RE: Accelerated Reader CSP 2012-23 – Renewal

SUMMARY:

A proposal was let to give district personnel the ability to purchase accelerated reader materials, software and services on an as needed basis for the accelerated reader program. Original period of award was through September 30, 2013 with the option to renew for two additional one-year terms. Current contract term will expire on September 30, 2014. This will be the last renewal option.

A summation of the original process and outcome is attached for your review.

Sharon Williams, Director of Curriculum, was contacted regarding renewal of this proposal. It was her recommendation that the award be renewed. The awarded vendor was contacted and has agreed to renew as presented.

The estimated expense for this renewal period is $15,000 to $30,000.

RECOMMENDATION:

It is recommended that the Board renew the award to Renaissance Learning for the purchase of Accelerated Reader products and services for the period of October 1, 2014 to September 30, 2015.

		RE:	**Consider Appointment of Election Clerks**

SUMMARY:

As we mentioned in our last meeting, Johnson County was going to charge us an exorbitant amount to conduct our school board election. After going back and forth several times between Johnson County and the Secretary of State's office, we determined that our best option at this point was to conduct early voting at our administrative offices for citizens of Johnson County who want to vote in our GISD board election. Those voters will be able to vote in Johnson County on Election Day. Honestly, there are only a little over 250 registered voters in Johnson County who could vote in our school board election, so I will be surprised if we have many voters at all.

This agenda item will name Sandy as the early voting election clerk and Faith, Karen and Amanda as deputy clerks. They will all be trained by our election administrator to conduct the election.

		RE:	**Consider Contract Addendum with BTC for Additional Parking Area at GHS**

SUMMARY:

We have been looking at our parking issue at GHS when construction begins and have been looking for possible solutions. We believe a viable option is to install a paved parking lot across from the baseball field (where people now park for baseball games). It would serve our students during construction, and would also serve our football and baseball fans for ballgames. We believe that we can cover the cost by using contingency funds from our projects.

FINANCE AND BUSINESS AFFAIRS

To: Board of Trustees
Date: September 15, 2014
For: Information

TO: Dr. James Largent, Superintendent

FROM: Dobie Williams
DATE: September 8, 2014
RE: Bond Expenditure Update
As of 8/31/14

SUMMARY:

Attached are bond expenditures through the period ended August 31, 2014. Expenditures are divided into two categories - "Construction" and "Other Areas". The Construction category includes expenditures related to the construction or renovation/remodeling of buildings. The Construction category also includes a breakdown of expenditures by vendor. The Other Areas category includes expenditures for non-construction related expenditures from bond funds.

2013-2014 Accountability Summary
September 15, 2014

Carol Howard

Assistant Superintendent

2014 Accountability System

- New Accountability System was mandated in 2009 (HB 3)
- HB 5 had substantial impact to the system
- Accountability Summary released August 8
- Public reporting is required but systems are not released simultaneously
- PBMAS is released but not staged (will stage late November/December)
- TAPR will release in December
- State and Federal passing standards are different

There are more than 8,000 public schools in Texas.

How do you know how your child's school is doing compared to others in the state?

Texas Education Agency Accountability Rating System

Every school gets one of two ratings: MET STANDARD or IMPROVEMENT REQUIRED.

The Texas Education Agency looks at four areas in determining a school or district's accountability rating:

Student Achievement

STAAR test scores for the year

Student Progress

Progress in subjects like math and reading from year-to-year

Closing Performance Gaps

Emphasis on high-level achievement of lowest performing students

Postsecondary Readiness

Graduation rates and diploma plans

Schools receiving the MET STANDARD rating may qualify for special honors called Distinctions. There are 7 possible distinctions:

- Academic Achievement in Reading/English Language Arts
- Academic Achievement in Mathematics
- Academic Achievement in Science
- Academic Achievement in Social Studies
- Top 25 Percent: Student Progress
- Top 25 Percent: Closing Performance Gaps
- Postsecondary Readiness

System Design

- System rates schools as either “Met Standard” or “Improvement Required”
- System compares campuses (schools) to 39 other “similar” campuses
- Grade Span/Enrollment/% ECD/% ELL/Mobility define “similar”
- Quartile scores are used for campus comparison (Q1-Q4) to define Distinctions
  - District’s Distinction is for Post Secondary only
  - Campuses have seven possible distinctions
- Index scores theoretically compare across the state
