RE: Athletic & Athletic Trainer Supplies & Equipment CSP 2015-06

SUMMARY:

A proposal was let to provide vendors for catalog and shelf purchases of athletic and athletic trainer supplies, equipment, uniforms and athletic clothing on an as needed basis. Vendors were to quote a percentage discount that will be held firm for the duration of the contract and any renewal periods. At the request of the Athletic Director, this proposal will replace the seasonal line item bids and will provide a pool of vendors for the various district sports. It is the recommendation of the purchasing office that the end user compare costs to provide best value for the district before making a purchase. The original term will be from April 1, 2015 through March 31, 2016 with the option to renew for two additional years in one-year increments.

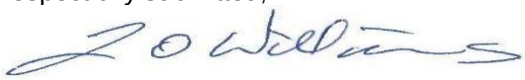

Mr. Dwight Butler, Director of Athletics, has reviewed the proposals received and the following is his recommendation.

A copy of the tabulation is attached for your review. Anticipated annual expenditures are between $75,000 and $175,000. The following is the recommendation of Mr. Butler.

RECOMMENDATION:

It is recommended all vendors submitting a proposal be approved for purchases for the period of April 1, 2015 through March 31, 2016. Many vendor catalogs only carry items pertaining to a single sport so a variety of vendors would allow for a better selection to meet the needs of the district athletic programs.

RE: Grounds Equipment Repair Services & Parts
CSP 2014-09 – Renewal

SUMMARY:

A bid was let to provide vendors for Grounds Equipment Repair Services and Parts on an "as needed" basis. Vendors were asked to quote a fixed price on certain repair services and a percentage discount on supplies. Vendors responded on April 23, 2014. The original term of award was from written notification of award through March 31, 2015 with the option to renew for two additional one-year terms. The contract contained an auto renewal clause if the vendor did not notify the district or their intention not to renew within 90 days of the end of the term. The district did not receive any communication from the current vendor.

A summation of the process as well as a copy of the original tabulation is attached for your review.

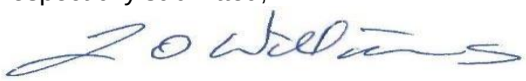

At this time, we have a contract that covers services to grounds equipment, as well as a contract that covers the purchase of grounds supplies and equipment. We will be combining the two contracts into one when we let a new proposal for supplies and equipment to replace CSP #2011-22 which expires on 9/30/15. There will be approximately a six month overlap of the services contract which will be addressed in the new proposal. The renewal term under CSP 2014-09 will be for the period of April 1, 2015 through March 31, 2016 which will provide a continuation of these services under a contract.

Mr. Randy Leach, Facilities Director, has approved a renewal of the current contract.

RECOMMENDATION:

It is recommended that the Board renew CSP #2014-09 for grounds equipment, repair services and parts for the period of April 1, 2015 through March 31, 2016 with Leonard's Farm & Ranch Store, Inc. dba Lake Lawn Equipment. Approximate expenditures will be between $18,000 and $25,000.

RE: 2015-17 Depository Contract

SUMMARY:

According to Subchapter G, Chapter 45, Texas Education Code, each school district must select a depository for school funds to be received during the next biennium. Therefore, the board of trustees has the responsibility for making the selection and executing a contract effective the first day of the new fiscal year, September 1, 2015.

According the Section 42.205(b), "a school district and the district's depository bank may agree to extend an existing depository contract for two additional two-year terms." On April 11, 2011, the GISD Board of Trustees awarded the 2011-13 biennium contract to First Financial, N.A. after a formal bid process. Granbury ISD has extended this current depository contact one time for the 2013-15 biennium and is therefore eligible to extend it one more additional two (2) year term for the 2015-17 biennium.

The relationship with First Financial Bank has continued to be very positive. Earnings on the district accounts held by them have been competitive with the market. The online services are very accommodating to district needs and procedures. The bank support personnel working with district personnel are competent and attentive to GISD needs. If the district were to change depositories, there would be increased staff time and possible increased cost to the district (i.e. checks and deposit slips are currently paid for by First Financial Bank). Also, in light of today's market, the interest rate earnings offered by other providers would not be substantial enough of an increase, if any, to justify the increase in staff time to process the depository RFP. And lastly, if we go out to bid there is a possibility that we may end up with a depository contract that is less favorable than the one we currently have.

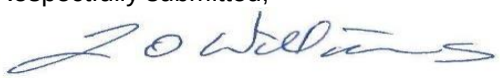

Administration feels that it would be in the best interest of the district to continue the relationship with First Financial Bank for the next biennium. First Financial Bank was contacted regarding their willingness to extend the current contract until August 31, 2017. They have agreed to the extension as allowed by TEA.

Attached is the resolution that must be executed and submitted to First Financial Bank, N.A. for their execution. Once all parties have executed, it will be submitted to TEA as required by procedures.

RECOMMENDATION:

I recommend the Board extend the contract with First Financial Bank, N.A. for the period of September 1, 2015 to August 31, 2017 for depository services.

TEA allows districts to submit waivers for days missed beyond the two days for bad weather. We have now missed three (3) days for bad weather during this school year. Two (2) of the three days missed were already built into the school calendar.

Waivers normally require Board approval. TEA has asked to submit bad weather waivers. I recommend that we approve the submission of a waiver for the days missed more than the two allowable bad weather days.

RE: Cooperative Management Fee Report for FY 2013-2014

SUMMARY:

According to TEC 44.0331 stated below, a district is required to take an annual report to the Board of Trustees identifying cooperative contract management fees. The attached report represents cooperative membership fees and single purchases in excess of $25,000 under the district cooperative contracts. These contracts are used for a number of reasons which include technical expertise in writing the specifications, volume buying power, and time savings on delivery. Cooperative contracts have already been through a competitive process which takes eight to twelve weeks to complete.

(a) A school district that enters into a purchasing contract valued at $25,000 or more under Section 44.031(a)(4), under Subchapter F, Chapter 271, Local Government Code, or under any other cooperative purchasing program authorized for school districts by law shall document any contract-related fee, including any management fee, and the purpose of each fee under the contract.

(b) The amount, purpose, and disposition of any fee described by Subsection (a) must be presented in a written report and submitted annually in an open meeting of the board of trustees of the school district. The written report must appear as an agenda item.

This report is presented to the Board of Trustees as an informational item as required by Texas Education Code.

Note 1: Indirect fees are the fees paid by the vendor to the cooperative.

Note 2: The Buy Board issues a rebate to the district based on the volume of purchases. This rebate reduces the percentage of indirect fees to 0.75%. The vendor fees reported by the Buy Board are fees that were paid by the vendor between 9/1/2013 and 8/31/2014.

Note 3: HCDE's position on reporting cooperative fees states: "Since our cooperatives do not require a membership fee to become an HCDE Purchasing Cooperative or Choice Facility Partners client member, it is our legal counsel's opinion that there is no reporting requirement from HCDE to the ISD on cooperative fees. In order to be forthright and transparent with our client membership, we openly disclose that we earn a fee that covers our overhead and expenses from the awarded vendor."
