SUBJECT: Presentation of engage2learn Performance Management Routine

PRESENTER: Cynthia Wilson, Assistant Superintendent for Curriculum & Instruction

BACKGROUND INFORMATION

Under the Learning Acceleration Support Opportunities (LASO) Cycle 4 grant, Mission CISD has partnered with engage2learn (e2l) to implement the Leadership and Instructional Foundations for Texas (LIFT) framework. This strategic partnership establishes a comprehensive support system designed to integrate High-Quality Instructional Materials (HQIM) and leadership practices into daily campus operations, strengthening instruction and creating sustainable learning environments for all students.

The monthly Performance Management Routine slide presentations serve as the structured, data-driven backbone for these meetings. Grounded in shared operational norms—such as focusing on results, using facts-first data, and assigning explicit ownership for next steps—the presentation deck guides district and campus leaders through a multi-step analytical review of Celebrations, Instructional and Systems Readiness Reviews, Academic Performance Data Analysis, Observation/Coaching Feedback, and Actions with Next Steps.

Celebrating Nelda Lazos

I want to take a moment to celebrate your outstanding leadership and partnership during our **Lesson Rehearsal PLC**! Your willingness to co-facilitate and actively engage in the rehearsal process made a meaningful difference.

What stood out most was the intentionality and **depth of the feedback** you provided throughout the rehearsals. You went beyond simply observing by asking thoughtful questions, **identifying opportunities to strengthen instructional delivery**, and providing **actionable feedback** that teachers could immediately apply.

Your active involvement **modeled the value of instructional leadership** and reinforced the importance of rehearsal as a space for reflection, refinement, and professional growth. Thank you for your partnership, commitment to teacher development, and continued focus on improving student outcomes!

Stipend

The Superintendent shall recommend a stipend pay schedule as part of the annual compensation plan of the District. [See DEA]

Supplemental Duties

The Superintendent or designee may assign noncontractual supplemental duties to personnel exempt under the Fair Labor Standards Act (FLSA), as needed. [See DK(LOCAL)] The employee shall be compensated for these assignments according to the compensation plan of the District.

Incentive and Innovation Programs

The Superintendent shall have authority to submit plans and grant applications for incentive and innovation programs to TEA or other granting organizations on behalf of the Board. Incentive plans shall address teacher eligibility, including any exclusions.

Locally developed incentive programs, if any, shall be addressed in the compensation plan of the District.

Distribution of Nonschool Literature Permitted

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials not sponsored by the District or by a District-affiliated school-support organization shall not be sold, circulated, distributed, or posted on any District premises by any District employee or by persons or groups not associated with the District, except in accordance with this policy.

The District shall not be responsible for, nor shall the District endorse, the contents of any nonschool literature distributed on any District premises.

[See CPAB regarding use of the District's internal mail system and FNAA regarding distribution of nonschool literature by students.]

Limitations on Content

Nonschool literature shall not be distributed on District property if:

1. The materials are obscene, vulgar, or otherwise inappropriate for the age and maturity of the audience.
2. The materials endorse actions endangering the health or safety of students.
3. The materials promote illegal use of drugs, alcohol, or other controlled substances.
4. The distribution of such materials would violate the intellectual property rights, privacy rights, or other rights of another person.
5. The materials contain defamatory statements about public figures or others.
6. The materials advocate imminent lawless or disruptive action and are likely to incite or produce such action.
7. The materials are hate literature or similar publications that scurrilously attack ethnic, religious, or racial groups or contain content aimed at creating hostility and violence, and the materials would materially and substantially interfere with school activities or the rights of others.
8. There is reasonable cause to believe that distribution of the nonschool literature would result in material and substantial interference with school activities or the rights of others.

Prior Review

All nonschool literature intended for distribution on school campuses or other District premises under this policy shall be submitted to the director of public relations for prior review in accordance with the following:

1. Materials shall include the name of the person or organization sponsoring the distribution.

2. Using the standards found in this policy at Limitations on Content, the director of public relations shall approve or reject submitted materials within two school days of the time the materials were received.

Exceptions to Prior Review

Prior review shall not be required for distribution of nonschool literature in the following circumstances:

1. Distribution of materials by an attendee to other attendees at a school-sponsored meeting intended for adults and held after school hours;

2. Distribution of materials by an attendee to other attendees at a community group meeting held in accordance with GKD(LOCAL) or a noncurriculum-related student group meeting held in accordance with FNAB(LOCAL); or

3. Distribution for electioneering purposes during the time a school facility is being used as a polling place in accordance with state law [see BBBA].

All nonschool literature distributed under these exceptions shall be removed from District property immediately following the event at which the materials were distributed.

Even when prior review is not required, all other provisions of this policy shall apply.

Time, Place, and Manner Restrictions

Each campus principal shall designate times, locations, and means by which nonschool literature that is appropriate for distribution, as provided in this policy, may be made available or distributed to students or others at the principal's campus.

The Superintendent or designee shall designate times, locations, and means for distribution of nonschool literature at District facilities other than school campuses, in accordance with this policy.

Violations of Policy

Failure to comply with this policy regarding distribution of nonschool literature shall result in appropriate administrative action, including but not limited to confiscation of nonconforming materials and/or suspension of use of District facilities. Appropriate law enforcement officials may be called if a person refuses to comply with this policy or fails to leave the premises when asked. [See GKA]

Appeals

Decisions made by the administration in accordance with this policy may be appealed in accordance with the appropriate District complaint policy. [See DGBA or GF]

SUBJECT: Approval of 2026-2027 Targeted Improvement Plan (TIP) and Local Improvement Plans (LIPs) for campuses identified for School Improvement

PRESENTER: Cynthia Wilson, Assistant Superintendent for Curriculum & Instruction
Kim Risica, Executive Director for Special Programs & School Improvement

BACKGROUND INFORMATION

Under the State of Texas Accountability System, Targeted Improvement Plans (TIPs) are required for campuses with an overall rating of F, for campuses identified as Comprehensive Support and Improvement (CSI), or for grant compliance.

Local Improvement Plans (LIPs) are required for campuses with an overall rating of D under state accountability and/or federally identified as Targeted Support and Improvement (TSI) or Additional Targeted Support and Improvement (ATS). Campuses are identified based on student performance and accountability data.

Waitz Elementary has been identified as TSI; however, grant-compliance requirements require the campus to submit a Targeted Improvement Plan (TIP). K. White Jr. High, R. Cantu Jr. High, and Alton Memorial Jr. High are identified as TSI. Therefore, each of these three campuses is required to develop and submit a Local Improvement Plan (LIP).

ADMINISTRATIVE CONSIDERATIONS

The Targeted Improvement Plan (Waitz Elementary) and Local Improvement Plans (KWJH, RCJH, and AMJH)) were developed through the establishment of campus leadership teams that conducted comprehensive needs assessments. An analysis of student performance data informed the development of student outcome goals, school improvement strategies, key milestones, and structured progress-monitoring step-back meetings.

This process is an ongoing cycle of continuous improvement designed to meet established goals, improve student outcomes, and ultimately exit the school improvement identification process.

The Targeted Improvement Plan and Local Improvement Plans address all components required under state and federal law and are subject to Board approval. The Board of Trustees has had access to and has reviewed each improvement plan before the regular board meeting on November 18, 2026.

2026-2027 Targeted Improvement Plan

Needs Assessment, Stakeholder Engagement, and Additional Assurances

I assure that the campus named in this plan has conducted an on-site needs assessment in accordance with Texas Education Code (TEC) §39A.053 to determine the factors contributing to low performance and lack of progress. Examples of aligned diagnostics used may include, but are not limited to, the Effective Schools Framework (ESF) Diagnostic, the Effective District Framework Diagnostic, Texas Strategic Leadership (TSL) Landscape Analysis, or a locally developed needs assessment.

Yes

I assure that the locally conducted needs assessment met the requirements in Section §39A.053 of the Texas Education Code, and that the documentation of the needs assessment and supporting analyses is maintained locally and available upon request.

Yes

I assure that I will opt into joining the Texas Exchange for use of the Instructional Insights App and use it as the campus observation and feedback system for school year 26-27. Warning: If your campus does not plan to join the Exchange, then there must be a robust observation and feedback system in place or the TIP is likely to be denied.

No

Please upload artifacts demonstrating a robust observation and feedback system.

Waitz GroweLab Report.pdf

I assure that the Campus Intervention Team (CIT) has conducted a public meeting for this campus required to submit a Targeted Improvement Plan, in accordance with Texas Education Code (TEC) §39A.055(2), with the campus principal, members of the campus-level planning and decision-making committee, parents of students attending the campus, and community members residing in the district to review the campus performance rating and solicit input for the development of the Targeted Improvement Plan.

Yes

I assure that written notice of the required public meeting was provided to the parents of students attending the campus and posted on the campus website, in accordance with Texas Education Code (TEC) §39A.056, and that the notice included the date, time, and place of the meeting.

Yes

I assure that the board conducted a public hearing for this campus identified for school improvement, in accordance with Texas Education Code (TEC) §39A.055 and §39A.057, to notify the public of the campus's insufficient performance, the improvements in performance expected by the agency, and the intervention measures or sanctions that may be imposed if performance does not improve. I further assure that the board solicited public comment on the plan and that the plan was posted on the district website prior to the hearing.

Which, if any, program is your school system interested in to support this strategy?

LIFT, LIFT PLC Support

Please name any organizations you are currently working with to build capacity and support school improvement strategy implementation.

Engage2Learn

How many district staff members will be responsible for capacity building with this campus?

5

Please outline the projected costs required to implement the plan, including expenses for materials and staffing needed to support the strategy. Be sure to clearly specify the anticipated funding sources for each cost.

The campus was awarded the LIFT SI PLC support through LASO Cycle 4 in the amount of $120,000. This funding is being utilized to support Engage2Learn in the areas of capacity building, coaching support, and professional development.

If the strategy is contingent on a grant funding source, what is your alternative funding or implementation plan if you do not receive the grant? How would your district still support and execute this strategy?

The campus did receive the LIFT SI PLC Support Grant; however, at the end of the grant year, we may have the opportunity to capitalize on funding through LASO Cycle 5. In addition to that possibility, the campus also receives an annual Title 1 Part A allocation which could be used to continue to support some of those initiatives.

How will the campus or district redistribute talent and resources to proportionately support this campus's needs?

The campus will continue to focus on the Capacity building component of the LIFT deliverables to include the support of campus and district staff members.

How many instructional days are included in the 2026-2027 calendar?

175

Use the provided table to describe the campus's assessment plan, including the specific assessment tools that will be used, whether it is a district or campus assessment, frequency, and how the results of the assessment will be used.

Type of Assessment	Campus or District	Frequency	Purpose (how will these results be used)
Curriculum Based Assessment	District	Bi-Monthly	Data results will be used to continuously monitored to track individual student growth, identify TEKS mastery gaps, align TIER 1 instruction, and implement structured small-group intervention and re-teaching plans for target student populations.

Describe the campus system for monitoring student growth data, including how student growth data will be tracked and monitored.

The campus monitors student growth using an active digital growth tracker that is updated following each RLA Unit Assessments, Math Topic Quizzes, and Math Module Assessments. During PLC data meetings, administrators and teachers analyze student growth trajectories, tracked progress toward target goals, and adjust TIER 1 instruction and small-group interventions to ensure continuous academic growth.

What is the campus plan for student intervention and supporting students below grade level and in special populations?

Intervention and support for students below grade level and in special populations are provided through daily built in targeted MTSS Intervention Block. Teachers utilize data-driven action plans to make adjustments to individualized accommodations, scaffolds, and linguistic supports to address specific TEKS which are reviewed and monitored through PLC data meetings.

Will the campus implement a PLC structure?

Yes

How will PLCs be organized (by grade level, content area, etc.)?

PLCs are organized by grade level.

How frequently will PLCs occur?

PLCs are provided one time per week for 45-minutes.

Who will facilitate PLCs?

Engage2Learn Coach, Administrators, and Instructional and Assessment Strategist are the PLC facilitators.

Who is required to attend PLCs?

All teachers KN-5th grade and Special Education teachers.

Please describe the PLC protocol used at the campus. You may upload your PLC agenda as additional evidence to ensure clarity.

PLCs are planned according to campus needs and are focused on the Bluebonnet PLC Protocols of Lesson/Unit/Module Internalization, Lesson Rehearsals, and Student Work Analysis.

Capacity Building

Please describe your planned training/PD sessions for each role, including who delivers and who attends.

Role	Training/PD Description	Delivered By	Attended By
Principal	Product Training	Engage2Learn Coaches	Principal
Other Campus Admin (Assistant Principals, Instructional Coaches)	Product Training	Engage2Learn Coaches	Assistant Principal
Other Campus Admin (Assistant Principals, Instructional Coaches)	Product Training	Engage2Learn Coaches	Instructional and Assessment Strategist
Teacher	Product Training	Engage2Learn Coaches	Kinder-5th Grade Teachers

How will you differentiate training for inexperienced (less than 2 years in role) and/or ineffective teachers/leaders?

Teachers will receive individualized support through 1:1 instructional coaching, modeled lessons, and targeted practice with high-leverage strategies. Instructional and Assessment Strategists will directly co-plan and model Tier 1 instruction, while campus administrators will conduct weekly classroom observations, coaching and feedback cycles for teachers who are needing additional support. We currently do not have any teachers with less than 2 years in teaching.

What tool will be used to evaluate implementation of the training (for example, classroom walkthrough tool, leadership coaching tools)? What look fors will be included in this tool?

TEA Observation Tool, Companion Guide and Action Step Guide (RLA, Math, Agnostic Tools)

How frequently will each teacher receive an observation from an instructional leader or coach, and receive feedback?

Biweekly

What capacity building supports related to supporting students in special populations will teachers and administrators receive?

1. LPAC TEA Learn Modules
2. Bilingual department has provided various opportunities for teachers to attend trainings to better serve Emergent Bilingual Students.
3. MTSS Overview Training and MTSS TEA Learn Modules
4. Special Education department has provided trainings for teachers.
5. State Accommodation Training

Milestones

List 8-10 key milestones your campus will complete to implement this strategy. Milestones should span one year (August 2026 - August 2027). Milestones must represent specific, actionable implementation steps, not broad goals or general activities. Align milestones to key checkpoints: December 2026, May 2027, August 2027.

Milestone 1

Description – What specific action or deliverable will be completed?

Monitor completion of assessments related to the assessment calendar including (CBAs)

Timeline – By what checkpoint will this milestone be completed?

December 2026 (BOY → MOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators and Instruction and Assessment Strategist

Evidence of Completion – What artifact, data, or observable action will verify completion?

Aware data reports

Support Needed – What training, coaching, resources, or tools are required?

AWARE data reports, campus created data trackers and ColorBands

Milestone 2

Description – What specific action or deliverable will be completed?

Monitor completion of assessments related to the assessment calendar (including CBAs). Review student work samples following assessments.

Timeline – By what checkpoint will this milestone be completed?

December 2026 (BOY → MOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators and Instruction and Assessment Strategist

Evidence of Completion – What artifact, data, or observable action will verify completion?

Aware data reports, PLC Agenda

Support Needed – What training, coaching, resources, or tools are required?

AWARE data reports, campus created data trackers and ColorBands

Milestone 3

Description – What specific action or deliverable will be completed?

Provide support for SWR alongside instructional coaching.

Timeline – By what checkpoint will this milestone be completed?

December 2026 (BOY → MOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators and LIFT Coach

Evidence of Completion – What artifact, data, or observable action will verify completion?

Campus Agendas for Staff Development, Staff Meetings, and/or PLCs.

Support Needed – What training, coaching, resources, or tools are required?

Google Drive, Google Calendar

Milestone 4

Description – What specific action or deliverable will be completed?

Mid-Year SWR Reset. Provide support for SWR alongside instructional coaching

Timeline – By what checkpoint will this milestone be completed?

May 2027 (MOY → EOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators and LIFT Coach

Evidence of Completion – What artifact, data, or observable action will verify completion?

Campus Agendas for Staff Development, Staff Meetings, and/or PLCs.

Support Needed – What training, coaching, resources, or tools are required?

Google Drive, Google Calendar

Milestone 5

Description – What specific action or deliverable will be completed?

Use data to determine tiered levels of support. Coaching and Calibration Walks (using the same tool)

Timeline – By what checkpoint will this milestone be completed?

December 2026 (BOY → MOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators

Evidence of Completion – What artifact, data, or observable action will verify completion?

GroweLab Reports

Support Needed – What training, coaching, resources, or tools are required?

TEA Observation Tool, Companion Guide, and Action Step Guide (RLA, Math and Agnostic).

Milestone 6

Description – What specific action or deliverable will be completed?

Coaching and Calibration Walks (using the same tool)

Timeline – By what checkpoint will this milestone be completed?

May 2027 (MOY → EOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators

Evidence of Completion – What artifact, data, or observable action will verify completion?

GroweLab Reports

Support Needed – What training, coaching, resources, or tools are required?

TEA Observation Tool, Companion Guide, and Action Step Guide (RLA, Math and Agnostic).

Milestone 7

Description – What specific action or deliverable will be completed?

Create a PLC scope and sequence

Timeline – By what checkpoint will this milestone be completed?

December 2026 (BOY → MOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators, Instructional and Assessment Strategist and LIFT Coach

Evidence of Completion – What artifact, data, or observable action will verify completion?

Campus PLC At-A-Glance and PLC Sign-Ins

Support Needed – What training, coaching, resources, or tools are required?

District Assessment Calendar, Teacher Coaching and Feedback Cycles based on needs

Milestone 8

Description – What specific action or deliverable will be completed?

Prioritize lesson rehearsal

Timeline – By what checkpoint will this milestone be completed?

May 2027 (MOY → EOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators, Instructional and Assessment Strategist, LIFT Coach

Evidence of Completion – What artifact, data, or observable action will verify completion?

PLC Agendas

Support Needed – What training, coaching, resources, or tools are required?

Lesson Rehearsal Guide

Milestone 9

Description – What specific action or deliverable will be completed?

Review data analysis of achievement and growth.

Timeline – By what checkpoint will this milestone be completed?

May 2027 (MOY → EOY Year 1)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators, Instructional and Assessment Strategist and LIFT Coach

Evidence of Completion – What artifact, data, or observable action will verify completion?

AWARE data reports

Support Needed – What training, coaching, resources, or tools are required?

AWARE data reports, campus created data trackers, Glows and Grows Action Plans, and ColorBands

Milestone 10

Description – What specific action or deliverable will be completed?

Qualitative survey to evaluate the SWR (what worked, what didn't work, what do we need to add).

Timeline – By what checkpoint will this milestone be completed?

August 2027 (EOY → BOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators, Instructional and Assessment Strategist, LIFT Coach

Evidence of Completion – What artifact, data, or observable action will verify completion?

Responses from the survey.

Support Needed – What training, coaching, resources, or tools are required?

Survey

Milestone 11

Description – What specific action or deliverable will be completed?

Coaching and Calibration Walks (using the same tool)

Timeline – By what checkpoint will this milestone be completed?

August 2027 (EOY → BOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators

Evidence of Completion – What artifact, data, or observable action will verify completion?

GroweLab Reports

Support Needed – What training, coaching, resources, or tools are required?

TEA Observation Tool, Companion Guide, and Action Step Guide (RLA, Math and Agnostic).

Milestone 12

Description – What specific action or deliverable will be completed?

Ensure inclusion of teachers of special populations within PLCs

Timeline – By what checkpoint will this milestone be completed?

August 2027 (EOY → BOY Year 2)

Responsible Roles – Who is accountable for this milestone?

Campus Administrators, Instructional and Assessment Strategist

Evidence of Completion – What artifact, data, or observable action will verify completion?

PLC Sign-Ins

Support Needed – What training, coaching, resources, or tools are required?

Aware Reports, Campus Data Tracker

Performance Management

Please describe how district and campus leaders will monitor the successful implementation of this plan.

Through LIFT Performance Management and Data Collection.

Who will be responsible for reviewing progress towards the milestones described in the previous section?

Through District Campus Coach and Campus Coach from Engage2Learn.

How frequently will progress toward milestones be reviewed?

Monthly

How will milestone progress data be collected?

Monitor using agendas, calendars, Eduphoria Aware data reports

How will milestone progress data be shared with district leadership and other relevant stakeholders?

Data will be shared through the monthly meetings held by Engage2Learn District Coach. District and campus leadership will review TIP milestone implementation and student outcome progress at least monthly through existing LIFT Performance Management routines. Reviews will include PLC implementation, GroweLab observation and coaching data, student assessment results, and milestone completion. The Superintendent and DCSI will review cumulative progress at least quarterly. Findings, corrective actions, responsible owners, deadlines, and follow-up will be documented through meeting agendas, minutes, and action trackers.

CAMPUS INFORMATION

District: Mission CISD
Campus: Alton Memorial JH
Campus Vision Statement:

Mission CISD will prepare and inspire all students to be equipped to excel in the college and career of their choice, dominate skills in leadership, knowledge, language, and technology to compete in a global economy and serve as successful citizens in their community.

Campus Mission Statement:

Mission CISD commits to a high-quality and equitable education in a safe learning environment by providing all students with the knowledge and experiences essential to the development of confident citizens.

SECTION I: NEEDS ASSESSMENT AND STAKEHOLDER ENGAGEMENT

Type of Needs Assessment Conducted: LIFT Needs Assessment

Date Conducted: May 11, 2026

Summary of Findings:

The campus will focus on improving student achievement and academic growth across all tested content areas by strengthening Tier 1 instruction, implementing HQIM/Bluebonnet with fidelity, and providing targeted Tier 2 interventions through FLIGHT. Instructional decisions will be intentional, data-driven, and aligned to identified student needs through consistent weekly progress monitoring, analysis of student mastery, and flexible, skill-specific intervention groups. Additionally, the campus will strengthen teacher effectiveness through frequent classroom observations, actionable feedback, and Growe Lab coaching cycles. Collaborative PLC practices will be reinforced to ensure teachers consistently engage in lesson internalization, standards-aligned planning, pacing, student work analysis, and instructional adjustments that support continuous improvement in student outcomes.

SECTION III: SCHOOL IMPROVEMENT STRATEGY

1. Strategy Implemented for the Campus: Intensive Curriculum and Instruction
2. Grants Awarded to Support this Strategy: LIFT/Engage2Learn
3. Grants Applied for or Intended to Apply For: **Possibly LASO Cycle 5 (School Improvement)**
4. Funding and Resources / Contingency

Title I Part A resources, subject to district approval and allowable-use requirements, along with available LIFT/Engage2Learn supports, will strengthen HQIM implementation, PLC planning, targeted professional learning, teacher coaching, and academic interventions informed by Hispanic and Continuously Enrolled students' RLA and mathematics performance data. If planned funding, resources, or external coaching support is delayed or unavailable, campus leadership will leverage existing PLC time, district content specialists, instructional walkthroughs, common assessments, and progress-monitoring routines to sustain implementation of the key actions. Funding allocations and allowable uses will be confirmed with district leadership prior to finalizing the plan.

SECTION IV: KEY ACTIONS AND MILESTONES

Key Action A: Strengthen HQIM-aligned PLC Implementation

1. Strong Tier 1 Instruction
2. Milestones

26-27	Description	Timeline	Who is responsible?	Evidence of Completion and Support Needed (LINK ARTIFACTS WITHIN DOC.)
Sept. - Nov.	Strengthen the consistent implementation of high-quality, TEKS-aligned Tier 1 instruction in RLA and Mathematics through intentional lesson planning, effective use of High-Quality Instructional Materials (HQIM), explicit modeling, purposeful student engagement, rigorous questioning, and frequent checks for understanding. Through data-driven PLC collaboration and lesson internalization, teachers will analyze disaggregated assessment data to identify priority TEKS, anticipate misconceptions, and plan differentiated instructional responses, with particular attention to Hispanic, Continuously Enrolled, Emergent Bilingual (EB), Special Education (SPED), and historically underperforming student groups. PLC teams will use common assessment results to document targeted reteaching, enrichment, and instructional adjustments to address identified learning gaps and improve student outcomes.	Weekly: Implement consistent, standards-aligned instruction using district-adopted HQIM, including Bluebonnet Math. Strengthen PLC lesson internalization, instructional planning, and analysis of student work and assessment data. Embed frequent checks for understanding, academic discourse, rigorous questioning, and differentiated support into daily instruction. Utilize common formative assessments and progress-monitoring data to drive reteaching, enrichment, and instructional adjustments.	Principal Assistant Principals Instruction & Assessment Strategist	Lesson plans and PLC documentation reflect instructional alignment and intentional planning. Classroom walkthroughs demonstrate consistent implementation of effective Tier 1 practices. Student work and formative assessments show increased mastery of grade-level TEKS. Assessment data reflect improved RLA and Mathematics performance and reduced achievement gaps among identified student groups. .
Dec. - Feb. At least twice monthly, PLC teams will analyze formative assessments, exit tickets, student work, and reporting period data, with particular attention to Hispanic and Continuously Enrolled students' mastery and growth, to identify misconceptions, plan targeted reteaching, and differentiate instruction. Teams will document instructional adjustments and review their effectiveness during subsequent PLC meetings.	rehearsal documentation, classroom walkthrough evidence Data meeting minutes, student work samples, assessment trackers, reteaching plans, instructional adjustment logs Walkthrough data, coaching documentation, teacher action steps, follow-up observations, instructional trend reports		Assessment data dashboards, student work analysis protocols, Lead4ward resources, EB/SPED instructional support TEA Companion Guides, Growe Lab coaching resources, district coaching support, observation, and feedback tools
Mar. - May	Refine Tier 1 instruction using benchmark, formative assessment, and progress-monitoring data to identify priority TEKS, adjust HQIM lessons, provide targeted scaffolds, and maintain grade-level rigor. Campus leadership and PLC teams will evaluate instructional effectiveness by comparing walkthrough trends, student performance, and growth data against baseline measures, with particular attention to Hispanic and Continuously Enrolled students in RLA and Mathematics. End-of-year PLC reflections will assess progress toward 2027 subgroup goals using validated 2026 baseline data, identify the impact of lesson internalization, instructional adjustments, and coaching, and determine which effective practices will be sustained or refined to address persistent learning gaps in the following school year. Key Action B: Strengthen Observation, Feedback, and Coaching Cycles

1. Quality Observation & Feedback/Coaching Cycles

2. Milestones

26-27	Description	Timeline	Who is responsible?	Evidence of Completion and Support Needed (LINK ARTIFACTS WITHIN DOC.)
Sept. - Nov.	Establish a systematic, data-driven observation, feedback, and coaching process to strengthen teacher effectiveness and monitor the consistent implementation of high-quality Tier 1 instruction. Campus instructional leaders will conduct frequent, focused classroom walkthroughs using Growe Lab to assess standards-aligned instruction, student engagement, rigorous questioning, checks for understanding, and responsive scaffolding. Observation priorities and coaching goals will be determined by RLA and Mathematics performance data, with particular attention to Hispanic, Continuously Enrolled, Emergent Bilingual (EB), Special Education (SPED), and academically at-risk students. Leaders will provide timely, actionable feedback, establish measurable coaching goals, and conduct follow-up observations to assess improvements in instructional practices and student outcomes.	Conduct consistent, focused classroom walkthroughs aligned to campus instructional priorities and identified student needs. Provide specific, actionable feedback that identifies instructional strengths, areas for growth, and clear next steps. Implement documented coaching cycles that include planning, observation, feedback, instructional adjustments, and reflection. Use observation trends, student work, and assessment data to evaluate coaching effectiveness and determine additional professional learning needs.	Principal Assistant Principals Instruction & Assessment Strategist	Growe Lab walkthrough data demonstrate increased consistency in effective instructional practices. Teachers complete at least two documented coaching cycles focused on identified instructional needs. Follow-up observations show measurable improvements in teacher implementation of targeted instructional strategies. Student assessment and progress-monitoring data demonstrate improved mastery and accelerated growth for identified student populations.
Dec. - Feb.	Strengthen coaching cycles and monitor instructional implementation through targeted observations, evidence-based feedback, instructional modeling or rehearsal, and follow-up observations. Campus leaders will monitor teachers' implementation of identified action steps and provide differentiated support based on walkthrough trends and instructional needs. Following each coaching cycle,	Coaching cycle logs, teacher action plans, follow-up walkthrough reports, evidence of instructional adjustments, PLC coaching records	Principal, Assistant Principals, Department Heads, Teachers	Growe Lab coaching tools, instructional exemplars, district coaching support, lesson rehearsal protocols, TEA Companion Guides Engage2learn coaching sessions

	teachers and leaders will analyze disaggregated formative assessment results and student work, with particular attention to Hispanic and Continuously Enrolled students, to evaluate the impact of coached instructional practices on student engagement, access to grade-level instruction, and academic mastery.			
Mar. - May	Evaluate coaching effectiveness and sustain instructional improvement by analyzing Growe Lab walkthrough data to measure teacher growth, consistency of instructional practices, and implementation of coaching feedback. End-of-year reviews will compare walkthrough trends with RLA and Mathematics achievement and growth data, particularly for Hispanic and Continuously Enrolled students, to assess the impact of coaching on instructional effectiveness and student outcomes. Findings will guide the identification of persistent instructional needs, refinement of coaching practices, and establishment of priorities for the following school year.	Comparative walkthrough data, completed coaching cycles, teacher growth summaries, instructional trend reports, end-of-year reflections	Principal, Assistant Principals, Instructional Leadership Team, Teachers	Growe Lab data reports, district instructional support, coaching effectiveness review tools, student assessment data

SECTION V: PERFORMANCE MANAGEMENT

- **Performance Management Routine**:

  Memorial Jr. High will implement a structured performance management routine to ensure accountability, monitor instructional progress, and drive continuous improvement. Campus leadership will systematically review instructional practices, coaching implementation, and student achievement data to evaluate the effectiveness of both Key Actions and make timely adjustments. Weekly PLC meetings and monthly campus leadership reviews will include focused analysis of disaggregated RLA and Mathematics performance data, with Hispanic and Continuously Enrolled students identified as priority groups to monitor academic progress, address learning gaps, and inform instructional decisions.

- **Review of Outcomes and Milestones**:

  Monthly leadership reviews will monitor progress toward instructional milestones, including HQIM implementation, rigorous questioning, checks for understanding, data-driven instructional adjustments, and completion of coaching cycles. At the end of each reporting period, the Campus Leadership Team will analyze disaggregated RLA and Mathematics achievement, growth, and student-success indicators, with particular attention to Hispanic, Continuously Enrolled, Emergent Bilingual (EB), Special Education (SPED), and academically at-risk students. Results will be compared against baseline data, interim targets, and overall campus performance to identify achievement gaps, evaluate instructional effectiveness, and determine necessary adjustments to improve student outcomes.

- **Data Collection and Sharing:**

  Campus leadership will consistently collect and review multiple sources of evidence, including Growe Lab classroom walkthroughs, coaching cycle documentation, PLC agendas and artifacts, lesson plans, common formative assessments, benchmark results, STAAR data, and FLIGHT intervention progress-monitoring data. Student achievement data will be disaggregated by grade level, content area, and student subpopulation, with particular attention to Hispanic, Continuously Enrolled, Emergent Bilingual (EB), Special Education (SPED), and academically at-risk students. Hispanic and Continuously Enrolled students will be monitored as distinct priority groups to assess TEKS mastery, academic growth, intervention effectiveness, and progress toward established subgroup goals, while recognizing that students may be represented in both populations.

- **Course Corrections When Implementation Is Off Track**:

  Campus leadership will use performance management routines, classroom walkthrough data, PLC evidence, coaching documentation, and student achievement results to identify when instructional implementation or student performance falls below established milestones and targets. During weekly, biweekly, and monthly reviews, leaders will monitor instructional practices, HQIM implementation, coaching effectiveness, and RLA and Mathematics outcomes, with particular attention to Hispanic, Continuously Enrolled, Emergent Bilingual (EB), Special Education (SPED), and academically at-risk students. When two consecutive reviews indicate that an instructional practice is below expectations, or when identified student groups fail to meet interim mastery or growth targets, leadership will determine the underlying instructional need, assign targeted reteaching or coaching, identify responsible personnel, and document corrective actions. Implementation will be reviewed within two weeks, and subsequent assessment results will be analyzed to determine the effectiveness of adjustments and the need for additional support.

SECTION VI: PROGRESS MONITORING

Campus leadership will systematically monitor progress toward established instructional milestones and student performance goals through regular reviews of PLC documentation, classroom walkthrough data, coaching records, and student assessment results. Weekly PLC reviews will focus on lesson internalization, student work analysis, common formative assessments, TEKS mastery, and documented instructional adjustments. Monthly leadership reviews will examine PLC implementation trends, Growe Lab walkthrough evidence, coaching effectiveness, benchmark results, and FLIGHT intervention progress-monitoring data to evaluate the impact of instructional practices on student learning. RLA and Mathematics assessment results will be disaggregated to monitor achievement and growth, with particular attention to Hispanic and Continuously Enrolled students, as well as EB, SPED, and academically at-risk populations. Findings will be used to identify learning gaps, assess progress toward established targets, and determine necessary instructional adjustments and additional supports.

SECTION I: NEEDS ASSESSMENT AND STAKEHOLDER ENGAGEMENT

Type of Needs Assessment Conducted: LIFT Needs Assessment

Date Conducted: May 2026

Summary of Findings:

The needs asset identified a need to strengthen TIER I mathematics instruction, with particular attention to continuously enrolled seventh grade students. The campus will prioritize consistent implementation of high-quality instructional materials, intentional lesson internalization, effective delivery of grade level instruction, and systematic use of assessment evidence to identify and address learning gaps. These priorities connect the identified instructional need to the campus' LIFT supported improvement work.

In 2026, mathematics performance was 69% approaches, 39% meets, 14% masters. Closing the gaps, mathematics academic achievement was 39%, and mathematics academic growth was 64%. For continuously enrolled students, mathematics academic achievement was 39% and academic growth was 64%. The submitted plan also identifies lesson planning, instructional delivery, student work analysis and targeted intervention as walkthroughs, PLCs and the May needs assessment.

SECTION III: SCHOOL IMPROVEMENT STRATEGY

1. Strategy Implemented for the Campus: Intensive Curriculum and Instruction

   Intensive curriculum and instruction improvements. The campus will strengthen TIER I mathematics instruction through curriculum internalization, purposeful lesson rehearsal, consistent delivery of HQIM, formative assessment, and responsive instructional adjustment. Department PLCs will serve as the primary structure for teachers to plan, practice, examine student work and identify next instructional steps.

2. Grants Awarded to Support this Strategy: LIFT

3. Grants Applied for or Intended to Apply For: Possibly LASO Cycle 5 (School Improvement)

4. Funding and Resources / Contingency

   Title I Part A is identified as a funding source in the submitted plan; use of the funds must align with district approvals and applicable requirements. LIFT supported training, coaching, protected PLC time, HQIM, common assessment, walkthrough tools, EDUPHORIA, and instructional support from the IAS and campus leadership will support implementation. If staffing, scheduling, funding, or access to resources creates a barrier, campus and district leaders will prioritize TIER I mathematics practices, adjust PLC/coaching schedules, and identify available approved resources while maintaining progress monitoring.

SECTION IV: KEY ACTIONS AND MILESTONES

Key Action A: Strengthen Lesson Planning and Lesson Internalization

1. Align Tier I Instruction with HQIM and Multiple Engagement Strategies

   Mathematics teachers will use recurring PLC cycles to internalize HQIM lessons, examine prerequisite skills and TEKS, rehearse critical instructional moves, and analyze student work. Campus leaders and IAS will provide feedback and coaching to strengthen consistent grade level instruction, checks for understanding, guided practice, independent and aligned exit tickets.

2. Milestones

26-27	Description	Timeline	Who is responsible?	Evidence of Completion and Support Needed (LINK ARTIFACTS WITHIN DOC.)
Sept. - Nov.	Establish a weekly mathematics PLC cycle for HQIM lesson internalization, including TEKS, prerequisite skills, task purpose, and anticipated misconceptions. Conduct lesson rehearsals focused on explicit instruction, questioning, modeling, guided practice, and checks for understanding. Begin walkthroughs and feedback aligned to agreed-upon Tier I look-for.	Weekly	Math teachers, IAS, Assistant Principals, Department Chair, Principal	PLC agendas, internalization notes, annotated lessons Rehearsal protocols, feedback notes Walkthrough trends, feedback, and coaching logs
Dec. - Feb.	Refine internalization using exit-ticket and common-assessment evidence to anticipate misconceptions and plan reteach. Use student work analysis to compare expected and actual responses and identify specific instructional adjustments. Provide targeted observation-feedback-coaching cycles for teachers needing support with HQIM implementation.	Weekly, six weeks	Math teachers, IAS, Assistant Principals, Department Chair, Principal	Revised lesson plans, PLC artifacts Student work protocols, action steps Coaching plans, observation notes, follow-up evidence
Mar. - May	Sustain internalization, rehearsals, and student work analysis with attention to priority mathematics TEKS. Monitor fidelity and adjust instructional support based on walkthrough and student evidence. Review six-week mathematics growth trends against prior results and prepare end-of-year instructional recommendations.	Every six weeks	Math teachers, IAS, Assistant Principals, Department Chair, Principal	Assessment comparisons, and end of year reflection

Key Action B: Review Assessment Data to Adjust Instruction and Deliver Targeted Mathematics Support

1. Teachers and campus leaders will use common assessments, formative checks, and student work to identify priority mathematics learning gaps, particularly for continuously enrolled students. Teams will plan timely reteaching, differentiate instruction, enrichment, and targeted intervention, then monitor whether students demonstrate improved mastery.

2. Milestones

26-27	Description	Timeline	Who is responsible?	Evidence of Completion and Support Needed (LINK ARTIFACTS WITHIN DOC.)
Sept. - Nov.	Establish baseline and disaggregated mathematics trackers for priority TEKS and continuously enrolled students. Analyze common assessments and student work to identify students below expected mastery and the associated misconceptions. Plan and deliver timely reteach or intervention tied to identified gaps, document student participation.	Every six weeks	Math teachers, IAS, Dept. Chair, Asst. Principal, Principal	Eduphoria reports, student trackers/ data meeting notes, item analysis/ intervention rosters, reteach plans
Dec. - Feb.	Review formative and common assessment results to regroup students based on current needs. Deliver targeted small-group support and differentiated grade-level instruction for continuously enrolled students not yet meeting expectations. Check intervention response and revise support for students not demonstrating progress.	Weekly checks / six weeks review	Math teachers, IAS, Dept. Chair, Asst. Principal, Principal	Updated trackers, grouping plans / instructional plans, attendance, student work / pre/post evidence, revised intervention plans
Mar. - May	Intensify targeted tutorials and reteaching for priority mathematical gaps. Monitor progress toward mathematics achievement and growth goals using disaggregated assessments. Evaluate intervention effectiveness and document	Weekly / every six weeks April - May	Math teachers, IAS, Dept. Chair, Asst. Principal, Principal	Provide targeted intervention via tutorials to close the achievement gap. Student outcome comparisons, recommendations

SECTION V: PERFORMANCE MANAGEMENT

- **Performance Management Routine**:

Campus leadership, the IAS, and mathematics teachers will use weekly PLCs and ongoing walkthroughs to monitor lesson internalization, rehearsals, instructional delivery, and student work analysis. Every six weeks, leaders will review common assessments, coaching evidence, and intervention implementation to determine whether the key actions are being conducted as intended.

- **Review of Outcomes and Milestones**:

At each six-week review, the campus team will compare completed milestones with the expected timeline and examine mathematics achievement and growth trends, including results for continuously enrolled students. Leaders will identify evidence of implementation, progress toward proposed goals, and areas requiring additional instructional support.

83

- **Data Collection and Sharing:**

Teachers will maintain lesson internalization artifacts, PLC records, student work samples, common-assessment results, and intervention records. The IAS and campus leadership will consolidate walkthrough, coaching, and Eduphoria data into campus trackers and share actionable findings during PLCs and leadership reviews.

- **Course Corrections When Implementation Is Off Track**:

When walkthroughs, PLC artifacts, or student results indicate inconsistent implementation or limited progress, campus leaders will identify the specific barrier and adjust coaching, lesson rehearsal, planning support, instructional grouping, or intervention schedules. The team will assign responsibility, document the adjustment, and review follow-up evidence during the next monitoring cycle.

SECTION VI: PROGRESS MONITORING

Date	Data Source	Outcome	Progress Toward Goal	Notes (Adjustments and Reflections)
Sept. - Nov.	Sept. – Nov.	PLC and internalization artifacts; walkthroughs; six-week assessments; student trackers	To be completed using verified results	What adjustments were made at the time.
Dec. - Feb.	Dec. – Feb.	PLC and coaching evidence; formative/common assessments; intervention response		
Mar. - May	Mar. - May	Final assessment evidence; milestone completion; intervention and walkthrough summaries

SECTION I: NEEDS ASSESSMENT AND STAKEHOLDER ENGAGEMENT

Type of Needs Assessment Conducted: LIFT Needs Assessment

Date Conducted: 9/26/26

Summary of Findings:

The campus completed the LIFT Needs Assessment using multiple sources of evidence, including 2026 STAAR and accountability results, local common-based assessments, attendance and discipline data, classroom walkthroughs, and PLC documentation. Findings indicate a need to strengthen academic achievement and growth in mathematics and Reading Language Arts (RLA), particularly for the continuously enrolled student population identified under the campus's federal Targeted Support and Improvement (TSI) designation. In 2026, continuously enrolled students demonstrated academic achievement of 56% in RLA and 36% in mathematics, with academic growth of 69% and 58%, respectively. Campuswide results further reflect this need, with only 35% of students achieving Meets Grade Level in mathematics compared to 54% in RLA.

These findings support the need to strengthen HQIM-aligned PLC implementation through lesson internalization, data-driven instructional planning, targeted interventions, and consistent observation and feedback to improve student outcomes and address the campus's federal identification.

2. Grants Awarded to Support this Strategy: LASO Cycle 4 LIFT
3. Grants Applied for or Intended to Apply For: Possibly LASO 5 (School Improvement)
4. Funding and Resources / Contingency

Leverage awarded LASO Cycle 4 LIFT funds to support intensive curriculum and instruction improvements through aligned instructional resources, consistent PLC implementation, targeted professional development, coaching, and progress monitoring.

If additional funding is unavailable, prioritize campus needs through existing district and campus allocations, leverage staff expertise, and adjust the scope and timeline to maintain essential instructional improvements.

SECTION IV: KEY ACTIONS AND MILESTONES

Key Action A: Strengthen HQIM-aligned PLC Implementation

1. Math Achievement – All Grades, with focus on the continuously enrolled population: PLC Data Analysis + Lesson Internalization + RBIS/Observation/Feedback, supported by LIFT, TLAC/Lead4Ward instructional routines and flexible grouping. Campus leadership team will continue to review annotated lesson internalization and review student level work for all students with focus on continuously enrolled students.
2. Milestones

26-27	Description	Timeline	Who is responsible?	Evidence of Completion and Support Needed
Sept. - Nov.	During weekly mathematics PLCs, teachers will analyze beginning-of-year baseline results by grade level, priority TEKS, and identified student groups, with particular attention to continuously enrolled students. Teams will document recurring problem-solving misconceptions and instructional priorities in PLC data trackers. Teachers will internalize upcoming HQIM lessons, rehearse mathematical modeling and checks for understanding, and plan responses to anticipated student misconceptions. Campus leaders will review classroom walkthrough evidence biweekly and provide actionable feedback to strengthen implementation of the agreed-upon instructional routines. Dec. - Feb.	Following each common-based assessment (CBA), mathematics PLCs will examine performance on priority TEKS and analyze student responses to identify remaining learning gaps.	Weekly / biweekly	Administrators conduct walkthroughs and provide in-time feedback; teachers adjust instruction during PLCs.	Agendas, Data Trackers, Obs./Feedback Reports, Student level work

26-27	Description	Timeline	Who is responsible?	Evidence of Completion and Support Needed
	Teachers will rehearse Everybody Writes, Turn and Learn, Cold Call, and mathematical problem-solving models during PLCs to strengthen student thinking and participation. Teams will use student work and assessment evidence to revise flexible groups and reteaching plans, while administrators use walkthroughs and timely feedback to verify implementation.			
Mar. - May	Mathematics PLCs will analyze results after each CBA to determine progress toward grade-level and student-group targets, including the performance of continuously enrolled students. Teachers will document targeted reteaching and flexible regrouping decisions for students performing below expectations and monitor their response to instruction. Campus leaders and PLC teams will examine student work and walkthrough evidence to verify instructional adjustments, review progress toward the established mathematics goal, and intensify support where needed.	Each assessment cycle	Math PLC analyzes results; the AP/principal checks that adjustments are documented and implemented.	Agendas, Data Trackers, Obs./Feedback Reports, Student level work
June	At the end of the year, campus leadership and mathematics PLCs will review progress toward the documented 56% target, evaluate the effectiveness of reteaching and flexible grouping, and identify practices to sustain or intensify based on student outcomes.	Quarterly / spring review	Campus leadership reviews trend data with PLCs and documents adjustments.	Agendas, Data Trackers, Obs./Feedback Reports

Key Action B: Strengthen HQIM-aligned PLC Implementation

2. Milestones

26-27	Description	Timeline	Who is responsible?	Evidence of Completion and Support Needed
Sept. - Nov.	During weekly RLA PLCs, teachers will review beginning-of-year assessment results and student work to identify gaps in comprehension, vocabulary, and writing, including trends among continuously enrolled students. Teachers will internalize grade-level HQIM lessons, identify essential learning expectations, and plan purposeful checks for understanding aligned to student needs. Campus leaders and PLC teams will establish common classroom walkthrough look-fors and document specific, actionable teacher feedback to support consistent implementation.	Weekly PLC; biweekly walkthrough/data check; each CBA cycle; quarterly review.	Principal/APs monitor weekly PLC artifacts, walkthroughs, student work, and coaching feedback; ELA PLC leads will own implementation.	Agendas, Data Trackers, Obs./Feedback Reports
Dec. - Feb.	RLA teachers will rehearse Everybody Writes, structured student discourse, and retrieval practice during PLCs to strengthen student engagement and evidence-based responses. Administrators will conduct focused classroom walkthroughs to observe the agreed-upon instructional routines and provide timely, actionable feedback. PLC teams will analyze student responses and CBA results to adjust upcoming lessons, identify needed reteaching, and refine flexible instructional groups.	Weekly / biweekly	Administrators conduct walkthroughs and provide in-time feedback; teachers adjust instruction during PLCs.	Agendas, Data Trackers, Obs./Feedback Reports

93

26-27	Description	Timeline	Who is responsible?	Evidence of Completion and Support Needed
Mar. - May	Following each CBA, RLA PLCs will analyze assessment results and writing samples to identify persistent gaps in comprehension, vocabulary, and written responses. Teachers will reteach priority TEKS, provide targeted support through flexible grouping, and monitor student progress, particularly for continuously enrolled students. Campus leaders will review follow-up walkthrough evidence and student work to confirm instructional adjustments and evaluate progress toward the established RLA goal.	Each assessment cycle	ELA PLC analyzes results; the AP/principal checks that adjustments are documented and implemented.	Agendas, Data Trackers, Obs./Feedback Reports
June	At the end of the year, campus leadership and RLA PLCs will review progress toward the documented 60% target, evaluate instructional and intervention results, and identify effective practices to sustain and areas requiring additional support.	Quarterly / spring review	Campus leadership reviews trend data with PLCs and documents adjustments.	Agendas, Data Trackers, Obs./Feedback Reports

SECTION V: PERFORMANCE MANAGEMENT

- **Performance Management Routine:**

  The principal and assistant principals will monitor implementation each week by reviewing PLC agendas and artifacts, classroom walkthrough findings, student work, and coaching feedback. These reviews will determine whether planned instructional practices are being implemented consistently and where additional support is needed.

- **Review of Outcomes and Milestones:**

  The campus leadership team will review student outcomes and milestone completion quarterly, using common assessment results, student-group performance trends, and evidence of instructional implementation. The team will determine whether key actions are producing the intended results and identify priorities for the next review period.

- **Data Collection and Sharing:**

  The campus administrative team and department heads will review student work, common assessment results, lesson internalization artifacts, and PLC data trackers at least monthly. Findings will be shared with PLC teams to inform reteaching, flexible grouping, coaching priorities, and subsequent instructional planning.

- **Course Corrections When Implementation Is Off Track:**

  When implementation or student outcomes fall below expectations, campus leaders will revisit the underlying causes, identify one or two high-priority corrective actions, and assign targeted instructional or coaching support. Leaders will monitor the impact of these adjustments through PLC follow-up, walkthroughs, student work, and subsequent assessment results.

SUBJECT: Approval of Early Resignation Notice Incentive Pay - 2026-2027 School Year

PRESENTER: Edilberto Flores, Assistant Superintendent for Human Resources and Support Services
Elisa Pacheco, Executive Director for Human Resources and Student Services

BACKGROUND INFORMATION

Pursuant to the Texas Education Code, educators under probationary, term, or continuing contracts are required to provide notice of separation, without penalty, at any time up to 45 days before the first day of instruction of the following school year. At-will employees may resign at any time. Districts may offer an incentive to employees who agree to provide notice during the 2026-2027 school year.

To support proactive staffing efforts for the 2027-2028 academic year, Mission CISD proposes offering a one-time Early Resignation Notice Incentive to eligible employees who voluntarily submit a timely resignation notice. Early notification allows the District to better plan for recruitment, hiring, certification verification, and campus and district-level staffing allocations.

- **Proposal:**
  - Mission CISD will offer a **one-time incentive payment** to eligible employees who:
    - Are currently under contract or letter of assurance and in good standing;
    - Submit a formal resignation with the completed Early Resignation Incentive Agreement in person;
    - Submit the required documentation no later than 5:00 p.m. on the identified date for each tier; and
      - Tier I – December 18, 2026 ($2000)
      - Tier II – January 29, 2027 ($1500)
      - Tier III – February 26, 2027 ($1000)
    - Fulfill all contract or calendar workdays through the end of the 2026-2027 school year.
  - The incentive will be included in the employee's **final paycheck** for the 2026-2027 school year and will be subject to all legally required deductions.
  - Employees who are temporary, part-time, on administrative leave for misconduct (alleged or substantiated), or recommended for termination or non-renewal are **not eligible**.
  - Incentive requests submitted after the deadline for each tier or not submitted in person will not be accepted to qualify for the identified tier's incentive.
  - Eligibility for an incentive payment is contingent upon the employee maintaining their employment in good standing and completing their assigned contract work schedule through the effective date of the resignation at the **end of the 2026-2027 school year**.

ADMINISTRATIVE CONSIDERATIONS

Approval of this incentive program will provide the District with the following administrative benefits:

- **Improved Workforce Planning:** Earlier identification of vacancies supports strategic campus and district-level staffing decisions.
- **Expanded Recruitment Timeline:** Additional time enhances the District's ability to recruit highly qualified candidates in competitive certification areas.
- **Reduced Hiring Disruptions:** Timely resignations decrease the likelihood of late-summer staffing gaps.
- **Budget Forecasting Accuracy:** Early vacancy identification allows for more precise salary projections and allocation adjustments.
- **Operational Stability:** Support continuity of instruction and minimize disruptions to students at the start of the 2027-2028 school year.

The incentive represents a minimal financial investment relative to the operational efficiencies gained through proactive human capital management.

Mission Consolidated Independent School District
Agreement for Early Resignation Notice Incentive Pay
2026-2027 School Year

The Texas Education Code allows educators employed under a probationary, term, or continuing contract to provide notice of resignation without penalty at any time until 45 days before the first day of instruction of the following school year. To allow the District additional time to plan staffing for the 2027-2028 school year, the District is offering a one-time incentive to identified employees for their early notice of resignation.

Eligibility:

- Employees under contract or letter of assurance and in good standing.
- Employees who are temporary, part-time, on administrative leave for misconduct (alleged or substantiated), or recommended for termination or non-renewal are **not eligible**. Incentive requests submitted after the deadline for each tier, or not submitted in person, will not be accepted.
- Eligibility for an incentive payment is contingent upon the employee maintaining their employment in good standing and completing their assigned contract work schedule through the effective date of the resignation at the **end of the 2026-2027 school year**.
- Voluntary resignations seeking to participate in the early resignation notice incentive pay are applicable on:
    - December 18th - Tier I
    - January 29th - Tier II
    - February 26th - Tier III

Amount:

- The incentive amounts are:
    - Tier I - $2000
    - Tier II - $1500
    - Tier III - $1000

Procedure:

- The employee must submit to the Human Resource office **a letter of resignation** addressed to the superintendent on or before 5:00 p.m., on the dates provided for each tier.
- The resignation letter must be accompanied by the District's **NOTICE OF SEPARATION** from employment document and **this form**, signed by the employee.

Agreement and Consideration:

By signing this Agreement, the Employee and the District agree:

- The Employee submits their voluntary resignation as an attachment to this agreement. This Agreement and the resignation, with all required documentation, are in compliance with the District Requirements.
- The Employee's resignation is effective on the **last day** of the 2026-2027 school year. The Employee will perform all duties for the remainder of the 2026-2027 school year and will work

through the last day of the employee's contractual term or assigned duty days, as applicable.

- This resignation is submitted in advance of the penalty-free resignation date provided by Texas Education Code §21.1.05, §21.160, and §21.210 for contractual personnel. This early resignation provides the district with additional time to plan for the 2027-2028 school year.
- The District will pay the Employee a one-time Incentive Payment based on the submission date and tier in the Employee's **final paycheck** for the 2026-2027 school year. The Incentive Payment will be subject to all legally required reductions, including but not limited to income tax.
- Subject to the terms of this Agreement, all District obligations to the Employee, financial or otherwise, will cease at the end of the contractual term and/or last duty day of the school year.

Warranties and Assurances:

- The consideration described in this Agreement is given in exchange for the parties entering into the Agreement. This consideration is not something to which the parties are otherwise entitled, and the parties agree that the consideration is adequate.

- The Employee makes the following assurances:
  - I am an employee of the District in good standing, employed under a (Chapter 21/Non-Chapter 21) or letter of assurance.
  - My resignation is voluntary and unconditional
  - I may not rescind the resignation after the District accepts it and it becomes final.
  - I have carefully read this Agreement, and I fully understand it.

- The district makes the following assurances:
  - Work is available for the Employee.
  - The Employee's resignation is voluntary.

Release and Waivers:

- General Release. The Employee unconditionally releases the District from any and all claims relating to the Employee's employment with the District, including but not limited to claims pursuant to any federal, state, or local employment laws, statutes, public policies, orders or regulations, the Age Discrimination in Employment Act, Title VII or the Civil Rights Act, and the Americans with Disabilities Act.

Agreement: I have read and agree to abide by the terms set out above for the early-resignation notice incentive.

SUBJECT: Maintenance Equipment and Supplies

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

Mission CISD solicited proposals to establish a contract with qualified vendors for the purchase of maintenance equipment and supplies to meet the District's ongoing needs. The contract will provide departments and campuses with an established procurement source for these products on an as-needed basis throughout the contract term.

ADMINISTRATIVE CONSIDERATIONS

The District solicited Requests for Proposals in accordance with Texas Education Code TEC §44.031(a), which requires school districts to utilize an authorized procurement method for contracts involving the purchase of goods or services valued at $100,000 or more in the aggregate for each 12-month period.

A summary of the proposal review and evaluation process is as follows:

1. Number of responses received: 15
2. Number of vendors planning to award: 14

FUNDING SOURCE AND AMOUNT

Respective departmental/campus budgets.

Estimated Annual Expenditure: **$500,000**

The estimated expenditure represents the anticipated annual spending under the contract and is not a guaranteed expenditure. Actual purchases will be based on the District's needs, available budgeted funds, and applicable purchasing requirements. The District does not guarantee any minimum purchase quantity or expenditure under the contract.

RECOMMENDATION

Administration recommends that the Board approve the award of the contract to all vendors listed on the attached tabulation form, in accordance with the solicitation terms and conditions.

SUBJECT: Renewal of Special Education Evaluation and Related Services – Supplemental Bid

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

On November 12, 2025, the Board of Trustees awarded Bid No. 233-26-0, Special Education Evaluation and Related Services – Supplemental Bid, for an initial one-year term, with the option to renew for two additional one-year terms. The District is requesting the second one-year renewal term (Year 2) in accordance with the terms and conditions of the original solicitation. One additional one-year renewal option remains available following this renewal**.**

ADMINISTRATIVE CONSIDERATIONS

The Purchasing Department has reviewed the proposed renewal and confirmed the following:

- Vendor(s) performance has been satisfactory.
- Pricing remains reasonable and consistent with the terms of the agreement.
- The proposed renewal is consistent with the terms and conditions of the original solicitation.

FUNDING SOURCE AND AMOUNT

Respective departmental/campus budgets

Estimated Expenditure **$150,000**

The estimated expenditure represents the anticipated annual spending under the contract and is not a guaranteed expenditure. Actual purchases will be based on the District's needs, available budgeted funds, and applicable purchasing requirements. The District does not guarantee any minimum purchase quantity or expenditure under the contract.

RECOMMENDATION

Administration recommends that the Board approve the second one-year renewal of Bid No. 233-26-0, Special Education Evaluation and Related Services – Supplemental Bid, with all vendors listed on the attached tabulation form, in accordance with the terms and conditions of the original solicitation.

SUBJECT: Designate the Director of Technology Systems as the Artificial Intelligence (AI) Risk Officer

PRESENTER: Sylvia Cruz, Executive Director for Business and Finance

BACKGROUND INFORMATION

Mission CISD must designate an AI Risk Officer to comply with Texas Administrative Code §219.21, adopted under Senate Bill 1964. This role provides oversight of responsible AI use and ensures required risk assessments are completed for AI systems subject to heightened scrutiny. Designating an officer establishes clear accountability, helps protect student and staff information, and supports compliance with state requirements as we adopt AI tools.

ADMINISTRATIVE CONSIDERATIONS

Consider a Possible Action to Designate the District AI Risk Officer and Adopt the State AI Code of Ethics in Compliance with 1 TAC Chapter 219 and 1 TAC Chapter 219.21

FUNDING SOURCE AND AMOUNT

N/A

RECOMMENDATION

Administration recommends to designate the Director of Technology Systems as the District's AI Risk Officer, as mandated by the Texas Department of Information Resources (DIR) under Texas Administrative Code Title 1, Chapter 219 (1 TAC Chapter 219), that requires school districts to formally adopt the state's AI code of ethics to govern ethical procurement, development, deployment, and use of artificial intelligence systems; and (1 TAC 219.21) which mandates that the district designates a qualified employee as the official AI Risk Office to oversee AI, promote ethical procurement, and manage required risk assessments.

CONTACT PERSON(S)

Sylvia Cruz, Executive Director for Business and Finance
Noe Pena, Director of Technology Systems

DIR AI Code of Ethics

The requirement to adopt the State AI Code of Ethics is formally established under Texas Administrative Code Title 1, Part 10, Chapter 219, Section 11 (1 TAC § 219.11(a)) and mandated by Texas Government Code § 2054.702.

The Department of Information Resources (DIR) AI Code of Ethics consists of 10 distinct compliance pillars. These are detailed in your resources, specifically the *K-12 AI Guidance and Guardrails* workbook and the *AI Risk Officer's Guide*, as a comprehensive compliance checklist.

The 10 Pillars of the DIR AI Code of Ethics

1. Human Oversight and Control

- Districts must deploy AI systems in ways that allow humans to review and analyze inputs and outputs at appropriate intervals.
- The district must establish technical or operational protocols to immediately pause, restrict, or disable ("kill-switch") any AI system if harmful or inaccurate outputs are detected.

2. Fairness

- AI systems must not infringe upon the legally protected rights and liberties of students or staff, nor result in unlawful harm.
- Districts must establish clear data governance practices throughout the AI lifecycle to actively prevent bias and ensure equitable treatment.

3. Accuracy

- Districts must establish formal processes to monitor the accuracy of AI systems both before deployment and throughout their lifecycle.
- Staff must be trained to verify AI outcomes for accuracy before acting on them, and districts should use human feedback or retrieval-augmented generation (RAG) to improve accuracy where feasible.

4. Redress

- Districts must provide a clear method for students, parents, or staff to seek redress or appeal when an AI system makes a consequential decision that results in unlawful harm or impacts access to services.
- **Note:** Districts can choose to route these appeals through their existing grievance policies, such as FNG(LOCAL), DGBA(LOCAL), and GF(LOCAL).

5. Transparency

- Districts must collaborate with developers to understand how the AI model works, its capabilities, its limitations, and the data it was trained on.
- Districts must explicitly disclose when individuals are interacting with a public-facing AI system, such as a website chatbot, and when AI is used to make material or consequential decisions affecting student or staff rights.
- School systems are strictly prohibited from representing an AI system as a human.

6. Data Privacy

- Districts must practice data minimization, collecting and retaining only the minimum Personally Identifiable Information (PII) necessary for operational functions.
- PII must be deleted consistent with local records retention schedules.
- Employees must be trained on the serious risks of inputting sensitive or student PII into public, unauthorized AI tools.
- Prior parental consent is required for storing biometric data, such as voiceprints or faceprints, or using health/wellness chatbots.

7. Security

- AI systems must be continuously monitored, secured, and tested to prevent or mitigate cyberattacks, such as data poisoning, prompt injection, or model exfiltration.
- Districts must contractually require AI system providers to disclose any known vulnerabilities and their resolutions in a timely manner.

8. Accountability and Liability

- Employees must be trained to use AI tools effectively, safely, and ethically.
- Districts must ensure that all third-party vendors are contractually bound to these exact AI ethical principles.
- AI systems must fully comply with all other applicable state and federal legal obligations, including FERPA, COPPA, and CIPA.

9. Evaluation

- The district must establish a recurring method to evaluate deployed AI systems to ensure they continue to provide tangible, ongoing benefits to students and staff.
- These evaluations must be formally documented.

10. Documentation

- Districts must maintain detailed records of the data sources used to train or supplement the AI system.
- The district must document how any AI system is modified or updated throughout its lifecycle.

SUBJECT: 2026 Tax Roll

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

Per the Property Tax Code, Section 26.09(e), the tax assessor is required to calculate the tax amount and enter it into the appraisal roll, which is then submitted to the governing body of the District for approval. Once approved, this appraisal roll, with tax amounts entered, constitutes the official tax roll for Mission CISD.

ADMINISTRATIVE CONSIDERATIONS

The Hidalgo County Tax Office mailed the certified 2026 Tax Roll to the District on October 26, 2026. This certified roll is essential for determining revenue allocation between the General Fund and the Debt Service Fund.

FUNDING SOURCE AND AMOUNT

Not applicable.

RECOMMENDATION

Administration recommends approval of the 2026 Tax Roll.

SUBJECT: Budget Amendment

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

In accordance with TEA budget and accounting procedures guidelines, the District's official budget includes the General Fund and Debt Service. The adoption of the budgets associated with these funds, and subsequent amendments, should be approved by the Board of Trustees. The authority to approve a budget or a budget amendment for a grant program, however, lies with the granting agency and not with the District's Board.

ADMINISTRATIVE CONSIDERATIONS

All requests for budget amendments have been reviewed and are justified for the programmatic or policy changes and adjustments of original estimates.

FUNDING SOURCE AND AMOUNT

The budget amendment reflects the reallocation of funds across functions to better support campus and departmental operations.

RECOMMENDATION

Approval of budget amendment as presented.

SUBJECT: Donations

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

In accordance with Board Policy CDC (Legal), all bequest of property for the benefit of the public schools shall, when not otherwise directed by the grantor, vest the property in the Board. Funds or other property donated, or the income therefrom, may be expended:

1. For any purpose designated by the donor that is in keeping with the lawful purposes of the schools that are to benefit from the donation; or
2. For any legal purpose if the donor designated no specific purpose.

The District receives donations from various sources throughout the school year. The majority of donations are given to the student activity funds to be used for student travel and awards. Some donations are in cash and some are non-cash, such as equipment, food, and services.

ADMINISTRATION CONSIDERATION

For the period reported, total donations were $30,611. The largest cash donation was $500. The largest non-cash donation was $23,000. These donations benefit our students.

FUNDING SOURCE AND AMOUNT

Not applicable.

RECOMMENDATION:

Approval of donations.

SUBJECT: Tax Collection Report

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

The Hidalgo County Assessor & Collector has been collecting the District's taxes since December 1999. Both current and delinquent taxes are collected by Hidalgo County on our behalf.

ADMINISTRATIVE CONSIDERATIONS

Tax roll adjustments due to corrections, rollbacks, homesteads, dropped years, etc., resulted in a net decrease of $15,383. Adjustments are reviewed and posted to the general ledger on a monthly basis. These modifications are included as part of the monthly tax report. Net tax collections for September 2026 totaled $194,766, reflecting refunds exceeding collections during the month. The monthly fee for this service is $6,913.

Attached is the September 2026 Tax Collection Report

FUNDING SOURCE AND AMOUNT

Local Maintenance Levy Modification ($44,933)
Debt Service Levy Modification ($18,599)
Rollbacks $48,149

RECOMMENDATION:

Approval of September 2026 Tax Collection Report

SUBJECT: General Fund and Debt Service Financial Report

PRESENTER: Jaime Lopez, Assistant Superintendent for Business and Finance

BACKGROUND INFORMATION

As per Board Policy CFA (LEGAL), The Board shall prepare an annual financial statement that shows the following for each fund subject to its authority during the fiscal year:

1. The total receipts of the fund, itemized by the source of revenue, including taxes, assessments, service charges, grants of state money, gifts, or other general sources from which funds are derived.
2. The total disbursements of the fund, itemized by the nature of the expenditure.
3. The balance in the fund at the close of the fiscal year.

Monthly financial reports are prepared throughout the year by Administration for information purposes only.

ADMINISTRATIVE CONSIDERATIONS

The General Fund Financial reports compare the budgeted revenues and expenditures.

Actual revenues through August 2026 totaled $5,592,618, and actual expenditures totaled $8,959,944. The net excess total expenditures over revenue is $3,367,326.

These numbers do not include outstanding encumbrances for payroll and supplies. Budget by function is sufficient to meet expenditures.

The Debt Fund financial report is also attached.
