**BOARD OF TRUSTEES: ALEDO INDEPENDENT SCHOOL DISTRICT**  
**Resolution No: 08172020-1**  
**A RESOLUTION DELEGATING AUTHORITY TO THE SUPERINTENDENT TO ACT**  
**IN PLACE OF THE BOARD OF TRUSTEES DURING AN EMERGENCY OR**  
**DISASTER DUE TO COVID-19**

**WHEREAS**, the Aledo Independent School District Board of Trustees (Board) recognizes that officials in the State of Texas and the United States Government have declared a disaster and emergency regarding coronavirus/COVID-19 (hereafter “COVID-19”) and its potential spread;

**WHEREAS**, the territory included in the Aledo Independent School District is within the areas declared a disaster and an emergency area;

**WHEREAS**, on or about March 13, 2020, the President of the United States declared a national emergency and the Governor of the State of Texas declared a statewide disaster regarding COVID-19;

**WHEREAS**, on or about March 19, 2020, the Governor of Texas issued an Executive Order limiting gatherings to ten (10) or fewer individuals until April 3, 2020;

**WHEREAS**, the Board recognizes that COVID-19 is an unforeseen and unavoidable emergency of urgent public necessity, that the World Health Organization has declared COVID19 a pandemic, and that additional emergency declarations may follow in the coming days and weeks;

**WHEREAS**, the Board and Administration are following advice and directives from federal, state and local authorities in responding to the COVID-19 Virus;

**WHEREAS**, the Board has a substantial public interest in protecting the health and safety of its students, staff, and community and therefore desires to ensure that the school district and community are prepared to the fullest extent possible to protect the health and safety of students, staff, and community in light of COVID-19;

**WHEREAS**, the District was closed during the spring of 2020, due to the COVID-19 pandemic, and may determine a need exists to implement further suspension or modification of classes and/or District operations in response to the health needs of our families and our community;

**WHEREAS**, the District’s public purpose is served by promoting conscientious health choices, including individual quarantines as may be necessary when classes resume;

**WHEREAS**, the District’s public purpose is served by working with students, families, and staff to the extent possible to support continued learning during times of

school suspension and/or quarantine;

**WHEREAS**, only for the duration of the Declaration of Disaster and resulting Executive Orders of the Governor, the board of trustees determines that the delay posed by the methods provided for in Texas Education Code Section 44.031(a) would prevent or substantially impair the provision of classes or other essential school activities; **WHEREAS**, to the extent possible, the term of contracts awarded by methods other than those required by Section 44.031(h), due to the COVID-19 emergency, shall not extend longer than reasonably necessary to respond to the Declaration of Disaster and comply with Executive Orders of the Governor;

**WHEREAS**, any contract entered into by the district pursuant to this resolution will be presented to the board of trustees for ratification at a future board meeting;

**WHEREAS**, the Board believes the public purposes described above are fulfilled by efficiently and effectively making certain delegations, as described more fully herein, to the Superintendent to address this ever-changing emergency situation in the best interest of the health, safety, and well-being of its students, staff, community, and the citizenship at-large.

**WHEREAS**, the Board believes the public purposes described above are fulfilled by efficiently and effectively making certain delegations, as described more fully herein, to the Superintendent to address this ever-changing emergency situation in the best interest of the health, safety, and well-being of its students, staff, community, and the citizenship at-large, recognizing that at any time during this emergency, establishing a quorum may be difficult or impossible, and in such circumstances only, delegation of these authorities to the Superintendent would be the only way to make necessary decisions to continue District operations.

**IT IS THEREFORE RESOLVED THAT** the Board of Trustees finds a substantial public purpose exists in protecting the health and safety of its students, staff, and community and therefore in ensuring that the school district and community are prepared to the fullest extent possible to protect the health and safety of students, staff, and community in light of COVID-19.

In furtherance of these public purposes, the Board of Trustees makes the following delegations to the Superintendent and designee(s):

1. The authority to act in place of the Board under Policy DEC (Local) regarding employee leave and thus create guidelines and make decisions regarding absences,

leave time, leave days, and compensation of any employee who is quarantined as a result of COVID19 and/or who tests positive for COVID-19 and who presents appropriate medical documentation regarding themselves and/or an immediate family member, in compliance with Texas and federal law;

2. The authority to seek any necessary waivers from the Texas Education Agency without further action of the Board of Trustees regarding missed instructional days, low attendance, or any matters related to the emergency closures as part of this Resolution;

3. The authority to declare a catastrophe and take all actions as appropriate in accordance with Texas Government Code, Section 552.233, regarding temporary suspension of the Texas Public Information Act;

Such authority being necessary to prevent delays that will prevent or substantially impair the conduct of classes or other essential school functions and activities;

5. The authority to make contracts for goods and services needed to replace traditional classroom facilities and instructional equipment with alternative goods and services by methods other than those required by Section 44.031(a), including but not limited to the acquisition of resources necessary to implement remote operations and instruction in compliance with the Governor's Executive Orders; Such authority also extending to contracts for goods and services necessary to maintain the health and safety of facilities and equipment, including but not limited to, resources necessary for cleaning, disinfection, air quality measures, and testing.

6. The authority to make budgeted or unbudgeted purchases for goods or services, up to \$150,000, such authority being necessary to prevent delays that will prevent or substantially impair the conduct of classes or other essential school functions and activities due to COVID-19; after which the Superintendent will fully report to the Board of Trustees; and,

7. In the event other waivers or immediate actions are needed, the Superintendent is authorized to take other action and to submit/apply for other waivers in accordance with guidance and instructions from the national and state authorities and/or agencies.

8. The above authority is granted only after the Superintendent discusses the necessary authority with the Board President and a good faith effort has been made

to convene a quorum of the Board in a meeting that meets the requirements of the Texas Open Meetings Act, Texas Government Code Chapter 551, and the special exceptions thereto issued by the Texas Office of the Attorney General as related to the COVID-19 emergency declaration.

**INTERLOCAL AGREEMENT**

**STATE OF TEXAS**           §  
  §  
**COUNTY OF PARKER**       §

This Interlocal Agreement (“**Agreement**”) is made and entered into by and between the Town of Annetta, Texas (“**Town**”), and the Aledo Independent School District (“**Aledo ISD**”). Town and Aledo ISD may sometimes hereafter be referred to collectively as the “parties” and individually as a “party.”

**RECITALS:**

**WHEREAS**, Chapter 791 of the Texas Government Code authorizes local governments to contract with each other to provide a governmental function or service that each party to the contract is authorized to perform individually and in which the contracting parties are mutually interested; and

**WHEREAS**, the parties represent that each is independently authorized to perform the functions contemplated by this Agreement; and

**WHEREAS**, Town owns and operates a 2019 Kawasaki Mule Pro-FXT utility vehicle (“**UTV**”); and

**WHEREAS**, Aledo ISD currently has a need for the use of the UTV to assist in implementing the governmental function and services of police protection during 2020 Aledo ISD high school football games played at Bearcat Stadium, located at 1000 Bailey Ranch Rd, Aledo, TX 76008 (“**Property**”); and

**WHEREAS**, each party has sufficient funds available from current revenues to perform the functions contemplated by this Agreement; and

**WHEREAS**, both parties find it mutually desirable to enter into this Agreement, and that the performance of the Agreement is in the best interest of both parties and that the undertaking will benefit the public.

**NOW, THEREFORE**, in consideration of the mutual benefits and promises each to the other made herein, the parties named above do hereby agree as follows:

**Section 1. Operational Provisions.**

- a. The Town will permit Aledo ISD to use the UTV in accordance with the terms of this Agreement.
- b. The UTV may be used only for patrolling and crowd control during Aledo ISD home football games at the Property for the 2020 football season.
- c. The UTV may be driven only by full-time commissioned peace officers with the Aledo ISD Police Department.

- d. The UTV will be picked up by Police Chief Fred Collie on \_\_\_\_\_, and will be returned to the Town on \_\_\_\_\_.
- e. The UTV must be cleaned and serviced after the football season ends and before it is returned to the Town.
- f. The UTV must be returned in as good or better a condition as it was when it was received from Town.
- g. The UTV shall, throughout the term of this Agreement, be under the sole possession, direction, care, control and supervision of the Aledo ISD Police Department.
- h. The UTV shall be stored on the Aledo ISD Police Department premises under lock and key.

**Section 2. Term.** The term of this Agreement will commence when the UTV is received from Town and will end when the UTV is returned to Town.

**Section 3. Insurance.** Aledo ISD will furnish to Town, at its sole cost and expense, proof that it has secured and paid for a policy (or policies) providing general liability insurance covering all risks related to Aledo ISD's use of the UTV. The amounts of such insurance shall not be less than \$1,000,000 for property damage, personal injury or death, each occurrence, and \$1,000,000 aggregate. Town shall be named as an additional or co-insured under the above-described policies, and each such policy shall contain endorsements waiving subrogation rights against Town and providing that such policies may not be cancelled unless Town is provided with written notice of such intent to cancel at least thirty (30) days prior to any such cancellation. Each such insurance policy shall be procured from a company authorized to do business in the State of Texas and shall be satisfactory to Town. If Aledo ISD fails to provide the policies to Town, or fails to maintain coverage throughout the term of this Agreement, Town may terminate this Agreement upon written notice, and Aledo ISD must immediately return the UTV to Annetta. In addition to the foregoing, Aledo ISD will carry workers compensation insurance in accordance with law.

**Section 4. Indemnification.** As permitted by law, Aledo ISD shall indemnify, save harmless and defend the Town and its agents, servants and employees, and each of them against and hold it and them harmless from any and all lawsuits, claims, demands, liabilities, losses and expenses, including court costs and attorneys' fees, for or on account of any injury to any person, or any death or property damage which may rise or which may be alleged to have arisen out of or in connection with the use of the UTV by Aledo ISD. Nothing herein shall be construed as a waiver of either the Town's or Aledo ISD's governmental and sovereign immunity.

**Section 5. Liability.** Aledo ISD agrees that it will be responsible for any civil liability that arises from its use of the UTV.

**Section 6. Miscellaneous.**

- a. **Entire Agreement:** This Agreement expresses the entire agreement between the parties.

- b. Amendment: Any modification, amendment or addition to this Agreement shall not be binding upon the parties unless reduced to writing and signed by the persons authorized to make such agreements on behalf of the respective party.

AISD and City have reviewed this Agreement, and each make the following findings:

**WHEREAS**, on March 11, 2020, the World Health Organization declared COVID-19 a worldwide pandemic; and

**WHEREAS**, President Donald Trump, Governor Greg Abbott, and County Judge Pat Deen have issued Declarations of Disaster for the United States, the State of Texas, and Parker County, respectively; and

**NOW, THEREFORE**, for and in consideration of the mutual undertaking hereinafter set forth and for adequate consideration given, the AISD and the City agree to the following:

1. Grant and Funding to the AISD. Subject to the terms and conditions of this Agreement, the City agrees to grant and transfer to the AISD the sum of \_\_\_\_\_ (\$ \_\_\_\_\_) of the City’s CRF funding (“**AISD Funds**”).
2. Use of AISD Funds. The AISD may only use the AISD Funds for the following categories of eligible CRF expenditures between March 1, 2020 and 11:59 p.m. December 30, 2020:
  - a) Medical expenses;
  - b) Public health expenses; or

  - a) only use the AISD Funds in compliance with this Agreement;
  - b) reimburse and return to the City within thirty (30) days of notice by the City any portion of the AISD Funds that Parker County, the City, the U.S. Department of Treasury, or their designee, deems were not used for COVID-19 purposes, or were not expended pursuant to the terms of this Agreement by 11:59 pm on December 30, 2020; and
  - c) document that each expenditure from the AISD Funds was an eligible expenditure under this Agreement and the CARES ACT. All documentation and the final report of expenditures shall be delivered to the City no later than January 1, 2021.
  
4. Reports and Receipts. The AISD shall provide to the City, within thirty (30) days of receipt of the AISD Funds, a proposed budget for use of the funds. The AISD shall also provide expenditure reports and receipts of all expenditures of the AISD Funds to the City for every 30-day period until December 31, 2020.
  
5. Nature of Funding. AISD acknowledges that its use of the funds is subject to the same terms and conditions as the City's use of such funds. The AISD hereby agrees to comply with all terms and conditions of the CARES ACT funding, and, to the extent permitted by law, to hold the City harmless against any repayments, penalties, or interest incurred as a result of the AISD's failure to comply with all terms and conditions of the CARES ACT funding. Funds spent in non-compliance with the CARES ACT are subject to recapture by the City for return to the U.S. Treasury Department. It is the responsibility of the AISD to remain informed of and act in accordance with all updates or amendments to CARES ACT, Parker County, and U.S. Department of Treasury CRF Guidance.

Neither party intends to nor does it waive any immunity or defense that may be available to it against any claim whatsoever.

9. Entire Agreement. This Agreement supersedes and constitutes a merger of all prior oral and/or written agreements and understandings of the parties on the subject matter of this Agreement and is binding on the parties and their legal representatives, receivers, executors, successors, agents, and assigns.

10. Amendment. Any amendment of this Agreement must be by written instrument dated and signed by both parties.

11. Severability. No partial invalidity of this Agreement shall affect the remainder unless the public purpose to be served hereby is so greatly diminished thereby as to frustrate the object of this Agreement.

## ALEDO ISD BOARD MEETING TEMPLATE

**MEETING DATE:** November 16, 2020

**AGENDA ITEM:** District Instructional Focus

**PRESENTER:** Amber Crissey: Assistant Superintendent of Curriculum & Instruction

### BACKGROUND INFORMATION:

- The district instructional data dashboard provides the district with a systematic process for gathering multiple data points to track implementation levels of the district focus areas and to monitor student progress data throughout the school year.
- At the end of each nine-week grading cycle, the campus and district will monitor PLC actions through rating each Collaborative Team on an implementation continuum that corresponds to the three big ideas of a PLC which include:
  - *Learning as our Fundamental Purpose*
  - *Building a Collaborative Culture Through High-Performing Teams*
  - *A Focus on Results*
- AISD PLC implementation goals for the 2020-2021 school year are as follows:
  - **98%** of Collaborative Teams district-wide will rate at the “Developing” level in indicator #1 of *Learning as Our Fundamental Purpose* by June 2020.
  - **98%** of Collaborative Teams district-wide will rate at the “Developing” level in indicator #1 of *Building a Collaborative Culture Through High Performing Teams*.
  - **93%** of Collaborative Teams district-wide will rate at the “Developing” level in indicator #1 of *Focusing on Results Part 1*.
  - **95%** of Collaborative Teams district-wide will rate at the “Developing” level in indicator #1 of *Focusing on Results Part 2*.
- Data will be collected and analyzed at the end of each grading cycle and reported to the board of trustees to assess team and district level implementation of the three big ideas of a PLC.
- Ongoing reflection and goal setting around the three big ideas of a PLC drive the work of collaborative teams at each campus. The district will support the work of collaborative teams by building leadership capacity within the PLC process through providing ongoing professional learning opportunities.

- AISD selected approximately 80 staff members from all campuses in grades PK-12 to attend the Solution Tree PLC Institute.
- Due to COVID-19, the PLC at Work Institute was hosted virtually by Aledo ISD November 2nd through November 16th.
- McAnally Intermediate and Aledo Middle School principals and teachers will share some of their key learning from the PLC Institute with the Board of Trustees.
- In an effort to recognize and reinforce high-functioning collaborative teams, AISD will identify collaborative teams throughout the school year that are engaging in PLC actions on a consistent basis. Recognition of the collaborative teams will take place at a school board meeting.

Guidelines, protocols, and processes have been established in an effort to help teams use collaborative time to focus on topics that will have a positive impact on student achievement. Teams are working interdependently to achieve goals specifically related to higher levels of student achievement and are focusing their efforts on discovering better ways to achieve those goals.</p>	<p>The collaborative process is deeply ingrained in the team culture. Staff members view it as the engine that drives school improvement. Teams are self-directed and very skillful in advocacy and inquiry. They consistently focus on issues that are most significant in improving student achievement and set specific, measurable goals to monitor improvement. The collaborative team process serves as a powerful form of job-embedded professional development because members are willing and eager to learn from one another, identify common problems, engage in action research, make evidence of student learning transparent among members of the team, and make judgments about the effectiveness of different practices on the basis of that evidence. The team process directly impacts teacher practice in the classroom, helping each teacher clarify what to teach, how to assess, and how to improve instruction.</p>

<p><b>Collaborative teams of teachers regard ongoing analysis of evidence of student learning as a critical element in the teaching and learning process. Teachers are provided with frequent and timely information regarding the achievement of their students. They use that information to:</b></p> <ul style="list-style-type: none"> <li><b>*Respond to students who are experiencing difficulty</b></li> <li><b>*Enrich and extend the learning of students who are proficient</b></li> <li><b>*Inform and improve the individual and collective practice of members</b></li> <li><b>*Identify team professional development needs</b></li> <li><b>*Measure progress toward team goals</b></li> </ul> <p><b>District Goal 95% of all teams will be at Developing by June 2021.</b></p>	<p>The only process for monitoring student learning is the individual classroom teacher and annual state assessments. Assessment results are used primarily to report on student progress rather than to improve professional practice. Teachers fall into a predictable pattern: they teach, they test, they hope for the best, and then they move on to the next unit.</p>	<p>The district has created benchmark assessments that are administered several times throughout the year. There is often considerable lag time before teachers receive the results. Teachers struggle to see the value of the results. They regard the assessment as perhaps beneficial to the district but of little use to them. Principals are encouraged to review the results of state assessments with staff, but the fact that the results aren't available until months after the assessment and the lack of specificity mean they are of little use in helping teachers improve their practice.</p>	<p>Teams have been asked to create and administer common formative assessments and to analyze the results together. One or more teachers are reluctant to share individual teacher results and want the analysis to focus on the aggregate performance of the group. Some use the results to identify questions that caused students difficulty so they can eliminate the questions. Many teams are not yet using the analysis of results to inform or improve professional practice.</p>	<p>The school has created a specific process to bring teachers together multiple times throughout the year to analyze results from team-developed common assessments, district assessments, and state or provincial and national assessments. Teams use the results to identify areas of success, areas of concern, and to discuss strategies for improving the results.</p>	<p>Teachers are hungry for information on student learning. All throughout the year, each member of a collaborative team receives information that illustrates the success of their students in achieving an agreed-upon essential standard on team-developed common assessments. Teams ensure the validity of locally created assessments by comparing student success on standardized or norm-referenced assessments. Teachers use the results to identify the strengths and weaknesses in their individual practice, to learn from one another, to identify areas of curriculum proving problematic for students, to improve their collective capacity to help all students learn, and to identify students in need of intervention or enrichment. They also analyze results from district, state or provincial, and national assessments and use them to validate their team assessments.</p>

**Question:** Why is the United States and Canada region considered a multicultural region? Define multiculturalism. What makes the U.S. and Canada a multicultural region? Give one example and explain.

*The United States and Canada are considered a multicultural region for many reasons. Here's why. The US and Canada have many different people that have different cultures. An example would be how there is Mexican, Italian, Chinese, and American people that different people have from these cultures. There is also different kinds of music that people listen to like Spanish, Colombian, and even music from the islands. There is sea music, too. Multiculturalism is where there are different cultures in a place and that could be known as a melting pot. The US and Canada let all who wants to be here and that's the great thing about the US and Canada. (Go to Back)*

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** November 16, 2020

**AGENDA ITEM:** District Facility Naming Board Policy, CW (Local)

**PRESENTER:** Susan K Bohn, Superintendent

### **BACKGROUND INFORMATION:**

In November 2019, Aledo ISD voters approved the 2019 Bond Program, which includes 2 new campuses and the renovation of three existing campuses.

The Aledo ISD Board policy for Naming Facilities, CW (Local), states that the Board of Trustees may name a District facility or a portion of the facility based on one of four listed criteria.

At this time, the Board will discuss the Board policy and the process for naming the new and renovated campuses. It is expected that the Board will vote to name these campuses at an upcoming regular Board meeting.

1. To reflect the name of the residential community or communities the facility serves;
2. After a local geographic area or feature or after a local municipality;
3. In honor of a family, individual, or organization donating property to the District; or
4. To honor an outstanding individual.

The consideration of the naming of a facility shall be included on the agenda of a duly called Board meeting. The Board shall have the final decision on the naming of facilities.

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** November 16, 2020

**AGENDA ITEM:** New Attendance Zones Planning Process

**PRESENTER:** Susan K Bohn, Superintendent

### **BACKGROUND INFORMATION:**

In November 2019, Aledo ISD voters approved the 2019 Bond Program, which includes the construction of one new elementary school (Elementary School #6) and one new middle school (Middle School #2). Elementary School #6 will open in August 2021, and Middle School #2 will open in August 2022.

The addition of the two new schools necessitates that the District's current elementary school attendance zones be redrawn and that middle school attendance zones be drawn for the first time.

The Administration and Board will discuss the process for creating new attendance zones, which is expected to include a committee of community members that is charged by the Board to analyze district data regarding projected student growth and recommend new attendance zones to the Board for approval in the spring of 2021.

The Administration expects to seek approval from the Board of Trustees of the purpose and charge of the community committee at an upcoming Board meeting.

**AGENDA ITEM:** Consider Approval of Aledo ISD Legislative Priorities, 87th Legislative Session

**PRESENTER:** Legislative Subcommittee, Jessica Brown, David Lear, and Forrest Collins; Susan K Bohn, Superintendent

### **BACKGROUND INFORMATION:**

At the August 20th, 2018 regular Board meeting, the Board of Trustees created the Board Legislative Subcommittee. The committee provides reports about laws, policies, and activities by our state and federal lawmakers that may impact Aledo ISD. The committee has also worked to construct Aledo ISD's legislative priorities, and will lead the Board in identifying and participating in opportunities for Board members to advocate for the needs of AISD's students, staff, and community.

The 87th Texas Legislative session convenes in January 2021, and the Board Legislative Subcommittee has drafted Aledo ISD Legislative Priorities for the session. The Board and Administration will discuss the priorities and the plan of action for advocacy on behalf of the students, staff, and community of Aledo ISD during the session.

# ALEDO INDEPENDENT SCHOOL DISTRICT

## LEGISLATIVE PRIORITIES • 87TH TEXAS LEGISLATIVE SESSION

### PROTECT LOCAL CONTROL

#### We advocate that the state:

- Reduce restrictions on how traditional public schools are permitted to educate students;
- Provide to local school districts more flexibility needed due to COVID-19, rather than using the pandemic to insert the state government into local schools.

#### We oppose:

- Measures that erode the decision-making authority of local, elected school boards in the operation of local public schools;
- Measures that centralize state control of local public schools in the Texas Education Agency or Commissioner of Education;
- State takeover of local instructional decisions through implementation of a statewide and operated instructional system (i.e., FRED/Texas Home Learning);
- Further state regulations of how elected school board trustees shall conduct business and govern;
- State interference in local elections, including measures that further restrict election dates and require confusing ballot language;
- Any measure that censors local community voice by prohibiting locally elected officials to associate and collaborate to share the needs of a community's children, both directly and through representative organizations, with lawmakers.

### PROTECT PUBLIC SCHOOL FUNDING AND SUPPORT EDUCATORS

#### We advocate that the state:

- Protect funding levels for public schools established in House Bill 3;
- Provide to public schools 100% of COVID-19-related federal funds as a supplement for additional expenditures rather than as a supplant of state funding;
- Fund public school districts based on average daily enrollment with appropriate compulsory attendance requirements;
- Focus on eliminating, reducing, and/or delaying state and local expenditures for compliance and new programming that is either unreasonable or not feasible due to the impact of COVID-19;
- Restrict the granting of new and expansion of charters while state revenues are reduced;
- Protect funding for operational start up costs of new campuses to support opening of new public schools;
- Continue the Teacher Retirement System's defined benefit pension program.

### REQUIRE ACCOUNTABILITY AND TRANSPARENCY TO TEXANS FOR THE USE OF LOCAL AND STATE TAX DOLLARS

#### We advocate that the state:

- Be transparent about how the state uses the increase in local property values to fund state programs other than education;
- Invest state dollars equitably and only on public schools that are held to the same financial accountability and transparency rules as traditional public schools by reworking how new charters are granted and charters are permitted to expand (including clear financial management requirements), making traditional public school funding per student equal to that sent to charter schools, requiring that charter schools be governed by elected boards.

#### We oppose:

- The privatization of public schools.

# ALLOW LOCAL COMMUNITIES TO HOLD THEIR PUBLIC SCHOOLS ACCOUNTABLE

We advocate that the state permit school accountability systems to:

- Be crafted by the local community and constructed of measures of student success that reflect the local values and priorities of our community;
- Deemphasize performance on a multiple choice, standardized test that a child takes on one day, prohibiting such performance to serve as the primary indicator of success;
- Suspend the STAAR and the related state and local expenditures during emergencies and disasters, including the COVID-19 pandemic;
- Remove all A-F label ratings for at least 3-5 years.
