ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 19, 2024

AGENDA ITEM: Consider Approval Of Staff Development Minutes Waiver for 2024-2025 School Year

BACKGROUND INFORMATION:

- In past years, Aledo ISD has filed *Staff Development Waivers* with TEA to establish necessary professional learning days for staff in the instructional calendar.
- This waiver allows the district to train staff on various educational strategies designed to improve student performance in lieu of student instruction during the school year. The *Staff Development Minutes Waiver* provides for a maximum of 2,100 total waiver minutes that may not be used prior to the first day of student instruction or after the last day of student instruction.

FISCAL INFORMATION:

There are no fiscal implications as long as we ensure these staff development minutes in addition to student instructional minutes add up to at least 75,600 for the year.

ATTACHMENTS:

None

ADMINISTRATIVE RECOMMENDATION:

Administration recommends the approval for Aledo ISD to seek a TEA waiver that would allow the district to use up to 2,100 staff development minutes in lieu of student instruction for the 2024-2025 school year.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 19, 2024

AGENDA ITEM: Middle-of-Year (MOY) Screener Data Presentation

PRESENTER: Candace Summerhill: Director of Assessment & Accountability

BACKGROUND INFORMATION:

- Universal screeners are given to all students within the same grade level to determine reading and math proficiency levels. These results are used to determine if a student is on, above or below grade level in foundational skills. Students who are identified as significantly below grade level are further reviewed by the site-based committee for Tier 3 interventions based on multiple data sources.
- Aledo ISD measures academic progress in reading and math utilizing the following universal screeners:
 - Circle Progress Monitoring: Pre-K reading and math
 - mCLASS Texas: K-2 reading
 - IXL Diagnostic: K-2 math
 - MAP Growth: 3-8 reading and math/Algebra I/English I & II
- Students in grades PK-2 take the universal screeners three times per year (beginning, middle, end of year) to measure students' proficiency levels in math and reading. MAP Growth is given to all students in grades 3-8/Algebra I/English I and II at the beginning and middle of the year and to targeted students at the end of the year.
- Assessment results provide teachers and students with data to facilitate meaningful progress.
- District-wide patterns and trends will be presented to the Board of Trustees comparing assessment results from the beginning of year to middle of year in reading and math.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 19, 2024

AGENDA ITEM: Attendance Zone Committee (AZC) Presentation of Committee Proposed Elementary and Middle School Maps

PRESENTERS: Aaron Valencia & Lauren Edwards, 2024 AZC Co-Chairs; Members of the AZC

BACKGROUND INFORMATION:

In May 2023, Aledo ISD voters approved the 2023 Bond Program, which included the construction of one new elementary school (Elementary School #7 - now named Lynn McKinney Elementary) planned to open in August 2024.

The addition of Lynn McKinney Elementary necessitates that the District's current elementary school attendance zones be redrawn and that middle school attendance zones be reviewed and possibly adjusted as determined based on committee review.

The Administration and Board discussed the initiation of an Attendance Zone Committee (AZC) during the October 23, 2023, regular Board meeting. At the November 13, 2023 Regular Board meeting, the Board adopted the following purpose and charge for the 2024 AZC..

2024 Attendance Zone Committee Purpose

The purpose of the Attendance Zone Committee is to represent the Aledo ISD community in the study of data related to projected student enrollment growth, campus student capacity, safety, transportation, current and planned transportation infrastructure, and geographic location of planned development in the district, in recommending to the Board of Trustees new attendance zones for elementary and middle schools.

2024 Attendance Zone Committee Charge

The Attendance Zone Committee is charged by the Board of Trustees to:

- represent the priorities, expectations, and values of the entire community,
- consider the needs of all of the district's students,
- listen to and consider questions and feedback from all community members and the Board of Trustees,

- use facts and data to make informed decisions,
- recommend attendance zones that are projected to most efficiently use building capacity for the longest time period possible (given projected student growth), and
- recommend to the Board of Trustees an elementary attendance zone map (effective 2024-2025) and a middle school attendance zone map (effective 2024-2025) for approval by the Board and implementation by the Administration.

At the December 18, 2023 Regular Board meeting, the Board appointed the members of the AZC. The members of the AZC were chosen through trustee appointment, campus nomination, and citizen application. The committee was created with emphasis on the diversity of committee members demographically and geographically in an effort to represent the community at-large as well as possible. Members of the 2024 AZC are listed below.

Aaron Valencia, Co-Chair	Chris House	Jeffrey Johnson	Kristen Gallegos	Nicoletta Bean
Lauren Edwards, Co-Chair	Cody Hughes	Jeremy Stone	Lana Hoover	Paul Bruns
Amanda Pastusek	Cody Richardson	Jodi Outland	Lauren Geiss	Scott Turner
Elyse Hons	Colin Burns	John Turnage	Lauren Taylor	Sean Gasser
Ana Sherman	Elizabeth Palmer	Jonathan King	Lisa Robertson	Stephen Whiteland
Andrew McCulloch	Emily Roberts	Joshua Wyche	Lynn Morgan	Tammy Welsh
April Jones	Heath Haseloff	Justin Lauderdale	Marcy Castillo	Zach Kuhlman
Brad Ramos	Heather Macias	Kat Boyer	Mike Graham	
Brandi Lode	Jack Huxel	Kaylene Bridwell	Monique Vega	
Brent Gahagen	Jaqueline Robertson	Kimberly Maples	Natalie Stephens	

The Administration anticipates that the work of the committee, resulting in a recommendation to the Board of Trustees, will be completed in March of 2024. At this meeting, the AZC co-chairs present to the Board and the Aledo ISD community the AZC’s preliminary proposed elementary school and middle school attendance zones for August of 2024. The co-chairs will discuss with the Board any questions and feedback based on the Board’s review of the preliminary proposed maps.

After review by the Board of Trustees, the entire Aledo ISD community will have the opportunity to submit their feedback to the AZC regarding the preliminary proposed maps from February 20th to February 28th of 2024. After all feedback is received, the AZC will reconvene to review the Board and community input and determine final

elementary and middle school attendance zone maps to recommend for approval by the Board of Trustees.

The Administration anticipates that the AZC will recommend final maps for approval by the Board in March of 2024.

AGENDA ITEM: Purchase of Library/Media Center Materials for Lynn McKinney Elementary School

PRESENTER: Ingia Saxton, Assistant Superintendent Student & Community Programs

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- As you are aware, construction of Lynn McKinney Elementary School (LME) was included within the District's 2023 Bond Program. Included within these bond project costs were funds allocated for the purchase of materials and equipment to outfit this building to the same standard as the other elementary schools.
- For the past several weeks, the district's Library Media Services Coordinator, and the elementary school librarians have undertaken the process of determining the initial library book collection for LME.
- Bound To Stay Bound Books has provided this group a starting point book collection for the elementary school level.
- This starting point collection is being reviewed in detail and customized to reflect the book types, styles, etc. that are desired for Aledo ISD. Also being considered is the age appropriateness of titles to reflect the grade levels being served.
- In an effort to ensure timely delivery for this library/media center materials purchase, this item will be presented to the Board of Trustees for consideration/action at the March 2024 regular board meeting.

FISCAL INFORMATION:

The cost of this library/media center materials purchase will be paid from 2023 Bond Program funds allocated for Lynn McKinney Elementary School.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 19, 2024

AGENDA ITEM: 2024-2025 Budget Review

PRESENTER: Susan K. Bohn, Superintendent; Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

In 2023, the Texas Legislature failed to allocate additional funding to Texas public schools, including Aledo ISD, despite the available state budgetary surplus exceeding \$35 billion. Like public school districts across the state, Aledo ISD projects a significant budgetary shortfall due to inadequate state funding to support teacher pay raises, new safety and security requirements, and significant inflation of fixed operations costs such as property/casualty insurance, fuel, and electricity.

In the coming months, the District's administration and Board of Trustees will work together to identify budget savings, prioritizing students, staff, and the quality of instruction and the student experience in our schools. The administration and Board will communicate with students, staff, and the community throughout the budget process in an effort to provide clarity, answer questions, and support understanding of all stakeholders.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 19, 2024

AGENDA ITEM: Consider Approval of Aledo High School Roof Top Unit Replacements

PRESENTER: Chris Campbell, Chief Facilities and Construction Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- In the Spring of 2023 the District received a report finalizing a Facility Condition Assessment (FCA) for all facilities. One of the things the FCA document is used for is to identify and prioritize repairs and replacements needed throughout the District.
- One of the major items on the report is the condition of various Roof Top Units (RTUs) on our facilities. Regarding RTUs, the two highest priorities on the report were Aledo High School (AHS) and Early Childhood Academy (ECA).
- In summer of 2023 we incorporated 22 RTU replacements for ECA along with a partial roof replacement project. We also installed full Energy Management Controls on all units at that time.
- We have been working through an assessment of the 64 RTUs on AHS. We have found 56 need to be replaced. Of these we found 26 to have the highest priority for replacement.
- This does not account for the chilled water system that serves the classroom wings of the building.
- The administration brought this item for communication to the Board on January 16, 2024.
- The District has solicited bids for this work and found the best value through the TIPS Purchasing Cooperative with Texas Air Systems in the amount of \$1,240,982.00.

FISCAL INFORMATION:

Funds for this project will be paid from 2023 Bond Funds for Maintenance.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 19, 2024

AGENDA ITEM: Consider Approval of Purchase of Technology Items for Lynn McKinney Elementary School and District Student Chromebooks

PRESENTER: Brooks Moore, Executive Director of Technology and Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.
- As we discussed with the Board during the January 16, 2024 board meeting, with Lynn McKinney Elementary School opening in August 2024, the District needs to purchase several technology related items that are not included within the 2023 Bond Program construction contract with CORE Construction. These technology related items include Promethean boards, charging carts, and staff computers.
- In preparation for the 2024-2025 school year, additional student Chromebooks need to be purchased to accommodate projected student enrollment growth and provide for the replacement of student Chromebooks throughout the District that have met, or exceed, their typical lifespan.

FISCAL INFORMATION:

The total cost for these items is \$464,008.97 and will be paid from 2023 Bond Program funds allocated for Lynn McKinney Elementary School and 2015 bond funds allocated for technology purchases.

ATTACHMENTS:

Proposal/Quote for Consideration/Approval, Proposal from ProComputing, and Quote from Dell.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees approve the purchase of technology equipment for Lynn McKinney Elementary School and for student enrollment growth as presented.

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 19, 2024

AGENDA ITEM: District of Innovation (DOI) Plan Revisions and Renewal

PRESENTER: Ingia Saxton, Assistant Superintendent Student & Community Programs

BACKGROUND INFORMATION:

TEA DOI Renewal Guidelines:

The District of Innovation (DOI) concept, passed into state law by the 84th Texas Legislature, provides Texas public schools the opportunity to access operational flexibilities in an effort to improve the way that students are served, as determined by local needs.

The Aledo Independent School District believes that this level of local control would add flexibility and empower our district to think and act in innovative ways to meet our District's priorities. Through DOI opportunities, Aledo ISD can leverage the freedom and flexibility afforded as a District of Innovation to ensure all students are provided with a premiere education. The proposed DOI plan works in alignment with our district instructional goals to ensure a culture of excellence that supports teaching and learning.

The current AISD DOI plan was approved by the board in February 2019. TEA does require that approved DOI plans are renewed every 5 years. The current AISD DOI plan is due for renewal in February 2024.

During the renewal process, amendments to the adopted plan as well as new proposed flexibilities are allowed. These proposals and/or amendments must go through the district level committee for majority vote prior to being brought to the board for final approval. In addition, as required, the draft plan has been posted and available online on the Aledo ISD website for community feedback for the last 30 days.

AISD Current Renewal Steps:

- November 2023 - DWEIC meeting to introduce DOI Renewal steps and potential flexibilities/amendments
- December 2023 - DWEIC meeting to review proposed flexibilities; members sought feedback from campus/group
- January 10, 2024 - Public DWEIC meeting to review feedback gathered from members; finalize wording for voting

- January 12, 2024 - final vote of DWEIC members on DOI Renewal and Proposed Flexibilities/Amendments
- January 17, 2024 - proposed Aledo ISD DOI draft as presented to the board posted on the Aledo ISD website for public view for 30 calendar days.

Proposed DOI Renewal Changes and Flexibilities

- Teacher Certification (*Proposed changes to the current DOI language in red.*)

Exemption from: Tex. Educ. Code §§ 21.003, 21.053; 19 Tex. Admin. Code § 231

Related Board Policies: DBA (LEGAL), DBA (LOCAL), DK (LEGAL, DK (LOCAL), DK (Exhibit)

Manner in which statute inhibits the goals of the plan: State law and regulation require that all teachers be fully certified by the Texas Education Agency (TEA) / State Board for Educator Certification (SBEC), regardless of previous work experience and/or demonstrated knowledge and skills in their area of specialty. Although it is possible to seek an emergency certificate, certification is dependent upon TEA approving the request. The current statute limits the ability to hire teachers in highly specialized or hard-to-fill areas.

Local Guidelines and Innovations Strategies: Aledo ISD remains committed to hiring highly qualified professionals with appropriate certifications, and will continue to seek certified teachers to best serve its students. Through an exemption from existing Texas teacher certification requirements, Aledo ISD will be granted flexibility to hire non-certified professionals to teach in hard-to-fill and/or high demand positions, teachers certified in other states and countries, and professionals with experience in specialized industries in areas of needed expertise for courses. This exemption permits these professionals to meet standards designated by the State of Texas and permits the District to obtain the same weighted funding as would be available should the professional hold a traditional teaching certification for the course.

- Staff Development (New flexibility proposed.)

Exemption from Tex. Educ. Code § 21.451

Related Board Policies: DMA(LEGAL), DMA(LOCAL)

Manner in which statute inhibits the goals of the plan: Currently, the district is required to implement state-mandated professional development that may not be beneficial to our staff and/or student needs. This flexibility would provide intentional review of those requirements and adjustments to be made based on newly emerging data, staff experience, job responsibilities, and demonstration of mastery knowledge with pre-assessments.

Local Guidelines and Innovations Strategies: Aledo ISD seeks flexibility in establishing local guidelines to support the professional development of Aledo ISD educators to meet the unique needs of each student.

- Student Transfers–Children of Peace Officers

Exemption from: Texas. Educ. Code §25.0344

HB 1959, passed during the 88th Legislative Session, created certain district and campus transfer provisions specific to the children of peace officers. After a request by a “peace officer,” Texas Education Code §25.0344 states that a board of trustees or designee “shall transfer the student to another district campus or to another school district under an agreement under Section 25.035” of the Texas Education Code.

Related Board Policies: FDA (LEGAL), FDA (LOCAL); FDB (LEGAL), FDB (LOCAL)

Manner in which statute inhibits the goals of the plan: The ability for a school district, including Aledo ISD, to adequately prepare and plan for enrollment within the district is vital. As a fast-growth school district, Aledo ISD is faced with the challenge of properly staffing and resourcing its campuses to serve the students who reside in the district as the number of students who live in the district grows rapidly and throughout each school year.

The creation of campus attendance zones assists the District in planning for each school year, including the assignment of appropriate resources to individual campuses. Given the fast growth of the district, compliance with the requirement to transfer a peace officer’s child(ren) from one campus in the district to another campus in the district (intradistrict transfer) has the potential to overcrowd classrooms/schools, require the hiring of additional staff when class sizes increase beyond state required and board approved ratios, and even prompt the need for additional space on campus to serve students.

Note: The requirement in Texas Education Code Section 25.0344 that “a school district must transfer a student to another district under an agreement” pursuant to Section 25.035 is inapplicable in Aledo ISD due to the fact that Aledo ISD does not have such an agreement with any other school district. In fact, Board Policy FDA (LOCAL) expressly prohibits out-of-district (interdistrict) transfers into Aledo ISD.

Local Guidelines and Innovations Strategies: Board Policies FDA (LOCAL) and FDB (LOCAL) address processes and requirements for intradistrict and interdistrict transfers. Although the District seeks to exempt itself from the requirements of Section 25.0344, the District will continue to process student transfer requests in compliance with applicable Board Policy.

Aledo ISD DOI Plan Renewal

ADMINISTRATIVE RECOMMENDATION:

Aledo ISD Administration recommends the District of Innovation renewal and changes as proposed.

District of Innovation Overview:

The District of Innovation (DOI) concept, passed into state law by the 84th Texas Legislature, provides Texas public schools the opportunity to access operational flexibilities in an effort to improve the way that students are served, as determined by local needs.

The Aledo Independent School District believes that this level of local control adds flexibility and empowers our district to think and act in innovative ways to meet our District’s priorities. Through DOI opportunities, Aledo ISD can leverage the freedom and flexibility afforded as a District of Innovation to ensure all students are provided with a exceptional experiences. The current DOI plan works in alignment with our district instructional focus to ensure a culture of excellence that supports teaching and learning.

In February 2019, the Board of Trustees approved the current Aledo ISD Innovation Plan. Local innovation plans must be renewed every five years to maintain a District of Innovation Status. In Fall, 2023, Aledo ISD began the process to review and renew the District of Innovation Plan. Based on input from the Board, administration, and various stakeholders, the District-wide Effectiveness Improvement Committee (DWEIC) proposed this plan.

Aledo ISD’s Innovation Plan aligns to the District’s priority of ensuring all students demonstrate yearly progress at expected levels. The Innovation Plan is also aligned to our district instructional priorities which include:

1. What We Teach: Teaching to depth of the standards
2. How We Teach: District-wide instructional priorities to increase rigor, relevance, and engagement in the classroom.
3. Authentic Literacy: Ensuring that all students are proficient readers and writers
4. Culture of Excellence: Committing to continuous improvement district-wide

The term of the Plan is for five years, beginning February 19, 2024, and ending February 2029, unless terminated or amended earlier by the Board of Trustees in accordance with the law. DWEIC will continually monitor the effectiveness of the Plan and will review it annually. That committee will recommend to the Board of Trustees any suggested modifications, including addendums, to the plan.

Exemptions

Teacher and Principal Evaluations

Exemption from: Tex. Educ. Code §§ 21.352, 21.3541

Related Board Policies: DNA (LEGAL), DNA (LOCAL), DNB (LEGAL), DNB (LOCAL)

Manner in which statute inhibits the goals of the plan: Beginning with the 2016-2017 school year, the State issued a teacher appraisal system called the Texas Teacher Evaluation and Support System (T-TESS) and a principal appraisal system called the Texas Principal Evaluation and Support System (T-PESS). While these systems are designed to meet the needs of the entire state, Aledo ISD seeks to customize certain aspects of the system to better meet the unique needs of its teachers and administrators.

Local Guidelines and Innovations Strategies: Aledo ISD is seeking flexibility within the recommended Texas appraisal process for teachers and administrators evaluated using the Texas Teacher Evaluation and Support System (T-TESS) and the Texas Principal and Support System (T-PESS). Aledo ISD seeks to continue utilizing portions of the T-TESS and T-PESS models as the evaluation appraisal instrument, while desiring exemption from the Student Growth Measure. Data provided from district and campus local assessments will continue to be utilized to determine overall student growth and performance.

School Calendar

Exemption from: Tex. Educ. Code § 25.0811

Related Board Policies: EB (LEGAL), EB (LOCAL)

Manner in which statute inhibits the goals of the plan: The Texas Education Code requires that students may not begin school before the fourth Monday of August. For many years this was the rule. However, districts had the option of applying for a waiver to begin school earlier. The waiver process was eliminated several years ago, mandating that all schools begin school no earlier than the fourth Monday of August, with no exceptions. This requirement inhibits the District's flexibility to develop a calendar that best meets students', staff, and community needs.

Additionally, the school districts surrounding Aledo ISD begin school prior to the fourth Monday in August. As stipulated by state law regarding educator contracts, the first day of school impacts when educators may resign without penalty, impacting the District's hiring processes. Aledo ISD seeks this exemption in an effort to not disadvantage itself in the employment market as compared to surrounding districts.

Local Guidelines and Innovations Strategies: Research has found that a catalyst to accelerating student learning and improving teacher practice is allowing for structured time for educators to prepare, lesson plan, and engage in professional learning. A more flexible school calendar will allow for timely and meaningful staff development. Before the school year begins, teachers will have ample professional development and teacher preparation and planning time. In addition, the calendar will provide for additional designated time for professional development throughout the year.

When Aledo ISD has flexibility with respect to the instructional calendar start date, and is able to start school earlier, the District has access to more qualified educators because they will still be in the time frame in which they are permitted (under state law) to resign from any contract they may have with another school district.

Teacher Certification

Exemption from: Tex. Educ. Code §§ 21.003, 21.053

Related Board Policies: DBA (LEGAL), DBA (LOCAL), DK (LEGAL), DK (LOCAL), DK (Exhibit)

Manner in which statute inhibits the goals of the plan: State law and regulation require that all teachers be fully certified by the Texas Education Agency (TEA) / State Board for Educator Certification (SBEC), regardless of previous work experience and/or demonstrated knowledge and skills in their area of specialty. Although it is possible to seek an emergency certificate, certification is dependent upon TEA approving the request. The current statute limits the ability to hire teachers in highly specialized or hard-to-fill areas.

Local Guidelines and Innovations Strategies: Aledo ISD remains committed to hiring highly qualified professionals with appropriate certifications, and will continue to seek certified teachers to best serve its students. Through an exemption from existing Texas teacher certification requirements, Aledo ISD will be granted flexibility to hire non-certified professionals to teach in hard-to-fill and/or high demand positions, teachers certified in other states and countries, and professionals with experience in specialized industries in areas of needed expertise for courses. This exemption permits these professionals to meet standards designated by the State of Texas and permits the District to obtain the same weighted funding as would be available should the professional hold a traditional teaching certification for the course.

DRAFT

Behavior Coordinator

Exemption from: Tex. Educ. Code § 37.0012

Related Board Policies: FO (LEGAL), FO (LOCAL)

Manner in which statute inhibits the goals of the plan: State law requires the designation of a campus behavior coordinator on each campus. Districts are required to name one individual per campus to serve as behavior coordinator. Due to the number of students on any given campus, it is unrealistic for the role of Campus Behavior Coordinator to be assigned to one person.

Local Guidelines and Innovations Strategies: Aledo ISD is seeking a more collaborative approach to behavior management through the utilization of a coordinated team of professionals collaborating to address student behavior needs.

Student Transfers – Children of Peace Officers

Exemption from: Texas Education Code (TEC 25.0344)

HB 1959, passed during the 88th Legislative Session, created certain district and campus transfer provisions specific to the children of peace officers. After a request by a “peace officer,” Texas Education Code §25.0344 states that a board of trustees or designee “shall transfer the student to another district campus or to another school district under an agreement under Section 25.035” of the Texas Education Code.

Related Board Policies: FDA (LEGAL) FDA(LOCAL); FDB (LEGAL) FDB (LOCAL)

Manner in which statute inhibits the goals of the plan: The ability for a school district, including Aledo ISD, to adequately prepare and plan for enrollment within the district is vital. As a fast-growth school district, Aledo ISD is faced with the challenge of properly staffing and resourcing its campuses to serve the students who reside in the district as the number of students who live in the district grows rapidly and throughout each school year.

The creation of campus attendance zones assists the District in planning for each school year, including the assignment of appropriate resources to individual campuses. Note: The requirement in Texas Education Code Section 25.0344 that a school district shall transfer a student to another district under an agreement under Section 25.035 is inapplicable in Aledo ISD due to the fact that Aledo ISD does not have such an agreement with any other school district. In fact, Board Policy FDA (LOCAL) expressly

prohibits out-of-district (interdistrict) transfers into Aledo ISD.

Local Guidelines and Innovations Strategies:

Board Policies FDA (LOCAL) and FDB (LOCAL) address processes and requirements for intradistrict and interdistrict transfers. Although the District seeks to exempt itself from the requirements of Section 25.0344, the District will continue to process student transfer requests in compliance with applicable Board Policy.

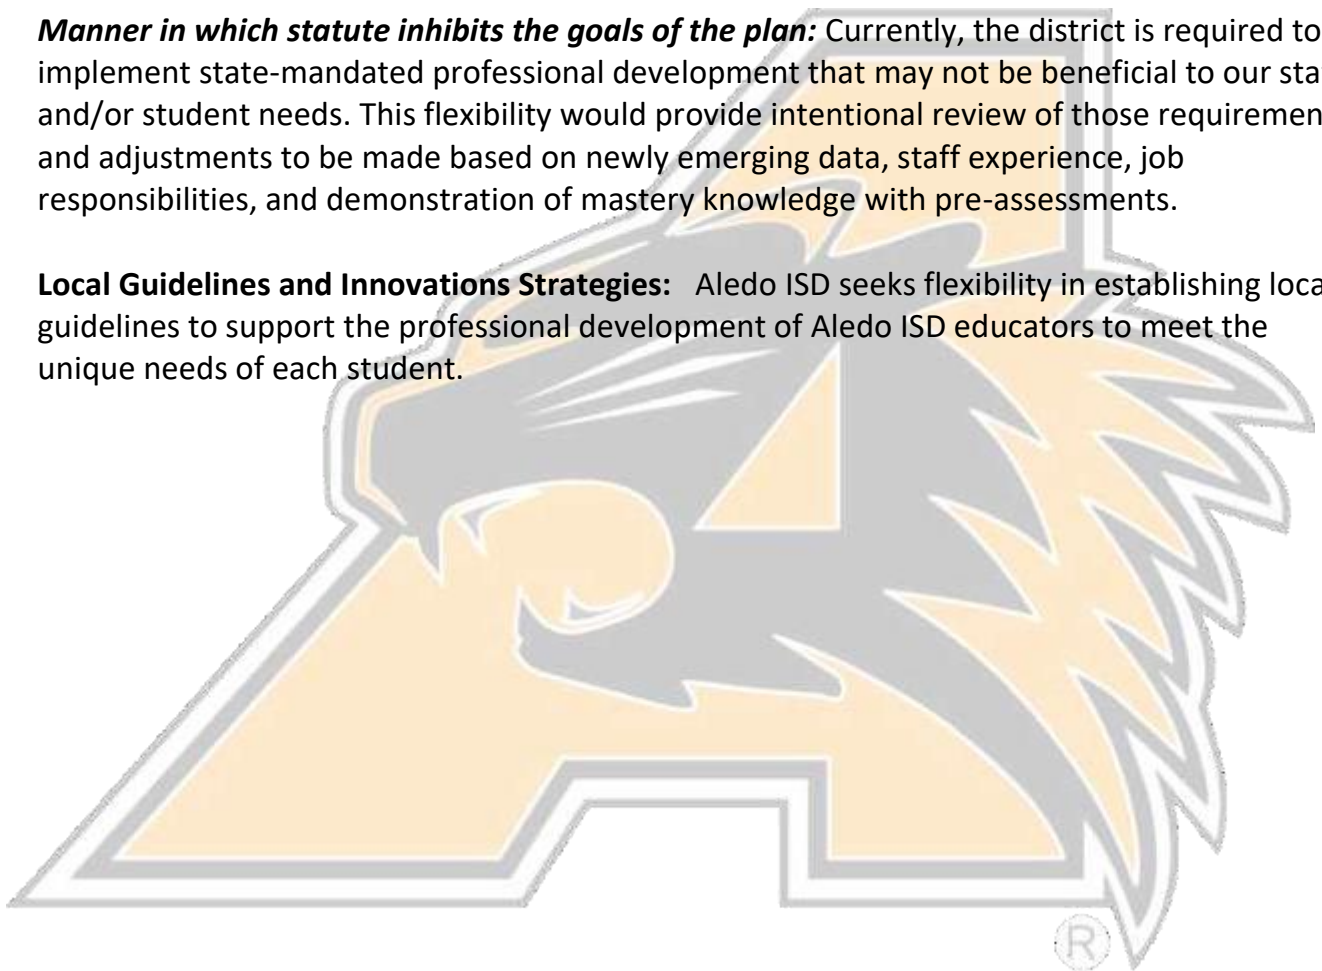

Staff Development

Exemption from Tex. Educ. Code § 21.451

Related Board Policies: DMA(LEGAL), DMA(LOCAL)

Manner in which statute inhibits the goals of the plan: Currently, the district is required to implement state-mandated professional development that may not be beneficial to our staff and/or student needs. This flexibility would provide intentional review of those requirements and adjustments to be made based on newly emerging data, staff experience, job responsibilities, and demonstration of mastery knowledge with pre-assessments.

Local Guidelines and Innovations Strategies: Aledo ISD seeks flexibility in establishing local guidelines to support the professional development of Aledo ISD educators to meet the unique needs of each student.
