REQUESTED BOARD ACTION

Approve purchase of Rolling Owner Controlled Insurance Program (ROCIP) Services with Arthur J. Gallagher Risk Services LLC

ALAMO COLLEGES DISTRICT

THANK YOU

Discussion and Possible Action on the Purchase of Rolling Owner Controlled Insurance Program Services

Presented to the Committee of the Whole for approval November 10, 2026, and now presented to the Board of Trustees November 17, 2026.

MINUTE ORDER
"The Board of Trustees hereby awards a contract to Arthur J. Gallagher Risk Management Services, LLC providing for the purchase of Rolling Owner Controlled Insurance Program Services in the amount of $1,425,000 as requested by the Office of the Vice Chancellor for Talent, Organization and Policy."

PURPOSE
To purchase administrative services to manage a Rolling Owner Controlled Insurance Program ("ROCIP") to allow the District to efficiently purchase insurance directly for appropriate construction projects.

BACKGROUND
Currently, the cost of insurance is incorporated into the Construction Manager at Risk ("CMAR") itemized project pricing based on the size, financial stability, loss history and undisclosed mark-up of each CMAR. The ROCIP will remove coverage gaps due to underinsured parties and shared coverage limits with other CMAR projects. Purchased insurance would include General and Excess Liability, Builder's Risk and Pollution Liability, and may include Workers' Compensation. Cost savings are anticipated.

A notice soliciting Request for Proposals (RFP) was advertised in the San Antonio Express-News, La Prensa and the San Antonio Observer twice over a forty-one-day period. Additionally, Purchasing and Contract Administration sent notices to 8 potential Offerors. The six responses received by the RFP deadline were evaluated by representatives from the Office of the Vice Chancellor for Talent, Organization and Policy, the Office of the Vice Chancellor for Facilities Services, the Office of Legal Services, and the Purchasing and Contract Administration department, considering the Alamo Colleges District 's requirements. As a result of this effort, a contract with Arthur J. Gallagher Risk Management Services, LLC is recommended for award on a best value basis.

IMPLICATIONS
Financial: $1,425,000

Strategic Plan: Performance Excellence
Goal 3: Ensuring our operations, facilities, and technology are sufficiently resourced to evolve with educational and workforce demands and innovations.

Rolling Owner Controlled Insurance Program (ROCIP)

Why ROCIP?

- Provides entities with multiple large construction projects the ability to manage cost.
- Allows ACD to optimize our purchasing power as a large organization and maximize funding through the 2025 Bond Program.
- Eliminates underinsured exposures and shared limits with other contractors' projects and provides consistent cost modeling.

Who is using ROCIP?

- University of Texas System has utilized ROCIP since 1997.
- Texas A&M University System has utilized ROCIP since 2013.

Rolling Owner Controlled Insurance Program (ROCIP)

What is ROCIP?

- A program where the owner (ACD) purchases the insurance coverage for its construction projects as opposed to the contractors (CMR/Subs) purchasing the insurance and including that cost in their bid.
- Includes insurance coverage for
  - Builder's Risk
  - Workers' Comp/Employer Liability
  - General Liability
  - Excess Liability
- A third-party ROCIP administrator can assist in deploying program across all new CIP projects.

Rolling Owner Controlled Insurance Program (ROCIP)

How is ROCIP funded?

- Funding will come directly from the CIP Bond, in-lieu of paying for the insurance through contractors.
- Removal of the insurance cost plus mark-up from each general contractor and subcontractor at the bidding stage results in funding being available to cover the owner-controlled insurance program.

ROCIP Administrator Selection

- ROCIP administrator will deploy program across all new CIP projects.
  - Create and deliver Insurance Manual for ROCIP
  - Broker and market for Insurance placement
  - Help develop and deliver construction safety manual
  - Contractor registration in ROCIP
  - Assist in Loss Control prevention and mitigation
  - Claims review, processing, and coordination on all insurance lines covered under the ROCIP
  - Continuous assessment of program value to ACD
- ACD issued an RFP 2026-0088 for ROCIP administrative services and received six (6) qualified proposals for review.
- Review committee recommends selection of Arthur J. Gallagher Risk Services LLC as ROCIP administrator.

REQUESTED BOARD ACTION

Recommend this item be forwarded for consideration and approval at the Regular Board Meeting for the purchase of Rolling Owner Controlled Insurance Program (ROCIP) Services with Arthur J. Gallagher Risk Services LLC

SUBJECT: ***MONTHLY ACTIVITY REPORT***

Please find attached the Alamo Colleges District Police Department's Monthly CLERY Act activity report through October 2026 and the yearly totals summary page. Please note that the report reflects new CLERY reporting activity categories enacted in 2008 and required beginning in 2009 when a bias motivation is present, including the Theft / Larceny category, which was not part of the previous CLERY reporting requirement; however, it was previously included for informational purposes. None were motivated by bias or hate. The CLERY Act was amended in 2011, effective for reporting year 2011, to include reports received for Simple Assault that are motivated by bias or hate. Simple Assaults are included in this report for information purposes; however, none were motivated by bias or hate. The CLERY Act was amended in 2014 as per VAWA and Campus SaVE Acts, effective 2015, to include reports of Domestic Violence, Dating Violence, and Stalking.

Burglary of a motor vehicle is considered a theft from a vehicle under Uniform Crime Reporting definitions and therefore is included in the Theft category for CLERY purposes. For CLERY reporting purposes the Theft / Larceny category includes all thefts and burglary of motor vehicle reports made to the Alamo Colleges District Police Department and is reported as one total when reported to the Department of Education and published by the Department in its annual report. They have, however, been separated for this report.

Theft totals listed on this report include all thefts of district property and personal property belonging to students, faculty and staff reported to the Alamo Colleges District Police Department.

*The reports below include arrests by being booked into 201 N. Comal (The Justice Intake Assessment Annex), by being issued a citation (other than traffic), or by being detained and released with possible pending charges being filed with the Bexar County District Attorney's Office.

Discussion and Possible Action on Approval of Monthly Report on Cooperative Purchases in Excess of $200,000

Presented to the COTW on **November 10, 2026,** and at the regular Board Meeting for approval on **November 17, 2026**

MINUTE ORDER
"The Alamo Colleges District Board of Trustees hereby approves the monthly Cooperative Purchase Report as presented."

PURPOSE
The purpose of this Minute Order is to provide a monthly report of purchases exceeding $200,000 and any fees charged by the various local, state, and national providers of Cooperative Purchasing (COOP) programs during October of 2026. Not all COOP programs charge fees, and some COOP's offer cash rebates paid directly to Alamo Colleges. The Purchasing and Contract Administration Department utilizes the COOP programs to gain greater access to goods and services, cost savings through leveraged buying, and reduced administration costs by issuing fewer competitive bids and proposals. The combined buying power of public institutions throughout the State of Texas nationally translates into savings and provides an efficient, cost effective and legal means for providing goods and services to departments throughout the Alamo Colleges in an expedited fashion.

BACKGROUND
Vendor contracts awarded through approved federal, state, or cooperative purchasing agreements are a statutorily approved alternative to competitively procured vendor contracts. Only the following contract purchases require prior Board approval:

a. Purchases valued at $200,000 or more in any 12-month period that will result in additional gross square footage (permanent or otherwise) that will require cleaning and maintaining and have at least two utilities present.
b. Purchases valued at $200,000 or more in any 12-month period that in the judgment of the Chancellor or Purchasing & Contract Administration would commit the College District or one of the colleges to an entirely new technology that would be pervasive for subsequent years.

For any cooperative purchasing contract valued at $25,000 or more, Purchasing & Contract Administration shall document any contract-related fee, including any management fee. At least annually, Purchasing & Contract Administration shall present a written report regarding any contract-related fees, including any management fees, to the Board of Trustees at a properly posted open meeting.

Discussion and Possible Action on Purchase of Professional Consulting Services for Budget Modeling

Presented to the Board Acting as Committee of the Whole on **November 10, 2026**, and now presented to the Board for approval on **November 17, 2026**.

MINUTE ORDER
"The Board of Trustees hereby awards a contract providing for the purchase of professional consulting services for budget model consulting to NACUBO Consulting and providing for a contract to be awarded to the next highest ranked proposal if the selected awardee does not negotiate a fair and reasonable price and terms acceptable to District counsel, as requested by the Office of the Vice Chancellor for Financial & Auxiliary Services."

PURPOSE
Purchase of professional consulting services for budget modeling.

BACKGROUND

The District currently allocates and manages budget across five independently accredited colleges operating under a shared Chancellor and District governance structure. Financial oversight and budget policy are coordinated through the Vice Chancellor of Financial and Auxiliary Services, the Associate Vice Chancellor of Financial Planning & Auxiliary Services, and the Chief Budget Officer.

The challenges of reduced state funding, limits on tuition and fees, and other legislative actions impacting property taxes have necessitated a comprehensive review of the current budget development process and allocation methodology to serve our students, the colleges, and the District. The District recognizes that any change to how budget is developed or allocated touches every college and central office and carries significant institutional, political, and operational weight. Colleges bring distinct enrollment patterns, program mixes, facilities, and strategic priorities that must all be balanced against the overall district needs.

The District is establishing the Budget Model Task Force to bring these perspectives together in a structured way and is seeking outside facilitation to ensure the process is objective, well-managed, and able to move toward consensus recommendations within a defined timeframe. The work has two phases: a current-state assessment and facilitated model design.

Qualifications were solicited from five well-qualified professional budget consultants, and four proposals were received, reviewed, and ranked.

IMPLICATIONS
Financial: District Operating Funds $169,000
