TOPIC: Special Recognition of Texas Way District of Distinction

SUBMITTED BY: Natasha Stewart.

BACKGROUND:

The Irving ISD Athletics Department committed to the Texas Way Initiative to be a part of a statewide effort to increase sportsmanship, build healthy relationships with sports officials, and strengthen the bond between communities and school districts through intentional community service. Student athletes are exposed to a character development program every week that emphasizes three pillars: Respect for Others, Control of Self, and the Spirit of Competition. Additionally, middle and high school athletic program participants are learning to be a part of something bigger than themselves by participating in district wide community service events like manning water stations to give water and fruit to runners in the Irving Marathon. Which directly supports the Irving Schools Foundation with raising scholarship money. The Irving Marathon is only one of many service projects our athletics directors, coaches, and athletes engage in throughout the year. Not only has our Athletics Department joined the Texas Way initiative but has been a model example for school districts across Texas and has been recognized as a District of Distinction for two consecutive years.

Dear Ms. Hernandez,

We are pleased to offer this agreement for the ***KICKSTART KIDS Martial Arts and Character Development Program*** **being offered in your District for the 2026-27 academic year**. The following guidelines promote an effective KICKSTART KIDS (KSK) program:

1) DEDICATED CLASSROOM
   a) A dedicated karate classroom is essential to the KICKSTART KIDS program. The classroom becomes a "dojo" serving as a safe haven where respect can be demonstrated to students and the room itself.
   b) The room should not be adjacent to or within the immediate vicinity of an academic classroom as it can sometimes be loud. Classes will be conducted through the entire academic day as well as before and/or after school.
   c) The martial arts classroom should be able to accommodate a minimum of twenty-five students simultaneously. A hard floor in good condition is preferred.
   d) The room should be in good repair with working heat and air conditioning. In the event of a problem, the school agrees to correct it in a timely manner.

2) OPTIMAL CLASS SIZE
   a) It is our goal to enroll an optimum number of students in each school where the KICKSTART KIDS program is offered. That optimum number is usually between 150 and 175 students. This number provides for the level of student and instructor interaction we believe is optimal for quality instruction.
   b) In the interest of effective instruction, student enrollment for the program is recommended not to exceed 200 students per campus. There are exceptions where programs are larger, but these are handled on a case-by-case basis depending on circumstances.
   c) We recognize that each campus is unique; however, in the event the number goes higher than 200 students, we will usually work with the school and recommend adding a second program on the same campus.

3) STUDENT PARTICIPATION
   a) All students are required to return a KICKSTART KIDS registration form executed by parent(s) or legal guardian(s) providing consent to participate.

b) The KICKSTART KIDS Registration Form will be completed online or collected by the KICKSTART KIDS instructor unless otherwise dictated by the school.
c) There will be a one-time annual fee per student collected with this registration. All first-year students receive a karate uniform at no additional cost, and all students receive rank advancement belts at no additional cost.
d) In the event students are unable to pay for participating in the program, KICKSTART KIDS will review individual circumstances and may sponsor a minimal number of students and waive the registration fee. The KICKSTART KIDS Registration Form will still need to be completed.
e) Student participation in KICKSTART KIDS should be voluntary.
f) As a general rule, scheduling of first year students should be completed by October 1st of the academic year. The KICKSTART KIDS instructor will work with campus personnel on individual cases where specific requests are made outside of this guideline.
g) The scheduling of KICKSTART KIDS classes should follow the same format as your campus or district, for example: If your school follows a 90-minute block schedule, the KICKSTART KIDS classes would be 90 minutes also.
h) Returning Students should be scheduled into appropriate classes consistent with their belt rank unless removed from the program by the KICKSTART KIDS instructor, campus administrators or their parent(s)/legal guardian(s).
i) All students are welcome in the KICKSTART KIDS program regardless of race, color, gender or physical ability. However, should an instructor believe a student poses a danger to him/herself, other students, or our instructional staff, KICKSTART KIDS reserves the right to ask for removal of that student from the KICKSTART KIDS classroom until such time as suitable arrangements are made with the school to allow the student to safely participate in the program.

4) UNIFORMS
a) All KICKSTART KIDS students will be expected to wear a martial arts uniform in class.
b) All first-year students are supplied with a uniform at no charge through the KICKSTART KIDS instructor.
c) Students will need an appropriate location to change into their uniform before class and change back into school clothes after class.

5) ROOM EQUIPMENT
a) KICKSTART KIDS supplies all training equipment needed for karate instruction and all materials for the values curriculum. This includes the puzzle mats for the floor, posters and other support materials.
b) Schools will provide the instructor with a desk, computer, and filing cabinet.
c) Schools will provide (when requested) four tri-fold exercise mats. (*These are different from the karate puzzle mats that cover the entire floor.*)

6) ROOM MAINTENANCE
a) KICKSTART KIDS instructors are required to maintain an orderly room.
b) In the interest of student health and safety, the school is required to maintain overall sanitization of the training mats and routine custodial duties.

7) SECURITY
   a) KICKSTART KIDS training equipment will need to be secured in a lockable closet or cabinet inside, or close to, the KICKSTART KIDS room.
   b) In addition, if the KICKSTART KIDS instructor is collecting funds, it is KICKSTART KIDS policy that these funds be held in the school safe and released to the instructor when a bank deposit can be made.
   c) At no time are funds collected to be kept overnight in a classroom.

8) SUPPORT FOR TOURNAMENTS
   a) Students participate in up to four KICKSTART KIDS tournaments each year.
   b) All tournaments are held in the local KICKSTART KIDS region except for the final State Championships, held once a year in rotating locations throughout Texas.
   c) We request that schools provide transportation to KICKSTART KIDS competitions.
   d) Tournaments are rotated through different schools in a region. It is expected that local school officials will assist in procurement of locations.
   e) In our continued effort to offset the cost of the program, during tournaments and special events, KICKSTART KIDS will operate merchandise and concession booths. The expectation is that KICKSTART KIDS will be able to operate those booths in prime locations in relation to the event venue to maximize our fundraising efforts.

9) RESEARCH
   a) KICKSTART KIDS has contracted the services of an independent evaluator for the purpose of conducting research on the KICKSTART KIDS program.
   b) Periodically we may gather data specific to the KICKSTART KIDS program in your school.
   c) Should you have questions, contact David Joe, Chief Financial Officer, at djoe@kickstartkids.org or 713-868-6003, x102.

10) ANNUAL SPONSORSHIP DRIVE
   a) Each year, KICKSTART KIDS may hold an annual two-week KICKSTART KIDS Sponsorship Drive to raise money to help offset the costs of the program on each campus.
   b) KICKSTART KIDS will work with each campus to accommodate their schedules as needed, but it is expected that each campus will allow the KICKSTART KIDS Sponsorship Drive to occur.

11) GENERAL FUNDRAISING
   a) Occasionally, with the approval of the school and KICKSTART KIDS management, KICKSTART KIDS instructors may ask to raise funds for optional program related trips and other activities at your school.
   b) Monies raised are to be handled per #7 above.

12) USE OF GYMNASIUM OR AUDITORIUM

a) KICKSTART KIDS will require the use of a gymnasium or auditorium for Belt Ceremonies (twice a year), demonstration team competitions and/or exhibitions (occasionally).
b) From time to time, the use of the gymnasium or auditorium will be needed for facilitation of tournaments which will host students from other KICKSTART KIDS school districts.
c) Use of these facilities will be requested through the proper school authority no less than 30 days prior to the event, or longer if required by district policies and/or procedures.
d) Use of all necessary utilities and safety protocols will be requested through the proper school authority no less than 30 days prior to the event, or longer if required by district policies and/or procedures.
e) These facilities will be provided by the school at no charge to the KICKSTART KIDS program.
f) KICKSTART KIDS agrees to pay custodial staff at a rate of $20 per hour for KICKSTART KIDS events hosted in the District. The number of custodians and the hours they will work are to be mutually agreed upon in advance. This fee does not apply to standard duties required by the District as part of their daily custodial duties. At the mutually agreed-upon events, custodians will be responsible for maintaining trash receptacles before, during and after the event, cleaning the facility after the event and securing premises once KSK students and staff have left the facility.
g) For tournaments, KICKSTART KIDS will work with the District, following required procedures, to secure one security officer/police officer to be on duty while staff, students, and community members are present at the facility. If the number of participants expected at a tournament is excessive, an additional officer will be secured. Exact work hours cannot be determined in advance, other than the start time and an estimate of the end time, because each tournament lasts for a different length depending on number of participants and other factors. Any payment of the security officer(s) for services rendered will be in a one-time, lump sum payment in an amount to be agreed upon prior to the event date. Security personnel are not paid an hourly rate for tournament security.

13) AFTER-SCHOOL AND SUMMER KARATE
a) The school agrees to provide facilities for after-school training during the school year at no charge.
b) The school agrees to provide facilities for a KICKSTART KIDS summer karate program during the month of June at no charge.

14) BLACK BELT CLUB
a) During the academic year and summer sessions, students who have “graduated” from the middle school/junior high program will be offered the opportunity to continue training in the KICKSTART KIDS Black Belt Club with their KICKSTART KIDS instructor. There is a Black Belt Club in every KICKSTART KIDS school.
b) Classes will be scheduled either before or after school hours.
c) It is expected that the school will make the campus available to these students.

15) INTEGRATION INTO SCHOOL STAFF
a) It is important that your KICKSTART KIDS Instructor become integrated into your school community, including attending appropriate faculty meetings.

b) The primary responsibility of KICKSTART KIDS instructors are the KSK students. However, in the interest of integration and the spirit of cooperation, KSK instructors can be assigned campus duty under the following conditions:
    a) Any training required for the particular duty station will be provided by the district to the KICKSTART KIDS instructor in advance.
    b) Should assistance be needed with non-KICKSTART KIDS students, our KICKSTART KIDS instructor may perform additional duty provided a campus faculty or staff member is within visual range at all times to provide supervision and direction.
    c) KICKSTART KIDS instructors cannot be requested or required to oversee or proctor any state-mandated testing. They can, however, handle duties such as answering phones, hall duty, delivering lunch or picking up attendance.
    d) The district agrees that KICKSTART KIDS and its instructor shall be covered by the district's liability insurance in connection with any assigned campus duty.

16) FIELD TRIPS
- a) KICKSTART KIDS occasionally hosts extra-curricular events (including tournaments) in which all KICKSTART KIDS students are invited to participate.
- b) It is our hope that each school will allot funding for transportation to these events.
- c) Any extra-curricular event requires the approval of school officials and KICKSTART KIDS management.

17) INSTRUCTOR ABSENCE
- a) Instructors are required to notify KICKSTART KIDS management as well as school officials whenever they are absent.
- b) In the event of an instructor absence, KICKSTART KIDS will make every effort to provide a qualified substitute karate instructor.
- c) If, for some reason, we are unable to provide a substitute, we will notify appropriate campus personnel. The school agrees to assume responsibility for providing temporary oversight for the students.

18) PROGRAM SUMMARY
- a) KICKSTART KIDS (KSK) provides a physical karate curriculum during the scheduled school day that is adapted to the skill level of students.
- b) KSK provides the following as part of the KICKSTART KIDS program:
    a) a values-based curriculum including in-class lessons and handouts.
    b) a qualified black belt instructor for direct instruction.
    c) after-school karate classes for existing participants on a weekly basis. The schedule for these classes will be arranged in cooperation between the KSK instructor and school administration representative.
    d) a three-week or four-week summer karate program up to a maximum of three hours per day, Monday through Thursday (as agreed upon by the instructor and principal). Friday's during the summer are instructor development days.
    e) belts for all belt ceremonies.
    f) classroom safety equipment for students in all karate classes.
    g) a representative to work with the school, school district and the community to help implement the program.

19) THE AGREEMENT

a) This one-year agreement represents the intentions of both parties to offer the KICKSTART KIDS program and curriculum to students **at De Zavala MS, Lady Bird Johnson MS, Lamar MS, and Travis MS during the 2026-27 academic year beginning in August 2026;** however, should the program be expanded to additional campuses, those additional campuses will also fall under the terms of this Agreement.

b) KICKSTART KIDS or the school district may cancel or withdraw from the agreement upon a 30-day written notice with or without cause; however, cancellation will not become effective until the end of the academic year, except for cause. Any cancellation notices by either party in advance of the upcoming academic year must be received by July 1st.

c) The school district agrees that, during the term of this agreement and for a period of one (1) year after the termination of this agreement, it shall not hire, employ or retain as an independent contractor any KICKSTART KIDS instructor.

20) PROGRAM AWARENESS

a) KICKSTART KIDS program and instructor information should be included on the school website.

b) KICKSTART KIDS events should be listed on the school calendar.

21) PROGRAM FUNDING

a) The KICKSTART KIDS total program and curriculum expense currently exceeds $120,000 per program. This includes a full-time instructor (salary and benefits), room equipment, uniforms and belts, belt ceremonies, values curriculum, tournament expenses, after school and summer school program costs, special event costs and KICKSTART KIDS staff support.

b) Under this agreement, **Irving ISD will pay $80,000 per campus program for the 2026-27 school year** for the *KICKSTART KIDS Martial Arts and Character Development Program*. Should an additional campus be added, the cost per campus program will apply to the new campus. The amount per program may be increased due to inflation and/or COLA in subsequent years. This payment is due within thirty (30) days of initiation of your operating budget for the 2026-27 academic year. Any exceptions must be requested through David Joe, Chief Financial Officer, at djoe@kickstartkids.org or 713-868-6003, x102.

c) The remainder of the expense for the 2026-2027 academic year will be the responsibility of the KICKSTART KIDS Foundation.

BACKGROUND

Since 1995, the Texas legislature has required counties with a population of 175,000 or more to form cooperative arrangements with juvenile boards and school districts to provide educational programs for expelled students. Memorandum of Understanding

Dallas County
Juvenile Justice Alternative Education Program

This Memorandum of Understanding (sometimes referred to herein as "Agreement") is entered into pursuant to the Texas Interlocal Cooperation Act, Texas Government Code, Chapter 791 and Texas Education Code ("TEC"), Chapter 37, and is effective upon execution of the participating district. The Parties to this Agreement are those whose signatories are listed and execute this Agreement as set forth on the signature page(s) of this Agreement.

I. ADMINISTRATION OF Dallas County Juvenile Justice Alternative Education Program ("DCJJAEP")

The DCJJAEP shall administer the educational portion of the DCJJAEP program; shall maintain all educational records applicable to the ISDs with regard to the status and the ultimate disposition of each student assigned to the DCJJAEP and shall provide the necessary curriculum, including but not limited to special education and bilingual services, in accordance with the TEC and federal law as they exist or may be amended, and; other such responsibilities normally associated with the administration of educational services. All personnel providing services in the DCJJAEP program will strive to provide an educational program for the students at the DCJJAEP that meet high academic standards.

The DCJJAEP shall conform to the standards and guidelines of the Texas Juvenile Justice Department. Furthermore, the DCJJAEP personnel shall be responsible for, and maintain, all reports, data, assessments, etc. necessary to permit and allow compliance, as necessary where necessary, with the TEC, including, but not limited to, Chapters 39 and 42 of the TEC.

II. STUDENT PLACEMENT, DUE PROCESS, AND TERM OF PLACEMENT

2.1 The parties to this MOU acknowledge that TEC §37.011(a) requires that every expelled student in a county with a population of 125,000 or greater who is not detained or receiving treatment under an order of the juvenile court must be enrolled in an educational program. It is therefore the intent of the DCJJAEP to provide educational services to all expelled students of Dallas County.

2.2 Students who are expelled from the school district setting will be afforded due process within the respective ISD as provided by school district policy and federal and state law. If, during the period of expulsion, a student engages in additional conduct for which placement in a DAEP or expulsion is required, or permitted, additional proceedings may be conducted, and the principal, another appropriate administrator, or the Board may issue an additional disciplinary order as a result of those proceedings. DCJJAEP will work with the respective ISD to determine the location for due process in this instance. Additional days of removal ordered for subsequent conduct while in the DCJJAEP will be served following completion of the student's initial placement in DCJJAEP. Discipline will not run concurrently.

2.3 Students who are removed from their "home campus" on a discretionary offense according to the TEC Chapter 37 must go directly to the District's Disciplinary Alternative Education Program. These removals may be considered as a DCJJAEP discretionary placement on a case-by-case basis and review of that ISD's student code of conduct.

2.4 In order to avoid-undue disruption of the educational process, each ISD shall notify the DCJJAEP of their intent to schedule an expulsion hearing. If this hearing results in an expulsion, then notification in writing should be provided to the DCJJAEP without delay following the conclusion of the expulsion hearing of a regular education student including all required documentation. DCJJAEP administration will begin contacting the student's parent/ guardian to schedule an intake orientation and start date upon receipt of all necessary documentation. If the parent/ guardian fails to schedule or complete an intake orientation after reasonable attempts made by the DCJJAEP, the student may be referred back to the sending district for further action. In assigning a term of expulsion, the expelling ISD shall assign a term of not less than thirty (30) school days. Administrators of the ISD and DCJJAEP may agree on deviations from the minimum and maximum length of stay or placement on a case-by-case basis. A term of removal shall require successful completion of the assigned term. A successful school day is determined by the appropriate administrator at the DCJJAEP giving consideration to factors including but not limited to the student's attendance, behavior, and academics. Upon the student meeting all expulsion and Court requirements or the DCJJAEP receiving official documentation that the off campus Title 5 felony charges leading to the expulsion have been dismissed or reduced to a misdemeanor offense, the student's enrollment will be transferred to the district of residence.

2.5 If the student is expelled under any mandatory or felony expulsion provision the referral to the DCJJAEP requires a law enforcement report, including but not limited to an arrest report, an at-large charge, an arrest warrant, and/or notice under Article 15.27 of the Code of Criminal Procedure. All mitigating factors should be considered prior to student placement for a HB6 off campus felony infraction If a student is removed to DCJJAEP under the registered sex offender provision, the referral to DCJJAEP requires official documentation of this registration.

2.6 All expulsions referred to the DCJJAEP require the sharing of records. For this reason, the ISDs designate the DCJJAEP as a school official with a legitimate educational interest in the educational records of students assigned to the DCJJAEP. Similarly, DCJJAEP designates the ISDs as school officials with a legitimate educational interest in the educational records of their respective students. Confidentiality of the records maintained by the ISDs and DCJJAEP will be maintained in accordance with the Family Education Rights and Privacy Act ("FERPA") and will only be disclosed and/or discussed with school officials who have a legitimate educational interest in the records. DCJJAEP shall be under the direct control and supervision of the referring district, with respect to its use of student data. DCJJAEP may not re-disclose the information to a third party without prior written consent from the parent or eligible student or as permitted by law. DCJJAEP must destroy any student information received from the referring district when no longer needed for the purposes listed in this Agreement, unless required by law to maintain that information.

PRESENTED BY

ANGEL ROSADO

BACKGROUND

The Texas Local Government Code and Texas Education Code authorize the use of purchasing cooperatives by school districts. Cooperative purchasing provides a variety of efficiencies and benefits, including, aggregated purchasing power, discounted prices for goods and services, rebates for certain products, and contracts that have already been competed through a Competitive Procurement process.

Texas Education Code§ 44.0331 requires school districts to report to the Board of Trustees management fees under certain cooperative purchasing contracts. The code states that: (a) A school district that enters into a purchasing contract valued at $25,000 or more, shall document any contract-related fee, including any management fee, and the purpose of each fee under the contract. (b) The fees described must be presented in a written report and submitted annually in an open meeting of the board of trustees of the school district. Consider Approval Of The Purchase Of School Buses For The 2026 - 2027 School Year

PRESENTED BY

ANGEL ROSADO

BACKGROUND

Beginning in 2018, Irving ISD developed a replacement plan to replace the depreciated fleet inherited in the transition from Dallas County. Each year, the Transportation Department evaluates the conditions of the current fleet and according to the Replacement criteria (determined by mechanical condition and age), a certain number of buses would be replaced each fiscal year based on budgetary allowance.

Each year the district replaced regular 77 Passenger Buses and 36 Passenger Buses with wheelchair lifts for Special ED. Each bus is purchased with back-up cameras, a third air conditioning unit in the middle of the bus and the installation of a camera system to provide additional support for department operations. This year the District is requesting the Board's approval to purchase two (2) 78 Passenger Buses and two (2) SPED 30 Passenger Buses (W/Wheelchair Lifts).

The purchase will be made through the BuyBoard Cooperative Purchasing Contract. The brand and model of the new buses will be consistent with the brand and models of our current fleet. The Administration requests the Boards approval of this recommendation.

RE: Consideration and Action on the Purchase of School Buses

Irving ISD Transportation is asking for consideration and action for Board of Trustees to approve the purchase of four new school buses to support the district's commitment to student safety, fleet reliability and dependable transportation services.

As part of our fleet replacement plan, we will be purchasing four new buses. Replacing two regular education school buses, and two special education school buses. The school buses will be purchased from Thomas Freightliner, (2) 78 passenger and (2) 30 passenger. Totaling in the amount of $671,600, not including additional fees for BuyBoard and TIPS.

We will be replacing the following buses:

YR	Fuel Type	Style of Bus	Make	VIN Number	Miles
2011	DIESEL	TYPE C	BLUE BIRD	1BAKBCPA2BF281621	86098
2011	DIESEL	TYPE C	BLUE BIRD	1BAKBCPA8BF281624	71045
2013	DIESEL	TYPE C	FREIGHTLINER THOMAS	4UZABRDT0DCFA6661	103271
2013	DIESEL	TYPE C	FREIGHTLINER THOMAS	4UZABRDT0DCFA5719	106754

All buses have been quoted with backup cameras to help reduce the number of back up accidents, a third air conditioning unit to ensure adequate coverage inside the bus, and the installation of a camera system to provide additional support for department operations.

Director of Transportation

PROPOSED REVISIONS

Purchasing Authority

Pursuant to Chapter 44, Subchapter B, Texas Education Code (the "Act"), the Board delegates to the Superintendent the authority to acquire goods and services for the District to the extent authorized by the Act, subject to the provisions of and in accordance with the provisions of this policy. The Superintendent may designate one or more persons to carry out the responsibilities that are delegated herein to the Superintendent.

Exception for Emergency Contracts

In the event of a catastrophe, emergency, or natural disaster affecting the District, the Board delegates to the Superintendent the authority to contract for the replacement, construction, or repair of school equipment or facilities in accordance with law, if emergency replacement, construction, or repair is necessary for the health and safety of District students and staff. The Superintendent shall report to the Board at the next regular meeting any contract made under this authority. [See Disaster Exception, CH(LEGAL)]

The delegation regarding emergency contracts does not waive competitive purchasing requirements under Education Code Chapter 44. Only the Board is authorized to waive competitive purchasing requirements under limited circumstances in accordance with Education Code 44.031(h). [See Emergency Damage or Destruction, CH(LEGAL)]

Purchasing Procedures

The Superintendent shall develop purchasing procedures to implement the requirements of state and federal law. [See also CB, CBB, CH(LEGAL), and COA]

Exceptions and Limitations

The authority delegated by this policy does not and shall not include the authority to contract for professional services enumerated in the Texas Professional Procurement Act (Subchapter A, Chapter 2254 Texas Government Code) except for professional nursing, medicine, and optometry, which is delegated to the Superintendent, subject to compliance with the Act. A financial adviser in connection with the issuance of District debt instruments, attorneys at law including bond counsel for the District, educational services authorized by Section 11.157 Texas Education Code, and the services of professional educators are not included in this delegation. For construction services, see CV(LOCAL).

All District contracts and purchase orders for goods and services shall be limited by and shall be in accordance with Subchapter I, Chapter 271, Texas Government Code.

Final acceptance of bids, offers, proposals, awards, and contracts must be authorized or approved by the Board for purchases that exceed $100,000, except for purchases made through contracts

that were previously authorized by the Board, purchases made in accordance with a contract authorized by the State of Texas cooperative program, or purchases made through interlocal agreements that were previously approved by the Board.

Purchases made to replace stolen items or items damaged by vandalism shall not require specific approval of the Board.

Final acceptance of bids, offers, proposals, awards, and contracts must be authorized or approved by the Board for purchases that exceed $500,000 with no exceptions. The Board and the Superintendent shall adhere to applicable law and shall follow rules and procedures for the acquisition of goods and services.

Purchases Valued at or Above ~~$50,000~~**$100,000**

Except for construction and professional services, the Superintendent shall select the method of procurement from the methods authorized by Texas Education Code 44.031(a) that will provide the best value to the District.

Competitive Bidding

If competitive bidding is chosen as the purchasing method, the Superintendent shall prepare bid specifications. All bids shall be in accordance with administrative regulations, and the submission of any electronic bids shall also be in accordance with Board-adopted rules. All bidders shall be invited to attend the bid opening. Any bid may be withdrawn prior to the scheduled time for opening. Bids received after the specified time shall not be considered.

The District may reject any and all bids to the extent permitted by law.

Competitive Sealed Proposals

If competitive sealed proposals are chosen as the purchasing method, the Superintendent shall prepare the request for proposals and/or specifications for items to be purchased. All proposals shall be in accordance with administrative regulations, and the submission of any electronic proposals shall also be in accordance with Board-adopted rules. Proposals received after the specified time shall not be considered. Proposals shall be opened at the time specified, and all proposers shall be invited to attend the proposal opening. Proposals may be withdrawn prior to the scheduled time of opening. Changes in the content of a proposal, and in prices, may be negotiated after proposals are opened. Information from competing proposals should not be disclosed to offerors.

The District may reject any and all proposals to the extent permitted by law.

Electronic Bids or Proposals

Bids or proposals that the District has chosen to accept through electronic transmission shall be administered in accordance with Board-adopted rules. Such rules shall safeguard the integrity of the

competitive procurement process; ensure the identification, security, and confidentiality of electronic bids or proposals; and ensure that the electronic bids or proposals remain effectively unopened until the proper time.

Evaluation Criteria — Evaluation criteria shall comport with applicable statutory and regulatory requirements.

Notice Publication — Notice of when and where bids or proposals or the responses to a request for qualifications will be received and opened shall be published according to statutory requirements.

Sole Source — Sole-source purchases must be approved at the associate superintendent level. Sole source purchases must be documented and comport with all applicable statutory requirements.

Responsibility for Debts

The Board shall assume responsibility for debts incurred in the name of the District so long as those debts are for purchases made in accordance with the adopted budget, state law, Board policy, and the District's purchasing procedures. [See CE] The Board shall not be responsible for debts incurred by persons or organizations not directly under Board control. Persons making unauthorized purchases shall assume full responsibility for all such debts.

Purchase Commitments

All purchase commitments, other than pursuant to approved contracts and travel reimbursements, shall be made by the Superintendent in accordance with administrative procedures, including the District's purchasing procedures. Purchase orders should comport with the applicable provisions of the Texas Business and Commerce Code.

When using petty cash for a purchase as prescribed in the District's procedures manual or when cash is advanced to District staff as permitted by District procedures, a purchase order shall not be required to be generated in advance. The requisition/purchase order may be generated when those transactions are reconciled per the business office procedures manual.

Personal Purchases

District employees shall not be permitted to make purchases for personal use through the District's business office.

HUB/D/M/WBE Participation

Women and minority owned businesses, and historically underutilized businesses (HUB), shall have equal access as compared to other vendors, to competitive bidding, competitive sealed proposals, and requests for proposals as defined by the Texas Education Code 44.031.

The term women or minority owned business shall mean a business in which at least 51 percent of the ownership and management is by minority group members or women owned, or in the

case of a publicly owned business, at least 51 percent of the stock is owned and managed by minority group members or women, or as otherwise defined by federal law. Minority groups shall include African Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, and Asian-Indian Americans, or as otherwise defined by federal law. The District shall accept HUB certification from the comptroller of public accounts or D/M/WBE from any established certification organization or the District's women or minority owned business affidavit procedure.

The Superintendent shall reasonably require that an appropriate plan be developed that ensures the above-described businesses and business enterprises are provided fair and equal opportunity to secure District contracts for goods and services in accordance with this policy as written.

PROPOSED REVISIONS

Note: This local policy has been revised in accordance with the District's innovation plan. [See AF(LOCAL)]

In this policy, the terms "complaint" and "grievance" shall have the same meaning.

2. Complaints alleging certain forms of harassment, including harassment by a supervisor and violation of Title VII, shall be submitted in accordance with DIA.
3. Complaints concerning retaliation relating to discrimination and harassment shall be submitted in accordance with the DIA.
4. Complaints concerning instructional resources shall be submitted in accordance with the EF series.
5. Complaints concerning a commissioned peace officer who is an employee of the District shall be submitted in accordance with the CKE series.

Notice to Employees

The District shall inform employees of this policy through appropriate District publications.

Guiding Principles

Informal Process

The purpose of this policy is to provide employees an orderly process for the prompt and equitable resolution of grievances. The Board intends that, whenever feasible, grievances be resolved at

the lowest possible administrative level. Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Employees are encouraged to discuss their concerns and grievances with their supervisor, principal, or other appropriate administrator. When informal discussions fail to resolve the concern or dispute, the employee may file a grievance with the office of human resources. [See DGBA(EXHIBIT)]

Direct Communication with Board Members

Employees shall not be prohibited from communicating with a member of the Board regarding District operations except when communication between an employee and a Board member would be inappropriate because of a pending hearing or appeal related to the employee.

Formal Process

An employee may initiate the formal process described below by timely filing a written grievance form.

Even after initiating the formal grievance process, employees are encouraged to seek informal resolution of their concerns. An employee whose concerns are resolved may withdraw a formal grievance at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against an employee for bringing a concern or complaint.

Whistleblower Complaints

Whistleblower complaints shall be filed within the time specified by law and may be made to the Superintendent beginning at Level Two. Timelines for the employee and the District set out in this policy may be shortened to allow the Board to make a final decision within 60 calendar days of the initiation of the complaint. [See DG]

Notice of Complaint

A District employee against whom a complaint has been filed shall be provided notice of the complaint in accordance with administrative regulations. The employee shall have sufficient opportunity to submit a written response to the complaint that shall be included in the record of the complaint.

Complaints Against Supervisors

Grievances alleging a supervisor’s violation of law in the workplace may be made to a supervisor other than the supervisor against whom the employee intends to report the grievance, beginning at Level One. The deputy superintendent of school operations shall designate the appropriate Level One administrator to serve as the hearing officer.

General Provisions

Filing

A grievance form must be filed no later than 10 days from the date the employee first knew, or with reasonable diligence, should have known of the decision or action giving rise to the grievance or complaint.

Grievance forms and appeal notices may be filed by hand delivery to the office of human resources at 2621 W. Airport Freeway, Irving, TX 75062, by email submission to the District,[1] or by fax at (972) 215-5221 to the office of human resources. Filings shall be considered timely if received by the office of human resources by the close of business on the date of the deadline.

A grievance form that is incomplete must be refiled within five days of the date the grievance form was returned to the employee, with all of the requested information, in order for the grievance form to be considered timely and a hearing to be scheduled.

All time limits for filing grievances shall be strictly followed.

Scheduling Hearings

The District shall make reasonable attempts to schedule Level One and Level Two grievance hearings at a mutually agreeable time for all parties. If the employee fails to appear at a scheduled Level One or Level Two hearing, the District may hold the hearing and issue a decision in the employee's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the employee or the employee's representative from the appropriate administrator. Responses may be hand-delivered, sent by email submission to the employee's email address of record or the email address of the employee's representative, or sent by certified U.S. Mail to the employee's or employee representative's mailing address of record. Mailed responses shall be considered timely if they are postmarked by certified U.S. Mail on or before the deadline.

Days

"Days" shall mean District workdays, as defined by the District's adopted calendar. In calculating timelines under this policy, the day a document is filed is "day zero," and all deadlines shall be determined by counting the following workday as "day one."

Representative

"Representative" shall mean any person who or an organization that does not claim the right to strike and is designated by the employee to represent him or her in the grievance process.

The employee may designate a representative through written notice to the District at any level of the grievance process. The representative may participate in person or by telephone conference call. If the employee designates a representative with fewer than three days' notice to the District before a scheduled Level One or Level Two hearing, the District may reschedule the Level One or

Level Two hearing to a later date, if desired, in order to include the District's legal counsel. The District may be represented by legal counsel at any level of the grievance process.

Consolidating Grievances

An employee shall not bring separate or serial grievances arising from any event or series of events that have been or could have been addressed in a previous grievance.

When two or more grievances are filed by the same person and are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the District may consolidate or deny the amended grievance(s) and provide notice to the employee or employee's representative of such action.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a grievance form or appeal notice is not timely filed with the office of human resources, the grievance shall be dismissed, on written notice to the employee or employee's representative, at any point during the grievance process. The employee may appeal the dismissal by seeking review in writing within 10 days from the date of the written dismissal notice, starting at the level at which the grievance was dismissed. Such appeal shall be limited to the issue of timeliness.

Costs Incurred

Each party shall pay its own costs incurred in the course of the grievance process.

Complaint and Appeal Forms

Grievances and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the grievance should be attached to the grievance form. If the employee does not have copies of these documents at the time of filing, they shall be provided to the office of human resources at least two business days prior to the Level One hearing. After the Level One hearing, no new documents may be submitted by the employee unless the employee did not know the documents existed before the Level One hearing. Such documents shall be provided to the office of human resources at least two business days prior to the Level Two hearing.

A grievance or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated deadline for filing the complaint or appeal.

Audio Recording

As provided by law, an employee shall be permitted to make an audio recording of a hearing under this policy at which the substance

of the employee's grievance is discussed. The employee shall notify all attendees present that an audio recording is taking place.

Level One

Grievance forms [see DGBA(EXHIBIT)] must be filed within 10 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance.

The appropriate hearing officer shall investigate as necessary and schedule the Level One hearing with the employee or employee's representative within 10 days after receipt of the written grievance. The hearing officer may set reasonable time limits for the hearing.

Absent extenuating circumstances, the hearing officer shall provide the employee or employee's representative a written response within 10 days following the Level One hearing. The written response shall set forth the basis of the decision. In reaching a decision, the hearing officer may consider information provided at the Level One hearing and any other relevant documents or information the hearing officer believes will help resolve the grievance.

Level Two

If the employee did not receive the relief requested at Level One or if the time for a response has expired, the employee or employee's representative may request a hearing with the Superintendent or designee to appeal the Level One decision.

The Level One appeal notice must be filed in writing with the office of human resources, on a form provided by the District [see DGBA(EXHIBIT)], within 10 days of the date of the written Level One response or, if no response was received, within 10 days of the Level One response deadline.

After receiving notice of the appeal, the Level One hearing officer shall prepare and forward a record of the Level One grievance to the Level Two hearing officer. The employee or employee's representative may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee prior to the Level One hearing.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One hearing officer in reaching the Level One decision.

The Superintendent shall schedule a Level Two hearing within 10 days after the appeal notice is filed. The hearing shall be limited to the issues and documents considered at the Level One hearing. The Superintendent may set reasonable time limits for the hearing.

The Superintendent shall provide the employee or employee's representative a written response within 10 days following the hearing. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent may consider the Level One record, information provided at the Level Two hearing, and any other relevant documents or information the Superintendent believes will help resolve the grievance.

Recordings of the Level One and Level Two hearings, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the employee did not receive the relief requested at Level Two or if the time for a response has expired, the employee or employee's representative may appeal the decision to the Board.

The Level Two appeal notice must be filed in writing with the office of human resources, on a form provided by the District [see DGBA(EXHIBIT)], within 10 days of the date of the written Level Two response or, if no response was received, within 10 days of the Level Two response deadline.

The Superintendent shall inform the employee or employee's representative of the date, time, and place of the Board meeting at which the grievance will be on the agenda for presentation to the Board.

The Superintendent shall provide the Board the record of the Level Two appeal. The employee may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two and any other official notices presented at the preceding levels.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level

Two record, the administration shall provide the employee or employee's representative notice of the nature of the evidence at least three days before the hearing.

~~Presentation~~

~~The Board shall determine whether the grievance will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]~~

~~The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee or employee's representative and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the grievance and may request that the administration provide an explanation for the decisions at the preceding levels.~~

~~In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.~~

~~The Board shall then consider the grievance. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.~~

~~Hearing~~

~~An employee who is granted a hearing shall be afforded that hearing with the Board in a meeting that includes the hearing as an item in the posted agenda. The Board may choose to designate someone other than the Board President to conduct the hearing. If it does so, the duties of the designee shall be established at the time of the appointment. The Board shall make and communicate its decision at any time up to and including the next regularly scheduled Board meeting. The hearing, at the Board's discretion, may be conducted in accordance with the rules and procedures outlined in BE(LOCAL).~~

~~*Closed Meeting Unless Open Meeting Requested*~~

~~If the grievance involves the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of the employee bringing the grievance, it may be heard by the Board in closed meeting unless the employee bringing the hearing requests that it be heard in public.~~

~~Exception~~ ~~However, if the grievance involves a complaint or charge against another District employee or a Board member, it shall be heard in closed meeting unless an open meeting is requested in writing by the employee or Board member against whom the complaint or charge is brought.~~

Presentation to the Board

A Level Three appeal shall be considered by the Board through written submission unless three or more members of the Board request that the appeal be heard by oral presentation. A request for oral presentation must be made by a Board member in writing to the Superintendent within three days from the date Board members are notified of the Level Three appeal and provided copies of:

1. The Level One Complaint;
2. The Level One Decision;
3. The Level Two Notice of Appeal;
4. The Level Two Decision; and
5. The Level Three Notice of Appeal.

Written Submission

When the Level Three appeal is to be considered on written submission, the Superintendent shall provide written notice to the employee of the process by which the written submission is to be made, the deadline for providing the submission, and applicable page limitations. Written submissions shall not exceed four pages in length. The District shall allow the employee 10 days to provide the submission unless compliance with statutory deadlines requires a shorter timeline.

The administration shall be given an opportunity to submit a written response for the Board's consideration at Level Three. If the employee provides a written submission at Level Three, the administration shall be given 10 days to review the complainant's written response and submit the administration's written response unless compliance with statutory deadlines requires a shorter timeline.

The Superintendent shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for consideration by the Board.

Oral Presentation

If three or more Board members request oral presentations for the Level Three appeal within the required time period, the Superintendent shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for consideration by the Board.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the employee and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the employee or the employee's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

Board's Response

After reviewing the written submission or listening to the oral presentations, as applicable, the Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Notice to Students and Parents

The District shall inform students and parents of this policy through appropriate District publications.

Guiding Principles

Informal Process

The Board encourages students and parents to discuss their concerns with the appropriate teacher, principal, or other campus administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

A student or parent may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any student or parent for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, electronic communication, including email and fax, or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If a student or parent fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the student's or parent's absence.

Response

At Levels One, Two, and Three, "response" shall mean a written communication to the student or parent from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the student's or parent's email address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

The District may be represented by counsel at any level of the process.

Consolidating Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. Students or parents shall not file separate or serial complaints arising from any event or series of

events that have been or could have been addressed in a previous complaint.

When two or more grievances are filed by the same student or parent, including grievances filed by the same student or parent group, and are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, the District may consolidate or deny the amended grievance(s) and provide notice to the student or parent of such action.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student or parent, at any point during the complaint process. The student or parent may appeal the dismissal by seeking review in writing within 10 days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Absent extenuating circumstances, the administrator shall provide the student or parent a written response within 10 days following the conference. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level Two decision. The Level Three administrator may set reasonable time limits for the conference.

The Level Three administrator shall provide the student or parent a written response within 10 days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Level Three administrator may consider the Level One and Level Two records, information provided at the Level Three conference, and any other relevant documents or information the Level Three administrator believes will help resolve the complaint.

Recordings of the Level One, Level Two, and Level Three conferences, if any, shall be maintained with the Level One, Level Two, and Level Three records.

[See BE] The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.~~

~~In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Four presentation. The Level Four presentation, including the presentation by the student, parent, or student's representative; any presentation from the administration; and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.~~

~~The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.~~

Presentation to the Board

A Level Four appeal shall be considered by the Board through written submission unless three or more members of the Board request that the appeal be heard by oral presentation. A request for oral presentation must be made by a Board member in writing to the Superintendent within three days from the date Board members are notified of the Level Four appeal and provided copies of:

Oral Presentation

If three or more Board members request oral presentations for the Level Four appeal within the required time period, the Superintendent shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for consideration by the Board.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. Guiding Principles

Informal Process

The Board encourages the public to discuss concerns with an appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Formal Process

An individual may initiate the formal complaint process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, individuals are encouraged to seek informal resolution of their concerns. An individual whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any individual for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, email, fax, or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline.

Filings submitted by email shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication.

Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Filings submitted by fax shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication.

Scheduling Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the individual fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the individual's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the individual from the appropriate administrator. Responses may be hand-delivered, or sent by electronic communication to the individual's email address of record, or U.S. Mail to the individual's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by an individual to represent the individual in the complaint process.

The individual may designate a representative through written notice to the District at any level of this process. If the individual designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating Complaints	Complaints arising out of an event or a series of related events shall be addressed in one complaint. An individual shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.
Untimely Filings	All time limits shall be strictly followed unless modified by mutual written consent. If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the individual, at any point during the complaint process. The individual may appeal the dismissal by seeking review in writing within 10 days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.
Costs Incurred	Each party shall pay its own costs incurred in the course of the complaint.
Complaint and Appeal Forms	Complaints and appeals under this policy shall be submitted in writing on a form provided by the District. Copies of any documents that support the complaint should be attached to the complaint form. If the individual does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the individual unless the individual did not know the documents existed before the Level One conference. A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.
Notice of Complaint	A District employee against whom a complaint has been filed shall be provided notice of the complaint in accordance with administrative regulations. The employee shall have sufficient opportunity to submit a written response to the complaint that shall be included in the record of the complaint.
Level One	Complaint forms must be filed: 1. Within 15 days of the date the individual first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and 2. With the lowest level administrator who has the authority to remedy the alleged problem. 3. If the only administrator who has authority to remedy the alleged problem is the Superintendent, the complaint may begin

at Level Two following the procedure, including deadlines, for filing the complaint form at Level One.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the individual within 10 days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the individual a written response within 10 days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the individual did not receive the relief requested at Level One or if the time for a response has expired, he or she may request a conference with the Superintendent to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within 10 days of the date of the written Level One response or, if no response was received, within 10 days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The individual may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the individual at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent shall schedule a conference within 10 days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference,

the individual may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent may set reasonable time limits for the conference.

The Superintendent shall provide the individual a written response within 10 days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the individual did not receive the relief requested at Level Two or if the time for a response has expired, he or she may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within 10 days of the date of the written Level Two response or, if no response was received, within 10 days of the Level Two response deadline.

The Superintendent shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent shall provide the Board the record of the Level Two appeal. The individual may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the individual notice of the nature of the evidence at least three days before the hearing.

~~The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]~~

~~The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.~~

~~In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the individual or his or her representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.~~

~~The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.~~

Presentation to the Board

A Level Three appeal shall be considered by the Board through written submission unless three or more members of the Board request that the appeal be heard by oral presentation. A request for oral presentation must be made by a Board member in writing to the Superintendent within three days from the date Board members are notified of the Level Three appeal and provided copies of:

1. The Level One Complaint;
2. The Level One Decision;
3. The Level Two Notice of Appeal;
4. The Level Two Decision; and
5. The Level Three Notice of Appeal.

Written Submission

When the Level Three appeal is to be considered on written submission, the Superintendent shall provide written notice to the individual of the process by which the written submission is to be made, the deadline for providing the submission, and applicable page limitations. Written submissions shall not exceed four pages in length. The District shall allow the individual 10 days to provide

	the submission unless compliance with statutory deadlines requires a shorter timeline.
	The administration shall be given an opportunity to submit a written response for the Board's consideration at Level Three. If the individual provides a written submission at Level Three, the administration shall be given 10 days to review the complainant's written response and submit the administration's written response unless compliance with statutory deadlines requires a shorter timeline.
	The Superintendent shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for consideration by the Board.
Oral Presentation	If three or more Board members request oral presentations for the Level Three appeal within the required time period, the Superintendent shall inform the individual of the date, time, and place of the Board meeting at which the complaint will be on the agenda for consideration by the Board.
	The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]
	The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the individual and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.
	In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the individual or the student's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.
Board's Response	After reviewing the written submission or listening to the oral presentations, as applicable, the Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Collectively, these policies establish the District's governance framework, standards of conduct, procurement and contractor requirements, curriculum oversight, instructional resource management, parental rights, and compliance procedures necessary to meet the requirements of SB 12 and applicable provisions of the Texas Education Code.

Employee Notification

Irving ISD has notified employees of SB 12 requirements and related District expectations through multiple editions of the District's weekly ITK newsletter, "Irving In The Know." These communications provide employees with information regarding applicable legal requirements, District policies, expectations for compliance, and available resources related to SB 12 implementation. Two copies of the ITK have been attached for reference.

Contractor and Vendor Notification

Irving ISD provides notification of SB 12 requirements to vendors and contractors through the District's vendor packet and procurement process. Vendors receiving services contracts or conducting business with the District are informed of applicable compliance obligations and expectations, including adherence to relevant state laws, Board policies, and District procedures.

Through these Board policies and communication practices, Irving ISD has established and communicated the policies and procedures necessary to support compliance with Texas Education Code §§11.005(c) and 28.0022(h) and the requirements of SB 12.

Section 3: Were any existing policies, programs, procedures, or trainings altered to ensure compliance with TEC, §§39.008,11.005, and 28.0022?

Section 3 Response

Yes. Irving Independent School District reviewed and revised existing Board policies, administrative procedures, employee expectations, contractor requirements, instructional practices, and compliance monitoring processes to ensure compliance with Texas Education Code §§ 39.008, 11.005, and 28.0022, as amended by Senate Bill 12. These revisions established districtwide requirements regarding prohibited diversity, equity, and inclusion (DEI) duties, instructional requirements and prohibitions, parental rights, instructional materials oversight, contractor accountability, employee conduct, and annual certification obligations.

As part of its compliance efforts, Irving ISD updated policies and procedures to:

- Establish superintendent responsibilities for annual certification of compliance with TEC §§ 39.008, 11.005, and 28.0022.
- Prohibit employees and contractors from engaging in or assigning prohibited DEI duties and establish disciplinary procedures for violations.
- Prohibit instructional activities and programming that are inconsistent with TEC § 28.0022, including restrictions related to prohibited concepts, political advocacy, and instruction concerning sexual orientation and gender identity.
- Require employee and contractor notification of applicable policies and procedures and provide due process protections for disciplinary actions.
- Strengthen instructional materials review, curriculum oversight, parental access, and protections against obscene or harmful content.
- Establish public notice, Board approval, and compliance reporting requirements associated with the annual SB 12 certification process.

Specifically, the District revised policies governing superintendent certification responsibilities (BJA), DEI prohibitions and employee/contractor accountability (BT and CJ), instructional materials review and management processes (CMD), public notice and certification transparency requirements (CQA), employee rights and instructional protections (DG), instructional requirements and prohibitions under TEC § 28.0022 (EMB), and student rights and classroom procedures that reference instructional requirements established by state law (FOA).

These policy revisions were incorporated into District procedures, employee guidance, contractor expectations, instructional materials review processes, administrative oversight protocols, and compliance monitoring activities to ensure ongoing compliance with TEC §§ 39.008, 11.005, and 28.0022. Accordingly, Irving ISD altered existing policies and associated procedures to implement and maintain compliance with the requirements of Senate Bill 12 and the annual certification requirements of the Texas Education Agency.

The policy and procedure adopted by the district must ensure that an employee or contractor receives adequate due process and an opportunity to appeal disciplinary actions, including termination, in the same manner provided for other disciplinary actions.

Notice

The district shall provide a physical and electronic copy of the policy and procedure to each district employee or contractor.

19 TAC 67.1001(a), (d)

Allotment Adjustment

Change in Enrollment

Not later than May 31 of each school year, a district may request that the commissioner adjust the number of students for which the district is entitled to receive an allotment on the grounds that the number of students attending school in the district will increase or decrease during the school year for which the allotment is provided. The commissioner may also adjust the number of students

for which a district is entitled to receive an allotment, without a request by the district, if the commissioner determines a different number of students is a more accurate reflection of students who will be attending school in the district. The commissioner's determination is final. *Education Code 31.0211(e)*

High Enrollment Growth

Each year the commissioner shall adjust the instructional materials and technology allotment of districts experiencing high enrollment growth. *Education Code 31.0214(a)*

Prohibited Expenditures

The commissioner shall pay the cost of instructional materials requisitioned by a district under Education Code 31.103 using funds from the district's instructional materials and technology account.

Money deposited in a district's instructional materials and technology account during each state fiscal biennium remains in the account and available for use by the district for the entire biennium. For Open Education Resource Instructional Materials

Subject to Education Code 31.0751 (Open Education Resource [OER] transition plan), a district is entitled to additional state aid for each school year in an amount not to exceed $20 for each student for the costs incurred or for which the district is obligated to pay during the school year in which the aid is provided for the printing and shipping of OER instructional material made available under Education Code Chapter 31, Subchapter B-1. *Education Code 48.308(a)*

Amount of Additional State Aid

The commissioner of education shall determine the amount of the additional state aid for OER instructional materials for a district based on PEIMS student enrollment data from the fall snapshot collection of the current school year.

Before PEIMS student enrollment data from the fall snapshot collection of the current school year is available, a district will have an expected allotment amount that is based on 90 percent of the PEIMS student enrollment data from the fall snapshot collection of the previous school year.

Funds may only be used for the costs incurred or for which a district is obligated to pay during the school year in which the aid is provided.

Requisitions

Requisitions for funding must be submitted in TEA's online requisition and disbursement system (EMAT) before August 31 of the fiscal year in which the aid is provided.

The entitlements for each year will be made available for district use through EMAT as early as possible in the fiscal year for which the funds have been appropriated.

Permissible Use of Additional State Aid

The additional state aid for OER instructional materials may be used to purchase:

1. OER instructional material placed on the list of approved materials outlined in Education Code 31.022, including any non-text components of the approved product, such as manipulative kits; and
2. OER instructional material components placed on the list of approved materials outlined in Education Code 31.022, only after an initial purchase of all components of the product.

The additional state aid for OER instructional materials may not be used to purchase or reimburse for:

1. Instructional material or material components not on the list of approved instructional materials;

2. Instructional material placed on the rejected list of instructional materials;

3. Instructional material that promotes three-cueing as defined in Education Code 28.0062(a-1); or

The commissioner may grant a waiver to exempt a district from an initial purchase of each component of an approved product if the district can demonstrate that it already possesses an identical or near-identical component for each student and/or teacher as indicated by the product design.

19 TAC 67.1004

Purchasing Method

A district is not required to use a method provided by Education Code 44.031(a) to purchase instructional materials that have been reviewed by TEA and included on the list of approved instructional materials maintained by the SBOE. *Education Code 31.102(d)*

Requisitions, Use, and Distribution

OER Instructional Materials

A district may adopt OER instructional material at any time. A district may only adopt or otherwise use an OER instructional material that is not included on the list of rejected instructional materials maintained by the SBOE.

Except as otherwise provided by the Education Code, the commissioner may not require a district to adopt or use an OER instructional material. A district may not be charged for a cost associated with the selection of an OER instructional material, except for the cost of printing copies of the material. *Education Code 31.073*

OER Transition Plan

To qualify for additional state aid under Education Code 48.308, the board must adopt an OER instructional material transition plan to assist classroom teachers in the district who will be using an OER instructional material in a specific subject or grade level for which the teacher has not previously used an OER instructional material.

The plan must ensure that OER instructional materials are used in a manner that maintains the instructional flexibility of a classroom teacher to address the needs of each student.

A district that participates in the program developed and maintained by TEA under Education Code 31.0752 is not required to adopt a transition plan under this provision. [See OER Instructional Material Support Program, below]

Education Code 31.0751

The OER instructional material transition plan shall be submitted in a format determined by the commissioner.

A district is required to have a locally maintained OER transition plan that complies with 19 Administrative Code 67.1315 to access funding allotted under Education Code 48.308.

    a. Instructional materials;

b. Internalization and student work analysis protocols; and

c. Curriculum-embedded assessments;

5. Processes for stakeholder communication and public posting, as outlined in Education Code 26.006, if materials have been modified by the district;

6. The maintenance of instructional flexibility through clear guidance for acceptable teacher modifications to instructional pacing, sequencing, and lesson content to address the needs of each student; and

7. Sufficient professional learning and development for school leaders, instructional coaches, and teachers, including:

a. Pre-service product onboarding and orientation; and

b. Ongoing, job-embedded, curriculum-based professional learning, including cycles of observation and feedback.

The commissioner may request and review OER instructional material transition plans before funding is released and reject a plan subsequent to review.

19 TAC 67.1315

OER Instructional Material Support Program

TEA shall develop and maintain a program to assist school districts in adopting and using OER instructional material, including by assisting districts to:

1. Maintain the instructional flexibility of classroom teachers to address the needs of each student; and

2. Schedule instructional periods in a manner that allows classroom teachers sufficient time to effectively prepare and present instructional material within the teacher's normal work day.

TEA shall engage in efforts to meet the demand from districts that request assistance for the 2024-25 or 2025-26 school year. Until September 1, 2027, a school district may apply assistance received to offset the payment of costs related to implementing OER instructional material, regardless of whether the district incurred the cost before receiving the assistance.

Education Code 31.0752

Requisition

A district that selects OER instructional material shall requisition a sufficient number of printed copies for use by students unable to access the instructional material electronically unless the district provides to each student:

1. Electronic access to the instructional material at no cost to the student; or

2. Printed copies of the portion of the instructional material that will be used in the course.

Education Code 31.103(d)

Parent Portal

An entity that hosts an instructional materials parent portal must comply with requests regarding parental access to the portal made by a district in compliance with Education Code 31.154 or Education Code 26.006 [see EFA]. *Education Code 31.154(e)*

[For more information regarding the requirements for certain entities that supply instructional materials to host a parent portal, see Education Code 31.154.]

Bilingual Instructional Materials

A district shall purchase with its allotment or otherwise acquire instructional materials for use in bilingual education classes. *Education Code 31.029*

Certification of Instructional Materials

Prior to the beginning of each school year, a district shall submit to the SBOE and commissioner certification that the district:

1. For each subject in the required curriculum under Education Code 28.002, other than physical education, and each grade level:

    a. Provides each student with instructional materials that cover all elements of the essential knowledge and skills adopted by the SBOE for that subject and grade level; and

    b. In the provision of instructional materials, the district protects students from obscene or harmful content as necessary for compliance with the Children's Internet Protection Act (Pub. L. No. 106-554) [see CQ], Education Code 28.0022 [see EMB], Penal Code 43.22, and any other law or regulation that protects students from obscene or harmful content [see EFA]; and

2. The district used money allocated to the district or school under the instructional materials and technology allotment only for purposes allowed under Education Code 31.0211.

To determine whether each student has instructional materials that cover all elements of the essential knowledge and skills, a district may consider:

1. Instructional materials adopted by the SBOE;

2. Instructional materials developed, purchased, or otherwise acquired by the district; and

3. OER instructional materials and other electronic instructional materials included in the repository under Education Code 31.0722.

Education Code 31.1011

Annual Report

Each district shall annually report to TEA information regarding the instructional materials used by the district during the previous school year, including the cost of each material. *Education Code 31.1012*

Ownership

Except as otherwise provided, a student must return all instructional materials to the teacher at the end of the school year or when the student withdraws from school. At the end of the school year for which OER instructional material that a district does not intend to use for another student is distributed, the printed copy of the OER instructional material becomes the property of the student to whom it is distributed.

This provision does not apply to an electronic copy of OER instructional material.

Education Code 31.104(c), (g)-(h)

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

These provisions do not apply to an electronic copy of OER instructional material.

Education Code 31.104(d), (e), (h) [See also EFA]

Acceptable Condition

Printed instructional materials are considered to be in acceptable condition if:

1. The cover, binding, pages, spine, and all integral components of the instructional materials are wholly intact and the instructional materials are fully usable by students; and
2. No component of the instructional materials is soiled, torn, or damaged (whether intentionally or by lack of appropriate care) to the extent that any portion of the content is too disfigured or obscured to be fully accessible to other students.

Electronic instructional materials are considered to be in acceptable condition if:

1. All components or applications that are a part of the electronic instructional materials are returned;
2. The electronic materials perform as they did when they were new;
3. The electronic instructional materials do not contain computer code (e.g., bug, virus, worm, or similar malicious software) that has been designed to self-replicate, damage, change, or otherwise hinder the performance of any computer's memory, file system, or software; and
4. The electronic instructional materials have not been installed with plug-ins, snap-ins, or add-ins without the prior approval of the district.

Technological equipment is considered to be in acceptable condition if:

1. The equipment is returned with the software and hardware in their original condition unless the district authorized changes; and
2. The physical condition of the equipment is fully usable as it was originally intended to be used.

Mandatory Removal by a Teacher

A teacher shall remove from class and send to the principal for placement in a disciplinary alternative education program (DAEP) or expulsion, as appropriate, a student who engages in conduct described in Education Code 37.006 (removal) or 37.007 (expulsion). [See FOC and FOD] *Education Code 37.002(d)*

Routine Referral

A teacher may send a student to the campus behavior coordinator's (CBC) office to maintain effective discipline in the classroom. The CBC shall respond by employing appropriate discipline management techniques, consistent with the Student Code of Conduct that can reasonably be expected to improve the student's behavior before returning the student to the classroom. If the student's behavior does not improve, the CBC shall employ alternative discipline management techniques, including any progressive interventions designated as the responsibility of the CBC in the Student Code of Conduct. *Education Code 37.002(a)* [See FO]

Discretionary Removal

A teacher may remove from class a student who:

1. Repeatedly interferes with the teacher's ability to communicate effectively with the students in the class or with the ability of the student's classmates to learn;
2. Demonstrates behavior that is unruly, disruptive, or abusive toward the teacher, another adult, or another student; or
3. Engages in conduct that constitutes bullying, as defined by Education Code 37.0832 [see FFI].

Education Code 37.002(b)

Subject to requirements related to teaching and discussing certain debated and controversial topics under Education Code 28.0022(a)(2) and (d) [see EMB], a teacher may remove a student from class based on a single incident of behavior described above. *Education Code 37.002(b-3)*

Reporting Classroom Removals

A student who is sent to the campus behavior coordinator's or other administrator's office under a routine referral or a discretionary removal, as described above, is not considered to have been removed from the classroom for the purposes of reporting data through the Public Education Information Management System (PEIMS) or other similar reports required by state or federal law. *Education Code 37.002(e)*

[See DNA for information about teacher evaluations and disciplinary referrals.]

A teacher, campus behavior coordinator, or other appropriate administrator shall notify a parent of a student of the removal of a student from class described above. *Education Code 37.002(b-2)*

Placement of Student

If a teacher removes a student from class under the provisions above, the principal may place the student in another appropriate classroom, in-school suspension, or DAEP [see FOC]. *Education Code 37.002(c)*

Conference by Third Day Required

Not later than the third class day after the day on which a student is removed from class by the teacher under the above provision or by the school principal or other appropriate administrator under the Student Code of Conduct, the campus behavior coordinator or other appropriate administrator shall schedule a conference among the campus behavior coordinator or other appropriate administrator, a parent or guardian of the student, the teacher removing the student from class, if any, and the student. At the conference, the student is entitled to written or oral notice of the reasons for the removal, an explanation of the basis for the removal, and an opportunity to respond to the reasons for the removal. The student may not be returned to the regular classroom pending the conference. Following the conference, and whether or not each requested person is in attendance after valid attempts to require the person's attendance, the campus behavior coordinator, after consideration of the mitigating factors (see below), shall order the placement of the student for a period consistent with the Student Code of Conduct. *Education Code 37.009(a)*

Appeals

A student may appeal the student's removal from class described above to:

1. The school's placement review committee [see Placement Review Committee, below]; or
2. The campus's threat assessment and safe and supportive school team, in accordance with a district policy providing for such an appeal to be made to the team.

Education Code 37.002(f)

If district policy allows a student to appeal to the board or the board's designee, a decision of the campus behavior coordinator or other appropriate administrator, other than an expulsion under Section 37.007, the decision of the board or the board's designee is final and may not be appealed. *Education Code 37.009(a)*

Placement Length

The period of the placement may not exceed one year unless, after a review, the district determines that the student is a threat to the safety of other students or to district employees. The student may

not be returned to the regular class pending the required conference. *Education Code 37.009(a)*

Mitigating Factors

The CBC must consider whether the student acted in self-defense, the intent or lack of intent at the time the student engaged in the conduct, the student's disciplinary history, and whether the student has a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct. *Education Code 37.009(a)*

[See Student Code of Conduct, item 4, at FO(LEGAL) for mitigating factors.]

Prohibitions on Activities

The terms of the removal may prohibit the student from attending or participating in school-sponsored or school-related activities. *Education Code 37.002(c)*

Note: A power granted to a campus principal under Education Code Chapter 37, Subchapter A may be exercised by the CBC.

Return to Class

The principal may not return the student to the class of the teacher who removed the student without the teacher's written consent, unless the placement review committee determines that such placement is the best or only alternative available and, not later than the third class day after the day on which the student was removed from class, a conference in which the teacher has been provided an opportunity to participate has been held. [See Conference by Third Day Required, above]

Return to Class Plan

The principal may not return the student to that teacher's class unless the teacher provides written consent for the student's return or a return to class plan has been prepared for that student. The principal may only designate an employee of the school whose primary duties do not include classroom instruction to create a return to class plan. A return to class plan must be created before or at the conference described by that subsection. A plan created before the conference must be discussed at the conference.

The commissioner of education shall adopt a model return to class plan for use by a district in creating a return to class plan for a student.

Education Code 37.002(c), (c-1), (c-2)

If the teacher removed the student from class because the student engaged in the elements of an offense listed in Education Code 37.007(a)(2)(A) or (a)(4) (assault, sexual assault, assault against a district employee or volunteer) against the teacher, the student

may not be returned to the teacher's class without the teacher's written consent. The teacher may not be coerced to consent.

Education Code 37.002(c), (d)

Placement Review Committee

Each school shall establish a three-member committee to determine the placement of a student when a teacher refuses the return of a student to the teacher's class. The committee shall make recommendations to the district regarding readmission of expelled students.

Composition

Committee members shall be appointed as follows:

1. Campus faculty shall choose two teachers to serve as members and one teacher to serve as an alternate member; and
2. The principal shall choose one member from the professional staff of a campus.

Students and educators shall ensure that, to the extent possible, discussions are conducted fairly and courteously.

Selection of Topics

A teacher selecting topics for discussion in the classroom shall be adequately informed about the issue and capable of providing instruction on the subject, free from personal bias. In addition, the teacher shall be certain that:

2. The issue is current and educationally significant.
3. The consideration of the issue does not interfere with required instruction.
4. Sufficient relevant information on all aspects of the issue is provided.

2. Encourage discussion based on rational analysis.
3. Create an atmosphere in which students learn to respect others' opinions and disagree courteously.
4. Ensure that multiple viewpoints about the issue are presented by introducing an unexpressed viewpoint when necessary.
5. Avoid any attempt to coerce or persuade students to adopt the teacher's point of view.

Student or Parent Concerns

A student or parent with concerns regarding instruction about controversial issues shall be directed to the complaint policy at FNG.

Exemption from Instruction

A parent or person standing in parental relation is entitled to remove the parent's child from a class or other school activity that conflicts with the parent's religious or moral beliefs if the parent presents or delivers to the teacher of the parent's child a written statement authorizing the removal of the child from the class or other school activity.

A parent or person standing in parental relation is not entitled to remove the parent's child from a class or other school activity to avoid a test or to prevent the child from taking a subject for an entire semester. This provision does not exempt a child from satisfying grade level or graduation requirements in a manner acceptable to the district and the Texas Education Agency (TEA).

Education Code 26.002, .010

See also *Mahmoud v. Taylor*, 145 S.Ct. 2332 (2025) (holding that the introduction of certain public school instruction, without parental notice and an opportunity to opt out, would likely burden parents' right to free exercise of religion).

Controversial Topics

Education Code 28.0022 does not create a private cause of action against a teacher, administrator, or other employee of a district. Education Code 28.0022 may not be construed as prohibiting a teacher employed by a district from directing a classroom activity that involves students communicating with an elected official so long as the district, school, or teacher does not influence the content of a student's communication. *Education Code 28.0022(e)-(g)*

This does not authorize a person to possess, transport, or store a handgun, a firearm, or ammunition in violation of Education Code 37.125, Penal Code 46.03, or other law. [See GKA]

Education Code 37.0815

A board shall prohibit the use of alcoholic beverages at school-related or school-sanctioned activities on or off school property. *Education Code 38.007(a)*

Federal Drug-Free Workplace Act

A district that receives a direct federal grant must agree to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the district's workplace and specifying the actions that will be taken against employees for violations of the prohibition;
2. Establishing a drug-free awareness program to inform employees about:
    a. The dangers of drug abuse in the workplace;
    b. The district's policy of maintaining a drug-free workplace;
    c. Available drug counseling, rehabilitation, and employee assistance programs; and

5. Notifying the granting agency within 10 days after receiving notice from an employee or otherwise receiving actual notice of a conviction;
6. Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by, any employee who is convicted, as required by 41 U.S.C. section 8104; and

Employee Free Speech

District employees do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate.

However, neither an employee nor anyone else has an absolute constitutional right to use all parts of a school building or its immediate environs for unlimited expressive purposes. When a public employee makes statements pursuant to his or her official duties, the employee is not speaking as a citizen for First Amendment purposes, and the Constitution does not insulate the communications from employer discipline.

Garcetti v. Ceballos, 547 U.S. 410 (2006); Tinker v. Des Moines Indep. Cmty. Sch. Dist., 393 U.S. 503 (1969) [See also GKD]

Whistleblower Protection

A board or its agents shall not suspend or terminate the employment of, or take other adverse personnel action against, an employee who in good faith reports a violation of law by a district or another public employee to an appropriate law enforcement authority.

A "report" is made to an "appropriate law enforcement authority" if the authority is a part of a state or local governmental entity or the federal government that the employee in good faith believes is authorized to:

1. Regulate under or enforce the law alleged to be violated in the report; or
2. Investigate or prosecute a violation of criminal law.

Gov't Code 554.002

A supervisor who suspends or terminates the employment of or takes an adverse personnel action against an employee for reporting a violation of law shall be subject to civil penalties. *Gov't Code 554.008*

Definitions

"Employee" means an employee or appointed officer who is paid to perform services for a district. It does not include independent contractors. *Gov't Code 554.001(4)*

"Law" means a state or federal statute, an ordinance of a local governmental entity, or a rule adopted under a statute or ordinance. *Gov't Code 554.001(1)*

A "good faith" belief that a violation of the law occurred means that:

1. The employee believed that the conduct reported was a violation of law; and

2. The employee's belief was reasonable in light of the employee's training and experience.

Wichita County v. Hart, 917 S.W.2d 779 (Tex. 1996)

A "good faith" belief that a law enforcement authority is an appropriate one means:

1. The employee believed the governmental entity was authorized to:

   a. Regulate under or enforce the law alleged to be violated in the report, or

   b. Investigate or prosecute a violation of criminal law; and

2. The employee's belief was reasonable in light of the employee's training and experience.

Tex. Dep't of Transp. v. Needham, 82 S.W.3d 314 (Tex. 2002)

Whistleblower Complaints

An employee who alleges a violation of whistleblower protection may sue a district for injunctive relief, actual damages, court costs, and attorney's fees, as well as other relief specified in Government Code 554.003. *Gov't Code 554.003*

Initiate Grievance

Before suing, an employee must initiate action under a district's grievance policy or other applicable policies concerning suspension or termination of employment or adverse personnel action.

The employee must invoke a district's grievance procedure not later than the 90th day after the date on which the alleged suspension, termination, or other adverse employment action occurred or was discovered by the employee through reasonable diligence.

Legal Action

If a board does not render a final decision before the 61st day after grievance procedures are initiated, the employee may elect to:

1. Exhaust a district's grievance procedures, in which case the employee must sue not later than the 30th day after the date those procedures are exhausted to obtain relief under Government Code Chapter 554; or

2. Terminate district grievance procedures and sue within the timelines established by Government Code 554.005 and 554.006.

Gov't Code 554.005, 554.006 [See DGBA regarding grievance procedures]

Burden of Proof	If the employee brings a lawsuit, the employee has the burden of proof unless the suspension, termination, or adverse personnel action occurred within 90 days after the employee reported a violation of law, in which case the suspension, termination, or adverse personnel action is presumed, subject to rebuttal, to be because the employee made the report.
Affirmative Defense	It is an affirmative defense to a whistleblower suit that the district would have taken the action against the employee that forms the basis of the suit based solely on information, observation, or evidence that is not related to the fact that the employee made a report protected under the whistleblower law. *Gov't Code 554.004*
Notice of Rights	A board shall inform its employees of their rights regarding whistleblower protection by posting a sign in a prominent location in the workplace. The design and content of the sign shall be as prescribed by the attorney general. *Gov't Code 554.009*

Right to Report a Crime

A district employee may report a crime witnessed at the school to any peace officer with authority to investigate the crime. A district may not adopt a policy requiring a school employee to refrain from reporting a crime witnessed at the school or to report a crime witnessed at the school only to certain persons or peace officers. *Education Code 37.148*

Protection for Reporting Child Abuse

A district may not suspend or terminate the employment of, discriminate against, or take other adverse employment action against a professional employee who in good faith:

    a. The person's supervisor,
    b. An administrator of the facility where the person is employed,
    c. A state regulatory agency, or
    d. A law enforcement agency; or
2. Initiates or cooperates with an investigation or proceeding by a governmental entity relating to an allegation of child abuse or neglect.

"Adverse employment action" means an action that affects an employee's compensation, promotion, transfer, work assignment, or performance evaluation, or any other employment action that would dissuade a reasonable employee from making or supporting a report of abuse or neglect under Family Code 261.101.

A person may sue for injunctive relief, damages, or both if the person is suspended or terminated from the person's employment; is discriminated against; or suffers any other adverse employment action.

A district employee who has a cause of action under the provisions at Whistleblower Protection, above, may not bring an action under Protection for Reporting Child Abuse.

Family Code 261.110(a)-(c), (l)

Protection from Disciplinary Proceedings

For purposes of the following provisions, "disciplinary proceeding" means discharge or suspension of a professional employee, or termination or nonrenewal of a professional employee's term contract. [See DGC regarding immunity] *Education Code 22.0512(b)*

Reporting Child Abuse or Maltreatment

A district employee may not be subject to any disciplinary proceeding resulting from an action taken in compliance with Education Code 38.0041 [prevention of child abuse and other maltreatment, see FFG]. *Education Code 38.0041(g)*

Use of Physical Force

A professional employee may not be subject to disciplinary proceedings for the employee's use of physical force against a student to the extent justified under Penal Code 9.62. This provision does not prohibit a district from enforcing a policy relating to corporal punishment or bringing a disciplinary proceeding against a professional employee of the district who violates the district policy relating to corporal punishment. *Education Code 22.0512(a); Tex. Atty. Gen. Op. GA-0202 (2004)*

Penal Code 9.62 provides that the use of force, other than deadly force, against a person is justified:

1. If the actor is entrusted with the care, supervision, or administration of the person for a special purpose; and
2. When and to the degree the actor reasonably believes the force is necessary to further the special purpose or to maintain discipline in a group.

Penal Code 9.62

Failure to Follow Scope, Sequence, and Instructional Materials

A district may not penalize a teacher who does not follow the pacing of recommended or designated instructional materials or the pacing of the recommended or designated scope and sequence for a subject in the required curriculum under Education Code 28.002(a) in a particular grade level based on the teacher's determination that the teacher's students need more or less time in a specific area to demonstrate proficiency in the essential knowledge and skills for that subject and grade level [see EHAA].

A district may take appropriate action with respect to a teacher for conduct described above based on documented evidence of a deficiency in classroom instruction obtained through observation or substantiated and documented third-party information.

Education Code 28.0027(b), (c)

A classroom teacher employed by a district may not be subject to disciplinary proceedings for an allegation that the teacher violated Education Code 28.0022, the Establishment Clause of the First Amendment of the United States Constitution, or a related state or federal law if:

1. The teacher used only instructional material included on the list of approved instructional material maintained by the State Board of Education under Education Code 31.022 and adopted by the district; and
2. The allegation does not dispute that the teacher delivered instruction from the instructional material with fidelity.

This immunity is in addition to, and may not be construed to interfere with, any other immunity provided by law.

Education Code 22.05125

Instructional Materials and Technological Equipment

A board may not require an employee who acts in good faith to pay for instructional materials or technological equipment that is damaged, stolen, misplaced, or not returned. An employee may not waive this provision by contract or any other means.

Exception

A district may enter into a written agreement with an employee whereby the employee assumes financial responsibility for electronic instructional material or technological equipment usage off school property or outside of a school-sponsored event in consideration for the ability of the employee to use the electronic instructional material or technological equipment for personal business.

The written agreement shall be separate from the employee's contract of employment, if applicable, and shall clearly inform the employee of the amount of the financial responsibility and advise the employee to consider obtaining appropriate insurance. An employee may not be required to enter into such an agreement as a condition of employment.

Education Code 31.104(e); 19 TAC 66.107(c)

Controversial Topics

For any course or subject, including an innovative course, for a grade level from kindergarten through grade 12, a teacher may not be compelled to discuss a widely debated and currently controver-

sial issue of public policy or social affairs. *Education Code 28.0022(a)*

Note: For instructional requirements and prohibitions, including requirements for student discussion, see EMB.

Jury Duty

A district may not discharge, threaten to discharge, intimidate, or coerce any permanent employee because the employee serves as a juror or grand juror, or for the employee's attendance or scheduled attendance in connection with the service, in any court in the United States. An employee who is discharged, threatened with discharge, intimidated, or coerced is entitled to return to the same employment that the employee held when summoned for jury or grand jury service if the employee, as soon as practical after release from jury or grand jury service, gives the employer actual notice that the employee intends to return. *Civ. Prac. & Rem. Code 122.001*

A district may not discharge, discipline, reduce the salary of, or otherwise penalize or discriminate against a school district employee because of the employee's compliance with a summons to appear as a juror. For each regularly scheduled workday on which a nonsalaried employee serves in any phase of jury service, a school district shall pay the employee the employee's normal daily compensation [see DEC]. *Education Code 22.006(a), (b)*

Voting

A person commits an offense if, with respect to another person over whom the person has authority in the scope of employment, the person knowingly refuses to permit the other person to be absent from work on election day or while early voting is in process for the purpose of attending the polls to vote, or subjects or threatens to subject the other person to a penalty for attending the polls on election day or while early voting is in progress to vote. Penalty means a loss of wages or another benefit of employment.

It is an exception to the application of this provision that the person's conduct occurs in connection with an election in which the polls are open on election day or while early voting is in progress for voting for two consecutive hours outside of the voter's working hours.

Election Code 276.004

Breaks for Nursing Mothers

A district shall provide a reasonable break time for an employee to express breast milk for the employee's nursing child for one year after the child's birth each time the employee has need to express the milk.

A district shall provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk.

A district shall not be required to compensate an employee receiving reasonable break time for any time spent during the workday for such purpose unless otherwise required by federal or state law or municipal ordinance.

Break time provided shall be considered hours worked if the employee is not completely relieved from duty during the entirety of the break.

A district that employs less than 50 employees is not subject to these requirements, if the requirements would impose an undue hardship by causing the district significant difficulty or expense when considered in relation to the size, financial resources, nature, or structure of the district.

This requirement does not preempt a state law or municipal ordinance that provides greater protections to employees.

29 U.S.C. 218d

Right to Express Breast Milk

A district employee is entitled to express breast milk at the employee's workplace. *Gov't Code 619.002*

The district shall develop a written policy on the expression of breast milk by employees under Government Code Chapter 619. The policy must state that the district shall support the practice of expressing breast milk and make reasonable accommodations for the needs of employees who express breast milk.

A district shall provide a reasonable amount of break time for an employee to express breast milk each time the employee has need to express the milk. The district shall provide a place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk.

A district may not suspend or terminate the employment of, or otherwise discriminate against, an employee because the employee has asserted the employee's rights under Government Code Chapter 619. Government Code Chapter 619 does not create a private or state cause of action against a district.

Gov't Code Ch. 619

Charitable Contributions

A board or a district employee may not directly or indirectly require or coerce any district employee to:

1. Make a contribution to a charitable organization or in response to a fund-raiser; or
2. Attend a meeting called for the purpose of soliciting charitable contributions.

A board or district employee may not directly or indirectly require or coerce any district employee to refrain from the same acts.

Education Code 22.011

Protection of Nurses

A district may not suspend, terminate, or otherwise discipline or discriminate against a nurse who refuses to engage in an act or omission relating to patient care that:

1. Would constitute grounds for reporting the nurse to the Board of Nurse Examiners under Occupations Code Chapter 301, Subchapter I;
2. Constitutes a minor incident, as defined at Occupations Code 301.419; or
3. Would violate Occupations Code Chapter 301 or a rule of the Board of Nurse Examiners, if the nurse notifies the district at the time of the refusal that this is the reason for refusing to engage in the act or omission.

Occupations Code 301.352(a)

Designated Time for Prayer

The board of trustees may adopt a policy requiring every campus of the district or school to provide students and employees with an opportunity to participate in a period of prayer and reading of the Bible or other religious text on each school day in accordance with this section. [See FNA]

Regardless of whether the board adopts a policy under Education Code 25.0823(a), this section does not prohibit a student or employee of the district or school from participating in prayer or reading the Bible or other religious text during a period of the school day that is not designated as a period of prayer and reading of the Bible or other religious text.

Education Code 25.0823(a),(g)

Right to Engage in Religious Speech or Prayer

The right of an employee of a school district or open-enrollment charter school to engage in religious speech or prayer while on duty may not be infringed on by the district or school or another state governmental entity, unless the infringement is necessary to further a compelling state interest; and narrowly tailored using the least restrictive means to achieve that compelling state interest. *Education Code 22.012*

Recommendations from Administration	Administrative recommendations for renewal or proposed nonrenewal of term contracts shall be submitted to the Superintendent. A recommendation for proposed nonrenewal shall be supported by any relevant documentation. The final decision on the administrative recommendation to the Board on each employee's contract rests with the Superintendent.
Superintendent's Recommendation	The Superintendent shall prepare lists of employees whose contracts are recommended for renewal or proposed nonrenewal by the Board. Supporting documentation, if any, and reasons for the recommendation shall be submitted for each employee recommended for proposed nonrenewal. The Board shall consider such information, as appropriate, in support of recommendations for proposed nonrenewal and shall then act on all recommendations. If the Board votes to propose nonrenewal for any employees, it shall also decide whether any requested hearing will be conducted by the Board or by an independent hearing examiner.
Notice of Proposed Nonrenewal	After the Board votes to propose nonrenewal, the Superintendent or designee shall deliver written notice of proposed nonrenewal in accordance with law. If the notice of proposed nonrenewal does not contain a statement of the reason or all the reasons for the proposed action, and the employee requests a hearing, the District shall give the employee notice of all reasons for the proposed nonrenewal at a reasonable time before the hearing. The Board has chosen to designate the type of hearing for proposed nonrenewals on a case-by-case basis. In the notice of proposed nonrenewal, the employee shall receive notice of whether the Board [see Request for Board Hearing, below] or an independent hearing examiner appointed by the commissioner of education [see Request for Appointment of Hearing Examiner, below] will conduct the hearing.
Request for Appointment of Hearing Examiner	If the notice of proposed nonrenewal states that the nonrenewal hearing will be conducted by an independent hearing examiner, the employee may request a hearing by filing a written request with the commissioner, and providing the Board a copy of the request, not later than the 15th day after the date the employee received the notice of proposed nonrenewal.
Hearing Procedures	The hearing shall be conducted by an independent hearing examiner in accordance with the process described at DFD.
Board Decision	Following the hearing, the Board shall take appropriate action in accordance with DFD.

Request for Board Hearing

If the notice of proposed nonrenewal states that the nonrenewal hearing will be conducted by the Board, the employee may request a hearing by providing written notice to the Board not later than the 15th day after the date the employee received the notice of proposed nonrenewal.

When a timely request for a hearing on a proposed nonrenewal is received by the presiding officer, the Board shall notify the employee whether the hearing will be conducted by the Board [see Hearing by the Board, below] or an attorney designated by the Board [see Hearing by an Attorney Designated by the Board, below].

In either case, the hearing shall be held not later than the 15th day after receipt of the request, unless the parties mutually agree to a delay. The employee shall be given notice of the hearing date as soon as it is set.

Hearing by the Board

Unless the employee requests that the hearing be open, the hearing shall be conducted in closed meeting with only the members of the Board, the employee, the Superintendent, their representatives, and such witnesses as may be called in attendance. Witnesses may be excluded from the hearing until called to present evidence. The employee and the administration may choose a representative. Notice, at least five days in advance of the hearing, shall be given by each party intending to be represented, including the name of the representative. Failure to give such notice may result in postponement of the hearing.

Hearing Procedures

The conduct of the hearing shall be under the presiding officer's control and shall generally follow the steps listed below:

1. After consultation with the parties, the presiding officer shall impose reasonable time limits for presentation of evidence and closing arguments.
2. The hearing shall begin with the administration's presentation, supported by such proof as it desires to offer.
3. The employee may cross-examine any witnesses for the administration.
4. The employee may then present such testimonial or documentary proof, as desired, to offer in rebuttal or general support of the contention that the contract be renewed.
5. The administration may cross-examine any witnesses for the employee and offer rebuttal to the testimony of the employee's witnesses.

6. Closing arguments may be made by each party.

A record of the hearing shall be made so that a certified transcript can be prepared, if required.

Board Decision

The Board may consider only evidence presented at the hearing. After all the evidence has been presented, if the Board determines that the reasons given in support of the recommendation to not renew the employee's contract are lawful, supported by the evidence, and not arbitrary or capricious, it shall so notify the employee by a written notice not later than the 15th day after the date on which the hearing is concluded. This notice shall also include the Board's decision on renewal, which decision shall be final.

Hearing by an Attorney Designated by the Board

The hearing must be private unless the employee requests in writing that the hearing be public, except that the attorney may close the hearing to maintain decorum. If the employee does not request a public hearing, only the attorney designated by the Board, the employee, the Superintendent, their representatives, and witnesses will be permitted to be in attendance, and witnesses may be excluded from the hearing until called to present evidence. The employee and the administration may choose a representative. Notice, at least five days in advance of the hearing, shall be given by each party intending to be represented, including the name of the representative. Failure to give such notice may result in postponement of the hearing.

The conduct of the hearing shall be under the control of the attorney designated by the Board and shall generally follow the steps listed at Hearing by the Board.

Not later than the 15th day after the completion of the hearing, the attorney shall provide to the Board a record of the hearing and his or her recommendation on renewal.

Board Review

The Board shall consider the record of the hearing and the attorney's recommendation at the first Board meeting for which notice can be posted, unless the parties agree in writing to a different date. The Board shall notify the employee of the meeting date as soon as it is set. At the meeting, the Board shall allow each party an equal amount of time to present oral arguments. The Board shall notify the employee in writing of the Board's decision on renewal not later than the 15th day after the date of the meeting.

No Hearing

If the employee fails to request a hearing, the Board shall take the appropriate action and notify the employee in writing of that action not later than the 30th day after the date the notice of proposed nonrenewal was sent.

Note: For a detailed treatment of termination and nonrenewal of educator contracts, see policies DFAA and DFAB (Probationary Contracts), and DFBA and DFBB (Term Contracts).

Withholding Information

An attempt by any district employee to encourage or coerce a child to withhold information from the child's parent is grounds for discharge or suspension under Education Code 21.104 (probationary contracts) and 21.211 (term contracts) or by the State Board for Educator Certification (SBEC), if applicable. *Education Code 26.008(b)*

Allotment Adjustment

Change in Enrollment

Not later than May 31 of each school year, a district may request that the commissioner adjust the number of students for which the district is entitled to receive an allotment on the grounds that the number of students attending school in the district will increase or decrease during the school year for which the allotment is provided. The commissioner may also adjust the number of students

for which a district is entitled to receive an allotment, without a request by the district, if the commissioner determines a different number of students is a more accurate reflection of students who will be attending school in the district. The commissioner's determination is final. *Education Code 31.0211(e)*

Each year the commissioner shall adjust the instructional materials and technology allotment of districts experiencing high enrollment growth. *Education Code 31.0214(a)*

For Open Education Resource Instructional Materials

Subject to Education Code 31.0751 (Open Education Resource [OER] transition plan), a district is entitled to additional state aid for each school year in an amount not to exceed $20 for each student for the costs incurred or for which the district is obligated to pay during the school year in which the aid is provided for the printing and shipping of OER instructional material made available under Education Code Chapter 31, Subchapter B-1. *Education Code 48.308(a)*

Amount of Additional State Aid

The commissioner of education shall determine the amount of the additional state aid for OER instructional materials for a district based on PEIMS student enrollment data from the fall snapshot collection of the current school year.

Before PEIMS student enrollment data from the fall snapshot collection of the current school year is available, a district will have an expected allotment amount that is based on 90 percent of the PEIMS student enrollment data from the fall snapshot collection of the previous school year.

Funds may only be used for the costs incurred or for which a district is obligated to pay during the school year in which the aid is provided.

Requisitions

Requisitions for funding must be submitted in TEA's online requisition and disbursement system (EMAT) before August 31 of the fiscal year in which the aid is provided.

The entitlements for each year will be made available for district use through EMAT as early as possible in the fiscal year for which the funds have been appropriated.

Permissible Use of Additional State Aid

The additional state aid for OER instructional materials may be used to purchase:

1. OER instructional material placed on the list of approved materials outlined in Education Code 31.022, including any non-text components of the approved product, such as manipulative kits; and
2. OER instructional material components placed on the list of approved materials outlined in Education Code 31.022, only after an initial purchase of all components of the product.

The additional state aid for OER instructional materials may not be used to purchase or reimburse for:

1. Instructional material or material components not on the list of approved instructional materials;

2. Instructional material placed on the rejected list of instructional materials;

3. Instructional material that promotes three-cueing as defined in Education Code 28.0062(a-1); or

19 TAC 67.1004

Purchasing Method

A district is not required to use a method provided by Education Code 44.031(a) to purchase instructional materials that have been reviewed by TEA and included on the list of approved instructional materials maintained by the SBOE. *Education Code 31.102(d)*

Except as otherwise provided by the Education Code, the commissioner may not require a district to adopt or use an OER instructional material. A district may not be charged for a cost associated with the selection of an OER instructional material, except for the cost of printing copies of the material. *Education Code 31.073*

OER Transition Plan

To qualify for additional state aid under Education Code 48.308, the board must adopt an OER instructional material transition plan to assist classroom teachers in the district who will be using an OER instructional material in a specific subject or grade level for which the teacher has not previously used an OER instructional material.

The plan must ensure that OER instructional materials are used in a manner that maintains the instructional flexibility of a classroom teacher to address the needs of each student.

A district that participates in the program developed and maintained by TEA under Education Code 31.0752 is not required to adopt a transition plan under this provision. [See OER Instructional Material Support Program, below]

Education Code 31.0751

The OER instructional material transition plan shall be submitted in a format determined by the commissioner.

A district is required to have a locally maintained OER transition plan that complies with 19 Administrative Code 67.1315 to access funding allotted under Education Code 48.308.

6. The maintenance of instructional flexibility through clear guidance for acceptable teacher modifications to instructional pacing, sequencing, and lesson content to address the needs of each student; and

7. Sufficient professional learning and development for school leaders, instructional coaches, and teachers, including:

a. Pre-service product onboarding and orientation; and

b. Ongoing, job-embedded, curriculum-based professional learning, including cycles of observation and feedback.

The commissioner may request and review OER instructional material transition plans before funding is released and reject a plan subsequent to review.

19 TAC 67.1315

OER Instructional Material Support Program

TEA shall develop and maintain a program to assist school districts in adopting and using OER instructional material, including by assisting districts to:

1. Maintain the instructional flexibility of classroom teachers to address the needs of each student; and

2. Schedule instructional periods in a manner that allows classroom teachers sufficient time to effectively prepare and present instructional material within the teacher's normal work day.

TEA shall engage in efforts to meet the demand from districts that request assistance for the 2024-25 or 2025-26 school year. Until September 1, 2027, a school district may apply assistance received to offset the payment of costs related to implementing OER instructional material, regardless of whether the district incurred the cost before receiving the assistance.

Education Code 31.0752

Requisition

A district that selects OER instructional material shall requisition a sufficient number of printed copies for use by students unable to access the instructional material electronically unless the district provides to each student:

1. Electronic access to the instructional material at no cost to the student; or

2. Printed copies of the portion of the instructional material that will be used in the course.

Education Code 31.103(d)

Parent Portal

An entity that hosts an instructional materials parent portal must comply with requests regarding parental access to the portal made by a district in compliance with Education Code 31.154 or Education Code 26.006 [see EFA]. *Education Code 31.154(e)*

[For more information regarding the requirements for certain entities that supply instructional materials to host a parent portal, see Education Code 31.154.]

Bilingual Instructional Materials

A district shall purchase with its allotment or otherwise acquire instructional materials for use in bilingual education classes. *Education Code 31.029*

Certification of Instructional Materials

Prior to the beginning of each school year, a district shall submit to the SBOE and commissioner certification that the district:

1. For each subject in the required curriculum under Education Code 28.002, other than physical education, and each grade level:

    a. Provides each student with instructional materials that cover all elements of the essential knowledge and skills adopted by the SBOE for that subject and grade level; and

    b. In the provision of instructional materials, the district protects students from obscene or harmful content as necessary for compliance with the Children's Internet Protection Act (Pub. L. No. 106-554) [see CQ], Education Code 28.0022 [see EMB], Penal Code 43.22, and any other law or regulation that protects students from obscene or harmful content [see EFA]; and

2. The district used money allocated to the district or school under the instructional materials and technology allotment only for purposes allowed under Education Code 31.0211.

To determine whether each student has instructional materials that cover all elements of the essential knowledge and skills, a district may consider:

1. Instructional materials adopted by the SBOE;

2. Instructional materials developed, purchased, or otherwise acquired by the district; and

3. OER instructional materials and other electronic instructional materials included in the repository under Education Code 31.0722.

Education Code 31.1011

Ownership

Except as otherwise provided, a student must return all instructional materials to the teacher at the end of the school year or when the student withdraws from school. At the end of the school year for which OER instructional material that a district does not intend to use for another student is distributed, the printed copy of the OER instructional material becomes the property of the student to whom it is distributed.

This provision does not apply to an electronic copy of OER instructional material.

Education Code 31.104(c), (g)-(h)

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

These provisions do not apply to an electronic copy of OER instructional material.

Education Code 31.104(d), (e), (h) [See also EFA]

1. The cover, binding, pages, spine, and all integral components of the instructional materials are wholly intact and the instructional materials are fully usable by students; and
2. No component of the instructional materials is soiled, torn, or damaged (whether intentionally or by lack of appropriate care) to the extent that any portion of the content is too disfigured or obscured to be fully accessible to other students.

Electronic instructional materials are considered to be in acceptable condition if:

1. All components or applications that are a part of the electronic instructional materials are returned;
2. The electronic materials perform as they did when they were new;
3. The electronic instructional materials do not contain computer code (e.g., bug, virus, worm, or similar malicious software) that has been designed to self-replicate, damage, change, or otherwise hinder the performance of any computer's memory, file system, or software; and
4. The electronic instructional materials have not been installed with plug-ins, snap-ins, or add-ins without the prior approval of the district.

Technological equipment is considered to be in acceptable condition if:

1. The equipment is returned with the software and hardware in their original condition unless the district authorized changes; and
2. The physical condition of the equipment is fully usable as it was originally intended to be used.

19 TAC 66.1310

Web Content Filter Transition to Lightspeed

As part of Irving ISD's ongoing commitment to strengthening cybersecurity and enhancing internet safety, the district has transitioned from ContentKeeper to Lightspeed as its web content filtering platform. The cybersecurity team is actively monitoring the system, refining configurations and addressing reported issues as the platform is optimized for the district.

During this transition, you may occasionally encounter websites that are incorrectly blocked or allowed. If you experience web filtering issues, please submit a TechIT ticket to techit@irvingisd.net so the team can investigate and make any necessary adjustments.

If you experience any of the following, please let us know:

- A website that should be accessible is being blocked.
- A website that should be blocked appears to be accessible.
- Unexpected internet browsing or filtering issues.
- Any other web access concerns.

To help the cybersecurity team resolve issues as quickly as possible, please submit a Help Desk ticket with:

- The website URL (if applicable)
- A brief description of the issue
- The date and time the issue occurred
- Your campus or department

An example of the new Lightspeed blocked page is attached so employees know what to expect if they attempt to access a restricted website.

Raptor Badge Alert Reminder

Employees are reminded that the Raptor Alert wearable panic button is active and plays an important role in campus safety and emergency response procedures.

To help maintain a safe environment across Irving ISD, staff are expected to:

- Keep their assigned Raptor pendant secured and in their possession during the school day and at any time while on campus
- Ensure the device is ready for use if needed
- Avoid sharing the pendant with others or leaving it unattended

Because activation can initiate an immediate lockdown response, employees should also help prevent accidental or unauthorized activation by properly securing their device at all times. Thank you for your continued partnership in supporting safety and security across Irving ISD.

TOPIC

Consider And Take Possible Action To Authorize The Administration To Market And Pursue The Sale Of District-Owned Real Property Located At 4200 Valley View Lane, Irving, Texas

PRESENTED BY

WESLEY NUTE

BACKGROUND

Irving Independent School District owns approximately 2.25 acres of unimproved real property located at 4200 Valley View Lane, Irving, Texas.

Administration has evaluated the property and determined that it is not currently needed for District educational, operational, or future facility purposes. Accordingly, administration recommends that the Board authorize the District to pursue the disposition of the property should a sale opportunity arise that is in the best interests of the District and its taxpayers.

According to the Dallas Central Appraisal District's certified records, the property has the following current values:

Land Value: $1,568,160
Improvement Value: $0
Certified Market Value: $1,568,160

No sales contract is being presented for Board approval at this time. Rather, administration seeks authority to market the property, solicit interest from potential purchasers, negotiate proposed terms of sale, and return to the Board with a recommended transaction for final approval.

ADMINISTRATIVE RECOMMENDATION

Administration recommends that the Board of Trustees determine that the property located at 4200 Valley View Lane, Irving, Texas, is not required for current District purposes and authorize administration to pursue the marketing, negotiation, and potential sale of the property, subject to final Board approval of any definitive purchase and sale agreement.

RECOMMENDED BOARD MOTION

I move that the Board of Trustees authorize the administration to pursue the marketing and potential sale of the District-owned real property located at 4200 Valley View Lane, Irving, Texas, legally described as TR 2, containing approximately 2.25 acres, and to negotiate proposed terms and conditions for a potential sale, with any final sale agreement to be presented to the Board for approval prior to execution.
