Welcome to the Robbinsdale School Board Listening Time

Your input is welcome and valued!

Listening Time provides an opportunity for the school district community to present comments, concerns, questions and ideas to representatives of the school board and district administration. Respectful communication is essential to ensure full understanding of each topic presented. The School Board Facilitator will set time limits for each topic to ensure all topics are heard. When there are more than four or five different topics we may not be able to listen as long as we would like.

Procedure for Participation in the Listening Time:

- ★ Complete the “Request Form” available in the Boardroom or online in the School Board section of the district website.
- ★ Submit the “Request Form” to the Executive Assistant to the School Board prior to, or to the facilitator after the start of Listening Time. Topics will be heard in the order in which they are received.
- ★ Individual or group time will be no longer than 3 minutes. In the case of a large number of attendees, the Board will ask for 2-3 spokespersons to speak per topic.
- ★ Keep topic information accurate and concise.
- ★ If you have documents to share, please give them to the Executive Assistant to the Superintendent and School Board to distribute.
- ★ Minnesota data privacy laws prohibit discussion regarding specific people, including staff and students.
- ★ If the School Board facilitator or an administrator determines follow-up action is necessary, please expect a response after we have had time to inquire about your topic.

We appreciate your input.
