ITEM: 3B. 2021 Staff Charitable Giving Campaign Recognition

COMMENTS BY: Anthony Williams, Executive Director of Community Education and Cameron Goude, Director of Community Enrichment and Engagement

The preliminary total for the Robbinsdale Area Schools 2021 Charitable Giving Campaign contributions is \$35,080. The Seven Dreams Education Foundation received contributions totaling \$20,572. The Greater Twin Cities United Way received \$14,508. Community Shares of Minnesota will close their doors in 2022 after forty-three years and is no longer participating in the Campaign.

The Staff Charitable Giving Campaign would not be possible without the help of the individual site coordinators. We would like to recognize three sites for outstanding efforts. The Best Overall Campaign award goes to Meadow Lake and site coordinator Sarah Krizmanic for running an exceptional campaign. The Above and Beyond award goes to Robbinsdale Academy Highview, site coordinator Dyne Stephenson, and Crystal Learning Center, site coordinator Mary Yu, for the large increase in staff participation.

The Superintendent and School Board would like to thank all those who donated for their generosity, especially in our current challenging times.

Superintendent's Report

- **Transportation Update - Jeff Connell, Executive Director of Facilities, Operations and Transportation**
Districtwide rerouting has begun, due to the 995 families who opted out of transportation for the rest of the year. The new routes will begin January 3, 2021 as school resumes from winter break. Postcards will be sent to families receiving bus service. We have contracted with Garner to run three regular routes, and with MTI to run activities/athletic routes, through the end of the year. We continue to onboard, train and test drivers at a 50% pass rate (national average is 19%). Durham now has a local general manager on site.
- **Human Resources Staffing Shortages - Amy O'Hern, Executive Director of Human Resources**
We currently have 83 positions open in the district, most of which are: educational assistants, district substitute teachers, maintenance/custodial and clerical. We hosted a district job fair this fall and filled several positions as a result. HR staff will attend job fairs at UND, UMD, SCSU and UW-River Falls. We will hold another district job fair in the spring, and will attend statewide virtual job fairs in April, May and June. We are having issues with getting substitutes for staff that are out, with an average of 40% fill rate (normal fill rate is 83-85%). We have reached out to retired teachers in the community to see if any would be interested in subbing, and are working on other ideas.
- **100 Days Update - Superintendent Engstrom**
In his first 100 days, Superintendent Engstrom defined numerous district strengths, including staff and students dedicated to equity. He also found several challenges: exhausted students/staff/parents, behaviors need to be relearned and achievement has suffered. Superintendent Engstrom has kept an eye on operational efficiencies. He sees all of this as an opportunity to reflect on how we have changed. We will continue to have fluid, personalized student learning, emphasize pathways, and look to foster tutoring, mentoring and internships within the community. Superintendent Engstrom feels that we need to work together with staff, students and families on a new strategic plan (the current one was started in 2014, with revisions in 2018). This new plan will embrace the best of our past, reflect on pandemic learning and identify our priorities - with 3-5 years of implementation. Work will begin in late January/early February.
- **Fine Arts Performances/Winter Sports**
December brings an abundance of fine arts performances in our district, along with the start of winter sports. Please check out the school calendars for information regarding all of these events, and get out to support our students in their efforts.

We missed the structural steel install and the chiller install on the project.

Thanks,
