RE: Investment Policy CDA (LEGAL) & CDA (LOCAL)

SUMMARY:

According to the Public Funds Investment Act (Texas Government Code Chapter 2256, Subchapter A) and Granbury ISD policy CDA (LEGAL), the investment policy and the investment strategy shall be reviewed not less than annually.

Attached are Granbury ISD's adopted CDA (LEGAL) and CDA (LOCAL). These serve as the investment policy and strategy for each fund maintained by the District. CDA (LEGAL) is the standard investment policy for all school districts in the state of Texas. CDA (LOCAL) is the policy of GISD and describes the strategy utilized by the District in investments for GISD funds.

I have reviewed the policies to ensure that they are in compliance with current law and current procedures. The attached policies represent the current law and the current practices of District administration in regard to investments.

In addition, CDA (LEGAL) states that "The Board shall adopt a written instrument stating that it has reviewed the investment policy and investment strategies and that the written instrument so adopted shall record any changes made to either the investment policy or investment strategies." CDA (LOCAL) states that "The Superintendent or other person designated by Board resolution shall serve as the investment officer." And lastly, Texas Government Code Section 2256.008(a) requires that the Board approve independent sources of investment training. In view of these requirements, a resolution is attached for consideration of the Board.

RECOMMENDATION:

That the Board adopt the attached resolution stating that the Board has reviewed the investment policy and strategies, has designated an investment officer and has approved the independent sources of investment training as required by Investment Policy and Texas Government Code.

RE: 2015-16 Budget Assumptions & Calendar

SUMMARY:

I have attached the budget assumptions we are proposing to use as we develop the budget for the 2015-16 school year. I have also included the budget calendar. Of course this is a year in which the State Legislature meets so these assumptions are subject to change in relation to legislation that may be passed and/or or in regard to the outcome (or legislative action) in regard to the pending school finance lawsuit.

Should you need additional information, please let me know.
