PRESENT: Commissioners: Jeff Caggiano, Joseph Grabowski, Karen Hintz, Thomas O'Brien, Tina Taylor, Karen Vibert and Christopher Wilson; Ellen W. Solek, Superintendent, Susan Kalt Moreau, Deputy Superintendent, David Mills, City Council Liaison

EXCUSED: Commissioner David Scott

ABSENT: Commissioner Jennifer Dube

CALL TO ORDER/PLEDGE OF ALLEGIANCE/MOMENT OF SILENCE

Chairman Wilson called the meeting to order at 7:00 p.m. and asked the audience to stand for the Pledge of Allegiance.

A moment of silence was observed for Frances Makara an English Teacher at MBMS from 9/3/68 to 8/20/80; and Steven Beal a Special Education Teacher at Northeast from 9/2/75 to 6/30/10.

STAFF AND STUDENT RECOGNITION

Kids Speak Conference Winner - Zainab Hasan – Northeast Middle School

Dr. Moreau acknowledged the Kids Speak Conference Winner. Twenty five students from NEMS attended the Kids Speak Conference at UConn Law School on May 23rd. This is sponsored by the State of Connecticut Commission on Human Rights and Opportunities. The students also wrote essays on topics dealing with human rights for the Kids Court Competition. Out of all the submissions from schools throughout Connecticut two finalists out of the five were chosen from Northeast Middle School; sixth grader, Zainab Hasan and seventh grader, Caitlyn Ouelette. They recently presented their essays at the state capital in the Kids Court Competition. They both spoke eloquently in front of an esteemed panel of judges, lawyers and legislators and Zainab Hassan brought home the first place prize. She won a \$250 gift card. She spoke from the heart of her personal experiences with religious discrimination and answered some difficult questions from the panel. She was judged on the content, presentation and her ability to answer the questions. Congratulations Zainab.

Cistulli Scholarship Recipients

Susan Sadecki, President of The Main Street Community Foundation presented The Cistulli Fund scholarships. The Cistrulli Fund of the Main Street Community Foundation has once again sponsored scholarships for Bristol students to take private music lessons over the summer. Eight students were chosen to receive the scholarships this year:

Heddi DeVeau Well	Northeast	Clarinet
Katie Fornuto	Bristol Central	French horn
Selena Garcia-Cyr	West Bristol	Flute
Ava LeBlanc	Northeast	Trumpet
Caleb Molinsky	Mountain View	Trumpet
Leigha Powell	Chippens Hill	Trumpet
Douglas Sato	Chippens Hill	Bass
Kayla Sicotte	Bristol Central	Flute

Cistulli Scholarship Recipients – con't

Members of the Cistulli family were present in the audience. Ken Bagley and Dan Cistulli presented award certificates to those students present in the audience.

CT Special Education PTO Alliance – Spirit of SEPTO Award Recipient – Dr. Michael Dietter & Special Services Staff

The CT Special Education PTO Alliance has named Dr. Michael Dietter as the Spirit of SEPTO Award Recipient; however this recognition and award is a collective work of the Bristol Special Services Department. The Connecticut Alliance chose Dr. Dietter (and staff) because of their "exemplary collaboration with the local SEPTO Chapter" and "ensuring parent participation by facilitating parent friendly PPT and other informal meetings". This award is evidence in supporting improvement of communication and collaboration among stakeholders, as identified in the CREC Review. Congratulations to Dr. Dietter and the Special Services Department!

APPROVAL OF MINUTES

June 7, 2017 – Regular Meeting Minutes

On motion by Commissioner Hintz and seconded by Commissioner Taylor it was unanimously

VOTED: That the Board of Education approve the minutes from the June 7, 2017 Regular Meeting as written.

June 20, 2017 – Special Meeting Minutes

On motion by Commissioner Hintz and seconded by Commissioner Taylor it was unanimously

VOTED: That the Board of Education approve the minutes from the June 20, 2017 Special Meeting as written.

COMMITTEE REPORTS

Operations – Commissioner Hintz reported that the committee met on June 20th and they had another robust discussion on the ways that the district can continue to reduce our energy consumption. Some of the highlights will be staggering computer updating so that computers can be turned off during the summer, monitoring things like small refrigerators, computers, and coffee makers. The feasibility study has begun. Dr. Moreau met with DRA for a kick off meeting; data gathering has begun. There was a brief discussion regarding snow removal; it will remain in committee for continued discussion. The committee also discussed building rental fees.

Finance – Commissioner Vibert reported that the committee met earlier this evening. Currently we are still expecting to have a \$500,000 surplus; we are still waiting on a few items to be added in. We will have a final end of year exact figure at our August meeting. In Food Services we are still thinking that we will end the year with a \$3,500 deficit; which includes pension contributions. This was made possible with the Community Eligibility Program that is run at Hubbell and West Bristol's school. Special Education population continues to rise; we are now at 19% which is above the state average of 12-14%. As our population rises, so does the cost, and while the services are needed, it just is not funded properly.

CHAIRMAN REPORT

Chairman Wilson reminded commissioners that the next two BOE meetings are not at the beginning of the month, but rather at the middle of month (August 16th and September 13th). He shared information regarding the CABA Delegate Assembly and the Legislative Wrap-Up.

SUPERINTENDENT REPORT

End of Year Report

Dr. Solek presented an End of Year Report to the Board. Dr. Solek reported on various programs, accolades, initiatives and general Board business that took place throughout the year. Some of the topics covered were: School Performance Visits, Teacher Leadership Program, BOE Negotiations, BOE Student Representatives, BOE CABE Level I Award, Special Education Review, 17-18 Budget Process, Technology Integration, Staff Awards and District Accountability & Performance. Questions followed regarding attrition numbers reported.

Writing Initiative

Dr. Moreau presented the Bristol Central Writing Initiative. Dr. Moreau called Gale Dickau who was present in the audience to the podium. Last week the ESPN Media-Zone headline read: Adrian Wojnarowski Joins ESPN. Adrian Wojnarowski is a native of Bristol. He is a 1987 graduate of Bristol Central High School. He credits his early interest in writing and journalism to Gale Dickau, an English teacher of 50 years at the school. In connection with his new agreement, and working with Mrs. Dickau later this year, Wojnarowski will fund and launch “The Writing Initiative” at Bristol Central High School – a multifaceted, ongoing program to encourage students to write and help them develop and hone their skills, provide scholarships and develop teacher enrichment programs for educators teaching writing.

In Adrian’s words, “Whatever I’ve been able to achieve in my professional career, it is largely due to the foundation and nurturing provided to me by Gale Dickau and the educators at Bristol Central. I am honored to help Mrs. Dickau and BCHS provide platforms to train and inspire the next generation of writers and storytellers. I am a proud alumnus and excited to be a part of the Rams community again.”

The Writing Initiative will fund and promote the fostering, enhancement, and celebration of writing excellence at Bristol Central High School. Among its goals, The Writing Initiative plans to establish an open writing lab where students and staff may explore personal, academic, and creative writing; schedule individual consultations on college application essays; fund writing contest prizes; host author and speaker events including workshops and readings; explore ongoing professional development for teachers; endow summer writing scholarships for gifted and talented student writers; award college grants to students pursuing writing curricula; and grow student publications on multi-media platforms.

New Business

There was no New Business to come before the Board.

Information

Commissioner Caggiano requested an update on the furlough day that was mentioned at last month’s meeting. Chairman Wilson reported that he met with the leader of the union and it was decided that with negotiations coming up in August that the topic would be better suited for that platform. There would not have been enough time for a decision and consensus by all bargaining unions to capture the kind of savings they are anticipating. We chose not to pursue the furlough day at this time, it will be a topic at negotiations.

DRAFT

Liaison Reports

Commissioner Vibert reported that she attended the Bristol Eastern Graduation where 316 students graduated; 85% of the students are pursuing formal post-secondary educational options. The remaining students are either seeking employment, already employed or undecided. The percentage of students graduating, going to college, to the military or a certification program is up 5% since 2014 and up 7% since 2012.

Commissioner Vibert also shared a Bristol Schools' fun fact: recent graduate student Lucas Moring has never missed a day of school in his entire educational career.

At South Side School, students are busy signing up for the summer reading program; their goal is to keep their title of highest summer reading school for the third consecutive year. They are hosting the book mobile every Thursday from 11:30-1:30 p.m. They have great events planned, families will be notified via social media and Blackboard Connect; all Board commissioners are encouraged to attend.

Commissioner Taylor reported on two fundraising events for Greene Hills School: Monday, July 17th and Monday, August 12th, they will hold a fundraiser at Rita's; celebrity scoopers will be there waiting on patrons.

CERTIFIED RESOLUTION

I, Christopher Wilson, Chairman of the Bristol Board of Education, a corporation organized and existing under the laws of the State of Connecticut, hereby certify that the following is a true and correct copy of a resolution duly adopted at a meeting of the Board Commissioners duly held and convened on August 16, 2017 at which meeting a duly constituted quorum of the Board of Education was present and acting throughout, and that such resolution has not been modified, rescinded or revoked, and is at present in full force and effect:

- Whereas, the Bristol Board of Education has already made significant reductions in programs and services for our students and
- Whereas any further reductions taking place when the school year is about to begin would seriously disrupt the efforts to support the achievement of our students
- Therefore, be it resolved, that the Bristol Board of Education urges the Governor and the General Assembly to provide a phase in period for the implementation of any changes in state funding for public education.

Also, I do further certify that the above resolution has not been in anyway altered, amended or repealed, and is now in full force and effect.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the corporate seal of said company this **16th** day of **August, 2017**.

Ellen W. Solek, Ed.D., Superintendent
