Memorandum of Understanding

To: Police Chief Marco Vargas, Horizon City Police Department
From: Fire Marshal Michael Franco, El Paso County ESD#1
Thru: Fire Chief Kris Menendez, El Paso County ESD#1
Subject: MOU for Evidence Collection and Storage Related to Fires within the Town of Horizon City, TX
Date: March 26, 2026

WHEREAS, the Horizon City Police Department (HCPD) and the El Paso County Emergency Services District #1 (ESD #1) both recognize and respect the value, integrity, and sanctity of human life and are committed to upholding the United States Constitution, the laws of the State of Texas, and the ordinances of the Town of Horizon City, and the fire code as adopted by ESD#1:

NOW, THEREFORE, HCPD and ESD #1 enter into this Memorandum of Understanding ("MOU") pursuant to the Texas Interlocal Cooperation Act, TEX. LOC. GOV'T CODE ch. 791, which authorizes local governmental entities to contract with one another for the performance of governmental functions. This MOU serves to establish the collaborative efforts between HCPD and ESD#1 in order to collect and maintain evidence and photographs related to fire scenes within the Town of Horizon City.

ESD#1 has Fire/Arson Investigators who are trained in photographing and collecting fire debris at scenes. HCPD employs Crime Scene Investigators who have specialized training and experience in photographing, collecting, and maintaining evidence at crime scenes.

Command at Investigation Scenes

- When at the scene of a fire where an ESD#1 Fire/Arson Investigator is dispatched, the ESD#1 Incident Commander will turn the scene over to ESD#1 Fire/Arson Investigators once said investigators have arrived on scene.
- Upon arrival of the HCPD Crime Scene Investigators, the Crime Scene Investigators will take possession of the scene until they relinquish back to the ESD#1 Fire/Arson Investigators.

Roles & Responsibilities

- As ESD#1 Fire/Arson Investigators are specialized in the recognition of fire debris with evidentiary value, ESD#1 Fire/Arson Investigators will serve as the leads for identifying fire debris and possible ignitable liquids that need collection.
- Evidence obtained from fire scenes will only be collected if it is suspected that the cause of the fire was incendiary in nature.
- HCPD Crime Scene Investigators will assist with photographing and collecting evidence in instances where the ESD#1 Fire/Arson Investigator believes that their assistance is required.
- ESD#1 Fire/Arson Investigators will provide the needed collection supplies for fire debris and will make those supplies available to the HCPD Crime Scene Investigators.
- As HCPD Crime Scene Investigators are specialized and experienced in the collection of evidence at crime scenes, HCPD Crime Scene Investigators will be responsible for collecting and securing any firearms, controlled substances, jewelry, or currency.

Evidence Room

- HCPD will provide the services of the evidence room and Crime Scene Investigators for collection and storage of evidence related to fire scenes.
- As ESD#1 Fire/Arson Investigators have a vested interest in the collection and storage of fire related evidence, ESD#1 will provide a flammable storage cabinet to be placed in the HCPD evidence room.
- As ESD#1 Fire/Arson Investigators have a vested interest in the collection and storage of evidence that may contain ignitable liquids, ESD#1 may provide a refrigerator for storage of said evidence, if needed.
- The HCPD Evidence Custodian will be responsible for the evidence stored within the flammable storage cabinet and the refrigerator (if applicable).
- When HCPD conducts inventories and audits of the evidence room, the flammable storage cabinet and the refrigerator (if applicable) will be included in said checks.

- ESD#1 Fire/Arson Investigators will request HCPD Crime Scene Investigators to assist in collection of evidence, and ESD #1 Fire/Arson Investigators will ensure that the evidence is transferred to either the evidence storage at ESD#1 or the evidence storage at HCPD, as applicable.
- Any other crimes that occurred at a scene concurrent with a fire will still be investigated by HCPD, and the ESD#1 Fire/Arson Investigators will work jointly with HCPD and will focus on the fire related offenses.
- ESD#1 Fire/Arson Investigators will request NCIC/TCIC information through HCPD, as applicable.

Memorandum of Understanding

To: Police Chief Marco Vargas, Horizon City Police Department
From: Fire Marshal Michael Franco, El Paso County ESD #1
Thru: Fire Chief Kris Menendez, El Paso County ESD #1
Subject: ESD #1 Peace Officers Accompanying HCPD Detectives on Investigations
Date: April 23, 2026

WHEREAS, the Horizon City Police Department (HCPD) and the El Paso County Emergency Services District #1 (ESD #1) both recognize and respect the value, integrity, and sanctity of human life and are committed to upholding the United States Constitution, the laws of the State of Texas, and the ordinances of the Town of Horizon City,: and

WHEREAS, HCPD and ESD #1 desire to establish a cooperative arrangement allowing ESD #1 peace officers to accompany HCPD detectives on calls for service and investigative activities for purposes of training, professional development, and investigative experience;

NOW, THEREFORE, HCPD and ESD #1 enter into this Memorandum of Understanding ("MOU") pursuant to the Texas Interlocal Cooperation Act, TEX. LOC. GOV'T CODE ch. 791, which authorizes local governmental entities to contract with one another for the performance of governmental functions.

Because ESD #1 peace officers are licensed as peace officers through the Texas Commission on Law Enforcement and are defined as such by TEX. CODE CRIM. PRO. ANN. ART. 2A.001(31) and TEX. OCC. CODE § 1701.001 et seq., ESD #1 recognizes that these individuals should receive additional training and experience in conducting investigations in order to ensure that the rights of citizens are protected pursuant to TEX. CODE CRIM. PRO. ANN. art. 2A.051 and the Fourth and Fourteenth Amendments to the United States Constitution and that the law is upheld. In light of this, and because ESD #1 is committed to upholding the Constitution of the United States and the laws of the State of Texas, HCPD and ESD #1 agree that peace officers assigned to the ESD #1 Fire Marshal's Office may accompany the detectives of HCPD in order to gain experience in conducting investigations and related investigative procedures (the "Program").

The following are the areas in which the Program will benefit peace officers of the ESD #1:

- Processing scenes and scene photography.
- Conducting interviews.
- Learning how ESD #1 peace officers can assist HCPD detectives on fire scenes with criminal ties.
- Compiling information to build and submit a case to the District Attorney's Office in accordance with the reporting duties established under TEX. CODE CRIM. PRO. ANN. art. 2A.051.
- Experience in taking a case from an on-scene investigation through its disposition (i.e. citation or arrest).

ESD #1 peace officers will remain vigilant to ensure that the safety of themselves and the detective(s) they are accompanying is maintained. ESD #1 peace officers will abide by the ESD #1 Use of Force policy consistent with TEX. PENAL CODE § 9.51 (justification for use of force by peace officers), while participating in activities under this MOU. The Program shall be conducted while officers are on duty, and no overtime will be allocated for this collaboration. Instead, peace officers will adjust their schedules as needed to balance work duties and accompanying activities. When a notification is made to the peace officers of ESD #1, the supervisor on duty at the time will determine which ESD #1 peace officers will go and accompany HCPD depending upon schedules and workload. Additionally, ESD#1 peace officers will not be eligible to participate in the Program while acting as an "on-call fire/arson investigator" for that day or period of assignment. This restriction ensures that ESD #1 maintains adequate fire investigation coverage within its jurisdiction..

While accompanying HCPD personnel under this MOU, ESD #1 peace officers shall comply with applicable HCPD operational policies, safety requirements, and lawful directives of HCPD supervisory personnel, provided such directives do not conflict with ESD #1 policies or applicable law.

The following requirements shall be in effect when ESD #1 peace officers participating in the Program:

- The ratio of ESD #1 peace officers accompanying detectives shall not exceed 1:1.
- Adherence to the dress code or uniform requirements of HCPD (including the use of plain clothes).
- Utilization of PPE and equipment as required by HCPD.
- Follow lawful directions from HCPD personnel related to scene safety and coordination while accompanying detectives..
- Assistance as requested by HCPD detectives and officers.

This MOU does not create any financial obligation between the parties. Each party shall be responsible for its own personnel costs, equipment, and operational expenses incurred in connection with activities conducted under this MOU unless otherwise agreed to in writing by the parties.

At all times while participating in activities under this MOU, ESD #1 peace officers shall remain employees of ESD #1 and shall not be considered employees, agents, or borrowed servants of the Horizon City Police Department. Nothing in this MOU shall be construed to create an employment relationship, joint enterprise, or agency relationship between the parties. Each party shall remain responsible for the acts and omissions of its own officers and employees to the extent provided by TEX. CIV. PRAC. & REM. CODE § 101 (Texas Tort Claims Act).

This MOU may be terminated at any time by the Police Chief of the Horizon City Police Department or Fire Chief of ESD #1 upon not less than thirty (30) days' written notice to the other party. Unless renewed by written agreement of the parties, this MOU as listed above shall expire on October 01, 2031.

Memorandum of Understanding

To: Police Chief Marco Vargas, Horizon City Police Department
From: Fire Marshal Michael Franco, El Paso County ESD#1
Thru: Fire Chief Kris Menendez, El Paso County ESD#1
Subject: Joint Investigations of Incendiary Fires within the Town of Horizon City, TX
Date: March 26, 2026

WHEREAS, the Horizon City Police Department (HCPD) and the El Paso County Emergency Services District #1 (ESD#1) both recognize and respect the value, integrity, and sanctity of human life and are committed to upholding the United States Constitution, the laws of the State of Texas, and the ordinances of the Town of Horizon City, and the fire code as adopted by ESD#1:

NOW, THEREFORE, HCPD and ESD#1 enter into this Memorandum of Understanding ("MOU") pursuant to the Texas Interlocal Cooperation Act, TEX. LOC. GOV'T CODE ch. 791, which authorizes local governmental entities to contract with one another for the performance of governmental functions. This MOU is established for the purpose of conducting joint investigations related to fires started in connection with criminal activity.

The Fire/Arson Investigators with ESD#1 possess training, experience, and certification in the investigation of fires to determine origin, cause, and the surrounding circumstances related to a fire. Additionally, the Fire/Arson Investigators with ESD#1 are certified as both Fire Investigators and Arson Investigators through the Texas Commission on Fire Protection, as well as Peace Officers through the Texas Commission on Law Enforcement. HCPD employs officers and detectives who are trained and experienced in the handling of criminal investigations. Not only that, but HCPD has Crime Scene Investigators who are knowledgeable and experienced in collection, processing, and handling of evidence.

Based upon the information above, the following interworking is established, until October 01, 2026, regarding the investigation of intentionally, knowingly, or recklessly set fires within the Town of Horizon City, TX:

- ESD#1 Fire/Arson Investigators will have primary jurisdiction at the scene of a fire to conduct the origin & cause investigation.
- If the cause of the fire was due to criminal circumstances, the ESD#1 Fire/Arson Investigators will transfer primary jurisdiction of the scene and investigation to detectives from HCPD.
- HCPD will serve as the lead law enforcement agency for any criminal investigation related to a fire.
- ESD#1 Fire/Arson Investigators will either obtain a search warrant for the scene or wait until the detectives from HCPD have obtained a search warrant, before proceeding with the investigation.
- ESD#1 Fire/Arson Investigators and HCPD detectives will work jointly to conduct an investigation, with ESD#1 Fire/Arson Investigators focusing on the origin & cause of a fire.
- ESD#1 will defer collection of evidence in a criminal case to the HCPD Crime Scene Investigators, and any evidence collected will be stored in accordance with HCPD policies and procedures.
- The Fire/Arson investigators will utilize their specialized training and experience to focus on determining the origin & cause of a fire but will also assist the HCPD detectives with any other portion of the criminal investigation when requested to do so by HCPD.
- Both agencies will support each other by relying upon the specialties that each agency brings to any fire investigation scene.
- ESD#1 Fire/Arson Investigators will request NCIC/TCIC information through HCPD, as applicable.

Through this partnership, it is the goal of El Paso County ESD#1 for the Fire/Arson Investigators to be able to work criminal investigations related to their fire investigations entirely on their own beginning on October 01, 2026. At that time, the following will take effect:

- ESD#1 Fire/Arson Investigators will conduct their own criminal investigations from beginning to finish but will still request assistance from HCPD as needed to handle investigations.

Submission of Evidence to HCPD Evidence Room.

- ESD#1 Fire/Arson Investigators will label evidence in accordance with both HCPD requirements as well as the requirements of NFPA1033 and the recommendations in NFPA921 (the industry standard and industry guide for fire & explosion investigations).
- Evidence collected by ESD#1 Fire/Arson Investigators shall package evidence in accordance with the requirements of HCPD.
- ESD#1 Fire/Arson Investigators will utilize the HCPD forms for evidence and chain-of-custody, and copies of the forms will be sent by the Fire/Arson Investigators to the ESD#1 Evidence Custodian.
- The HCPD Evidence Custodian may refuse evidence from ESD#1 Fire/Arson Investigators if the evidence is not properly packaged or accounted for – see HCPD policies or procedures on refusal of evidence.
- Any evidence rejected by the HCPD evidence custodian shall be picked up without unnecessary delay by the ESD#1 Fire/Arson Investigator who submitted the evidence.
- No personnel from ESD#1 shall be allowed into the HCPD Evidence Room unless escorted or authorized by HCPD Evidence Custodian.

Chain of Custody:

- Once HCPD Crime Scene Investigators have taken custody of the evidence, they shall not relinquish custody unless either pursuant to a court order or if the ESD#1 Fire/Arson Investigator responsible for that case takes possession of the evidence to transport said evidence to the local DPS Crime Laboratory (11612 Scott Simpson Dr, El Paso, TX 79936).
- ESD#1 Fire/Arson Investigators shall be responsible for submitting evidence to the DPS Crime Laboratory.
- The ESD#1 Evidence Custodian will liaison with the HCPD Evidence Custodian to ensure that the chain-of-custody is maintained, that any needed evidence is transported to or from the DPS Crime Laboratory, or any other related duties as requested by the HCPD Evidence Custodian.
- The ESD#1 Evidence Custodian will be responsible for coordinating with the HCPD Evidence Custodian regarding evidence retention, as well as with the appropriate ESD#1 Fire/Arson Investigator, prosecutor, or court, regarding when to dispose of evidence.
- The ESD#1 Evidence Custodian will be responsible for ensuring that the disposition of evidence is conducted in accordance with the law.

This MOU does not create any financial obligation between the parties. Each party shall be responsible for its own personnel costs, equipment, and operational expenses incurred in connection with activities conducted under this MOU unless otherwise agreed to in writing by the parties.

Nothing in this MOU shall be construed to create an employment relationship, joint enterprise, or agency relationship between the parties. Each party shall remain responsible for the acts and omissions of its own officers and employees to the extent provided by TEX. CIV. PRAC. & REM. CODE § 101 (Texas Tort Claims Act).

This MOU may be terminated at any time by the Police Chief of the Horizon City Police Department or Fire Chief of ESD #1 upon not less than thirty (30) days' written notice to the other party. Unless renewed by written agreement of the parties, this MOU as listed above shall expire on October 01, 2031.

All investments will be made in full compliance with the Texas Public Funds lnvestment Act and all applicable state and local statutes governing the investment of public funds.

2.0 SCOPE:

This investment policy applies to the financial assets of the Town of Horizon City. These funds are accounted in the Town of Horizon City's Comprehensive Annual Financial Report and include:

2.1 General Fund: Any new funds created by the City Council of the Town of Horizon City, as the governing body, which shall adopt a separate investment strategy for each fund or group of funds under its control in compliance with Section 2256 of Texas Government Code.

All the listed funds will be pooled for investment purposes. The strategy developed for this pooled fund group will address the varying needs, goals, and objectives of each fund.

The investment of bonds proceeds, or pledged revenues shall be permitted only in compliance with the Texas Public Funds lnvestment Act Chapter 2256 of the Texas Government Code, and in accordance with statutory provisions governing the debt issuance or the agreement, as applicable and the City's investment policy regarding debt issuance or the agreement, as applicable. "Pledged Revenue" shall have the meaning set forth in Government Code Section 2256.008.

3.0 STANDARD OF CARE:

lnvestments shall be made with judgement and care under prevailing circumstances that a person of prudence, discretion and intelligence would exercise in the management of their own affairs, not for speculation, but for investment considering the probable safety of their capital as well as the probable income to be derived.

The standard of prudence to be used in the investment function shall be the "prudent person" standard and shall be applied in the context of managing the overall portfolio. The lnvestment Officer and those with delegated investment authority under this policy, when acting in accordance with written procedures and this policy and exercising due diligence shall be relieved of personal responsibility and liability in the management of the portfolio provided that deviations from expectations are reported in a timely fashion and that appropriate action is taken to control adverse developments.

4.0 OBJECTIVES:

lt is the policy of the City that all management and investment of funds shall be governed by the following objectives, in order of priority.

4.1 Preservation and Safety of Principal: Safety of principal is the foremost objective of the investment program. lnvestments of the Town of Horizon City shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To attain this objective, diversification is required in the portfolio's composition. The suitability of each investment decision will be based on these objectives. To attain this objective, diversification is required in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.

4.2 Liquidity: The Town of Horizon City's investment portfolio will remain sufficiently liquid to enable the Town of Horizon City to meet all reasonably expected operating requirements.

4.3 Yield/Return on lnvestment: The Town of Horizon City's investment portfolio shall be designated with the objective of attaining a rate of return throughout budgetary and economic cycles, commensurate with the Town of Horizon City's investment risk constraints and the cash flow characteristics of the portfolio.

4.4 lnvestment Strategy: The strategy of the pool is to ensure cash flows are matched with adequate liquidity. This may be accomplished by purchasing quality, short-tern securities in a laddered strategy utilizing an investment pool. The dollar weighted average maturity will be 180 days or less to accomplish the goal.

5.0 DELEGATION OF AUTHORITY:

The authority to manage the Town of Horizon City investment program is derived from the following:

a. Public Funds lnvestment Act, Chapter 2256, Texas Government Code;
b. Town of Horizon City Resolution # 43; and

Procedures should include reference to safekeeping, repurchase agreements, wire transfer agreements, banking service contracts and collateral/depository agreements, monitoring of the market price of investments and monitoring of rating changes in investments. Such procedures shall include explicit delegation of authority to the people responsible for all investments.

No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the lnvestment Officer. The Investment Officer shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials and staff. The lnvestment Officer, or the Mayor in the absence of the Investment Officer, may designate a person as a deputy in the event circumstances require timely action and the lnvestment Officer is not available.

AGENDA INFORMATION SHEET

AGENDA ITEM NO. _____

ACTION TO SUSPEND THE EFFECTIVE DATE PROPOSED BY TEXAS GAS SERVICE COMPANY, A DIVISION OF ONE GAS, INC., TO INCREASE RATES UNDER THE GAS RELIABILITY INFRASTRUCTURE PROGRAM FOR 45 DAYS

TGS'S "GRIP" APPLICATION

On or about March 10, 2026, Texas Gas Service Company, a Division of ONE Gas, Inc., (the Company or TGS) filed an application to increase its gas utility rates under the Gas Reliability Infrastructure Program ('GRIP"). TGS's application when approved by the Railroad Commission will result in an increase in the monthly customer charges as shown below:

Rate Schedule	Current Customer Charge	Proposed 2026 Interim Rate Adjustment	Proposed Monthly Customer Charge
Residential - Small Average Usage of @ 1.7 Mcf*	$19.50	$3.58	$23.08
Residential - Large Average Usage of @ 4.6 Mcf*	$35.00	$3.58	$38.58
Commercial - Small Average Usage of 4.5 Mcf*	$75.00	$13.70	$88.70
Commercial - Large Average Usage of 89.8 Mcf*	$150.00	$13.70	$163.70
Industrial Average Usage of 408.1 Mcf*	$1,250.00	$197.56	$1,447.56
Public Authority Average Usage of 54.9 Mcf*	$200.00	$25.90	$225.90
Compressed Natural Gas Average Usage of 0 Mcf*	$320.00	$0.00	$320.00
Transportation - General Average Usage of 701.0 Mcf*	$500.00	$99.98	$599.98
Transportation - Electrical Generation Average Usage of 35,532.7 Mcf*	$1,000.00	$2,275.55	$3,275.55

TGS's proposed interim rate adjustment is based on capital expenditures it made from January 1, 2025, through December 31, 2025. TGS proposed May 9, 2026, as the date its proposed increase in rates would take effect.

Under Section 104.301 of the Gas Utility Regulatory Act (GURA), the City may suspend the utility's proposed effective date for a period of up to 45 days. Thus, suspending TGS's proposed effective date of May 9, 2026, for 45 days extends the effective of TGS's proposed increase in rates to June 23, 2026. *Note that TGS refers to its filing as its "2025" filing referring to the period covering the investments in made from January 1, 2025 through December 31, 2025. We refer to it as its "2026" filing referring to the year in which it made the filing and in which its increase in rates will go into effect*.

"GRIP" RATE APPLICATIONS

Under Section 104.301 of the Gas Utility Regulatory Act (GURA), a gas utility is allowed to request increases in its rates to recover a return on investments it makes between rate cases. This section of GURA is commonly referred to as the "GRIP" statute (the "Gas Reliability Infrastructure Program"). More accurately stated, GURA § 104.301 refers to these types of increases in rates as an "interim rate adjustment."

Under a decision by the Supreme Court of Texas, the Court concluded that a filing made under the GRIP statute permitted gas utilities the opportunity to recover a return on capital expenditures made during the interim period between rate cases by applying for an interim rate adjustment and that proceedings under the GRIP statute did not contemplate either adjudicative hearings or substantive review of utilities' filings for interim rate adjustments. Instead, the Court concluded, the GRIP statute provides for a *ministerial* review of the utility's filings to ensure compliance with the GRIP statute and the Railroad Commission's rules, and that it is within the Railroad Commission's authority to preclude cities from intervening and obtaining a hearing before the Railroad Commission.

REVIEW AND ACTION RECOMMENDED

Although the City's ability to review and effectuate a change in TGS's requested increase is limited, the City should exercise due diligence with regard to rate increases by monopoly utilities who operate within its boundaries, including increases requested under the GRIP statute to ensure compliance with the requirements of that law.

To exercise its due diligence, it is necessary to suspend TGS's proposed effective date of May 9, 2026, for forty-five days, so that the City can evaluate whether the data and calculations in TGS's rate application are correctly done, and whether TGS's application otherwise conforms to the requirements of the GRIP statute.

Therefore, the City's Special Counsel, the law firm of Herrera Law & Associates, PLLC (through Alfred R. Herrera) recommends that the City adopt a resolution suspending TGS's proposed effective date for 45 days. Assuming a proposed effective date of May 9, 2026, TGS's proposed effective date is suspended until June 23, 2026.

The City must take action to suspend by no later than May 9, 2026.
