Discussion and Possible Action to Approve an Order Approving Early Voting and Election Day Voting Sites and Other Matters in Connection with the May 2, 2026 Trustee District Nine Election

Presented to the Board Acting as Committee of the Whole on April 14, 2026 and now presented to the Board for approval at a regular meeting on April 21, 2026.

MINUTE ORDER:

“The Board hereby approves the attached Order approving early voting and election day voting sites and other matters in connection with the May 2, 2026 Trustee District 9 election.”

PURPOSE:

To ratify the Early Voting sites and to approve the Election Day voting sites as designated by Bexar County under the Countywide Polling Place Program and other matters in connection with the May 2, 2026 election for Trustee District Nine.

BACKGROUND:

On January 20, 2026, the Board called a general election on the Uniform Election Date of Saturday, May 2, 2026 to elect Trustees for single-member Districts 4, 8, and 9, whose terms expire in May 2026. The Board also approved that the Trustee election be conducted by Bexar County under a Contract for Election Services. On March 17, 2026, the Board cancelled the May 2, 2026 Trustee election for Districts 4 and 8 because the incumbents were unopposed and ordered the election to proceed as to Trustee District 9. The Board also approved the execution of the Contract for Election Services with Bexar County and payment required. Bexar County is participating in the Countywide Polling Place Program, implemented by the Texas Secretary of State and authorized by Texas Election Code §43.007, which has the effect of reducing the number of voting sites and election costs and allows voters to vote at any voting site(voting center, polling place) on Early Voting days and Election Day.

IMPLICATIONS:

Financial: Estimated pro rata share of \$54,855.06 with deposit of \$27,427.53, excluding cost of any runoff election for District 9

Subject: Recommendation for Naming of Alamo Colleges District Property at ACCESS

This memorandum is submitted to support the naming of Alamo Colleges District property at ACCESS, specifically the Student Welcome Center, as the Carlos Alvarez Family Welcome Center.

Alamo Colleges students have significantly benefited from the generosity and longstanding commitment of the Carlos Alvarez Family. Their philanthropic leadership has strengthened student access, success, and completion across the District and has meaningfully advanced the mission of expanding educational opportunities within our community.

Most recently, the Carlos Alvarez Family, through the Impetus Foundation, pledged \$2 million in support of AlamoPROMISE. This commitment builds upon a previous gift of \$1.5 million, demonstrating their sustained investment in student achievement and workforce development initiatives that directly impact the lives of Alamo Colleges students.

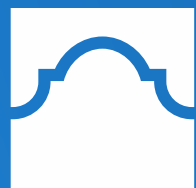

Naming the Student Welcome Center in honor of the Carlos Alvarez Family appropriately recognizes their exceptional generosity, enduring partnership, and transformative contributions. As a primary point of entry for students and visitors, the Welcome Center symbolizes access, opportunity, and support. These are values that closely reflect the family's dedication to education and community advancement.

The ACCESS Institutional Advancement respectfully recommends approval of this naming designation to acknowledge the Carlos Alvarez Family's continued commitment to empowering students and strengthening the future of our community.

MEMORANDUM

TO: Dr. Francisco Solis, President, San Antonio College

DATE: January 27, 2026

SBJ: Justification for naming SAC Empowerment Center Dream Leadership Center in honor of Woman's Club

It is with deep gratitude and pride that the San Antonio College Empowerment Center submits this letter to formally justify the naming of the Empowerment Center's Dream Leadership Center in honor of the Woman's Club of San Antonio.

This spring, the Empowerment Center celebrates 45 years of service, advocacy and impact. Over its span of existence, the department has provided comprehensive services and programs to meet the many unique needs of our target populations with the goal of maximizing opportunities and providing vital resources to at-risk, non-traditional adult learners who often have limited access to education.

Since 2011, the Woman's Club of San Antonio has demonstrated an extraordinary and unwavering dedication to educational access and student success through its generous scholarship and other support of Empowerment Center students. Over the past 15 years, the Woman's Club has donated \$233,000 in scholarship assistance, directly benefiting 233 students. Each scholarship represents not only financial assistance but also belief in the potential, resilience and leadership capacity of our students. Their support has been consistent, even as leadership has changed hands, which is a testament to their dedication to Empowerment Center students.

The SAC Empowerment Center serves some of the most vulnerable students on our campus. This includes foster youth, student parents, international students, refugees and English language learners. Most are low-income and first-generation college students, and many are women who are escaping domestic violence. The impact of the Woman's Club support has been tremendous. Many of these scholarship recipients have gone on to become educators, healthcare professionals and community leaders, carrying on the Club's mission of empowerment and service. The attachment included with this memorandum contains student letters and other information which speak to the impact of their support.

Furthermore, the impact of their support extends far beyond the monetary value. The Woman's Club members have also engaged with the department to understand the needs of our students, and they have worked with our staff to try to address them. In the early days of the partnership, the Woman's Club hosted lunches for students in the GED to College Program. They also offered us the use of the historic Woodward House as the site for Empowerment Center events at no charge. They have often offered to mentor Empowerment Center students and have welcomed them warmly to their Club twice a year for brunches, when scholarships are announced at the beginning of the academic year and in December to congratulate students on their successful semester. Recognizing the need for these students to build community, Club members have also provided workshops on networking and opportunities for the student scholarship scholars to meet, even during Covid.

Woman's Club members are true role models for our students, demonstrating to them compassionate leadership, leading with kindness, empathy and understanding. They are deeply concerned with the obstacles our students face and are "all in" in their approach to alleviating them. Their example encourages our students, particularly women, to lead with compassion and purpose.

Naming the Dream Leadership Center in honor of the Woman's Club of San Antonio is a meaningful and lasting way to recognize this legacy of service and generosity. The Dream Leadership Center is a space dedicated to empowerment, leadership development and transformation - values that closely align with the mission and longstanding civic leadership of the Woman's Club. The naming would ensure that every student who enters the center is reminded that their dreams are supported by a community that believes in education as a pathway to opportunity and change.

This recognition not only honors the past contributions of the Woman's Club of San Antonio but also celebrates an enduring partnership that continues to shape the future of Empowerment Center students. The San Antonio College Empowerment Center is proud to recommend this naming as a tribute befitting the Woman's Club's remarkable impact and commitment to student success.

Thank you for your thoughtful consideration of this request.

Dear Women's Club Members,

I am writing to express my deepest gratitude for making this gift possible. Receiving this scholarship means more to me than words can express, and I am truly honored to have been chosen.

This support means so much to me and will greatly help me continue my education at Alamo Colleges. My journey to higher education has not been an easy one. I have faced several financial challenges and have had to balance school with caring for my family, but these responsibilities have pushed me to work hard and stay focused on my goals. Balancing these responsibilities has taught me discipline, compassion, and perseverance.

These experiences have shaped who I am today and inspired me to keep working toward completing my major in English. I believe education is the key to changing not only my own future but also the future of my family and community. In the classroom, I meet people who are much younger than me, but they have helped me stay involved in activities that strengthen both my leadership and character.

After completing my time at Alamo Colleges, I will continue to contribute to the community and make a positive impact by helping others, working locally, and advancing in my field. This scholarship will have a significant impact on my life—it lightens the financial burden of tuition and allows me to focus more fully on my education. Your generosity and belief in my potential have not only provided financial support but also encouragement to continue striving toward my dreams with confidence.

Thank you again for believing in me and investing in my future. I am truly grateful for this opportunity and will work hard to honor the trust you have placed in me and give back to the community.

With sincere appreciation,

I hope this message finds you well. I am writing to express my deepest gratitude for awarding me your generous scholarship. It is truly an honor to have been selected by such an inspiring organization that uplifts and empowers women through education.

Your support has made a meaningful impact on my life. This scholarship has helped ease the financial burden of college and has allowed me to focus more fully on my studies and personal growth. Knowing that there is a group of strong, compassionate women who believe in my potential has given me even more motivation to work hard, stay focused, and pushed forward toward graduation.

I'm proud to share that, thanks to your support, I was able to graduate this past May with an Associates of Arts in Spanish. I am excited to let you know that I will be transferring to the University of Texas at San Antonio this upcoming spring to pursue a Bachelor's degree in Multidisciplinary Studies.

Please find attached the Alamo Colleges District Police Department's Monthly CLERY Act activity report through March 2026 and the yearly totals summary page. Please note that the report reflects new CLERY reporting activity categories enacted in 2008 and required beginning in 2009 when a bias motivation is present, including the Theft / Larceny category, which was not part of the previous CLERY reporting requirement; however, it was previously included for informational purposes. None were motivated by bias or hate. The CLERY Act was amended in 2011, effective for reporting year 2011, to include reports received for Simple Assault that are motivated by bias or hate. Simple Assaults are included in this report for information purposes; however, none were motivated by bias or hate. The CLERY Act was amended in 2014 as per VAWA and Campus SAVE Acts, effective 2015, to include reports of Domestic Violence, Dating Violence, and Stalking.

Burglary of a motor vehicle is considered a theft from a vehicle under Uniform Crime Reporting definitions and therefore is included in the Theft category for CLERY purposes. For CLERY reporting purposes the Theft / Larceny category includes all thefts and burglary of motor vehicle reports made to the Alamo Colleges District Police Department and is reported as one total when reported to the Department of Education and published by the Department in its annual report. They have, however, been separated for this report.

Theft totals listed on this report include all thefts of district property and personal property belonging to students, faculty and staff reported to the Alamo Colleges District Police Department.

"The vision of the Alamo Colleges Police Department is To Be The Best in The Nation" while fulfilling its mission of providing a safe environment through a high level of proficiency in which all members of the District community may work, teach, study and learn. This department, in the daily performance of its function, stresses: Service, the protection of life, property and investment, the security of the campuses, and the pursuit of excellence in campus law enforcement and safety.

Discussion and Possible Action on Approval of Monthly Report on Cooperative Purchases in Excess of \$200,000

Presented to the COTW for approval on **April 14, 2026**, and at the regular Board Meeting for approval on **April 21, 2026**.

MINUTE ORDER

“The Alamo Colleges District Board of Trustees hereby approves the monthly Cooperative Purchase Report as presented.”

PURPOSE

The purpose of this Minute Order is to provide a monthly report of purchases exceeding \$200,000 and any fees charged by the various local, state, and national providers of Cooperative Purchasing (COOP) programs during February and March of 2026. Not all COOP programs charge fees, and some COOP's offer cash rebates paid directly to Alamo Colleges. The Purchasing and Contract Administration Department utilizes the COOP programs to gain greater access to goods and services, cost savings through leveraged buying, and reduced administration costs by issuing fewer competitive bids and proposals. The combined buying power of public institutions throughout the State of Texas nationally translates into savings and provides an efficient, cost effective and legal means for providing goods and services to departments throughout the Alamo Colleges in an expedited fashion.

BACKGROUND

Vendor contracts awarded through approved federal, state, or cooperative purchasing agreements are a statutorily approved alternative to competitively procured vendor contracts. Only the following contract purchases require prior Board approval:

- a. Purchases valued at \$200,000 or more in any 12-month period that will result in additional gross square footage (permanent or otherwise) that will require cleaning and maintaining and have at least two utilities present.
- b. Purchases valued at \$200,000 or more in any 12-month period that in the judgment of the Chancellor or Purchasing & Contract Administration would commit the College District or one of the colleges to an entirely new technology that would be pervasive for subsequent years.

For any cooperative purchasing contract valued at \$25,000 or more, Purchasing & Contract Administration shall document any contract-related fee, including any management fee. At least annually, Purchasing & Contract Administration shall present a written report regarding any contract-related fees, including any management fees, to the Board of Trustees at a properly posted open meeting.

Discussion and Possible Action on Engagement of Independent Audit Firm for FY2026 Audit and Review Services

Presented to the Board Acting as Committee of the Whole on April 14, 2026 and now presented to the ALAMO COLLEGES DISTRICT BOARD OF TRUSTEES for approval on April 21, 2026.

MINUTE ORDER

“The Board of Trustees authorizes execution of a one-year engagement letter, which is the fourth year engagement under a five-year contract with Clifton Larson Allen, LLP., providing for the purchase of independent financial audit services for the Alamo Colleges District for Fiscal Year 2026 in an amount not to exceed \$328,431 (\$160,083 or 49% covers required Federal and State Single Audits); and the Board authorizes execution of a one-year engagement letter with Clifton Larson Allen, LLP. to provide independent financial review services for San Antonio College, St. Philip’s College, Palo Alto College, Northwest Vista College and Northeast Lakeview College for Fiscal Year 2026 in an amount not to exceed \$60,845 as requested by the office of the Associate Vice Chancellor for Finance and Fiscal Services.”

PURPOSE

State statute requires an annual audit by independent certified public accountants. The purpose of the independent audit is to provide assurance, based on independent review and testing, that the basic financial statements and accompanying notes are fairly stated in all material aspects in accordance with generally accepted accounting principles applicable to financial audits contained in the Government Auditing Standards. The audit is also designed to meet the requirements of the Federal Single Audit Act Amendments of 1996 and OMB Uniform Guidance “Super Circular” and the State Single Audit related to the Texas Grant Management Standards. This action also provides for additional services required by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to provide financial information required under accreditation standards.

BACKGROUND

In May 2023, a contract was awarded providing for the purchase of Financial Audit and Other Attestation Services. By execution of the Services Agreement dated September 2023, Clifton Larson Allen, LLP. was engaged as independent auditors through the August 31, 2027 audits. This contract action authorizes an annual engagement letter to delineate all project deliverables for the FY2026 audit and represents the fourth-year engagement under a five-year contract for independent audit services for Alamo Colleges District. The fees cover up to three (3) major programs under the federal and state single audit requirements. A 3%-5% increase for each year of the five-year contract is permitted.

The amounts shown represent the Alamo Colleges District's best estimates for a one-year period. The amount paid will be based on the services required and substantially based on the scope of work and the contract prices. The authorizations included in this action begin upon award and terminate March 31, 2027. The Board of Trustees will consider and approve each year separately to renew upon mutual consent of Clifton Larson Allen, LLP. and the Alamo Colleges District.

IMPLICATIONS

Financial: Not to exceed \$328,431 for the FY2026 Audit Engagement Letter, and not to exceed \$60,845 for the FY2026 Review Engagement Letter. Funding will be provided from operational funds.

Discussion and Possible Action on Approving an Amendment Extending the Term of the AlamoBOOKS+ Contract with Barnes & Noble College Booksellers

Presented to the Board for approval on March 21, 2026.

MINUTE ORDER

"The Board of Trustees hereby approves the Fourth Amendment to the AlamoBOOKS+ contract with Barnes & Noble College Booksellers substantially in the form attached.

PURPOSE

To add provisions favorable to the College District and to extend the length of the contract term the AlamoBOOKS+ contract with Barnes & Noble College Booksellers.

BACKGROUND

The Board in May 2021 approved a campus bookstore agreement with Barnes & Noble College Booksellers ("BCNB") which included a leased textbook option. This option was exercised by amendment effective Spring 2022, establishing the AlamoBOOKS+ program providing leased instructional materials directly to students.

The Agreement expires August 31, 2026. The fourth amendment presented for approval extends that term by 5 years, reduces the cost per credit hour from \$19.00 to \$16.50, increases facility rent paid by BNCB from \$177,000 to \$204,000 and increases annual donations by \$255,000, as well making other less significant clarifications and improvements.
