to the ALAMO COLLEGES DISTRICT BOARD OF TRUSTEES for approval on April 21, 2026.

MINUTE ORDER

“The Board of Trustees authorizes execution of a one-year engagement letter, which is the fourth year engagement under a five-year contract with Clifton Larson Allen, LLP., providing for the purchase of independent financial audit services for the Alamo Colleges District for Fiscal Year 2026 in an amount not to exceed \$328,431 (\$160,083 or 49% covers required Federal and State Single Audits); and the Board authorizes execution of a one-year engagement letter with Clifton Larson Allen, LLP. to provide independent financial review services for San Antonio College, St. Philip’s College, Palo Alto College, Northwest Vista College and Northeast Lakeview College for Fiscal Year 2026 in an amount not to exceed \$60,845 as requested by the office of the Associate Vice Chancellor for Finance and Fiscal Services.”

PURPOSE

State statute requires an annual audit by independent certified public accountants. The purpose of the independent audit is to provide assurance, based on independent review and testing, that the basic financial statements and accompanying notes are fairly stated in all material aspects in accordance with generally accepted accounting principles applicable to financial audits contained in the Government Auditing Standards. The audit is also designed to meet the requirements of the Federal Single Audit Act Amendments of 1996 and OMB Uniform Guidance “Super Circular” and the State Single Audit related to the Texas Grant Management Standards. This action also provides for additional services required by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to provide financial information required under accreditation standards.

BACKGROUND

In May 2023, a contract was awarded providing for the purchase of Financial Audit and Other Attestation Services. By execution of the Services Agreement dated September 2023, Clifton Larson Allen, LLP. was engaged as independent auditors through the August 31, 2027 audits. This contract action authorizes an annual engagement letter to delineate all project deliverables for the FY2026 audit and represents the fourth-year engagement under a five-year contract for independent audit services for Alamo Colleges District. The fees cover up to three (3) major programs under the federal and state single audit requirements. A 3%-5% increase for each year of the five-year contract is permitted.

The amounts shown represent the Alamo Colleges District’s best estimates for a one-year period. The amount paid will be based on the services required and substantially based on the scope of work and the contract prices. The authorizations included in this action begin upon award and terminate March 31, 2027. The Board of Trustees will consider and approve each year separately to renew upon mutual consent of Clifton Larson Allen, LLP. and the Alamo Colleges District.

IMPLICATIONS

Financial: Not to exceed \$328,431 for the FY2026 Audit Engagement Letter, and not to exceed \$60,845 for the FY2026 Review Engagement Letter. Funding will be provided from operational funds.
