(LOCAL) Policy Comparisons

These documents are generated by an automated process that compares the updated policy to the current policy as found in TASB records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)
- Policies recommended for deletion (annotated in PDF; not shown in Word)

Annotations are shown as follows:

- Deletions are in a red strike-through font: ~~deleted text~~.
- Additions are in a blue font: **new text**.
- Blocks of text that were moved without changes are shown in green, with double underline and double strike-through formatting to distinguish the text's new placement from its original location: ~~moved text~~ becomes **moved text**.
- Revision bars appear in the right margin to show sections with changes.

Note: While the annotation software competently identifies simple changes, large or complicated changes — as in an extensive rewrite — may be more difficult to follow. In addition, TASB's recent changes to the policy templates to facilitate accessibility sometimes make formatting changes appear tracked, even though the text remains the same.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.

Note: For information related to the accounting of instructional materials, as this term is defined by state law and rule, see CMD.

For information related to the selection process of library materials, see EFB.

The District shall provide instructional materials designed to teach the Texas Essential Knowledge and Skills and further the District's educational mission. Although the Superintendent shall ensure that professional staff select instructional materials in accordance with District policy and administrative regulations, the ultimate authority for determining and approving the curriculum and instructional program of the District lies with the Board.

Objectives

In this policy, "instructional materials" may include textbooks, supplementary resources for classroom use, and any other instructional resources, including electronic resources, used for formal or informal teaching and learning purposes. The primary objectives of instructional materials are to implement, enrich, and support the District's educational program.

Selection

Instructional materials that are textbooks and related supplemental materials, which may include items from the list of resources adopted by the State Board of Education, shall be chosen in accordance with administrative regulations and the objectives above.

The Board shall rely on District professional staff to select and acquire instructional materials that:

1. Enrich and support the curriculum consistent with the general educational goals of the state and District, the aims and objectives of individual schools and specific courses, and the District and campus improvement plans.
2. Are appropriate for the subject area and for the age, ability level, learning styles, interests, and social and emotional development of the students for whom they are selected.
3. Meet high standards for artistic quality, literary style, authenticity, educational significance, factual content, physical format, presentation, readability, and technical quality.

District professional staff may select additional instructional materials in accordance with administrative regulations and the criteria above.

Administrators, teachers, other District personnel, parents, and community members, as appropriate, may recommend instructional materials for selection. Gifts of instructional materials shall be evaluated according to these criteria and accepted or rejected in accordance with CDC(LOCAL).

Selection of instructional materials is an ongoing process that includes the removal of materials no longer appropriate and the periodic replacement or repair of materials that still have educational value.

Parent Request for Instructional Material Review

The Superintendent shall develop administrative regulations to ensure compliance with state law and rules that a parent or guardian of a District student may request an instructional materials review for a subject area in the grade level in which their student is enrolled on the basis of the following:

1. The material is not aligned with District-adopted materials; or
2. The material does not have the appropriate rigor for the grade level for the subject area in which the instructional material is used.

The regulations shall also address procedures for submitting a parent petition to review instructional materials, the appeal process if a petition for review is denied, criteria for reviewing any appeal, and timelines for each step in the process.

Reconsideration of Instructional Materials

A District employee or a parent or guardian of a District student may request reconsideration of instructional material used in the District's educational program on the basis that the instructional material fails to meet the standards set forth in this policy.

Guiding Principles

The following principles shall guide the Board and staff in responding to a request for reconsideration of instructional materials:

1. A complainant may raise an objection to an instructional material used in a school's educational program, despite the fact that the professional staff selecting the materials were qualified to make the selection, followed the proper procedure, and adhered to the objectives for instructional materials set out in this policy.
2. A parent's ability to exercise control over instruction extends only to his or her own child as set forth in Education Code Chapter 26.

3. Access to a challenged material shall not be restricted during the reconsideration process, except the District may deny access to a child if requested by the child's parent.

The major criterion for the final decision on challenged instructional materials is the appropriateness of the material for its intended educational use. No challenged instructional material shall be removed solely because of the ideas expressed therein.

*Informal
Reconsideration*

When the District or a campus receives an objection to the appropriateness of an instructional material, the appropriate administrator shall try to resolve the matter informally. The administrator shall explain the selection process and discuss the intended educational purpose for the instructional material. If appropriate, the administrator may offer a concerned parent an alternative instructional material to be used by that parent's child in place of the challenged material.

If the complainant wishes to make a formal challenge, the administrator shall provide the complainant a copy of this policy and a form to request a formal reconsideration of the instructional material.

*Formal Request for
Reconsideration*

A complainant shall make any formal request to reconsider an instructional material on the form provided by the District and shall submit the completed and signed form to the principal. Upon receipt of the form, the principal shall appoint a reconsideration committee.

The reconsideration committee shall include at least one member of the instructional staff who has experience using the challenged material with students or is familiar with the challenged material's content. Other members of the committee may include District-level staff, secondary-level students, parents, and any other appropriate individuals.

All members of the committee shall review the challenged instructional material in its entirety. As soon as reasonably possible, the committee shall meet and determine whether the challenged material conforms to the principles of selection set out in this policy and whether the challenged material will continue to be used in the educational program. The committee shall prepare a written report of its findings. The Superintendent, other appropriate administrators, and the complainant shall receive copies of the report.

*Frequency of
Review*

After an instructional material has been reviewed through formal reconsideration, it shall not be reviewed again until it is evaluated in the periodic local selection process.

Appeal

The complainant may appeal the decision of the reconsideration committee in accordance with appropriate complaint policies, starting at the appropriate level. [See DGBA, FNG, and GF]

Principle Two: Progress and Mastery Progress and mastery expectations are clear and grades should communicate where students are in the learning process relative to expected learning standards. Timely, on-going, authentic feedback for improvement should accompany grades.

Principle Three: Evidence of Learning Grades are derived from a variety of measures of student work that reflect the content, cognitive demand, and skills of the HPLS, such as products, projects, presentations, and demonstrations.

Principle Four: Separating Achievement from Behavior Grades reflect attainment of learning expectations, TEKS, and Learner Profile attributes. Therefore, conduct/social habits and compliance/work habits are reported separately from achievement (with the exception of academic dishonesty).

Principle Five: Student Ownership of Learning Grades are part of a system of feedback to students to encourage ownership of learning.

Relation to Essential Knowledge and Skills The District shall establish HPLS reflecting all required knowledge and skills for grade-level subjects or courses. HPLS shall address the content, cognitive demand, and skills needed for successful performance in the next grade or next course in a sequence of courses in accordance with the TEKS.

Assignments, tests, projects, classroom activities, and other instructional activities shall be designed so that each student's performance indicates the level of mastery of the designated District learning standards, including HPLS, Learner Profile, and TEKS.

Guidelines for Grading The Superintendent or designee shall ensure grading guidelines are developed in accordance with this policy. Teachers are expected to follow grading guidelines when determining and communicating learning progress and mastery. Guidelines for grading shall be clearly communicated to students and parents.

Academic dishonesty includes cheating or copying the work of another student, plagiarism, ~~the use of artificial intelligence to complete an assignment in part or in whole unless approved by the classroom teacher [see CQD],~~ and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty ~~should~~shall be based on ~~a review of the evidence and the~~ judgment of the classroom teacher ~~and/or~~ another supervising professional employee, taking into consideration written materials, observation, ~~or~~ information from students, ~~or~~ the use of an artificial intelligence detection tool selected by the District.

A person is required to make a report if the person has reasonable cause to believe that an adult was a victim of abuse or neglect as a

child and the person determines in good faith that disclosure of the information is necessary to protect the health and safety of another child or an elderly or disabled person.

[For parental notification requirements regarding an allegation of ~~educator~~ misconduct with a student, see FFF.]

Oral Reports

As required by law, an oral report made to the Texas Department of Family and Protective Services (DFPS) is recorded.

Restrictions on Reporting

In accordance with law, an employee is prohibited from using or threatening to use a parent's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological testing or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Making a Report

Reports may be made to any of the following:

1. A ~~state or local~~ law enforcement agency, [as defined in law](#);
2. The Child Protective Services (CPS) division of DFPS at 800-252-5400 or the [Texas Abuse Hotline website](#)¹;

4. If applicable, the state agency operating, licensing, certifying, or registering the facility in which the suspected abuse or neglect occurred.

However, if the suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child, the report must be made to DFPS, unless the report is to the state agency that operates, licenses, certifies, or registers the facility where the suspected abuse or neglect took place; or the report is to the Texas Juvenile Justice Department as a report of suspected abuse or neglect in a juvenile justice program or facility. As defined by law, a person responsible for the care, custody, or welfare of a child includes school personnel and volunteers and day-care workers. [See FFG(LEGAL)]

An individual does not fulfill his or her responsibilities under the law by only reporting suspicion of abuse or neglect to a campus principal, school counselor, or another District staff member. Furthermore, the District is prohibited from requiring an employee to first report his or her suspicion to a District or campus administrator.

In accordance with law, an individual must provide their name and telephone number when making a report. If the individual making the report is a school employee, agent, or contractor, they must also provide their business address and profession.

Confidentiality

The identity of a person making a report of suspected child abuse or neglect shall be kept confidential and disclosed only in accordance with the law and the rules of the investigating agency.

Immunity

A person who in good faith reports or assists in the investigation of a report of child abuse or neglect is immune from civil or criminal liability.

Suspected Child
Abuse or Neglect**

By failing to report suspicion of child abuse or neglect, an employee:

1. May be placing a child at risk of continued abuse or neglect;

Notice to Students and Parents

The District shall inform students and parents of this policy through appropriate District publications [and on the District's website](#).

Guiding Principles
Informal Process

The Board encourages students and parents to discuss their concerns with the appropriate teacher, principal, or other [appropriate campus or District](#) administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except Filing Deadlines

If a student or parent has engaged in the informal process in an attempt to resolve the complaint with the District and has not reached a resolution during the process, the student or parent shall have the later of:

After Informal Process

- Ninety calendar days to file a complaint from the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint; or
- Thirty calendar days to file a complaint from the date on which the District provided information to the student or parent regarding how to file a grievance.

[See Formal Process, below]

No Prior Informal Process

If the student or parent has not engaged in the informal process, the student or parent shall have no more than 60 calendar days from the date the student or parent first knew, or with reasonable

diligence should have known, of the decision or action giving rise to the complaint or grievance to file a complaint using the appropriate forms.

Deadline Extensions

All deadlines shall be strictly followed unless otherwise required by law or modified by mutual written consent.

Formal Process

A student or parent may initiate the formal process described below by timely filing a written complaint form.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

~~Freedom from Retaliation~~The complaint form shall be filed with the lowest level administrator who has the authority to remedy the alleged problem. In most circumstances, students and parents shall file Level One complaints with the campus principal for any complaint on a matter related to a campus. For a complaint that arises on a matter that is unrelated to a campus, the complaint shall be filed with the appropriate District-level administrator.

If the subject matter of the complaint requires a Board decision, is a complaint about a Board member, or is a complaint about the Superintendent, the complaint shall be initiated at the Board level. A preliminary hearing to develop a record or recommendation for the Board may be conducted by an appropriate administrator.

A Board member shall be permitted to file a complaint under this policy, but, if the complaint is considered by the Board or Board committee, the Board member shall be prohibited from voting on the Board’s or Board committee’s decision.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

Exception to Requirement for Designation of a Campus Behavior Coordinator

~~In accordance with the District's innovation plan, the District shall be exempt from the statutory requirement for designation of a campus behavior coordinator, who may be the principal of the campus or another campus administrator selected by the principal.~~

~~Therefore, each campus in the District shall develop a collaborative disciplinary approach that may include educators, school counselors, and discipline coordinators.~~

A student and his or her parent shall sign and return to the sponsor or coach a statement that they have read the extracurricular behavior standards and consent to them as a condition of participation in the activity.

A student may be removed from participation in extracurricular activities or may be excluded from school honors for violation of extracurricular standards of behavior for an activity or for violation of the Student Code of Conduct.

2. Obtain possession of a weapon or other dangerous object.
3. Protect property from serious damage.
4. Remove a student refusing a lawful command of a school employee from a specific location, including a classroom or other school property, in order to restore order or to impose disciplinary measures.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Filing Deadlines

If a member of the public has engaged in the informal process in an attempt to resolve the complaint with the District and has not reached a resolution during the process, the individual must file a complaint within 15 business days of the date the individual first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance.

Deadline Extensions

In most circumstances, the individual shall file a Level One complaint with the campus principal for any complaint on a matter related to a campus. For a complaint that arises on a matter that is unrelated to a campus, the complaint shall be filed with the appropriate District-level administrator.

If the subject matter of the complaint requires a Board decision, is a complaint about a Board member, or is a complaint about the Superintendent, the complaint shall be initiated at the Board level. A preliminary hearing to develop a record or recommendation for the Board may be conducted by an appropriate administrator.

A Board member shall be permitted to file a complaint under this policy, but, if the complaint is considered by the Board or Board committee, the Board member shall be prohibited from voting on the Board’s or Board committee’s decision.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and immediately forward the complaint form to the appropriate administrator.

Notice of Complaint

A District employee against whom a complaint has been filed shall be provided notice of the complaint in accordance with administrative regulations. The employee shall have sufficient opportunity to submit a written response to the complaint that shall be included in the record of the complaint.

BE(LEGAL) BOARD MEETINGS

SB 413 requires the recording of all board meetings. SB 413 also added language regarding inclusion in board meeting minutes of each board member's vote on any item and a requirement to post on the district's website any resolution adopted by the board. HB 1522 changed the required posting time for board agendas from 72 hours to 3 business days.

BE(LOCAL) BOARD MEETINGS

Several recommended revisions have been made to this policy on board meetings. SB 12 prompted new language at Meeting Place and Time indicating that board meetings will be held outside of typical work hours. Language at Notice to Members has been adjusted to reflect HB 1522, which requires board agendas to be posted for three business days, rather than 72 hours, before the meeting. This recommended revision appropriately adjusts when the notice of the meeting will be provided to board members.

At Deadline, the recommended revisions are also in response to HB 1522. We offer for your consideration language requiring that agenda items be submitted 10 calendar days before a meeting. This deadline would provide the district sufficient time to compile items and post an agenda by the statutory deadline. If the district would like to adjust the deadline, please contact your policy consultant.

SB 413 requires roll call voting, so the language at Record Vote has been revised accordingly. A paragraph in the Minutes section has been removed, as the statement is true for all district records and it is not necessary to separately address retention in this policy. Please refer to CPC(LOCAL) and your district's record retention procedures.

Resolution regarding Religious Expression

Background Information:

The 89th Texas Legislature passed Senate Bill 11, which requires that each school board in Texas take a record vote within six months of the effective date of the act, on whether to approve a resolution to adopt a policy to create a period of prayer and reading of religious text during the school day, in accordance with Texas Education Code § 25.0823.

If a school board decides to adopt such a resolution and policy, the period of prayer and religious reading must follow the provisions set out in Section 25.0823, which includes the following restrictions:

The policy must prohibit student or employee participation until the “participant” has completed a signed consent form which may be revoked at any time. The required consent expressly waives the participant’s right to bring a legal claim on a violation of

BOARD AGENDA ITEM

the Establishment Clause of the First Amendment to the United States Constitution.

The prayer and religious reading period must not be performed in the physical presence or hearing of a person for whom consent has not been made.

The prayer and religious reading period may not be held during instructional time. The period may be scheduled before normal school hours or in segregated areas where consenting participants are separated from non-consenting parties.

Superintendent's Recommendations:

State law, federal law, and Georgetown ISD Board Policy already allow students to engage in prayer, reading of religious text, and religious expression on school property and during the school day.

The Administration recommends that the Board approve the proposed resolution regarding religious student religious expression which outlines Georgetown ISD policies and practices that allow students to exercise their religious freedom, including the right to pray or read religious text on campus during the school day, and reaffirms the District's commitment to upholding these rights.

- Policy FFH (Local) which protects students from discrimination or harassment on the basis of religion in connection with school activities;
- Policy DIA (Local), which prohibits discrimination, retaliation or harassment against employees on the basis of religion; and

WHEREAS Section 3 of Senate Bill 11 adopted by the 89th Regular Session requires this Board to take a record vote regarding adoption of a policy requiring every campus of the District to provide a period of prayer and reading of the Bible or other religious text as provided by Section 25.0823, Education Code:

Consideration and Action to Approve New Attendance Zones Effective 26-27 School Year

Background Information:

Although we will delay opening both the new elementary and middle schools, we still need to rezone students to provide relief at Wolf Ranch Elementary. The proposed changes can be viewed publicly at <https://www.georgetownisd.org/parents/attendance-zones> - listed as plan "3A".

Attachments: YES

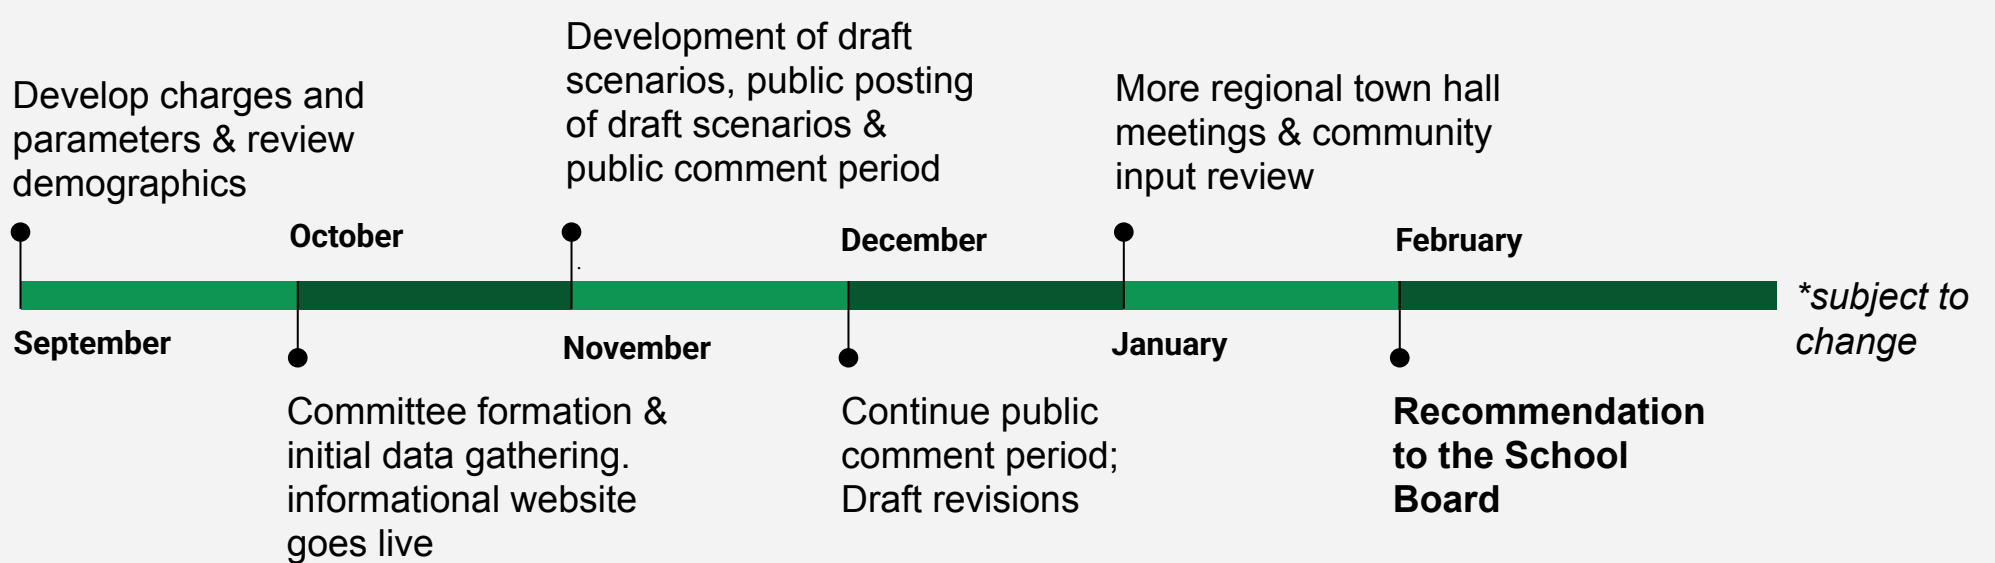

Superintendent's Recommendations:

Yes

Why Rezone?

GISD will update school attendance boundaries for the 2026–2027 school year to prepare for the opening of two new campuses (Elementary School No. 12 & Middle School No. 5) in the southeast quadrant, relieve overcrowding, and accommodate our growing student population.

Timeline

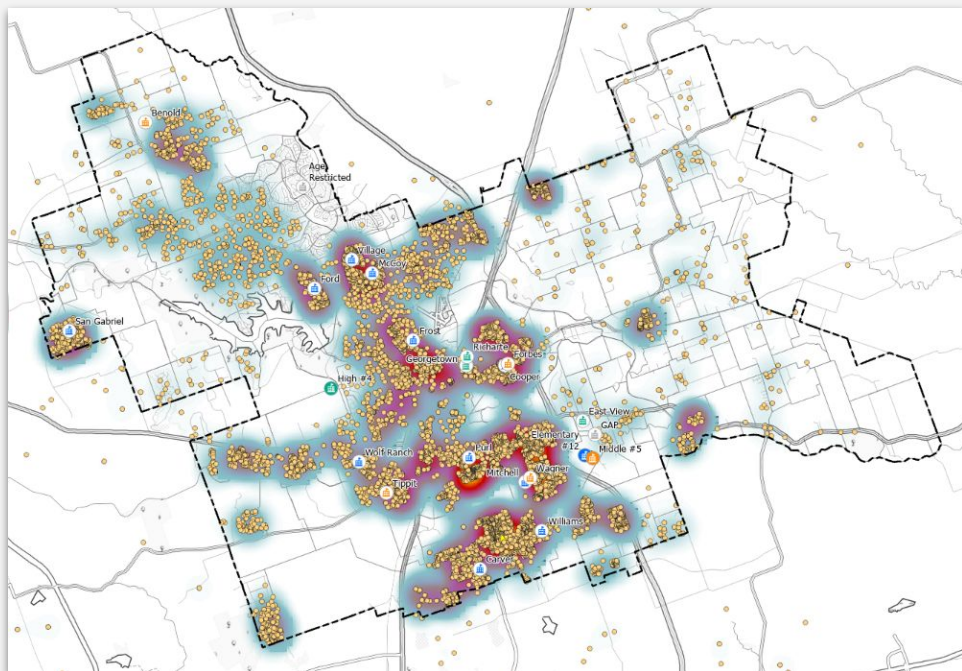

Commitments

- Draft attendance zones that support ongoing financial health and academic achievement for the next 10 years;
- Minimize future attendance zone changes for the same students;
- Allow us to best serve the needs of our students and families; and
- Help us be great stewards of district resources.
