15. Action As A Result of Executive Session

16. Adjournment

## BOARD POLICY

Section B

Board Governance and Operations

File: BDDH

## PUBLIC PARTICIPATION AT BOARD MEETINGS

The School Board recognizes and respects the input which may be provided by the public on school district matters. The Board also recognizes and respects the distinction between a school board meeting and a public meeting.

- At a school board meeting which is open to the public, members of the public may be present, observe and listen to the school board conduct its business and may speak during the school board meeting consistent with this policy.
- At a public meeting/hearing there is usually one topic to be presented by the District and discussed. The public is given the opportunity to speak and be heard on the topic which is the reason for the public meeting. This type of meeting allows for public participation under the rules designed specifically for that meeting and is not subject to this policy.

Policy BDDH, Public Participation at Board meetings, applies only to topics addressed in open/public. Matters addressed in executive session pursuant to SDCL 1-25-2 are not open to the public.

*Persons speaking during the Public Forum at a school board meeting shall not cause public inconvenience, annoyance, or alarm to the school board or any person, and shall not engage in threatening behavior, make unreasonable noise, be disruptive, boisterous, argumentative, or threatening, shall not make comments which are disrespectful to one or more persons, and shall not use profanity.*

The time designated for Public Forum on the agenda shall be immediately before the adoption of the meeting agenda by the school board.

In order to assure that the Board may conduct its meetings in a respectful and efficient manner, the procedure for public participation at regularly scheduled monthly school board meetings is as follows:

1. Agenda and Non Agenda Items:
  - a. Before the meeting is called to order, an individual who desires to speak at a school board meeting must in writing inform the Superintendent, the Business Manager or the Board President of the person's desire to speak and the topic upon which the person intends to speak. The requesting party must sign a form (prepared by the school district) with their name, address, email and topic to be addressed.
  - b. During the time designated for Public Forum, the Board President will recognize the person who signed up to speak and the person may speak on the topic according to the rules set forth in this policy.

## BOARD POLICY

---

Section B

Board Governance and Operations

File: BDDH

---

- c. A speaker shall be granted 5 minutes to present comments to the school board. Upon receiving a request for an extension of time from the speaker, the school board, upon a motion being made and passed by a majority of school board members present and voting, may grant an additional amount of time not to exceed 5 minutes. Additional extensions may be granted only upon a two-thirds vote of school board members present and voting.
    - d. Should a number of persons wish to address the school board on the same agenda item, or should the comments become repetitious, the School Board President, in the President's sole discretion, may shorten the time for comments to two minutes per person in order that persons wishing to address the school board may be heard and still allow the school board sufficient time to conduct its agenda business.
  2. Adding an Item to the School Board Meeting Agenda in Order to Request Specific School Board Action:
    - a. Any person or delegation (with one person being the spokesperson for the delegation) making a specific request to the school board which would require formal action by the school board must present a written request to the Superintendent for the item to be placed on the school board meeting proposed agenda. The written request must be submitted to the Superintendent at least five calendar days before the school board meeting.
    - b. The specific request to add an item to the agenda shall clearly identify what is being requested and why, signed by the person making the request, and include the person's name, address, email and telephone number.
    - c. The Superintendent will forward the request to the School Board President and the Board President will decide whether the item will be placed on the proposed agenda. Whether any item is to be addressed at the school board meeting is determined by a majority of school board members at the beginning of the school board meeting when the school board adopts the proposed agenda as printed or adopted after being modified.
    - d. If the item on the meeting agenda is adopted by the school board, the person or spokesperson for the delegation who has submitted the request for specific school board action will be granted 10 minutes to explain the request to the school board. Upon receiving a request for an extension of time from the speaker, the school board, upon a motion being made and passed by the majority of school board members present, may grant an additional amount of time not to exceed 5 minutes. Additional extensions may be granted only upon a two-thirds vote of school board members present and voting.

**BOARD POLICY**

Section B

Board Governance and Operations

File: BDDH

e. In the sole discretion of the school board, requests to the school board for specific action submitted after the proposed agenda has been posted may be:

- deferred until the next regular meeting or a special school board meeting, or
- added to the meeting agenda for discussion purposes only, or
- added to the agenda for discussion and possible action.

3. Authority of Presiding Officer:

The Board vests in its presiding officer the authority to terminate the right of any person to speak at the end of the time granted pursuant to provision 1.c, provision 1.d, or provision 2.d. as set forth in this policy. The presiding officer may also terminate the right of a person to speak at a school board meeting should the person cause public inconvenience, annoyance, or alarm to the school board or any person, engage in threatening behavior, make unreasonable noise, disturb or be disruptive of an official school board meeting, or when comments are disrespectful to one or more persons, boisterous, argumentative, threatening, or contain profanity.

If deemed necessary by the presiding officer, the presiding officer may contact local law enforcement to have a person removed from the school board meeting as it is a violation of law for a person to intentionally cause or create a risk of serious public inconvenience, annoyance, alarm or disturbance at a school board meeting.

MINUTES  
DOUGLAS SCHOOL DISTRICT  
BOARD OF EDUCATION MEETING

Monday, April 25, 2022

The Douglas School District No. 51-1 Board of Education held a regular meeting on Monday, April 25, 2022 at 5:00 PM in the library conference room at Vandenberg Elementary School, Box Elder, South Dakota. President Cathleen Melendez presided. Those present were:

Ben Frerichs: Present, Tanya Gray: Present, Amy McGovern: Present via Zoom, Cathy Melendez: Present, Chris Misselt: Present via Zoom.

All action in these Minutes were by unanimous vote unless otherwise stated.

President Melendez called the meeting to order at 5:00 p.m.

Board President Melendez introduced the new associate board member, CMSgt Keelan Rasmusson.

Superintendent Case recognized and thanked the 24 staff and community members who participated in the middle school principal interviews.

There was nothing for Public Forum.

Motion to approve the agenda. This motion, made by Ben Frerichs and seconded by Tanya Gray, Carried.

Motion to approve the consent agenda. This motion, made by Tanya Gray and seconded by Ben Frerichs, Carried.

Approved Regular Board Minutes of April 7, 2022.

Approved Personnel Action for April 25, 2022. (Attachment)

Approved March 2022 Financial Report. (Attachment)

Approved Accounts Payable Report. (Attachment)

Approved trip request for Tech Ed students to compete at the National Skills USA event in Atlanta on June 18-24, 2022.

Approved trip request for two high school students and one staff member to travel to Germany in June 2022.

There were no conflicts disclosed as defined in SDCL 3-23.

**Superintendent Items:**

Darin Hanigan and Rachel Andersen from DLR Group shared the initial schematic design for the Elementary Building #1 project. It will be a two-story building with a capacity of 600 PK-5 students located between Creekside Estates and Prairie View Estates. They anticipate the final schematic design will be ready for board approval by May 9.

Jared Carda from CoOp Architects introduced Bob Wessel from Gustafson Builders. The Construction Documents for the new high school project are completed. The project cost is \$127 million based on today's costs. The project is ready for bid as soon as funding is secured.

Motion to approve Student Assignment Requests as recommended. This motion, made by Ben Frerichs and seconded by Tanya Gray, Carried.

### **Fiscal Resources Items:**

Motion to approve the Proposed Pay Schedule for Classified Employees for the 2022-2023 School Year. This motion, made by Tanya Gray and seconded by Ben Frerichs, Carried.

Motion to approve proposed Classified Staff Changes for 2022-23 school year as presented at the Classified Listening Sessions. This does not include any further recommendations as a result of the sessions. This motion, made by Ben Frerichs and seconded by Tanya Gray, Carried.

### **Operational Support Services Items:**

Motion to approve Items 11A-C as one motion. These items are first readings of revised/repealed policies. This motion, made by Ben Frerichs and seconded by Tanya Gray, Carried.

#### Revised Board Policies:

Board Policy BFCA - Board Regulations and Handbooks

Board Policy BHD - Board Member Compensation and Expenses

#### Repealed (removed) Board Policies:

Board Policy BDDCA - Agenda Related Supplemental Information

Board Policy BDDEA - Parliamentary

Board Policy BFB - Preliminary Development of Policies

Board Policy BFG - Policy Review and Evaluation / Manual Accuracy Check

Board Policy BHA - New Board Member Orientation

Board Policy BHB - Board Member Development Opportunities

Motion to approve second reading of items 11D-E as one motion. This motion, made by Ben Frerichs and seconded by Chris Misselt, Carried.

#### Approved Second Readings:

Revised Board Policy GCPB - Resignation of Professional Staff Members

New Board Policy Exhibit GCPB-E(1) - Application for Early Resignation Notification

Incentive Pay

### **Reports:**

Superintendent Kevin Case shared there was good attendance at the community meetings held on April 21 & 22 where he shared information on district and community growth. Information has been sent out about the Community Advisory Committee and we are receiving responses, as well as, initiating the Above and Beyond staff recognition program.

Committee Reports from Board Members and Comments from Associate Board Members:

Col Vaira was appreciative of everything done by the school district and region for Month of the Military Child.

Amy McGovern added that Booster Club is preparing for end of year activities for the Senior Activities Banquet and Senior Awards.

Ben Frerichs stated that Col Vaira will be throwing the first pitch for the Little League game on Saturday at 9:00 a.m.

Tanya Gray will be attending the Black Hills Special Services Cooperative Board of Directors meeting on Wednesday.

CMSgt Rasmusson appreciated the warm welcome and hearing about the innovative collaborative ideas being incorporated in the new building projects.

Cathy Melendez attended the Box Elder Area Chamber of Commerce meeting last week. They are currently planning the Spring Market Event for the Box Elder community.

Motion to move into executive session at 5:49 pm to discuss personnel matter per SDCL 1-25-2.1. This motion, made by Ben Frerichs and seconded by Tanya Gray, Carried.

President Melendez called the Board out of executive session at 6:00 p.m.

Motion to approve administrative voluntary separation for DMS Assistant Principal Mark Sheets effective June 2022 as presented. The Board thanks him for his fourteen years of service to the District. This motion, made by Tanya Gray and seconded by Ben Frerichs, Carried.

Motion to adjourn the meeting at 6:01 pm. This motion, made by Ben Frerichs and seconded by Tanya Gray, Carried.

**SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION  
2022 OFFICIAL ELECTION BALLOT  
DIVISION II REPRESENTATIVE- SUPERINTENDENT  
TERM: JULY 1, 2022 TO JUNE 30, 2027**

**Division II Representative-** To be filled by a SDHSAA member school Superintendent.

This position is currently held by Terry Rotert of Huron high School. The Division II representative may be a Superintendent from any SDHSDAA member school with a 2021-22 ADM from 1042 to 543. The Division II schools include Brandon Valley with a 2021-22 ADM of 1042 to O’Gorman with a 2021-22 ADM of 543. This position must be filled by a Superintendent. **Any member school may nominate a person for this position and all member schools have the opportunity to vote.** The person elected will serve a five-year term on the SDHSAA Board of Directors and is unable to run for re-election in the Division III Representative slot. Member schools in the Division III Representative group include: Brandon Valley, Aberdeen Central, Watertown, Brookings, Mitchell, Yankton, Sturgis Brown, Pierre TF Riggs, Douglas, Huron, Spearfish, and O’Gorman. Aberdeen Central is ineligible due to already having a member on the Board of Directors.

You may vote for one candidate.

The deadline for the return of this ballot is **May 31, 2022.**

**BALLOTS DUE: May 31, 2022**

**SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION PROPOSED  
AMENDMENTS TO CONSTITUTION AND BYLAWS**

**AMENDMENT NO. 1**

Amend Article III, Section 1 of the SDHSAA Constitution as such:

**SECTION 1. APPLICATION FOR MEMBERSHIP.** Any high school approved and accredited by the secretary of the department of education and cultural affairs, except such schools as have been expelled and have not been reinstated under Art. VIII of this Constitution, may become a member of this Association by (1) submitting a statement signed by a proper school official to show that the governing board has taken action to approve the application for membership and, also, to approve this Constitution and these Bylaws; (2) designating its official representative; ~~and~~ (3) having the ~~principal (or superintendent)~~ **Superintendent (or Chief Executive Officer) and Board of Education** of the high school subscribe in writing to this Constitution and Bylaws; ~~(4) paying the three dollar (\$3.00) initial membership fee, and the dues for the current year.~~ The Association's year shall begin on July 1 and end on June 30.

**Rationale:** This changes the language to reflect actual practice. We do not require any initial membership fee, and the annual resolution authorizing membership in the SDHSAA is signed by the School District Superintendent and Board of Education.

***SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION***

***2022 OFFICIAL AMENDMENT BALLOT***

The deadline for the return of this ballot is **May 31, 2022**. In order to pass, a proposal must receive a 60% favorable vote. Please refer to the accompanying document for the text of the amendment and the rationale that was given at the Annual Meeting of the Board of Directors.

**BALLOTS DUE: May 31, 2022**

**SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION PROPOSED  
AMENDMENTS TO CONSTITUTION AND BYLAWS**

**AMENDMENT NO. 2**

Amend Article III, Section 3 of the SDHSAA Constitution as such:

**SECTION 3. DUES.** Each member school shall pay dues for each student enrolled in grades 9, 10, 11 and 12. The amount of dues per student and the minimum and maximum dues per school will be recommended by the Board of Directors. Each member school will have an opportunity to vote on the Board of Director's recommendation with the majority prevailing. Entry fees for all events shall be determined by the Board of Directors. (By Board Action in the 2020-21 school year, the SDHSAA has suspended membership dues and fees, beginning in FY2022.)

**Rationale:** Reflects board action, as recommended by SDHSAA staff, beginning in FY2022. If reinstatement of membership dues is financially necessary in the future, the membership and Board of Directors will have an opportunity by policy to decide on the structure of those dues.

**SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION**

**2022 OFFICIAL AMENDMENT BALLOT**

The deadline for the return of this ballot is **May 31, 2022**. In order to pass, a proposal must receive a 60% favorable vote. Please refer to the accompanying document for the text of the amendment and the rationale that was given at the Annual Meeting of the Board of Directors.

**BALLOTS DUE: May 31, 2022**

**SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION PROPOSED  
AMENDMENTS TO CONSTITUTION AND BYLAWS**

**AMENDMENT NO. 3**

Amend Article VII, Section 3, Subsection J of the SDHSAA Constitution as such:

**J.** The Board of Directors, or the Executive Director, as hereinafter provided in Section 10, shall have authority to waive the enforcement of the transfer rule when it appears that an individual student would be unjustly penalized because of (1) death of a parent; (2) divorce; (3) court adjudicated separation of the parents; (4) change in economic status of the parents beyond the control of the student's family which forces the transfer. A waiver under this sub-section shall only be granted when the economic change is a foreclosure, bankruptcy, or parents loss of job which would require documentation by the parents; (5) assignment, by any governmental agency of a student to a particular school or school district; (6) assignment, by any governmental agency, of a student to a facility such as McCrossan Boys Ranch; ~~(7) No Child Left Behind—NCLB;~~ and (87) any other circumstance of a similar serious nature.

**Rationale:** NCLB no longer exists, and there are no feasible reasons by which a student would need a waiver of the transfer rule due to ESSA. This was used in the past when students had completed the entirety of available course offerings within a school. With distance learning and dual credit possibilities due to technological advancements, this reason for hardship is no longer needed.

**SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION**

**2022 OFFICIAL AMENDMENT BALLOT**

The deadline for the return of this ballot is **May 31, 2022**. In order to pass, a proposal must receive a 60% favorable vote. Please refer to the accompanying document for the text of the amendment and the rationale that was given at the Annual Meeting of the Board of Directors.

**Unless there are TWO signatures, this ballot will be unacceptable and declared void.**

**BALLOTS DUE: May 31, 2022**

**SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION PROPOSED  
AMENDMENTS TO CONSTITUTION AND BYLAWS**

**AMENDMENT NO. 4**

Amend Article VII, Section 10 of the SDHSAA Constitution as Such:

**SECTION 10. CONTROL OF ELIGIBILITY OF STUDENTS.** Since it is important that eligibility cases be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing. The term “days” when used in this policy will mean working days. (Monday-Friday except holidays)

The eligibility of students of member high schools to participate in South Dakota High School Activities Association events will rest with the Board of Directors of the Association under the powers of Section 3 above.

**LEVEL ONE: EXECUTIVE DIRECTOR**

Initial rulings on request for interpretations regarding eligibility based on the Association Constitution and Bylaws, including rulings on all hardship cases, will be made by the Executive Director. Once the request is received in the SDHSAA office, the Executive Director will render a decision in writing to the aggrieved party within fourteen (14) days.

**LEVEL TWO: APPEALS COMMITTEE**

The member school aggrieved by a decision of the Executive Director in eligibility cases may appeal such decision to an Appeals Committee of the SDHSAA within seven (7) days after receiving notification of the Executive Director’s decision. Such requests will:

- A. be made in writing
- B. be signed by the **Superintendent/CEO or Board of Education of the** member school requesting the appeal
- C. include a detailed explanation of the factual situation as per the particular question or questions involved and
- D. be directed through the office of the Executive Director of the SDHSAA.

The Appeals Committee will be appointed by the Executive Director and will consist of three (3) members **of the SDHSAA Board of Directors**, one of whom will be designated as the chairman of the committee. ~~All members of such an Appeals Committee will be superintendents, high school principals, athletic/activities directors, or board of education members of member schools but n~~No representative will be named from a school which is involved in the decision. The Executive Director of the SDHSAA will establish a date and conduct a hearing within seven (7) days and will advise all interested parties and committee members of the time, place and purpose of the hearing.

The hearing conducted by the Appeals Committee will be fair, impartial and in accord with due process of law. The Appeals Committee will have the authority to investigate the factual situation as per each request and require that additional, specific information be submitted. The aggrieved party and the Board of Directors will have the right to be represented by counsel; to examine and cross-examine witnesses; and to present evidence of all relevant nature in the matter before the Committee. The Appeals Committee will render a decision

within seven (7) days following the hearing. Any decision made by the Appeals Committee may be appealed to the Board of Directors. Such requests will:

- A. be made in writing
- B. be signed by **Board of Education or the Superintendent/CEO** of the member school requesting the appeal
- C. include a detailed explanation of the factual situation as per the particular question or questions involved and
- D. be directed through the office of the Executive Director of the SDHSAA.

### **LEVEL THREE: BOARD OF DIRECTORS**

Appeals ~~from the three member of the decision of the~~ Appeals Committee shall be initiated by the member school and will be to the Board of Directors of the SDHSAA. **The three SDHSAA Board of Directors members involved in the Level Two appeal shall not participate in the Level Three appeal.** The request will be filed within seven (7) days after receiving notification of the decision of the Appeals Committee. The decision of the Board of Directors will be final. The Executive Director and/or the Board of Directors will have the authority to investigate the factual situation as per each request and require that additional specified information be submitted. The Board of Directors will hear appeals during their next regularly scheduled meeting, **unless it is agreed upon by the Board of Directors to hear the appeal in a special meeting due to timeliness of the request.**

Written notification of the decision of the Board of Directors will be rendered through the office of the Executive Director within seven (7) days following the Board of Directors hearing.

Nothing herein contained will prohibit the Executive Director or the Board of Directors from initiating investigations of cases of eligibility, including the right to require that information pertinent to such investigations be submitted. The Board of Directors can issue rulings resulting from such investigations in the same manner and with the same force and effect as decisions rendered pursuant to written requests.

All decisions of the Board of Directors rendered pursuant to this section shall be final.

**Rationale:** The Executive Director processes approximately 80-100 hardship requests per year, and a growing number are being appealed to levels two and three without knowledge of the school's Superintendent or Board of Education. In addition, the current level two process relies on a random sampling of three membership administrators to fully understand the SDHSAA constitution and by-laws and puts those administrators in a difficult position. Involving members of the Board of Directors in the Level Two process allows for participation from individuals with a deeper understanding of SDHSAA processes and involves individuals who have been voted in as a Board Member by the SDHSAA membership to represent their interests.

***SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION***

# SOUTH DAKOTA HIGH SCHOOL ACTIVITIES ASSOCIATION PROPOSED AMENDMENTS TO CONSTITUTION AND BYLAWS

## AMENDMENT NO. 7

**Submitted By:** SDHSAA Native American Advisory Council and SDHSAA Staff

**Proposal:** Amend Article III, Section 2 of the SDHSAA Constitution as Such-

**SECTION 2. BASIS FOR CLASSIFICATION BY ENROLLMENT.** ~~When m~~Member schools are classified according to enrollment for participation in the various athletic or fine arts activities sponsored by the Association; reflective of actual figures collected by the South Dakota Department of Education on the last Friday in September of each reclassification/alignment year ~~will be utilized to establish classifications.~~ **In addition to actual figures collected by the South Dakota Department of Education, a Free and Reduced Lunch Multiplier shall be utilized to adjust enrollment counts dependent upon the reported percentage of students in grades 9-12 at each school who qualify for Free and Reduced Lunch according to the South Dakota Department of Education per Federal guidelines. The free and reduced lunch percentage shall be multiplied by 30%, and the resulting percentage will be used to reduce the enrollment count of the school, with a maximum multiplier reduction of 30%. The resulting enrollment count with multiplier shall be used as the official enrollment number of the school when determining classifications. Special programs utilized by the Federal Government whereby a school is classified on an other than annual basis may be considered by the Board of Directors (i.e.-Community Food Programs, etc).** Reclassification and alignments for all sports and fine arts activities shall be done at the same time so that the two-year periods are concurrent for all activities.

**Rationale:** We have a number of schools on the line between classifications with large populations of students who qualify for Free and Reduced Lunch. In general, those schools and students have severe discrepancies in access to equipment and school/personal access to outside training opportunities as compared to similar sized schools with low populations of students who qualify for Free and Reduced Lunch. This multiplier is used in several other states, and free and reduced lunch percentage has been widely accepted as a major factor in athletic/activity success. This multiplier would allow those schools to remain in a classification level that most appropriately reflects their opportunities.

Formula (example using FRLP of 85% and enrollment of 400):

- Step 1- multiply 30 by FRLP. (ex-  $30 \times 0.85 = 25.5$ )
- Step 2- subtract resulting number from 100 and change to a percentage (ex-  $100 - 25.5 = 74.5$ , change to 74.5% or .745)
- Step 3- Multiply Enrollment number by the Step 2 percentage (ex-  $400 \times .745 = 298$ )

Examples:

- School 1: 9-11 Enrollment 400, FRLP 100%, multiplier of 30%, adjusted enrollment 280.
- School 2: 9-11 Enrollment 400, FRLP 50%, multiplier of 15%, adjusted enrollment 340
- School 3: 9-11 Enrollment 400, FRLP 70%, multiplier of 21%, adjusted enrollment 316
- School 4: 9-11 Enrollment 400, FRLP 30%, multiplier of 9%, adjusted enrollment 364.
- School 5: 9-11 Enrollment 400, FRLP 85%, multiplier of 25.5%, adj. enrollment 298.

## SCHOOL BOARD RESOLUTION

### Authorizing Membership in the South Dakota High School Activities Association

By resolution, the School Board of:

DOUGLAS SCHOOL DISTRICT 51-1

(Name of School District or School)

has authorized membership in the South Dakota High School Activities Association for the high school(s) under its jurisdiction as hereinafter listed:

\_\_\_\_\_

\_\_\_\_\_

This is to be for the period which begins July 1, 2022 and ends on June, 30, 2023 with the supervision, control, and regulation of any and all high school interscholastic activities being delegated to said Association.

In addition, the above-mentioned School Board has ratified the Constitution, By-Laws, and rules of the South Dakota High School Activities Association as of July 1, 2022 and agrees to conduct its activities programs within the framework of these instruments.

\_\_\_\_\_  
Date of Resolution

\_\_\_\_\_  
President of Board

\_\_\_\_\_  
Superintendent of Schools

**Due By:**

**July 15, 2022**

I certify that the team, league, or event on whose behalf I am requesting this certificate mandates 100% membership in USA Lacrosse for all players and coaches. In addition, I have verified our team's or league's events roster and all players and coaches are currently registered members of USA Lacrosse. I certify that this is true and I understand that liability coverage is only extended to our team, league, or event if all players and coaches are current members of USA Lacrosse. Further, I acknowledge by clicking on this box that liability claims may be denied for coverage if our team/league or event does not have 100% registered players and coaches with USA Lacrosse.

## **DOUGLAS SCHOOL DISTRICT #51-1 CLUB SPORTS/ACTIVITIES RECOGNITION AGREEMENT**

1. High school LACROSSE is not offered by the Douglas School District (hereinafter "District"), but is available in the Rapid City area and the Box Elder/EAFB community as a club activity.
2. Upon application and under the following conditions, the District may, in its discretion, recognize community or club sports/activities, may allow club or community activities to utilize the "Douglas" or "Douglas High School" name or mascot and may consider participating students eligible for District awards.
3. Eligibility for participation in a club or community sport (hereinafter "Club") will be determined by the Club. The Club is solely responsible for preparing and adopting requirements such as residency, enrollment and academic performance. The Club may decide, in its sole discretion, to follow the South Dakota High School Activities Association requirements and the extra-curricular rules and regulations of the District.
4. The Club shall be solely responsible for providing suitable coaches and referees, for arranging appropriate transportation, and for providing supplies, equipment, game and practice schedules as well as awards for competition. It will also be responsible for all expenses associated with operating the club team, including but not limited to transportation, referees, coaches, supplies, equipment and awards.
5. The Club represents that all coaches have successfully completed a course in the Care and Prevention of Injuries and First Aid. The District will provide the Club with a copy of the Risk Management Guidelines contained in the Douglas High School Activity Handbook.
6. The Club may request use of District facilities on the same basis as any community group. Club teams may not store their equipment on District property or use District uniforms.

7. Only students who meet the eligibility standards of the South Dakota High School Activities Association and the Douglas School District can be considered eligible for District awards. The Club shall submit a team roster to the Douglas High School Activities Director during the first week of participation so that an individual participant's eligibility for District awards can be assessed.
8. The Club shall submit a list of proposed award winners to the Activities Director within one week of the conclusion of the season. Upon receipt of the list of proposed award winners, the District will have sole discretion to determine, under the District's lettering criteria which student, if any, shall receive District awards.
9. Only students enrolled full-time at Douglas School District and who participate on a Club team that has signed a DOUGLAS SCHOOL DISTRICT #51-1 CLUB RECOGNITION AGREEMENT and has provided the Certificate of Insurance described in paragraph 14 below can be considered for District awards.
10. Penalties assessed to participants for violation of the drug and alcohol rule during the Club sport season will not replace the penalty for school-sponsored activities.
11. To be considered for an award, participants must play in at least one-half of all scheduled games and must attend all practices and games unless an acceptable excuse is verified by the coach. Competition must be at a level comparable to high school varsity competition.
12. Student absences from school, which are related to participation in a recognized Club sport, will be documented as parental excused absences if the school receives appropriate notice from the participant's parent or legal guardian.
13. Club sport participants will be covered by appropriate accident insurance procured by the governing league, by the Club or by the participant's parents.
14. Prior to recognition by the District and before using the District's name in association with any Club sport, the Club shall provide the District with a Certificate of Insurance in an amount of at least \$1,000,000.00 that names the District as an additional named insured.

15. The Club agrees that it shall defend, hold harmless, and indemnify the District from all demands, claims, suits, actions, damages, liabilities, losses or legal proceedings arising on account of or relating in any way to the District's recognition of the Club sport/activity or the District's alleged association with it.

16. The Club shall provide all participating parents with a copy of this agreement.

17. It is the responsibility of the Club representative to ensure compliance with all of the terms of this Agreement.

18. This agreement is effective for one year upon approval of the Douglas School District Board of Education. However, Douglas School District #51-1 may cancel this agreement at any time for any reason without prior notice of cancellation.

19. The parties acknowledge that any prior agreement entered into between the District and a Club representative is null and void and has no effect.

## **DOUGLAS SCHOOL DISTRICT Title VI Indian Parent Committee**

### **By-laws**

#### **RATIONALE**

The purpose of the Douglas School District Title VI Indian Parent Committee (IPC) is to assist the District in meeting the cultural needs of Native American students to ensure such children meet or exceed the academic achievement standards adopted for all students.

#### **ARTICLE I NAME OF ENTITY**

The Douglas School District name of the Indian Parent Committee (IPC) for the Title VI Indian education program, shall be the Douglas School District Title VI Indian Parent Committee (IPC).

#### **ARTICLE II PURPOSE**

The IPC has been established to ensure the following goals and program evaluations are met for Native American students in the Douglas School District to occur in a sustainable public meeting manner.

##### Goals:

1. Act as a voice in representing the Native American students and their parents/ guardians in the community.
2. Review and approve annual Title VI/ EASIE Grant Application and evaluate the grant objectives.
3. Consults with Douglas School District on Title VI development and operation.
4. Adopt and abide by the by-laws for the conduct of the activities of the IPC for the duration of the Title VI program funding.

The establishment and the work of the IPC are to comply with the rules and regulations governing Title VI 20 U.S.C. §7401 et seq. In conjunction with home, community, and school support, the IPC will complete the following objective:

##### Objective:

To assist the Douglas School District in meeting the cultural needs of Native American students to ensure such children meet or exceed the academic achievement standards adopted for all students.

#### **ARTICLE III POWERS AND DUTIES**

##### **SECTION ONE: POWERS**

The IPC and the Douglas School District recognize they must foster a positive and collaborative relationship in order to help facilitate academic success for Native students.

Section One – The IPC powers shall be:

Meet with the Indian Education Department regularly (monthly, if not more frequently) to gather information to provide support and advice to Douglas School District to assist them in understanding and meeting the academic, cultural, and wellness needs of Native American students.

Review the student, parent, and teacher needs assessment survey or questionnaire(s) and Indian pupil assessment results (specifically, hard data concerning student performance or achievement), and provide Douglas School District with any potential recommendations to assist in improving the following:

1. Increased student attendance rate.
2. Increased student academic achievement.
3. Increased knowledge of cultural identity and awareness.
4. Meet/ exceed grade-level reading and writing standards.

## **SECTION TWO: DUTIES**

Duties of the IPC shall be:

1. Recommend to Douglas School District a general plan for the allocation of Title VI Native American student-generated funding.
2. Recommend Title VI EASIE Application Part II Applications and budgets to be forwarded by the Indian Education Department to the Douglas School District Superintendent and Board of Education for review and certification.
3. Assist Douglas School District recruitment of personnel by providing opportunities of culturally-relevant professional development to better meet the needs of Native American students.
4. Participate in at least one annual Public Hearing organized and hosted by Douglas School District.
5. Recommend to Douglas School District curricula, texts, materials, and methods to be used to better serve the educational needs of Native American students.
6. Assist in providing information and regular reports to respective Indian Tribes, Pueblos, Bands, and other Native communities.
7. Have access, in accordance with Douglas School District confidentiality policies for all reports, evaluations, surveys, and other program and budget-related documents necessary for review, in order to carry out the committee's responsibilities.
9. IPC members shall not act or speak on behalf of the entire IPC as an individual; members should only represent their own viewpoint. All IPC members must have prior formal authorization by action (motion recorded in the minutes) to represent or speak on behalf of the IPC.
10. The IPC shall exercise its authority only during official IPC meetings.
11. IPC members are expected to attend all meetings in entirety in order to establish a quorum, fully participate in the discussion, and to cast a vote.

12. IPC members shall receive training to gain knowledge and skills of their specific roles and responsibilities.
13. The IPC shall have no powers beyond those expressly set forth herein.
14. The IPC shall have no power to bind any member of the Douglas School District to any debt, liability, or obligation in the absence of an express written authorization from Douglas School District.
15. In addition, the IPC shall abide by all Douglas School District official Board Policies and Administrative Procedural Directives, or similar.

## **ARTICLE IV MEMBERSHIP**

### **SECTION 1 - MEMBERSHIP OF IPC**

Five (5) members of the IPC consisting of at least one of the following members:

- (a) majority **(51%) parents, family members, and or guardians** of Native American children in the Douglas School District schools,
- (b) one Teacher or Counselor Representative,
- (c) high school/ middle school student members who have a current ED 506 form with Tribal affiliation from a Federally or state recognized Tribe, and
- (d) Tribal Representative(s) on Indian lands located within 50 miles of any school that the agency will serve if such Tribes have any children with ED506 forms on file in such school.

**IMPORTANT:** The overall majority **(51%)** of the membership must be **parents, family members, and or guardians** of Native American children, e.g., the **parents, family members, and or guardians must outnumber the other members of the IPC.**

### **SECTION 2 - MEMBER DEFINITIONS**

A Parent is defined as any person who is the parent or family member, as defined by Douglas School District of a Native American student who has an ED 506 Form on file and is enrolled in the Douglas School District.

The Teacher or Counselor(s) Representative is a person who is employed by Douglas School District in either a Teacher or Counselor position. All Indian Education Department staff members are disallowed to serve.

A Student Representative is a person who has a compliant ED 506 Form on file and is actively enrolled and attending classes at a Douglas School District high school/ middle school served by the Title VI funded program.

A Tribal Representative is a representative(s) of Indian Tribes on Indian lands located within 50 miles of any school that the agency will serve if such tribes have any children in such school.

### **SECTION 3 - ELECTIONS**

The election of IPC members shall be held during an open public meeting announced by the following: Douglas School District Webpage, Facebook Page, and email notification to all qualifying parents/guardians.

IPC members shall be nominated and elected at this open meeting by parents, family members, and/or relatives of Indian students attending Douglas School District. Eligible members shall include:

- a. Parents of Native American children attending Douglas School District;
- b. Teachers and Counselors employed by Douglas School District;
- c. Native American high school/ middle school student(s) attending the Douglas School District; and
- d. Representatives of local Indian Nations/Tribes and similar on Indian lands located within 50 miles of any school that the agency will serve if such tribes have any children in such a school.

#### **SECTION 4 – OFFICER/MEMBER TERMS OFFICE**

Parent members will serve multi-year terms. All parent members will serve two (2), one year staggered terms so long as their child(ren) are enrolled in Douglas School District.

The Student Representative(s) will serve two (2), one year terms. The student representative must comply with all Douglas School District student policies as addressed in the Douglas School District Student Handbook, and maintain a GPA of 2.5, as determined by semester grades. The student may serve only as long as he/she is actively enrolled in Douglas School District.

The Teacher or Counselor members will serve two (2), one year terms as long as she/he is employed as a Teacher or Counselor in Douglas School District.

A term is defined as three Fiscal Years (FY) from July 1st to June 30th of the School year. All members will serve two (2), one year staggered terms except for the student representative. The student member will serve one year.

The IPC will elect three officers: Chairperson, Vice-Chairperson, and Secretary. The officers will be elected on an annual basis and serve two (2), one year staggered terms. The election will take place at the first meeting of the required school year. Officers may serve more than one year.

#### **SECTION 5 - VOTING RIGHTS**

Each Committee member eligible to vote is entitled to one vote on business matters brought to a vote.

There must be a quorum 60% % of IPC members for business to be taken to a vote. Otherwise, it can only be further discussed as old or new business.

#### **SECTION 6 - ATTENDANCE**

All members are required to attend each meeting.

An absence will be excused if a member contacts the IPC Chairperson or Vice-Chairperson, and the

Indian Education Department, 24 hours prior to the meeting, or in case of immediate emergency, she/he will not be attending.

## **SECTION 7 - TERMINATION OF MEMBERSHIP**

Any member may be terminated from membership on the Committee for the following reasons:

The member who does not attend regular or special meetings (i.e., work sessions, retreats, and emergency meetings) of the Committee for three (3) annual meetings (unexcused absences). Termination is approved by a majority vote of the IPC;

The member no longer wishes to serve on the Committee and so indicates by submitting a letter of resignation to the IPC Chairperson or Indian Education Director (IED);

If a member does not fulfill his/her member roles and responsibilities in a professional manner consistent with Douglas School District decorum policies and cultural values, the member may be asked to resign from the IPC by the Chairperson; and

If an IPC parent, guardian, or family member's child is no longer enrolled in Douglas School District; and if a Teacher representative no longer works at Douglas School District.

## **SECTION 8 - VACANCY**

If the position of Chairperson should become vacant, the Vice-Chairperson will assume the role of the Chairperson. The IPC shall elect a new Vice-Chairperson from the members of the IPC.

Any vacancy, which occurs on the IPC for any reason shall be filled by an election as provided in Section 2 above, for the remainder of the unexpired term of the member or officer being replaced. The election shall be held as soon as is reasonably practical.

# **ARTICLE V OFFICER ELECTIONS, TERMS AND DUTIES**

## **SECTION 1 - OFFICERS**

The officers of the IPC will be the Chairperson, Vice-Chairperson, and Secretary.

## **SECTION 2 - ELECTIONS & TERMS OF OFFICE**

The officers of the IPC shall be elected by a majority vote of the IPC at the first regular meeting of the school year. The officers shall serve two (2), one year staggered terms.

Officers shall assume their duties immediately upon election.

## **SECTION 3 - CHAIRPERSON DUTIES**

The primary responsibilities of the Chairperson is to conduct all meetings of the IPC, including development of meeting agendas with input from the IPC members and the Title VI staff. Upon approval of the IPC, the Chairperson will sign IPC Approval Form, letters, documents, and reports, as necessary. The Chairperson will be the IPC Representative at District and non-District functions. The Chairperson may assign various duties to other IPC members. The Chairperson will not have the authority to commit

the IPC to any function without the express approval of the IPC.

#### **SECTION 4 - VICE-CHAIRPERSON DUTIES**

In the absence of the Chairperson at an IPC meeting, the Vice-Chairperson will assume the role of the Chairperson. The Vice-Chairperson will carry out various duties as assigned by the Chairperson.

#### **SECTION 5 - SECRETARY DUTIES**

The Secretary, in collaboration with the Indian Education staff, shall record, disseminate, and file the official minutes of the IPC meetings. He/she will also maintain documents of meeting dates, attendance, and news-release bulletins to parents, via the Douglas School District Webpage, Facebook Page, and qualifying parents/ guardians email list serve through Infinite Campus. Copies of all documents and minutes are to be provided to the IPC members. The IPC Secretary, along with the Indian Education Department, shall have the full responsibility to provide copies of the minutes to the Director of the Indian Education Department.

#### **SECTION 6 - PARENT(S), GUARDIAN(S) AND RELATIVE(S) DUTIES**

The Family Representatives shall provide input and advice concerning programs and curriculum related to entities, parents, and students.

#### **SECTION 7 - TEACHER OR COUNSELOR REPRESENTATIVE(S) DUTIES**

The Teacher or Counselor Representative(s) shall not serve as an officer. The Teacher or Counselor Representative shall provide input and advice concerning IPC programs and curriculum related to entities, parents, and students.

#### **SECTION 8 - STUDENT REPRESENTATIVE(S) DUTIES**

The Student Representative(s) shall not serve as an officer but shall provide input and advice to the IPC concerning Native students served and school-related issues.

#### **SECTION 9 - TRIBAL REPRESENTATIVE(S) DUTIES**

The Tribal Representative(s) can serve as an officer and shall provide input and advice to the IPC concerning the local Tribal interests, culturally responsive education, and other programming.

### **ARTICLE VI MEETINGS**

#### **SECTION 1 - MEETING REQUIREMENTS**

The IPC meeting schedules will be developed one school year in advance. The IPC Secretary, in collaboration with the Indian Education Department, will email a meeting agenda indicating the agenda items, meeting location, date, and time of the meeting to the IPC members at least two (2) days before the meeting.

#### **SECTION 2 - REGULAR MEETINGS**

Regularly-scheduled business meetings will be held on the third Monday of every month in the calendar

year, except for those Mondays that fall on Douglas School District Board of Education meeting dates. A predetermined time and place will be established. All official meetings of the IPC will be open to the public.

The open meetings will be advertised at community-based facilities, via the Douglas School District Webpage, Facebook Page, and qualifying parents/ guardians email list serve through Infinite Campus.

### **SECTION 3 - SPECIAL MEETINGS**

The Chairperson or the Director of the Indian Education Department may call special meetings of the IPC at any time. Members shall be notified by telephone or email, within a reasonable time before the meeting. Special meetings may be conducted via in-person meeting, conference calls and/or by any electronic means.

### **SECTION 4 - SPECIAL COMMITTEES**

The Indian Education Department may establish an Ad Hoc Committee, which shall consist of appointed IPC and non-IPC members. Ad Hoc Committees shall be established as needed. All final decisions are reserved for the IPC and will be reported there.

### **SECTION 5 - QUORUM**

Three (3) members shall constitute a quorum to conduct official business and vote at any duly called meeting by the IPC. Decisions made by the members present at any meeting shall be an act of the IPC.

The Teacher/Counselor and Student Members will count as part of the IPC quorum.

Members will wait no more than 15 minutes for a quorum to be present. IPC members present may then conduct a working session.

### **SECTION 6 - OPEN MEETINGS**

All regular business and special IPC meetings shall be open to the general public. During open meetings, an open forum will be available to the public for five minutes unless approved by the committee, with no immediate response expected from the Committee.

### **SECTION 7 - MEETING RULES OF ORDER**

Robert's Rules of Order shall govern the parliamentary procedures of all meetings of the IPC, not otherwise covered by these Bylaws. Training in selected meeting guide and parliamentary procedures will be provided as needed to newly-elected members.

### **SECTION 8 - AGENDA AND MINUTES**

An agenda for each upcoming IPC meeting and minutes of the previous meeting shall accompany the notice of the meeting and shall be sent to all members of the IPC. Any information supporting agenda items will also be forwarded before the meeting. The Indian Education Department and the IPC shall coordinate the dissemination of agenda, minutes, and information.

**ARTICLE VII  
UPDATING AND AMENDING BYLAWS**

**SECTION ONE: UPDATING BYLAWS**

The IPC, with the advisement of the Indian Education Department, shall have the power to update or amend these Bylaws at any time, by two-thirds  $\frac{2}{3}$  affirmative vote, provided that the alteration or amendment is to carry out the purpose of the IPC as herein above-expressed. Any such rewriting and/or amendment must conform to Title VI statute, Federal regulations and U.S. Department of Education guidelines.

**SECTION TWO: AMENDMENTS TO BYLAWS**

The Title VI IPC Bylaws may be modified or amended by mutual and majority consent of the Title VI IPC, the Douglas School District, and the Douglas School District Board of Education.

## INTRODUCTIONS

# Douglas School District Philosophy & Mission Statement

### **Mission**

Prepare all students to meet the challenges of an ever-changing world.

### **Douglas School District Belief Statements**

#### **About students and learning, we believe:**

- All students can learn, and have the right to learn.
- Students are empowered through a strong knowledge base, and creative problem solving skills.
- Students need opportunities to develop a positive self-image.
- Each of our graduates will become responsible self-learners, and productive citizens.

#### **About teachers and teaching, we believe:**

- Teachers are empowered to teach.
- Teachers appreciate and nurture the uniqueness of each student.
- Teachers are communicators to staff, students, and the community.
- Parents are a child's first and most important teacher.
- Teachers believe students are the most important product.
- The staff are knowledgeable of methods and practices.
- Teachers facilitate learning through meaningful activities.

#### **About schools and school districts, we believe:**

- Schools are safe, caring places.
- Schools provide tools necessary for learning.
- Involved and informed parents and community members are an integral part of a successful educational process.
- As a district we support and enthusiastic, positive, flexible learning climate, which nurtures academic, social, and emotional growth for all.

#### **Vision and communication will ensure success.**

- Schools establish an enjoyable and challenging climate which is supportive and collaborative.

### **Douglas School District Student Exit Outcomes**

#### **A life long learner who:**

- Analyzes, monitors, and evaluates personal learning progress.
- Expresses ideas effectively through

various mediums.

- Utilizes available resources and technologies to make sound decisions.
- Uses various strategies and processes to accommodate a variety of learning needs and circumstances.

#### **A well-adjusted, self-fulfilled individual who:**

- Relates to and functions in an ever-changing world.
- Expresses ideas effectively through various mediums.
- Maintains physical and emotional wellness.
- Demonstrates a sensitivity and appreciation for self and others.

#### **An involved citizen who:**

- Exercises established constitutional rights and civic duties of a U.S. and global citizen.
- Displays respect for laws, rules, and regulations of the community.
- Acts on issues that improve the community.
- Contributes to the individual and group needs of the community.

#### **An energized, quality producer who:**

- Uses various computation strategies and scientific principals to analyze and solve complex problems within different systems and situations.
- Displays respect, trust, loyalty, honesty and dependability in relationships with others.
- Supports and cooperates with partners or team members within the work place.

#### **A culturally enlightened contributor who:**

- Values the traditions and heritages of a society.
- Appreciates and respects the contributions, throughout history, of cultural and artistic diversity in our society.
- Develops workable solutions to environmental and social problems.
- Seeks out and participates in multi-cultural activities.

#### **A globally enlightened individual who:**

- Participates in organizational activities which enhance global relationships.
- Analyzes the effect of global events.
- Maintains a lifestyle that protects individuals and their environment.
- Utilizes available technology to impact

political, social, and economic issues.

### **Douglas School District Philosophy**

The Douglas School District will promote an environment conducive to teaching and learning.

The district, working as partners with the educational community, will develop individuals who realize self-worth and have an opportunity to create a productive role, as responsible citizens, in an ever changing world.

### **Douglas School District Vision 2020**

The Vision of the Douglas School District is to prepare all students as lifelong learners.

Students are engaged in learning experiences which are outcome driven, collaborative, life relevant, challenging, and developed to promote successful citizens.

Parents and legal guardians participate as involved partners in determining the educational experiences necessary for their children's educational needs.

Staff development opportunities are designed to promote growth and leadership, which will provide positive learning experiences for students.

The administrative team makes informed decisions that promote a quality education.

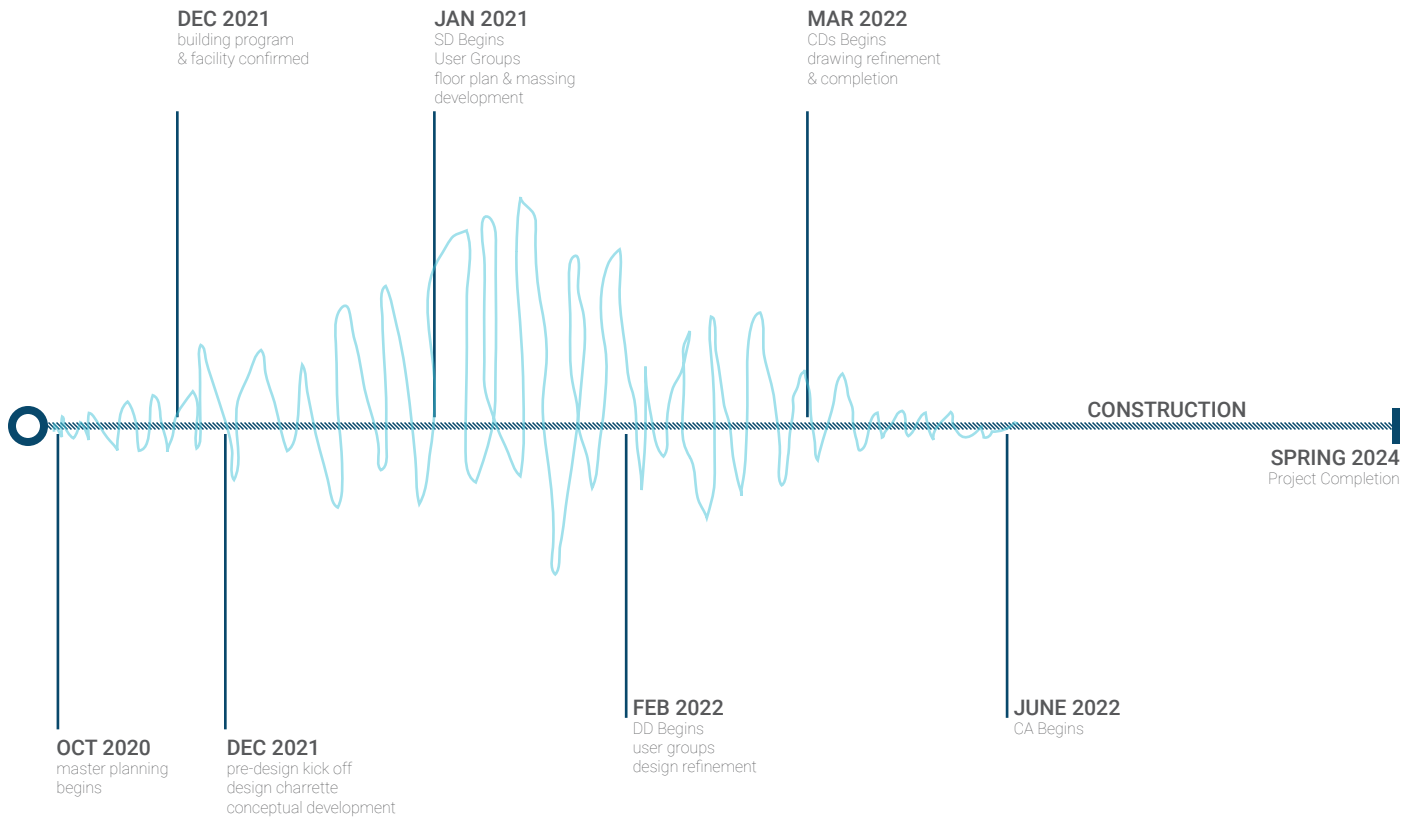

The district provides instructional materials and technology necessary for a challenging curriculum designed for all students.

The district maintains safe facilities conducive to positive learning experiences.

**INTRODUCTIONS**

# Design Schedule

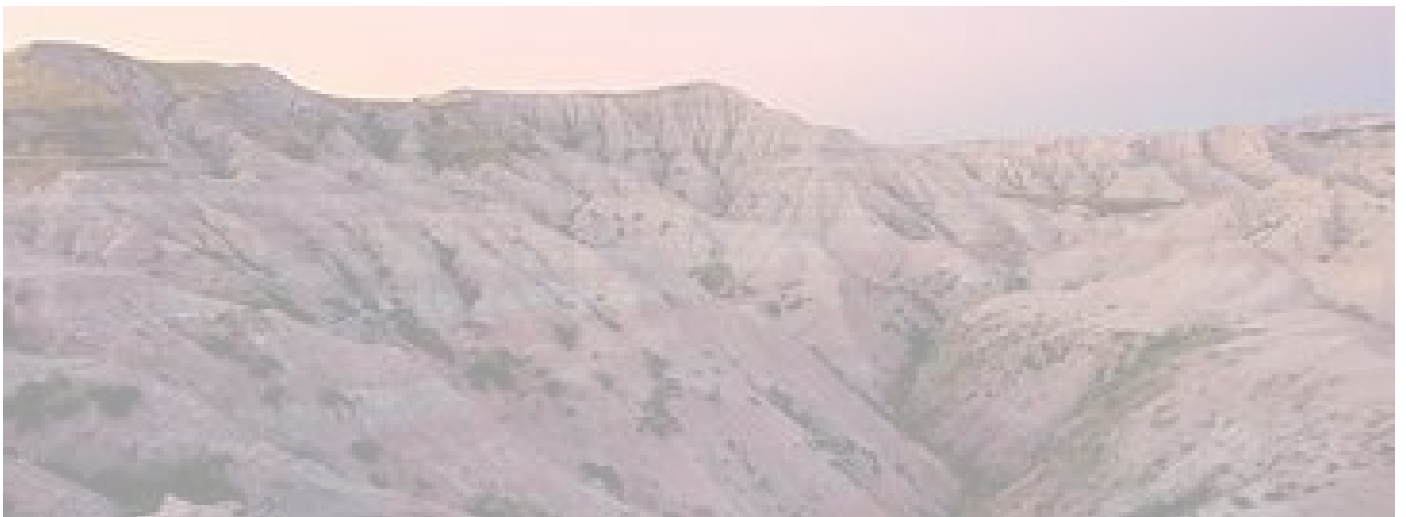

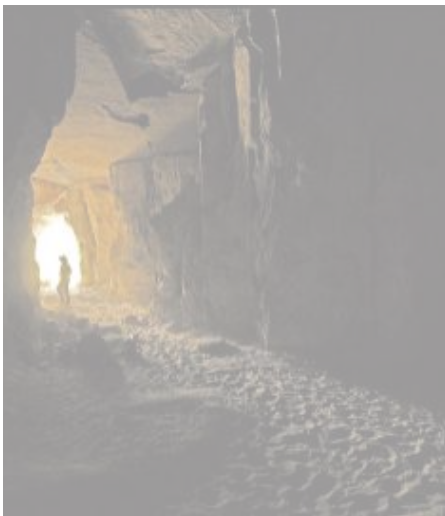

## INTRODUCTIONS

# Executive Summary

Over the next several years Douglas School District (DSD) will experience an influx of students due to the neighboring Ellsworth Air Force Base receiving the new B-21 Stealth Bomber Squadron. As a result of the new base functions, projections for student growth suggest an additional 2000 students will be entering the Douglas School District system. This was the catalyst for DSD to conduct a master plan study in Fall of 2019 to determine the most appropriate strategy to absorb this increased student population. The master plan effort concluded that the district would need to build three new elementary schools to serve 600 students each.

The current Douglas Elementary Schools serve a diverse community both local to the Box Elder area and transient due to the base population. The dynamic relationship between Ellsworth Air Force Base and the community of Box Elder fosters a culture of diversity among staff and students. Douglas School District welcomes the unique experiences of its students and educators, establishing a safe and accommodating learning environment for all learners.

Throughout the development of design for the New Douglas Elementary School emphasis has been placed on embracing the current district culture as well as taking inspiration from the native landscape. Not only does Douglas Elementary School have a special relationship to its community, but it is also situated within proximity to some of the most spectacular geological landforms in the United States. These ties are integral to the new school design and establish a sense of patriotism for the U.S. Military, the Native American Community, our country's rich history, and the connection we have to nature.

# 2

## Pre-Design

## PRE-DEIGN

# Vision | Guiding Principles

The Douglas Design Committee was asked to select two images out of a couple hundred random photos. For each chosen image they were tasked with writing a caption that depicted what the image stood for in relation to the new Douglas Elementary School. Once shared, they worked together to combine their thoughts into a categorized set of guiding.

These principles are intended to be referenced both by the committee and the project team as the project moves forward to aid in critical decision making.

## Vision | We See Statement

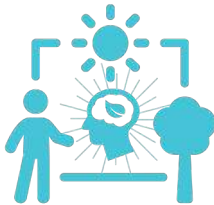

We see a safe, vibrant learning environment that provides a collaborative haven for students and staff to embrace their individuality and reach their full potential through connections to nature, hands-on learning, and play.

# Vision | Guiding Principles

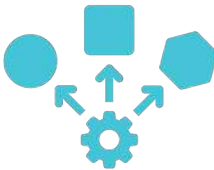

## **Supportive and Inclusive**

Our elementary school will be an inclusive environment where students and teachers feel supported to foster and cultivate a community of strength, pride, and perseverance.

## **Nature Connection**

Our elementary school will provide learning environments with direct connections to nature, featuring many windows, natural light, and green space access for students to grow together.

## **Diverse & Adaptable**

Our elementary school will inspire our diverse student body to reach their full potential through flexible, innovative learning environments that provide structure and encourage individuality and creativity.

## **Fun & Welcoming**

Our elementary school will be a warm, inviting, and colorful learning environment that fosters fun and explorative learning.

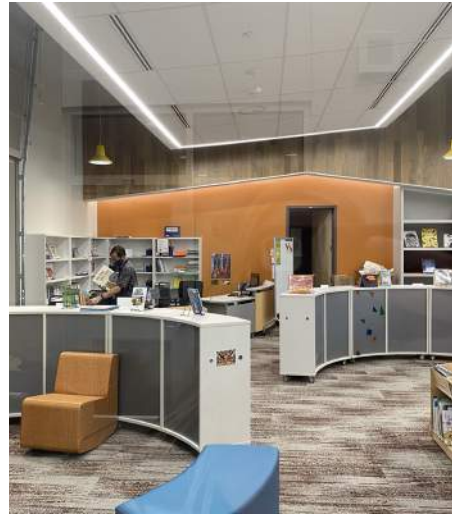

## **Future-Forward Curriculum**

Our elementary school will honor our history and provide a forward-thinking approach to education ensuring student achievement and cultivating positive community connections for generations to come.

## PRE-DESIGN

# Design Workshop | Photo Exercise

To kick off the schematic design phase a design workshop was conducted with CO-OP Architects + DLR Group and the Douglas School District Design Committee. Participants looked at a series of project photos placing a green dot on two items that they like and a red dot on two items that they do not like in the photos.

### Key Takeaways:

- Welcoming yet a sense of safety
- Encourages collaboration
- Furniture expands opportunities
- School community connection
- Transparent technology
- Designed with special populations in mind (Sped/Early Learning/Sensory)

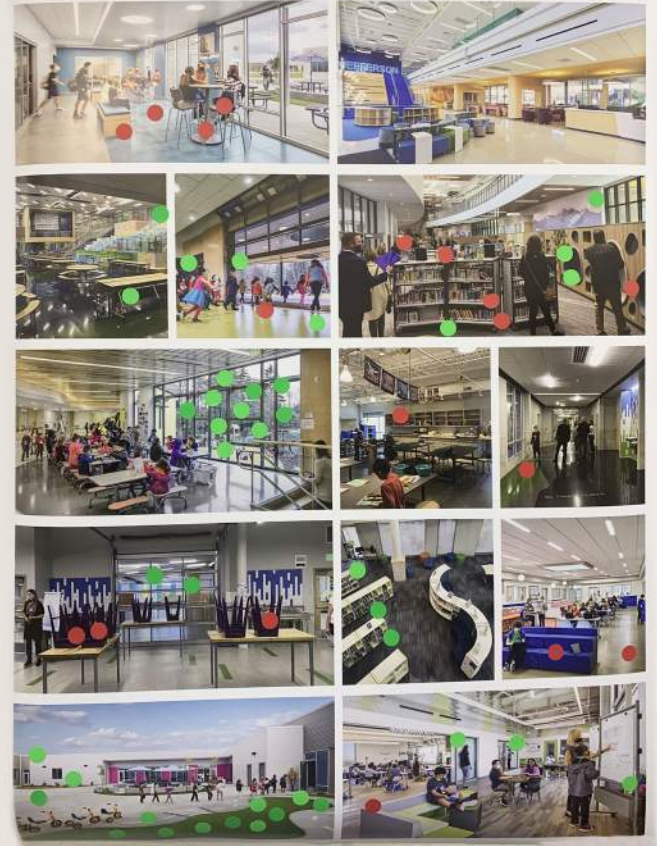

- Connectedness
- Openness to change - 2 story, mixed grade levels

## PRE-DESIGN

# A Day in the Life Activity

Although we cannot predict with certainty the types of jobs that will exist in the future, we know that today's students will need a variety of skills to be successful in life. Knowing this, we must ask what learning experiences will provide students with the essential skills to be prepared for the ever-changing world. Taking this into account, The Day in the Life Activity is designed to investigate and discuss what a day of education might look like in the future. User groups start by developing a student persona and then discuss how a day of learning might look like when barriers are removed and students are engaged in the learning activities that prepare them for their futures. Finally, the percentage of time within these learning activities are identified. This activity results in informing space implications for designers to use within the design of the learning environment.

## PRE-DESIGN

# Learning Connections

Before discussing the built environment, we must acknowledge changes are occurring in teaching and learning as there is an ongoing shift from the teacher-centered to the students-centered model of education. Giving attention to the process of how the facility will support learning and teaching, the Learning Connections Activity assists in developing educational priorities to maintain a clear focus on what is important.

The user groups begin with selecting an activity card to represent how learning will be facilitated in their new environment. Then the user groups select the teaching methodology that will support that type of learning. Continuing the process, spaces are selected that will enable engaging experiences from the selected learning and teaching models. Finally, furniture, technology, and safety/security priorities are identified to embrace the educational vision.

These selections made by user groups prompt guiding principles of design – the north star by which our designers integrate throughout the development of the final

product. The Learning Connections Activity bridge between teaching and learning and the spaces and tools. Ultimately, this informs the design process by establishing an expectation of teaching and learning and how the space can be crafted as the ultimate tool.

## PRE-DESIGN

# Desired Types of Learning

### Guided/Gradual Release Learning

- Learners are supported and challenged to achieve learning targets through educators intervening in a sustained and proactive manner.

### Social and Emotional

- A process through which learners (and adults) acquire and effectively apply the knowledge, attitudes, and skills necessary to establish and maintain positive relationships, understand and manage emotions, feel and show empathy for others, and regulate personal behaviors through self-management.

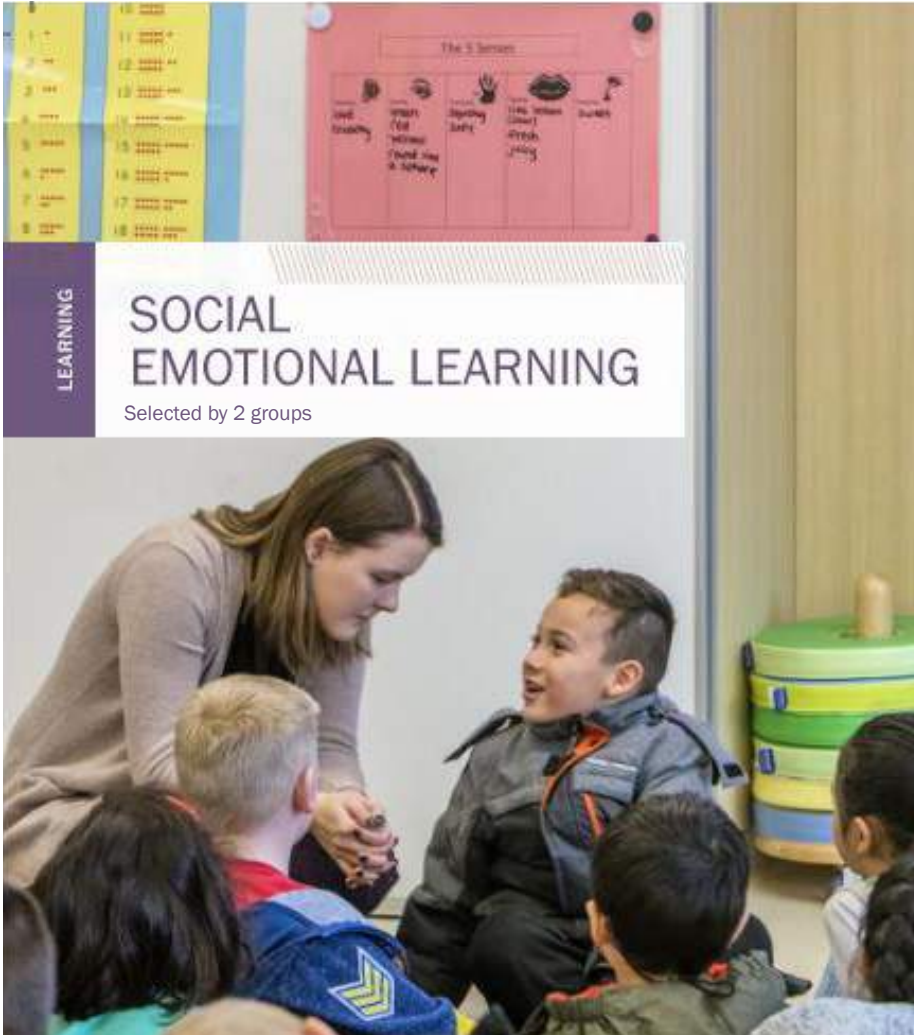

### Flexible Group Sizes for Learning

- Learners moving between different groups and group sizes.

### Visible Learning

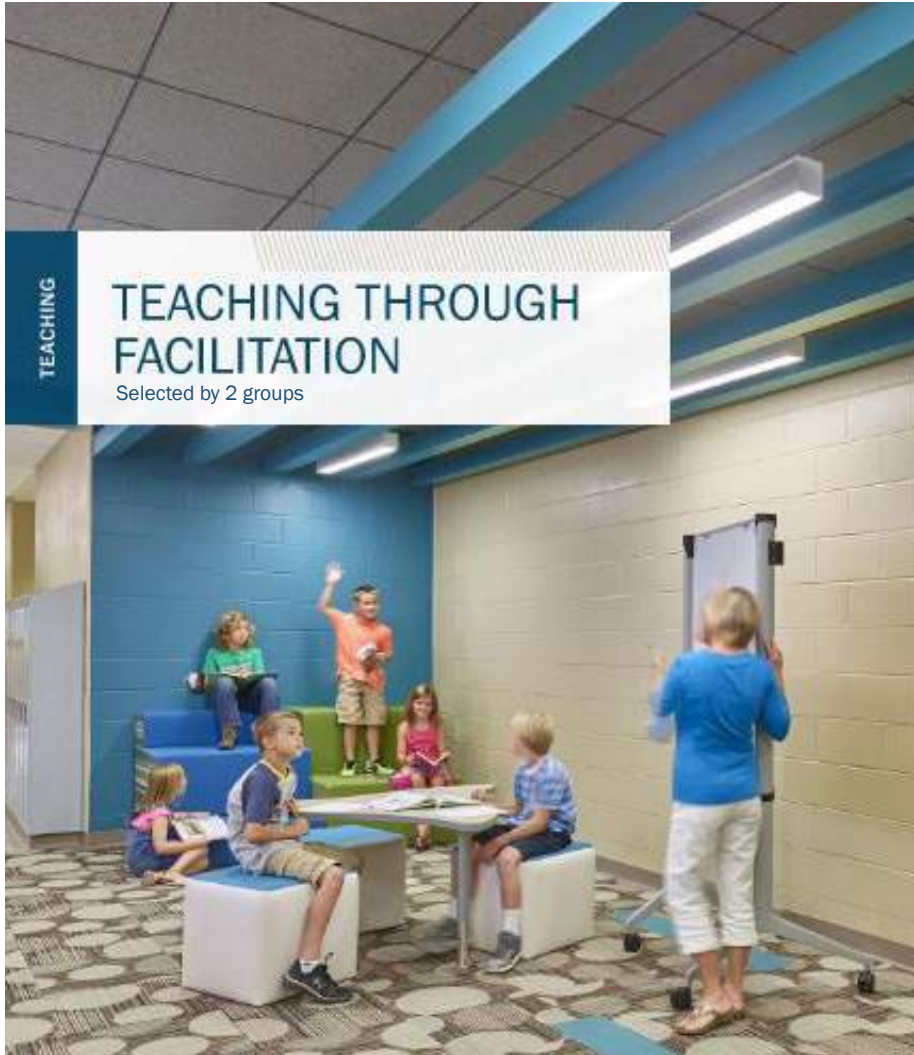

- Visible actions of learning; students understand their task, show their thinking and creating process, and reflect on their learning.

# Types of Teaching to Support Desired Learning

TEACHING

## TEACHING THROUGH FACILITATION

Selected by 2 groups

### Teaching through facilitation

- The educator role is one that creates an engaging atmosphere that generates autonomous student learning.

### Differentiated

- A practice where the content, process, and resources are tailored to meet individual needs.

### Workshop Model

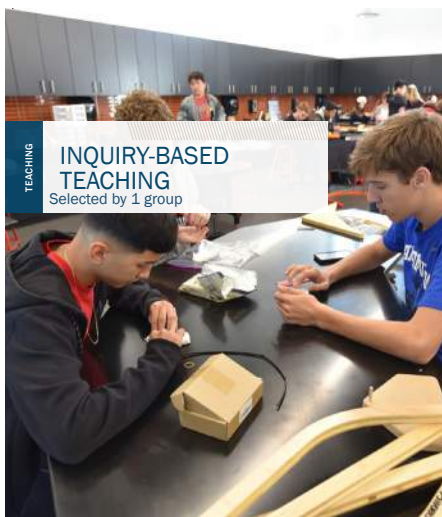

- A pedagogy that promotes learning, growth, and reflection through collaboration and small group instruction

### Co-teaching

- Two or more educators working together with groups of learners, sharing the planning, organization, delivery, assessment, and the physical space.

### Inquiry-based Teaching

- A dynamic form of active learning that begins with inquiry, problems, or scenarios. Learners then identify, investigate, and research issues and respond to challenges or complex problems.

TEACHING

## INQUIRY-BASED TEACHING

Selected by 1 group

## PRE-DESIGN

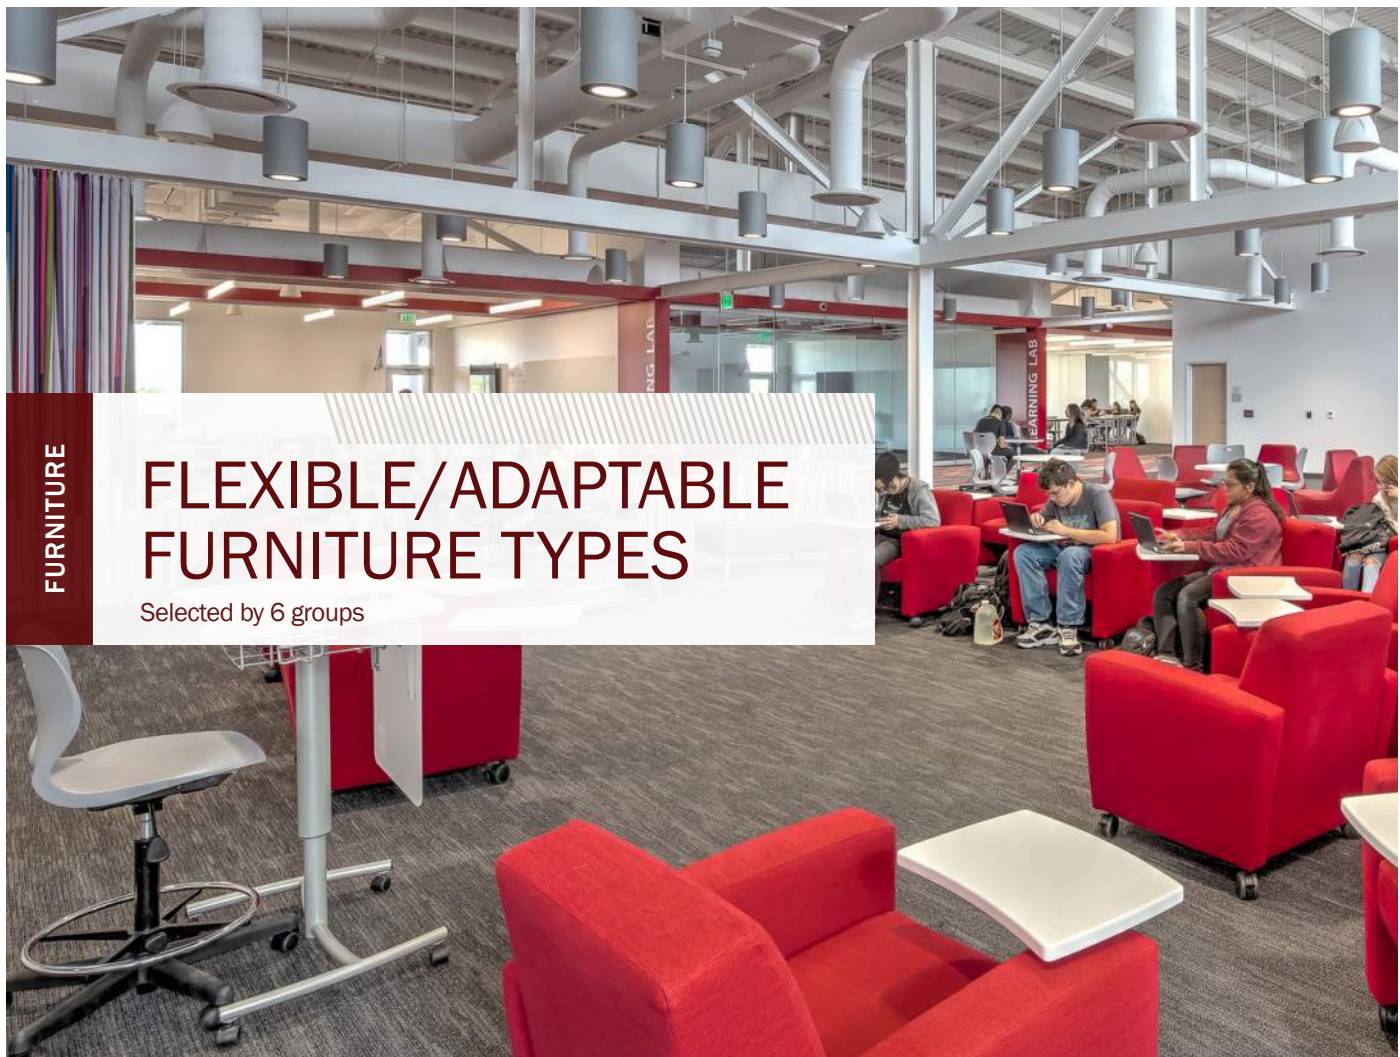

# Furniture that Facilitates Teaching and Learning

### Flexible/Adaptable Furniture Types

- Furniture that is easily moved to form different groupings, offers different heights, and fuels creativity.

### Furniture that Supports Individuals

- Furniture that allows for choice in posture, movement, and adjustment to meet individual needs.

## PRE-DESIGN

# Technology that Facilitates Teaching and Learning

TECHNOLOGY

### INTERACTIVE TECHNOLOGY DEVICES

Selected by 1 group

#### Flexible Technology

- Mobile technology that allows for use on different surfaces and in numerous ways.

#### Interactive Technology Devices

- Instructional technology that allows for greater interactivity such as interactive white boards, mobile devices, educational apps, clickers

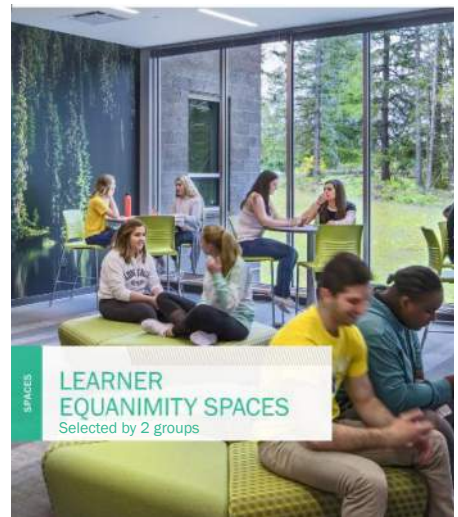

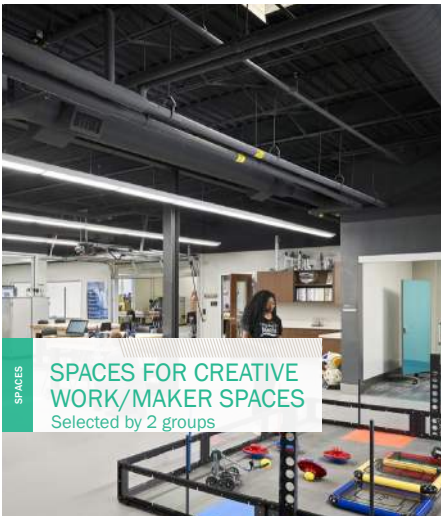

TECHNOLOGY

### FLEXIBLE TECHNOLOGY

Selected by 6 groups

PRE-DESIGN

# Spaces that Facilitate Teaching and Learning

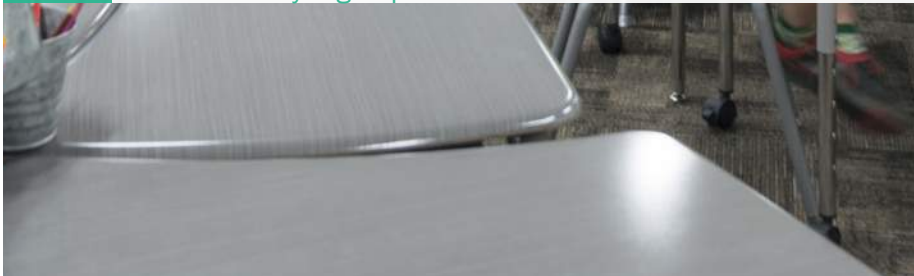

SPACES

# SPACES THAT CAN BE EASILY ADAPTED/CHANGED

Selected by 6 groups

## Space that Can be Easily Adapted/Changed

- Walls that can be modified/moved to create different sizes or configurations of learning environments.

## Learning Suite

- Multiple learning spaces shared by multiple educators vs separate classrooms. Spaces are flexible for use in diverse activity settings.

## Connections to Nature

- Bringing elements of nature indoors, such as natural light, visibility to the outdoors, and graphics or products that mimic nature.

## Media/Idea Lab

- A shared space with books, technology, and maker spaces where learners are free to research and create.

## Space for Creative Work/Maker Spaces

- Specific spaces that are designed for creation and innovation such as a creation station, maker space, or lab.

## Learner Equanimity

- Specific calming areas for learners.

## Outdoor Spaces

- Spaces that allow for outdoor learning such as gardens, outdoor creative spaces, nature walks, and play areas.

## Spaces That Allow for Movement

- Spaces that are conducive to movement and provide opportunities for learners to walk, exercise, or simply move from one area or activity to another.

## Displayed learning Spaces Physical and Digital

- Areas that allow learner work to be displayed, such as shelving, tackable surfaces, or digital display surfaces.

## Small Group or Small Collaboration Spaces

- A space where a small group of learners can work together.

## PRE-DESIGN

# How We Create Safe, Equitable Environments that Support All

### Social Group Connections

- Creating smaller social groups within the larger school environment to foster a sense of belonging and community.

### Perimeter zoning

- The perimeter of the school shows multiple layers of security.

### Health and Wellness

- Strategies that promote health and well-being, such as ensuring air quality, providing natural light and access to plant life, and creating spaces for movement/exercise.

### Community/Business Partnerships

- Providing spaces and activities that promote positive connections and interactions between schools, the workplace, and the community at large.

## SCHEMATIC DESIGN

# Design Charrette | Building Site Outcomes

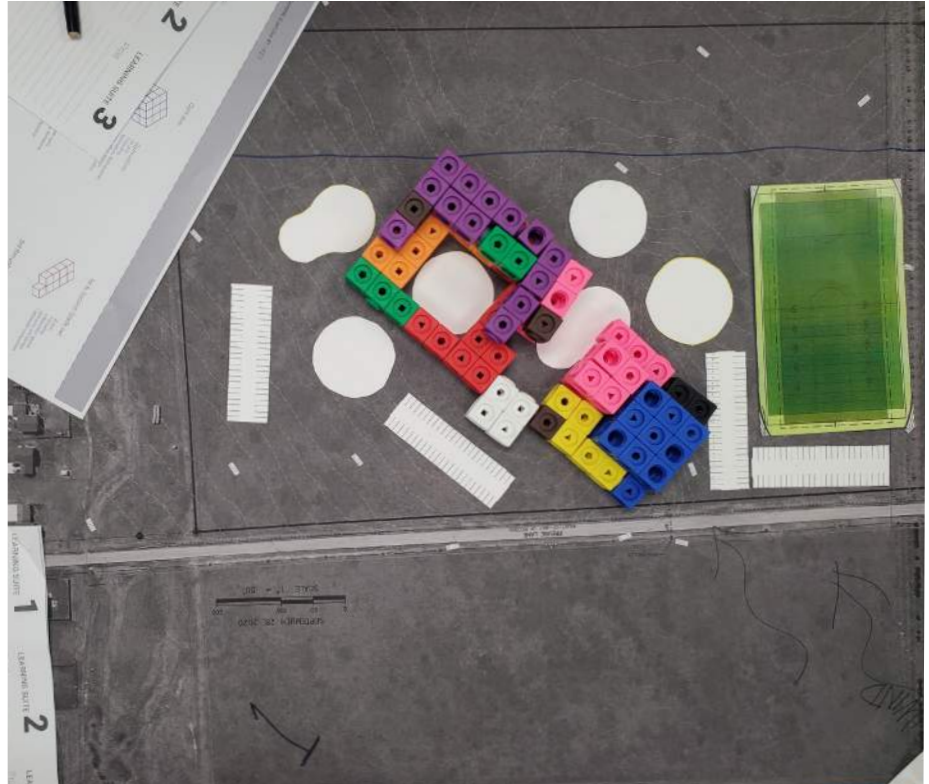

### Group 1 - Feedback

#### LIKES:

- Sped area together
- Gym and Cafeteria near entry
- Open outdoor spaces/Courtyard
- Gym/angle of building blocks wind
- Compact, two stories
- Two story Media Center
- Younger grades on first level, older grades on second level

#### DIS-LIKES:

- Two stories
- Specials on one side, classes on the other side
- Main playground past parking/away from the building
- Distance to most specials

### Group 2 - Feedback

#### LIKES:

- Roundabouts to control traffic
- Variety of outdoor learning spaces
- Separate parking for staff
- Option to open common spaces for community use
- Bus/parent drop-off separate
- Weather considerations
- Keeping grades together

#### DIS-LIKES:

- Grades broken up
- Three drop-off locations

## Group 3 - Feedback

### LIKES:

- Courtyards/outdoor classrooms
- Two stories
- Media center loft
- Sped in each pod
- Gym and Cafeteria near entry
- Older grades on the second floor
- Admin support spread throughout
- Separate parking for preschool
- Two wings, K-5 in both wings

### DIS-LIKES:

- Separated Preschool
- Centralized gym
- Dispersed sped
- Concern for 2nd floor safety during evacuations
- Outdoor space away from the building

## Group 4 - Feedback

### LIKES:

- "X" shape with centralized admin
- Roundabout for traffic
- Front road access
- Playground for each pod
- One story
- Gym access to field playground in each wing
- Outdoor space

### DIS-LIKES:

- Single story
- Long class halls
- Clustered sped
- Too spread out
- Roundabout for traffic
- Dispersed special areas

## SCHEMATIC DESIGN

# Design Charrette | Building Site Outcomes

### Group 5 - Feedback

#### LIKES:

- Bus loop with two drop-offs
- Prek-K on first level
- Maker Space and Library adjacent
- Centralized specials
- Staff support throughout
- Own entry and offices for PreK
- Sped support at each grade
- Separation of older and younger grades
- Two story
- Cafeteria in the back
- Outdoor commons area

#### DIS-LIKES:

- 1st and 2nd grade on second floor
- Specials are too far away
- Separated sped
- Grade levels separated

### Group 6 - Feedback

#### LIKES:

- Centralized specials
- Windows in every room
- Outdoor area surrounded by classrooms
- All specials in the same area
- Large space for assemblies
- Wind block
- Outdoor learning space between grade levels
- Two story
- Gym, cafeteria & specials adjacent
- Grouped specials
- Clustered sped
- Connection between gym and commons
- Younger grades closest to specials

#### DIS-LIKES:

- Clustered/isolated sped
- Two stories
- Distance of gym from classrooms

# Group 7 - Feedback

**LIKES:**

- Gym near entrance
- Cafeteria / specials space open
- Short transition time to specials
- Separate PreK entry
- Separate wings on single level
- Grouped specials
- Grouped sped and refocus
- Centralized specials
- Community gym

**DIS-LIKES:**

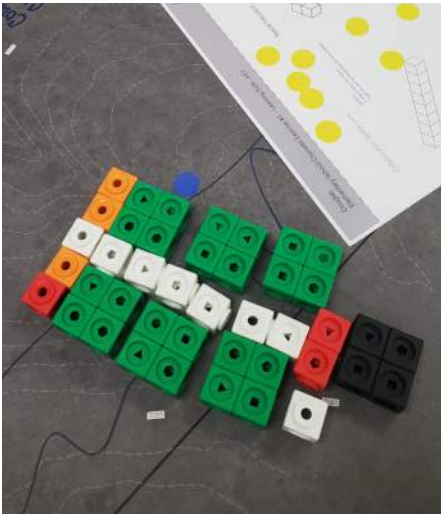

- Not dedicated playgrounds
- Computer labs
- Separated sped
- Parking far from classrooms
- Long hallways

## SCHEMATIC DESIGN

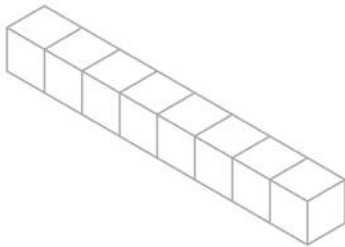

# Design Charrette | Learning Suite

To kick off the schematic design phase a design workshop was conducted with CO-OP Architects + DLR Group and the Douglas School District Design Committee. Concepts were generated for on a macro scale for the learning suite.

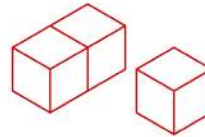

Collaboration Space (white)

(8 pcs)  
\* proportions can adjust  
\* spaces can be dispersed or consolidated

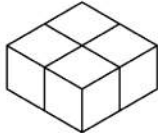

Special Education (red)

(3 pcs)  
\* proportions can adjust  
\* spaces can be dispersed or consolidated

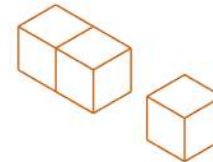

Restrooms (black)

(4 pcs)  
\*cannot be reconfigured or distributed

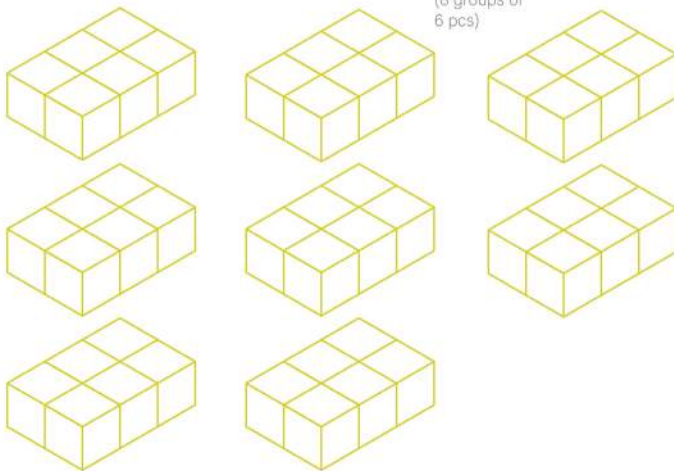

Teacher Support (orange)

(3 pcs)  
\* can be split up/dispersed

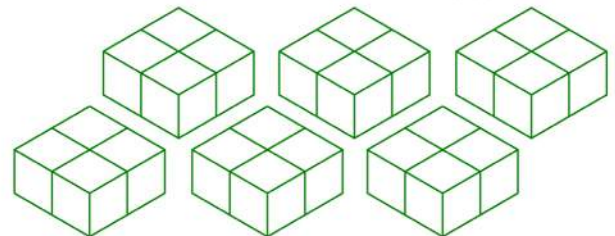

Preschool and Kindergarten \*\*\* (yellow OR purple)

(8 groups of  
6 pcs)

1st - 5th Grade (green)

(6 groups of  
4 pcs)

## SCHEMATIC DESIGN

# Design Workshop Outcomes

### Group 1 - Feedback

#### LIKES:

- Sped on both floors
- Collaboration spaces between rooms
- Two stories
- Centrally located specials and gym
- Spaces between classrooms can be used for learning, rather than traditional hallway
- PreK is separate. (K-1, 2-3, 4-5)

#### DIS-LIKES:

- Restrooms at the end, further away
- Two stories
- Duplication of collaboration spaces
- Long hallway

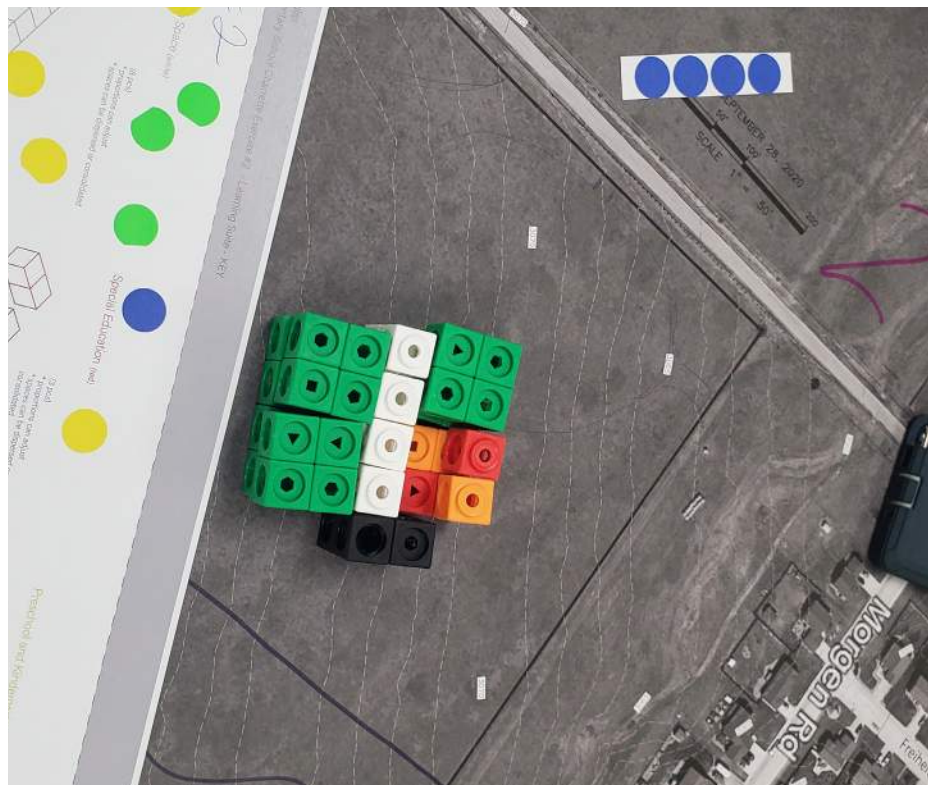

### Group 2 - Feedback

#### LIKES:

- Garage doors opening to collaboration spaces
- Second level no long hallway
- Connection between classes/hallway
- Flexible open concept collaboration space
- Opportunity for bigger space

#### DIS-LIKES:

- Collaboration in the hallway/passing area

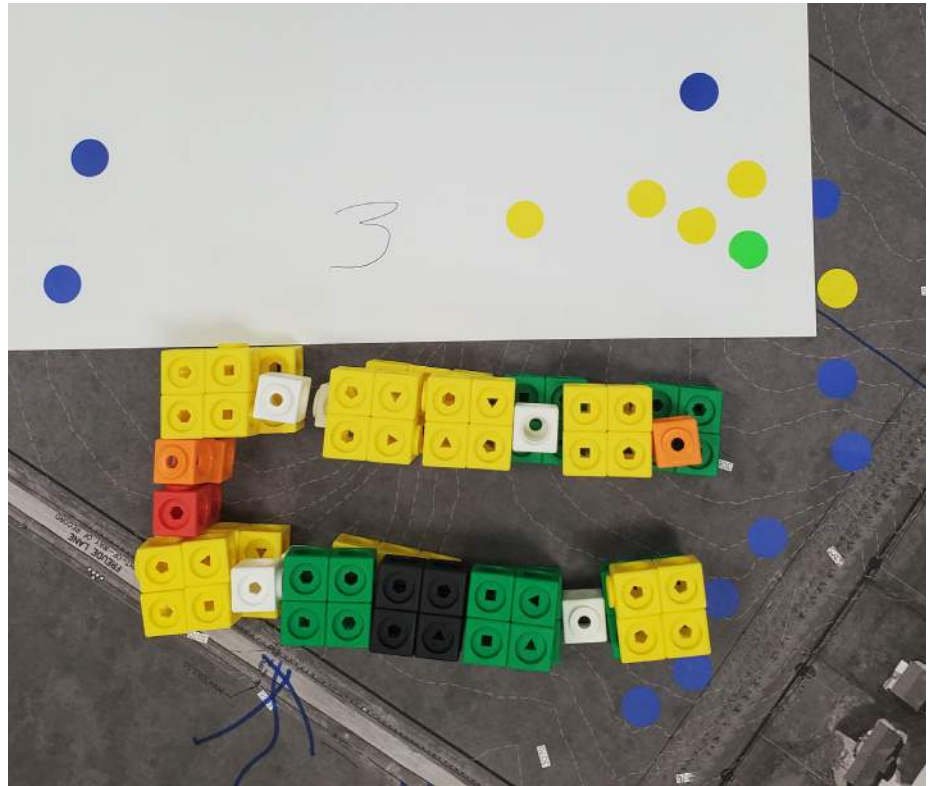

## Group 3 - Feedback

### LIKES:

- Staff support on each level
- Collaboration space for every two classrooms
- “U” shape
- Mixed K-2 space and 3-5 space
- Centralized collaboration space by grade
- PK-2 on first level, 3-5 grades on second
- Hallway for movement only
- Centralized restrooms

### DIS-LIKES:

- Two story
- Small collaboration space
- Restrooms too far
- Sped is spread too far
- Dead ends in a room, rather than windows

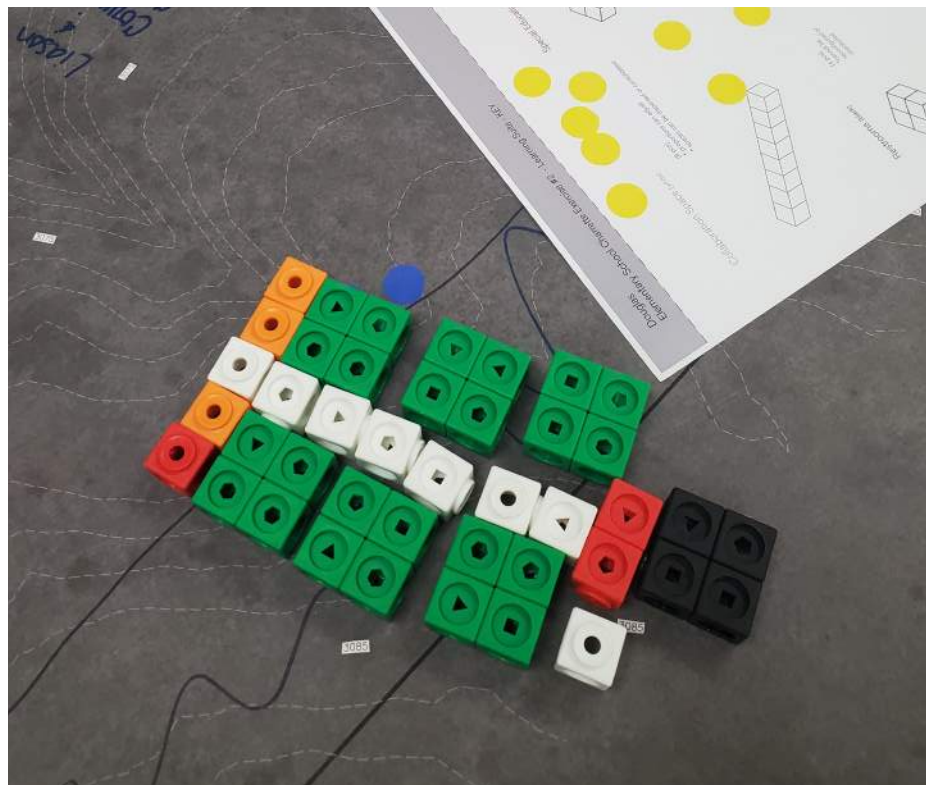

## Group 4 - Feedback

### LIKES:

- Shared classroom
- Collaboration spaces perpendicular to hallways
- Grade level playgrounds
- Separated restrooms
- Collaboration space per two classrooms
- Exploratory space in each wing

### DIS-LIKES:

- Restrooms at the end of the wing
- Spread out
- Long hallway
- One classroom per collaboration space

## SCHEMATIC DESIGN

# Design Workshop Outcomes

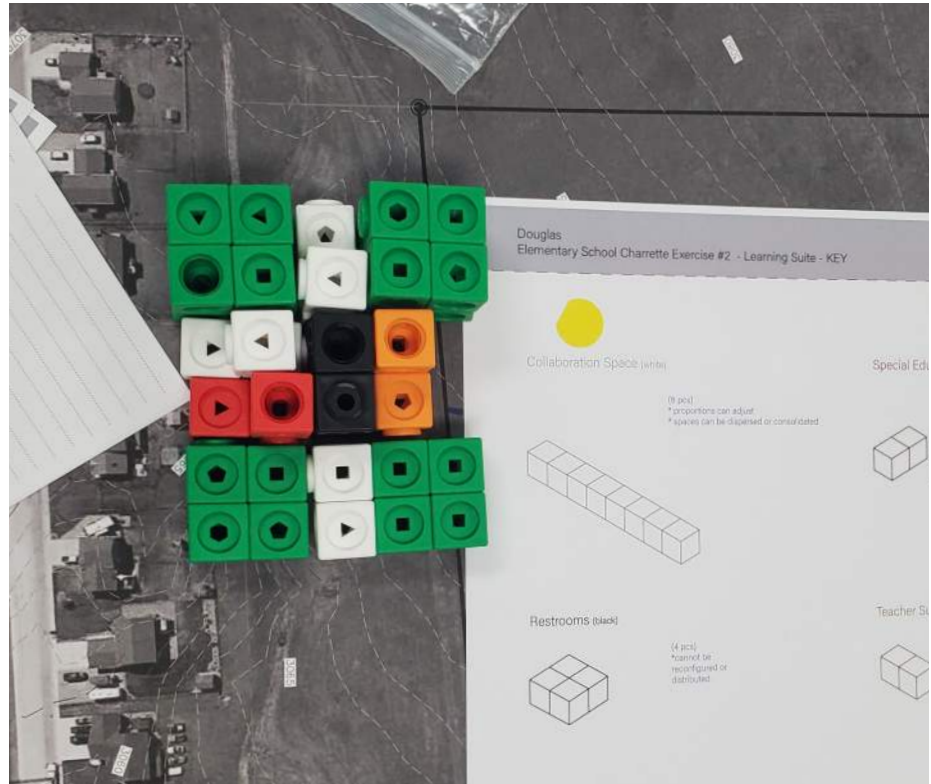

### Group 5 - Feedback

#### LIKES:

- Centrally located restrooms
- Self-sustained pods for each grade
- Collaboration space
- Outdoor common space
- Sped throughout the building

#### DIS-LIKES:

- Location of restrooms
- Sped only on second level
- Two bus drop-offs

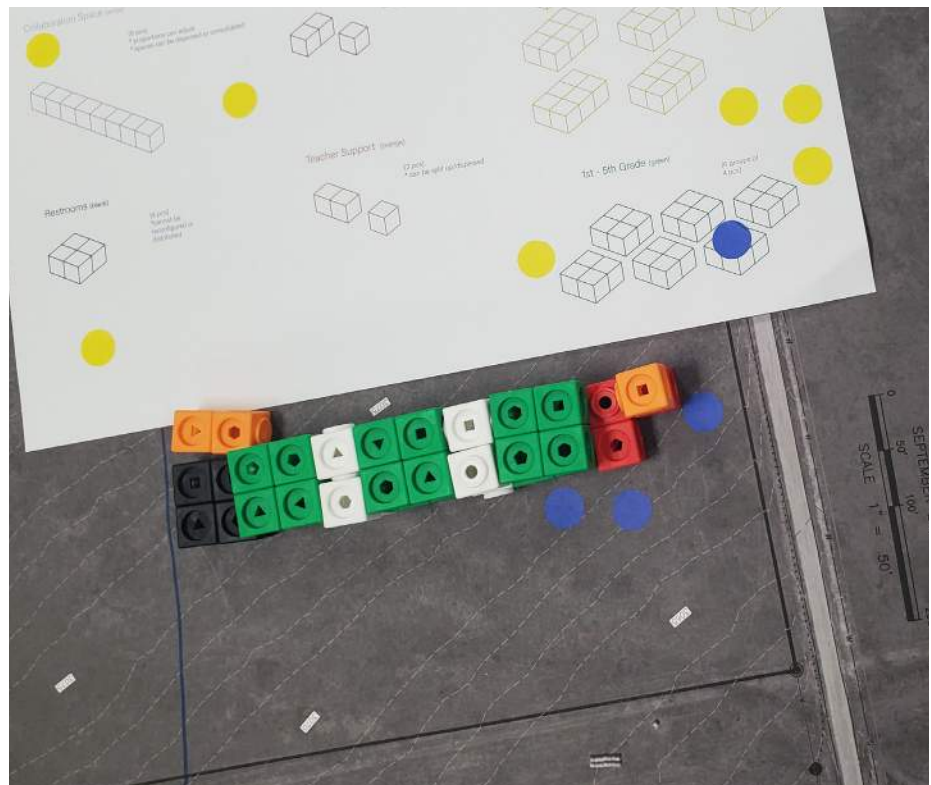

### Group 6 - Feedback

#### LIKES:

- Centralized sped
- Flow and movement of students
- Family pods
- Collaboration spaces
- Two stories
- Centralized teacher support
- Collaboration space between classes

#### DIS-LIKES:

- Restrooms on the end
- Isolated sped locations

## Group 7 - Feedback

### LIKES:

- Pods per grade level with collaboration areas
- Good flow
- Collaboration space between rooms
- Ability to do family pods
- Centrally located restrooms
- Like the possibilities
- "S" classroom layouts
- Three classrooms opening into collaboration space
- Pods instead of long hallways
- Staggered collaboration spaces
- Sped on each end
- Overall design

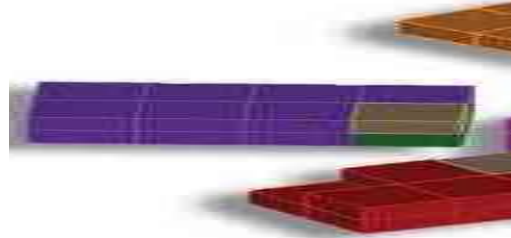

### DIS-LIKES:

- Family pods could pull grades/classes apart
- Looks spread out

## SCHEMATIC DESIGN

# Design Workshop Outcomes

### Group #1

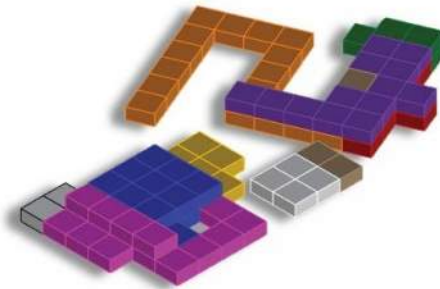

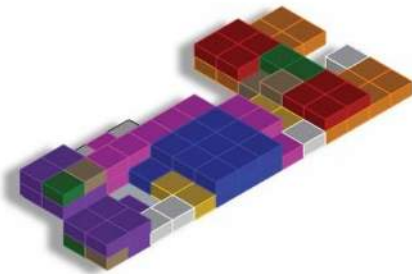

9 dots

- 2 Courtyards (1 Commons, 1 Academic)
- 2 Story combination learning suite
- Distributed Resource
- Splitting academic from public programs

### Group #2

7 dots

- Spread out pods per grade
- Stacked 1st and 2nd, as well as 3rd through 5th
- Distributed resource/SPED

### Group #5

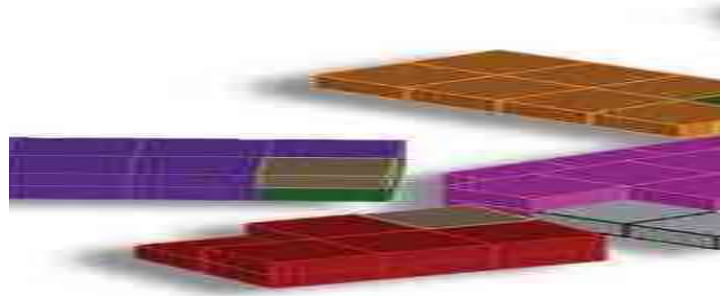

8 dots

- Distributed resource/SPED
- Creates two carved out exterior spaces for academic wings

### Group #6

9 dots

- Separated "public" from academic
- Long corridors forming courtyards

**Group #3**

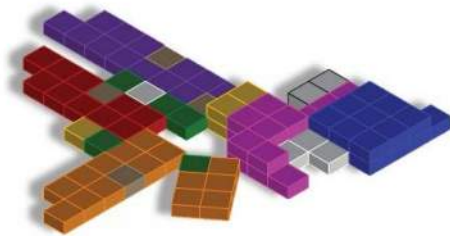

11 dots

- Compact
- 2 Story stacked pods for 1st through 5th grade
- Distributed resource/SPED

**Group #4**

11 dots

- Spread out pods
- 2 Resource/Sped locations

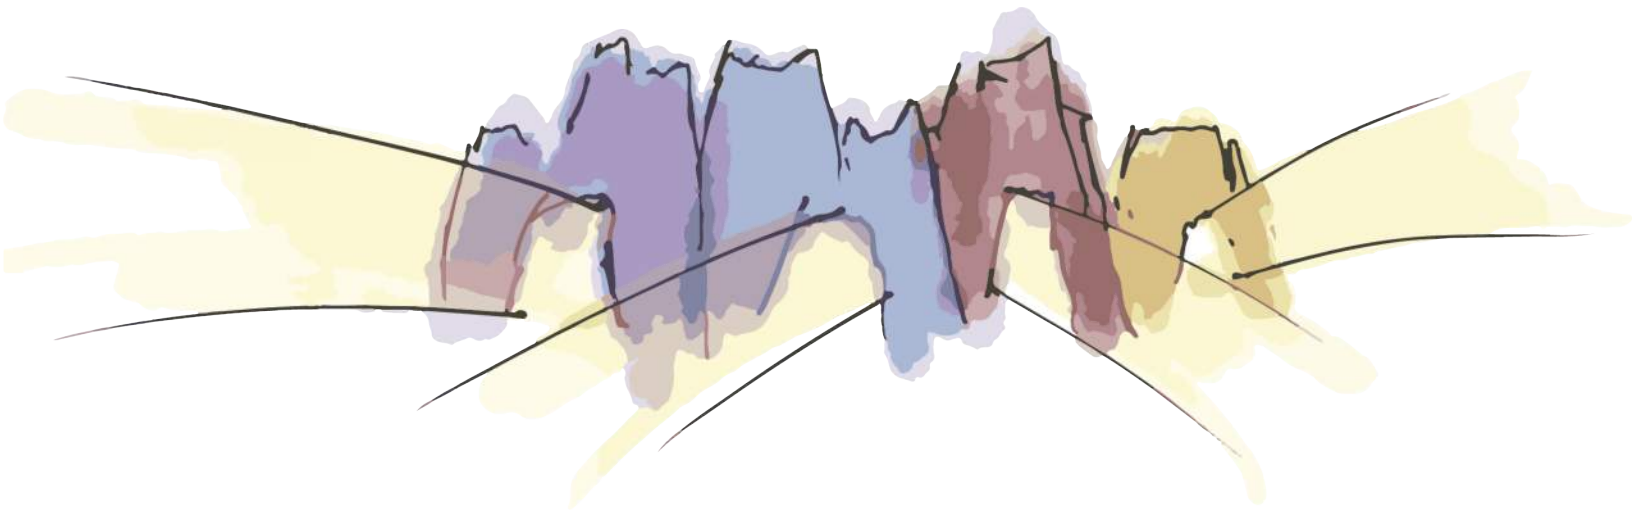

**Group #7**

4 dots

- Creates one central courtyard
- Distributed resource/SPED while keeping central
- Stacked exploratory classrooms

# Interior Concepts

The sun  
will rise  
and we will  
try again.

**Sense of adventure and exploration without fear.**

**Constant sense of direction through light and color at intersections.**

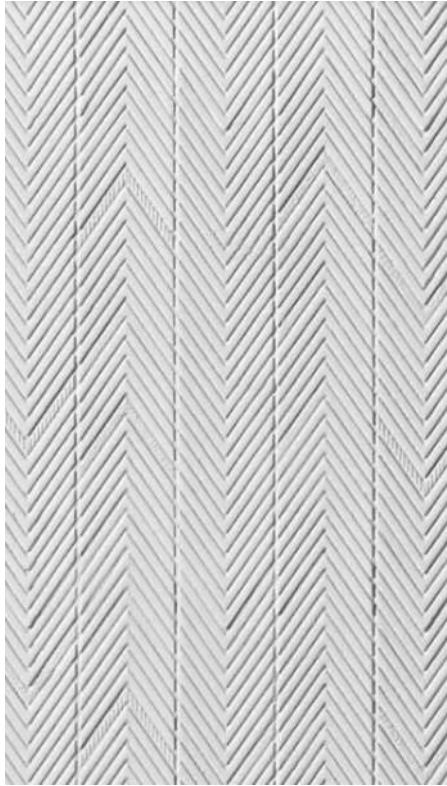

**Ability for learners to take ownership of their learning path.**

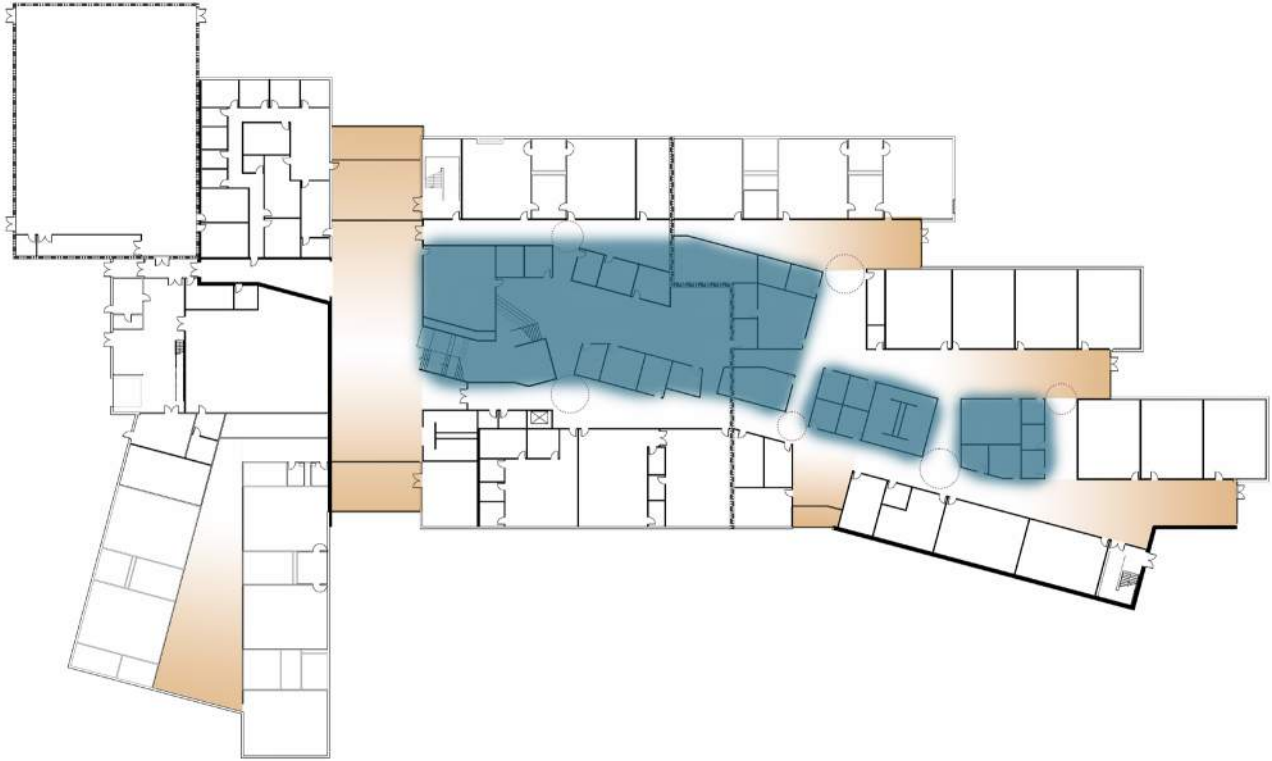

**Opportunities to discover, Nooks to seek protection, Freedom to soar.**

## **CAVERNOUS. DIMENSIONAL. JOYFUL. LAYERED. SERENE.**

The elementary school will be inspired by the experience of exploring a cave. The academic core, the cave, will have both open expansive areas and smaller, more enclosed rooms. The cave will have dynamic angles and undulating shapes immersing the user in the experience. There will be several paths into and throughout the cave with light and colors of the sky guiding the users throughout. The space outside the cave will be more soft and transitional, inspired by the ever-changing sky around us. The building will be layered, not one-dimensional and lack clear repetition. With several connected paths, students will be engaged to explore and take ownership of their learning opportunities.

## Discipline Narratives

## DISCIPLINE NARRATIVES

# Civil

Civil and Site design of the project shall be based on the following codes and standards; including additional codes and standards found within these items, as applicable and the requirements of the listed regulatory agencies:

- AASHTO American Association of State Highway Transportation Officials
- ADA Americans with Disabilities Act
- ASTM American Society for Testing and Materials
- AWWA American Water Works Association
- City of Box Elder, SD Code of Ordinances
- City of Box Elder Infrastructure Design Standards
- City of Box Elder Construction Specifications and Details
- Pennington County Highway Department
- South Dakota Department of Transportation Standard Specifications for Road and Bridges
- South Dakota Department of Agriculture and Natural Resources

### Regulatory Information

The Site is currently zoned Agricultural District in the municipality of Box Elder, South Dakota and will be rezoned to Public Land District. A Conditional Use Permit may be required because schools are not listed as an allowable use in the Public Land District zoning code.

The following are Height and Lot Requirements for the Public Land District.

- The minimum front yard setback for this district shall not be required.
- The minimum interior side yard setback for this district shall not be required.
- The minimum exterior side yard setback for this district shall not be required.
- The minimum rear yard setback for this district shall not be required.
- Maximum building coverage ratio: The maximum lot coverage ratio for this District shall be 70%.
- Maximum structure height: The

maximum structure height for this district shall be sixty (60'-0") feet or four and one-half (4 & 1/2) stories.

- Maximum density: The district shall not have a density designation.

The Zoning Code has the following requirement for minimum number of parking stalls:

- "Two (2) spaces per three (3) teachers and employees normally engaged in or about the building or grounds; plus one (1) space for each one hundred and fifty (150) square feet of seating area, including aisles, in any auditorium."
- The minimum number of stalls per code is approximately 106 spaces. The plan exceeds this parking requirement with 126 spaces.
- Storm Water Detention will be provided as required by the City of Box Elder Infrastructure Design Standards

### Unresolved Site Issues

It is assumed that the following issues and items will be resolved by others on a timeline sufficient to support the development of this project.

The adjacent Right-of-Way (ROW) north of the site has no public infrastructure improvements constructed except for a water main. The City of Boxelder is aware of the school project but has no current schedule for the design and construction of the public infrastructure improvements in this ROW. These public infrastructure improvements will be necessary for the school project. To complete the site design for the school project at minimum a preliminary public infrastructure roadway and utilities design to work with will be needed. The preliminary design must include the following:

- Roadway Design including Plan and Profile, Typical Roadway Section, and Grading Plan within the Right-of-Way
- Sanitary Sewer Main Design including profile and manhole locations
- Storm Sewer Design including pipe sizes, inlet locations, and culverts

under the roadway

- Water Main Design if the existing Water Main is being modified or hydrants added, etc.
- Private Utility extensions to site including Power, Gas, and Communications.

A written statement identifying design timelines, construction timelines, and resultant cost responsibilities from the City of Boxelder is recommended.

In addition, a traffic impact study is being developed by others and is assumed to be completed and available to the design team on a timeline sufficient to support the site development of the project.

### Site Information

- The site is 20 acres consisting of rolling hills and minor natural drainages between two existing subdivisions; Prairieview Estates and Creekside Estates. A current gravel road connects the neighborhoods but is only used during flood emergencies as secondary neighborhood egress. Both housing developments have stubbed street connections to the property to the south of the school site. While this property is not currently being developed, future housing development is assumed for the purposes of the site plan.
- The school building is oriented to take advantage of solar orientation and provide outdoor classroom spaces that are protected from the wind. The front entrance is sheltered from the wind by tree plantings to the northwest of the entry.
- The Site Plan includes the new Elementary School Building with parking lots at the main entrance and Pre-K / Maintenance entrance. School bus drop-off / pick-up is at the main entrance to the building and is anticipated to accommodate 8 busses at one time. Parent / Caregiver drop-off / pick-up is in a dedicated one-way street at the rear entrance at the playgrounds. Pre-K drop off includes a parking lot shared with staff and

## DISCIPLINE NARRATIVES

# Civil

assumes that parents / caregivers will park and walk students to the Pre-K entrance.

- Field space for PE and community use is provided west of the school building with a sidewalk connecting the gymnasium to the fields for safe easy PE access.
- Open space is reserved for geothermal wells south of the school.

### Site Grading and Drainage

- The site slopes to the north and northeast. Portion of the existing side is drained by a single shallow drainage that connects to a culvert under the undeveloped Creekside Drive extension. Drainage to the northeast flows to a natural drainage east of the site on private land.
- Nearly the entire site will be regraded to accommodate the building, roads, parking lots, and PE fields. Berms will be created perpendicular to the dominant wind direction which, when planted with trees, will help to break the constant wind. The western portion of the site will be graded at a minimal slope for use as soccer or other field types.
- Two detention basins are planned on the northern part of the site.
- As part of grading operations, Site top soil will be stripped, stockpiled and reapplied on site in all locations where planting or reseeding will occur.
- Storm Sewer will be used for storm drainage conveyance for buildings, parking lots, roadways, and other necessary areas.

### Pavements and Surfacing

- Site sidewalks will be non-reinforced concrete of a minimum thickness of 6" and as recommended by the Geotechnical Investigation recommendations.
- Parking lots and roadways will be hard surfaced with asphalt or Portland Cement Concrete. Pavement thickness and type will be per the Geotechnical Investigation recommendations and per the requirements of the City of Box Elder.

- Curb openings will be provided for snow removal as allowed by site grading and drainage and roadway traffic patterns.

### Site Utilities

- Water – The project will connect to the City of Box Elder public water system located on the north side of the Creekside Drive right-of-way. The Mechanical Engineer and Fire Protection Engineer will evaluate available pressures and supply for the project as the design advances.
- Sanitary Sewer – Sewer service from the building will connect to the future City of Box Elder sewer main that will be installed by others in the Creekside Drive right-of-way.
- It is assumed that all private utilities, including gas, electrical, and communications, will extend their systems in the Creekside Drive right-of-way and the school will tie into those systems.

### Playgrounds and Outdoor Classrooms

Playgrounds are an extension of the classroom and are as critical to child development as in-class learning. Outdoor play spaces are where children learn and practice fine and gross motor skills, develop core strength, coordination, proprioception, planning and problem solving, creativity, socialization, cooperation, and critical thinking. Quality playgrounds are designed to be flexible, enticing, challenging, and safe for a wide variety of ages and physical, sensory, social, communication and cognitive abilities. The playgrounds are designed with Universal Design principles; a playground that is usable by all students to the greatest extent possible without the need for adaptation or specialized design. Two playgrounds are provided at this facility; a Pre-K playground and a K-5 playground. Both playgrounds are designed to provide 75 s.f. of outdoor space per child.

#### Pre-K Playground

- A minimum of 6,750 s.f. of Pre-K fenced playground will be provided

for an anticipated enrollment of 90 students. This age group ranges from 3 years old to five years old.

- The playground will be divided into three use areas: paved "court" area, active playground, and passive playground.
  - Paved areas will provide outdoor multipurpose space for ball games and other activities that require a hard smooth surface.
  - The Active Playground will include age-appropriate play structures, swings, and other freestanding play equipment that allow exercise and movement for all abilities.
  - The Passive Play area provides space for children to observe activities from a safe space, engage in sensory activities, and play alone or in small groups.

#### K-5 Playground

- A minimum of 38,250 s.f. of fenced playground will be provided for an anticipated enrollment of 510 students.
- Paved "Courts" area will provide basketball courts with multiple hoop heights and space for other elementary age court games.
- The Active Playground will include age-appropriate play structures, swings, and other freestanding play equipment that allow exercise and movement for all abilities.
- Two Passive Play areas provide space for children to observe activities from a safe space, engage in sensory activities, and play alone or in small groups.

#### Outdoor Classrooms

- Six outdoor classroom spaces are located at the east end of the building; three at the first floor and three at the second floor. Classroom spaces will be defined by program-supporting furniture, colors and textures, paved walking surfaces, synthetic turf, and possible shade structures.
- Plantings are expected to be minimal and portable in nature.
- Lower level outdoor classrooms will be

## DISCIPLINE NARRATIVES

# Civil

secure extensions of indoor spaces; either by virtue of being on the second floor or because first floor outdoor classrooms will be elevated above the surround grade due to site grading.

### Site Landscape

- The existing Site consists of former short grass prairie that, because of grazing, is now patchy pasture grasses, weeds and occasional shrubs. A wind break of juniper and deciduous shrubs is present along the entire west boundary of the site. The wind break will be retained to the greatest extent possible.
- The Site landscape will consist of irrigated and non-irrigated lawn and native grasses with minimal areas of irrigated trees and shrubs. Planting will be focused in the area adjacent to the building and in parking lots.
- Plantings will also function as wind breaks and are oriented perpendicular to the predominant wind direction in key areas, such as at entrances and near playgrounds.
- Landscaping shall be provided in quality and quantity per City of Box Elder Code of Ordinances.
- Tree and shrub species will be selected from recommended trees in the Box Elder Code of Ordinances and will be selected for performance and drought tolerance.
- Seeded grasses will be selected for performance specific to the programmed use and drought tolerance.
- Synthetic turf is being investigated for the practice football or soccer field. Athletic fields that are not synthetic turf will be seeded impact-resistant irrigated grass installed over specialty soil mixes.

## DISCIPLINE NARRATIVES

# Architectural

### Applicable Codes

The building will comply with current International Building Code (IBC) as amended and adopted by City of Box Elder and State of South Dakota:

- 2018 INTERNATIONAL BUILDING CODE (IBC) as amended by Box Elder
- 2015 INTERNATIONAL FIRE CODE (IFC)
- 2015 INTERNATIONAL MECHANICAL CODE (IMC)
- 2015 INTERNATIONAL FUEL GAS CODE (IFGC)
- 2018 UNIFORM PLUMBING CODE (UPC) in compliance with SDCL chapters 1-26
- 2014 NATIONAL ELECTRICAL CODE (NEC)
- 2009 INTERNATIONAL CODE COUNCIL ANSI 117.1
- 2010 ADA STANDARDS FOR ACCESSIBLE DESIGN

### Design Inspiration

The architectural design is inspired by the surrounding beauty in the area and its community. The exterior attempts to reduce the scale of the building through changes in mass, material, and playfulness to create a more organic feel. The overall inspiration comes from the exploration of a cave. With various portals of entry from the exterior it leads you into the cave.

The open expansive opportunities on the interior provide collaborative and engaging experiences for its users. However the cave also gives opportunities for more secluded and focused type learning environments.

Dynamic angles and undulating shapes immerse the user in the experience. The creation of connected pathways gives students the ability to explore the building and gain inspiration from its ever changing landscape. Materials and color are influenced by the beautiful sunrises which exist in the region. How the light falls on the hills creates a soft and comforting color pallet. The design of this project has every student, teacher and user in mind. The goal of this project is to elevate the teaching and learning opportunities for the community of Box Elder.

### Project Description

New Construction of approximately 129,000 600 student elementary school located in the city of Box Elder, South Dakota.

- The scale of the building breaks down into public and academic areas. The Public wing includes the commons, kitchen, and gymnasium. The academic areas includes all general and specialty classrooms as well as outdoor learning areas.

### Building Exterior Envelope

- Exterior walls are typically constructed with precast wall panels and clad with textured/stained concrete. R value will be approximately R-20, above the code minimum of R-11.4.
- The entire school will be covered with an insulated membrane roof with a 1/4" per foot slope.
- Roof R-values will be above the code minimum of R-30.
- Exterior Windows will be manufactured of aluminum and thermally broken. Glazing will be tinted, insulated glass to minimize solar gain. Aluminum storefront systems will be used at entrances, stairwells, classrooms and the gyms. A curtain-wall system will be used for larger glazing areas in the commons. Other exterior doors will have will be insulated hollow metal, finished with a special coating to match the exterior finishes.
- Interior walls will be constructed of either precast panels or metal studs with gypsum board.
- Both surfaces will receive a durable paint or porcelain tile finish.

## DISCIPLINE NARRATIVES

# Interior Design

In addition to the Interior Finish requirements listed per room, the following will be implemented as general design features throughout the project:

### Wall Paint

- All walls to be painted. High Performance Coating locations are noted under specific rooms below.

### Handrails & Guardrails

- All handrails and guardrails on project are to be stainless steel, powder coated or anodized aluminum.

### Corner Guards

- Provide full height stainless steel corner guards at all high traffic gypsum wall board external corners.

### Wall Base

- Provide resilient wall base of 4" high at all gypsum board, precast and CMU walls. Tiled walls do not receive wall base.

### Drinking Fountains

- All walls behind drinking fountains must have ceramic tile finish. Flooring under drinking fountains is to be resilient, ceramic tile, walk off carpet or concrete.

### Acoustic Panels

- Acoustic wall pane
- Is and ceiling treatments such as baffles, acoustic deck and others may be used at specific areas such as Gymnasium, Commons, Music / Band Rooms Exploratory rooms, and Media Center. Amount and locations will be determined during Design Development Phase.

### Specialty Ceilings

- Can include but are not limited to wood, acoustical baffles, perforated metal panels and other acoustical treatments.
- 

### Window Shades

- Provide manual roller shades at exterior classroom windows as well as all exterior windows at Administration.

### Interior Signage

- Provide typical room sign at all rooms. At rooms with more than one entrance, provide sign at each door. Provide one toilet room sign at all Women Staff, Men Staff, Women (student), Men (student), Unisex and Family.

### Classrooms

- Carpet tile flooring
- Typical APC ceiling
- Mobile storage

### Commons

- Terrazzo flooring with integral base
- Allowance for specialty wall finish and/or graphics
- Allowance for specialty ceiling finish with exposed ceiling and structure painted
- Acoustical wall panels
- Specialty lighting
- Display walls or cases

### Centralized Learning Stair

- Porcelain tile or carpet tile stair treads
- Terrazzo Tiered Seating Steps
- Allowance for built-in nooks
- Specialty wall finish

### Main Circulation

- LVT flooring
- Tile wainscot walls
- Combination of exposed painted ceilings and typical APC ceilings
- Specialty lighting at key areas
- Display walls or cases throughout

### Collaboration Zones

- LVT flooring
- Allowance for specialty wall finish or graphics
- Allowance for built-in nooks
- Allowance for specialty ceiling finish
- Specialty lighting

### Resource Rooms

- Carpet tile flooring
- Typical APC ceiling
- Mobile storage

### Small Group Rooms

- Carpet tile flooring
- Typical APC ceiling

### Teacher Planning Centers and Workrooms

- Carpet tile flooring
- Typical APC ceiling
- Plastic laminate cabinets with plastic laminate counters

### Restrooms

- Epoxy resinous flooring with integral base
- Full height ceramic wall tiles
- Painted GWB ceilings

### Media Center

- Carpet tile flooring
- Built-in and mobile bookcases
- Custom millwork circulation desk with solid surface counters
- Allowance for built-in nooks
- Allowance for specialty ceiling finish
- Specialty lighting

### Music

- Carpet tile flooring
- Mirrors in some locations
- Exposed acoustical ceiling and structure painted with APC clouds
- Strategic acoustical wall treatments
- Plastic laminate cabinets with plastic laminate counters

### Exploratory

- Hardened concrete flooring
- Exposed acoustical ceiling painted with APC clouds
- Acoustical wall panels
- Plastic laminate cabinets with plastic laminate counters

### Administration / Offices

- Carpet tile flooring with instances of LVT
- Custom millwork reception desk with solid surface counters
- Typical APC ceilings with instances of GWB Bulkheads or specialty ceilings at key areas
- Specialty lighting above reception desk
- Plastic laminate cabinets with plastic laminate counters

### Mechanical / Electrical / Comm / Facilities

- Sealed concrete flooring
- Walls, not painted
- Exposed ceiling, not painted

## DISCIPLINE NARRATIVES

# Interior Design

### **Classroom Storage**

- Carpet tile or LVT flooring
- Typical APC ceiling

### **Servery**

- Epoxy resinous flooring with integral base
- Ceramic tile walls
- Cleanable APC ceilings; GWB bulkheads at Servery locations

### **Gymnasium**

- Wood athletic flooring
- Rubber ventilated base
- HPC wall paint
- Acoustical wall panels
- Exposed acoustical ceiling and structure painted

### **Locker Rooms**

- Hardened concrete flooring
- HPC paint except at wet walls
- Restroom wet walls: Ceramic wall tile full height
- Exposed ceiling and structure painted

### **Vestibules**

- Walk off carpet tile flooring
- Combination of typical APC and GWB ceilings
- HPC wall paint

### **Stairs**

- Hardened concrete stair treads
- Typical APC ceiling
- HPC painted walls

## DISCIPLINE NARRATIVES

# Mechanical

### Applicable Code Requirements

Codes associated with fire protection, plumbing and mechanical work:

- Mechanical Code:
  - International Mechanical Code, 2018
- Plumbing Code
  - Uniform Plumbing Code, 2018
- Energy Code
  - International Energy Conservation Code, 2012
- Fire Code
  - International Fire Code, 2018

### Fire Protection

#### System Design

- The building will be fully protected by an automatic fire sprinkler system. All fire suppression designs will require a 10% margin of safety for available water flow and pressure complying with NFPA 13-2010 requirements.
- The sprinkler system is split into separate zones where generally the maximum of 52,000 square feet (light hazard) may be served by one zone.
- The fire sprinkler system will be a delegated design. Hydraulic calculations and design will be submitted as shop drawings.
- Fire protection service entrance shall be provided with a double check backflow preventer.

#### Fire Protection Piping

- Sprinkler piping materials shall be either steel with grooved and threaded joints, or CPVC where piping is not exposed. Piping shall be fabricated and installed per NFPA Manuals.

### Plumbing

- Domestic Water Meter: Water meter shall be purchased by the contractor from the City of Box Elder.
- Domestic Water Backflow Prevention and/or Pressure Reducing Valve: A double check backflow preventer shall be provided at the water entrance.
- Plumbing Piping
  - Domestic hot and cold-water piping will be copper type "L" above ground, and type "K" below

ground (if required), both with lead-free solder joints.

- Domestic hot, cold, and hot recirculation piping shall be insulated per the 2012 IECC.
- All plumbing waste, plumbing vent above ground will be service weight cast iron. Sanitary below ground may be cast iron or solid wall PVC pipe.
- Plumbing Fixtures
  - Water closets shall be vitreous china, high efficiency (1.28 gallons per flush (GPF)) wall hung fixtures with carriers. Urinals shall be vitreous china, high efficiency, requiring 1/8 gallon per flush (GPF), wall mounted fixtures with carriers. Plumbing fixtures meeting American with Disabilities (ADA) requirements will be provided.
  - All toilet rooms will be provided with floor drains with gravity fed trap primers.
- Grease Interceptor(s)
  - A hydromechanical great interceptor(s) will be sized based on the number of meals served per day. If required, multiple interceptors will be piped in series.
- Storm Drainage
  - Sizing of the primary and secondary storm drainage system shall be based on a maximum rate of rainfall of 2.7 inches per hour and the projected area per drain as listed in the Uniform Plumbing Code.
  - All storm drainage piping above ground will be service weight cast iron. Underground storm sewer below ground will be cast iron or solid wall PVC pipe.
  - Storm drain piping and roof drain bodies will be insulated per the 2012 IECC.
- Sump Pumps
  - Elevator pits will be provided with a 50 GPM sump pump.
- Domestic Water
  - Domestic hot water for the building will be generated by

gas water heaters with a storage tank(s).

- Hot water for any kitchen related equipment will be supplied at 140 degrees F.
- General use plumbing fixtures will be supplied at 110 degrees F.
- Both 110 and 140-degrees F will have re-circulation systems.
- A water softener will be provided to soften hot-water for the building.
- Natural Gas Service:
  - Montana Dakota Utilities will provide the natural gas service to the building with a pressure regulator and meter set to the building. The plumbing contractor shall provide piping from the outlet of the meter to locations inside the building as required. Gas pressure will be regulated to 2 psi at the meter set.

### Heating, Ventilating and Air Conditioning (HVAC) Design Conditions

- The outside summer design conditions for Box Elder, SD (95 degrees F dry bulb (dB)), 66 degrees F wet bulb (wB) will be used. The outside winter design temperature will be minus ten (-10) degrees F.
- Ventilation will be provided per ASHRAE Standard 62.1 "Ventilation for Acceptable Indoor Air Quality" and/or the International Mechanical Code 2018.
- The inside design cooling and heating conditions for classrooms/general purpose rooms/spaces will be 75 degrees F dry bulb and 50 percent RH (cooling), and 72 degrees F dry bulb during the heating season.

### Proposed HVAC System

- Airside Systems:
  - Each classroom will have a dedicated vertical heat pump located in a closet or mechanical room to air condition and heat the space. A water-source heat pump air handling unit with energy recovery will precondition the

## DISCIPLINE NARRATIVES

# Mechanical

ventilation air delivered to each heat pump.

- Larger areas (Commons and Gym) will be served by single-zone VAV water-source heat pump air handling units. Energy recovery will be included as required by IECC 2012.
- Waterside Systems
  - Base System:
    - The heat pump loop will be connected to a ground-loop heat exchanger (geothermal well field). The well field is preliminarily sized at 300 wells. Wells shall be 300' deep spaced 15' on center.

### Preliminary Unit Sizing

#### AHUs:

- Basis of Design:
  - AHU-1 (Gym): 10,000 CFM unit, 2,500 CFM OA
  - AHU-2 (Commons): 6,000 CFM unit, 1,300 CFM OA.
  - AHU-3 (Area A & B DOAS): 4,750 CFM OA
  - AHU-4 (Area C DOAS): 9,500 CFM OA
  - AHU-5 (Area D DOAS): 14,000 CFM OA

### Temperature Controls System

- Temperature controls system will be of Direct Digital Control type.

### Miscellaneous Mechanical Systems

- Toilets, locker rooms, and janitor's closets exhaust air quantity will be as required to comply with the 2018 International Mechanical Code (IMC). To minimize maintenance requirements, all fans will be direct drive where possible.
- Elevator machine room and IT Server Room will be served by a ductless split system cooling system with outdoor condensing unit with low ambient kit.
- Electric unit heaters will be located in vestibules and mechanical rooms for space heating.

## DISCIPLINE NARRATIVES

# Electrical Systems

### Codes and Standards

- The following codes are applicable to this project:
  - National Electrical Code (NEC) – 2014
  - International Building Code (IBC) – 2018
  - International Energy Conservation Code (IECC) – 2012
  - International Mechanical Code (IMC) – 2018
- Publications from the following standards organizations will be used as design guidelines for the project:
  - National Fire Protection Association (NFPA)
  - Illuminating Engineering Society of North America (IES)
  - Building Industry Consulting Services International (BICSI)
  - Americans with Disabilities Act (ADA)
  - National Electrical Manufacturer's Association (NEMA)
  - Electrical Industries Alliance (EIA)
  - Telecommunications Industry Association (TIA)
  - American Society of Heating, Refrigeration and Air Conditioning Engineers

### Electrical Services

- Service size is expected to be a 2500 amp, 480Y/277 VAC, 3-phase 4 wire service to the building.
- Distribution from the main switch board (MSB) to multiple branch circuit panels serving remote electrical rooms serving lighting, general purpose power and mechanical loads throughout the building.
- Surge protective devices will be provided at the main service entrance and at 208 volt branch circuit panels.

### Cables and Conductors

- Panelboard feeders 100A and larger may be copper or aluminum. All other conductors shall be copper.
- Cables with Type XHHW-2 insulation will be provided for services entrances conductors and feeder conductors to distribution and branch panelboards.
- Cables with Type THHN-THWN insulation will be used for other

feeders and all branch circuit conductor homeruns.

### Transformers

- Transformers will be required to derive 120-volt and 208-volt power for receptacles and other loads.
- Transformers will be three-phase, aluminum core unless a large single-phase load makes a single-phase transformer necessary.
- Transformers will conform to the NEMA TP1 rating for energy efficiency and shall comply with the Department of Energy 2016 Efficiency Standard.

### Switchboards

- Switchboards will consist of multiple sections; front and rear aligned requiring access from the front only. Switchboards shall contain circuit breakers for mains and branch devices.
- The service entrance switchboard will contain digital metering that will be monitored by the building management system (BMS). Eaton (Cutler Hammer), General Electric, Siemens and Square D are acceptable manufacturers.
- The service entrance switchboard will contain integral a factory-installed Surge Protective Device (SPD).
- Primary service voltage will be 480/277 volt. Size expected to be 2500A.

### Panelboards

- Panelboards will be provided throughout the building to serve mechanical, lighting, and receptacle branch circuits. Typically, panelboards will be located in dedicated electrical rooms. Panelboards serving kitchen loads will be located (recessed) in the kitchen walls, if wall space is available.
- Panelboards will have bolt-on type branch breakers. Plug-in type breakers will not be permitted. Eaton (Cutler Hammer), General Electric, Siemens and Square D are acceptable manufacturers.
- Panelboards will be fully rated for the calculated available fault current. Series rated devices will not be

permitted.

- Integral SPD's will be provided on branch circuit panelboards serving electronic loads. This will include most, if not all, 120/208V panelboards.

### Motor Controllers

- NEMA ICS 2, Class A, full voltage, non-reversing across-the-line motor controllers will be provided under Division 26 where simple start-stop motor operation is required.
- Motor controllers will contain a NEMA rating based on horsepower of the load, and adjustable overload relays for motor running overload protection with NEMA ICS 2, Class 20 tripping characteristics to protect motor against voltage and current unbalance and single phasing.
- Variable frequency drives (VFD's) will be provided with the associated motor under Division 23 where variable speed control is required.

### Wiring Devices

- Wiring devices will be specification grade with gray finish, unless specified otherwise.
- Standard receptacles will have a NEMA 5-20R configuration rated for 20 amps.
- Standard toggle switches will be rated for 120/277 volts and 20 amps.
- Wiring device faceplates will be Type 302 stainless steel.
- USB receptacles for device charging will be provided in areas selected by the Owner.

### Lightning Protection

- Lightning protection for the building will not be provided unless requested by the Owner

### Generator

- An outdoor emergency standby generator will be provided; initial estimated size is 100kVA. The following loads will be backed up via generator:
  - Life Safety Distribution:
    - Panel feeding interior and exterior emergency egress

## DISCIPLINE NARRATIVES

# Electrical Systems

- lighting throughout the building out to the public way.
- Optional Distribution – further clarification of scope is required. Probably loads connected include:
  - Panel(s) feeding communications system components in the telecomm rooms, in tandem with a UPS unit.
  - Kitchen freezer and refrigerator.
  - Any other loads identified by Owner.
- The preferred fuel source is diesel.
- Generator will be located inside the main building within the storm shelter area.
- Automatic transfer switches will be provided to automatically transfer loads to the emergency power source in the event of loss of utility power.

### Lighting Control

- Lighting control will consist of a combination of manual and automatic control.
- Control for overall building interior lighting will consist of low-voltage relays, centrally located in relay panels and/or distributed throughout the building. The lighting control system will automatically turn lights off and on based on owner determined schedules. Switches will be provided for localized override of building controls in common-use spaces and corridors.
- An optional feature of the lighting control system will be the capability to reduce corridor light levels between class periods. This is a feature that will require approval from the Owner.
- Vacancy sensors will provide 'manual on/automatic off' control of lights. Occupancy sensors will provide 'automatic on/off' control in designated places such as restrooms and vestibules. Time delays will be set to the maximum allowed by Energy Code.
- The following types of occupancy and vacancy sensors are proposed:
  - Wall Switch Vacancy Sensors: Dual-technology device mounted in a standard switch box. These devices will be used in small rooms where sensors have a direct line of sight to the occupants.
  - Ceiling Mounted Occupancy or Vacancy Sensors: Low voltage sensor with remote relay pack for control of load. Dual Technology Type - Passive Infrared and Ultrasonic.
- Control for individual interior spaces will be as follows:
  - Classrooms / Music Rooms: Each typical classroom will have 4 lighting zones: teaching wall, teaching wall daylight zone, classroom, and classroom daylight zone. Classroom lighting will be controlled with wallbox dimmer/scene selector switches, ceiling-mounted occupancy sensors, and daylight photocell sensors.
  - Common Spaces / Cafeteria and Gymnasium: Low-voltage manual switches for multi-level LED lighting control via relays, including competition events in the gymnasium and after-school activities and performances in the gym and/or commons. Use of daylight sensing photocells and dimmable LEDs may be used to harvest ambient daylight.
  - Conference Rooms: Ceiling mounted vacancy sensor in combination with wallbox dimmer/scene selector switches for lighting control in an A/V environment.
  - Corridors / Vestibules / Stairwells: Low-voltage manual switches at centralized areas for control of sections of building via low-voltage relays. Occupancy Sensors will be spaced evenly throughout these spaces to automatically turn lights on during after-hour schedules. Switches are inoperable during occupied hours.
  - Kitchen/Servery: Ceiling mounted occupancy sensors with dimmer and/or scene switch(es).

- Media Center: Ceiling mounted occupancy sensors with dimmer and/or scene switch(es).
- Offices - Large: Ceiling mounted vacancy sensor with dimmer switch.
- Offices - Small: Wall dimmer switch vacancy sensor.
- Restrooms / Lockers: Ceiling mounted occupancy sensors with keyed switch.
- Workrooms: Ceiling mounted vacancy sensor with dimmer and/or scene switch(es).
- Restrooms: Ceiling mounted occupancy sensors with keyed switch.
- Small Storage Rooms and Janitor's Closets: Wall switch vacancy sensor.
- Storage Rooms - Large: Ceiling mounted vacancy sensor with manual switch.
- Utility Rooms: Manual switches at each entrance to rooms in large rooms, wall switch occupancy sensors in smaller rooms.
- Control for exterior spaces will be as follows (scheduling of exterior zones will be determined by owner):
  - Parking: astronomic timeclock scheduling via lighting control system.
  - Building Exterior: astronomic timeclock scheduling via lighting control system

### Interior Lighting

- Light Levels: Average maintained design light levels are as follows:
  - Classrooms: 30-40 foot-candles.
  - Commons / Cafeteria: 20 foot-candles for dining, 40 foot-candles for testing.
  - Conference Rooms: 30-40 foot-candles.
  - Corridors: 10 foot-candles
  - Gymnasium: 75 foot-candles for competition, 30-50 foot-candles for general illumination.
  - Kitchen/Servery: 50 foot-candles
  - Media Center: 30 foot-candles.
  - Music Rooms: 30-40 foot-candles.
  - Offices: 30-40 foot-candles.
  - Restrooms / Lockers: 15 foot-

## DISCIPLINE NARRATIVES

# Electrical Systems

- candles
- Workrooms: 40 foot-candles.
- Restrooms: 15 foot-candles.
- Stairwells: 10 foot-candles.
- Storage Rooms: 10 foot-candles.
- Utility Rooms: 20 foot-candles.
- Vestibules: 10-15foot-candles
- Fixture Types (lamp source will be LED unless noted otherwise):
  - Classrooms: Recessed 2x2 and 2x4 troffers.
  - Commons / Cafeteria: Pendant-mount specialty fixtures, and linear direct or direct/indirect fixtures.
  - Conference Rooms: Recessed linear fixtures and/or 2x2 and 2x4 troffers.
  - Corridors: Recessed linear, recessed troffers, and specialty lighting.
  - Gymnasium: Specialty LED High-Bay fixtures.
  - Kitchen/Servery: Gasketed 2x2 and 2x4 troffers.
  - Media Center: Pendant-mount specialty fixtures, and linear direct or direct/indirect fixtures.
  - Music Rooms: Recessed linear fixtures and/or 2x2 and 2x4 troffers.
  - Offices: Recessed 2x2 and 2x4 troffers.
  - Restrooms / Lockers: Recessed 1x4 troffers.
  - Workrooms: Recessed 2x2 and 2x4 troffers.
  - o Restrooms: Recessed 1x4 troffers, wall-mounted vanity lights where appropriate.
  - Stairwells: Wall-Mounted 4' lights.
  - Storage Rooms: Recessed troffers in finished ceilings, Strip Lights where exposed to structure.
  - Utility Rooms: Strip lights with wireguards.
  - Vestibules: Recessed linear fixtures and/or 2x2 and 2x4 troffers.
- Light Source: 3500K color temperature LED lighting with a minimum color rendering index (CRI) of 80.
- Daylight Harvesting: Dimming drivers will be utilized in daylight harvesting

applications for such as Classrooms and Commons Spaces and other areas required by Code.

- Exit Lighting: Exit light fixtures for egress lighting will be provided to meet applicable codes and will use LEDs as a light source illuminating red letters.
- Emergency Lighting: Emergency egress lighting will be provided as required by Code. Secondary power source for emergency lighting will be via generator.

### Tunable White Lighting

- Some portion of the project is anticipated to include Tunable White Lighting in interior educational spaces.
- Further discussion with the Owner is required to determine the extent of this work.
- Spaces determined appropriate to include Tunable Lighting by the Owner will include the following:
  - Light fixtures that can tuned with a minimum range of 3000K-5000K, and potentially with a range as great as 2700K-6500K.
  - Manual controls to adjust the color temperature within the range defined above.

### Exterior Lighting

- Light Levels: Average maintained design light levels are as follows:
  - Uncovered Surface Parking Lots, sidewalks and pedestrian entries: 1 foot-candle (fc) average.
- Pole-mounted area lights will be located to minimize the number of poles required. Building mounted area lights will be located above all entry and exit locations.
- Lamps and Drivers: LED lighting with electronic drivers will be used for all exterior pole and building mounted lighting.
- Pole Heights: 24-30 foot poles will be utilized for parking lots. 12 foot poles will be used in any areas requiring pedestrian-scale lighting, such as entry sidewalks.
- LED floodlights stanchion-mounted in a concrete base will light the flagpole.
- Further discussion is required to

determine scope and design intent for lighting of playground areas.

- Athletic Field Lighting will not be provided unless requested by the O

## DISCIPLINE NARRATIVES

# Communication Systems

### Codes and Standards

- Publications from the following standards organizations will be used as design guidelines for the project:
  - Building Industry Consulting Services International (BICSI)
  - Electrical Industries Alliance (EIA)
  - Telecommunications Industry Association (TIA)

### Telecommunications Strategic Planning

- Infrastructure will take into consideration the possibility of a 'one-to-one' initiative, with the possibility of device charging stations and/or laptop carts incorporated into overall building design.

### Telecommunications rooms

- Rooms dedicated for communications systems equipment will be provided throughout the building.
- One main telecommunications room (TR) will be provided to allow entry of outside plant services and house equipment for telecommunications, telephone, intercom and security systems.
- Secondary telecommunications rooms will be sized to contain two floor mounted full height racks with access to three sides of racks.
- Telecommunications racks will consist of a series of minimum 30-inch deep, four post aluminum or steel four post racks in the main telecommunications room, with two post aluminum or steel racks in secondary telecommunications rooms.

### Cable Trays

- Cable trays will be provided above accessible ceilings in corridors.
- Cable trays serve low voltage cabling for use as a pathway for low voltage cabling from workstations to telecommunications rooms.
- Cable tray will be wire basket type constructed of zinc-plated steel, supported via wall mounts, center hung or trapeze hangers, sized to accommodate number of cables being supported, minimum 12-inch width will be utilized.

### Pathways

- Pathways will be provided to allow relocations, additions, and changes to occur in the future. Overhead cable tray will be provided as noted above, with underground conduits connecting communications closets for current or future use.
- Conduits will be provided from the main telecommunications room to the property line for incoming telecommunications services.
- Cable tray will be used as the major pathway for telecommunications cabling. Sleeves through walls and floors will be furnished under Division 26.
- Where openings are required through rated walls for large quantities of cables, a fire-rated pathway containing an intumescent material will be used to allow the pathway to remain open.

### Telecommunications Cabling – Horizontal

- Horizontal cabling is currently NIC but further discussion is needed to confirm this scope. Electrical contractor shall coordinate with District preferred vendor for location and rough-in requirements. Cabling and jacks by others.
- Telecommunications Cabling – Backbone
- Owner to confirm
  - Backbone data cabling will consist of laser optimized 50-micron multimode fiber housed in an aqua jacket and/or single mode fiber optic cable in a yellow jacket.
  - Fiber will be terminated in rack mounted enclosures; type of connectors will be duplex LC unless otherwise directed by Owner.
  - Further discussions with the District will direct whether this work is provided under this contract or a separate contract.

### Internet Service

- Owner to confirm
  - Internet Connection: Building will be served by the District level wide-area network (WAN). Further

discussions with the District will direct whether this work is provided under this contract or a separate contract.

### Telephone System

- Owner to confirm
  - Rough-in for the telephone system will be included as part of the communications cabling infrastructure.
  - Voice over Internet Protocol (VoIP) telephone system equipment, including the telephone switch, handsets and any hardware and programming required for telephone system will be provided by the Owner.
  - System will comply with district standards.

### Distributed Antenna System

- Owner to confirm:
  - A distributed antenna system will be included to comply with the 2012 International Fire Code adopted by the state of South Dakota.
  - System will reinforce the 800 Mhz public safety radio signals used by law enforcement and emergency responders.

### Intercom System

- A microprocessor-based intercom system with configuration and access via local area network (LAN) will be provided. The system will receive a Network Time Protocol (NTP) based input to synchronize class change tones with the clock system.
- The System will be composed of both cone and horn type loudspeakers zoned by studio and by functional general areas.
- The system will be designed to integrate with the phone system and will include audio control relays, Master synchronized time clock, scheduled tone generator, and music distribution capability.
- Communication between Classrooms and Intercom System will occur via Owner furnished VOIP phone system.

## DISCIPLINE NARRATIVES

# Communication Systems

### Clock System

- A NTP based wireless synchronized clock system will be provided such that clocks are synchronized with the telecommunications network and class change tones.
- Digital Clocks will be provided in corridors, multi-purpose room and other large spaces.
- Classrooms, media center, offices, and conference rooms will be 12 inch round analog

### Integrated Audiovisual Systems

- Integrated Audiovisual is not currently in contract. Further discussion with Owner is required to authorize incorporation of the A/V Design and Scope listed below.
- Electrical Infrastructure:
  - Raceways shall be provided by Division 26
  - Power – AV systems shall require electrical receptacles and direct connections
  - Grounding – A grounding point shall be provided at each AV equipment rack
  - Lighting – Lighting shall be zoned to allow staff the ability to minimize light wash on flat panel displays.
- Data Infrastructure:
  - The AV systems will require network connectivity for both system operation and internet access.
- Classrooms shall feature the following:
  - Video Display
  - HDMI input capabilities
  - Wireless display capabilities
  - Audio playback loudspeakers
  - Paging Input
  - Wall control panel for on/off, source, volume control
  - Miscellaneous cord and power distribution
- Conference Rooms shall feature the following:
  - Wall-mounted flat panel display
  - Wireless presentation capabilities
  - Video conferencing capabilities
  - Inputs located at the wall, floor box inputs shall be provided for rooms with a proper conference

room table

- A wall control panel for on/off, source and volume control
- Commons / Cafeteria shall feature the following:
  - Audio
    - Wall connectivity
    - Wireless microphone system
    - Mixing and processing equipment
    - Left and right main loudspeaker for playback of music
    - Center loudspeakers for support of spoken word
    - Sub woofers
    - Rear fill loudspeakers
    - Amplifiers
    - Equipment racks and power distribution
    - Loose equipment package
  - Video
    - Wall connectivity with inputs for HDMI sources
    - Control inputs at multiple locations
    - A control system with user interface to route signals, power on/off the system, etc.
    - A video projector and motorized projection screen and/or flat panel displays
    - Equipment rack and power distribution
- Gymnasium
  - The main gymnasium shall feature an audio system and video system, generally the system shall include
  - Main loudspeakers with zones to provide floor coverage and bleacher coverage areas.
  - Wired, wireless microphone and music inputs for both classroom instruction and events.
  - Control panels for volume control and preset activation
- Digital Signage - used to convey content to staff, students and visitors. The system shall be composed of the following
  - Flat panel Displays
  - Players
  - Server

## DISCIPLINE NARRATIVES

# Safety and Security Systems

### Codes and Standards

- The following codes are applicable to this project:
  - National Electrical Code (NEC) – 2014
  - International Building Code (IBC) – 2018
  - International Mechanical Code (IMC) – 2018
- Publications from the following standards organizations will be used as design guidelines for the project:
  - National Fire Protection Association (NFPA)
  - Building Industry Consulting Services International (BICSI)
  - Americans with Disabilities Act (ADA)
  - National Electrical Manufacturer's Association (NEMA)
  - Electrical Industries Alliance (EIA)
  - Telecommunications Industry Association (TIA)

### Intrusion Detection Systems (Rough-In Only)

- A stand-alone intrusion detection system with keypads, door contact, glass breaks and motion detection devices will be provided by the District's security contractor.

### Video Surveillance Systems (Rough-In Only)

- CCTV system and devices are not in contract. Cameras, Software and Video Servers will be provided by Owner or in combination with their security contractor.
- Cameras will provide coverage of building entrances and the major portions of the building exterior and parking lots at a minimum.
- Interior cameras expected to cover corridors, commons and multi-purpose areas.
- Owner review and feedback will be required as the design develops to determine additional surveillance coverage.
- Cable trays are expected to serve low voltage cabling for use as a pathway for low voltage cabling from camera

locations to telecommunications rooms.

- All cameras are anticipated to obtain power via Power-over-Ethernet (PoE) switches.
- Rough-in pathways will be provided to accommodate camera locations at inaccessible locations.
- Further discussion is needed to determine whether or not the horizontal unshielded twisted-pair (UTP) cabling for cameras will be provided In Contract or By Owner.

### Access Control Systems (Rough-In Only)

- Exterior doors designated as entrance or delivery points will be equipped with electric latches and card readers. All other exterior doors will be treated as exit only and will not include exterior pulls.
- A few interior doors (locations as directed by the Owner) may also be equipped with card readers and electrified hardware.
- Power will be provided for power supplies requiring a 120-volt power source.
- The access control system will be provided by the District's security contractor.

### Fire Alarm System

- Construction plans will provide for an addressable fire alarm system throughout, for detection of sprinkler system water flow, and partial detection with photoelectric smoke detectors in normally unoccupied spaces and through exit corridors.
- The main Fire Alarm Control Panel will be located in a communications room and remote annunciators will be located so as to minimize installation cost and maximize emergency response personnel and staff notification.
- Visual and audible emergency notification devices will be placed throughout the building in accordance with NFPA 72 and will be ADA compliant
- Manual alarm initiation will be provided at each building exit and

other locations as required by code.

- Design will provide for voice annunciation signaling provided throughout.
- Allowable manufacturers for fire alarm systems will include Edwards, Fire Control Instruments, Notifier, Potter, and Siemens.

## DISCIPLINE NARRATIVES

# Structural

### Structural Design

The structural systems narrative is intended to present structural systems data applicable to the new construction of an elementary school for the Douglas School District in Rapid City, SD. It is not intended to provide a detailed description of the new structural systems, or to encompass all the work required to construct the new facilities according to any proposed plan. The following is a limited narrative of systems and materials that will be used to develop system design.

### Applicable Codes

All structural systems for this facility will be designed in accordance with applicable codes as well as other industry recognized codes and standards. The applicable codes and standards include, but are not limited to, the following:

- International Building Code, 2018 Edition
- American Society of Civil Engineers - Minimum Design Loads for Buildings and Other Structures (ASCE 7-16)
- American Concrete Institute, Building Code Requirements for Structural Concrete (ACI 318-14)
- American Institute of Steel Construction, Manual of Steel Construction (15th Edition)
- Building Code Requirements and Specifications for Masonry Structures, 2016 Edition (TMS 402/602-16)
- American Institute of Steel Industry, Cold Formed Steel Design Manual, 2017 Edition (D100-17)
- Precast Concrete Institute, PCI Design Handbook, 8th Edition

### Design Loads

- Dead Loads
  - Structure self-weight and superimposed dead loads, including MEP equipment and gym equipment.
- Live Loads
  - Roof = 20 psf
  - Classrooms: 40 psf
  - Office: 50 psf
  - Corridors above first floor: 80 psf
  - Stairs / Exit ways: 100 psf

- Storage Rooms: 125 psf
- Mechanical / Electrical Rooms: 125 psf
- Partitions: 15 psf
- Wind Loads
  - Basic Wind Speed = 120 mph
  - Risk Category III, Iw = 1.00
  - Exposure C
- Seismic Loads
  - Site Classification D
  - Risk Category III, Ie = 1.25
  - SS = 0.133 g
  - S1 = 0.040 g
  - SDS = 0.142 g
  - SD1 = 0.064 g
  - Seismic Design Category A
- Roof Snow Loads
  - Ground Snow Load, pg = 20 psf
  - Risk Category III, Is = 1.10
  - Ce = 1.0
  - Ct = 1.0
  - Flat Roof Snow Load, pf = 15.4 psf
  - Minimum Snow Load, pm = 22 psf

### Geo-technical Report

- Frost Depth = 42"
- Net Allowable Bearing Pressure: 2500 psf
- 3'-0" Over-excavation below foundations

### Structural Systems

- Primary Addition:
  - Roof System: The roof structure will consist of K-series steel bar joists at approximately 5'-0" on center with 1 1/2" metal roof deck, and LH-series and LSH-series steel bar joists at approximately 8'-0" on center with 3" metal roof deck. The joists will be bearing on wide flange structural steel beams and girders and on load-bearing precast concrete wall panels. Roof trusses will be sloped for roof drainage.
  - Floor System: The second level floor systems will be constructed of composite steel beams at roughly 9'-0" on center with 3" concrete topping on 3" composite steel deck, reinforced with welded

wire reinforcement. Above-grade floors will bear on steel girders and columns and on load-bearing precast concrete wall panels. At the mechanical mezzanine the floor system will consist of 8" precast hollowcore planks with 4" concrete topping, reinforced with welded wire reinforcement, bearing on precast concrete wall panels. The at-grade floor system will be 4-inch slab-on-grade reinforced concrete with welded wire reinforcement bearing directly on specially prepared sub-grade.

- Gravity Load Systems: Vertical loads will be transferred from the spanning elements down to the foundations by means of W-shape and HSS structural steel columns and by load-bearing precast concrete wall panels. Exterior precast panels will be insulated sandwich panels, and the interior precast panels will be 8" solid.
- Lateral Load Systems: The lateral load resisting system will consist of metal deck diaphragms transferring the wind and seismic loads to structural steel braced frames, structural steel moment frames, and precast concrete shear walls.
- Exterior Wall Systems: The exterior walls will be precast concrete insulated sandwich panels
- Foundations: The geo-technical report calls for 3'-0" over-excavation below the footings, and installation of engineered fill. The foundations are expected to be trench formed cast-in-place concrete shallow type foundations with spread footings at columns and continuous trenched footings at bearing walls. The foundation around the exterior perimeter of the building will be at least 42" below the final exterior grade for frost protection.

Douglas Board of Education To Be Approved 5-23-2022 for the 2022-2023 School Year

Hello Douglas School District Families,

Our hope is to keep school “in the building” through a shared commitment from students, teachers, families, and staff by preventing the spread of COVID-19. After reviewing academic data for the school year 2020-2021, it was evident that virtual instruction was not successful. Douglas schools transitioned students to face-face instruction in January 2021 to ensure quality instruction and success for all students and has since remained open. Therefore, for the 2022-2023 School Year, our two primary goals are to continue providing rovide face-face instruction for Douglas students while working to ensure student and staff safety. ~~In extreme circumstances, BHOLC will be considered on a case-by-case basis by district administration. Any parents and students who have an extreme circumstance may apply.~~

The South Dakota Dept. of Education and South Dakota Dept. of Health, have developed guidance for the opening of school with all students having the opportunity to attend on a regular schedule. However, we realize as the state relaxes restrictions, the risk of infection and the corresponding need to follow health guidelines increases.

The following COVID-19 Prevention Strategies Most Important for Safe In-Person Learning in K-12 Schools are intended to provide protection for our employees, students, and community.

- Promoting vaccination
- Consistent and correct mask use
- Physical distancing
- Screening testing to promptly identify cases, clusters, and outbreaks
- Ventilation
- Handwashing and respiratory etiquette
- Staying home when sick and getting tested
- Contact tracing, in combination with options for mandatory mask wearing at school or isolation and quarantine at home
- Cleaning and disinfection

What we will do as school and district personnel:

- Follow the mitigation strategies as outlined below.
- Be aware of illness/symptoms in the student body and contact a student’s family immediately if a student exhibits symptoms.
- Monitor positive COVID-19 cases and its spread in Douglas School District and follow — as we would with any community health concern — the recommendation of health department officials regarding school closures, modified school schedules or in-school adjustments.
- Continue to refine our digital curriculum to meet the needs of distance learning as it arises.
- Modify our method of delivery, however necessary, to ensure the health and well-being of students and staff.

Douglas School District 2022 ~~Back To School Reopening~~ Plan - Revised, ~~April 22, 2022~~ May 23, 2022. DSD ~~Back to School Plan Reopening~~ Contact Person is Bud Gusso, Executive Director of Operational Support Services bud.gusso.@k12.sd.us.

What you can do:

- Understand that these guidelines are determined by health, educational and civic professionals commissioned to care for your child, considering the physical environment, time spent in school, and the potential risk to the health of our students, staff and families.
- Keep your child home if they have a fever, cough, cold or flu symptoms, and have them return only when these symptoms have subsided.
- Create a family plan in case your child is sent home from school/bus due to high temperature or is required to be quarantined or isolated. Read more at: DOE
- Create a family plan in the event schools close for quarantine due to a case(s) within the Douglas School District.
- Talk to your child about changes they may notice at school, reinforcing that these measures are in place to preserve their health, and the health of those around them.
- As always, please reinforce the importance of respecting the authority of teachers and staff to maintain order in the classroom, the hallway, and other campus areas.
- Prepare as much as possible to adapt to change. As evidenced this past spring, things evolve quickly, and schedule modifications and/or closures may be unavoidable.
- Know that you as a guardian and parent have the right to keep your child home at any time as you assess risk as it relates to your family.

Overall, circumstances will likely vary from school to school and program to program, each with unique challenges and solutions. Specific school details will be communicated to you directly by the administration of the school your child attends.

Please read it thoroughly, and please know we are making every effort to provide the best educational experience possible. We ask for your support through this process.

Thank you,  
Douglas Board of Education  
Douglas Administration  
Douglas COVID Recovery Committee

# THRESHOLDS

THRESHOLD 1	THRESHOLD 2	THRESHOLD 3	THRESHOLD 4
According to internal district data, the total number of positive cases of COVID-19 is less than <del>3.0%</del> <del>1.5%</del> .	According to internal district data, the total number of positive cases of COVID-19 is between <del>3.1% - 6%</del> <del>1.51%</del> <del>4%</del> .	According to internal district data, the total number of positive cases of COVID-19 is between <del>6.1%-10%</del> <del>4.1%</del> <del>8%</del> .	According to internal district data, the total number of positive COVID-19 cases is higher than <del>10.1%</del> <del>8.1%</del> .
<p>In an effort to ensure continuity of operations, at any point, DSD Administration may require all stakeholders to implement COVID 19 mitigation strategies to prevent the spread and exposure of COVID 19 within Douglas School District.</p> <p>* Administration may implement transitional mitigation strategies between phases where appropriate.</p> <p><b>**In Threshold 3, the Superintendent may initiate a 2-week mandatory mask mandate to ensure proper operations of the District.</b></p>			

# SCHOOL-BASED OPERATION STATUS

THRESHOLD 1	THRESHOLD 2	THRESHOLD 3	THRESHOLD 4
<p>PHASE 1</p> <ul style="list-style-type: none"> <li>Schools Open</li> </ul>	<p>PHASE 2</p> <ul style="list-style-type: none"> <li>Schools Open</li> <li>Individual classrooms, departments, or buildings may be closed as determined necessary by administration based on local attendance data and continuity of operations.</li> </ul>	<p>PHASE 3</p> <ul style="list-style-type: none"> <li>Schools Open</li> <li>Individual classrooms, departments, or buildings may be closed as determined necessary by administration based on local attendance data and continuity of operations.</li> </ul>	<p>PHASE 4</p> <ul style="list-style-type: none"> <li>Administration will bring a recommendation to the Board of Education regarding the best delivery system when numbers reach this point.</li> <li>Consider School Closure               <ul style="list-style-type: none"> <li>All schools will move to Virtual learning</li> <li>Closure time will be determined based on current data</li> </ul> </li> </ul>

Operational phase will not be for a duration of less than a two-week period.

## EDUCATIONAL DELIVERY

PHASE 1 SCHOOL OPEN	PHASE 2 SCHOOL OPEN	PHASE 3 SCHOOL OPEN	PHASE 4 SCHOOL CLOSED
<ul style="list-style-type: none"> <li>Traditional face-to-face instruction</li> </ul>	<ul style="list-style-type: none"> <li>Traditional face-to-face instruction</li> </ul>	<ul style="list-style-type: none"> <li>Traditional face-to-face instruction</li> <li>Increased emphasis on digital delivery.</li> </ul>	<ul style="list-style-type: none"> <li>Students and teachers <b>may will</b> move to distance learning. <b>School may be closed pending Board action.</b></li> </ul>

Increasing levels of mitigation strategies based on phase and community metrics. 

¶

~~After reviewing academic data for the school year 2020-2021, it was evident that virtual instruction was not successful. Douglas schools transitioned students to face face instruction in January 2021 to ensure quality instruction and success for all students. Therefore, Ffor the school year 2022-2023, our primary goal is to provide face-face instruction for Douglas students. In extreme circumstances, BHOLC will be considered on a case-by-case basis by district administration. Any parents and students who have extreme circumstances may contact their school principal for information apply.~~

## DEPARTMENT OF EDUCATION & HEALTH GUIDANCE

The Department of Education is partnering with the Department of Health and K-12 school leaders to provide guidance for reopening and daily operations in SY 2021-2022, recognizing that schools will need to be flexible and adjust to changing conditions.

SD DOE expectations for schools:

- Schools will continue to be a safe environment for students, focusing on both social-emotional and physical health. Local decisions will be rooted in what is best for students.

Douglas School District 2022 ~~Back To School Reopening~~ Plan - Revised, ~~April 22, 2022~~ May 23, 2022. DSD ~~Back to School Plan Reopening~~ Contact Person is Bud Gusso, Executive Director of Operational Support Services bud.gusso.@k12. sd. us.

- Schools will take reasonable steps within the context of COVID-19 spread in the community to protect the school community. National guidelines, while helpful to provide a context, are only a guide. SD DOE expects school leaders to make reasoned judgments to limit the spread but still provide for continuity of learning.
- Every student will have the opportunity to engage in a full year of learning, irrespective of the spread of COVID-19 in a community.
- School leaders will work transparently with their school boards, staff, and community to communicate decisions and the underlying assumptions guiding those decisions.
- School leaders will need to make difficult decisions to ensure the health – both mental and physical – of their entire school community.

STARTING WELL DOCUMENTS: All documents provided to schools by the SD Department of Education and SD Department of Health.

DSD recognizes the importance of hand washing to reduce the spread and exposure of COVID-19. Hand Washing etiquette education will be provided with all students in K-12. Respiratory etiquette education is also provided to proactively reduce the spread and exposure of COVID-19. Hand Washing and Respiratory Etiquette Posters will be posted throughout all K-12 buildings to reinforce the importance of proper hand washing.

Douglas School Dis  
Gusso, Executive D

g-Plan - Revised, April 22, 2022-May 23, 2022. DSD Back to School Plan Reopening Contact Person is Bud  
ices bud.gusso.@k12. sd. us.

# Cover Coughs and Sneezes

Stop the spread of germs that can make you and others sick!

Cover your mouth and nose with a **tissue** when you sneeze or cough.

If you don't have a tissue, use your **elbow**.

Wash hands often, **especially** after coughing or sneezing.

[cdc.gov/coronavirus](https://cdc.gov/coronavirus)

Dear Patriot Families,

~~In consideration of~~ ~~The District will use~~ the most recent CDC guidelines concerning isolation and quarantine. ~~the District's COVID-19 Review Committee has changed~~ ~~the District's isolation timelines effective August 15, 2022~~ ~~January 14, 2022.~~ ~~Our goal is to~~ ~~This plan~~ maximizes student attendance, reduces the duration of staff absences, and remains in the spirit of ~~considering~~ CDC guidance, along with district input. The details of the quarantine/isolation protocol is explained below.

## **CLOSE CONTACT PROCEDURES**

### **Vaccinated**

- Vaccinated Staff and Students, identified as Close Contacts, AND who are not experiencing symptoms, will not be required to quarantine, as the appropriate Phase dictates. Masks are not required, but are HIGHLY encouraged.

### **Un-Vaccinated**

Un-Vaccinated Close Contacts may elect for either of two options:

#### **Option 1 - Mandatory Masking**

- Close Contacts may remain in attendance as long as they are not experiencing any symptoms, and wear a mask.
- Mask wear will be for a minimum of 5 days, beginning the day following last contact. (with exposure counting as day 0)

Douglas School District 2022 ~~Back To School Reopening Plan - Revised, April 22, 2022~~ ~~May 23, 2022.~~ DSD ~~Back to School Plan Reopening~~ Contact Person is Bud Gusso, Executive Director of Operational Support Services bud.gusso.@k12.sd.us.

- Mask may be removed on Day 6-11 IF:
  - A test is performed on Day 5, or later, with a negative test result.
  - Individual remains symptom free.
  - Individual has not been re-exposed.
- Additional requirements:
  - ~~Mandatory Daily Temperature Screening~~
  - ~~Mandatory Daily Health Screening/ Check~~
  - If the close contact has a temperature higher than 100.4, or is experiencing any COVID-19 symptoms, the close contact will be required to complete quarantine/ self-isolation at home.

### Option 2 - Home Quarantine

- Quarantine will be for a minimum of 5 days beginning the day following last contact. (with exposure counting as day 0)
- Quarantined individuals may return on day 6-11 IF:
  - A test is performed on Day 5, or later, of the quarantine, with a negative test result.
  - Individual remains symptom free for the duration of the quarantine.
  - Individual has not been re-exposed,

## COVID POSITIVE / ISOLATION

- Isolation will be for a minimum period of 5 days (with onset of symptoms counting as day 0)
- Individuals may return on day 6, but **MUST BE SYMPTOM FREE**, for 24 hours, without medication, prior to return, AND
- Individuals must wear a mask days 6-11, once returning to school.

## CONTACT TRACING

- Covid Positive individuals bear the responsibility to notify individuals with whom they have had Close Contact.
- ~~Administrators, with the assistance of school nursing personnel, will fully investigate and document close contacts.~~ Close Contacts are defined as individuals:
  - Having been exposed during a period beginning 2 days prior to the COVID positive individual's first onset of symptoms.
  - AND having been in close contact for 15 consecutive minutes, within 3 ft.
  - AND having been in contact with no other mitigation efforts present. Ex: barrier or mask.
  - AND having not had COVID within the last 90 days. (antibody criteria)
- ~~Names of s~~ Staff identified as either COVID Positive OR Close Contact should be immediately ~~contact reported to~~ Human Resources ~~Kurshawn Sorensen~~.

- Names of students identified as ~~either COVID Positive OR Close Contacts~~ should be entered onto the district COVID spreadsheet, by the building secretary.

## **NOTIFICATION**

- Authorized household contacts of COVID Positive, or symptomatic Close Contact students, will receive a personal phone call from the school nurse.
- The school nurse will notify the household of symptomatic individuals of the need to pick up.
- ~~Authorized household contacts of non-symptomatic CLOSE CONTACTS will receive a personal notification (email, call or text), from a secretary, principal, or assistant principal of their school.~~
- Phone calls questioning or challenging protocol, mask requirement, or Back to School Plan should be directed to school building administration.
- ~~An authorized household contact of students who MAY have been exposed to a COVID positive individual but NOT listed as a Close Contact (i.e. class rosters), will receive generic email notification from the administrative office, indicating possible exposure (SAMPLE BELOW).~~
- Households may monitor the status of positive COVID cases in the district at [The Douglas Schools Website](#). Numbers will be updated weekly on Friday.

### **School-Based Rapid Binax Testing Guidelines**

The presence of any of the symptoms below generally suggests a student, teacher, or staff member has an infectious illness and should not attend school, regardless of whether the illness is COVID-19. For students, staff, and teachers with chronic conditions, symptom presence should represent a change from their typical health status to warrant exclusion from school. Occurrence of any **TWO** of the symptoms below while a student, teacher, or staff member is at school suggests the person may be referred for diagnostic testing.

- Temperature external of 100.4 degrees Fahrenheit or higher
- Sore throat
- Cough (for students with chronic cough due to allergies or asthma, a change in their cough from baseline)
- Shortness of breath or difficulty breathing (for students with asthma, a change from their baseline breathing)
- Diarrhea
- New loss of taste or smell
- New onset of severe headache, especially with a fever
- Chills
- Sore throat
- Fatigue
- Muscle or body aches
- Congestion or runny nose
- Nausea
- Vomiting

<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>

### Free COVID-19 TEST KITS

Free take-home COVID-19 rapid test kits can be requested ~~are available~~ (based on supply availability) by ~~to~~ any DSD staff member, parent or guardian who would like one. It is recommended that DSD parents or guardians pick up tests at their child's school office as needed, ~~with a start of~~ two tests per household. If more tests are needed, please speak to the school secretary. Tests can be picked up in the school office anytime during school business hours.

Individuals do not need to report their at-home test results. The tests are available to help DSD staff and families make informed decisions about their health for school, work, social events, and travel. Those who need a validated result or a letter for official purposes should seek testing from a health care provider or from a local public health testing site.

### ~~Social, Emotional, and Mental Health Needs~~

~~DSD recognizes the social, emotional, and mental health needs of students for staff and students. DSD has provided the following opportunities to ensure that the social, emotional, and mental health needs of staff are addressed: August 20, 2021 Wellness Fair, social gatherings, work time in classrooms, professional development, and mental health strategies.~~

~~DSD has provided the following social, emotional, and mental health opportunities for students: Parent/ Student Activities, Homecoming Activities, Educational Assemblies, Mental Health Strategies, Extended Learning Opportunities, and counseling support.~~

### ~~All Staff Email:~~

~~Staff,~~

~~Welcome to a new school year! As part of the District's commitment to individual staff wellbeing, Monument Health will, again this year, conduct a Wellness Fair on Friday, August 20. Each staff member will receive a \$100 credit from the District for any of the labs being offered by Monument Health that day. Any costs over the \$100 limit will be the responsibility of the staff member and should be paid directly to Monument Health on that day by either cash, check, or credit card.~~

~~Attached is a list of the lab work being offered. Review the list and mark what testing you want done. It will be helpful if you bring the list with you. None of the labs require fasting. Secondly, click on the Monument Health survey link and complete the survey. The survey is very short and will only take a couple of minutes to complete. Your responses go directly to Monument Health for their planning purposes. Please complete the survey no later than Tuesday, August 17.~~

~~Additional services being offered by Monument Health include: blood pressure checks, vision checks, immunizations including the COVID vaccination, heart & vascular screening and other health information booths. Even if you are not having any lab work, you can visit the other areas. Please note, they are offering the~~

Douglas School District 2022 ~~Back To School Reopening~~ Plan - Revised, ~~April 22, 2022~~ May 23, 2022. DSD ~~Back to School Plan Reopening~~ Contact Person is Bud Gusso, Executive Director of Operational Support Services bud.gusso.@k12.sd.us.

~~Pfizer and Johnson & Johnson COVID vaccination for staff.~~

~~¶~~

~~The Wellness Fair will be set up in the gym at Vandenberg Elementary from 10:00 am to 1:00 pm on Friday, August 20. No appointment is necessary, but it is suggested that staff come at the assigned time for their building.~~

~~¶~~

~~10:00 High School 10:30 Vandenberg 11:00 Francis Case 11:30 Middle School 12:00 Badger Clark 12:30 Carrousel & all other departments~~

DSD coordinated efforts with state and local health officials to ensure we are proactively providing a safe learning environment through the following:

- SY 21-22 Reopening Plan
- Transportation Guidelines
- Quarantine Guidelines
- Close Contact Guidelines
- Social Distancing
- Mask Efficacy
- Bionax Testing
- Wellness Clinic

**Professional Staff Assignments and Transfers**

**Assignment:**

Professional personnel will be assigned **by the Superintendent or designee** on the basis of their qualifications and the **best interest needs** of the school district.

The assignment ~~and transfer~~ of professional staff ~~teachers~~ to positions in other schools of the District or within the **professional staff member's** ~~teacher's~~ assigned school will be made by the Superintendent **or designee** giving consideration, but not limited to the following criteria:

1. **The best interest of the district.**
2. The contribution that the teacher would make to students in the new assignment.
3. The qualifications of the teacher as compared to those of other candidates for the position to be filled.
4. The opportunity for professional growth.
5. The desire of the teacher regarding the new assignment.
6. The length of service in the school district.
7. The availability of a qualified replacement for the position vacated by the transferring teacher.

**Transfers:**

Any **professional staff member** ~~teacher~~ who desires a transfer in assignment should request such a transfer in writing to ~~their direct supervisor~~ ~~the principal~~ with a copy to ~~the Human Resources~~ **Superintendent**.

If a ~~transfer request~~ ~~a change of assignment~~ is deemed **in the best interest of the district** ~~necessary~~ by the Superintendent or designee, ~~Board~~, then the transfer ~~new assignment~~ will be approved and the **professional staff member's** ~~teacher's~~ contract will be edited to reflect the position for which the **member** ~~teacher~~ is approved.

**OR**

**If a transfer request for a change is deemed in the best interest of the district, the teacher's contract will be edited to reflect the duties of the new position.**

**Support Staff Assignments and Transfers**

**Assignment:**

The Superintendent **or designee** will make assignments ~~and transfers~~ of support staff members for the efficient operation of the schools. As necessary, ~~he~~ **the Superintendent or designee** will consult with the building principals and/or department supervisors on these matters.

~~Transfers~~ **Assignments** may be initiated by the Superintendent or other administrative officer if it is for the welfare of the employee or the schools. An administrative ~~transfer or re~~ assignment will be made only after a conference between the employee and the Superintendent **or designee** ~~or respective supervisor~~, at which time the employee will be notified of the reason for the ~~transfer~~ **assignment**.

**Transfer:**

Any employee desiring a transfer in assignment may make a request in writing to his/her supervisor ~~or the Superintendent~~ **with a copy to Human Resources**. The following criteria, in order of priority, will form the basis for granting the transfer:

- 1. The best interests of the District.**
2. The qualifications of the employee.
3. The length of continuous service ~~which~~ the employee has with the District.
4. The contribution the employee would make in the new assignment.
5. The opportunity for growth in the position.

## BOARD REVIEW OF REGULATIONS **AND HANDBOOKS**

### Regulations:

**School board regulations are rules necessary to carry out the intent of school board policies. All regulations must have board approval. Regulations must be consistent with, and not contrary to, policies adopted by the Board.**

**Unless the regulation is proposed by the Board, all proposed new regulations shall be submitted by the Superintendent or designee to the Board for approval prior to implementation.**

**Regulations become effective upon adoption by the Board. The Board will review its regulations on a continuing basis.**

**Principals may establish procedures for conducting activities in their attendance centers consistent with board policies and regulations.**

**The Board's regulations are a public record. Regulations are available for reviewing and printing in the administrative offices of the school district during regular office hours. They may also be viewed on the District's website.**

~~The Board reserves the right to review administrative regulations at its discretion, but it will revise or veto such rules only when, in the Board's judgment, they are inconsistent with policies adopted by the Board.~~

~~Regulations need not be approved by the Board in advance of issuance except as required by state law or in cases when strong community attitudes, or possible student or staff reaction, make it necessary or advisable for the regulation to have the Board's advance approval. The Board's approval of regulations will be accomplished by the same procedure established for the adoption of policies.~~

~~Before issuance, regulations will be properly titled and coded as appropriate to subject and in conformance with the codification system selected by the Board. Those officially approved by the Board will be so marked; all others appearing in the manual will be considered approved provided they are in accordance with the accompanying Board policy.~~

### Handbooks:

**Staff and student handbooks must conform with district policies and regulations. Prior to the commencement of each academic year, all staff and student handbooks will be presented by the Superintendent or designee to the Board for approval. Staff and student handbooks shall be effective upon Board approval.**

**Handbooks published specifically for a particular group of employees will be distributed to all of the employees affected. Handbooks published for students will be distributed to all affected students.**

**Staff and student handbooks are a public record. The handbooks are available for reviewing and printing in the administrative offices of the school district during regular office hours. Handbooks may also be viewed on the District's website.**

## AGENDA RELATED SUPPLEMENTAL INFORMATION

The school board is committed to making informed decisions on behalf of the citizens and to conducting school district business in a transparent and responsible manner.

To ensure the Board has the information necessary to make informed decisions, the superintendent may prepare and disseminate information to supplement items on the board meeting agenda. All members of the school board will receive the agenda and any related supplemental information in advance of the board meeting and with ample time to review the material.

To ensure the public has access to information that the board may use to make decisions, agenda-related supplemental information provided to all board members in advance of the meeting will be available for public inspection in the business office 24 hours in advance of the meeting and during the school board meeting. However, any information protected from disclosure by state or federal law shall not be disclosed to the public.

## PARLIAMENTARIAN

Meetings of the school board will be conducted in accordance with Robert's Rules of Order, Revised, and the Board President or designee will function as the parliamentarian for resolving any questions related to the rules of order.

The Board, however, will not be precluded from pursuing deliberations in an atmosphere of free exchange of information and opinion and will not be bound to adhere to the rules of order whenever more informal deliberations may be determined warranted by the Board President or the Board.

BOARD POLICY DEVELOPMENT

The Board considers policy development one of its chief functions. It is the intent of the Board to develop policies and put them in writing so that they may serve as guidelines and goals for the successful and efficient functioning of the public schools.

It is through the development and adoption of written policies that the Board will exercise its leadership in the operation of the school system. It is through study and evaluation of reports concerning the execution of its written policies that the Board will exercise its control over school operations.

It is the Board's intention that its written policies serve as guides for the discretionary action of those to whom it delegates authority and as a source of information and guidance for all persons who are interested in, and affected by, the district schools.

The policies of the Board are developed, and are meant to be interpreted, in terms of state laws, regulations of the State Board of Education, and other applicable county, state and federal regulations. The policies are also framed, and meant to be interpreted, in terms of those educational objectives, procedures and practices that are broadly accepted by leaders and authorities in the public education field.

Changes in needs, conditions, purposes and objectives will require revisions, deletions and additions to the policies of present and future boards. The Board will welcome suggestions for ongoing policy development.

PRELIMINARY DEVELOPMENT OF POLICIES

Proposals regarding school district policies and operations may originate from any of several sources: a student, a parent, a community resident, a consultant, a civic group, an employee, a board member, an administrator or supervisor, or the superintendent.

A careful and orderly process will be established for reviewing and considering such proposals prior to Board review and action.

Final action on such proposals, whatever their source, will be by the Board in accord with its policy on policy adoption. The Board will take action on most matters on the basis of recommendations presented to the Board by the superintendent. The superintendent will base his recommendations on the outcomes of study and upon the judgment of the professional staff and study committees.

POLICY DISSEMINATION

The Superintendent is directed to establish and maintain an orderly plan for preserving and making accessible the policies adopted by the Board and the administrative rules and regulations needed to put them into effect.

Accessibility is to extend to all employees of the school system, to members of the Board, and, insofar as conveniently possible, to all persons in the community.

All policy manuals shall remain the property of the Douglas School System and shall be considered “on loan” to any individual or organization, in whose possession they might be at any time. Policy manuals are subject to recall at any time deemed necessary by the Superintendent for purposes of updating.

The Board’s policy manual will be considered a public record and will be open for inspection at the Superintendent’s office during regular office hours.

**POLICY REVIEW AND EVALUATION / MANUAL ACCURACY CHECK**

In an effort to keep its written policies up-to-date so that they may be used consistently as a basis for Board action and administrative decision, the Board will review its policies on a continuing basis.

The Board will evaluate how the policies have been executed by the school staff and will weigh the results. It will rely on the school staff, students and the community for providing evidence of the effect of the policies that it has adopted.

The Superintendent is given the continuing commission of calling to the Board’s attention all policies that are out-of-date or for other reason appear to need revision. Each board policy that is reviewed by the Superintendent shall be presented to the Board as part of the District’s effort to continually review board policy.

The Board directs the Superintendent to review the electronic copy of all board policies and regulations periodically for purposes of administrative updating and Board review.

**NEW BOARD MEMBER ORIENTATION**

The Board considers it important that a new member be knowledgeable about school governance and operations, and, insofar as possible, prepared to discuss and cast informed votes on matters before the Board.

To maintain high standards and continuity in operating the school system, new board members will be given special attention promptly after election.

The Board will compile copies of policies and regulations, which are revised regularly, to be given each new member. A retiring member should furnish the new member with his or her accumulated materials.

The Superintendent will be responsible for arranging a conference(s) with new board members on the Board's work, objectives and purposes and will discuss the legislative function of the Board with the administrative functions of the Superintendent. The new members will be given a tour of the school(s), be provided with a map of the district; past and current surveys and reports on curriculum, teaching standards and certification, school services, facilities, finances, and taxes; a calendar of business; and copies of minutes.

New members have a responsibility to inform themselves about the educational program, employed personnel, laws and board procedure, board policies, teaching materials and facilities, school services, needs of community, interested public service organizations and techniques of good public relations.

**BOARD MEMBER DEVELOPMENT OPPORTUNITIES**

Board members will be encouraged to participate in meetings and activities of area, state and national school boards associations, and of other educational groups, and to study and examine the materials received from these organizations.

Upon Board approval, travel and convention expenses will be provided to individual members within budgetary limitations to advance their development as school board members.

To help members develop understanding of the educational program, the Superintendent will request members of the professional staff to appear before the Board from time to time to present and discuss new developments in various areas of curriculum and instruction.
