TUITION & FEES

GOVERNOR GREG ABBOTT

May 27, 2026

Dear College and University Presidents:

In November 2024, I directed all public institutions of higher education in Texas to freeze undergraduate tuition and fees for the 2025–2026 and 2026–2027 academic school years. This letter is intended to make clear that this directive remains fully in effect: No undergraduate tuition or fees should be increased in the forthcoming academic school year.

Higher education must be attainable for Texas students and families. Access to affordable, high-quality higher education is essential to ensure Texans learn the skills needed to secure family-sustaining jobs and meet the demands of a growing workforce.

I appreciate the legislature for codifying my prior directive to freeze undergraduate tuition and fees for general academic four-year institutions. I want to reemphasize that my directive applies to all public institutions of higher education. Tuition and fees will remain frozen through the 2026–2027 academic school year for all two-year and four-year institutions, including both general academic and health-related institutions.

Tuition and fees in Texas have been frozen since 2023, and the State of Texas has continued to make historic investments in higher education, including hundreds of millions of dollars in state financial aid programs and increased institutional funding to support affordability. In 2023, the State invested more than \$680 million to reform community college funding and expand degree pathways for students. In the 2025 budget cycle, the State also increased student financial aid funding by \$328 million to increase access to state financial aid programs for eligible students across Texas institutions. These investments ensure that higher education remains accessible and affordable for all Texans.

Texas must continue leading the nation in creating affordable pathways to higher education while maintaining the high academic standards that make our institutions strong. I look forward to working with the legislature next session to extend this freeze to future academic school years and to partner with institutions to identify additional opportunities to make higher education options more affordable, maintain high academic standards, and best position Texas students for future success.

Sincerely,

Greg Abbott
Governor

PROPERTY TAXES – Prior Legislation

Senate Bill 2 (86th Legislative Session)

- In 2019, Senate Bill 2 reduced the Voter-Approved Rate (Roll Back Rate) from 8% to 3.5% for cities and counties.
- This is applicable to the Maintenance and Operations (M&O) portion of the Property Tax Rate
- This applies to base value growth only and does not apply to new improvements added
- In reviewing the legislative history and background, there was cited a recognition by legislators that property tax revenue growth is important to sustain a quality of delivery of services
- Community Colleges and other special districts like hospital districts were not included in the reduced Voter-Approved Rate and continue to have access to 8% growth; however, this element of local authority is under constant threat at the state legislature.

C.1.3: Appropriations and Revenue
Sources

Organizational Charges to the Chancellor

1. AlamoFUTURE and 2025 Bond
9. Institutional Excellence and Continuous Improvement

AlamoFORWARD

- PERFORMANCE EXCELLENCE:
Delivering efficient and effective instruction, services, and operations.

Agenda

- Overview of Property Taxes & Calculated Rates
- Tax Year 2025/Fiscal Year 2025-26 Tax Rate
- Tax Year 2026/Fiscal Year 2026-27 Proposed Rate
- Next Steps

Current Tax Rate: Two Parts to the Tax Rate/Revenue

\$0.107760 M&O

- Facilities Maintenance and Operations (salaries, utilities, day-to-day operations, prev. mtn.)
- M&O revenues support Student Success Strategies and makes up 50% of overall General Revenue

\$0.04139 Debt

- Covers Principal and Interest on bonds issued and secured by the property tax revenues
- Includes Capital Improvement Program (CIP Gen. Obligation Bonds and Maintenance Tax Notes)
- Allow for calling of bonds and interest savings

Alamo Colleges District's Current Tax Rate of **\$0.149150**

\$0.107760 M&O + \$0.04139 Debt

External Factors Necessitating Increased Local Investment:

State Appropriation Reduction

\$16.6M below FY 27 Original Calculation

ACD will receive an estimated \$88.1M for FY27

Tuition and fee freeze

No flexibility to adjust tuition and fees for rising costs and growing enrollment.

Lost property value

\$3.5B lost value

Taxable value lost due to the Business Personal Property Tax increased exemption and approved housing Public Financing Corporations.

Reductions applied

Targeted reductions and other strategies narrowed the gap – but a deficit remained.

Property Tax Value Trends

Fall Enrollment Headcount

Preliminary Estimates

Preliminary Gap Without Tax Rate Increase

\$27 Million

Included \$263.2M in M&O Property Taxes

Preliminary With 1 ¼ Cent Increase

Balanced Budget with \$3.6M Reserve

Included \$291.5M in M&O Property Taxes

Certified Values

Certified Values Gap Without Tax Rate Increase

\$21.2 Million

Includes \$268.3M in M&O Property Taxes

Certified Values With 1 ¼ Cent Increase

Balanced Budget with \$9.3M Reserve

Includes \$297.2M in M&O Property Taxes

Certified Values With 1 ¾ Cent Increase

Balanced Budget with \$20.8M Reserve

Includes \$308.7M in M&O Property Taxes

Additional Local Investment 1.75 Cents

1

1.75¢ builds a stronger base for what's ahead

The state's Voter Approval Rate is highly anticipated to drop from 8% to 3.5% next legislative session. At 3.5% this year, we could have only raised the property tax rate about 9/10 of a cent – leaving a budget deficit requiring further cuts. The 1.75¢ rate increase allows funding for continued enrollment growth and a strategic reserve.

2

Enrollment continues to grow at a rapid pace

Reserves assist in funding continued exponential growth while maintaining the level of service and quality education our students and community expect.

3

FY28 and FY29 will bring more pressure

Continued state funding cuts and continued tuition/fee freezes are anticipated. Additional reserves now help absorb those future budget pressures.

Proposed Tax Rate: Two Parts to the Tax Rate/Revenue

\$0.12526 M&O

- Facilities Maintenance and Operations (salaries, utilities, day-to-day operations, prev. mtn.)
- M&O revenues support Student Success Strategies and makes up 50% of overall General Revenue
- Fund Continued Growth
- Strategic Reserve

Requested Board Action

Approve the MO to proceed with the tax year 2026 tax rate.
This requires reading the full motion, second, and roll call vote.

"I move that the property tax rate be increased, subject to a public hearing and subsequent final vote, by the adoption of a tax rate of \$0.166650/\$100 of assessed valuation for FY 2026/27, which is effectively an 11 percent increase in the tax rate, consisting of a Maintenance and Operations (M&O) tax rate of \$0.12526/\$100 of assessed valuation and a Debt levy tax rate of \$0.041390/\$100 of assessed valuation. These two actions result in a Combined tax rate of \$0.166650/\$100 of assessed valuation for FY 2026/27 which is more than the No-New-Revenue tax rate of \$0.153224/\$100 of assessed valuation and less than the Voter-Approval tax rate of \$0.166955/\$100 of assessed valuation. THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE. THE RATE WILL EFFECTIVELY BE RAISED BY 8 PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$17.50. The Board hereby ratifies its implied delegation to the Interim Vice Chancellor for Financial and Auxiliary Services or delegate to calculate the no-new-revenue tax rate and the voter-approval tax rate relying on the Bexar County Tax Assessor-Collector and hereby authorizes and directs the Interim Vice Chancellor or delegate to provide the public notices on appropriate dates as required by the Texas Tax Code. Following such notice, the Board of Trustees shall deliberate and vote on the final tax rate, within the applicable time frame set out in the Texas Property Tax Code."

PURPOSE

The Alamo Colleges District strives to make higher education readily affordable while making every effort to maintain its property tax rates at the lowest levels necessary to support the District’s fiscal needs and strategic priorities.

As presented during the FY2026-27 budget meeting, the District is proposing an increase to the property tax rate to support the adopted budget and the District’s continued growth, ongoing financial obligations and strategic initiatives.

BACKGROUND

For the 2026 tax year, Alamo Colleges District has developed a tax rate strategy designed to address the District’s fiscal needs while maintaining its strong financial position. The proposed tax rate includes the following:

- **Debt Tax Rate:** No change to the debt portion of the tax rate is proposed. Revenues generated from the existing debt tax rate are sufficient to fund required FY2027 debt service payments on Capital Improvement Program General Obligation Bonds and Maintenance Tax Notes.
- **Maintenance & Operations (M&O) Tax Rate:** An increase to the M&O portion of the tax rate is proposed, as presented during the FY2026-27 budget meeting. The additional M&O revenue will support a balanced operating budget and address inflationary cost pressures and strategic student success initiatives, including AlamoADVISE, AlamoPROMISE, and the continuation of AlamoBOOKS+, which funds instructional materials for students.

The proposed increase to the M&O tax rate will result in an increase to the District’s overall property tax rate. The proposed tax rate is intended to provide the resources necessary to support the District’s FY2026-27 operating budget while continuing to maintain the District’s commitment to affordability and responsible financial management. The proposed Combined tax rate is **\$0.166650/\$100** of assessed valuation. The recommended M&O tax rate of **\$0.125260/\$100** of

assessed valuation is higher than the current year calculated No-New-Revenue tax rate of **\$0.112798/\$100** of assessed valuation, and higher than the Voter- Approval rate of **\$0.121821/\$100** of assessed valuation. The Debt rate of **\$0.041390/\$100** of assessed valuation will raise the revenue needed for FY 2026/27 debt service payments and other actions per the approved FY 2027 Debt Management Plan. The Combined tax rate of **\$0.166650/\$100** is higher than the No- New-Revenue tax rate of **\$0.153224/\$100** of assessed valuation, and lower than the Voter-Approval rate of **\$0.166955/\$100** of assessed valuation.

IMPLICATIONS

Notice About 2026 Tax Rates

Property tax rates in ALAMO COMMUNITY COLLEGE DISTRICT. This notice concerns the 2026 property tax rates for ALAMO COMMUNITY COLLEGE DISTRICT. This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

This year's no-new-revenue tax rate	\$0.153224/ \$100
This year's voter-approval tax rate	\$0.166955/ \$100

Discussion and Possible Action on the 2026 Annual Risk Assessment and Proposed Fiscal Year 2027 Internal Audit Plan

Presented to the Board Acting as Committee of the Whole on August 11, 2026, and presented to the Board for approval on August 18, 2026.

MINUTE ORDER

"The Board of Trustees hereby approves the 2026 Annual Risk Assessment and Proposed Fiscal Year 2027 Internal Audit Plan."

PURPOSE

The Board tasked the Audit, Budget, and Finance Committee with reviewing the annual risk assessment and proposed audit plan. In accordance with Internal Audit Protocol C.1.2.1 (Procedure), these documents must be presented annually to the Board of Trustees for approval. The annual risk assessment identifies and prioritizes potential risk areas across the Alamo Colleges District and serves as the foundation for the Internal Audit Department's proposed audit plan for the upcoming fiscal year.

BACKGROUND

The Board of Trustees approved the Audit Committee and Internal Audit Charters, which require internal audit activities to be risk-based. In addition, the Institute of Internal Auditors' Global Internal Audit Standards require the Chief Audit Executive to perform an annual risk analysis as the basis for establishing audit priorities.

To inform this process, the Internal Audit Department interviewed Trustees, the Chancellor, College Presidents, Vice Chancellors, Associate Vice Chancellors, and selected Vice Presidents to gather leadership perspectives on the key risks facing Alamo Colleges District. Using this input, together with other relevant factors, including prior audit results, regulatory requirements, and institutional strategic priorities, the department developed a proposed audit plan focused on high-risk areas and value-added services. This plan encompasses both audit and non-audit engagements, including investigations, and advisory projects and reflects the prioritization commensurate with available resources and staff capacity.

Please find attached the Alamo Colleges District Police Department's Monthly CLERY Act activity report through July 2026 and the yearly totals summary page. Please note that the report reflects new CLERY reporting activity categories enacted in 2008 and required beginning in 2009 when a bias motivation is present, including the Theft / Larceny category, which was not part of the previous CLERY reporting requirement; however, it was previously included for informational purposes. None were motivated by bias or hate. The CLERY Act was amended in 2011, effective for reporting year 2011, to include reports received for Simple Assault that are motivated by bias or hate. Simple Assaults are included in this report for information purposes; however, none were motivated by bias or hate. The CLERY Act was amended in 2014 as per VAWA and Campus SaVE Acts, effective 2015, to include reports of Domestic Violence, Dating Violence, and Stalking.

Burglary of a motor vehicle is considered a theft from a vehicle under Uniform Crime Reporting definitions and therefore is included in the Theft category for CLERY purposes. For CLERY reporting purposes the Theft / Larceny category includes all thefts and burglary of motor vehicle reports made to the Alamo Colleges District Police Department and is reported as one total when reported to the Department of Education and published by the Department in its annual report. They have, however, been separated for this report.

Theft totals listed on this report include all thefts of district property and personal property belonging to students, faculty and staff reported to the Alamo Colleges District Police Department.

"The vision of the Alamo Colleges Police Department is To Be The Best in The Nation" while fulfilling its mission of providing a safe environment through a high level of proficiency in which all members of the District community may work, teach, study and learn. This department, in the daily performance of its function, stresses: Service, the protection of life, property and investment, the security of the campuses, and the pursuit of excellence in campus law enforcement and safety.

*The reports below include arrests by being booked into 201 N. Comal (The Justice Intake Assessment Annex), by being issued a citation (other than traffic), or by being detained and released with possible pending charges being filed with the Bexar County District Attorney's Office.

- 1) **SAC (080089 – Criminal Mischief)** On 07/01/2026, an officer was flagged down by housekeeping staff at the Fletcher Administration Building at San Antonio College. The staff member reported graffiti on one of the stalls in bathroom #203. The damage is estimated at \$20 in removal costs. There are no suspects available for this incident.
- 2) **SAC (080095 – Criminal Mischief)** On 07/02/2026, an officer was patrolling the San Antonio College when they were dispatched to one of the Science Building restrooms, #113. The officer arrived at the scene and observed that someone had etched into the surface of a mirror. The reporting party had already left, and there were no suspects for this incident. The Facilities Department was notified, and the damage is estimated at \$500.
- 3) **ACCESS (080101 – Burglary of Building)** On 07/05/2026, an officer was dispatched to Alamo Colleges Center of Excellence for Student Success for a burglary in progress. The officer responded and observed the vehicle as it was leaving the parking lot. The officer activated the lights and had dispatch broadcast the vehicle information over the air to surrounding agencies for support. The vehicle fled at a high rate of speed and was driving erratically. The officer discontinued pursuit for public safety reasons. The officer obtained the license plate information and returned to the scene. The padlock had been cut, but the subject hadn't taken anything from the storage area, confirmed by the Facilities supervisor. Criminal Investigations will be following up on the vehicle and possible suspect information.
- 4) **NLC (080117 – Criminal Mischief)** On 07/08/2026, an officer was dispatched to the trail at Northwest Vista College near the lake. Dispatch was given a description of the area of criminal mischief (a swastika etched into the concrete on a building). NVC facilities department was notified, and they estimated the damage at \$1,000. There are no suspects for this incident.
- 5) **SPC (080136 – Felony Theft)** On 07/13/2026, an officer was dispatched to the Campus Police Office at St. Phillip's College. An employee reported that someone had taken a 3D Scanner from her new office. The employee stated that she saw the scanner on Thursday 7/9, and when she returned on 7/13, it was gone. The video review showed several movers coming in and out of the room. The scanner is valued at \$7,000. This case is being handed over to the Criminal Investigations Division.
- 6) **ACCESS (080174 – Criminal Mischief)** On 07/22/2026, an officer was dispatched to Alamo Colleges Center of Excellence for Student Success. Upon arrival, the officer met with a female (non-student) who wanted to report that her vehicle had been damaged. She described the person she saw in the area who may have caused the damage. She was not sure who caused the damage, though. Officers searched the area and found a suspicious individual. The individual was interviewed and showed signs of mental decompensation. He was agitated and admitted to not taking his prescribed medication because he didn't need it. He also verbalized suicidal ideation. MedCom was called, and the male was transported to Center for Health Care Services for psychological evaluation.
- 7) **SAC (080194 – Harassment)** On 07/28/2026, a female (student) went to the Campus Police Office at the San Antonio College. The female wanted to report harassment from a male (student). The female states she instructed she did not want to have any contact with the male. This incident was referred to Student Behavior (SOBI) because it did not reach the level of illegal activity. His actions will be monitored for any continued or escalating behavior.
- 8) **SPC (080204 – Theft)** On 07/29/2026, while patrolling San Antonio College, the officer was dispatched to The Applied Science Building at St. Phillips College. A male staff member wanted to report the theft of two personal items that he had left on his bookshelf. The male stated he hadn't

moved the items because he was only moving to another office temporarily. He last saw the items on 7/20 and observed them missing on 7/29. There are no suspects in the missing items. Video will be reviewed to determine who may have taken the objects. The estimated value of the items is \$65.

Discussion and Possible Action on Approval of Monthly Report on Cooperative Purchases in Excess of \$200,000

Presented to the COTW on **August 11, 2026** and at the regular Board Meeting for approval on **August 18, 2026**.

MINUTE ORDER

“The Alamo Colleges District Board of Trustees hereby approves the monthly Cooperative Purchase Report as presented.”

PURPOSE

The purpose of this Minute Order is to provide a monthly report of purchases exceeding \$200,000 and any fees charged by the various local, state, and national providers of Cooperative Purchasing (COOP) programs during June and July of 2026. Not all COOP programs charge fees, and some COOP's offer cash rebates paid directly to Alamo Colleges. The Purchasing and Contract Administration Department utilizes the COOP programs to gain greater access to goods and services, cost savings through leveraged buying, and reduced administration costs by issuing fewer competitive bids and proposals. The combined buying power of public institutions throughout the State of Texas nationally translates into savings and provides an efficient, cost effective and legal means for providing goods and services to departments throughout the Alamo Colleges in an expedited fashion.

BACKGROUND

Vendor contracts awarded through approved federal, state, or cooperative purchasing agreements are a statutorily approved alternative to competitively procured vendor contracts. Only the following contract purchases require prior Board approval:

- a. Purchases valued at \$200,000 or more in any 12-month period that will result in additional gross square footage (permanent or otherwise) that will require cleaning and maintaining and have at least two utilities present.
- b. Purchases valued at \$200,000 or more in any 12-month period that in the judgment of the Chancellor or Purchasing & Contract Administration would commit the College District or one of the colleges to an entirely new technology that would be pervasive for subsequent years.

For any cooperative purchasing contract valued at \$25,000 or more, Purchasing & Contract Administration shall document any contract-related fee, including any management fee. At least annually, Purchasing & Contract Administration shall present a written report regarding any contract-related fees, including any management fees, to the Board of Trustees at a properly posted open meeting.

Discussion and Possible Action on the Adoption of Employee Holiday for Veterans Day

Presented to the Board of Trustees acting as a Committee of the Whole on August 11, 2026, and presented to the Board of Trustees for approval on August 18, 2026.

MINUTE ORDER

"In recognition of the Alamo Colleges District deep appreciation for all who have served our country, the Alamo Colleges District Board of Trustees hereby adopts Veterans Day as an official Alamo Colleges District employee holiday to be celebrated on November 11 each year."

PURPOSE

Recognition of Veterans Day as an official Alamo Colleges District holiday provides our institution and our employees have a full and certain opportunity to honor all who have served our country, including our currently enrolled veteran students and our veteran employees. Recognition of this day as an official holiday is befitting and very important to our veterans and many partners in the San Antonio military community who are in military service to our country.

BACKGROUND

Veterans Day (originally known as Armistice Day) is a federal holiday in the United States observed annually on November 11, for honoring military veterans of the United States Armed Forces. The United States Congress adopted a resolution on June 4, 1926, requesting that President Calvin Coolidge issue annual proclamations calling for the observance of November 11 as Armistice Day with appropriate ceremonies. Congress amended the bill on June 1, 1954, replacing "Armistice" with "Veterans", and it has been known as Veterans Day since.

Veterans Day will replace observation of the March 31st holiday discontinued in on March 18, 2026, at the direction of the Governor of the State of Texas to all state agencies.

IMPLICATIONS

Financial:	Reallocation of previous holiday designation
Strategic Priority:	Priority III – Community and Priority II – Talent
Talent Goal:	Goal 3 – We partner to create a culture and environment where all employees thrive and are valued.

Discussion and Possible Action on Approval of Contract Increase for Alamo Colleges District, Northeast Lakeview College – New Braunfels Facility Renovation Project

Presented to the Board Acting as Committee of the Whole on August 11, 2026 and to the Board for approval on August 18, 2026.

MINUTE ORDER

"The Board of Trustees hereby approves a \$300,000 increase of the Northeast Lakeview College New Braunfels facility renovation contract authority for a not to exceed value of \$11,000,340. Subsequent change orders will be issued subject to negotiation of terms acceptable to District counsel as requested by the Associate Vice Chancellor for Facilities Operations and Construction Management.

PURPOSE

The contract increase for Northeast Lakeview College New Braunfels facility renovation will allow the college to enhance the look of the exterior façade and increase the contingency held outside of the contract to address unforeseen conditions that may present an issue to achieving substantial completion.

BACKGROUND

The former call center facility was purchased in January 2025 with the intent to adapt it to NLC's intended educational uses. The New Braunfels Economic Development Corporation (NBEDC) contributed \$5 million towards that effort, which included the addition of more workforce program facilities and science laboratories. Delegation of Authority to award the contract was approved at the Regular Board on October 28, 2025. A construction services contract was signed by DL Bandy in January 2026 for \$10,190,800 with a 5% contingency held outside of the contract. Approval of this request would increase the contract authority to a maximum value of \$11,000,340.

Presented to Board acting as Committee of the Whole on August 11, 2026 and to the Board for approval on August 18, 2026.

MINUTE ORDER

"The Board of Trustees hereby delegates to the Chancellor or his designee the authority to award a contract to construct a Veterans Hall and Cafeteria at St. Philip's College, subject to the availability of eligible funding."

PURPOSE

To delegate authority to award a contract to construct a Veterans Hall and Cafeteria at St. Philip's College to provide enhanced services in support of the continued growth of the student, faculty, and staff population.

BACKGROUND

This project would complete the obligation of Title III funds by September 30, 2026 as advised by the US Department of Education and is envisioned as a single-story building located along the eastern edge of the St. Philip's College campus located between the Turbon Student Center and the Welcome Center in the location of the former Health and Fitness Center. The new Veterans Hall and Cafeteria will provide enhanced Veterans Affairs spaces, an opportunity for additional services for Veterans, and additional dining options for all staff, students, and visitors on campus.

Design of the facility was awarded to Stantec Architecture, Inc in March 2026. Vaughn Construction was awarded a contract to provide preconstruction services in June 2026 with the intent of awarding a Guaranteed Maximum Price (GMP) contract prior to the end of September 2026. This delegation of authority would allow final approval of the GMP prior to the September 2026 Board Meeting and allow the contract value to be encumbered prior to the end of the federal fiscal year in alignment with Title III funding requirements.

Discussion and Possible Action on the Purchase of Credit Mobility Platform

Presented to the Committee of the Whole for approval August 11, 2026 and now presented to the Board of Trustees August 18, 2026.

MINUTE ORDER

"The Board of Trustees hereby awards a contract to Sistema Technologies, Inc. providing for the purchase Credit Mobility Platform in the amount of \$360,200 as requested by the Office of the Vice Chancellor for Academic Success."

Sistema Technologies, Inc. will develop a Transfer Portal for transfer-out students with Alamo Colleges District's consortium of 22 partner institutions. This initiative is made possible through a grant from the Greater Texas Foundation.

PURPOSE

The online Transfer Portal will enhance the student transfer process by including Transfer Advising Guides (TAGs) and tools to apply and transfer credits from Alamo Colleges District to local 4-year institutions. The goal of the Portal is to facilitate the transfer of students to partner institutions. The focus of the TAGs is to ensure the applicability of transfer credits. TAGs provide students with a smoother transfer experience and an opportunity to reduce credit loss.

BACKGROUND

Currently, the Transfer Advising Guide (TAG) development is a labor-intensive process at Alamo. Onboarding new partner institutions involves a lengthy, manual process of reviewing courses, generating TAG documents, conducting collaborative reviews and obtaining an agreement between the institutions. The Credit Mobility Solution will automate the creation of Transfer Articulation Guides, streamlining the drafting process by systematically generating guides based on predefined criteria and transfer agreements.

A notice soliciting Request for Proposals (RFP) was advertised in the San Antonio Express-News, La Prensa and the San Antonio Observer twice over a sixty-day period. Additionally, Purchasing and Contract Administration sent notices to 83 potential Offerors. The five responses received by the RFP deadline were evaluated by representatives from the Office of the Vice Chancellor for Academic Success, Vice Chancellor for Student Success, Vice Chancellor for Planning, Performance and Information Systems, and the Purchasing and Contract Administration department, considering the Alamo Colleges District 's requirements. As a result of this effort, a contract with Sistema Technologies, Inc. is recommended for award on a best value basis. Additionally, the contract awarded to Sistema Technologies, Inc. will support the Alamo Colleges District Small Business Enterprise (SBE) Program Aspiration Goal.
