RE: Agreement for the Purchase of Attendance Credits

SUMMARY:

The purpose of this agreement is to enable the district to reduce its wealth per weighted student to a level that is not greater than the equalized wealth level as determined by the commissioner of education in accordance with Section 41.002, Education Code.

The voters approved this agreement as one of the methods in which GISD can reduce its wealth per student as required by Chapter 41 of the Texas Education Code. GISD has entered into this agreement each year since the Chapter 41 determination and filed in such a time as the early credit was applicable.

After reviewing the options available, this option is the most viable for GISD. In order to take advantage of the Early Agreement Credit, the attached agreement must be adopted and submitted to TEA by September 1, 2013.

RECOMMENDATION:

It is recommended that GISD enter into the attached Agreement for the Purchase of Attendance Credits with the Texas Education Agency for the 2013-14 school year.
