AGENDA TITLE:

Approve the TEA Low Attendance Waiver for Pride High School and AB Strawn Elementary School

BACKGROUND INFORMATION:

Districts or campuses may request a waiver to excuse any instructional days from average daily attendance (ADA) funding calculations that have attendance at least 10 percentage points below the last school year's overall average attendance due to inclement weather, health, or safety-related issues. On January 27, 2026 Lockhart ISD had a decline in the ADA for that particular day due to inclement weather. The ADA rate for Pride High School for 2024 - 2025 was 82.002% compared to the ADA rate on January 27, 2026 which was 55.88% and the ADA rate for AB Strawn Elementary School for 2024-2025 was 92.254% compared to the ADA rate on January 27, 2026 which was 81.06%, more than a 10% difference in attendance. If the waiver is approved, District funding will not be negatively impacted for this day.

AGENDA TITLE:

Review Renewal of Special Education Contracts

BACKGROUND INFORMATION:

The Special Education Department uses contracted services to service our students and their needs. These services are offered for Special Education students who meet the eligibility criteria and have an educational need. As per board policy and according to the Individuals with Disability Education Act (IDEA) federal law, all Special Education students must be considered for related services. The contracted service needs are within their budget, but the contracted services will exceed the \$100,000 mark, so it will require board approval.

Last year the Administration released an RFQ for these services and the board approved a one (1) year contract for a list vendors with four (4) additional one year renewals. The Administration would like to renew their contracts for a second year. The Administration will present the list of vendors to renew at the June 22nd board meeting.

Adult Meal Price Increase for School Nutrition Program

BACKGROUND INFORMATION:

The Texas Department of Agriculture (TDA) requires school districts to raise adult meal prices to comply with federal Paid Lunch Equity (PLE) and cost-recovery rules. These guidelines ensure that adult meals are fully funded by those who purchase them and are not subsidized by student meal funds, federal reimbursements, or other nonprofit food service resources.

AGENDA TITLE:

BACKGROUND INFORMATION:

The Truth-In-Taxation laws are published by the Texas Comptroller of Public Accounts. They include a planning calendar for advertising, as well as budget adoption and tax rate adoption guidelines.

The law requires that the board approve the tax rate to be published in a notice in the local newspaper, prior to budget adoption. Lockhart ISD's planned budget adoption is scheduled for June 22, 2026. The publication of the notice must be published no earlier than 30 days prior to the meeting and no later than 10 days prior to the meeting.

The certified tax rolls are not due to Lockhart ISD until July 25, 2026. The final tax rate will not be calculated until the Texas Education Agency certifies the maximum compressed tax rate on or before August 5, 2026. The tax rate must be adopted no later than 60 days after the receipt of the certified tax rolls or by September 30, 2026, whichever is later.

Depending upon the final values in the certified tax rolls, Lockhart ISD may have to re-publish the advertisement if the final proposed tax rate is higher than the June 2026 advertisement.

The Administration will be recommending for approval the proposed tax rates to be published for the Notice of Public Hearing to the Board on June 1, 2026, which must be publicized in June 2026, prior to adoption of the budget. The M&O maximum compressed rate is \$0.6819 per \$100. The I&S calculated rate is \$0.2880 per \$100. This would be a total tax rate of \$0.9699 for 2026. The rates are estimated rates for publication at this time. Once the district receives the certified values on July 25, 2026, the final debt service rate will be calculated. The Texas Education Agency will receive the certified values and calculate the final maximum compressed M&O rate for Lockhart ISD. As long as the total tax rate to be adopted is less than or equal what was advertised, no additional advertisement will be required.
