GRANBURY ISD

- Substantial increase in property values from last year will enable the District to adopt a balanced M&O budget for 17-18
    - Higher property values increased M&O tax revenue enough to take district out of ASATR (GISD is now a “formula” district)
    - Higher property values also increase debt service revenue significantly allowing for decrease in I&S tax rate

57

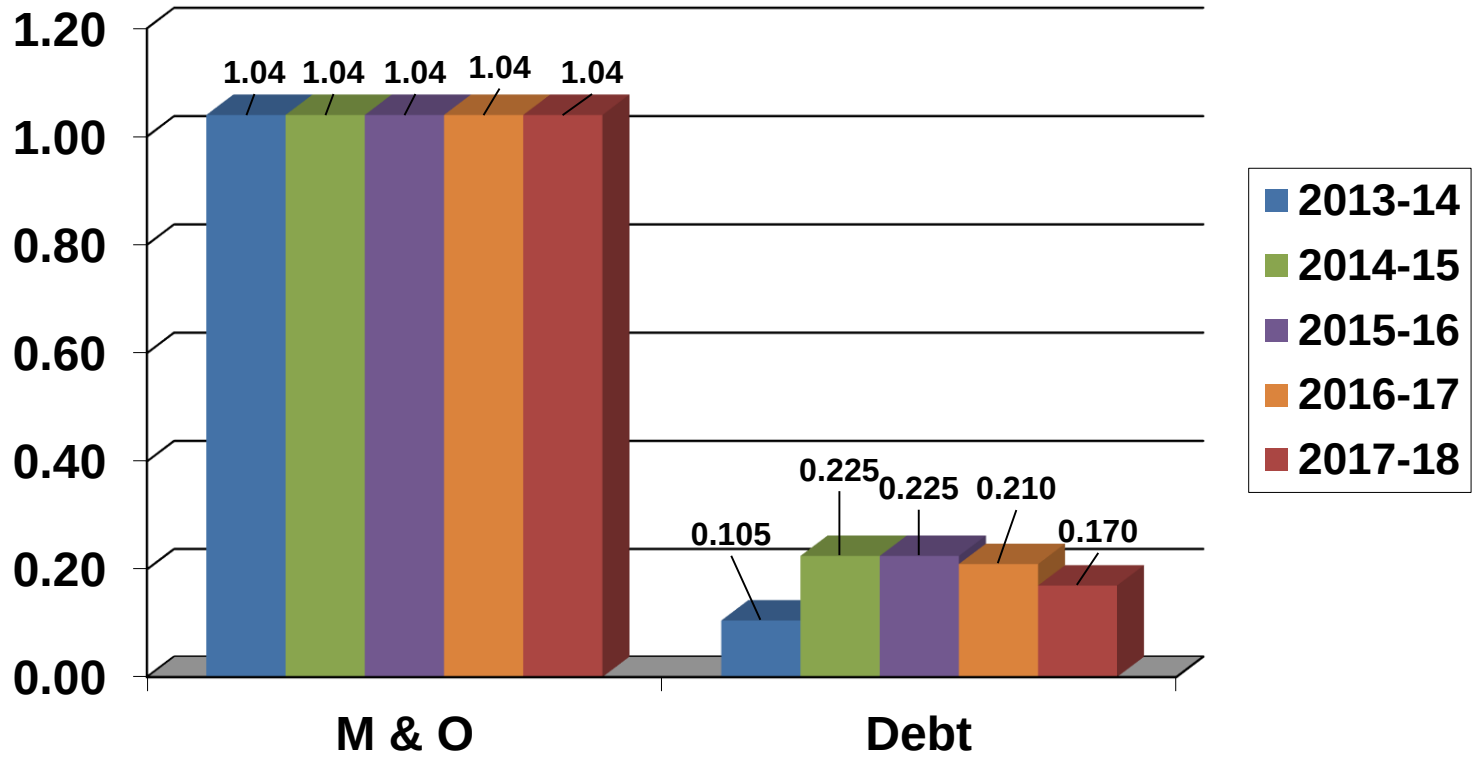

- The 85th Legislative Session failed to pass a school finance plan to support public education due to differences in the House and Senate.
- A Special Session was called to begin on July 18, 2017 to look at 20 priorities set by Governor Abbot. However, most school leaders and finance experts are not optimistic a school finance plan or support of any kind for public education will come out of the Special Session.

Budget Presentation Conclusion

- Child Nutrition will adopt a balanced budget.
- Property values increased enough to lower Debt Service rate by 4 cents and adopt a balanced debt service budget.

GRANBURY INDEPENDENT SCHOOL DISTRICT

INTEROFFICE MEMO

FINANCE AND BUSINESS AFFAIRS

To: Board of Trustees
Date: August 1, 2017
For: Approval

TO: Dr. James Largent, Superintendent

FROM: Dobie Williams
DATE: July 27, 2017
RE: Proposed Tax Rates to be Published in the "Notice of Public Meeting to Discuss Budget and Proposed Tax Rate".

SUMMARY:

As part of the budget and tax rate adoption process the District must hold a public meeting to accept public input before the adoption of the final budget and tax rates. Prior to this meeting the District must publish notice in a local newspaper at least 10 but not more than 30 days before the public meeting in strict accordance with Texas Education Code section 44.004.

Guidance from the Texas Association of School Boards (TASB) – Legal Services indicates that school boards should review available dates that comply with required "Notice" time frames. TASB also says the Texas Comptroller's Truth-in-Taxation Website indicates that the proposed tax rates that will be published in the "Notice" should be adopted by the school board as an action item at a board meeting. Lastly, TASB – Legal Services indicates that although Board action on the proposed tax rates to be published in the "Notice" is not required by statute, it is recommended as best practice.

August 21, 2017 is the scheduled board meeting date to adopt the budget and tax rates. In accordance with Texas Education Code 44.004, August 9, 2017 is the proposed date to publish the "Notice" in the local newspaper. The proposed tax rates to be published in the "Notice" are as follows:

	Proposed for 2017-18		Last Year's Rate
M&O Tax Rate:	$1.04	per $100 of valuation	$1.04
I&S Tax Rate:	0.17	per $100 of valuation	0.21
Total Tax Rate:	$1.21	per $100 of valuation	$1.25

Based on certified property value estimates received from the Central Appraisal District as well as budgetary needs for the 2017-18 school year, the proposed M&O tax rate of $1.04 will generate sufficient M&O revenues to support the M&O budget. The proposed M&O tax rate of $1.04 is the same as it has been for the last several years.

Certified property values will also be sufficient to generate I&S revenues adequate to support the I&S budget while allowing the I&S tax rate to be decreased in the process. The proposed Debt Service (I&S) tax rate of $0.17 is four (4) cents lower than last year's I&S rate.

We can adopt a lower rate than what is published in the Notice, but we cannot adopt a higher rate than what is published.

RECOMMENDATION:

It is recommended that the proposed tax rates of $1.04 M&O and $0.17 I&S be approved for publication on August 9, 2017 in the local newspaper in accordance with Texas Education Code 44.004.

Respectfully submitted,

Dobie Williams
