### School and Community Recognition

May 2020

\*\*\*

Throughout our community, state and nation, our lives have changed. Annual, traditional activities we've come to take for granted are either on hold or being done differently. Weddings, funerals, birthday parties, the opening of fishing season - all are impacted by the need to keep ourselves and each other safe.

In the face of the pandemic, we as a Board recognize and honor the Class of 2020 at Denfeld, Duluth East, the Area Learning Center and AEO.

Since schools closed in March you have been courageous and strong. This is not how you thought your senior year would end - no one did - and you have faced it with remarkable resilience and maturity.

Graduates, we celebrate your success and accomplishment. You have an entire community behind you, rooting for you, wishing you all the best as you step into your future. Graduation celebrates not months but many years of perseverance, dedication and effort. The same strength and determination that brought you here can take you anywhere you want to go. There's a whole world of possibilities waiting for you. We're excited to see what you do.

Congratulations to the Class of 2020.

### **Public Comments**

**May 2020**

\*\*\*\*

Public comments were read into the record by the Board Chair (no public presence was allowed at the meeting) as follows:

Kevin Skwira-Brown, no address provided - on behalf of the Education Equity Alliance, spoke to the board regarding a campaign they launched encouraging students, families and even peers to recognize staff in all roles that are doing whatever it takes to meet the needs of our community's students and children in this time. We invite you and others to use the hashtag #applause4Duluthteachers to express that appreciation on twitter or other hashtag friendly social media, he also addressed the grading policy and the need for students to be held harmless during the distance learning period.

### **Communications, Petitions, Etc.**

### **Superintendent's Report**

**May 2020**

\*\*\*\*

I want to begin by thanking the many people that worked to plan and implement our graduation celebrations. We know that this isn't anything like anyone expected for graduation this year, however, I think the events were special in a different way. Our staff and student leaders really did an excellent job of coordinating the events. All of these events will be brought together in a televised event. These will be shown on WDSE for all the family, friends, and the whole community to share. We will share the schedule of these showings soon. The Aerial lift bridge will also be lit in honor of our graduates and each school has a night for the bridge to don their school colors. Thank you again to all the people that made this possible and to WDSE, the City of Duluth, and other community organizations that have made this all possible.

The Goldfine Goldstar Teacher Award Celebration is an annual event we look forward to each year. It was started by Lillian and Manny Goldfine in 2007. It provides us with a fun

opportunity to celebrate the amazing work of teachers from across the district. The award rotates between elementary and secondary schools from year to year. This year we will be celebrating secondary school teachers. This year's nominees include Ed Lewis from Denfeld, Kim Olson from East (and Denfeld), Doug Antonich from Ordean-East, Katie Britton from Lincoln, Scott Forbort from ALC/AEO, and Barb Paquette from our residential sites. While all of these teachers are amazing, one teacher will be identified as this year's recipient during a live stream celebration next Wednesday, May 27th at 7p.m. You can find the link to the celebration on our website! Please join us in honoring our teachers and share the link with all your friends! It would be great to have a lot of viewers for this year's event.

It is hard to believe that we are quickly approaching the end of this school year. We have about three weeks left. Each of the schools are planning for the collection of materials and families can expect to receive information from their schools on how this will work.

We are planning for Summer Keyzone-- this will start on June 15th. The Governor's Executive Orders require us to prioritize child care services for families working in identified fields. Registration is going on now and more information can be found on our website. Availability will be limited based on our ability to have enough space for social distancing. We will be continuing our efforts to ensure the safety of everyone involved.

Each year the Fred HASE Memorial Scholarship is granted to two students-- one from Denfeld, and one from East. The scholarships are determined by random drawing-- so we have this crystal bowl donated by the family to do the drawings each year. Usually we have our student school board representatives make the drawing but tonight that isn't possible so I will be doing the drawings. Right now, the names of all of the Denfeld seniors are in the bowl--- and the winner is Jamie Burwell. I will also draw two alternate names just in case. And now I will change the names out for all of our East seniors. And the winner is Mckenna Kolasinski. And again, I will draw two alternates.

And finally, it is time to hear from our student school board representatives:

Student Representative Phoenix Ocean (Denfeld): Reported to the board that Tom Tusken was named as the new principal at Denfeld. Several students in the HOSA and Speech programs will be going on to state competitions. Graduating seniors were given yard signs and caps and gowns by staff members.

Student Representative Nabiha Imtiaz (East): Reported to the board that seniors had a drive through at East to pick up their gowns, yearbooks, etc. and that seniors were very happy with it. Remaining grades will also have a drive through to drop off books, etc. AP exams are being held. Mix 108 had a virtual prom. Students in History Day and HOSA events won awards.

Chair Lofald reviewed the schedule of meetings and asked board members if they were ok with moving forward with virtual meetings in June. Discussion took place regarding changing how the public can give comments during the remote meetings. Technology will look into some options. Chair Lofald asked about the Gold Star Awards and how they will be held.

Member Trnka asked to pull Resolution B-5-20-3738 Fourth amendment to Resolution B-6-19-3658 Authorizing Sale of District Property Adjacent to Hartley Park.

Member Loeffler-Kemp presented the resolution:

RESOLUTION  
DECLARING THE FIRST FRIDAY IN JUNE TO BE  
NATIONAL GUN VIOLENCE AWARENESS DAY

This resolution declares the first Friday in June to be National Gun Violence Awareness Day in the Duluth School District to honor and remember all victims and survivors of gun violence and to declare that we as a country must do more to reduce gun violence.

**WHEREAS**, every day, more than 100 Americans are killed by gun violence and on average there are more than 13,000 gun homicides every year; and

**WHEREAS**, Americans are 25 times more likely to die by gun homicide than people in other high-income countries; and

**WHEREAS**, Minnesota has hundreds of gun deaths every year; and

**WHEREAS**, protecting public safety in the communities they serve is a high priority of the school district; and

**WHEREAS**, support for the Second Amendment rights of law-abiding citizens goes hand-in-hand with responsible gun ownership; and

**WHEREAS**, the pandemic facing America has drastically impacted communities and individuals sheltering in place which may result in situations where access to firearms results in increased risk in intimate partner violence gun deaths, suicide by gun and unintentional shootings;

**WHEREAS**, in January 2013, Hadiya Pendleton, a teenager who marched in the presidential inaugural parade and was tragically shot and killed just weeks later, should be now celebrating her 23rd birthday; and

**WHEREAS**, to help honor Hadiya – and the more than 100 Americans whose lives are cut short every day and the countless survivors who are injured by shootings every day – a national coalition of organizations has designated June 5, 2020, the first Friday in June, as the 6th National Gun Violence Awareness Day; and

**WHEREAS**, the idea was inspired by a group of Hadiya’s friends, who asked their classmates to commemorate her life by wearing orange; they chose this color because hunters wear orange to announce themselves to other hunters when out in the woods and orange is a color that symbolizes the value of human life; and

**WHEREAS**, anyone can join this campaign by pledging to Wear Orange on June 5th, the first Friday in June in 2020, to help raise awareness about gun violence; and

**WHEREAS**, by wearing orange on June 5, 2020 Americans will raise awareness about gun violence and honor the lives of gun violence victims and survivors; and

**WHEREAS**, we renew our commitment to reduce gun violence and pledge to do all we can to keep firearms out of the wrong hands, and encourage responsible gun ownership to help keep our children safe.

**NOW, THEREFORE BE IT RESOLVED**, that the Duluth School Board declares the first Friday in June, June 5, 2020, to be National Gun Violence Awareness Day. We encourage all schools to support their local communities’ efforts to prevent the tragic effects of gun violence and to honor and value human lives.

**EAST HIGH SCHOOL ALMA MATER**

We hail our Alma Mater, its glorious name we praise.

Each loyal son and daughter, too

A joyous song we'll raise.

Our birch trees white, our campus bright,

Our clear, blue northern sky

Will ever bring fond memories of our East High.

We fondly will remember, our lake of silvery blue

And near its shores, our Alma Mater, glorious to view.

We hold thee near; we hold thee dear.

We cherish every tie.

With reverence we will honor thee, our own East High

To faculty and classmates, we bid you fond farewell.

Our banners fly; our hopes are high; our thoughts will  
always dwell.

Our memories dear, will bring a tear.

We'll often breathe a sigh.

We'll ne'er regret, we'll ne'er forget, our old East High.

## HALLS OF DENFELD

### *Alma Mater*

Oh we love the halls of Denfeld that surround us here today  
And we will not forget tho' we be near or far away.

To the hallowed halls of Denfeld every voice will bid farewell  
And shimmer off in twilight like the old tower bell.

One day a hush will fall, the footsteps of us all,  
Will echo down the hall and disappear.

But as we sadly start, our journeys far apart,  
A part of every heart will linger here.

In the sacred halls of Denfeld where we lived and learned to know  
That thru the years we'll see you in the sweet after glow.
