The MGDPA sets certain requirements relating to the right of the public to access government data and the rights of individuals who are the subjects of government data.

MN Government Data Privacy Act regulates:

- What information can be collected
- Who may see or have the information
- Classification of specific types of government data
- Duties of government personnel in administering the provisions of the MGDPA
- Process for access to the information
- Procedures for classifying information
- Civil penalties for violation of the MGDPA
- Charging fees for copies of government data

The school district will comply with the requirements of the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13 (MGDPA), and Minn. Rules Parts 1205.0100- 1205.2000 in responding to requests for public data.

The Freedom of Information Act (FOIA) is **not** a policy or procedure of Robbinsdale Area Schools.

The Freedom of Information Act (FOIA) provides the public the right to request access to records from any **federal agency**. It is often described as the law that keeps citizens in the know about their government.
