**II. Public Comment**

There were no public comments this evening.

**III. Administrative Reports**

**III.A. Superintendent's Announcements**

- Mr. Winzler welcomed Ms. Kim Dessert, Kearns Principal, and Jim Bowe, Principal of Granby Memorial High School as they will be making presentations to the Board this evening.
- Congratulations to the boys' soccer team and girls' field hockey team. The boys' soccer team has made it into the semi final game which will be played on Wednesday versus Abbott Tech (time and location TBD). The girls' field hockey team is playing their semi-final game today versus North Branford. If they win, the final game will be played on Saturday at 2:00 p.m. at Wethersfield High School.
- Congratulations to Ray Haack and Michael Main (8<sup>th</sup> grader at GMMS) for receiving the CAPSS Leadership Award. They were recognized at the Farmington Valley Superintendents' Award Luncheon on Friday.
- With regard to the H1N1 flu, we are still monitoring absentee rates for both students and staff. Mr. Winzler stated that he is happy to report that absentee rates for all the schools in the district are in the single digits. Mr. Winzler also stated that we have still not heard anything from the Farmington Valley Health District but have been told that the vaccine has been ordered.

- ID badges have been delivered to all school employees and must be worn and visible throughout the day. Additionally, badges will be given to visitors and substitute teachers as well.
- Many of the schools had ceremonies to honor our veterans on Veterans Day. Kelly Lane had an assembly and invited senior citizens who were veterans. Additionally, Wells Road students invited family members and friends who were veterans to a luncheon and the Middle School held a town hall meeting with veterans present.
- Congratulations to Wells Road students from the Live Strong Gang (which is a bereavement support group at Wells Road) for collecting 66 pounds of used crayons! The crayons will now go to the Crayons for Cancer Organization which melts them down into large, multicolored, shaped crayons, and sells them to benefit the children of CCMC's pediatric oncology unit.
- Parent conferences are this week November 18 and 19 for the middle and high schools (with an early release on November 18<sup>th</sup> for secondary schools only) and November 20, 23 and 24 for the elementary schools (with an early release for all those dates for the elementary schools).
- Wolcott High School will visit Granby High School this Thursday to see our PLC teams in action. We continue to be a model for other districts.
- The CABE/CAPSS Convention will be held this Friday and Saturday. Granby will be recognized for the CABE Award of Excellence for Educational Communications for our Vision Supplement as well as the CABE Board of Distinction Award – Level II. Additionally, Marie Nicholls will be recognized for 10 years of service to the Board.

Mr. Heminway stated that he attended the Kelly Lane presentation on the 11th and that the responses from people who were honored there found it very moving and very much appreciated it.

Mr. Heminway also mentioned that he visited Mr. Addley on Friday and that he will hopefully be back among us soon.

### **III.B. Student Representative Reports**

There were no student representative reports this evening.

### **III.C. School Improvement Plan**

Kim Dessert, Principal of Kearns Primary School, presented the school improvement plan. Ms. Dessert reported the progress made toward the goals at the proficient level. Kindergarten was 47% proficient in January - the goal is to have 100% of children reading at the benchmark level. The end result is by the end of Grade 3, 94% of children go on to Kelly and Wells reading at the proficient level. Mr. Heminway asked if the Board should look at this data over a three year period. Ms. Dessert said that, yes, they should. Ms. Dessert then spoke about the action plan. They have book groups that happen at faculty meetings; professional development on the gradual release of responsibility and being independent; peer sharing of instructional practices where a second grade teacher may go into a first grade teacher's classroom; SMART goals aligned with school goal and development; and, provide effective and timely interventions for students at risk. Mr. O'Connor asked how many interventions occur during the year. Ms. Dessert said she can get that data for him and that they are constantly re-evaluating and process monitoring students. Sue Domanico, Director of Elementary Education, stated that 53 different students received interventions in Kindergarten last year. Mr. O'Connor asked how prepared students were to learn coming into the system. Ms. Dessert stated that Kearns is working closely with pre-schools in town and has asked every pre-school teacher to spend a day at Kearns and talk about their observations. Pre-schools have asked if Kearns can share some of their models. Kindergarten teachers will go to pre-schools in May and will get together and do peer sharing. Mr. Heminway asked that of the 6% who are not at goal by the time they go to Kelly or Wells, are parents encouraged to send them to summer school? Ms. Dessert said that, yes, they are. Mr. Heminway also asked if any of the 6% of students were Choice students. Ms. Dessert said that of the 6% of the students not at goal last year, Choice students were not part of that percentage. Mr. Ohannessian stated that he would like to see a consistency between the school goal and team smart goals. Ms. Dessert said that they are not 100% the way we want it to be and they are perfecting the process of writing SMART goals. Mr. Wutka inquired what percentage of students read at level 4, 18 and 28 in January for Kindergarten, first and second grade. Ms. Dessert said that she can get that data for him. Mr. Wutka also

asked why we wouldn't back out the students who have special needs. Ms. Dessert stated that every student should be making progress and we need to track that. She also stated that the school goal is aligned with the district's mission statement. Ms. Dessert wrapped up her presentation by discussing the next steps at Kearns. They will continue to work on reading curriculum and expectations for instruction, professional development in the area of writing, and map out for the year writing expectations for each grade level. Mr. Heminway stated that there should be an additional charter to the school improvement plan report every year as to how things are and address more of the Board's comprehensive questions in this area. Mr. Ohannessian stated that he would like to see a presentation or get the data on the numeracy area.

#### **IV. Consent Agenda**

##### **IV.A. Minutes**

The Board approved the minutes of November 4, 2009. Moved by John O'Connor and seconded by Matt Wutka. Passed unanimously at 7:50 p.m.

##### **V.B. Youth Services Bureau Survey**

Mr. Heminway stated that Ed Ohannessian, Ron Walther and he attended the community forum and listened to the entire report. He stated that there was some discussion at the end as to where the town was taking this and that a strategic plan will be developed with involvement from Pat Law. He also stated that some activity would relate to those items which we could have control over or where we can help with building assets. This item was put on the agenda tonight to get the sense of the Board as how we would like to proceed. Mr. Ohannessian stated that Pat Law distributed what was impacted by the school. He said that 28 questions focused on those areas and what kind of plan we can create to improve those. Six assets related to schools directly, three internal and three external. Mr. Heminway stated that the thrust of the presentation was on drugs and alcohol. He said that we should try to inject some funds into the planning process for budget next year. They agreed that made sense. Mr. Ohannessian stated that there was a strong desire by the audience to test more frequently than the five years as suggested.

#### **VI. New Business**

##### **VI.A. NEAS&C Two-Year Report**

Jim Bowe, Principal of Granby Memorial High School, presented a summary of the NEAS&C two-year report. Mr. Bowe stated that there were 42 commendations that resulted from the visit. There were 29 recommendations that we were asked to address. Mr. Bowe spoke about some of the highlights under each standard. Of the recommendations listed some were in progress, some planned for the future, and some completed. There are no standards listed that they are "not attempting" which is a category that can be chosen. Mr. Heminway mentioned the schools in the spotlight and that he would like to see a senior project presentation. Mr. O'Connor asked when the high school would get visited again. Mr. Bowe stated in ten

years in 2017. He also stated that after this 2-year report a 5-year report must be filed as well. The 2-year report was submitted October 1st.

## **VI.B. GEA Contract Ratification**

Mr. Wutka gave the highlights of the GEA Contract. With regard to wage increases, it will be 0% for the first year with no plan design changes. In the second year, plan premium cost share will increase from 17% to 17½% as well as a couple of word changes. The general wage increase for the second year will be as follows: with less than 17 years' experience 1.25%; greater than 17 years will be 1.56%. Those teachers on step increase will get step increase halfway through the pay year. This results in a 2.85% increase in Year 2. Mr. Wutka stated that negotiations began on August 28th and ended on November 2<sup>nd</sup>.

**Primary Motion Passed:** That the Granby Board of Education ratify the GEA Contract beginning July 1, 2010 through June 30, 2012. Passed with a motion by Matthew Wutka and a second by Edward Ohannessian.

Cal Heminway	Yes
Marie Nicholls	Yes
John O'Connor	Yes
Edward Ohannessian	Yes

Re: Draft of FY11 BOE Budget Goals

Pursuant to our discussion about the FY11 budget, the following are my recommended goals for Board adoption that would be used to guide the budget development process:

1. Support the vision, mission, vision, values, and goals of the district;
2. Develop a budget that is responsive to the economic climate and the guidelines set by the Board of Finance; and,
3. Maintain levels of personnel, programs, infrastructure, and services that meet the essential needs of the district.

### **Psychotropic Drug Use**

The Board of Education prohibits all school personnel from recommending the use of psychotropic drugs for any student enrolled within the school system. For purposes of this policy, the term “recommend” shall mean to directly or indirectly suggest that a child use psychotropic drugs.

Psychotropic drugs are defined as prescription medications for behavioral or social-emotional concerns, such as attentional deficits, impulsivity, anxiety, depression and thought disorders and includes, but is not limited to stimulant medications and anti-depressants.

However, school health or mental health personnel, including school nurses or nurse practitioners, the District’s Medical Advisor, school psychologists, school social workers, school counselors and the Director of Special Services may recommend that a student be evaluated by an appropriate medical practitioner.

Procedures shall be established by the Superintendent of Schools or his/her designee (or Director of Special Education) delineating the manner in which school personnel and school health and mental health personnel shall communicate with each other regarding children who may need to be recommended for a medical evaluation. Such procedures shall also include how school health and mental health personnel should communicate the need for a medical evaluation to the child’s parents/guardians. Such procedures shall be consistent with all mandatory and existing procedures and due process safeguards governing assessment and diagnosis.

Further, upon the consent of the student’s parents or guardian, obtained, in writing, through the Planning and Placement Team process, school personnel may consult with the medical practitioner regarding such use.

In addition, the Planning and Placement Team (PPT) may recommend a medical evaluation as part of an initial evaluation or reevaluation, as needed to determine either a child’s eligibility for special education and related services, or educational needs for an individualized education program (IEP).

The Superintendent of Schools or his/her designee shall distribute this policy to district staff and parents/guardians of students annually and upon the registration of new students.

### **Psychotropic Drug Use**

In order to properly implement the Board policy prohibiting school personnel from recommending the use of psychotropic drugs for any child, the following administrative regulations are hereby established:

1. Psychotropic drugs are defined as prescription medications for behavioral or social-emotional concerns, such as attention deficits, impulsivity, anxiety, depression and thought disorders.
2. Psychotropic drugs include, but are not limited to, Ritalin, Adderal, Dexedrine and other stimulant medication, and anti-depressants.
3. Under no circumstances may any member of the Granby Public Schools staff recommend (whether in oral or written format) the use psychotropic drugs to parents and/or guardians for their child(ren).
4. School health or mental health personnel (including school nurses or nurse practitioners, the District Medical Advisor, school psychologists, school social workers, school counselors and the Director of Special Services) is permitted to discuss with parents and/or guardians of a child the advisability of a medical evaluation by an appropriate medical practitioner when there are behaviors or concerns that may be indicative of medication considerations.
5. School personnel, through the Planning and Placement Team referral process, shall communicate to the school medical staff about a child's behavior that may indicate the need for an evaluation.
6. The Planning and Placement Team (PPT) has the authority and responsibility to recommend a medical evaluation as part of an initial evaluation or reevaluation as needed to determine a child's eligibility for special education and related services, or educational needs for a child's individualized education program (IEP).
7. As required, the District may seek remedy through the due process provisions allowed under the Individuals with Disabilities Educational Act (IDEA) if a parent and/or guardian refuses consent for a reevaluation.

## **Students/Personnel - Certified**

### **Psychotropic Drug Use (Cont'd)**

8. Appropriate medical practitioners, such as a psychiatric consultant or physician, with whom the District contracts for services to students or to whom the District makes a referral for an evaluation may recommend such medications.
9. School personnel may consult with the medical practitioner performing the evaluation with the informed consent of the parent or guardian of the child. The purposes of such communication include the following:
  - a. Conveying concerns or observations of a child, both prior to and following a medical evaluation;
  - b. Requesting health records and other educationally relevant medical evaluations;
  - c. Providing school records to medical practitioners upon request;
  - d. Providing information on school performance to help a medical practitioner monitor and evaluate the effectiveness of psychotropic drugs and/or other medical interventions and/or treatment;
  - e. Discussing with medical practitioners appropriate and necessary nursing or health care in schools to ensure student safety;
  - f. Disclosure of educationally relevant information by the medical practitioner to school personnel.
10. The Department of Children and Families (DCF) is limited by this legislation to take a child into custody solely on the refusal of a parent or guardian to administer or consent to the administration of any psychotropic drug. However, a PPT meeting may be convened if the child is eligible or may be eligible for special education or making a referral to the Department of Children and Families if there are concerns about a child's safety and possible abuse or neglect.
