

**Medina Valley Independent School District
Board of Trustees
Regular Meeting on Thursday, November 20, 2025 at 6:00 PM
Medina Valley ISD Central Office Board Room**

A Regular Board Meeting of the MVISD Board of Trustees was held on Thursday, November 20, 2025, beginning at 6:00 PM at/on Medina Valley ISD Central Office Board Room.

I. First Order of Business

- A Call Meeting to Order
- B Establish a Quorum
- C Pledge of Allegiance to the Flag followed by a moment of silence

II. Public Hearing Concerning the Financial Integrity Rating System of Texas (FIRST)

- A Discussion Concerning the Financial Integrity Rating System of Texas (FIRST) 3
- B Public Comments Regarding FIRST Report

III. Student/Staff Recognition

- A "Star Students" - Loma Alta Middle School
- B "Outstanding PLC Team" - Loma Alta Middle School
- C District Holiday Card Artwork Winners 26
 - Adriel Guajardo, Potranco Elementary 2nd grade
 - Brooke Woodbury, Medina Valley Middle School 8th grade
- D Texas Association for the Gifted & Talented (TAGT), 2025 Educator of the Gifted Award Winner: 28
Denise Robertson, LaCoste Elementary

IV. Public Comment

At Regular Board Meetings the Board shall permit public comment on any topic. At all other Board Meetings public comments will be limited to items on the agenda posted with the notice of the meeting. Consistent with Board Policy BEC (Local), when necessary for meeting management, the following will apply: When 1 to 3 individuals sign up to address the Board, they will each be given 5 minutes. When 4 to 6 individuals sign up to address the Board, they will each be given 3 minutes. When 7 or more individuals sign up to address the Board, they will each be given 2 minutes.

V. Announcements/Communications/Presentations

- A Board Committee Reports
 - Finance Committee
 - Construction Committee
 - Safety & Security Committee
 - Curriculum Committee
- B Construction Briefing 29
 - Creek View High School
 - Medina Valley High School AG & JROTC Building
 - Medina Valley Middle School #3
- C Financial Briefing 54
 - General Fund Financial Statement
 - Child Nutrition Financial Statement
 - Debt Service Fund Financial Statement
 - Bond 2023 Capital Projects Report
 - Bond 2024 Capital Projects Report
- D Superintendent Briefing 60
 - Student Achievements
 - Staff Achievements
 - District Enrollment Numbers

VI. Discussion and Possible Action Items

- A Consider Approval of Consent Agenda Items 70
 - Minutes for Regular Board Meeting on October 27, 2025
 - DR Horton road work and escrow agreement
 - Creek View High School Purchases
 - Fall Sports (Football, Volleyball & Cross Country) Equipment purchase
 - Band Instruments & Uniforms
 - CTE Welding equipment
- B Consider Adoption of Resolution for a One-Time Retention Stipend of \$750.00 for employees that were Full-Time Prior to October 31, 2025 and do not Separate Service Prior to May 29, 2026 166
- C Consider Approval of November Budget Amendment 168
- D Consider Approval for the purchase of 10 General Education Buses and 3 Special Needs Buses 171
- E Consider Approval for the purchase of 2 Suburbans 256

F Consider Approval for the purchase of 2 F-250 Maintenance Vehicles

268

G Consider Approval of the Medina Central Appraisal District Resolution to Cast 1575 Votes to Elect

293

Directors for the Years 2026 and 2027

VII. Closed Session

A Consultation with Attorney (TX Govt. Code Section 551.071)

B Personnel Matters: Resignations, Retirements, Leaves of Absence, Reassignments, New Employment, New Personnel Position, Duties/Responsibilities of Employees (TX Govt. Code Section 551.074)

C Considering the deployment, specific occasions for, or implementation of, security personnel or devices (TX Govt. Code Section 551.076 and 551.089)

- Discussion regarding Purchases for Safety and Security

D Deliberation Regarding Real Property (TX Govt. Code Section 551.072)

VIII. Continued Discussion and Possible Action Items

A Consider Approval for the Purchases for Safety and Security as presented in Closed Session

B Consideration of future meeting dates

IX. Adjournment

(Items do not have to be taken in the same order as shown on the meeting agenda.)

FIRST Rating and Public Hearing

NOVEMBER 20, 2025

Financial Integrity Rating System of Texas (FIRST)

Goal #1 – Ensure that Texas public schools are held accountable for the quality of their financial management practices and that they improve these practices.

Goal #2 – Encourage Texas public schools to better manage their financial resources to provide the maximum allocation possible for direct instructional purposes.

Determination of Rating

Did the school district fail any of the critical indicators: 1, 2, 3 or 4? If so, the school district's rating is **F for Substandard Achievement** regardless of points earned.

Did the school district fail any of the ceiling indicators?
Indicator 4 = 95 max, Indicator 6 = 89 max, Indicator 16 = 89 max, or Indicator 17 = 79 max

Determine the rating by the applicable number of points.

A = Superior Achievement

90-100

B = Above Standard Achievement

80-89

C = Meets Standard Achievement

70-79

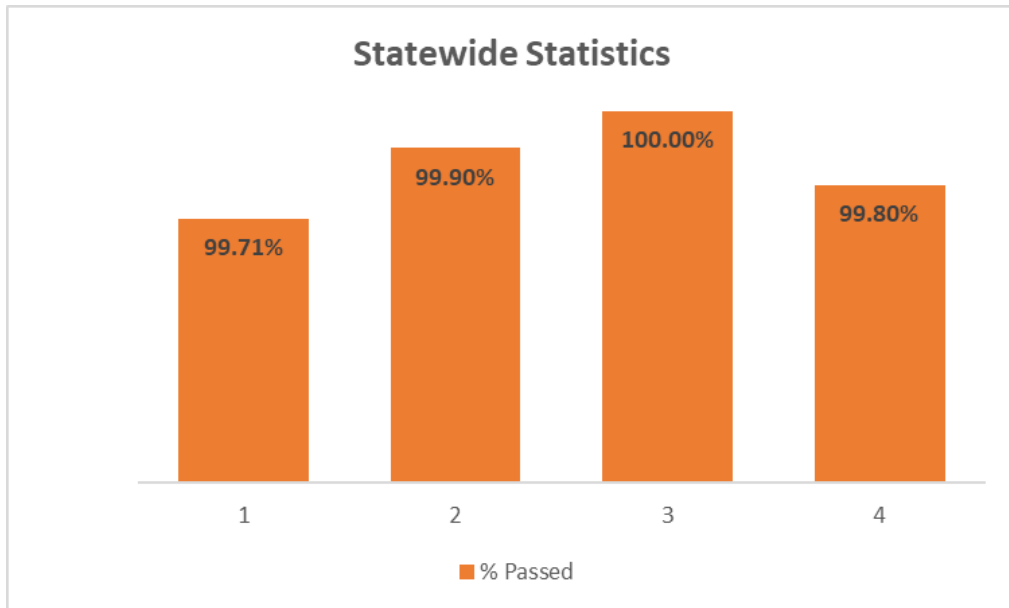

F = Substandard Achievement

<70

*Based on 2023-2024 school year data

Critical Indicators

1. Was the complete annual financial report (AFR) and data submitted to the TEA within 30 days of the January 28 deadline? **YES**
2. Was there an unmodified opinion in the AFR on the financial statements as a whole? **YES**
3. Was the school district in compliance with the payment terms of all debt agreements at fiscal year end? **YES**
4. Did the school district make timely payments to the Teacher Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other governmental agencies? **YES**

Indicators

5. Was the total net position in the governmental activities column in the Statement of Net Position greater than zero? **PASSED**
6. Was the average change in fund balances over 3 years less than a 25% decrease or did the current year's fund balances exceed 75 days of operational expenditures? **PASSED**
7. Was the number of days of cash on hand and current investments in the general fund for the school district sufficient to cover operating expenditures? **10**
8. Was the measure of current assets to current liabilities ratio for the school district sufficient to cover short-term debt?
10
9. Did the school district's general fund revenues equal or exceed expenditures? If not, was the school district's number of days of cash on hand greater than or equal to 60 days? **10**

Indicators

10. Did the school district average less than a 10 percent variance when comparing budgeted revenues to actual revenues for the last 3 fiscal years? **Not evaluated - 10**
11. Was the ratio of long-term liabilities to total assets for the school district sufficient to support long-term solvency? **10**
12. **Was the debt per \$100 of assessed property value ratio sufficient to support future debt repayments? 4**
13. Was the school district's administrative cost ratio equal to or less than the threshold ratio? **10**

Indicators

14. Did the school district not have a 15 percent decline in the students to staff ratio over 3 years? 10
15. Was the school district's ADA within the allotted range of the district's biennial pupil projections submitted to TEA? 5
16. Did the comparison of PEIMS data to like information in the school district's AFR result in a total variance of less than 3 percent of all expenditures by function? PASSED
17. Did the external independent auditor report that the AFR was free of any instances of material weakness in internal controls over financial reporting and compliance for local, state, or federal funds? PASSED

Indicators

18. Did the external independent audit report indicate the AFR was free of any instances of material noncompliance for grants, contracts, and laws related to local, state, or federal funds? **10**
19. Did the school district post the required financial information on its website in accordance with Government Code, Local Government Code, Texas Education Code, and other statutes, laws and rules that were in effect at the school district's fiscal year end? **5**
20. Did the school board members discuss the district's property values at a board meeting within 120 days before the district adopted its budget? **PASSED**
21. Did the school district receive an adjusted repayment schedule for more than one fiscal year for an over-allocation of FSP funds because of a financial hardship? **PASSED**

Determination of Rating

Did the school district fail any of the critical indicators: 1, 2, 3, or 4? NO	
Did the school district fail any of the ceiling indicators? NO	
Determine the rating by the applicable number of points. 94	
A = Superior Achievement	90-100
B = Above Standard Achievement	80-89
C = Meets Standard Achievement	70-79
F = Substandard Achievement	<70

*Based on 2023-2024 school year data

RATINGS	COUNT	% Total
A = Superior	866	85.07%
B = Above Standard	84	8.25%
C = Meets Standard	50	4.91%
F = Substandard Achievement	18	1.77%
TOTAL	1,018	100.0%

Statewide Statistics

DISCLOSURES

Superintendent's Contract

Total Reimbursements received by the Superintendent and each Board Member.

Compensation and/or fees received by the Superintendent from another school district or any other outside entity in exchange for professional consulting and/or other personal services.

Gifts received by Executive Officers and Board Members that had an economic value of \$250 or more.

Business Transactions between the School District and Board Members.

Public Comment

**School FIRST Annual Financial Management Report
MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT**

Title 19 Texas Administrative Code Chapter 109, Budgeting, Accounting, and Auditing Subchapter AA, Commissioner's Rules Concerning Financial Accountability Rating System, Section 109.1001(q). Effective 8/1/2018.

The template has been established to help the districts in gathering their data and presenting it at their School FIRST hearing. The template may not be all inclusive.

Superintendent’s Current Employment Contract

A copy of the superintendent's current employment contract at the time of the School FIRST hearing is to be provided. In lieu of publication in the annual School FIRST financial management report, the school district may chose to publish the superintendent's employment contract on the school district's Internet site.

If published on the Internet, the contract is to remain accessible for twelve months.

Reimbursements Received by the Superintendent and Board Members

For the Twelve-Month Period
Ended August 31, 2024

Description of Reimbursements	Superintendent	Blane Nash	Beth Zinsmeyer	Jennilea Campbell	Nathan Fillinger	Veronica Cavazos	Matthew Castiglione	Jason Bonney
Meals	\$	\$	\$	\$	\$	\$	\$	\$
Lodging	\$ 576.99	\$ 576.99	\$ 576.99	\$ 576.99	\$ 576.99		\$ 576.99	\$ 576.99
Transportation								
Motor Fuel								
Other: Registration TASA/TASB	\$ 485.00	\$ 485.00	\$ 485.00	\$ 485.00	\$ 485.00		\$ 485.00	\$ 485.00
Total	\$1,061.99	\$1,061.99	\$1,061.99	\$1,061.99	\$1,061.99	\$0.00	\$1,061.99	\$1,061.99

All “reimbursements” expenses, regardless of the manner of payment, including direct pay, credit card, cash, and purchase order are to be reported. Items to be reported per category include:

- Meals – Meals consumed out of town, and in-district meals at area restaurants (outside of board meetings, excludes catered board meeting meals).
- Lodging - Hotel charges.
- Transportation - Airfare, car rental (can include fuel on rental, taxis, mileage reimbursements, leased cars, parking and tolls).
- Motor fuel – Gasoline.
- Other: - Registration fees, telephone/cell phone, internet service, fax machine, and other reimbursements (or on-behalf of) to the superintendent and board member not defined above.

Outside Compensation and/or Fees Received by the Superintendent for Professional Consulting and/or Other Personal Services

For the Twelve-Month Period
Ended August 31, 2024

Name(s) of Entity(ies)	Amount Received
	\$

Total \$0.00

Compensation does not include business revenues generated from a family business (farming, ranching, etc.) that has no relation to school district business.

**Gifts Received by Executive Officers and Board Members (and First Degree Relatives, if any)
(gifts that had an economic value of \$250 or more in the aggregate in the fiscal year)**

For the Twelve-Month Period
Ended August 31, 2024

	Superintendent	Blane Nash	Beth Zinsmeyer	Jennilea Campbell	Nathan Fillinger	Veronica Cavazos	Matthew Castiglione	Jason Bonney
Total	\$0	\$0	\$0	\$0	\$0	\$0	\$0	\$0

Note – An executive officer is defined as the superintendent, unless the board of trustees or the district administration names additional staff under this classification for local officials.

Business Transactions Between School District and Board Members

For the Twelve-Month Period
Ended August 31, 2024

	Blane Nash	Beth Zinsmeyer	Jennilea Campbell	Nathan Fillinger	Veronica Cavazos	Matthew Castiglione	Jason Bonney
Amounts	\$0	\$0	\$0	\$0	\$0	\$0	\$0

Note - The summary amounts reported under this disclosure are not to duplicate the items disclosed in the summary schedule of reimbursements received by board members.

RATING YEAR DISTRICT NUMBER

Financial Integrity Rating System of Texas

2024-2025 RATINGS BASED ON SCHOOL YEAR 2023-2024 DATA - DISTRICT STATUS DETAIL

Name: KOUNTZE ISD(100903)	Publication Level 1: 8/8/2025 12:54:09 PM
Status: Passed	Publication Level 2: 8/8/2025 4:49:42 PM
Rating: A = Superior Achievement	Last Updated: 8/8/2025 4:49:42 PM
District Score: 98	Passing Score: 70

#	Indicator Description	Updated	Score
1	<u>Was the complete annual financial report (AFR) and data submitted to the TEA within 30 days of the November 27 or January 28 deadline depending on the school district’s fiscal year end date of June 30 or August 31, respectively?</u>	4/23/2025 6:09:51 PM	Yes
2	<u>Was there an unmodified opinion in the AFR on the financial statements as a whole? (The American Institute of Certified Public Accountants (AICPA) defines unmodified opinion. The external independent auditor determines if there was an unmodified opinion.)</u>	4/23/2025 6:09:51 PM	Yes
3	<u>Was the school district in compliance with the payment terms of all debt agreements at fiscal year end? (If the school district was in default in a prior fiscal year, an exemption applies in following years if the school district is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (= person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)</u>	4/23/2025 6:09:51 PM	Yes
4	<u>Did the school district make timely payments to the Teachers Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other government agencies? (If the school district received a warrant hold and the warrant hold was not cleared within 30 days from the date the warrant hold was issued, the school district is considered to not have made timely payments and will fail critical indicator 4. If the school district was issued a warrant hold, the maximum points and highest rating that the school district may receive is 95 points, A = Superior Achievement, even if the issue surrounding the initial warrant hold was resolved and cleared within 30 days.)</u>	4/23/2025 6:09:51 PM	Yes Ceiling Passed
			1 Multiplier Sum
5	<u>Was the total net position in the governmental activities column in the Statement of Net Position (net of accretion of interest for capital appreciation bonds, net pension liability, and other post-employment benefits) greater than zero? (If it is not, the maximum points and highest rating that the school district may receive is 79 points, C = Meets Standard Achievement, unless the school district has an increase of students in membership over 5 years of 7 percent or more or 1,000 or more students in membership. If the school district has an increase of students in membership over 5 years of 7 percent or more or 1,000 or more students in membership, the</u>	4/23/2025 6:09:51 PM	Ceiling Passed

	<u>maximum points and highest rating that the school district may receive is 89 points, B = Above Standard Achievement.)</u>		
6	<u>Was the average change in (assigned and unassigned) fund balances over 3 years less than a 25 percent decrease or did the current year's assigned and unassigned fund balances exceed 75 days of operational expenditures? (If the school district fails indicator 6, the maximum points and highest rating that the school district may receive is 89 points, B = Above Standard Achievement.)</u>	4/23/2025 6:09:51 PM	Ceiling Passed
7	<u>Was the number of days of cash on hand and current investments in the general fund for the school district sufficient to cover operating expenditures (excluding facilities acquisition and construction)? See ranges below in the Determination of Points section.</u>	4/23/2025 6:09:51 PM	10
8	<u>Was the measure of current assets to current liabilities ratio for the school district sufficient to cover short-term debt? See ranges below in the Determination of Points section.</u>	4/23/2025 6:09:51 PM	10
9	<u>Did the school district's general fund revenues equal or exceed expenditures (excluding facilities acquisition and construction)? If not, was the school district's number of days of cash on hand greater than or equal to 60 days? See ranges below in the Determination of Points section.</u>	4/23/2025 6:09:51 PM	10
10	This indicator is not being evaluated.		10
11	<u>Was the ratio of long-term liabilities to total assets for the school district sufficient to support long-term solvency? (If the school district's increase of students in membership over 5 years was 7 percent or more or 1,000 or more students in membership, then the school district passes this indicator.)</u>	4/23/2025 6:09:51 PM	10
12	<u>What is the correlation between future debt requirements and the district's assessed property value?</u>	4/23/2025 6:09:51 PM	10
13	<u>Was the school district's administrative cost ratio equal to or less than the threshold ratio? See ranges below in the Determination of Points section.</u>	4/23/2025 6:09:51 PM	8
14	<u>Did the school district not have a 15 percent decline in the students to staff ratio over 3 years (total enrollment to total staff)? If the student enrollment did not decrease, the school district will automatically pass this indicator.</u>	4/23/2025 6:09:51 PM	10
15	<u>Was the school district's ADA within the allotted range of the district's biennial pupil projection(s) submitted to TEA? If the district did not submit pupil projections to TEA, did it certify TEA's projections? See ranges below in the Determination of Points section.</u>	4/23/2025 6:09:51 PM	5
16	<u>Did the comparison of Public Education Information Management System (PEIMS) data to like information in the school district's AFR result in a total variance of less than 3 percent of all expenditures by function? (If the school district fails indicator 16, the maximum points and highest rating that the school district may receive is 89 points, B = Above Standard Achievement.)</u>	4/23/2025 6:09:51 PM	Ceiling Passed
17	<u>Did the external independent auditor report that the AFR was free of any instance(s) of material weaknesses in internal controls over financial reporting and compliance for local, state, or federal funds and free from substantial doubt about the school district's ability to continue as a going concern? (The AICPA defines material weakness.) (If the school district fails indicator 17, the maximum points and highest rating that the school district may receive is 79 points, C = Meets Standard Achievement.)</u>	4/23/2025 6:09:51 PM	Ceiling Passed
18	<u>Did the external independent auditor indicate the AFR was free of any instance(s) of material noncompliance for grants, contracts, and laws related to local, state, or federal funds? (The AICPA defines material noncompliance.)</u>	4/23/2025 6:09:51 PM	10
19	<u>Did the school district post the required financial information on its website in accordance with Government Code, Local Government Code, Texas Education Code, Texas Administrative Code and other statutes, laws and rules that were in effect at the school district's fiscal year end?</u>	4/23/2025 6:09:51 PM	5

20	<u>Did the school district's administration and school board members discuss any changes and/or impact to local, state, and federal funding at a board meeting within 120 days before the district adopted its budget?</u>	4/23/2025 6:09:51 PM	Ceiling Passed
21	<u>Did the school district receive an adjusted repayment schedule for more than one fiscal year for an over-allocation of Foundation School Program (FSP) funds because of a financial hardship?</u>	4/23/2025 6:09:51 PM	Ceiling Passed

DETERMINATION OF RATING

A.	Did the school district fail any of the critical indicators 1, 2, 3, or 4? If so, the school district's rating is F for Substandard Achievement regardless of points earned.	
B.	Determine the rating by the applicable number of points.	
	A = Superior Achievement	90-100
	B = Above Standard Achievement	80-89
	C = Meets Standard Achievement	70-79
	F = Substandard Achievement	<70
<p>No Rating = A school district receiving territory that annexes with a school district ordered by the commissioner under TEC 13.054, or consolidation under Subchapter H, Chapter 41. No rating will be issued for the school district receiving territory until the third year after the annexation/consolidation.</p> <p>The school district receives an F if it scores below the minimum passing score, if it failed any critical indicator 1, 2, 3, or 4, if the AFR or the data were not both complete, or if either the AFR or the data were not submitted on time for FIRST analysis.</p>		

CEILING INDICATORS

<p>Did the school district meet the criteria for any of the following ceiling indicators 4, 5, 6, 16, 17, 20, or 21? If so, the school district's applicable maximum points and rating are disclosed below. Please note, an F = Substandard Achievement Rating supersedes any rating earned as the result of the school district meeting the criteria of a ceiling indicator.</p>		
Determination of rating based on meeting ceiling criteria.	Maximum Points	Maximum Rating
Indicator 4 (Timely Payments) - School district was issued a warrant hold.	95	A = Superior Achievement
Indicator 5 (Total Net Position) - Negative total net position and do not have 7% or more or 1.000 or more increase in growth in students in membership over 5 years.	79	C = Meets Standard Achievement 20

Indicator 6 (Average Change in Fund Balance) - Response to indicator is <i>No</i> .	89	B = Above Standard Achievement
Indicator 16 (PEIMS to AFR) - Response to indicator is <i>No</i> .	89	B = Above Standard Achievement
Indicator 17 (Material Weaknesses) - Response to indicator is <i>No</i> .	79	C = Meets Standard Achievement
Indicator 20 (Property Values and Tax Discussion) - Response to indicator is <i>No</i> .	89	B = Above Standard Achievement
Indicator 21 (FSP Repayment Plan) - Response to indicator is <i>Yes</i> .	70	C = Meets Standard Achievement

Medina Valley Independent School District

Monthly Financial Report

October 2025

Executive Summary

Financial Highlights: In the general fund, the district has collected 26% of budgeted revenues and spent 19% of budgeted expenses. In October 2025, the district collected 19% of actual revenue and spent 17% of actual expenses. For October most of the revenue received is from state aid as local collections are not anticipated until December. In the food service fund, the district has collected 20% of budgeted revenues and spent 14% of budgeted expenses. Minimal revenue and expenses have been recognized in the debt service fund as revenue is mostly sourced from local tax collections and debt payments are due in February and August of 2026.

Fund Balance

Agenda Item Memorandum

To: MVISD Board of Trustees

Date: Regular Monthly Board Meeting

Agenda item: Consider approval of Consent Agenda Items

Background Information and Administrative Consideration

Consent agenda items are presented to the Board as a single bundled action, requiring only one motion for approval. These typically include budgeted purchases over \$50,000, annual contracts, and routine matters that require Board authorization. All consent items are thoroughly vetted by the administration and reviewed during Board Committee Meetings, and/or Board Updates.

Supporting Documents

Each item has attached supporting documents.

Recommendation

Administration recommends that the Board approves the Consent Agenda as presented.

Medina Valley Independent School District

Regular Board Meeting Minutes

Monday, October 27, 2025, 6:00 PM

Medina Valley ISD Central Office Board Room

A **Regular Board Meeting** of the Board of Trustees was held Monday, October 27, 2025, beginning at 6:00 PM at the Medina Valley ISD Central Office Board Room.

I. **First Order of Business**

A Call Meeting to Order

Nathan Fillinger, Board President, called the Medina Valley ISD Regular Board Meeting to order at 6:00 pm on October 27, 2025.

B Establish a Quorum

Nathan Fillinger, Board President

Joe Biediger, Board Secretary

Board Approved _____

Agenda Item Memorandum

To: MVISD Board of Trustees

Date: November 20, 2025

Agenda item: Consider Authorizing Road Work and Escrow Agreement Between Board of Trustees of Medina Valley Independent School District and Continental Homes of Texas, L.P. (d/b/a DR Horton)

Background Information

Both DR Horton and MVISD were required to do roadwork improvements along FM 1957 and CR 381 due to the new construction projects we each have in the area. Both entities met and discussed a cost sharing option for the areas that overlapped in scope.

Administrative Consideration

Both MVISD and DR Horton have agreed to the cost sharing and scope of work. The construction budget for the shared portion is in the amount of \$927,816. DR Horton will be depositing \$463,908 into an escrow account. MVISD will be utilizing Bartlett Cocke to perform the entire work and draws will be made from DR Horton's escrow account as the project progresses.

Recommendation:

It is recommended the Board approve Authorizing Road Work and Escrow Agreement Between Board Of Trustees Of Medina Valley Independent School District And Continental Homes Of Texas, L.P. (d/b/a DR Horton) and allow the superintendent to execute the agreement.

ROAD WORK AND ESCROW AGREEMENT

This Road Work and Escrow Agreement (this “Agreement”) is made and entered into by and between **CONTINENTAL HOMES OF TEXAS, L.P.**, a Texas limited partnership doing business as D.R. Horton ~ America’s Builder (“DR HORTON”), **THE BOARD OF TRUSTEES OF THE MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT**, an independent school district in the State of Texas (“MVISD”), and **CHICAGO TITLE COMPANY** (“Escrow Agent”). This “Effective Date” of this Agreement shall be the date this Agreement is fully executed by all parties, including execution by a DR HORTON Authorized Officer (as defined in Section 5.15 below).

RECITALS:

A. MVISD will construct a Roadway in the approximate location shown on Exhibit A of this Agreement (the “Roadway”), connecting Galm Road to Potranco Road, together with ancillary improvements along the intersection of the two roads, including traffic control, drainage, signing and pavement markings, traffic signal, and SWPPP (the Roadway and such ancillary improvements being referred to collectively as the “Roadway Work”).

B. DR HORTON and MVISD intend to share in certain costs associated with a portion of the Roadway Work, specifically certain work involving the intersection of Potranco Road and Galm Road, including traffic control, a portion of the Roadway, drainage, signing and pavement markings, traffic signal, and SWPPP at that intersection (collectively, “Shared Roadway Work”). The location, plans and specifications for construction of the Roadway Work and the Shared Roadway Work (the “Approved Plans”), are more fully described on Exhibit A, attached hereto and incorporated herein. Exhibit A shows the portions of the Shared Roadway Work in red, and the portions of the Roadway Work MVISD is solely responsible for in blue. Exhibit B, attached hereto, shows the estimated costs associated with the Shared Roadway Work.

C. Within five (5) business days following the Effective Date of this Agreement, DR HORTON and MVISD will each deposit \$463,908.00 in escrow, with escrowed funds to be held pursuant to the terms of this Agreement (the escrow deposits from DR HORTON and MVISD, together with all additional deposits, earnings and interest thereon, are collectively referred to herein as the “Escrow Amount”).

D. MVISD has entered into a that certain AIA Document A133 – 2019 Standard Form of Agreement between Owner and Construction Manager as Contractor dated April 12, 2023 to construct the Roadway Work, including the Shared Roadway Work (the “Construction Contract”) with Bartlett Cocke (the “Contractor”), a copy of which has been delivered to DR HORTON.

E. The Roadway Work is intended to provide improved road access to a new school that will be constructed by MVISD. MVISD has found a public purpose in participating in the cost of construction of this road.

F. The terms of this Agreement set forth the obligations of Escrow Agent with respect to the holding and distribution of the Escrow Amount.

ARTICLE I
ROADWAY WORK; ESTABLISHMENT OF ESCROW; PAYMENT OF DRAWS

1.01 Shared Roadway Work.

(a) The “Project Manager”, as such term is used in this Agreement, shall mean the party responsible for management and oversight of all work relating to the engineering, design, permitting, construction, and completion of the Shared Roadway Work, in accordance with this Agreement. Commencing on the Effective Date, MVISD agrees to and shall serve as Project Manager until the earlier of (i) final completion of the Shared Roadway Work in accordance with this Agreement or (ii) DR HORTON assumes the role of Project Manager pursuant to Section 4.02 below.

(b) DR HORTON and MVISD hereby approve: (i) a budget of all Costs (as defined below) to be incurred with respect to designing, engineering, permitting, and constructing the Shared Roadway Work (the “Approved Budget”), which is attached hereto as Exhibit B; (ii) the location, plans and specifications for construction of the Shared Roadway Work (the “Approved Plans”), which Approved Plans are more fully described on Exhibit A attached hereto; and (iii) the Construction Contract, as it pertains to the Shared Roadway Work.

(c) As used in this Agreement, “Costs” means all costs and expenses associated with the construction of the Roadway Work or Shared Roadway Work, as applicable, including engineering costs, design costs, and actual construction costs, but excluding allocable overhead and the like. The Roadway Work and Shared Roadway Work shall be done in a good and workmanlike manner, lien free, and substantially in accordance with the Approved Plans, the Permits (defined below), all provisions of this Agreement, and all applicable laws and regulations, including, without limitation, all rules, regulations, ordinances, statutes and guidelines promulgated by any governmental or regulatory authority having jurisdiction over, or with respect to, the Shared Roadway Work (collectively, the "Governmental Authorities"). Without limiting the generality of the foregoing, MVISD shall prepare construction contract documents, advertise for bids, and let the Construction Contract for the Shared Roadway Work in accordance with Chapter 2269 of the Texas Government Code. Procurement of construction services shall be done in compliance with Chapter 2269, Subchapter D, Texas Government Code. If changes in the Approved Plans for the Shared Roadway Work are necessary, or if it is necessary to decrease or increase the quantity of the work to be performed or of the materials, equipment, or supplies to be furnished by the Contractor, MVISD shall submit such changes to DR HORTON for review. No changes to the Approved Budget, the location of the Shared Roadway Work or the Approved Plans as they pertain to the Shared Roadway Work shall be permitted without the prior written approval of DR HORTON and MVISD, which approval shall not be unreasonably withheld, conditioned or delayed. Any changes to the Approved Plans for the Shared Roadway Work required by any applicable Governmental Authorities will be at DR HORTON’s and MVISD’s shared cost and expense (on a 50/50 basis). Any change approved by the parties to the Approved Plans for the Shared Roadway Work not required by any Governmental Authority but (i) requested by DR HORTON shall be at DR HORTON’s sole cost and expense, or (ii) requested by MVISD shall be at MVISD’s sole cost and expense. However, nothing in this paragraph shall obligate MVISD to issue a change order which, alone or taken together with previously issued change orders, would violate applicable state procurement laws, including Chapter 2269 of the Texas Government Code.

(d) The Construction Contract includes the Approved Plans for the Shared Roadway Work prepared by the project engineer, and provides for, among other things, the following:

(i) Compliance with all applicable laws regarding the Shared Roadway Work performed and/or improvements constructed pursuant to this Agreement;

(ii) Completion of the Shared Roadway Work in accordance with the Approved Plans, this Agreement and the Completion Date (as defined below);

(iii) Recognition of DR HORTON's right to assume control of the Shared Roadway Work in the place of MVISD as herein provided pursuant to Article IV below; and

(iv) the use of lien waivers (partial and full) which comply with the requirements of applicable state law and the terms, provisions and conditions of this Agreement.

(e) Prior to the commencement of construction of the Shared Roadway Work, a performance bond will be executed by Contractor in an amount equal to the Construction Contract Price, to insure completion of the Shared Roadway Work project. Pursuant to Chapter 2253 of the Texas Government Code, Contractor will execute a payment bond with sufficient surety to guarantee any claims made in conjunction with the Shared Roadway Work project.

(f) After the Effective Date of this Agreement, MVISD will (i) finalize designs for the Shared Roadway Work and make commercially reasonable and diligent efforts to obtain all necessary approvals of the Approved Plans for the Shared Roadway Work from all Governmental Authorities (the "Permits"); (ii) enter into the Construction Contract for construction of the Shared Roadway Work with the Contractor; and (iii) thereafter, diligently manage the construction of the Shared Roadway Work through final completion thereof no later than TWENTY-FOUR (24) MONTHS following the Effective Date (the "Completion Date"). As used herein, "final completion" is defined as such time at which the Shared Roadway Work has been substantially completed in accordance with all Approved Plans and is operational. Upon the completion of the Shared Roadway Work, MVISD shall give notice to DR HORTON that the Shared Roadway Work is complete and ready for final inspection by DR HORTON. Within five (5) business days after such notice, DR HORTON shall conduct an inspection thereof and make any good faith objections thereto, in which event MVISD shall promptly cause any such objections to be cured or corrected. If no written objections are made or all objections are satisfied, MVISD shall cause its engineer to issue a final certificate of completion certifying to DR HORTON and MVISD that the Shared Roadway Work is completed in accordance with the Approved Plans, the Permits and all applicable laws and regulations, and MVISD shall provide a copy of such certificate to DR HORTON. In addition to the foregoing, MVISD shall diligently pursue obtaining initial acceptance by TXDOT of the Shared Roadway Work within thirty (30) days after the Completion Date.

(g) DR HORTON agrees to pay for one-half of the Costs of the Shared Roadway Work. MVISD agrees to pay for the other half of the Shared Roadway Work. The current Costs of the Shared Roadway Work are estimated to be \$927,816.00 ("Shared Roadway Cost"). MVISD agrees that the remainder of the Roadway Work indicated in blue on Exhibit A will be performed by MVISD and all Costs thereof will be borne solely by MVISD. The Texas Department of Transportation ("TXDOT") is the owner of the Roadway land and all land upon which the Shared Roadway Work will be constructed, and MVISD agrees to donate the Roadway Work and Shared Roadway Work as a public right-of-way to TXDOT after final completion of the Roadway Work and Shared Roadway Work, which donation is subject to a separate agreement between TXDOT and MVISD.

(h) The parties agree that they will at all times and in all matters respecting the performance of the Shared Roadway Work deal with each other in good faith, will cooperate with each other in carrying out the development of their respective property, will not unreasonably withhold or delay consent when needed by any other party hereto and provided for or required herein, and will execute and deliver any document reasonably needed by any other party hereto in order to fulfill the purposes of this Agreement.

1.02 **Escrow.**

(a) Within five (5) business days following the Effective Date of this Agreement, (i) DR HORTON shall deposit with Escrow Agent in cash the amount of \$463,908.00, which represents DR HORTON's estimated share of the Shared Roadway Cost, as of the date of this Agreement, to complete the portion of the Shared Roadway Work indicated in red on Exhibit A and to be designed and constructed by MVIDS in accordance with the terms of this Agreement, and (ii) MVIDS shall deposit with Escrow Agent in cash the amount of \$463,908.00, which represents MVIDS's estimated share of the Shared Roadway Cost, as of the date of this Agreement, to complete the portion of the Shared Roadway Work indicated in red on Exhibit A and to be designed and constructed by MVIDS in accordance with the terms of this Agreement.

(b) The Escrow Amount shall be used to fund the Costs of Shared Roadway Work in accordance with this Agreement. Escrow Agent will acknowledge receipt to each party of the Escrow Amount promptly following its receipt thereof and agrees to hold and disburse the Escrow Amount for the benefit of the parties, solely in accordance with the provisions of this Agreement.

1.03 **Payment of Draws.** No more frequently than once every thirty (30) days after MVIDS issues a notice to proceed to the Contractor pursuant to the Construction Contract and through and including final completion, MVIDS (or DR HORTON, if DR HORTON has elected to assume the role of Project Manager following an uncured default by MVIDS under this Agreement) shall obtain and deliver to Escrow Agent and DR HORTON (or to MVIDS, as applicable) copies of the Contractor's draw applications [as approved in writing by MVIDS (or DR HORTON, as applicable) and the project engineer], together with a schedule of values for items completed and items remaining to be completed under the Construction Contract, and together with conditional lien waivers or all-bills-paid affidavits from the Contractor and its subcontractors, if any, for work performed under the Construction Contract and paid by MVIDS (or DR HORTON, as applicable) (collectively, a "Draw Request"). Unless the Escrow Agent receives contrary written instructions from a party within ten (10) days after receipt of the Draw Request (a "Draw Request Challenge Notice"), Escrow Agent is authorized to disburse to the requesting party the amount shown on such Draw Request. If a Draw Request Challenge Notice is given, Escrow Agent shall withhold the portion of the required disbursement specified in such Draw Request Challenge Notice until the parties deliver a joint notice to Escrow Agent that the dispute has been resolved, authorizing disbursement as set forth in such joint notice. Upon approval or deemed approval of a Draw Request, Escrow Agent shall disburse the amount reflected in the Draw Request (less a five percent (5%) retainage to be maintained by Escrow Agent and paid as a part of the final Draw Request upon final completion of the Shared Roadway Work) attributable to any portion of the Shared Roadway Work which is not objected to in a Draw Request Challenge Notice. Each Draw Request shall specify the net amount to be distributed by the Escrow Agent, so that there is no confusion as to whether or not the five percent (5%) retainage amount has already been taken into account when computing the amount to be disbursed. Notwithstanding anything herein to the contrary, prior to being required to make a requested disbursement, Escrow Agent shall have the right to request written confirmation from a counter-party to a request for disbursement that such party has actually received a copy of the disbursement request and does not dispute the disbursement by Escrow Agent.

1.04 **Excess Costs.** If the Costs of constructing the Shared Roadway Work exceeds \$927,816.00, then the current construction Project Manager shall submit to the other party the construction Project Manager's description of the excess Costs for approval, and both MVIDS and DR HORTON shall each promptly deposit with Escrow Agent in cash one-half of the excess Costs for Escrow Agent to disburse such amount to MVIDS for payment of the applicable Draw Request.

ARTICLE II
TERM; DISTRIBUTION OF ESCROW AMOUNT; LIMITS

2.01 **Term.** The term of this Agreement shall commence on the date hereof and shall terminate at such time as final completion of the Shared Roadway Work occurs and the entire Escrow Amount has been distributed pursuant to the terms of this Agreement. After all of such funds have been so delivered, all rights, duties and obligations of the respective parties hereunder shall terminate, and Escrow Agent shall have no further liability or obligations to any party with respect hereto.

Contractor's warranties for the Shared Roadway Work shall survive the termination of this Agreement.

2.02 **Distribution of the Escrow Amount.**

(a) Escrow Agent is authorized to disburse the Escrow Amount only as follows:

(i) in accordance with the instructions set forth above; or

(ii) any balance of the Escrow Amount remaining after the final disbursement to MVISD in accordance with this Agreement shall be disbursed one-half to DR HORTON and one-half to MVISD.

(b) MVISD and DR HORTON covenant and agree to execute and deliver appropriate notices to Escrow Agent with respect to the disposition of the Escrow Amount in accordance with this Agreement.

(c) Escrow Agent shall have neither duty nor the authority to verify the accuracy of the information contained in any written letter of direction nor the genuineness of any signature thereto or the authority of any signatory to execute and deliver the same.

ARTICLE III
ESCROW AGENT

3.01 **Appointment.** MVISD and DR HORTON hereby designate and appoint Escrow Agent as "Escrow Agent" under this Agreement and Escrow Agent hereby accepts such designation and appointment, subject to all the provisions of this Agreement.

3.02 **Liability.** Escrow Agent, in its capacity as such, or any successor Escrow Agent, shall be liable only to hold the Escrow Amount and to deliver the same to the persons named herein in accordance with the provisions of this Agreement. Escrow Agent's duties and responsibilities shall be limited to those expressly set forth in this Agreement and Escrow Agent shall not be subject to any other agreement between, or direction or instruction of, any of the parties hereto, even though reference thereto may be made herein. By acceptance of this Agreement, Escrow Agent, in its capacity as such, or any successor Escrow Agent, is acting in the capacity of a depository only, and shall not be liable or responsible for any damages, losses or expenses unless such damages, losses or expenses shall be caused by the gross negligence or willful misconduct of Escrow Agent in failing to follow instructions issued hereunder as provided above (and in no event for special or consequential damages). Neither Escrow Agent, in its capacity as such, nor any successor Escrow Agent, shall incur any liability with respect to (a) any action taken or omitted in good faith upon the advice of its counsel with respect to any questions relating to the duties and responsibilities of Escrow Agent under this Agreement; or (b) any action taken or omitted in reliance upon any instrument, including the written instructions provided for herein, not only as to the due

execution of such instrument, or the identity, or authority of any person executing such instrument, or the validity and effectiveness of such instrument, but also as to the truth and accuracy of any information contained therein. Escrow Agent shall have no duty to monitor or enforce compliance by any other party with respect to any term of this Agreement. In the event adverse claims are made by either party regarding the Escrow Amount, Escrow Agent shall be entitled, without liability, to refrain and refuse to act until all of the rights of the adverse claimants have been either fully resolved among themselves, arbitrated to a final award, or finally adjudicated by a court having jurisdiction over the dispute. If the Escrow Amount is (i) attached, garnished or levied upon under the order of any court, or (ii) delivery thereto is stayed or enjoined by the order of any court, or (iii) any other order, judgment or decree shall be entered by any court affecting the Escrow Amount, then Escrow Agent is authorized to obey and comply with all writs, orders or decrees so entered or issued and shall not be liable to any party by reason of its compliance therewith, even if such writ, order or decree is subsequently reversed, modified, set aside or vacated. In the case of a dispute relating to the Escrow Amount or the receipt by Escrow Agent of conflicting instructions with respect to the Escrow Amount, Escrow Agent may, in its discretion, interplead the parties hereto in state or federal court having jurisdiction in Medina County, Texas and the Escrow Amount shall be deposited with such court. In such event, Escrow Agent shall be released of and discharged from any further obligations under this Agreement. Any action requested to be taken by Escrow Agent hereunder and not otherwise specifically set forth herein shall require the agreement in writing of DR HORTON, MVISD and Escrow Agent. Escrow Agent shall have only the duties specified hereunder, which are ministerial in nature and shall not be deemed a fiduciary for any of the parties hereto.

3.03 **Rights in Escrow Amount.** None of the parties shall have the ability to pledge, convey or grant a lien on the Escrow Amount until disbursement of all or any portion of the Escrow Amount pursuant to this Agreement. Escrow Agent shall be in sole possession of the Escrow Amount and will not act on behalf of the parties for the purpose of perfecting a security interest therein.

3.04 **Successors.** Escrow Agent, with the prior written consent of MVISD and DR HORTON, may by written instrument designate another title company, bank or trust company to act as successor Escrow Agent. Any such successor Escrow Agent must agree to be and shall be bound by, and shall have all the rights, duties and responsibilities of Escrow Agent under this Agreement. No assignment of the interest of MVISD or DR HORTON hereunder shall be binding upon Escrow Agent until written evidence of such assignment shall be filed with and accepted by Escrow Agent.

3.05 **Expenses.** Compensation for the normal services of Escrow Agent shall be borne by each party to this Agreement, equally. Escrow Agent shall be reimbursed for any reasonable expenses, including the actual out-of-pocket cost of outside legal services should Escrow Agent deem it necessary to retain an outside attorney, as well as court costs and charges, if applicable, and each party to this Agreement shall share equally the reimbursement of such expenses of Escrow Agent. Escrow Agent shall not be liable for any action taken in good faith in accordance with the advice of an attorney.

3.06 **Indemnification.** To the extent permitted by law, MVISD and DR HORTON, severally and not jointly, agree to indemnify and hold harmless Escrow Agent from and against all liabilities, losses, damages, actions suits, costs and expenses (including reasonable attorneys' fees) of whatever kind or nature that may at any time be imposed on or incurred by Escrow Agent in connection with the performance of its duties and obligations hereunder, other than those arising by reason of gross negligence or willful misconduct of Escrow Agent.

3.07 **Investment of Escrow Amount.** Escrow Agent shall invest the Escrow Amount in the highest insured interest-bearing account known to Escrow Agent; provided the Escrow Amount can be withdrawn from the account by Escrow Agent without cost or penalty within forty-eight (48) hours or less

notice. Escrow Agent shall have no liability or responsibility for any losses incurred in any such investment or for loss of interest or any penalties which are imposed because of early withdrawal of the securities or certificates in which any portion of the Escrow Amount may be invested and Escrow Agent is hereby authorized to make such early withdrawal if necessary to make a distribution from the Escrow Amount in accordance with this Agreement. Any loss or expense incurred as a result of an investment will be borne by the Escrow Amount. The parties recognize and agree that Escrow Agent will not provide supervision, recommendations or advice relating to the investments of the Escrow Amount or the purchase, sale, retention or disposition of any such investments. Escrow Agent agrees to issue periodic statements to the parties regarding the balances and activity in the Escrow Amount.

3.08 **Tax Matters.**

(a) MVISD and DR HORTON shall provide Escrow Agent with their respective Tax Identification Numbers (TIN's) as assigned by the Internal Revenue Service on an IRS Form W-9.

(b) Any taxes payable in respect of income earned from the investment of any funds held in the Escrow Amount shall be the obligation of and shall be paid when due by MVISD or DR HORTON, as applicable, whether or not the income was distributed by Escrow Agent during any particular year.

(c) Any tax returns (other than information returns such as the IRS Form 1099) required to be prepared and filed by MVISD or DR HORTON with the Internal Revenue Service in respect of any interest and other taxable income earned from the investment of any funds held in the Escrow Amount for all years during which the Escrow Amount remains in existence will be prepared and filed by MVISD or DR HORTON, as applicable, whether or not income is received or distributed in any particular tax year, and Escrow Agent shall have no responsibility for the preparation and/or filing of any tax return (other than information returns such as the IRS Form 1099) with respect to any interest and other taxable income earned from the investment of any funds held in the Escrow Amount.

**ARTICLE IV
DEFAULT AND REMEDIES**

4.01 **Default by MVISD.** MVISD shall be in default under this Agreement upon the occurrence of any one or more of the following events:

(a) MVISD fails to timely commence, diligently prosecute, and/or complete construction of the Shared Roadway Work by the Completion Date, and such failure continues for a period of thirty (30) days following written notice of such construction default from DR HORTON;

(b) MVISD fails to pay any architect, engineer, other design professional, or contractor with respect to the Shared Roadway Work (subject to MVISD's right to object to and contest claims), or if MVISD allows any lien to be filed against any of the Shared Roadway Work, and such default is not cured within fifteen (15) days following written notice of such construction default from DR HORTON;

(c) MVISD allows any Permit or other entitlement necessary for the construction of the Shared Roadway Work to lapse or be revoked;

(d) Any other default by MVISD under this Agreement that remains uncured for a period of thirty (30) days following written notice of such default from DR HORTON.

4.02 **Remedies for MVISD Default.** Upon any default by MVISD which is not cured within any applicable cure period, DR HORTON may, by written notice to MVISD (the "Assumption Notice"):

(a) assume the role of Project Manager hereunder and under the Construction Contract as to the Shared Roadway Work, in which event all contracts and other agreements with any contractor(s) constructing or performing other work in connection with the Shared Roadway Work shall be assigned to DR HORTON and all references herein to “Project Manager” shall thereafter mean and refer to DR HORTON; and/or (b) assume the role of Project Manager hereunder and require that MVIDS terminate any construction or other contracts relating to the Shared Roadway Work (and MVIDS hereby grants a limited power of attorney to DR HORTON solely for the purpose of carrying out such termination and otherwise effecting takeover of the role of Project Manager), in which event DR HORTON, acting as Project Manager, may thereafter select one or more other contractors for the completion of the Shared Roadway Work, in accordance with this Agreement, the Approved Plans, and applicable laws; and/or (c) pursue any other rights or remedies provided herein, at law or in equity. Upon assumption of the role of Project Manager by DR HORTON, (i) MVIDS will assign all Permits and entitlements relating to the Shared Roadway Work to DR HORTON, and (ii) DR HORTON shall thereafter be bound by all terms and covenants applicable to the Project Manager under this Agreement and shall have all rights and benefits of the Project Manager under this Agreement, including without limitation the right to submit Draw Requests and obtain the disbursement of funds held in the Escrow Amount pursuant to Article I above.

4.03 **Notice of Default.** In addition to the above provisions, in the event any party believes that the other party has defaulted on its obligations hereunder, the party that is alleging the default (hereafter whether one or more, referred to as “Claimant”) shall serve the party alleged of having defaulted (hereafter referred to as “Respondent”) with written notice of the specific terms and conditions the Claimant has alleged the Respondent has failed to perform (“Default Notice”). This written notice shall be served upon the Respondent by Claimant in writing by Certified Mail or overnight delivery with a recognized overnight carrier (e.g. UPS, Federal Express, or DHL).

4.04 **Opportunity to Cure.** Upon receipt of the Default Notice and except for an alleged default under Section 4.01(b) above, the Respondent shall have thirty (30) days from the date of receipt of the Default Notice to remedy the alleged default by taking appropriate actions.

4.05 **Enforcement.** In the event the Respondent to a claim of default fails to remedy or cure the alleged default within fifteen (15) or thirty (30) days, as applicable, then the Claimant shall have the right to exercise any rights or remedies specifically set forth in this Agreement and/or seek legal and/or equitable remedies against the Respondent for the alleged default by the Respondent as described in the Default Notice provided under Section 4.03 above; provided however, in no event shall either party have the right to terminate this Agreement as a result of any default by the other. In the event the Respondent is found, by a court of competent jurisdiction, to have been in default, the Respondent shall be required to pay, in addition to any amounts for damage awards as provided in the judgment of the court, any and all attorney’s fees, court costs, expert witness fees and any other fees expended by Claimant that were reasonably associated with and necessary for the bringing of the action by the Claimant for enforcement of the terms of this Agreement or collection of damages resulting from the actions or omissions constituting a default on the part of the Respondent. In the event the Claimant brings legal proceedings against the Respondent and the legal proceedings result in a judgment by a court of competent jurisdiction declaring that the Respondent has not breached the terms of this Agreement, the Claimant shall be responsible for the payment of any and all attorney’s fees, court costs, expert witness fees and any other fees expended by Respondent that were reasonably associated with and necessary for the provision of a defense by Respondent to the allegations asserted by Claimant in the litigation.

4.06 **Limitation on Damages.** Notwithstanding any provision of this Agreement to the contrary (including without limitation any indemnification covenants herein), the parties acknowledge and agree that no party shall have or make any claim, and all parties hereby waive any claim, for any and all consequential, punitive, exemplary, incidental, or delay damages arising from or connected with a

party's failure to timely complete any of the Shared Roadway Work, including without limitation achieving completion by the dates set forth herein; provided, however, the foregoing shall in no way limit claims for actual damages incurred by a party as a result of such failure, which actual damages the damaged party shall be entitled to claim and pursue.

4.07 **Disputes.** If a dispute arises between the parties with respect to this Agreement and a party's rights or obligations under this Agreement, then such party may deliver to the other party a notice ("Dispute Notice") stating and describing in reasonable detail the matter in dispute (the "Dispute"). The Dispute Notice will be sent in writing and by email to the other party. Any party receiving a Dispute Notice by email or any other method will promptly confirm and acknowledge receipt of the Dispute Notice.

(a) The parties will promptly, amicably, and in good faith attempt to resolve such Dispute through negotiations. The parties will cooperate to cause the appropriate employees and officials of the respective organizations to meet and discuss the Dispute, and the parties will include in such meetings the third-parties as may be reasonably necessary in order to properly address the subject matter of the Dispute (for example, engineers and contractors). The phrase "appropriate employees and officials" means those persons who have authority to negotiate and make decisions for each party; provided, however, each party acknowledges that depending on the Dispute, persons with final authority may not be involved in all negotiations. If the parties are unable to resolve the Dispute within thirty (30) days after the Dispute Notice, then the parties will submit the Dispute to non-binding mediation as set forth below.

(b) If negotiation is unsuccessful, the Dispute will be subject to non-binding mediation conducted as set forth herein. Any party wishing to commence mediation will send a written notice of intent to mediate to the other party (with a copy to the Escrow Agent, if the Dispute involves the Escrowed Amount), specifying in detail the nature of the Dispute and proposing a resolution of the Dispute ("Mediation Notice"). Within fifteen (15) days after such Mediation Notice is received by the other party, if the parties cannot agree on a proposed mediator, one will be appointed by the executive director or other functional equivalent of the AAA. Each party will designate no more than three (3) representatives who will meet with the mediator to mediate the Dispute. Mediation will be commenced as soon as reasonably possible and conducted in a mutually acceptable location in the City of San Antonio, Texas. The mediator will be a person having no conflict of interest relationship with a party. Any non-binding mediation conducted under the terms of this Section will be confidential to the extent permitted by any and all applicable laws. The cost of mediation will be borne equally by the parties. The mediation must be conducted and completed within ninety (90) days of the date of the Mediation Notice.

ARTICLE V MISCELLANEOUS

5.01 **Notices.** Each party shall keep each of the other parties hereto advised in writing of all transactions pursuant to this Agreement. Any notices or other communications required or permitted under this Agreement shall be in writing and shall be sufficiently given if sent by registered or certified mail, postage prepaid, or sent by reputable overnight delivery service addressed as follows:

5.02 **Construction.** This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to any applicable conflict of laws.

5.03 **Binding Effect.** This Agreement shall inure to the benefit of and be binding upon the respective heirs, executors, administrators, successors and assigns of the parties hereto.

5.04. **Severability.** If any provision or section of this Agreement is determined to be void or otherwise unenforceable, it shall not affect the validity or enforceability of any other provisions of this Agreement which shall remain unenforceable in accordance with their terms.

5.05 **Headings.** The headings and subheadings contained in this Agreement are for reference only and for the benefit of the parties and shall not be considered in the interpretation or construction of this Agreement.

5.06 **Electronic Execution.** The parties acknowledge and agree that execution of this Agreement may be accomplished by electronic signature utilizing DocuSign, Adobe E-Sign or any other mutually acceptable similar online, electronic, or digital signature technology. A facsimile or scanned copy or any counterpart or conformed copy of this Agreement, including use of Adobe PDF technology to merge pages and create a conformed copy of this Agreement, with the signature (original, faxed, or scanned signature or permitted electronic signature) of all the parties shall be binding on the parties. Except as provided in this Section 5.06 with respect to electronic signatures (*e.g.*, DocuSign, Adobe E-Sign) and faxing, scanning, and emailing, (a) the parties do not assent or agree to and will not be bound by any electronic record, and without limiting the foregoing, and (b) the parties agree that the Electronic Signatures in Global and National Commerce Act, any version of the Uniform Electronic Transactions Act, including without limitation Chapter 322 of the Texas Business and Commerce Code, and any other laws applicable to contracting electronically do not and shall not apply to the execution of this Agreement or any amendment hereto.

5.07 **Execution in Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. Signatures delivered by facsimile or electronically shall be deemed original signatures for all purposes of this Agreement.

5.08 **Amendments; Waivers.** This Agreement may be amended from time to time but only by written agreement by all of the parties hereto. No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any party or any right, power or privilege hereunder, nor any single or partial exercise of any right, power or privilege hereunder, preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

5.09 **Further Assurances.** Each of the parties shall execute such documents and other papers and take such further actions as may be reasonably required to carry out the provisions hereof and the transactions contemplated hereby.

5.10 **Non-appropriation.** The parties acknowledge that MVISD is a governmental entity subject to certain budgetary constraints and agree that in the event funding for this Agreement is not approved in the budget in a future fiscal year, neither MVISD nor DR HORTON will have any obligation under this Agreement for such funding, and either party shall have the right to terminate this Agreement by written notice to the other party.

5.11 **No Third Party Beneficiary.** There are no third party beneficiaries to this Agreement.

5.12 **No Waiver Of Immunity.** No party hereto waives or relinquishes any immunity or defense on behalf of itself, its trustees, officers, employees, and agents as a result of the execution of this Agreement and the performance of the covenants contained herein.

5.13. **No Joint Venture.** Nothing contained herein shall be deemed or construed by the parties

hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers or any other similar such relationship between the parties hereto.

5.14 **Days.** As used in this Agreement, “days” shall mean and refer to calendar days. If a deadline falls or notice is required on a Saturday, Sunday, or a legal banking holiday, then the deadline or notice shall be extended to the next calendar day which is a business day.

5.15 **DR HORTON Corporate Approval.** Notwithstanding anything contained herein to the contrary, neither this Agreement nor any amendment hereto shall be a valid and enforceable obligation of DR HORTON unless this Agreement or such amendment is executed by either one of David V. Auld, Paul Romanowski, Bill W. Wheat, Michael J. Murray, or Christopher M. Lindhorst, each officers of DR HORTON’s general partner (each a “DR HORTON Authorized Officer”); provided, however, that this provision shall not apply in the event that DR HORTON assigns its interests under this Agreement to an entity not affiliated with DR HORTON.

[Signature pages follow]

IN WITNESS WHEREOF, the parties have executed this Escrow Agreement effective as of the day and year first above written.

RESOLUTION
AUTHORIZING ROAD WORK AND ESCROW AGREEMENT BETWEEN
BOARD OF TRUSTEES OF MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT
AND
CONTINENTAL HOMES OF TEXAS, L.P. (d/b/a DR HORTON)

WHEREAS, the Board of Trustees of Medina Valley Independent School District (“District” or “MVISD”) is currently in the process of planning and constructing turn lanes at the intersection of FM 1957 and CR 381 and connecting Galm Road to Potranco Road, including traffic control, drainage, signage and markings, and traffic signal (“Road Project”) for the benefit of District school property, specifically, a new school that will directly benefit from the road improvement;

WHEREAS, on the 28th day of April 2025, the Board of Trustees adopted a Resolution authorizing the District to enter into an Agreement with the State of Texas, by and through the Texas Department of Transportation for a Local On-System Improvement Project for the Road Project;

WHEREAS, the District has entered into a construction agreement with Bartlett Cocke dated April 12, 2023 for the Road Project construction;

WHEREAS, the District desires to enter into an agreement with Continental Homes of Texas, L.P. (doing business as D.R. Horton) (“DR Horton”) to share in the cost of constructing a certain portion of the Road Project;

WHEREAS, the District and DR Horton will each pay \$463,908.00 into escrow to be used to pay for the shared portion of the Road Project as part of the Road Work and Escrow Agreement between the District and DR Horton, and split evenly any cost overruns; and

NOW, THEREFORE, BE IT RESOLVED

1. That the findings and recitals in the preamble of this Resolution are hereby found to be true and correct and are hereby approved and adopted.
2. That the Board of Trustees of the Medina Valley Independent School District approves and authorizes the escrow of \$463,908.00 for the shared road way work with DR Horton and approves the Road Work and Escrow Agreement between the District and DR Horton with the cost sharing for the shared portion of the Road Project.
3. That the Board of Trustees of the Medina Valley Independent School District authorizes and delegates authority to the Superintendent to sign and execute Road Work and Escrow Agreement with DR Horton, including final negotiation and execution of the Road Work and Escrow Agreement in a form approved by the District’s counsel.
4. That it is hereby found, determined and declared that a sufficient written notice of the date, time, place and subject of the meeting of the Board of Trustees of the Medina Valley Independent School District at which this Resolution was adopted was posted at a place convenient and readily

accessible at all times to the general public for the time required by law preceding this meeting as required by chapter 551, Texas Government Code, and that this meeting has been open to the public as required by law at all times during which this Resolution and the subject matter thereof has been discussed, considered and formally acted upon. The Board of Trustees further ratifies, approves and confirms such written notice and posting thereof.

PASSED AND ADOPTED this 20th day of November 2025.

Secretary
Board of Trustees of the
Medina Valley Independent School District

Agenda Item Memorandum

To: MVIDS Board of Trustees

Date: November 20, 2025

Agenda item: Consider approval of Creek View High School FF&E Purchases

Background Information

The opening of Creek View High School requires multiple purchases to be made in the coming months. Single purchases over \$50,000 are brought to the Board for consideration and possible approval as required by Board Policy. The items presented are those that require the longest lead times.

Administrative Consideration

The District issued requests for quotes as needed for the goods and services in accordance with prescribed requirements specifically of Texas Education Code Section 44.031 Purchasing Contracts, including purchasing through cooperative contracts. The items and vendors being presented for board consideration and approval are:

Vendor	Goods	Contract	Amount
Riddell	Football Helmets	BuyBoard #766-25	\$114,496.50
BSN Sports	Fall Sports Equipment	BuyBoard #766-25	\$265,895.96
Advanced Technologies Consultants	CTE Welding Equipment	TIPS #250802	\$188,365.74
Sweetwater	Percussion Instruments	BuyBoard #712-23	\$120,960.78
High School Music Service	Percussion & Wind Instruments	Region 20 #24027	\$300,562.15
Sweetwater	Wind Instruments	BuyBoard #712-23	\$155,287.89
Stanbury Uniforms	Marching Band	BuyBoard #773-25	\$195,989.20

Funding Source

Bond 2023 (624)

Recommendation

Administration is recommending that the Board of Trustees approve the purchase of various furniture, fixtures, and equipment for Creek View High School. The purchases will be made from the identified vendors through various purchasing cooperative contracts.

Your Sales Engineer Is Kyle Travis:

Dear Juan ,
Thanks for the order! I'm looking forward to helping with future music needs!
If you ever have any questions or concerns, please do not hesitate to contact me at (800) 222-4700 x2566 or kyle_travis@sweetwater.com.
24-hour support is also available at Sweetwater.com/ SweetCare, or with our in-house SweetCare Center by phone at (800) 222-4700 (M - F 9am - 6pm, Sat 9am - 5pm).

Sweetwater's Return Guidelines:

It's our goal to earn your trust and create a relationship with you for the long term by standing behind what we sell. We promise to deal with you fairly and reasonably; we hope you will be fair and reasonable with us as well. So, if for some reason you are not satisfied with your purchase, we will gladly accept your timely return of eligible items.
To make a return, simply contact your Sales Engineer to start the process.
For additional information on returns, please visit Sweetwater.com/help.

- TERMS**
- Term A: OPEN ACCOUNT - NET 30 DAYS. If bona fide Board of Education (School Board of Directors) purchase order is issued, or if this contract is signed by Superintendent, Principal or Purchasing Agent, who is authorized to purchase on behalf of this Board of Education (School Board of Directors).
- Term B: FIFTY PERCENT DEPOSIT WITH ORDER, balance C.O.D. This applies to all orders from organizations and individuals except those where term "A" applies.
- Term C: PREPAYMENT - Cash discount is allowed, provided a check for the contract amount is mailed with the contract and purchase order. Freight charges, unless included in the price above, will be invoiced. This prepayment discount is not available for credit card payments.

A late charge of 1.5% per month will be assessed against all accounts not paid within 30 days from date of payment specified in the contract. This is equal to 18% per year or such lesser amount to the extent this exceeds that authorized by law.

CONDITIONS OF SALE

All uniforms, accessories, and/or other made-to-order garments shall be made in accordance with the specifications. This order is subject to approval and acceptance by Stanbury Uniforms, Inc., Brookfield, Missouri, and cannot be cancelled after it has been accepted by Stanbury Uniforms, Inc. The estimated ship date stated above (which shall be the estimated date for delivery to the specified transportation company at Brookfield) is subject to any delays by strikes, fire or other casualty, failure of suppliers to make deliveries, and any other causes of delay over which Stanbury Uniforms, Inc., may have no control. All orders are shipped immediately after completion. All shipments are to be made F.O.B. SHIPPING POINT Brookfield, Missouri. At seller's option, accessories may be shipped direct to purchaser, F.O.B. suppliers. Seller will not assume additional expense for airmail, airfreight or special delivery shipments. All payments on this order are to be made direct to Stanbury Uniforms, Inc., at its offices in Brookfield, Missouri. The contract expressly made performable in Brookfield, Missouri. This contract may not be altered, varied or changed except in writing, and such change must be authorized by the president of Stanbury Uniforms, Inc. It is specifically understood that all terms and conditions of this sale are set out herein in writing, and that there are no oral agreements in the transaction. **NOTE: Estimated ship date is established upon receipt at factory of all the following information, signed, itemized contract and/or purchase order, sample approval form signed and dated, sample uniform, all measurements and/or stock sizes approval and reprinting approval in writing. These conditions of sale are considered to be as binding upon a purchase order as signed contract. Notification for necessary alterations due to factory error must be made at our factory, within 21 days. Only by special agreement with our office should any alterations be made locally, to protect your warranty. **ATTENTION: Quoted prices do not include any taxes, including sales and use taxes, required to be collected by Stanbury Uniforms, Inc. They must be shown as separate line item above.

Warranty: All equipment at our manufacture is warranted free from defects in materials and workmanship. This warranty shall cover only the intended use of the equipment. It shall not cover damage due to alteration, negligent use or normal wear. For a period of two years from the date of installation and/or acceptance by the customer, ATC will repair or replace any ATC equipment, which having been returned to us prepaid and upon inspection, is found to be defective through normal use. We assume no liability for damage, injury or expense claimed to have been incurred through the installation or use of our products.

We sincerely appreciate your interest in our products and value your business!

Agenda Item Memorandum

To: MVIDS Board of Trustees

Date: November 20, 2025

Agenda item: Consider Approving a One-Time Retention Incentive of \$750.00

Background Information:

The 2025-2026 Compensation Plan was approved by the Board on June 23, 2025. In accordance with Board Policy DEA and DEAA (Legal) and (Local), any additions to that plan must also be approved by the Board.

Administrative Consideration:

The Board is asked to consider a one-time retention incentive to employees for their continued service to the students and school community of Medina Valley ISD. Eligible employees are those that were full time prior to October 31, 2025 and do not separate service prior to May 29, 2026. The total cost of a one-time retention incentive in the amount of \$750 is \$1,018,491.

Funding Source

The General Operating Fund (199) will be used for this expense.

Supporting Document:

- Resolution

Recommendation:

Administration recommends that the Board approve the one-time retention incentive of \$750 for employees that were full time prior to October 31, 2025 and do not separate service prior to May 29, 2026.

**THE BOARD OF TRUSTEES OF THE
MEDINA VALLEY INDEPENDENT SCHOOL DISTRICT
November 20, 2025
BOARD RESOLUTION**

WHEREAS, the Medina Valley Independent School District (“Medina Valley ISD” or the “District”) has always been and will remain committed to providing the best possible educational opportunities and staff for its students while at the same time being good stewards of available public funds; and

WHEREAS, the Board of Trustees wishes to provide Medina Valley ISD employees a one-time retention supplemental compensation payment for their continued service to the students and school community of Medina Valley ISD; and

WHEREAS, a public-school purpose will be served by the payment of a one-time retention incentive payment to full-time, permanent District employees, in order to demonstrate support of its employees, enhance employee morale and support the retention of employees; and

WHEREAS, the Medina Valley ISD believes the retention of experienced employees benefits the students and staff at Medina Valley ISD.

Now therefore be it resolved by the Board that:

1. The findings and recitals outlined above are found to be true and correct and are hereby approved and adopted; and
2. The Board authorizes the payment of a one-time retention incentive payment to each current full-time permanent employee whose employment began on or before October 31, 2025, and who has not tendered their intent to resign from Medina Valley ISD on or before May 29, 2026 (“eligible employees”); and
3. The payment of this one-time retention incentive payment will be for the purpose of incentivizing continued service to the District; and
4. All eligible employees as defined in Paragraph Two will receive an incentive payment equal to seven hundred fifty dollars AND 00/100 cents (\$750.00).
5. The payment of this one-time retention incentive payment is expressly conditioned upon there being sufficient monies to support the payment of the one-time retention incentive payment, and in the absence of sufficient funds, as determined by the Superintendent, this payment shall not be made; and
6. The Board finds that a public purpose and a benefit to the Medina Valley ISD exists in the payment of this one-time retention incentive payment.

Adopted by the vote of the majority of members of the Board of Trustees of the Medina Valley ISD present and voting at an open meeting of the Board of Trustees on the 20th day of November 2025 at which a quorum was present:

BY: _____
Nathan Fillinger, Board President

BY: _____
Joe Biediger, Board Secretary

Agenda Item Memorandum

To: MVIDS Board of Trustees

Date: November 20, 2025

Agenda item: Consider approval of a Budget Amendment

Background Information

The 2025-2026 budget has been approved by the Board of Trustees according to Texas Property Tax Code, section 26.09 (e). Amendments to that budget must also be Board approved.

Administrative Consideration

There are several components to this budget amendment.

The first is to reallocate funds from Function 11 to Function 36. The funds budgeted for CVHS CTE start-up were in function 11, but are now needed in function 36 for the activity bus purchase that was approved last month.

The second is to reallocate funds from function 81 to function 52. These funds were budgeted as capital project contingency funds and administration is recommending we allocate a portion to address several safety needs across the district.

The third is to allocate funds received from our insurance carrier to function 34 to make the needed repairs to the damaged bus. This would be a small increase to the budget.

The fourth item is to allocate funds to provide employees of the district with a \$750 retention stipend.

Supporting Documents

- Budget Amendment Worksheet

Recommendation

The administration recommends an increase to the General Fund budget of \$1,022,695 as presented.

Medina Valley Independent School District

BUDGET AMENDMENT REQUEST FORM

Board Meeting Presentation Date: November 20, 2025

Fund Name & Number: General Fund - 199

Person Requesting Budget Amendment: Crystal Hermesch

PURPOSE OF AMENDMENT:

Increase in Funds from Original Budget

Function 36: CVHS CTE activity bus

Function 52: Safety needs across the district

Agenda Item Memorandum

To: MVISD Board of Trustees

Date: November 20, 2025

Agenda item: Consider approval of the purchase of School Buses from Longhorn Bus Sales

Background Information

This proposal requests the approval and funding for the purchase of thirteen (13) new school buses, consisting of ten (10) general education route buses and three (3) special needs buses. This capital investment is necessary to address the severe capacity strain caused by MVISD's rapid enrollment growth and to proactively ensure compliance with upcoming state safety regulations, specifically regarding three-point seat belts, while improving student comfort during hot weather.

Administrative Consideration

Pricing was competitively obtained by requesting quotes through the BuyBoard Cooperative contract #722-23. Longhorn Bus Sales provided the lowest price and meets the specifications requested by the district. The cost of the buses are \$1,455,700 for the general education buses and \$467,010 for the special education buses plus the BuyBoard fee of \$800 for a total cost of \$1,923,510.

Funding Source

The General Operating Fund (199) will be used for this purchase.

Recommendation

It is recommended the Board approve the purchase of thirteen (13) new school buses (10 General Education, 3 Special Needs) equipped with three-point seat belts and high-capacity air conditioning in the amount of \$1,923,510.

Authorized Signature _____

All stock buses are subject to prior sale.

Buy Board fee not included. If purchasing through Buy Board, and additional \$800.00 must be applied to purchase order (fee is per purchase order not per bus). Longhorn Buy Board number 722-23.

Estimated delivery is 60 -180 days from receipt of PO (dependent on whether bus is built or scheduled to build). Longhorn Bus Sales will not be held responsible for material shortages or delays due to the global COVID-19 pandemic or any other reasons outside our control of the represented OEMs (IC Corp) or third-party vendors used to complete a customers' bus equipment. A bus may be delivered without third-party products (i.e., A/C, GPS, two-way radios, camera surveillance, etc.) and will be installed when available. These shortages will not hold up invoicing of payments for delivered goods.

Request for Taxpayer Identification Number and Certification

Go to www.irs.gov/FormW9 for instructions and the latest information.

Give form to the
requester. Do not
send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See Specific Instructions on page 3.	<p>1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)</p> <p>Holt Truck Centers of Texas LLC</p>	
	<p>2 Business name/disregarded entity name, if different from above.</p> <p>Longhorn Bus Sales</p>	
	<p>3a Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes.</p> <p><input type="checkbox"/> Individual/sole proprietor <input type="checkbox"/> C corporation <input type="checkbox"/> S corporation <input type="checkbox"/> Partnership <input type="checkbox"/> Trust/estate</p> <p><input checked="" type="checkbox"/> LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) P</p> <p>Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner.</p> <p><input type="checkbox"/> Other (see instructions) _____</p>	<p>4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):</p> <p>Exempt payee code (if any) _____</p> <p>Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) _____</p> <p style="text-align: right;"><i>(Applies to accounts maintained outside the United States.)</i></p>
	<p>3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions <input type="checkbox"/></p>	
	<p>5 Address (number, street, and apt. or suite no.). See instructions.</p> <p>5665 SE Loop 410</p>	<p>Requester's name and address (optional)</p>
	<p>6 City, state, and ZIP code</p> <p>San Antonio, TX 78222</p>	
	<p>7 List account number(s) here (optional)</p>	

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number									
or									
Employer identification number									
8	7		3	8	9	5	7	8	1

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here	Signature of U.S. person 	Date 10/11/2024
------------------	------------------------------	---------------------------

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

IC BUS®
CE SERIES

THE NEXT GENERATION
IC BUS® CE SERIES SCHOOL BUS

THE NEXT GENERATION IC BUS® CE SERIES

AHEAD OF ITS CLASS

When it comes to transporting our most precious cargo, only the best will do. That means a bus that has some of the latest safety technology, is built with high-quality materials, offers forward-thinking propulsion options and provides drivers with everything they need to be successful.

It means a company willing to go above and beyond all expectations with engineers who are never satisfied with the status quo. Introducing the Next Generation CE Series. And welcome to a new era in school transportation.

SAFETY. FIRST AND FOREMOST.

A NO-COMPROMISE APPROACH TO SAFETY

Of all the requirements IC Bus engineers are tasked with when designing a new bus, one rises above the rest: it must be a safe means of transportation for the children who ride inside. It's an enormous responsibility and something that we never take for granted.

That's why the next generation CE Series includes the very latest in safety technology. These safety features are essential when it comes to providing the driver with extraordinary situational awareness; enabling them to keep the students riding behind them out of harms way.

STANDARD KEY SAFETY FEATURES:

- Bendix® Intellipark® electronic parking brake standard (on air brake units)
- Bendix® Wingman® Advanced™ Safety Package (air brake units) - including Active braking capabilities for collision avoidance, following distance alerts, adaptive cruise and more
- No Student Left Behind child monitoring system
- Single panel glass on entrance door for improved driver visibility
- Entrance doors integrated into dash cluster, providing 'Door Ajar' warning if bus reaches certain speed prior to door being fully closed
- Daytime running headlights with automatic twilight sensor
- Electronic stability control

A CLEAR VISION

Visibility is crucially important to any school bus driver. Children of all heights walk next to, in front of, behind and toward the bus - and being able to see them is the only way to ensure they are kept safe. The Next Generation CE Series includes several enhancements that help boost the situational awareness of the driver.

IC BUS® FULL VIEW CAMERA TECHNOLOGY™ BY ROSCO

IC Bus is proud to offer the industry's first camera system designed specifically for school buses. Combined with the side mirrors, this advanced system will allow bus drivers to have a "full view" around the bus for total situational awareness so they can concentrate on driving and keeping kids safe.

FULL VIEW CAMERA FEATURES

- Provides driver views based on the situation at hand, such as backing up, opening the door or a view to the side or front of the bus
- This purpose-built camera technology is designed to not overload the driver with too much information, but instead provide them with the right information at the right time
- Gives the driver a greater feeling of security and peace of mind with the combination of the full view camera technology and driver mirrors
- Provides accurate visibility to the areas that matter most around the bus

- Entrance door features single-panel bonded glass and is aligned with the driver seat for enhanced side visibility.
- Rounded, three-piece windshield with no center post includes a shaded band standard to help reduce sun glare.
- Completely integrated driver HVAC system with improved defrost performance by 50% over prior model allows for quicker and more complete clearing of the windshield.
- Sloped hood design is angled and provides more than 11 inches of improved ground visibility in front of the bus over prior model.

- Standard daytime running lights with automatic twilight sensors help increase the visibility of the bus to other drivers and pedestrians.
- Available LED-enhanced, down lit cross-view mirrors illuminate the road when the park lights are on and the stop arm is extended to illuminate pedestrians and objects in the front danger zone.
- Available LED headlights and marker lights offer a higher lumen output and are longer lasting compared to halogen bulbs.

INTUITIVE PROTECTION

The Bendix® Wingman® Advanced™ Safety Package uses radar and an optional video camera (Fusion package) to scan the forward path of the bus. If a slower moving or stopped vehicle is detected, the system is designed to reduce the severity and likelihood of a rear-end impact through automatic braking and audible alerts.

This integration of various technologies creates a highly detailed data picture that can significantly reduce the chance of a false alert or activation.

The Next Generation CE Series was designed from the beginning to utilize active safety. In fact, the alerts are now integrated into the gauge cluster as opposed to being mounted atop the instrument panel in previous models.

FOLLOWING DISTANCE ALERTS

The radar can also be used to maintain a safe following distance when the adaptive cruise control is engaged. Radar has many advantages, including the ability to read objects through all weather conditions, such as rain, snow, smoke and fog.

LANE DEPARTURE WARNING (available with camera)

The camera can detect if the bus unintentionally departs the lane without the turn signal activated, and will sound an alarm and provide a visual alert. This is particularly valuable during driver distraction or drowsiness situations.

SUPPORTING SAFE DRIVING

SITUATION	POSSIBLE CAUSE	ACTIVE SAFETY
Rear End Collisions	Distracted driver	Can reduce the likelihood or severity of rear-end accidents by providing following distance alerts and if needed, will apply the brakes to help the driver avoid the collision or help reduce its severity
Overly Aggressive Drivers	Bus is too close to the forward vehicle	Following distance alert will beep when following too closely
Limited Sight in Poor Weather Conditions	Snow, rain, smog, smoke, fog, sleet	Radar capabilities that can see potential dangers before the human eye can
Excessive Speed	Traveling above posted speed limit on highways	Optional camera can recognize posted speed limits and alert the driver at +5 mph over; at +10 mph over, alert and 1.0 second engine de-throttle will occur

DESIGNED WITH DRIVERS IN MIND

KEEPING THE DRIVER INFORMED, COMFORTABLE AND CONNECTED

Every successful trip begins and ends with the driver. That's why we empower them with tools that elevate their comfort, efficiency, and situational awareness in a meaningful and nonintrusive manner.

It's a philosophy we call DriverFirst™ which is our commitment to do everything we can to provide a working environment that puts drivers in a position to succeed. After all, it's hard enough to find committed drivers, let alone retain them. So, if we're able to help by providing a bus that drivers want to drive, then everyone wins. Your district wins by retaining an experienced driver, the driver wins by building a stable and satisfying career and, most importantly, the kids win by boarding a bus each morning driven by someone who loves their job.

DRIVERFIRST™

1. **Ergonomic wing instrument panel** is angled toward the driver with switches that are easy to read and reach.
2. **Premium dash cluster** with a 5-inch digital color display with custom view options including real-time fuel economy, speedometer and tachometer, gear selection indicator, safety indicators and distance to empty.
3. **USB-A and USB-C charging ports** are conveniently located to left of driver (in storage bin) and on right side of instrument panel.
4. **Back-lit, color-coded steering wheel switches/controls** with cruise control plus four switches that are programmable with Diamond Logic® Builder software.
5. **Driver light pre-check switch** conveniently located on the dash to check all exterior light bulbs. All exterior lights will flash while driver performs pre-check.
6. **Full range of driver seat options** to accommodate drivers of all shapes and sizes.
7. **Tire pressure monitoring system (TPMS)** (optional) provides real-time tires status including low pressure, extreme low pressure, high pressure, high temperature and more.
8. **Bendix® Intellipark® electronic parking brake** with dash-mounted switch integrated in cluster (air brake units only) electronically engages parking brake when critical interlocks are met, indicating that the vehicle is not parked and the driver does not have control.
9. **Stalk shifter** for transmission control mounted on steering column allows the driver to easily reach and operate shifting and engine braking while keeping their eyes on the road.
10. **Integrated driver HVAC system** with multiple, intuitive control settings within an arm's reach with additional venting for faster and more complete defrosting as well as overall driver comfort.
11. Improved left-hand drivers area including storage bin with more usable space and an easy-to-reach 44 oz cup holder.
12. Trash bin with double capacity (optional) with designated area forward of the stepwell.

A BUS BUILT TO LAST

From sizable potholes to boisterous students, a school bus must face daily punishment. That's why the CE Series is built to the highest standards at our production facility in Tulsa, Oklahoma.

Materials have been carefully chosen for their durability and advanced steel coatings help provide a robust defense against corrosion. In addition, areas under the hood that require routine maintenance are conveniently located to help you stay ahead of potential issues.

DURABLE CONSTRUCTION:

16-gauge steel body and interior panels for longevity and structural integrity

14-gauge steel threaded body bows with continuous runners connecting all roof bows for ruggedness and superior strength

Stamped parts used wherever possible during construction; provides increased strength and tighter tolerances

Meets or exceeds FMVSS/CMVSS

ENHANCED CORROSION RESISTANCE:

New one-piece driver floor mat reduces potential corrosion and maintenance costs, plus is easier to keep clean

Naviflex coated stepwell* provides superior corrosion resistance

Interior modesty panels treated with 90G/90G galvanized coating and then painted for enhanced corrosion resistance

TIME-SAVING SERVICEABILITY:

Improved accessibility to routine maintenance items - HVAC filter & air dryer (under the hood), fuel filter now outside frame rail, stepwell heater accessibility from inside stepwell, oil filter now more accessible

Electrical panel/fuse block arrangement:

- Instrument panel fuses located inside the bus with chassis fuse block with spill resistant cover
- Body fuse block outside of bus in electrical panel under driver's window

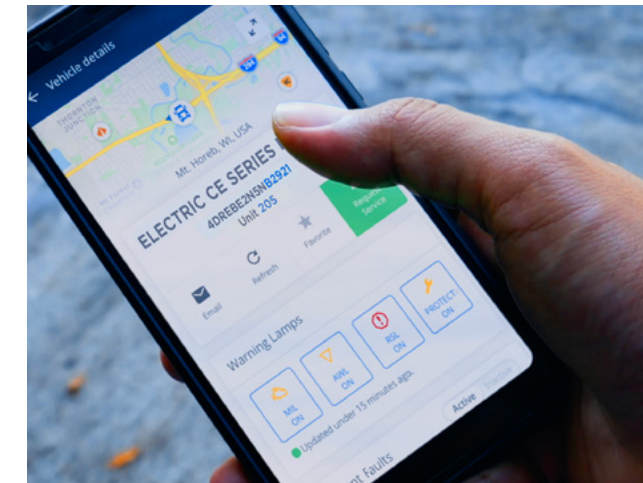

Diamond Logic® electrical system enables programming of body integration and driver efficiency features; common uses include exterior light check for pre-trip inspections, "No Student Left Behind" post-trip inspection monitor, lights on with windshield wipers, and customization of interlocks for dome light

* Also available on bumpers and fuel tanks

CONNECTED TECHNOLOGY TO BOOST ON-TIME PERFORMANCE

Knowledge is power. And when you're armed with the data you need to make informed decisions, the outcomes are always better. IC Bus offers powerful tools that can not only help you stay ahead of issues, but accelerate repair times when a bus is in for service. So whether you operate one bus or an entire fleet, you'll have access to a powerful set of tools and resources for maximizing uptime and operational efficiency.

Now standard on all new vehicles — factory-installed telematics including 5 Year subscription. We deliver proactive tools that help reduce unplanned downtime, increase safety and drive on-time performance

Connectivity includes:

ONCOMMAND® CONNECTION (OCC)

- 24/7 access and visibility to real-time vehicle diagnostics and predictive maintenance tools
- Visibility to current vehicle location and route history
- Monitor driver performance including harsh braking, hard acceleration and idle time reporting

IC BUS® 360 SERVICE COMMUNICATIONS:

- Seamless communication with dealers and up-to-date repair status
- Complete VIN-based information – asset specs, complete parts catalog, remote health data, and more
- Online service request initiation and estimate approvals
- Complete service history, up-to-date campaign information, and engine calibration status

PROVEN RESULTS:

- 83% of users have experienced a reduction in the number of emails and phone calls regarding service communications.
- 30% improvement in service repair time and 184 unplanned service events when utilizing IC Bus 360 and OCC.

NEXT GEN POWERTRAINS

School bus fleets are rapidly transitioning to electric. In most cases, it makes perfect sense thanks to consistent routes, a central depot to charge and readily accessible funding assistance. But not all routes or districts are suited for electric – and that’s why we offer both options. The tried-and-true Cummins® B6.7L provides the power you need with a low total cost of ownership and impressive uptime. Those who choose the Next Generation Electric CE Series can rest easy knowing that it has been designed from the get-go to run on electric propulsion with its incredible torque and quiet, calm-inducing ride. Whichever direction you go, the future has never looked brighter.

ZERO EMISSIONS

IC Bus helps customers plan, execute and optimize zero-emission vehicles and investments for the entire lifecycle. We design scalable, end-to-end solutions around your specific needs.

Our team of zero-emission subject matter experts is ready to help fleets and school districts everywhere develop a fully integrated and scalable zero-emission strategy. The consulting process includes the evaluation of requirements and efficiencies, route simulations, plus education on all available funding sources, grants, and tax incentives.

THE EV ROADMAP FOR A SEAMLESS TRANSITION:

Step 1 | CONSULTING

Find the best way forward

Our discovery workshops dive into your fleet's electrification needs and concerns, building a customized EV roadmap for success.

Step 2 | CHARGING

Lay the groundwork

We assess the placement of hardware and infrastructure, finding the best ways to support your vehicle charging and uptime.

Step 3 | DEPLOYMENT

Bring it all together

We ensure your charging locations, staff, and remote diagnostics are prepared for your electric vehicle to hit the road.

**WE HAVE
YOUR BACK,
SO YOU CAN
KEEP MOVING
FORWARD**

We understand that getting kids to and from school on time every time, isn't optional, it's required. That means your fleet must be up and running the entire school year. Dependable equipment spec'd for your needs and requirements is just the beginning. Our preventive maintenance programs combined with our vast network of service locations help make sure downtime is kept to a minimum with no surprises for your students or your budget.

**PARTS YOU NEED
WHERE AND WHEN
YOU NEED THEM**

It is our goal to provide you, the customer, with an unparalleled ownership experience. To be your preferred partner, not just for the sale of the vehicle, but throughout its lifecycle. Below is a sampling of our value-add services focused on reducing your operating costs and driving on-time performance.

- State-of-the-art, Award-winning Parts Distribution Centers
- All-makes Fleetrite® and ReNEWed® Reman Parts Offering
- Fleet Charge® account standardization - pricing & billing
- Ability to customize extended service contracts - flexibility you need with peace of mind you deserve.
- Connected services built to make data visible, easy to understand & actionable
- Diagnostics & service tools
- Training opportunities
- Over 700+ dealer locations
- Parts Return Program
- One-stop-shop Warranty Processing
- eCommerce Online Parts Ordering
- Dealer Uptime Advocate and Uptime Command Center

Technology – Dash Integrated Safety Systems

Air Brake System Test with Bendix Intellipark

Buses equipped with a Bendix Intellipark system require the driver to look for different visual cues when conducting a brake test. All system air pressure readings and requirements remain the same.

Conducting a Brake Test:

1. Ignition key **ON**.
2. Place your foot on the service brake.
3. Release the parking brake.
4. Begin pumping the brake pedal rapidly.

This is required to release the parking brake. It cannot be released without depressing the brake pedal. This may change the road test procedure.

5. At 60 PSI:
 - The dash will begin to sound an alarm.
 - The **BRAKE AIR** indicator will illuminate on the dash.
 - The red lights on the parking brake will flash.

6. Continue pumping the brake pedal.

7. At 30 PSI:
 - The dash alarm will continue to sound.
 - The **BRAKE AIR** indicator will continue to illuminate.
 - The **PARK** indicator will illuminate on the dash.
 - The red lights on the parking brake will illuminate solid.

This is now the equivalent of the parking brake knob popping out at 30 PSI or the spring brake applying itself automatically at 30 PSI.

Pumping the Brakes Down After Your Run:

1. The ignition key must be in the **ON** position to release the parking brake.
 - Do not pump the air system down with the parking brake set.
2. After key on, pump the brakes down until spring brake application as normal.
3. Remove the key from the ignition (if required).
 - The dome lights will time out on their own.

LIMITED WARRANTY FOR School BUS
*Effective with vehicles built March 01, 2017 or later

Series (Model): CE (PB105 & PB110), RE (PB305)

Basic Vehicle

Navistar®, Inc., at its option, will repair or replace any part of this vehicle that proves defective in material or workmanship, in normal use and service, with new or RENEWED™ parts, based on the Component Coverages below.

IC Bus Aftermarket A/C Coverage	30	Unlimited	Unlimited	Unlimited

Navistar Diesel Engine Coverage Includes:

Engine block, cylinder heads, internally lubricated components, fuel pump, high pressure pump, turbocharger, water pump, air compressor, injectors/ nozzles; electronic engine modules, engine relays, engine sensors and regulators required for electronic engine operation, and certain aftertreatment components. Excluding: attaching accessories (e.g., fan clutch, alternator, starter, etc.), and externally mounted electrical and filtration systems.

What is Not Included Under Basic Coverage

Components/Items

- Components warranted by their respective manufacturers (such as non-International® brand engines, tires, Allison transmissions, lubricants, Cummins engines, Agility fuel systems, etc.)
- Bodies, equipment, and accessories installed by other than authorized International Truck employees at International Truck manufacturing plants
- Front and rear axle alignment
- Front and rear axle coverage excludes brakes, wheel ends, axle shafts, controls and attachments

Repairs & Maintenance

- Maintenance-related items/repairs, or those needed as a result of normal wear and tear, including tune-ups, brake/clutch linings, windshield wiper blades, tire balancing, lubrication, and other similar procedures/parts required to keep vehicle in good working condition
- Failures that are the result of poor fuel quality, water in fuel, rust, etc.
- Repairs needed as a result of vehicle misuse, negligent care, improper maintenance, improper operation, or the result of accident or collision
- Fade, runs, mismatch or damage to paint, trim items, upholstery, chrome, polished surfaces, etc., resulting from environmental causes such as improper polishes, cleaners or washing solutions, or chemical and industrial fallout
- Failure to observe published capacity or load specifications for engine, transmission, propeller shaft, axles (powertrain) and suspension

LIMITED WARRANTY FOR School BUS
***Effective with vehicles built March 01, 2017 or later**

Other

- Vehicles sold and/or operated outside the United States and Canada
- This exception does not apply to vehicles that meet current US EPA emission standards, which were sold by an International dealer located in Mexico, if the vehicle is authorized by the US DOT to operate in long-haul, cross border transportation and the vehicle is only operated in the United States, Canada, and Mexico
- Vehicles/components that have had unauthorized alterations or modifications
- Vehicles on which the odometer reading has been altered
- Loss of time or use of the vehicle, loss of profits, inconvenience, or other consequential or incidental damages or expenses
- Replacement of defective parts with parts other than those provided by Navistar, Inc.

Obtaining Service

Return this vehicle to any International Truck dealer authorized to service this model vehicle and engine.

This warranty is automatically transferred to subsequent owners at no charge. Visit your local Authorized International Truck dealer for name and address change information.

Note: The customer has 365 days and up to a maximum of 100,000 miles (160,000 km) from DTU to purchase an extended warranty on the unit. For extended warranty purchases between 181 and 365 days from DTU and <100,000 miles (160,000 km) an additional fee will be assessed. See your local International dealer for details.

Disclaimer

NO WARRANTIES ARE GIVEN BEYOND THOSE DESCRIBED HEREIN. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED. THE COMPANY SPECIFICALLY DISCLAIMS WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OTHER REPRESENTATIONS TO THE USER/PURCHASER, AND ALL OTHER OBLIGATIONS OR LIABILITIES. THE COMPANY FURTHER EXCLUDES LIABILITY FOR INCIDENTAL AND CONSEQUENTIAL DAMAGES, ON THE PART OF THE COMPANY OR SELLER.

No person is authorized to give any other warranties or to assume any liabilities on the Company's behalf unless made or assumed in writing by the Company, and no other person is authorized to give any warranties or to assume any liabilities on the seller's behalf unless made or assumed in writing by the seller.

Remedies Under State or Provincial Law: Some States and Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to the owner. This warranty gives the owner specific legal rights, and he may also have other legal rights which may vary by state or province.

Telematics Data Disclosure

Your Navistar vehicle may include an activated telematics subscription service. By accepting this Limited Warranty, you consent to our collection and use of data from your vehicle as set forth at www.oncommandconnection.com on behalf of yourself and any vehicle operators and passengers. Navistar, Inc., or its affiliates will collect and send diagnostic and system data from your vehicle and use it for various purposes as further set forth in our Privacy Policy, posted at www.oncommandconnection.com, such as improving the uptime for your vehicle, improving our vehicles in the future, and reducing warranty events. If you choose not to allow Navistar to access your data, you may suspend your subscription at www.InternationalTrucks.com/Opt-Out.

LIMITED WARRANTY FOR School BUS
***Effective with vehicles built March 01, 2017 or later**

Record of Ownership

Upon receipt of new vehicle by original owner, complete the following:

I have read this Warranty Brochure and fully understand the warranty coverage. I acknowledge that I have received a copy of the Owner's Limited Warranty and I accept the terms described herein.

_____	_____
Customer Signature	Date
_____	_____
Owner's Address	City _____ State/Prov _____ Postal Code _____
_____	_____
Truck Model	Vehicle Identification Number
_____	_____
Engine Model Number	Engine Serial Number
_____	_____
Date Delivered to User (DTU)	Odometer Reading at Delivery

IMPORTANT: The information contained in this Warranty Policy explains the coverage provided on your new International vehicle. This policy should be kept in the vehicle for presentation to the Dealer when you request warranty services.

TOW COVERAGE \$1,100 PER INCIDENT

This service contract for **Towing option(s)** provides coverage for 24 months or unlimited miles/kilometers traveled from new vehicle delivery date, whichever expiration occurs first.

During this period, Navistar, Inc. ("Navistar") will pay for a service call and/or towing to the nearest IC Bus, International[®] or Cummins dealer WITH A NAVISTAR OR CUMMINS WARRANTABLE AND MISSION-DISABLING UNSAFE OPERATING CONDITION FAILURE. Coverage of Cummins failure begins AFTER the expiration of the Cummins second year of standard tow coverage for school bus if an additional Cummins service contract is active in Navistar Service Portal. Maximum liability for Navistar, per incident, is \$1,100. Exceptions are listed herein under section *What is Not Covered*.

WHAT IS NOT COVERED**Repairs:**

- Towing in connection with a failure that is NOT warranted with Cummins or Navistar.
- Any expense over the \$1,100.00 maximum liability, per incident.

Other:

- Buses sold and/or operated outside the United States and Canada.
- Buses /components which have had unauthorized alterations or modifications.
- Buses on which the odometer reading has been altered.
- Loss of time or use of the bus, loss of profits, inconvenience, or other consequential or incidental damages or expenses.
- Incidental or consequential costs or expenses which the owner may incur as a result of a malfunction or failure covered by this warranty, such as vehicle damage, communication expenses, meals, lodging, overtime, loss of use of engine or vehicle ("downtime"), loss of time, inconvenience, cargo loss or damage, and other similar costs and expenses.

OBTAINING SERVICE

To obtain service under this Service Contract, return this vehicle to any IC Bus or International[®] truck dealer authorized to service this model bus and engine. To locate an authorized dealer near you, please call the Navistar Customer Service Center at 800-44-TRUCK (800-448-7825).

DISCLAIMER

FOLLOWING THE EXPIRATION OF THE STANDARD NAVISTAR LIMITED WARRANTY AND DURING THE PERIOD OF THIS SERVICE CONTRACT, NO WARRANTIES OR ADDITIONAL COVERAGE ARE GIVEN BEYOND THOSE DESCRIBED HEREIN. THIS EXTENDED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, EXCEPT FOR THE APPLICABLE STANDARD NAVISTAR LIMITED WARRANTY FOR YOUR VEHICLE. NAVISTAR SPECIFICALLY DISCLAIMS WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OTHER REPRESENTATIONS TO THE USER/PURCHASER, AND ALL OTHER OBLIGATIONS OR LIABILITIES. NAVISTAR FURTHER EXCLUDES LIABILITY FOR INCIDENTAL, SPECIAL, INDIRECT AND CONSEQUENTIAL DAMAGES, ON THE PART OF NAVISTAR OR SELLER. No person is authorized to give any other warranties or to assume any liabilities on Navistar's behalf unless specifically made or assumed in writing by Navistar; and no other person is authorized to give any warranties or to assume any liabilities on the seller's behalf unless specifically made or assumed in writing by the seller.

Remedies Under State or Provincial Law: Some States and Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the owner. This warranty gives the owner specific legal rights, and he may also have other legal rights which may vary by state or province.

Navistar, Inc., except in Canada where it is Navistar Canada, Inc.

**RE/CE BUS EXTENDED VEHICLE COVERAGE
 INCLUDING BUS BODY**

This **Extended Vehicle Coverage Including Bus Body option(s)** provides coverage for 24 months or 50,000 miles/ 80,000 kilometers traveled from new vehicle delivery date, whichever expiration occurs first.

During the period selected, Navistar, Inc. will repair or replace any of the covered components as defined below which proven defective in material and/or workmanship in normal use, with new or ReNEWed parts. Exceptions are listed herein under What is Not Covered.

GROUP 01 - FRAME AND BUMPER

- 067 - Carrier, Tire
- 071 - Bumper
- 211 - Bracket or Mounting
- 306 - Outrigger, Bus Platform Mounting
- 307 - Crossmember
- 309 - Crossmember, Engine
- 581 - Bumper Frame
- 660 - Rail, Frame Side
- 739 - Reinforcement or Gussets

GROUP 02 - FRONT AXLE

- 016 - Arm, Steering
- 032 - I-Beam, Front Axle
- 353 - Fitting/Zerk
- 535 - Knuckle, Steering
- 667 - King Pin & Bushing
- 799 - Seal, King Pin

GROUP 03 - SUSPENSION

- 62 - Equalizer / Rocker Arm and Bushing
- 066 - Torque Arm & Bushing Assembly
- 074 - Walking Beam & Bushing Assembly
- 203 - Air Bag Assembly
- 264 - Control (Air Suspension Only)
- 341 - Bracket, Shock Absorber Mounting
- 406 - Bolt, Center
- 437 - Suspension Air Control Manifold Assembly
- 438 - Suspension, ECM
- 468 - Spring Leaf Assembly
- 584 - Bracket Assembly, Spring
- 646 - Shackles, Pins & Bushing
- 711 - Crossmember, Rear Suspension
- 769 - Sway Bar Assembly
- 804 - Stop, Axle

GROUP 04 - BRAKES

- 003 - Tank, Air, Vacuum
- 005 - Knob
- 007 - Pumps
- 09 - Accumulators
- 10 - Hydraulic Power Brake (HPB) Unit
- 012 - Solenoid Valve
- 013 - Adjuster, Slack
- 020 - Cylinder, Self Actuate Hydraulic Release

- 036 - Adjuster Assembly, Automatic
- 105 - Bracket, Brake Chamber
- 231 - Chamber
- 232 - Diaphragm, Chamber
- 255 - Cylinder, Master
- 390 - Reservoir
- 392 - Switch, Fluid Level
- 397 - Governor and Mounting, Air
- 428 - Lever/Pedal, Parking Brake
- 429 - Cable/Linkage, Parking Brake
- 461 - Linkage / Cam / Camshaft, Wheel Brake Actuating
- 462 - Linkage/Pedal/Spring Brake Actuating
- 511 - Power Assist Unit 617 - Backing Plate/Anchor/Dust Shield
- 634 - Pump, Back-Up (Less Motor)
- 636 - Motor, Back-Up
- 643 - End Cover, Unloader Valve Air Dryer
- 662 - Spring, Brake Shoe Return
- 747 - Spring Applied Air Release (Saar) Canister
- 751 - Sensor, Steering Angle
- 753 - Sender, Stability Control
- 801 - Control Unit, Electronic ECU
- 811 - Relay/Magnetic Switch
- 812 - Valve, Modulator
- 816 - Sender, Wheel
- 826 - Caliper
- 840 - Caliper Bracket
- 842 - Switch, Flow
- 846 - Switch, Back-Up Motor
- 847 - Switch, Pressure Differential
- 848 - Module, Monitor 851 - Valve, Spring Brake Control
- 852 - Brake Assembly, Drive Line
- 909 - Harness, Cab
- 913 - Valve, Foot Control or Pedal
- 920 - Valve, Hand Control
- 923 - Harness, Front End (Wires/Connectors/Term)
- 932 - Valve, Front Wheel Limiting & Mounting
- 940 - Harness, PDM Distribution
- 944 - Valve, Quick Release
- 955 - Pully
- 990 - Wiring

GROUP 05 - STEERING

018 - Arm, Pitman
069 - Link, Drag
164 - Column Assy. & Mounting, Steering
167 - Wheel Mechanism, Tilt Steering
206 - Couplings/U-Joint, Steering Shaft
252 - Wheel, Steering
311 - Gear Assembly, Steering
314 - Gasket, Power Steering Pump Mounting
316 - Wheel Mechanism, Telescoping Steering
370 - Bracket/Mounting, Steering Gear
555 - Cylinder Assembly & Valves
653 - Cooler Assembly, Oil 701 - Pump Assembly
757 - Reservoir Assembly 818 - Valve, Control
955 - Pulley

GROUP 06 - PROP SHAFT

101 - Bearing
165 - Mounting, Bearing
391 - Joint, Universal
475 - Boot / Clamp, Slip Joint
478 - Shaft
703 - Yoke/Spline

GROUP 07 - EXHAUST

107 - Assembly, Basic
143 - Bracket/Support, Mounting
426 - Guard / Heat Shield
533 - Tail Pipe, Exhaust Gas Cooler
551 - Pipe, Crossover
576 - Pipe & Flange, Exhaust
615 - Pipe/Stack, Tail
775 - Cap, Stack
824 - Pipe, Flex

GROUP 08 - ELECTRICAL

005 - Knob
018 - Alternator Assembly 038 - Multiplex Signal Module (MSM)
041 - Telematics Control Module (TCM)
049 - Switch, SOS
059 - Regulator, Voltage
63 - Solenoid Base, Pneumatic Accessory
065 - Solenoid Unit, Pneumatic Accessory
073 - Amplifier, Pyrometer
074 - Gauge, Voltmeter
076 - Gauge, Fuel Level
088 - Gauge, Oil Pressure (Electrical)
097 - Gauge, Coolant Temperature (Electrical)
099 - Gauge, Ammeter
109 - Gauge, Engine Oil Temperature
110 - Gauge, Pyrometer
111 - Gauge, Rear Axle Oil Temperature
116 - Gauge, Speedometer (Electrical)
117 - Gauge, Tachometer (Electrical)
118 - Gauge, Transmission Oil Temperature

124 - Sender, Fuel Level
127 - Tachometer/Trip Recorder (Elec Driven)
155 - Sender, Pyrometer
156 - Sender, Rear Axle Oil Temperature
159 - Sender, Transmission Oil Temperature
202 - Motor, Starter
217 - Solenoid, Starter Motor
221 - Bezel/Cover Plate
223 - Circuit Board
224 - Switch, Speedometer / Tachometer Dip (Reprogramming Only)
225 - Panel, Circuit Breaker/Relay/Fuse
226 - Mounting, Circuit Breaker/Relay/Fuse Panel
251 - Harness, Coiled Ribbon (Clock Spring)
266 - Switch, Clutch
269 - Module, Coolant Probe
270 - Probe, Coolant Level
284 - Antenna and Lead-In
347 - Mounting
372 - Module, Pyrometer
373 - Module, Ammeter
374 - Circuit Housing, Speedometer / Tachometer
375 - Sender, Air Pressure
388 - Lamp Assembly
401 - Clean Power Cable (Battery To Cab)
404 - Flasher
405 - Beeper, Hydraulic Brake Warning
407 - Alarm, High Water Temp/Low Oil Press.
408 - Beeper, Low Air Pressure
418 - Regulator & Motor Assembly
424 - Hourmeter
430 - Odometer
487 - Horn Assembly
499 - Contact Ring/Button, Horn
508 - Monitor, Driver Display Unit
510 - Sensor, Radar Side/Front
511 - Camera, Forward Looking
512 - Display, Side Sensor
514 - Sensor, Turn Assembly
516 - Magnet, Turn Sensor Assembly
518 - Harness, Side Sensor
585 - Automatic Headlight Sensor
586 - Antenna, Tire Pressure Monitor
587 - Brake Stroke Chamber W/Sensor
588 - Display, Vehicle Information
589 - Fuel Filter Restriction Globe W/Sensor
595 - Module/Controller, Tire Pressure Monitor
596 - Module, Vehicle Sensor
598 - Batteries, Jumper Cable
599 - Sensor, Brake Pad Wear
601 - Wheel Module, Tire Pressure Monitor
607 - Switch, Air Horn
608 - Clock
609 - Switch, Cruise On/Off
618 - Switch, Cruise Set/Reset

620 - Switch, Engine Brake On/Off
621 - Switch, Headlight Interrupt
623 - Switch, Marker Interrupt
624 - Switch, Radio
628 - Switch, Transmission Mode
629 - Switch, Transmission Shift
637 - Alarm, Back-Up
705 - Solenoid, Air 718 - Solenoid
743 - Clean Power Cable (Batt to Engine Connect
745 - Daytime Running Light Switch
758 - Central Processing Unit (CPU)
783 - Compass, Electronic
784 - Thermometer, Electronic
797 - Clean Power Cable (Batt to Transmission)
811 - Relay/Magnetic Switch
815 - Switch, Key/Ignition
821 - Switch, Push Button Starter
828 - Switch, Dimmer
835 - Switch, Back-Up Light
840 - Switch, Neutral Start
848 - Module Monitor
850 - Switch, Low Oil Pressure
854 - Controller, Esc
863 - Switch, Stoplight (Air)
864 - Switch, Stoplight (Hydraulic)
865 - Switch, High Water Temperature
870 - Switch, Low Air Pressure
871 - Switch, Low Coolant Level
872 - Switch, Parking Brake
884 - Switch, Headlight
885 - Switch, Marker/Interrupt
886 - Switch, Turn Signal
887 - Programming
907 - Actuator, Switch Pack
908 - Switch Pack (Base)
909 - Harness, Cab Wires Conn's & Terminals
923 - Harness, Front End (Wires, Connectors And
Terminals)
940 - Harness, PDM Distribution
955 - Pulley
996 - Monitor, Battery Run Down Protection

GROUP 09 - COOLING

12 - Solenoid Valves
022 - Core
026 - Shutter Assembly
047 - Hose/Pipe, Radiator
64 - Tank & Neck, Radiator
083 - Shroud Clamp
85 - Shroud Mounting Bracket
091 - Shroud, Engine Mounted
108 - Cylinder Assembly, Actuating
123 - Mounting, Radiator
136 - Motor
142 - Rod Assembly, Control
176 - Shroud

197 - Shutterstat
210 - Glass, Sight
211 - Tank & Mounting, Surge
222 - Solenoid
240 - Motor / Pump
427 - Bottle and Hose, Coolant Recovery
504 - Fan Module
616 - Cooler, In Tank Oil
701 - Pump Assembly
740 - Blade Assembly, Fan
755 - Electronic Fan Controller
756 - Hydraulic Fluid Reservoir
767 - Oil Cooler (Oil-To-Air)
811 - Relay/Magnetic Switch
852 - Pipe, Charge Air Cooler
865 - Switch, Temperature
909 - Harness, Cab (Wires/Connectors/Term)
925 - Charge Air Cooler, Chassis Mounted
940 - Harness, PDM Distribution

GROUP 10 - INSTRUMENTS

053 - Head Assembly

GROUP 11 - CLUTCH

059 - Bearing and Sleeve Assembly, Release
101 - Cylinder, Master
133 - Cylinder, Slave
292 - Fork and Cross Shaft, Clutch Release
349 - Lever Assembly, Relay
403 - External Linkage
440 - Self Adjusting Mechanism
462 - Pedal
639 - Intermediate Plat
862 - Plate Assembly, Pressure

WHAT IS NOT COVERED**Components / Items:**

- Correction of loose fasteners, squeaks, rattles and unusual noises.
- Adjustments (e.g., headlights, brake/clutch adjustments, steering system adjustments, coolant levels).
- Items warranted by their respective manufacturers (e.g., non-Navistar brand engines, tires & tubes, Allison Transmissions, clutch, batteries, radios, lubricants, etc).
- Any part that is not a Navistar part number.
- Unauthorized parts other than Navistar service parts or ReNEWed® parts.
- Bodies, equipment and accessories installed by other than authorized Navistar employees at Navistar manufacturing plants.
- Front and rear axle alignment.
- Engine, Engine Electronics, Injectors, Turbocharger.
- Hybrid Electric Components (except Hybrid/Electric Drive Cooling).

Repairs:

- Maintenance-related items/ repairs or those as a result of normal wear and tear, including tune-ups, brake/clutch lining, clutch brake, windshield wiper blades, windshield wiper nozzles, gaskets, belts, seals, tire balancing, lubrication, batteries and other similar procedures/parts required to keep vehicle in good working condition. Such maintenance items or repairs include, but are not limited to oil changes, oil filters, air filters, desiccant cartridge, fuel filters, tire rotation, cleaning/polishing, engine tune-up, adding oils, tightening of air intake and coolant clamps, ash tray, cigarette lighter element, fire extinguishers, fluorescent ballast and tubes, fuses, gladhand and gladhand rubbers, trailer hoses, hose tenders, trailer electrical cables, light bulbs, mattress, mud flaps, mud flap mounting bracket.
- Repairs to any part of the vehicle subjected to misuse, negligence, improper maintenance, improper operation, or which is the result of an accident.
- Fades, runs, mismatch or damage to paint, trim items, upholstery, chrome, polished surfaces, etc., resulting from environmental causes, improper polishes, cleaners or washing solutions, or chemical and industrial fallout.
- No coverage will be granted if Power Train, Propshaft and Suspension sales guidelines (specifications) are not strictly adhered to by all owners and operators of this vehicle.
- Accidents, acts of nature or other events beyond control of Navistar.
- Any single repair requiring less than \$40.00 parts and labor to complete.

Other:

- Vehicles sold and/or operated outside the United States or Canada.
- Vehicles/components which have had unauthorized alterations or modifications.
- Vehicles on which the odometer reading has been altered.

- Incidental or consequential costs or expenses which the owner may incur as a result of a malfunction or failure covered by this warranty, such as vehicle damage, communication expenses, meals, lodging, overtime, loss of use of engine or vehicle (“downtime”), loss of time, inconvenience, cargo loss or damage, and other similar costs and expenses.
- Replacement of defective parts, which were, not authorized Navistar equipment when first installed.
- Towing, unless additionally purchased.

OBTAINING SERVICE

To obtain service under this Service Contract, return this vehicle to any Navistar truck dealer authorized to service this model vehicle and engine. To locate an authorized dealer near you, please call the Navistar Customer Service Center at 800-44-TRUCK (800-448-7825).

DISCLAIMER

NO WARRANTIES ARE GIVEN BEYOND THOSE DESCRIBED HEREIN. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED. THE COMPANY SPECIFICALLY DISCLAIMS WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OTHER REPRESENTATIONS TO THE USER/PURCHASER, AND ALL OTHER OBLIGATIONS OR LIABILITIES. THE COMPANY FURTHER EXCLUDES LIABILITY FOR INCIDENTAL AND CONSEQUENTIAL DAMAGES, ON THE PART OF THE COMPANY OR SELLER. No person is authorized to give any other warranties or to assume any liabilities on the company’s behalf unless made or assumed in writing by the Company; and no other person is authorized to give any warranties or to assume any liabilities on the seller’s behalf unless made or assumed in writing by the seller.

Remedies Under State or Provincial Law: Some States and Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the owner. This warranty gives the owner specific legal rights, and he may also have other legal rights which may vary by state or province.

Navistar, Inc., except in Canada where it is Navistar Canada, Inc.

Cummins Warranty

All Engines United States And Canada School Bus

Coverage

Products Warranted

This Warranty applies to new diesel, LPG, compressed or liquid natural gas fueled Engines sold by Cummins Inc. or Cummins Westport and delivered to the first user on or after September 15, 1996, that are used in school bus* applications in the United States** or Canada.

Base Engine Warranty

The Base Engine Warranty covers any failures of the Engine which result, under normal use and service, from a defect in material or factory workmanship (Warrantable Failure). This Coverage begins with the sale of the Engine by Cummins and continues for five years or 100,000 miles (160,934 kilometers), whichever occurs first, from the date of delivery of the Engine to the first user.

Engine aftertreatment components included in the Cummins Critical Parts List (CPL) and marked with a Cummins part number are covered under Base Engine Warranty.

Extended Major Components Warranty

The Extended Major Components Warranty applies to all except ISV, ISB6.7 G, B and ISB Series Engines and covers Warrantable Failures of the Engine cylinder block, camshaft, crankshaft and connecting rods (Covered Parts).

Bushing and bearing failures are not covered.

This Coverage begins with the expiration of the Base Engine Warranty and ends three years or 300,000 miles (482,804 kilometers), whichever occurs first, from the date of delivery of the Engine to the first user.

Emission Warranty

Additional Coverage is outlined under the Emission Warranty.

THESE WARRANTIES ARE MADE TO ALL OWNERS IN THE CHAIN OF DISTRIBUTION AND COVERAGE CONTINUES TO ALL SUBSEQUENT OWNERS UNTIL THE END OF THE PERIODS OF COVERAGE.

Cummins Responsibilities

During The Base Engine Warranty

Cummins will pay for all parts and labor needed to repair the damage to the Engine resulting from a Warrantable Failure.

Cummins will pay for the lubricating oil, antifreeze, filter elements, belts, hoses and other maintenance items that are not reusable due to the Warrantable Failure.

Cummins will pay for reasonable labor costs for Engine removal and reinstallation when necessary to repair a Warrantable Failure.

Cummins will pay reasonable costs for towing a vehicle disabled by a Warrantable Failure to the nearest

authorized repair location when necessary to make the repair for the first 2 years from the date of delivery of the Engine to the first user. In lieu of towing expenses, Cummins will pay reasonable costs for mechanics to travel to and from the location of the vehicle, including meals, mileage and lodging, when the repair is performed at the site of the failure.

During The Extended Major Components Warranty

Cummins will pay for the repair or, at its option, replacement of the defective Covered Part and any Covered Part damaged by a Warrantable Failure of the defective Covered Part.

Owner Responsibilities

During The Base Engine Warranty

Owner is responsible for the cost of lubricating oil, antifreeze, filter elements and other maintenance items provided during Warranty repairs unless such items are not reusable due to the Warrantable Failure.

During The Extended Major Components Warranty

Owner is responsible for the cost of all labor needed to repair the Engine, including the labor to remove and reinstall the Engine. When Cummins elects to repair a part instead of replacing it, Owner is not responsible for the labor needed to repair the part.

Owner is responsible for the cost of all parts required for the repair except for the defective Covered Part and any Covered Part damaged by a Warrantable Failure of the defective Covered Part.

Owner is responsible for the cost of lubricating oil, antifreeze, filter elements and other maintenance items replaced during the repair.

During The Base Engine And Extended Major Components Warranties

Owner is responsible for the operation and maintenance of the Engine as specified in the applicable Cummins Operation and Maintenance Manual. Owner is also responsible for providing proof that all recommended maintenance has been performed.

Before the expiration of the applicable Warranty, Owner must notify a Cummins distributor, authorized dealer or other repair location approved by Cummins of any Warrantable Failure and make the Engine available for repair by such facility. Except for Engines disabled by a Warrantable Failure during the first two years from the date of delivery of the Engine to the first user, Owner must also deliver the Engine to the repair facility.

Service locations are listed on the Cummins Worldwide Service Locator at cummins.com.

Owner is responsible for communication expenses, meals, lodging and similar costs incurred as a result of a Warrantable Failure.

Owner is responsible for non-Engine repairs and for "downtime" expenses, passenger delays, fines, all applicable taxes, all business costs and other losses resulting from a Warrantable Failure.

Limitations

Engines with an emissions certification listed below must be operated using only diesel fuel having no more than the corresponding maximum sulfur content. Failure to use the specified fuel as listed in the Cummins Fuel Bulletin #3379001 Table 1 (Cummins Inc. Required Diesel Fuel Specifications) can damage the Engine and aftertreatment system within a short period of time. This damage could cause the Engine to become inoperable and failures attributable to the use of incorrect fuels will be denied Warranty Coverage. Fuel specifications also need to comply with local fuel regulations (EN590 for Europe and ASTM D975 for North America) for Warranty eligibility.

Maximum sulfur levels by emissions certification level as listed on the Engine's dataplate are:

EPA 2007/2010/2013/2017/2021	max. 15 parts per million
EPA Tier 4 Interim / Final / Stage V in North America	max. 15 parts per million
EU Stage IIIB 2011	max. 15 parts per million
EU Stage IV 2011	max. 15 parts per million
EU Stage V	max. 10 parts per million
Euro 4/5	max. 50 parts per million
Euro 6	max. 10 parts per million

Cummins is not responsible for failures or damage resulting from what Cummins determines to be abuse or neglect, including, but not limited to: operation without adequate coolants or lubricants; overfueling; overspeeding; lack of maintenance of lubricating, cooling or intake systems; improper storage, starting, warm-up, run-in or shutdown practices; unauthorized modifications of the Engine.

Any unauthorized modifications to the aftertreatment system could negatively affect emissions certification and void the Warranty.

Cummins is also not responsible for failures caused by incorrect oil, fuel or diesel exhaust fluid or by water, dirt or other contaminants in the fuel, oil or diesel exhaust fluid.

Alternators and starters are covered for the first two years from the date of delivery of the Engine to the first user, or the expiration of the Base Engine Warranty, whichever occurs first.

Excessive oil consumption for ISV and B Series Engines is covered for the duration of the Coverage. Before a claim for excessive oil consumption will be considered, Owner must submit adequate documentation to show that consumption exceeds Cummins published standards.

Failures of belts and hoses supplied by Cummins are not covered beyond the first year from the date of delivery of the Engine to the first user or the expiration of the applicable Base Engine Warranty, whichever occurs first.

Parts used to repair a Warrantable Failure may be new Cummins parts, Cummins approved rebuilt parts or repaired parts. Cummins is not responsible for failures resulting from the use of parts not approved by Cummins.

A new Cummins or Cummins approved rebuilt part used to repair a Warrantable Failure assumes the identity of the part it replaced and is entitled to the remaining Coverage hereunder.

Cummins, Inc. reserves the right to interrogate Electronic Control Module (ECM) data for purposes of failure analysis.

CUMMINS DOES NOT COVER WEAR OR WEAROUT OF COVERED PARTS.

CUMMINS IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

THESE WARRANTIES AND THE EMISSION WARRANTY SET FORTH HEREINAFTER ARE THE SOLE WARRANTIES MADE BY CUMMINS IN REGARD TO THESE ENGINES. CUMMINS MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OR OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Emission Warranty

Products Warranted

This Emission Warranty applies to new Engines marketed by Cummins that are used in the United States** or Canada in vehicles designed for transporting persons or property on a street or highway. This Warranty applies to Engines delivered to the ultimate purchaser on or after January 1, 1996.

Coverage

Cummins warrants to the ultimate purchaser and each subsequent purchaser that the Engine is designed, built and equipped so as to conform at the time of sale by Cummins with all U.S. federal emission regulations applicable at the time of manufacture and that it is free from defects in material or factory workmanship which would cause it not to meet these regulations within the longer of the following periods: (A) Five years or 100,000 miles (160,934 kilometers) of operation, whichever occurs first, as measured from the date of delivery of the Engine to the ultimate purchaser, or (B) The Base Engine Warranty.

If the vehicle in which the Engine is installed is registered in the state of California, a separate California Emission Warranty also applies.

Limitations

Engines with an emissions certification listed below must be operated using only diesel fuel having no more than the corresponding maximum sulfur content. Failure to use the specified fuel as listed in the Cummins Fuel Bulletin #3379001 Table 1 (Cummins Inc. Required Diesel Fuel Specifications) can damage the engine and aftertreatment system within a short period of time. This damage could cause the engine to become inoperable and failures attributable to the use of incorrect fuels will be denied Warranty Coverage. Fuel specifications also need to comply with local fuel regulations (EN590 for Europe and ASTM D975 for North America) for Warranty eligibility.

Maximum sulfur levels by emissions certification level as listed on the Engine's dataplate are:

EPA 2007/2010/2013/2017/2021	max. 15 parts per million
EPA Tier 4 Interim / Final / Stage V in North America	max. 15 parts per million
EU Stage IIIB 2011	max. 15 parts per million
EU Stage IV 2011	max. 15 parts per million
EU Stage V	max. 10 parts per million
Euro 4/5	max. 50 parts per million
Euro 6	max. 10 parts per million

Failures, other than those resulting from defects in material or factory workmanship, are not covered by this Warranty.

Cummins is not responsible for failures or damage resulting from what Cummins determines to be abuse or neglect, including, but not limited to: operation without adequate coolants or lubricants; overfueling; overspeeding; lack of maintenance of lubricating, cooling or intake systems; improper storage, starting, warm-up, run-in or shutdown practices; unauthorized modifications of the Engine.

Any unauthorized modifications to the aftertreatment system could negatively affect emissions certification and void the Warranty.

Cummins is also not responsible for failures caused by incorrect oil, fuel or diesel exhaust fluid or by water, dirt or other contaminants in the fuel, oil or diesel exhaust fluid.

Cummins is not responsible for non-Engine repairs, "downtime" expenses, cargo damage, fines, all applicable taxes, all business costs or other losses resulting from a Warrantable Failure.

CUMMINS IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

* A vehicle used to transport students to and from school. Vehicle must be painted yellow, should have warning lights and the words 'SCHOOL BUS' written on the front

and rear roof caps. The requirements pertaining to paint color, warning lights and 'SCHOOL BUS' inscription would not apply if the vehicle is exclusively used to transport students for school related activities and it is owned by a school district.

** United States includes American Samoa, the Commonwealth of Northern Mariana Islands, Guam, Puerto Rico and the U.S. Virgin Islands.

Authorized Signature _____

All stock buses are subject to prior sale.

Buy Board fee not included. If purchasing through Buy Board, and additional \$800.00 must be applied to purchase order (fee is per purchase order not per bus). Longhorn Buy Board number 722-23.

Estimated delivery is 60 -180 days from receipt of PO (dependent on whether bus is built or scheduled to build). Longhorn Bus Sales will not be held responsible for material shortages or delays due to the global COVID-19 pandemic or any other reasons outside our control of the represented OEMs (IC Corp) or third-party vendors used to complete a customers' bus equipment. A bus may be delivered without third-party products (i.e., A/C, GPS, two-way radios, camera surveillance, etc.) and will be installed when available. These shortages will not hold up invoicing of payments for delivered goods.

Request for Taxpayer Identification Number and Certification

Go to www.irs.gov/FormW9 for instructions and the latest information.

Give form to the requester. Do not send to the IRS.

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See Specific Instructions on page 3.	1	Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.) Holt Truck Centers of Texas LLC		
	2	Business name/disregarded entity name, if different from above. Longhorn Bus Sales		
	3a	Check the appropriate box for federal tax classification of the entity/individual whose name is entered on line 1. Check only one of the following seven boxes. <input type="checkbox"/> Individual/sole proprietor <input type="checkbox"/> C corporation <input type="checkbox"/> S corporation <input type="checkbox"/> Partnership <input type="checkbox"/> Trust/estate <input checked="" type="checkbox"/> LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) P Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner. <input type="checkbox"/> Other (see instructions) _____	4	Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) _____ Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) _____ <i>(Applies to accounts maintained outside the United States.)</i>
	3b	If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions <input type="checkbox"/>		
	5	Address (number, street, and apt. or suite no.). See instructions. 5665 SE Loop 410	Requester's name and address (optional)	
	6	City, state, and ZIP code San Antonio, TX 78222		
	7	List account number(s) here (optional)		

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number									
or									
Employer identification number									
8	7		3	8	9	5	7	8	1

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here	Signature of U.S. person 	Date 10/11/2024
------------------	------------------------------	---------------------------

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

**IC BUS®
CE SERIES**

**THE NEXT GENERATION
IC BUS® CE SERIES SCHOOL BUS**

THE NEXT GENERATION IC BUS® CE SERIES

AHEAD OF ITS CLASS

When it comes to transporting our most precious cargo, only the best will do. That means a bus that has some of the latest safety technology, is built with high-quality materials, offers forward-thinking propulsion options and provides drivers with everything they need to be successful.

It means a company willing to go above and beyond all expectations with engineers who are never satisfied with the status quo. Introducing the Next Generation CE Series. And welcome to a new era in school transportation.

SAFETY. FIRST AND FOREMOST.

A NO-COMPROMISE APPROACH TO SAFETY

Of all the requirements IC Bus engineers are tasked with when designing a new bus, one rises above the rest: it must be a safe means of transportation for the children who ride inside. It's an enormous responsibility and something that we never take for granted.

That's why the next generation CE Series includes the very latest in safety technology. These safety features are essential when it comes to providing the driver with extraordinary situational awareness; enabling them to keep the students riding behind them out of harms way.

STANDARD KEY SAFETY FEATURES:

- Bendix® Intellipark® electronic parking brake standard (on air brake units)
- Bendix® Wingman® Advanced™ Safety Package (air brake units) - including Active braking capabilities for collision avoidance, following distance alerts, adaptive cruise and more
- No Student Left Behind child monitoring system
- Single panel glass on entrance door for improved driver visibility
- Entrance doors integrated into dash cluster, providing 'Door Ajar' warning if bus reaches certain speed prior to door being fully closed
- Daytime running headlights with automatic twilight sensor
- Electronic stability control

A CLEAR VISION

Visibility is crucially important to any school bus driver. Children of all heights walk next to, in front of, behind and toward the bus - and being able to see them is the only way to ensure they are kept safe. The Next Generation CE Series includes several enhancements that help boost the situational awareness of the driver.

IC BUS® FULL VIEW CAMERA TECHNOLOGY™ BY ROSCO

IC Bus is proud to offer the industry's first camera system designed specifically for school buses. Combined with the side mirrors, this advanced system will allow bus drivers to have a "full view" around the bus for total situational awareness so they can concentrate on driving and keeping kids safe.

FULL VIEW CAMERA FEATURES

- Provides driver views based on the situation at hand, such as backing up, opening the door or a view to the side or front of the bus
- This purpose-built camera technology is designed to not overload the driver with too much information, but instead provide them with the right information at the right time
- Gives the driver a greater feeling of security and peace of mind with the combination of the full view camera technology and driver mirrors
- Provides accurate visibility to the areas that matter most around the bus

- Entrance door features single-panel bonded glass and is aligned with the driver seat for enhanced side visibility.
- Rounded, three-piece windshield with no center post includes a shaded band standard to help reduce sun glare.
- Completely integrated driver HVAC system with improved defrost performance by 50% over prior model allows for quicker and more complete clearing of the windshield.
- Sloped hood design is angled and provides more than 11 inches of improved ground visibility in front of the bus over prior model.

- Standard daytime running lights with automatic twilight sensors help increase the visibility of the bus to other drivers and pedestrians.
- Available LED-enhanced, down lit cross-view mirrors illuminate the road when the park lights are on and the stop arm is extended to illuminate pedestrians and objects in the front danger zone.
- Available LED headlights and marker lights offer a higher lumen output and are longer lasting compared to halogen bulbs.

INTUITIVE PROTECTION

The Bendix® Wingman® Advanced™ Safety Package uses radar and an optional video camera (Fusion package) to scan the forward path of the bus. If a slower moving or stopped vehicle is detected, the system is designed to reduce the severity and likelihood of a rear-end impact through automatic braking and audible alerts.

This integration of various technologies creates a highly detailed data picture that can significantly reduce the chance of a false alert or activation.

The Next Generation CE Series was designed from the beginning to utilize active safety. In fact, the alerts are now integrated into the gauge cluster as opposed to being mounted atop the instrument panel in previous models.

FOLLOWING DISTANCE ALERTS

The radar can also be used to maintain a safe following distance when the adaptive cruise control is engaged. Radar has many advantages, including the ability to read objects through all weather conditions, such as rain, snow, smoke and fog.

LANE DEPARTURE WARNING (available with camera)

The camera can detect if the bus unintentionally departs the lane without the turn signal activated, and will sound an alarm and provide a visual alert. This is particularly valuable during driver distraction or drowsiness situations.

SUPPORTING SAFE DRIVING

SITUATION	POSSIBLE CAUSE	ACTIVE SAFETY
Rear End Collisions	Distracted driver	Can reduce the likelihood or severity of rear-end accidents by providing following distance alerts and if needed, will apply the brakes to help the driver avoid the collision or help reduce its severity
Overly Aggressive Drivers	Bus is too close to the forward vehicle	Following distance alert will beep when following too closely
Limited Sight in Poor Weather Conditions	Snow, rain, smog, smoke, fog, sleet	Radar capabilities that can see potential dangers before the human eye can
Excessive Speed	Traveling above posted speed limit on highways	Optional camera can recognize posted speed limits and alert the driver at +5 mph over; at +10 mph over, alert and 1.0 second engine de-throttle will occur

DESIGNED WITH DRIVERS IN MIND

KEEPING THE DRIVER INFORMED, COMFORTABLE AND CONNECTED

Every successful trip begins and ends with the driver. That's why we empower them with tools that elevate their comfort, efficiency, and situational awareness in a meaningful and nonintrusive manner.

It's a philosophy we call DriverFirst™ which is our commitment to do everything we can to provide a working environment that puts drivers in a position to succeed. After all, it's hard enough to find committed drivers, let alone retain them. So, if we're able to help by providing a bus that drivers want to drive, then everyone wins. Your district wins by retaining an experienced driver, the driver wins by building a stable and satisfying career and, most importantly, the kids win by boarding a bus each morning driven by someone who loves their job.

DRIVERFIRST™

1. **Ergonomic wing instrument panel** is angled toward the driver with switches that are easy to read and reach.
2. **Premium dash cluster** with a 5-inch digital color display with custom view options including real-time fuel economy, speedometer and tachometer, gear selection indicator, safety indicators and distance to empty.
3. **USB-A and USB-C charging ports** are conveniently located to left of driver (in storage bin) and on right side of instrument panel.
4. **Back-lit, color-coded steering wheel switches/controls** with cruise control plus four switches that are programmable with Diamond Logic® Builder software.
5. **Driver light pre-check switch** conveniently located on the dash to check all exterior light bulbs. All exterior lights will flash while driver performs pre-check.
6. **Full range of driver seat options** to accommodate drivers of all shapes and sizes.
7. **Tire pressure monitoring system (TPMS)** (optional) provides real-time tires status including low pressure, extreme low pressure, high pressure, high temperature and more.
8. **Bendix® Intellipark® electronic parking brake** with dash-mounted switch integrated in cluster (air brake units only) electronically engages parking brake when critical interlocks are met, indicating that the vehicle is not parked and the driver does not have control.
9. **Stalk shifter** for transmission control mounted on steering column allows the driver to easily reach and operate shifting and engine braking while keeping their eyes on the road.
10. **Integrated driver HVAC system** with multiple, intuitive control settings within an arm's reach with additional venting for faster and more complete defrosting as well as overall driver comfort.
11. Improved left-hand drivers area including storage bin with more usable space and an easy-to-reach 44 oz cup holder.
12. Trash bin with double capacity (optional) with designated area forward of the stepwell.

A BUS BUILT TO LAST

From sizable potholes to boisterous students, a school bus must face daily punishment. That's why the CE Series is built to the highest standards at our production facility in Tulsa, Oklahoma.

Materials have been carefully chosen for their durability and advanced steel coatings help provide a robust defense against corrosion. In addition, areas under the hood that require routine maintenance are conveniently located to help you stay ahead of potential issues.

DURABLE CONSTRUCTION:

16-gauge steel body and interior panels for longevity and structural integrity

14-gauge steel threaded body bows with continuous runners connecting all roof bows for ruggedness and superior strength

Stamped parts used wherever possible during construction; provides increased strength and tighter tolerances

Meets or exceeds FMVSS/CMVSS

ENHANCED CORROSION RESISTANCE:

New one-piece driver floor mat reduces potential corrosion and maintenance costs, plus is easier to keep clean

Naviflex coated stepwell* provides superior corrosion resistance

Interior modesty panels treated with 90G/90G galvanized coating and then painted for enhanced corrosion resistance

TIME-SAVING SERVICEABILITY:

Improved accessibility to routine maintenance items - HVAC filter & air dryer (under the hood), fuel filter now outside frame rail, stepwell heater accessibility from inside stepwell, oil filter now more accessible

Electrical panel/fuse block arrangement:

- Instrument panel fuses located inside the bus with chassis fuse block with spill resistant cover
- Body fuse block outside of bus in electrical panel under driver's window

Diamond Logic® electrical system enables programming of body integration and driver efficiency features; common uses include exterior light check for pre-trip inspections, "No Student Left Behind" post-trip inspection monitor, lights on with windshield wipers, and customization of interlocks for dome light

225

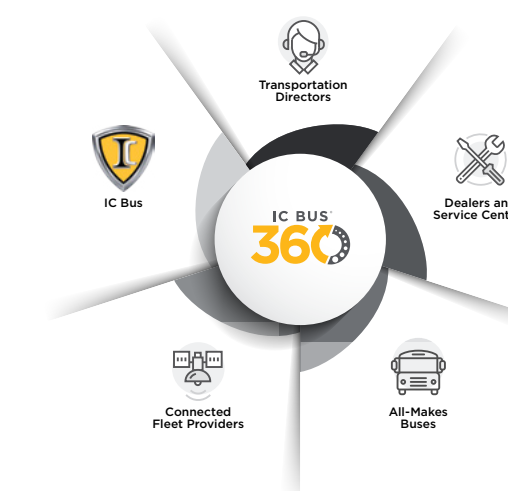

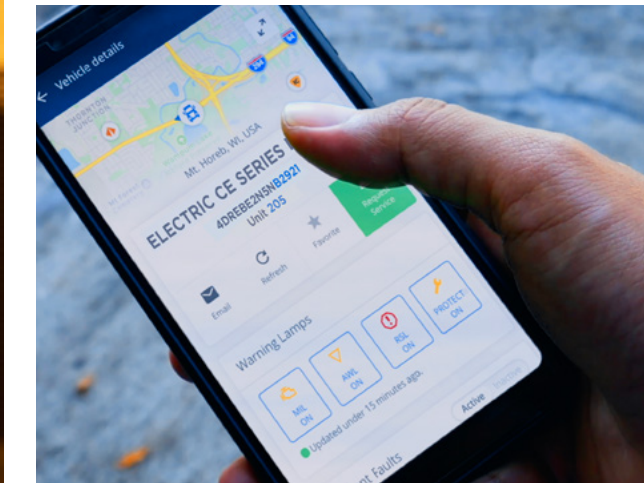

* Also available on bumpers and fuel tanks

IC BUS | CE SERIES | 15

CONNECTED TECHNOLOGY TO BOOST ON-TIME PERFORMANCE

Knowledge is power. And when you're armed with the data you need to make informed decisions, the outcomes are always better. IC Bus offers powerful tools that can not only help you stay ahead of issues, but accelerate repair times when a bus is in for service. So whether you operate one bus or an entire fleet, you'll have access to a powerful set of tools and resources for maximizing uptime and operational efficiency.

Now standard on all new vehicles — factory-installed telematics including 5 Year subscription. We deliver proactive tools that help reduce unplanned downtime, increase safety and drive on-time performance

Connectivity includes:

ONCOMMAND® CONNECTION (OCC)

- 24/7 access and visibility to real-time vehicle diagnostics and predictive maintenance tools
- Visibility to current vehicle location and route history
- Monitor driver performance including harsh braking, hard acceleration and idle time reporting

IC BUS® 360 SERVICE COMMUNICATIONS:

- Seamless communication with dealers and up-to-date repair status
- Complete VIN-based information – asset specs, complete parts catalog, remote health data, and more
- Online service request initiation and estimate approvals
- Complete service history, up-to-date campaign information, and engine calibration status

PROVEN RESULTS:

- 83% of users have experienced a reduction in the number of emails and phone calls regarding service communications.
- 30% improvement in service repair time and 26% unplanned service events when utilizing IC Bus 360 and OCC.

NEXT GEN POWERTRAINS

School bus fleets are rapidly transitioning to electric. In most cases, it makes perfect sense thanks to consistent routes, a central depot to charge and readily accessible funding assistance. But not all routes or districts are suited for electric – and that’s why we offer both options. The tried-and-true Cummins® B6.7L provides the power you need with a low total cost of ownership and impressive uptime. Those who choose the Next Generation Electric CE Series can rest easy knowing that it has been designed from the get-go to run on electric propulsion with its incredible torque and quiet, calm-inducing ride. Whichever direction you go, the future has never looked brighter.

ZERO EMISSIONS

IC Bus helps customers plan, execute and optimize zero-emission vehicles and investments for the entire lifecycle. We design scalable, end-to-end solutions around your specific needs.

Our team of zero-emission subject matter experts is ready to help fleets and school districts everywhere develop a fully integrated and scalable zero-emission strategy. The consulting process includes the evaluation of requirements and efficiencies, route simulations, plus education on all available funding sources, grants, and tax incentives.

THE EV ROADMAP FOR A SEAMLESS TRANSITION:

Step 1 | CONSULTING

Find the best way forward

Our discovery workshops dive into your fleet's electrification needs and concerns, building a customized EV roadmap for success.

Step 2 | CHARGING

Lay the groundwork

We assess the placement of hardware and infrastructure, finding the best ways to support your vehicle charging and uptime.

Step 3 | DEPLOYMENT

Bring it all together

We ensure your charging locations, staff, and remote diagnostics are prepared for your electric vehicle to hit the road.

**WE HAVE
YOUR BACK,
SO YOU CAN
KEEP MOVING
FORWARD**

We understand that getting kids to and from school on time every time, isn't optional, it's required. That means your fleet must be up and running the entire school year. Dependable equipment spec'd for your needs and requirements is just the beginning. Our preventive maintenance programs combined with our vast network of service locations help make sure downtime is kept to a minimum with no surprises for your students or your budget.

**PARTS YOU NEED
WHERE AND WHEN
YOU NEED THEM**

It is our goal to provide you, the customer, with an unparalleled ownership experience. To be your preferred partner, not just for the sale of the vehicle, but throughout its lifecycle. Below is a sampling of our value-add services focused on reducing your operating costs and driving on-time performance.

- State-of-the-art, Award-winning Parts Distribution Centers
- All-makes Fleetrite® and ReNEWed® Reman Parts Offering
- Fleet Charge® account standardization – pricing & billing
- Ability to customize extended service contracts – flexibility you need with peace of mind you deserve.
- Connected services built to make data visible, easy to understand & actionable
- Diagnostics & service tools
- Training opportunities
- Over 700+ dealer locations
- Parts Return Program
- One-stop-shop Warranty Processing
- eCommerce Online Parts Ordering
- Dealer Uptime Advocate and Uptime Command Center

Safety – Enhanced Lighting

Technology – Dash Cluster with Digital Gauges and Info

Technology – Dash Integrated Safety Systems

Air Brake System Test with Bendix Intellipark

Buses equipped with a Bendix Intellipark system require the driver to look for different visual cues when conducting a brake test. All system air pressure readings and requirements remain the same.

Conducting a Brake Test:

1. Ignition key **ON**.

2. Place your foot on the service brake.

This is required to release the parking brake. It cannot be released without depressing the brake pedal. This may change the road test procedure.

3. Release the parking brake.

4. Begin pumping the brake pedal rapidly.

5. At 60 PSI:

- The dash will begin to sound an alarm.
- The **BRAKE AIR** indicator will illuminate on the dash.
- The red lights on the parking brake will flash.

6. Continue pumping the brake pedal.

7. At 30 PSI:

- The dash alarm will continue to sound.
- The **BRAKE AIR** indicator will continue to illuminate.
- The **PARK** indicator will illuminate on the dash.
- The red lights on the parking brake will illuminate solid.

This is now the equivalent of the parking brake knob popping out at 30 PSI or the spring brake applying itself automatically at 30 PSI.

Pumping the Brakes Down After Your Run:

1. The ignition key must be in the **ON** position to release the parking brake.

- Do not pump the air system down with the parking brake set.

2. After key on, pump the brakes down until spring brake application as normal.

3. Remove the key from the ignition (if required).

- The dome lights will time out on their own.

LIMITED WARRANTY FOR School BUS
*Effective with vehicles built March 01, 2017 or later

Series (Model): CE (PB105 & PB110), RE (PB305)

Basic Vehicle

Navistar®, Inc., at its option, will repair or replace any part of this vehicle that proves defective in material or workmanship, in normal use and service, with new or RENEWED™ parts, based on the Component Coverages below.

Navistar Diesel Engine Coverage Includes:

Engine block, cylinder heads, internally lubricated components, fuel pump, high pressure pump, turbocharger, water pump, air compressor, injectors/ nozzles; electronic engine modules, engine relays, engine sensors and regulators required for electronic engine operation, and certain aftertreatment components. Excluding: attaching accessories (e.g., fan clutch, alternator, starter, etc.), and externally mounted electrical and filtration systems.

What is Not Included Under Basic Coverage

Components/Items

- Components warranted by their respective manufacturers (such as non-International® brand engines, tires, Allison transmissions, lubricants, Cummins engines, Agility fuel systems, etc.)
- Bodies, equipment, and accessories installed by other than authorized International Truck employees at International Truck manufacturing plants
- Front and rear axle alignment
- Front and rear axle coverage excludes brakes, wheel ends, axle shafts, controls and attachments

Repairs & Maintenance

- Maintenance-related items/repairs, or those needed as a result of normal wear and tear, including tune-ups, brake/clutch linings, windshield wiper blades, tire balancing, lubrication, and other similar procedures/parts required to keep vehicle in good working condition
- Failures that are the result of poor fuel quality, water in fuel, rust, etc.
- Repairs needed as a result of vehicle misuse, negligent care, improper maintenance, improper operation, or the result of accident or collision
- Fade, runs, mismatch or damage to paint, trim items, upholstery, chrome, polished surfaces, etc., resulting from environmental causes such as improper polishes, cleaners or washing solutions, or chemical and industrial fallout
- Failure to observe published capacity or load specifications for engine, transmission, propeller shaft, axles (powertrain) and suspension

LIMITED WARRANTY FOR School BUS
***Effective with vehicles built March 01, 2017 or later**

Other

- Vehicles sold and/or operated outside the United States and Canada
- This exception does not apply to vehicles that meet current US EPA emission standards, which were sold by an International dealer located in Mexico, if the vehicle is authorized by the US DOT to operate in long-haul, cross border transportation and the vehicle is only operated in the United States, Canada, and Mexico
- Vehicles/components that have had unauthorized alterations or modifications
- Vehicles on which the odometer reading has been altered
- Loss of time or use of the vehicle, loss of profits, inconvenience, or other consequential or incidental damages or expenses
- Replacement of defective parts with parts other than those provided by Navistar, Inc.

Obtaining Service

Return this vehicle to any International Truck dealer authorized to service this model vehicle and engine.

This warranty is automatically transferred to subsequent owners at no charge. Visit your local Authorized International Truck dealer for name and address change information.

Note: The customer has 365 days and up to a maximum of 100,000 miles (160,000 km) from DTU to purchase an extended warranty on the unit. For extended warranty purchases between 181 and 365 days from DTU and <100,000 miles (160,000 km) an additional fee will be assessed. See your local International dealer for details.

Disclaimer

NO WARRANTIES ARE GIVEN BEYOND THOSE DESCRIBED HEREIN. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED. THE COMPANY SPECIFICALLY DISCLAIMS WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OTHER REPRESENTATIONS TO THE USER/PURCHASER, AND ALL OTHER OBLIGATIONS OR LIABILITIES. THE COMPANY FURTHER EXCLUDES LIABILITY FOR INCIDENTAL AND CONSEQUENTIAL DAMAGES, ON THE PART OF THE COMPANY OR SELLER.

No person is authorized to give any other warranties or to assume any liabilities on the Company's behalf unless made or assumed in writing by the Company, and no other person is authorized to give any warranties or to assume any liabilities on the seller's behalf unless made or assumed in writing by the seller.

Remedies Under State or Provincial Law: Some States and Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to the owner. This warranty gives the owner specific legal rights, and he may also have other legal rights which may vary by state or province.

Telematics Data Disclosure

Your Navistar vehicle may include an activated telematics subscription service. By accepting this Limited Warranty, you consent to our collection and use of data from your vehicle as set forth at www.oncommandconnection.com on behalf of yourself and any vehicle operators and passengers. Navistar, Inc., or its affiliates will collect and send diagnostic and system data from your vehicle and use it for various purposes as further set forth in our Privacy Policy, posted at www.oncommandconnection.com, such as improving the uptime for your vehicle, improving our vehicles in the future, and reducing warranty events. If you choose not to allow Navistar to access your data, you may suspend your subscription at www.InternationalTrucks.com/Opt-Out.

LIMITED WARRANTY FOR School BUS
***Effective with vehicles built March 01, 2017 or later**

Record of Ownership

Upon receipt of new vehicle by original owner, complete the following:

I have read this Warranty Brochure and fully understand the warranty coverage. I acknowledge that I have received a copy of the Owner's Limited Warranty and I accept the terms described herein.

_____	_____
Customer Signature	Date
_____	_____
Owner's Address	City _____ State/Prov _____ Postal Code _____
_____	_____
Truck Model	Vehicle Identification Number
_____	_____
Engine Model Number	Engine Serial Number
_____	_____
Date Delivered to User (DTU)	Odometer Reading at Delivery

IMPORTANT: The information contained in this Warranty Policy explains the coverage provided on your new International vehicle. This policy should be kept in the vehicle for presentation to the Dealer when you request warranty services.

TOW COVERAGE \$1,100 PER INCIDENT

This service contract for **Towing option(s)** provides coverage for 24 months or unlimited miles/kilometers traveled from new vehicle delivery date, whichever expiration occurs first.

During this period, Navistar, Inc. ("Navistar") will pay for a service call and/or towing to the nearest IC Bus, International[®] or Cummins dealer WITH A NAVISTAR OR CUMMINS WARRANTABLE AND MISSION-DISABLING UNSAFE OPERATING CONDITION FAILURE. Coverage of Cummins failure begins AFTER the expiration of the Cummins second year of standard tow coverage for school bus if an additional Cummins service contract is active in Navistar Service Portal. Maximum liability for Navistar, per incident, is \$1,100. Exceptions are listed herein under section *What is Not Covered*.

WHAT IS NOT COVERED**Repairs:**

- Towing in connection with a failure that is NOT warranted with Cummins or Navistar.
- Any expense over the \$1,100.00 maximum liability, per incident.

Other:

- Buses sold and/or operated outside the United States and Canada.
- Buses /components which have had unauthorized alterations or modifications.
- Buses on which the odometer reading has been altered.
- Loss of time or use of the bus, loss of profits, inconvenience, or other consequential or incidental damages or expenses.
- Incidental or consequential costs or expenses which the owner may incur as a result of a malfunction or failure covered by this warranty, such as vehicle damage, communication expenses, meals, lodging, overtime, loss of use of engine or vehicle ("downtime"), loss of time, inconvenience, cargo loss or damage, and other similar costs and expenses.

OBTAINING SERVICE

To obtain service under this Service Contract, return this vehicle to any IC Bus or International[®] truck dealer authorized to service this model bus and engine. To locate an authorized dealer near you, please call the Navistar Customer Service Center at 800-44-TRUCK (800-448-7825).

DISCLAIMER

FOLLOWING THE EXPIRATION OF THE STANDARD NAVISTAR LIMITED WARRANTY AND DURING THE PERIOD OF THIS SERVICE CONTRACT, NO WARRANTIES OR ADDITIONAL COVERAGE ARE GIVEN BEYOND THOSE DESCRIBED HEREIN. THIS EXTENDED WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, EXCEPT FOR THE APPLICABLE STANDARD NAVISTAR LIMITED WARRANTY FOR YOUR VEHICLE. NAVISTAR SPECIFICALLY DISCLAIMS WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OTHER REPRESENTATIONS TO THE USER/PURCHASER, AND ALL OTHER OBLIGATIONS OR LIABILITIES. NAVISTAR FURTHER EXCLUDES LIABILITY FOR INCIDENTAL, SPECIAL, INDIRECT AND CONSEQUENTIAL DAMAGES, ON THE PART OF NAVISTAR OR SELLER. No person is authorized to give any other warranties or to assume any liabilities on Navistar's behalf unless specifically made or assumed in writing by Navistar; and no other person is authorized to give any warranties or to assume any liabilities on the seller's behalf unless specifically made or assumed in writing by the seller.

Remedies Under State or Provincial Law: Some States and Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the owner. This warranty gives the owner specific legal rights, and he may also have other legal rights which may vary by state or province.

Navistar, Inc., except in Canada where it is Navistar Canada, Inc.

**RE/CE BUS EXTENDED VEHICLE COVERAGE
 INCLUDING BUS BODY**

This **Extended Vehicle Coverage Including Bus Body option(s)** provides coverage for 24 months or 50,000 miles/ 80,000 kilometers traveled from new vehicle delivery date, whichever expiration occurs first.

During the period selected, Navistar, Inc. will repair or replace any of the covered components as defined below which proven defective in material and/or workmanship in normal use, with new or ReNEWed parts. Exceptions are listed herein under What is Not Covered.

GROUP 01 - FRAME AND BUMPER

- 067 - Carrier, Tire
- 071 - Bumper
- 211 - Bracket or Mounting
- 306 - Outrigger, Bus Platform Mounting
- 307 - Crossmember
- 309 - Crossmember, Engine
- 581 - Bumper Frame
- 660 - Rail, Frame Side
- 739 - Reinforcement or Gussets

GROUP 02 - FRONT AXLE

- 016 - Arm, Steering
- 032 - I-Beam, Front Axle
- 353 - Fitting/Zerk
- 535 - Knuckle, Steering
- 667 - King Pin & Bushing
- 799 - Seal, King Pin

GROUP 03 - SUSPENSION

- 62 - Equalizer / Rocker Arm and Bushing
- 066 - Torque Arm & Bushing Assembly
- 074 - Walking Beam & Bushing Assembly
- 203 - Air Bag Assembly
- 264 - Control (Air Suspension Only)
- 341 - Bracket, Shock Absorber Mounting
- 406 - Bolt, Center
- 437 - Suspension Air Control Manifold Assembly
- 438 - Suspension, ECM
- 468 - Spring Leaf Assembly
- 584 - Bracket Assembly, Spring
- 646 - Shackles, Pins & Bushing
- 711 - Crossmember, Rear Suspension
- 769 - Sway Bar Assembly
- 804 - Stop, Axle

GROUP 04 - BRAKES

- 003 - Tank, Air, Vacuum
- 005 - Knob
- 007 - Pumps
- 09 - Accumulators
- 10 - Hydraulic Power Brake (HPB) Unit
- 012 - Solenoid Valve
- 013 - Adjuster, Slack
- 020 - Cylinder, Self Actuate Hydraulic Release

- 036 - Adjuster Assembly, Automatic
- 105 - Bracket, Brake Chamber
- 231 - Chamber
- 232 - Diaphragm, Chamber
- 255 - Cylinder, Master
- 390 - Reservoir
- 392 - Switch, Fluid Level
- 397 - Governor and Mounting, Air
- 428 - Lever/Pedal, Parking Brake
- 429 - Cable/Linkage, Parking Brake
- 461 - Linkage / Cam / Camshaft, Wheel Brake Actuating
- 462 - Linkage/Pedal/Spring Brake Actuating
- 511 - Power Assist Unit 617 - Backing Plate/Anchor/Dust Shield
- 634 - Pump, Back-Up (Less Motor)
- 636 - Motor, Back-Up
- 643 - End Cover, Unloader Valve Air Dryer
- 662 - Spring, Brake Shoe Return
- 747 - Spring Applied Air Release (Saar) Canister
- 751 - Sensor, Steering Angle
- 753 - Sender, Stability Control
- 801 - Control Unit, Electronic ECU
- 811 - Relay/Magnetic Switch
- 812 - Valve, Modulator
- 816 - Sender, Wheel
- 826 - Caliper
- 840 - Caliper Bracket
- 842 - Switch, Flow
- 846 - Switch, Back-Up Motor
- 847 - Switch, Pressure Differential
- 848 - Module, Monitor 851 - Valve, Spring Brake Control
- 852 - Brake Assembly, Drive Line
- 909 - Harness, Cab
- 913 - Valve, Foot Control or Pedal
- 920 - Valve, Hand Control
- 923 - Harness, Front End (Wires/Connectors/Term)
- 932 - Valve, Front Wheel Limiting & Mounting
- 940 - Harness, PDM Distribution
- 944 - Valve, Quick Release
- 955 - Pully
- 990 - Wiring

GROUP 05 - STEERING

018 - Arm, Pitman
069 - Link, Drag
164 - Column Assy. & Mounting, Steering
167 - Wheel Mechanism, Tilt Steering
206 - Couplings/U-Joint, Steering Shaft
252 - Wheel, Steering
311 - Gear Assembly, Steering
314 - Gasket, Power Steering Pump Mounting
316 - Wheel Mechanism, Telescoping Steering
370 - Bracket/Mounting, Steering Gear
555 - Cylinder Assembly & Valves
653 - Cooler Assembly, Oil 701 - Pump Assembly
757 - Reservoir Assembly 818 - Valve, Control
955 - Pulley

GROUP 06 - PROP SHAFT

101 - Bearing
165 - Mounting, Bearing
391 - Joint, Universal
475 - Boot / Clamp, Slip Joint
478 - Shaft
703 - Yoke/Spline

GROUP 07 - EXHAUST

107 - Assembly, Basic
143 - Bracket/Support, Mounting
426 - Guard / Heat Shield
533 - Tail Pipe, Exhaust Gas Cooler
551 - Pipe, Crossover
576 - Pipe & Flange, Exhaust
615 - Pipe/Stack, Tail
775 - Cap, Stack
824 - Pipe, Flex

GROUP 08 - ELECTRICAL

005 - Knob
018 - Alternator Assembly 038 - Multiplex Signal Module (MSM)
041 - Telematics Control Module (TCM)
049 - Switch, SOS
059 - Regulator, Voltage
63 - Solenoid Base, Pneumatic Accessory
065 - Solenoid Unit, Pneumatic Accessory
073 - Amplifier, Pyrometer
074 - Gauge, Voltmeter
076 - Gauge, Fuel Level
088 - Gauge, Oil Pressure (Electrical)
097 - Gauge, Coolant Temperature (Electrical)
099 - Gauge, Ammeter
109 - Gauge, Engine Oil Temperature
110 - Gauge, Pyrometer
111 - Gauge, Rear Axle Oil Temperature
116 - Gauge, Speedometer (Electrical)
117 - Gauge, Tachometer (Electrical)
118 - Gauge, Transmission Oil Temperature

124 - Sender, Fuel Level
127 - Tachometer/Trip Recorder (Elec Driven)
155 - Sender, Pyrometer
156 - Sender, Rear Axle Oil Temperature
159 - Sender, Transmission Oil Temperature
202 - Motor, Starter
217 - Solenoid, Starter Motor
221 - Bezel/Cover Plate
223 - Circuit Board
224 - Switch, Speedometer / Tachometer Dip (Reprogramming Only)
225 - Panel, Circuit Breaker/Relay/Fuse
226 - Mounting, Circuit Breaker/Relay/Fuse Panel
251 - Harness, Coiled Ribbon (Clock Spring)
266 - Switch, Clutch
269 - Module, Coolant Probe
270 - Probe, Coolant Level
284 - Antenna and Lead-In
347 - Mounting
372 - Module, Pyrometer
373 - Module, Ammeter
374 - Circuit Housing, Speedometer / Tachometer
375 - Sender, Air Pressure
388 - Lamp Assembly
401 - Clean Power Cable (Battery To Cab)
404 - Flasher
405 - Beeper, Hydraulic Brake Warning
407 - Alarm, High Water Temp/Low Oil Press.
408 - Beeper, Low Air Pressure
418 - Regulator & Motor Assembly
424 - Hourmeter
430 - Odometer
487 - Horn Assembly
499 - Contact Ring/Button, Horn
508 - Monitor, Driver Display Unit
510 - Sensor, Radar Side/Front
511 - Camera, Forward Looking

WHAT IS NOT COVERED**Components / Items:**

- Correction of loose fasteners, squeaks, rattles and unusual noises.
- Adjustments (e.g., headlights, brake/clutch adjustments, steering system adjustments, coolant levels).
- Items warranted by their respective manufacturers (e.g., non-Navistar brand engines, tires & tubes, Allison Transmissions, clutch, batteries, radios, lubricants, etc).
- Any part that is not a Navistar part number.
- Unauthorized parts other than Navistar service parts or ReNEWed® parts.
- Bodies, equipment and accessories installed by other than authorized Navistar employees at Navistar manufacturing plants.
- Front and rear axle alignment.
- Engine, Engine Electronics, Injectors, Turbocharger.
- Hybrid Electric Components (except Hybrid/Electric Drive Cooling).

Repairs:

- Maintenance-related items/ repairs or those as a result of normal wear and tear, including tune-ups, brake/clutch lining, clutch brake, windshield wiper blades, windshield wiper nozzles, gaskets, belts, seals, tire balancing, lubrication, batteries and other similar procedures/parts required to keep vehicle in good working condition. Such maintenance items or repairs include, but are not limited to oil changes, oil filters, air filters, desiccant cartridge, fuel filters, tire rotation, cleaning/polishing, engine tune-up, adding oils, tightening of air intake and coolant clamps, ash tray, cigarette lighter element, fire extinguishers, fluorescent ballast and tubes, fuses, gladhand and gladhand rubbers, trailer hoses, hose tenders, trailer electrical cables, light bulbs, mattress, mud flaps, mud flap mounting bracket.
- Repairs to any part of the vehicle subjected to misuse, negligence, improper maintenance, improper operation, or which is the result of an accident.
- Fades, runs, mismatch or damage to paint, trim items, upholstery, chrome, polished surfaces, etc., resulting from environmental causes, improper polishes, cleaners or washing solutions, or chemical and industrial fallout.
- No coverage will be granted if Power Train, Propshaft and Suspension sales guidelines (specifications) are not strictly adhered to by all owners and operators of this vehicle.
- Accidents, acts of nature or other events beyond control of Navistar.
- Any single repair requiring less than \$40.00 parts and labor to complete.

Other:

- Vehicles sold and/or operated outside the United States or Canada.
- Vehicles/components which have had unauthorized alterations or modifications.
- Vehicles on which the odometer reading has been altered.

- Incidental or consequential costs or expenses which the owner may incur as a result of a malfunction or failure covered by this warranty, such as vehicle damage, communication expenses, meals, lodging, overtime, loss of use of engine or vehicle (“downtime”), loss of time, inconvenience, cargo loss or damage, and other similar costs and expenses.
- Replacement of defective parts, which were, not authorized Navistar equipment when first installed.
- Towing, unless additionally purchased.

OBTAINING SERVICE

To obtain service under this Service Contract, return this vehicle to any Navistar truck dealer authorized to service this model vehicle and engine. To locate an authorized dealer near you, please call the Navistar Customer Service Center at 800-44-TRUCK (800-448-7825).

DISCLAIMER

NO WARRANTIES ARE GIVEN BEYOND THOSE DESCRIBED HEREIN. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED. THE COMPANY SPECIFICALLY DISCLAIMS WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OTHER REPRESENTATIONS TO THE USER/PURCHASER, AND ALL OTHER OBLIGATIONS OR LIABILITIES. THE COMPANY FURTHER EXCLUDES LIABILITY FOR INCIDENTAL AND CONSEQUENTIAL DAMAGES, ON THE PART OF THE COMPANY OR SELLER. No person is authorized to give any other warranties or to assume any liabilities on the company’s behalf unless made or assumed in writing by the Company; and no other person is authorized to give any warranties or to assume any liabilities on the seller’s behalf unless made or assumed in writing by the seller.

Remedies Under State or Provincial Law: Some States and Provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to the owner. This warranty gives the owner specific legal rights, and he may also have other legal rights which may vary by state or province.

Navistar, Inc., except in Canada where it is Navistar Canada, Inc.

Cummins Warranty

All Engines United States And Canada School Bus

Coverage

Products Warranted

This Warranty applies to new diesel, LPG, compressed or liquid natural gas fueled Engines sold by Cummins Inc. or Cummins Westport and delivered to the first user on or after September 15, 1996, that are used in school bus* applications in the United States** or Canada.

Base Engine Warranty

The Base Engine Warranty covers any failures of the Engine which result, under normal use and service, from a defect in material or factory workmanship (Warrantable Failure). This Coverage begins with the sale of the Engine by Cummins and continues for five years or 100,000 miles (160,934 kilometers), whichever occurs first, from the date of delivery of the Engine to the first user.

Engine aftertreatment components included in the Cummins Critical Parts List (CPL) and marked with a Cummins part number are covered under Base Engine Warranty.

Extended Major Components Warranty

The Extended Major Components Warranty applies to all except ISV, ISB6.7 G, B and ISB Series Engines and covers Warrantable Failures of the Engine cylinder block, camshaft, crankshaft and connecting rods (Covered Parts).

Bushing and bearing failures are not covered.

This Coverage begins with the expiration of the Base Engine Warranty and ends three years or 300,000 miles (482,804 kilometers), whichever occurs first, from the date of delivery of the Engine to the first user.

Emission Warranty

Additional Coverage is outlined under the Emission Warranty.

THESE WARRANTIES ARE MADE TO ALL OWNERS IN THE CHAIN OF DISTRIBUTION AND COVERAGE CONTINUES TO ALL SUBSEQUENT OWNERS UNTIL THE END OF THE PERIODS OF COVERAGE.

Cummins Responsibilities

During The Base Engine Warranty

Cummins will pay for all parts and labor needed to repair the damage to the Engine resulting from a Warrantable Failure.

Cummins will pay for the lubricating oil, antifreeze, filter elements, belts, hoses and other maintenance items that are not reusable due to the Warrantable Failure.

Cummins will pay for reasonable labor costs for Engine removal and reinstallation when necessary to repair a Warrantable Failure.

Cummins will pay reasonable costs for towing a vehicle disabled by a Warrantable Failure to the nearest

authorized repair location when necessary to make the repair for the first 2 years from the date of delivery of the Engine to the first user. In lieu of towing expenses, Cummins will pay reasonable costs for mechanics to travel to and from the location of the vehicle, including meals, mileage and lodging, when the repair is performed at the site of the failure.

During The Extended Major Components Warranty

Cummins will pay for the repair or, at its option, replacement of the defective Covered Part and any Covered Part damaged by a Warrantable Failure of the defective Covered Part.

Owner Responsibilities

During The Base Engine Warranty

Owner is responsible for the cost of lubricating oil, antifreeze, filter elements and other maintenance items provided during Warranty repairs unless such items are not reusable due to the Warrantable Failure.

During The Extended Major Components Warranty

Owner is responsible for the cost of all labor needed to repair the Engine, including the labor to remove and reinstall the Engine. When Cummins elects to repair a part instead of replacing it, Owner is not responsible for the labor needed to repair the part.

Owner is responsible for the cost of all parts required for the repair except for the defective Covered Part and any Covered Part damaged by a Warrantable Failure of the defective Covered Part.

Owner is responsible for the cost of lubricating oil, antifreeze, filter elements and other maintenance items replaced during the repair.

During The Base Engine And Extended Major Components Warranties

Owner is responsible for the operation and maintenance of the Engine as specified in the applicable Cummins Operation and Maintenance Manual. Owner is also responsible for providing proof that all recommended maintenance has been performed.

Before the expiration of the applicable Warranty, Owner must notify a Cummins distributor, authorized dealer or other repair location approved by Cummins of any Warrantable Failure and make the Engine available for repair by such facility. Except for Engines disabled by a Warrantable Failure during the first two years from the date of delivery of the Engine to the first user, Owner must also deliver the Engine to the repair facility.

Service locations are listed on the Cummins Worldwide Service Locator at cummins.com.

Owner is responsible for communication expenses, meals, lodging and similar costs incurred as a result of a Warrantable Failure.

Owner is responsible for non-Engine repairs and for "downtime" expenses, passenger delays, fines, all applicable taxes, all business costs and other losses resulting from a Warrantable Failure.

Limitations

Engines with an emissions certification listed below must be operated using only diesel fuel having no more than the corresponding maximum sulfur content. Failure to use the specified fuel as listed in the Cummins Fuel Bulletin #3379001 Table 1 (Cummins Inc. Required Diesel Fuel Specifications) can damage the Engine and aftertreatment system within a short period of time. This damage could cause the Engine to become inoperable and failures attributable to the use of incorrect fuels will be denied Warranty Coverage. Fuel specifications also need to comply with local fuel regulations (EN590 for Europe and ASTM D975 for North America) for Warranty eligibility.

Maximum sulfur levels by emissions certification level as listed on the Engine's dataplate are:

EPA 2007/2010/2013/2017/2021	max. 15 parts per million
EPA Tier 4 Interim / Final / Stage V in North America	max. 15 parts per million
EU Stage IIIB 2011	max. 15 parts per million
EU Stage IV 2011	max. 15 parts per million
EU Stage V	max. 10 parts per million
Euro 4/5	max. 50 parts per million
Euro 6	max. 10 parts per million

Cummins is not responsible for failures or damage resulting from what Cummins determines to be abuse or neglect, including, but not limited to: operation without adequate coolants or lubricants; overfueling; overspeeding; lack of maintenance of lubricating, cooling or intake systems; improper storage, starting, warm-up, run-in or shutdown practices; unauthorized modifications of the Engine.

Any unauthorized modifications to the aftertreatment system could negatively affect emissions certification and void the Warranty.

Cummins is also not responsible for failures caused by incorrect oil, fuel or diesel exhaust fluid or by water, dirt or other contaminants in the fuel, oil or diesel exhaust fluid.

Alternators and starters are covered for the first two years from the date of delivery of the Engine to the first user, or the expiration of the Base Engine Warranty, whichever occurs first.

Excessive oil consumption for ISV and B Series Engines is covered for the duration of the Coverage. Before a claim for excessive oil consumption will be considered, Owner must submit adequate documentation to show that consumption exceeds Cummins published standards.

Failures of belts and hoses supplied by Cummins are not covered beyond the first year from the date of delivery of the Engine to the first user or the expiration of the applicable Base Engine Warranty, whichever occurs first.

Parts used to repair a Warrantable Failure may be new Cummins parts, Cummins approved rebuilt parts or repaired parts. Cummins is not responsible for failures resulting from the use of parts not approved by Cummins.

A new Cummins or Cummins approved rebuilt part used to repair a Warrantable Failure assumes the identity of the part it replaced and is entitled to the remaining Coverage hereunder.

Cummins, Inc. reserves the right to interrogate Electronic Control Module (ECM) data for purposes of failure analysis.

CUMMINS DOES NOT COVER WEAR OR WEAROUT OF COVERED PARTS.

CUMMINS IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

THESE WARRANTIES AND THE EMISSION WARRANTY SET FORTH HEREINAFTER ARE THE SOLE WARRANTIES MADE BY CUMMINS IN REGARD TO THESE ENGINES. CUMMINS MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OR OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Emission Warranty

Products Warranted

This Emission Warranty applies to new Engines marketed by Cummins that are used in the United States** or Canada in vehicles designed for transporting persons or property on a street or highway. This Warranty applies to Engines delivered to the ultimate purchaser on or after January 1, 1996.

Coverage

Cummins warrants to the ultimate purchaser and each subsequent purchaser that the Engine is designed, built and equipped so as to conform at the time of sale by Cummins with all U.S. federal emission regulations applicable at the time of manufacture and that it is free from defects in material or factory workmanship which would cause it not to meet these regulations within the longer of the following periods: (A) Five years or 100,000 miles (160,934 kilometers) of operation, whichever occurs first, as measured from the date of delivery of the Engine to the ultimate purchaser, or (B) The Base Engine Warranty.

If the vehicle in which the Engine is installed is registered in the state of California, a separate California Emission Warranty also applies.

Limitations

Engines with an emissions certification listed below must be operated using only diesel fuel having no more than the corresponding maximum sulfur content. Failure to use the specified fuel as listed in the Cummins Fuel Bulletin #3379001 Table 1 (Cummins Inc. Required Diesel Fuel Specifications) can damage the engine and aftertreatment system within a short period of time. This damage could cause the engine to become inoperable and failures attributable to the use of incorrect fuels will be denied Warranty Coverage. Fuel specifications also need to comply with local fuel regulations (EN590 for Europe and ASTM D975 for North America) for Warranty eligibility.

Maximum sulfur levels by emissions certification level as listed on the Engine's dataplate are:

EPA 2007/2010/2013/2017/2021	max. 15 parts per million
EPA Tier 4 Interim / Final / Stage V in North America	max. 15 parts per million
EU Stage IIIB 2011	max. 15 parts per million
EU Stage IV 2011	max. 15 parts per million
EU Stage V	max. 10 parts per million
Euro 4/5	max. 50 parts per million
Euro 6	max. 10 parts per million

Failures, other than those resulting from defects in material or factory workmanship, are not covered by this Warranty.

Cummins is not responsible for failures or damage resulting from what Cummins determines to be abuse or neglect, including, but not limited to: operation without adequate coolants or lubricants; overfueling; overspeeding; lack of maintenance of lubricating, cooling or intake systems; improper storage, starting, warm-up, run-in or shutdown practices; unauthorized modifications of the Engine.

Any unauthorized modifications to the aftertreatment system could negatively affect emissions certification and void the Warranty.

Cummins is also not responsible for failures caused by incorrect oil, fuel or diesel exhaust fluid or by water, dirt or other contaminants in the fuel, oil or diesel exhaust fluid.

Cummins is not responsible for non-Engine repairs, "downtime" expenses, cargo damage, fines, all applicable taxes, all business costs or other losses resulting from a Warrantable Failure.

CUMMINS IS NOT RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

* A vehicle used to transport students to and from school. Vehicle must be painted yellow, should have warning lights and the words 'SCHOOL BUS' written on the front

and rear roof caps. The requirements pertaining to paint color, warning lights and 'SCHOOL BUS' inscription would not apply if the vehicle is exclusively used to transport students for school related activities and it is owned by a school district.

** United States includes American Samoa, the Commonwealth of Northern Mariana Islands, Guam, Puerto Rico and the U.S. Virgin Islands.

Agenda Item Memorandum

To: MVIDS Board of Trustees

Date: November 20, 2025

Agenda item: Consider approval of the purchase of White Fleet Vehicles from Caldwell Country Chevrolet

Background Information

This proposal requests the approval and funding for the purchase of 2 smaller passenger vehicles to accommodate the high volume of sports and academic meets, student competitions, and staff development travel. These vehicles offer two key advantages. They can be operated by staff members who do not possess a Commercial Driver's License (CDL), such as coaches and academic sponsors and they are cost efficient for transporting small teams or groups.

Administrative Consideration

Pricing was competitively obtained by requesting quotes through the BuyBoard Cooperative contract #724-23. Caldwell Country Chevrolet provided the lowest price and meets the specifications requested by the district. The cost of the two vehicles is \$118,890 plus the BuyBoard fee of \$400 for a total cost of \$119,290.

Funding Source

The General Operating Fund (199) will be used for this purchase.

Recommendation

It is recommended the Board approve the purchase of two (2) white fleet Suburbans from Caldwell Country Chevrolet in the amount of \$119,290.

Transportation SUVs

Vendor	Vehicle Type	Year	Qty.	Price	Subtotal
Caldwell Country Chevrolet	Suburban	2025	2	\$ 59,645.00	\$ 119,290.00
Mac Haik Ford	Expedition	2025	2	\$ 59,106.75	\$ 118,213.50
Sam Pack's Five Star Chevrolet	Suburban	2026	2	\$ 62,756.33	\$ 125,512.66
Lake Country Chevrolet/Silsbe	Suburban	2025	2	\$ 60,994.00	\$ 121,988.00

Prepared for: Linda Salas, Medina Valley ISD

2025 Expedition 4dr 4x2 Active (U1H)

Agenda Item Memorandum

To: MVIDS Board of Trustees

Date: November 20, 2025

Agenda item: Consider approval of the purchase of Maintenance Vehicles from Mac Haik Ford

Background Information

This proposal requests the approval and funding for the purchase of two (2) F-250 maintenance vehicles to replace vehicles at the end of their useful life.

Administrative Consideration

Pricing was competitively obtained by requesting quotes through the BuyBoard Cooperative contract #724-23. Mac Haik Ford provided the lowest price and meets the specifications requested by the district. The cost of the two vehicles is \$119,041.50 plus the BuyBoard fee of \$400 for a total cost of \$119,441.50.

Funding Source

The General Operating Fund (199) will be used for this purchase.

Recommendation

It is recommended the Board approve the purchase of two (2) F-250 maintenance vehicles from Mac Haik Ford in the amount of \$119,441.50.

Maintenance Trucks

Vendor	Vehicle Type	Year	Qty.	Price	Subtotal
Mac Haik Ford	F-250 4X2 Superduty Cab	2026	2	\$ 59,920.75	\$ 119,441.50
Mac Haik Ford	F-250 4X2 Suerduty Regular Cab	2026	2	\$ 56,960.75	\$ 113,521.50
Rockdale Country	F-250 4X2 Regular Cab	2024	2	\$ 58,210.00	\$ 116,820.00
Caldwell Country Chevrolet	Chevrolet 3500 Silverado 4X2	2025	2	\$ 57,450.00	\$ 114,900.00
Sam Pack's Five Star Ford	F-250 Regular Cab	2026	2	\$ 65,612.60	\$ 131,625.20

Linda Salas, Medina Valley ISD

Re: Quote ID MISD26F2A 08/22/2025

Dear Linda,

Thank you very much for your interest in acquiring a vehicle from our dealership. We concur that your interest is well deserved. We hope that an outstanding product lineup and our dedication to customer service will enhance your ownership experience should you decide to buy a vehicle from us.

Attached, please find additional information that I hope will assist you in making a more informed decision. Please feel free to contact me at any time as I would truly appreciate the opportunity to be of service to you.

Sincerely,

Paul Neagle

WARANT	Fleet Customer Powertrain Limited Warranty Requires valid FIN code. <i>Ford is increasing the 5-year 60,000-mile limited powertrain warranty to 5-years, 100,000 miles. Only Fleet purchasers with a valid Fleet Identification Number (FIN code) will receive the extended warranty. When the sale is entered into the sales reporting system with a sales type fleet along with a valid FIN code, the warranty extension will automatically be added to the vehicle. The extension will stay with the vehicle even if it is subsequently sold to a non-fleet customer before the expiration. This extension applies to both gas and diesel powertrains. Dealers can check for the warranty extension on eligible fleet vehicles in OASIS. Please refer to the Warranty and Policy Manual section 3.13.00 Gas Engine Commercial Warranty. This change will also be reflected in the printed Warranty Guided distributed with the purchase of every new vehicle.</i>	N/C

Agenda Item Memorandum

To: MVIDS Board of Trustees

Date: November 20, 2025

Agenda item: Consider approving the Medina Central Appraisal District Resolution to Cast 1575 Votes to Elect Directors for the years 2026 and 2027

Background Information:

Medina Valley Independent School District is entitled to cast 1,575 votes in the Medina Central Appraisal District Election for a 2-year term (2026 and 2027). The Board's nominee for a director position was Cynthia Malone. The Board of Trustees can cast their vote(s) for the candidate(s) of their choice.

Recommendation:

The Superintendent's recommendation to the Board is to consider approving the Medina Central Appraisal District Resolution to Cast 1575 Votes to Elect Cynthia Malone for a director position for the years 2026 and 2027.

MEDINA CENTRAL APPRAISAL DISTRICT
