ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: June 19, 2023

AGENDA ITEM: Consider Approval of Teacher Data Portal Waiver

BACKGROUND INFORMATION:

- The assessment data portal of the Texas Assessment Management System became fully operational in October 2011 and complies with the requirements of Texas Education Code (TEC), §32.258, as enacted by House Bill 3, 81st Legislature. Districts that are interested in fulfilling the requirement of TEC, §32.258 to provide teacher access to student assessment data through a local student data system must apply for an expedited waiver from the Texas Education Agency (TEA).
- Since 2012, AISD has used Eduphoria AWARE as the local student data system where teachers have access to local and state assessment data for their students.
- This waiver may be requested for up to three years and, if approved, AISD would not be required to request this waiver again until the summer of 2026.

FISCAL INFORMATION:

There are no fiscal implications.

ATTACHMENTS:

None

ADMINISTRATIVE RECOMMENDATION:

Administration recommends approval for Aledo ISD to seek a TEA Teacher Data Portal Waiver for the 2023-2024, 2024-2025 and 2025-2026 school years.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: June 19, 2023

AGENDA ITEM: Consider Approval of TEAL District Designee

PRESENTER: Lynn McKinney, Deputy Superintendent

BACKGROUND INFORMATION:

- Lynn McKinney has served as the Superintendent's designee for approving TEAL accounts for district staff. Before approval, the accounts were routinely reviewed with District PEIMS Coordinator, Christine Cormier. With the retirement of Lynn McKinney, it is recommended that Ms. Cormier become the district TEAL approver.

FISCAL INFORMATION:

None

ATTACHMENTS:

None

ADMINISTRATIVE RECOMMENDATION:

Administration recommends approval of Christine Cormier as the Superintendent's district designee for TEAL account approval.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: June 19, 2023

AGENDA ITEM: Consider Approval of Board Policy FFA(LOCAL) Revision

- FFA(LOCAL) - Student Welfare, Wellness and Health Services

PRESENTER: Lynn McKinney, Deputy Superintendent

BACKGROUND INFORMATION:

- As part of the board policy review session held with TASB Policy Service it was discovered that a change had been made in the wording for FFA(LOCAL). At Development, Implementation, and Review of Guidelines and Goals, the policy had omitted “*the board*” from the statement regarding who shall be allowed to participate in the development, implementation, and review of the district’s nutrition guidelines and wellness goals.
- In reviewing the history of this local policy, it appears the language, “*the board,*” was omitted in a revision that occurred in September 2016, and it is unclear why the revision was made.
- The Administration recommends that the policy be revised to include “*the board.*”

FISCAL INFORMATION:

None

ATTACHMENTS:

FFA(LOCAL) – Student Welfare, Wellness and Health Services

ADMINISTRATIVE RECOMMENDATION:

Administration recommends approval of FFA(LOCAL) as presented with one reading.

PROPOSED REVISIONS: 6.1.2023

The District shall support the general wellness of all students by implementing measurable goals to promote sound nutrition and student health and to reduce childhood obesity.

MEETING DATE: June 19, 2023

AGENDA ITEM: Consider Approval of Purchase of Cheerleader Uniforms for Aledo High School

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- The annual uniform purchase for Aledo High School cheerleaders from Varsity Spirit Fashion will exceed the dollar threshold requiring Board of Trustee approval.
- When payments are ultimately made for these uniforms, it will be with an Aledo ISD check. However, the monies for these payments are derived from the parents of the students. The District serves as a “flow-thru” of these Student Activity Funds.
- To ensure best pricing and value, the TASB BuyBoard cooperative purchasing method was used to obtain the quote on the following pages from Varsity Spirit Fashion.

FISCAL INFORMATION:

The cost of \$58,631.00 will be paid from available funds in Student Activity Fund 865, which have been paid into the fund by the parents of each cheerleader.

FOCUS ON LEARNING

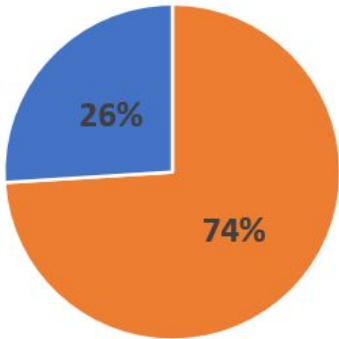

We acknowledge that the fundamental purpose of our school is to help all students achieve high levels of learning, and therefore, we work collaboratively to clarify what students must learn and how we will monitor each student's learning. We provide students with systematic interventions when they struggle and extension when they are proficient.

Indicator	Initiating	Implementing	Developing	Sustaining
We build shared knowledge regarding the TEKS, district documents, and trends in student achievement and work with our colleagues to clarify the criteria by which we will judge student work.	Teams are aware of the essential learning standards and some teachers use the district curriculum documents consistently.	Teams clarify the essential learning standards for each unit and most teacher lessons reflect the decisions made by the collaborative team.	Teams clarify the essential learning outcomes by building shared knowledge through deconstruction of the learning standards. All teachers work collaboratively as a team to study and backward design from summative assessments and agree on the specific success criteria students must achieve to be deemed proficient.	Teams possess a deep understanding of the TEKS and the success criteria that students must achieve to demonstrate mastery and use this information to drive instruction. Teams have a systematic process for backward design and are committed to providing students with instruction and support to achieve the intended outcomes, giving every student access to essential learning.
We monitor each student's mastery of all essential standards on a timely basis through a series of frequent, standards-based common formative assessments that are aligned with summative assessments students will be required to take.	Teams have yet to develop formative assessments to monitor student learning. Some teachers use data from assessments to drive instructional decisions.	Teams have begun to create common formative assessments to monitor student learning; however, data is used primarily to make individual decisions about instructional practices.	Teams build capacity by creating common formative assessments and using results from common formatives to develop more effective instructional strategies.	Teams determine the effectiveness of instructional strategies based on evidence of student learning rather than teacher preference or precedent. Common formative assessments are used on a regular basis to identify students who need additional time and support for learning as well as provide another opportunity to demonstrate mastery of learning.
We provide a system of interventions that guarantees each student will receive additional time and support for learning if he or she experiences initial difficulty. Students who are proficient have access to extended learning opportunities.	Opportunities for intervention and extension are left to individual teachers to carry out within their own classrooms. Some teachers attempt to systematically intervene on essential standards when students experience difficulty.	While most teachers see the benefit of systematically grouping students, intervening and extending based on data is not an on-going cycle where teams continually adjust based on most recent assessments.	Teams track each student's proficiency on essential standards and utilize results from common formatives in a timely manner for interventions and extensions.	The system for intervention and extension is proactive, fluid, and directive rather than invitational. Achievement of each student is monitored on a frequent basis, and all students are guaranteed access to this system of intervention.

FOCUS ON RESULTS

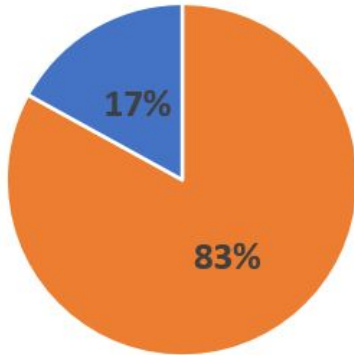

We assess our effectiveness on the basis of results rather than intentions. Individuals, teams, and schools seek relevant data and information and use it to promote continuous improvement.

Indicator	Initiating	Implementing	Developing	Sustaining
Collaborative teams work interdependently to achieve one or more SMART goals that impact student achievement. Each team has identified specific action steps members will take to achieve the goal and a process for monitoring progress toward the goal.	Teams have established annual SMART goals; however, goals do not drive the work of the collaborative team.	Teams have established annual SMART goals tied to student learning and work together to identify strategies for becoming more effective at achieving the goal.	Teams have established a series of short term goals and action steps to monitor their progress towards their SMART goal. The SMART goal drives the collaborative team process.	Teams take ownership of establishing short term and long term goals with action steps that guide the work of the collaborative team. Teams have a consistent process for monitoring their progress towards the attainment of the SMART goal. The recognition and celebration of efforts to achieve goals helps sustain the improvement process and keeps the focus on higher levels of student achievement.
Collaborative teams regard ongoing analysis of evidence of student learning as a critical element in the teaching and learning process. They use that information to: *Respond to students who are experiencing difficulty *Extend the learning of students who are proficient *Inform and improve the individual and collective practice of members *Identify team professional development needs *Measure progress toward team goals	Some teachers analyze and use assessment results of team created common formative assessments. Some teachers see the value of sharing individual data rather than only looking at the aggregate performance of the group.	Teams create and administer common formative assessments and analyze the results together. Most teachers see the value of sharing individual data rather than only looking at the aggregate performance of the group. Teams may not yet be using the analysis of results to inform or improve professional practice.	Teams collaborate to create common formatives, consistently analyze data, and group students based on results from recent assessment data. Teams have a system in place for tracking progress of interventions and extensions that is fluid and based on evidence of need. Students receive interventions and extensions on essential standards. Systems of intervention and extension focus on priority content areas identified at the campus and/or district level based on student data trends. Teams use the results to identify areas of success, areas of concern, and to discuss strategies for improving the results.	Data from team created common formative assessments is critical to the work of the team and consistently drives instructional decisions made by the team. Teachers use data to identify the strengths and weaknesses in their individual practice, improve their collective capacity to help all students learn, identify problematic areas in curriculum, and consistently provide targeted and systematic interventions and extensions.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: June 19, 2023

AGENDA ITEM: End-of-Year (EOY) Student Reading and Math Screener Data

PRESENTER: Candace Summerhill: Director of Assessment & Accountability

BACKGROUND INFORMATION:

- Universal screeners are given to all students in certain grade levels to determine reading and math proficiency levels. These results are used to determine if a student is on, above or below grade level in foundational skills. Students who are identified as significantly below grade level are further reviewed by the site-based committee for Tier 3 interventions based on multiple data sources.
- Aledo ISD measures academic progress in reading and math utilizing the following universal screeners:
 - Circle Progress Monitoring: Pre-K reading and math
 - mCLASS Texas: K-2 reading
 - Developmental Reading Assessment: K-2 reading
 - IXL Diagnostic: K-2 math
 - MAP Growth: 3-8 reading and math/Algebra I/English I & II
- Students in grades PK-2 take the universal screeners three times per year (beginning, middle, end of year) to measure students' proficiency levels in math and reading. MAP Growth is given to all students in grades 3-8/Algebra I/English I and II at the beginning and middle of the year and to targeted students at the end of the year.
- Assessment results provide teachers and students with data to facilitate meaningful progress.
- District-wide patterns and trends will be presented to the Board of Trustees comparing assessment results from the beginning of year to end of year in reading and math.

AGENDA ITEM: 2022-2023 General Fund Budget Update

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- As we discussed during the development of the 2022-2023 General Fund budget, the District refined projections for revenue and expenditure items this budget year as compared to the preceding 2021-2022 budget year. Two (2) of these projections were related to student enrollment and average daily attendance (ADA).
- As we are nine (9) months into the 2022-2023 budget cycle, this evening we will review some of these budget projections/assumptions as compared to actual-to-date numbers to get a “feel” for the current status and the potential impact on the 2022-2023 General Fund budget.

AGENDA ITEM: Purchase of Technology Annual License and Warranty Renewals

PRESENTER: Brooks Moore, Director of Technology and Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- The District has historically carried both hardware and software warranty agreements (SmartNet) with Cisco Systems in order to maintain a healthy network. Hardware included in these agreements are network switches, routers, wireless access points, servers, and voice over IP telephones. Software items include network security applications (Identity Service Engine and Umbrella), voice (Flex VoIP), collaboration applications (Webex), and server virtualization (VMware).
- The District also utilizes other software applications that require an annual licensing renewal. The cumulative total of these items exceeds \$50,000 to the preferred vendor, CDWG.
 - Microsoft – Aledo ISD uses Microsoft software throughout the District on both staff and student computers and in the datacenter on district servers.
 - GoGuardian Content Filter – All internet content is filtered through the District’s GoGuardian content filter.
 - KnowBe4 – All school districts are required to conduct annual cybersecurity awareness training. The District uses KnowBe4 to train staff for this yearly requirement.
 - SolarWinds – All critical network equipment is monitored by SolarWinds.
 - IncidentIQ – Aledo ISD uses this application to manage all technology support requests and for managing the student Chromebook deployment.
 - ConnectWise – Remote management software used to support teacher and staff computers.
- Quotes and exact cost numbers will be finalized prior to presentation of this item to you for consideration/action at the August board meeting.

FISCAL INFORMATION:

The total estimated cost of these items is \$320,000 and will be paid from budgeted funds in General Fund 199.

AGENDA ITEM: Extension of Bank Depository Contract

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- The Texas Education Code (TEC), Chapter 45, Subchapter G requires each school district to renew its bank depository contract every two years.
- In August 2021, the District selected First Financial Bank, N.A. (First Financial Bank) as our depository bank through the request for proposal (RFP) process.
- The initial contract period with First Financial Bank was for the two-year term of September 1, 2021 through August 31, 2023.
- Effective September 1, 2017, the TEC was changed to allow school districts the option of extending their depository contract a total of three (3) additional two-year extensions if mutually agreed.
- After discussions with First Financial Bank staff, we are recommending the extension of the District's current bank depository contract for the two-year term of September 1, 2023 through August 31, 2025.
- This item will be presented to the Board of Trustees for consideration/action at the August 2023 regular board meeting.

AGENDA ITEM: Consider Approval of Design for 2023 Bond - Lynn McKinney Elementary School Project

PRESENTER: Chris Campbell, Chief Facilities and Construction Officer

BACKGROUND INFORMATION:

- Lynn McKinney Elementary School is one of the construction projects included in the District's 2023 Bond Program approved by Aledo ISD voters on May 6, 2023.
- The approved Architect for the 2023 Bond Elementary School is PBK Architects. The prototype design and construction for Lynn McKinney Elementary School is based on the 2019 Bond Annetta Elementary School # 6.
- PBK and district staff from various departments and campuses have conducted research and gathered information regarding the requirements for this prototype facility, as well as walking Annetta Elementary School multiple times to determine how to optimize the best utilization of the building.
- The design presentation being shared with you this evening is the culmination of these activities to date.
- Lee Osborne, with PBK, will discuss the design presentation with you and answer any questions.
- Please keep in mind schematic design is the first phase in the design process. Since this is a prototype facility, we are moving straight to final design approval for the Aledo ISD Lynn McKinney Elementary School project.

FISCAL INFORMATION:

There is no fiscal impact with approval of this item. The financial impact will arise when the Board of Trustees ultimately approves a contract for the construction of this project.

AGENDA ITEM: Consider Approval of District Walk-Off Carpet and Early Childhood Academy Classroom Carpet Replacement

PRESENTER: Chris Campbell, Chief Facilities and Construction Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- Historically, removable walk off mats have been used by the district at exterior entrances. The mats have been used to prop open doors, causing a building security issue, resulting in their removal. Since their removal, inclement weather has caused a slipping hazard where these mats were removed. This initiative will permanently install walk off carpeting that will address the slipping hazard. This carpet cannot be used to prop open doors. This will address both issues.
- During the 2019 bond program, the southern portion of the Early Childhood Academy facility was renovated. The northern portion was not. The carpet in the northern classrooms is beyond its useful lifespan and needs to be replaced. This initiative will provide carpet for classrooms north of the cafeteria and the administrative area. This will finish the effort to install new floor covering in this building.
- During the 2015 bond program, the controlled entry project installed secure entry doors in the administrative areas for McCall Elementary, Stuard Elementary, Daniel Ninth Grade, Aledo High School, and Aledo Learning Center (ALC). The project also provided carpet for the administrative areas at most of these locations, with the exception of the Aledo Learning Center. This initiative will provide carpet for the remaining administrative area, principal and counseling offices, that were omitted by the 2015 controlled entry project.
- Pursuant to Texas Local Government Code, Section 271, Quotes for this scope of work were solicited through Sourcewell, a purchasing cooperative, of which Aledo ISD is a member.
- The Administration found that Flooring Partners provided the best value for this initiative. This work will be procured using their Sourcewell purchasing contract in the amount of \$132,840.00.

FISCAL INFORMATION:

The source of the funding will be 2015 Bond funds in the amount of \$132,840.00.

ATTACHMENTS:

Please see the attached quotes and floor plans indicating the areas that will receive new floor covering.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees approve Floor Partners to be hired as the Contractor to complete work for Aledo ISD district walk-off carpeting for multiple campuses, carpeting for Early Childhood Academy and Aledo Learning Center, in the amount \$132,840.00 as presented.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: June 19, 2023

AGENDA ITEM: Consider Approval of Early Childhood Academy Classroom Painting and Child Development Center Classroom Upgrades to meet Licensing and Use Requirements

PRESENTER: Chris Campbell, Chief Facilities and Construction Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- During the 2019 bond program, the southern portion of the Early Childhood Academy (ECA) facility was renovated. The northern portion was not.
- In addition to the recommendation to replace the carpet in the northern classrooms of ECA, the Administration recommends the district paint those same classrooms, the hallways and the cafeteria. This will complete the renovation effort for the student facing spaces in the northern section of the building.
- There are four classrooms in the southern section that were not programmed but were finished out and left unfurnished for future expansion. These spaces are needed at this time. This initiative will finish out and furnish these spaces for the licensing and use requirements of the Child Development Center.
- Pursuant to Texas Local Government Code, Section 271, quotes for this scope of work were solicited through Sourcewell, a purchasing cooperative, of which Aledo ISD is a member.
- The Administration found that Freedom Construction provided the best value for this initiative. This work will be procured using their Sourcewell purchasing contract in the amount of \$143,438.00.

FISCAL INFORMATION:

The source of the funding will be 2015 Bond funds in the amount of \$143,438.00.

ATTACHMENTS:

Please see the attached quotes and construction plans indicating the areas that will receive work.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees approve Freedom Construction to be hired as the Contractor to complete work for Aledo ISD Early Childhood Academy Classroom Painting and Child Development Classroom Upgrades to meet Licensing and Use Requirements, in the amount \$143,438.00 as presented.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: June 19, 2023

AGENDA ITEM: Consider Approval of IXL Learning Language Arts, Math & Real-Time Diagnostic Assessment

PRESENTER: Candace Summerhill, Director of Assessment and Accountability

BACKGROUND INFORMATION:

- Per Board Policy CH (Legal/Local), purchase of goods or services valued at \$50,000, or more, shall require Board approval before a transaction may take place.
- During the 2022-2023 school year, the district implemented, with board approval, the IXL Real-Time Diagnostic math screener in grades K-2 and IXL Learning math program in grades K-Algebra II.
- IXL data showed consistent usage across the majority of grade levels and there was significant growth when comparing the K-2 math screener data from the beginning of the year to the middle of the year.
- The district would like to renew the IXL Learning math program for use in K-Algebra II during the 2023-2024 school year. This purchase will include the diagnostic screener that will be used for our K-2 grade math screener.
- At the end of this school year, K-5 grade teachers were given an opportunity to utilize free IXL Language Arts licenses with their students and were asked to give feedback comparing IXL to Lexia, our current K-5 supplemental reading program. The majority of teachers reported that they prefer IXL over Lexia.
- Based on teacher feedback, the district would like to replace the K-5 Lexia Core5 reading program with the IXL Learning Language arts program. This change will save the district \$36,100.
- The IXL Learning program provides teachers with access to the entire online K-12 curriculum which will equip teachers with additional math and reading materials for differentiated instruction either in the classroom or through online skills practice.
- The cost associated with purchasing IXL Learning for the 2023-2024 school year is as follows:
 - IXL math and reading student licenses for grade K-5 (3800 licenses at \$15.50 each) \$58,900
 - IXL math student licenses for grades 6-8, Algebra I, Geometry and Algebra II (3200 licenses at \$10 each) \$32,000
 - Total \$90,900
- The Administration discussed this item with the Board at the Regular Board meeting on May 15, 2023.

FISCAL INFORMATION:

The purchase cost of \$90,900 will be paid from ²⁷⁸ ESSER funds.

ATTACHMENTS:

IXL Learning Quote

AGENDA ITEM: Consider Approval of Purchase of School Bus Order with 2023 Bond Funds

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000.00 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- As discussed with you during the May 15, 2023 board meeting, \$4,500,000.00 was included in the 2023 Bond Program for the purchase of school buses.
- Based on current replacement needs and potential additional bus routes due to continued student growth, we are proposing the following purchases:
 - Two (2) regular, 77-passenger buses (diesel)
 - Six (6) regular, 77-passenger buses (gas)
 - Three (3) special needs, 18-passenger buses with lifts (gas)
 - Three (3) special needs, 14-passenger buses without lifts (gas)
- To ensure the best pricing and value, the District utilized the TASB BuyBoard cooperative purchasing method to obtain the proposals on the following pages from Longhorn Bus Sales, LLC and Rush Truck Centers/Rush Bus Centers.
- The projected delivery date of the two (2) diesel buses is within 30 days, while the delivery date for the remaining buses is 120 days to 180 days after receipt of the order.

FISCAL INFORMATION:

The purchase cost of buses in the amount of \$1,836,864.00 will be paid with 2023 Bond Program funds.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: June 19, 2023

AGENDA ITEM: Consider Approval of Purchase of Police Officer Shields

PRESENTER: Kim Raymond, Assistant Superintendent of Student and Community Programs

BACKGROUND INFORMATION:

- On June 28, 2022, Governor Abbott authorized an executive order to allow state funds to be used for obtaining bullet-resistant shields compliant with the National Institute of Justice (NIJ). Aledo ISD submitted a grant in September 2022, to obtain 11 shields for the Aledo ISD police at a total cost of \$103,383.06. The district is requesting ballistic shields in an effort to better equip responding school district police officers in the event of an active shooter threat.
- The district was notified in March 2023 that the application for funding was awarded. This is a reimbursement grant so the administration is seeking approval of this purchase. Once the bullet-resistant shields have been purchased, the district will submit for reimbursement through the awarded grant. This purchase will not cost the district any additional funds outside of what was awarded through the grant.

FISCAL INFORMATION:

The total cost for shields is \$103,383.06 bought through the Bullet-Resistant Shield Grant Program.
