2024 Summer Leadership Institute

San Antonio
June 12-15

Greetings!

Welcome to the annual Summer Leadership Institute (SLI), TASB's flagship training conference. SLI is designed to offer new and experienced school trustees a place to create their own learning journey and to ask bold questions.

Our members have a choice to attend the SLI option that best fits their schedule and location preference — in San Antonio or Fort Worth. At the heart of SLI is an opportunity for trustees to make connections with one another. It's a community where members gather to work together in our shared quest to improve Texas school districts and provide students with an exceptional public education. It is the culture of SLI to support each other and provide examples of what has worked and what hasn't worked.

We are happy to have you spend a few days with us. Enjoy your weekend of learning!
