AGENDA SECTION:	Sharing the Success
ITEM:	3A. Special Recognition / Excellence in Service: Adventure Club & Critical Care Staff
COMMENTS BY:	Dr. Stephanie Burrage, Interim Superintendent

The Superintendent and School Board are pleased to recognize the Adventure Club staff and the EA's who have been working in Critical Care since March 2020.

Since March, when COVID-19 became our reality, the Adventure Club staff and EA's from the elementary schools have worked tirelessly to provide childcare for our community's critical care workers along with students in our fee-based program. There are over 500 children receiving care each week.

The work they do day in and day out has not gone unnoticed. Each staff person has dug down deep, showing our community that as a team, we can and we will make sure our students receive the best education in Robbinsdale Area Schools. The courage, grace, and continued leadership of our Adventure Club staff and EA's will help get us through this time of pandemic.

Words cannot express how grateful we are to you for making sure our students and families receive the best childcare possible.

Thank you for being on the frontline each and every day.

ITEM:	3B. American Education Week (Nov 16-20, 2020) and Education Support Professionals Day (Nov 18, 2020)
COMMENTS BY:	Dr. Stephanie Burrage, Interim Superintendent

American Education Week is November 16-20, 2020

The School Board and Superintendent are pleased to celebrate public education. This week allows us to honor the team of people who work in our public schools, everyone from the bus driver and classroom teacher to the cafeteria worker and administrative staff, plus countless others.

Education Support Professionals Day is November 18, 2020

Every year since 1987, we have celebrated Education Support Professionals' (ESPs) dedication and commitment to education, but this year, we have seen ESPs go well beyond anything we have seen before. During this pandemic, ESPs have been busy passing out meals to their communities, supporting critical care, supporting distance learning, making phone calls to check on students, and so much more. Whether our schools are virtual, in-person, or a mix of both, ESPs are helping to ensure students are safe, healthy, and ready to learn.

Thank you to all of our amazing teachers, EA's, Adventure Club staff, nutrition services staff, custodians and all support staff in Robbinsdale Area Schools. Together, we are Team 281!

Mark,

Confirming our conversation today. PSM made a bid error in not including the fire protection in our bid for division 22A on this project. I did some research into the potential impact of this error and have decided the best decision for us would be to pull our bid for this project. I apologize for being in this situation and hope that PSM will remain in good standing with the district and KA. Please let me know if you need anything further.

Thank you for your understanding.
