AGENDA TITLE:

Approve Comprehensive Annual Financial Report for the Fiscal Year Ended June 30, 2026

BACKGROUND INFORMATION:

Texas state law requires that a school district's comprehensive annual financial report (CAFR) be audited by an independent Certified Public Accountant. It further requires that the audit report be presented and approved by the school board prior to submission to the Texas Education Agency. The year the deadline to approve and submit the CAFR is November 27, 2026.

Lockhart ISD's comprehensive annual financial statement (CAFR) has been audited by the firm of Pattillo, Brown & Hill, LLP. Pattillo, Brown & Hill, LLP has issued an unmodified opinion on the financial statements. An unmodified opinion is the highest opinion that a school district can receive. A separate management letter accompanies the audit report and is for the use of the Board of Trustees and the Administration of Lockhart ISD.

AGENDA TITLE:

Wildflower Housing Handbook

BACKGROUND INFORMATION:

The District and Management will select residents using only the criteria in this handbook and will comply with all applicable federal, state, and local fair housing and civil rights laws, including:

The federal Fair Housing Act, which prohibits discrimination in housing on the basis of race, color, religion, sex, familial status, national origin, and disability. The Texas Fair Housing Act (Texas Property Code, Chapter 301), which protects the same seven classes. Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act, to the extent they apply to the District's housing program, which prohibit discrimination on the basis of disability. Title VI of the Civil Rights Act of 1964, to the extent it applies, which prohibits discrimination on the basis of race, color, or national origin in programs that receive federal financial assistance. Chapter 92 of the Texas Property Code, which governs residential tenancies, including the written tenant selection criteria required by Section 92.3515.

Once adopted by the Board of Trustees, this handbook is the District's written resident selection policy and is the version provided to applicants.

This handbook does not create a contract, a term or condition of employment, or a right to a home. Housing at the community is offered separately from employment and is subject to availability. The signed lease governs each tenancy; if this handbook and the lease conflict, the lease controls.

The framework is built around a single idea: separate the question of who qualifies from the question of who goes first. Household income determines which rent tier a household is eligible for. It does not determine rank. Rank comes from a published point score that carries the district's recruitment and retention priorities.

Review Draft Attendance Rezoning Map for Seawillow Middle School

BACKGROUND INFORMATION:

The Caldwell County voters approved a bond in May 2025. The purpose of bond was for meeting the needs of the fast-growing school population of Lockhart ISD. Part of the bond included a new middle school, now named Seawillow Middle School (SMS).

The Attendance Rezoning Committee has held three meetings since August 2026. The Deputy Superintendent will provide an update on their progress to date as well as present the two draft versions of the rezoning map options for the Board to consider for approval at the December 2026 meeting. The creation of these draft options were based on input provided by the community and staff through the ThoughtExchange Survey, two Town Hall Meetings, four Attendance Zone Chats in the End Zone and one virtual meeting.

AGENDA TITLE:

Review Seawillow Middle School Furniture Purchase

BACKGROUND INFORMATION:

The Administration is preparing to purchase furniture for Seawillow Middle School and is committed to providing staff and students with an opportunity to participate in the selection process. To gather feedback and evaluate available options, four pilot classrooms were established, each featuring a complete classroom furniture set provided by a different vendor.

Staff and students had the opportunity to use and evaluate the furniture over a one-month period. At the conclusion of the pilot, feedback was collected through a survey to help inform the Administration's final selections.

As we move forward with the selection process, the Administration will request formal quotes from vendors that include the cost of furniture, delivery, and installation. We anticipate bringing the proposed furniture purchases for the school's primary classroom spaces to the Board for consideration and approval at the December Board meeting. This timeline is important, as vendors have announced price increases beginning in January. Securing approval in December will allow the District to take advantage of current pricing and help manage overall project costs.

AGENDA TITLE:

Consider and/or Approve Renaming of Lockhart Junior High School to Lockhart Middle School

BACKGROUND INFORMATION:

With the opening of Seawillow Middle School in August 2027, Lockhart ISD has an opportunity to establish consistent naming conventions across its two middle school campuses.

At the October board meeting, Dr. Estrada discussed how the proposed change from Lockhart Junior High School to Lockhart Middle School would create consistency between the two campuses while reflecting terminology more commonly used in modern educational settings. The designation "middle school" also more accurately reflects the grade levels served and the developmental needs of students during this stage of their education.

This proposed name change would support a unified identity for both campuses as the district prepares for the opening of Seawillow Middle School.
