COMMENTS BY: David Engstrom, Superintendent

October 18-22, 2021 has been proclaimed National School Bus Safety Week.

Robbinsdale Area Schools recognizes the critical role our school bus transportation plays in the education of our students, and their direct link between our neighborhoods and the classroom. Nationally, over 25 million children ride the yellow bus every school day. This week reminds us of the importance of keeping school bus safety in the forefront. At Robbinsdale Area Schools, school bus safety is always a priority.

ITEM: 5A. Review of Updated Vaccination Requirement Resolution

COMMENTS BY: Marti Voight, Assistant Superintendent

Assistant Superintendent Voight will present an updated draft of the Vaccination Requirement Resolution for Board review.

Recommended Action:

Move the updated Vaccination Requirement Resolution to action for approval at our next scheduled meeting on November 1, 2021.

ADOPTING A ROBBINSDALE PUBLIC SCHOOLS RESOLUTION REQUIRING ALL STAFF EITHER TO BE VACCINATED AGAINST COVID-19 OR TO SUBMIT TO REGULARLY SCHEDULED COVID-19 TESTING

WHEREAS, The Centers for Disease Control and Prevention(CDC) and the Minnesota Department of Health (MDH) determined that the COVID-19 pandemic is currently ongoing and may remain ongoing for an unknown amount to time; and

WHEREAS, according to the Centers for Disease Control and Prevention (CDC), “COVID-19 vaccination among all eligible students as well as teachers, staff, and household members is the most critical strategy to help schools safely resume full operations;” and

WHEREAS, according to the CDC, “vaccination is the leading public health prevention strategy to end the COVID-19 pandemic. People who are fully vaccinated against COVID-19 are at low risk of symptomatic or severe infection. A growing body of evidence suggests that people who are fully vaccinated against COVID-19 are less likely to become infected and develop symptoms and are at substantially reduced risk from severe illness and death from COVID-19 compared with unvaccinated people”; and

WHEREAS, according to the State of Minnesota, “staff who access the workplace or provide public service outside of their homes on behalf of an agency without vaccination pose a particular risk of COVID-19 exposure to themselves, their colleagues, and to members of the public. Additionally, ongoing community transmission of the more transmissible Delta variant of COVID-19 in Minnesota, especially among unvaccinated individuals, presents a continuous risk of infection;” and

WHEREAS, the federal government, the State of Minnesota, have all made the decision to require their employees to either be vaccinated against COVID-19 or submit to COVID-19 testing on a frequent, regularly scheduled basis; and

WHEREAS, pursuant to Minn. Stat. § 123B.02, subd. 1, the Board of Education of Independent School District No. 281 has the “general charge of the business of the district, the school houses, and of the interests of the schools thereof”; and

WHEREAS, that the Board of Directors of School District 281 hereby directs and grants necessary authorization to the Superintendent to implement the following work rule no later than January 1.

WHEREAS, the Superintendent concludes that requiring all staff either to be vaccinated against COVID-19 or to submit to regular COVID-19 testing is in the best interests of the School District, its students, its staff, and the communities it serves.

BE IT RESOLVED by the Superintendent of Independent School District No. 281 Robbinsdale Area Schools:

1. The Superintendent requires either:

- a. All current staff to be fully vaccinated against COVID-19 and to provide **proof (provide a copy of the vaccination card or Minnesota Immunization Information Connection (MIIC) vaccination record showing proof of vaccination)** of full vaccination in the manner designated by Human Resources starting January 1, 2022. or
- b. All staff who remain unvaccinated, are not fully vaccinated, and/or have not provided **proof** of full vaccination as detailed above to submit to mandatory COVID-19 testing at least one time per week.

2. Any staff member who does not comply with the requirements of either Paragraph 1a or Paragraph 1b may be subject to disciplinary action consistent with any applicable collective bargaining agreement.

FURTHER, BE IT RESOLVED that the Superintendent shall provide the Board with regular updates on progress of this directive and any recommendations for further action necessary to support its successful implementation.

FINALLY, BE IT RESOLVED that this directive shall remain in place until rescinded, replaced, or made obsolete by other local, state, or federal law or regulation.
