PLAN TO REDUCE PERSONNEL COSTS

If the Superintendent determines that there is a need to reduce personnel costs, the Superintendent shall develop, in consultation with the Board as necessary, a plan for reducing costs that may include one or more of the following:

- Salary reductions [see DEAB]
- Furloughs, if the District has received certification from the Commissioner of a reduction in funding under Education Code 42.009 [see CBA and DEAB]
- Reductions in force of contract personnel due to financial exigency, if the District meets the standard for declaring a financial exigency as defined by the Commissioner [see CEA and provisions at REDUCTION IN FORCE DUE TO FINANCIAL EXIGENCY, below]
- Reductions in force of contract personnel due to program change [see DFFB]
- Other means of reducing personnel costs

A plan to reduce personnel costs may include the reduction of personnel employed pursuant to employment arrangements not covered at APPLICABILITY, below.

- See DCD for the termination at any time of at-will employment.
- See DFAB for the termination of a probationary contract at the end of the contract period.
- See DFCA for the termination of a continuing contract.
- See DCE for the termination at the end of the contract period of a contract not governed by Chapter 21 of the Education Code.

REDUCTION IN FORCE DUE TO FINANCIAL EXIGENCY

The following provisions shall apply when a reduction in force due to financial exigency requires:

APPLICABILITY

1. The nonrenewal or termination of a term contract;
2. The termination of a probationary contract during the contract period; or
3. The termination of a contract not governed by Chapter 21 of the Education Code during the contract period.

DEFINITIONS

Definitions used in this policy are as follows:

1. “Nonrenewal” shall mean the termination of a term contract at the end of the contract period.

2. "Discharge" shall mean termination of a contract during the contract period.

GENERAL GROUNDS

A reduction in force may take place when the Superintendent recommends and the Board adopts a resolution declaring a financial exigency. [See CEA] A determination of financial exigency constitutes sufficient reason for nonrenewal or sufficient cause for discharge.

EMPLOYMENT AREAS

When a reduction in force is to be implemented, the Superintendent shall recommend the employment areas to be affected.

Employment areas may include, for example:

1. Elementary grades, levels, subjects, departments, or programs.
2. Secondary grades, levels, subjects, departments, or programs, including career and technical education subjects.
3. Special programs, such as gifted and talented, bilingual/ESL programs, special education and related services, compensatory education, or migrant education.
4. Disciplinary alternative education programs (DAEPs) and other discipline management programs.
5. Counseling programs.
6. Library programs.
7. Nursing and other health services programs.
8. An educational support program that does not provide direct instruction to students.
9. Other Districtwide programs.
10. An individual campus.
11. Any administrative position, unit, or department.
12. Programs funded by state or federal grants or other dedicated funding.
13. Other contractual positions.

The Superintendent's recommendation may address whether any employment areas should be:

1. Combined or adjusted (e.g., "elementary programs" and "compensatory education programs" can be combined to identify an employment area of "elementary compensatory education programs"); and/or

2. Applied on a Districtwide or campus-wide basis (e.g, "the counseling program at [named elementary campus]").

The Board shall determine the employment areas to be affected.

CRITERIA FOR DECISION

The Superintendent or designee shall apply the following criteria to the employees within an affected employment area when a reduction in force will not result in the nonrenewal or discharge of all staff in the employment area. The criteria are listed in the order of importance and shall be applied sequentially to the extent necessary to identify the employees who least satisfy the criteria and therefore are subject to the reduction in force. For example, if all necessary reductions can be accomplished by applying the first criterion, it is not necessary to apply the second criterion, and so forth.

1. Qualifications for Current or Projected Assignment: Certification, multiple or composite certifications, bilingual certification, licensure, endorsement, highly qualified status, and/or specialized or advanced content-specific training or skills for the current or projected assignment.

2. Performance: Effectiveness, as reflected by:

   a. The most recent formal appraisal, whether completed by the District or by a previous district; and

   b. Any other written evaluative information, including disciplinary information, from the last 36 months.

   If the Superintendent or designee at his or her discretion decides that the documented performance differences between two or more employees are too insubstantial to rely upon, he or she may proceed to apply the remaining criteria in the order listed below.

3. Extra Duties: Currently performing an extra-duty assignment, such as department or grade-level chair, band director, athletic coach, or activity sponsor.

4. Professional Background: Professional education and work experience related to the current or projected assignment.

5. Seniority: Length of service in the District, as measured from the employee's most recent date of hire.

SUPERINTENDENT RECOMMENDATION

The Superintendent shall recommend to the Board the nonrenewal or discharge of the identified employees within the affected employment areas.

BOARD VOTE

After considering the Superintendent's recommendations, the Board shall determine the employees to be proposed for nonrenewal or discharge, as appropriate.

If the Board votes to propose nonrenewal of one or more employees, the Board shall specify the manner of hearing in accordance with DFBB(LOCAL).

If the Board votes to propose discharge of one or more employees, the Board shall determine whether the hearing will be conducted by a TEA-appointed hearing examiner [see DFD] or will be a local hearing under Education Code 21.207 [see DFBB].

NOTICE

The Superintendent or designee shall provide each employee written notice of the proposed nonrenewal or discharge, as applicable. The notice shall include:

1. The proposed action, as applicable;
2. A statement of the reason for the proposed action; and
3. Notice that the employee is entitled to a hearing of the type determined by the Board.

CONSIDERATION FOR AVAILABLE POSITIONS

An employee who has received notice of proposed nonrenewal or discharge may apply for available positions for which he or she wishes to be considered. The employee is responsible for reviewing posted vacancies, submitting an application, and otherwise complying with District procedures.

If the employee meets the District's objective criteria for the position and is the most qualified internal applicant, the District shall offer the employee the position until:

1. Final action by the Board to end the employee's contract, if the employee does not request a hearing.
2. The evidentiary hearing by the independent hearing examiner, the Board, or other person designated in DFBB(LOCAL), if the employee requests a hearing.

HEARING REQUEST

NONRENEWAL: TERM CONTRACT

An employee receiving notice of proposed nonrenewal of a term contract may request a hearing in accordance with DFBB.

DISCHARGE: CHAPTER 21 CONTRACT

An employee receiving notice of proposed discharge from a contract governed by Chapter 21 of the Education Code may request a hearing. The hearing shall be conducted in accordance with DFD or the nonrenewal hearing process in DFBB, as determined by the Board and specified in the notice of proposed discharge.

DISCHARGE: NON-CHAPTER 21 CONTRACT	An employee receiving notice of proposed discharge during the period of an employment contract not governed by Chapter 21 of the Education Code may request a hearing before the Board or its designee in accordance with DCE.
FINAL ACTION	
HEARING REQUESTED	If the employee requests a hearing, the Board shall take final action after the hearing in accordance with DCE, DFBB, or DFD, as applicable, and shall notify the employee in writing.
NO HEARING REQUESTED	If the employee does not request a hearing, the Board shall take final action in accordance with DCE, DFBB, or DFD, as applicable, and shall notify the employee in writing.

REDUCTION IN FORCE
PROGRAM CHANGE

DFFB
(LOCAL)

APPLICABILITY

This policy shall apply when a reduction in force due to a program change requires the nonrenewal of a term contract. A program change may be due to, for example, a redirection of resources; efforts to improve efficiency; a change in enrollment; a lack of student response to particular course offerings; legislative revisions to programs; or a reorganization or consolidation of two or more individual schools, departments, or school districts.

DEFINITIONS

Definitions used in this policy are as follows:

1. "Program change" shall mean any elimination, curtailment, or reorganization of a program, department, school operation, or curriculum offering, including, for example, a change in curriculum objectives; a modification of the master schedule; the restructuring of an instructional delivery method; or a modification or reorganization of staffing patterns in a department, on a particular campus, or Districtwide.
2. "Nonrenewal" shall mean the termination of a term contract at the end of the contract period.

GENERAL GROUNDS

A reduction in force may take place when the Superintendent recommends and the Board approves a program change. A determination of a program change constitutes sufficient reason for nonrenewal.

EMPLOYMENT AREAS

When a reduction in force is to be implemented, the Superintendent shall recommend the employment areas to be affected.

Employment areas may include, for example:

1. Elementary grades, levels, subjects, departments, or programs.
2. Secondary grades, levels, subjects, departments, or programs, including career and technical education subjects.
3. Special programs, such as gifted and talented, bilingual/ESL programs, special education and related services, compensatory education, or migrant education.

9. Other Districtwide programs.

10. An individual campus.

11. Any administrative position, unit, or department.

12. Programs funded by state or federal grants or other dedicated funding.

13. Other contractual positions.

The Superintendent's recommendation may address whether any employment areas should be:

1. Combined or adjusted (e.g., "elementary programs" and "compensatory education programs" can be combined to identify an employment area of "elementary compensatory education programs"); and/or

2. Applied on a Districtwide or campus-wide basis (e.g, "the counseling program at [named elementary campus]").

The Board shall determine the employment areas to be affected.

CRITERIA FOR DECISION

The Superintendent or designee shall apply the following criteria to the employees within an affected employment area when a program change will not result in the nonrenewal of all staff in the employment area. The criteria are listed in the order of importance and shall be applied sequentially to the extent necessary to identify the employees who least satisfy the criteria and therefore are subject to the reduction in force. For example, if all necessary reductions can be accomplished by applying the first criterion, it is not necessary to apply the second criterion, and so forth.

1. Qualifications for Current or Projected Assignment: Certification, multiple or composite certifications, bilingual certification, licensure, endorsement, highly qualified status, and/or specialized or advanced content-specific training or skills for the current or projected assignment.

or she may proceed to apply the remaining criteria in the order listed below.

4. Professional Background: Professional education and work experience related to the current or projected assignment.

5. Seniority: Length of service in the District, as measured from the employee's most recent date of hire.

SUPERINTENDENT RECOMMENDATION

The Superintendent shall recommend to the Board the nonrenewal of the identified employees within the affected employment areas.

BOARD VOTE

After considering the Superintendent's recommendations, the Board shall determine the employees to be proposed for nonrenewal, as appropriate. If the Board votes to propose nonrenewal of one or more employees, the Board shall specify the manner of hearing in accordance with DFBB(LOCAL).

NOTICE

The Superintendent or designee shall provide each employee written notice of the proposed nonrenewal. The notice shall include a statement of the reason for the proposed action and notice that the employee is entitled to a hearing of the type determined by the Board.

CONSIDERATION FOR AVAILABLE POSITIONS

An employee who has received notice of proposed nonrenewal may apply for available positions for which he or she wishes to be considered. The employee is responsible for reviewing posted vacancies, submitting an application, and otherwise complying with District procedures.

If the employee meets the District's objective criteria for the position and is the most qualified internal applicant, the District shall offer the employee the position until:

SUMMARY:
Larry Tilley wants to donate this strip of land 37' X 530' behind Kentucky Fried Chicken, Harris Insurance, CPA office, another office and Cleburne Propane and next to Cobblestone Court Development.

I went and looked at this property. Oh my. Portions are brushy while other portions are weedy and tall grass. It also has electric lines, electric poles and underground telephone lines running down the middle of it which eliminates any chance of using it for a road unless we wanted to pay for moving them over about fifteen feet.

I only see accepting this as a headache and a maintenance issue.

RECOMMENDATION:
I recommend that we pass on accepting this property.

Granbury Independent School District Board of Trustees:

The Public Funds Investment Act (Texas Government Code Chapter 2256, Subchapter A) requires the investment officer of each local government to submit to its governing body a report, not less than quarterly, of investment transactions.

The **Portfolio Summary Report** identifies all areas that are required to be reported to the governing body. The report summarized the information for all six groups of funds that the District invests funds. The report shows that all six funds are being invested at a rate similar to the average benchmark yield. The benchmark used is the 90-day T-Bill.

The total book value of investments held by the District on November 30, 2011 was $ 20,732,635. The General Fund holds the majority of the investments.

The District invested in the pools and the interest bearing checking accounts during the last quarter. The yield between the pools and the interest bearing checking accounts is consistent with that of individual Treasuries and Agencies. Term investments were researched and will be purchased as feasible. Funds will be reallocated to take advantage of the higher yield associated with the long-term investments as the opportunities become available.

Throughout most of last quarter, LOGIC maintained higher yields than TexPool, TexasTerm Daily and TASB-Lone Star. TexasTerm I, investments with set maturities, yield was still lower than the pools and funds are not as liquid as they are in the pools. With the interest rate as low as it is, it will not serve well to limit interest income for a period of time. These rates are being watched and investments being made as feasible. The interest yield on the checking accounts is less than the 90 day t-bill. The depository agreement entered into effective 9/1/11 realizes a floating interest rate depending on 90-day t-bill adjusted quarterly and should allow for a more competitive rate with the interest rate market as it increases. At this point, the minimum paid is .05% no matter what the 90 day t-bill is doing. Further, the depository has set up an investment account that maintains a rate consistent with TexPool's prior month average yield adjusted monthly. However, with the drop in TexPool's rate at a more severe amount than LOGIC, this is not as attractive as it has been. Funds are invested in this account as appropriate and it allows for more earnings while maintaining the diversity needed for public funds. Due to collateral and diversity issues, funds are invested in the pools and the bank depending on the needs of the individual funds.

Funds are invested to yield the highest return and security at the time of investment or withdrawal. Graphs showing the percentage breakdown of investments as well as transactions for all funds are attached for your review.

The information presented above and the attached are submitted to you as the quarterly report of investment transactions for Granbury Independent School District.

		Re:	**High School, AMS and GMS Tracks**

SUMMARY:

High School Track
The east end of our high school practice track has broken and dropped to the east in a straight line in the fifth lane at the point. This straight line is "bucked-up" and then slopes approximately two inches to the east. I anticipate this repair will require removal of the asphalt base and replace with concrete to match the remaining portions of the track.

Acton Middle School Track
Of the three tracks, this one is in the best condition; however, it does need attention as well, particularly on the first inside lane all around the track. Some level of resurfacing or additional surfacing will be in order.

Granbury Middle School Track
This is the track we use for our high school competition track. It has been patched numerous times and many of the patches are in good condition; however, there are numerous places where all the rubber is gone. I'm confident we are looking at a need for removal and resurfacing unless they have developed a new technique to grind and level the track.

We have asked for the representative from Hellas to come and give us an evaluation of all three tracks. I anticipate this to be an expensive repair.

RECOMMENDATION:
N/A at this time.
