VI. Other

Monthly Curriculum Sub Committee Report

From: Diane Dugas, Director of Curriculum, Teaching and Learning

Date: November 7, 2012

Professional Development:

- School Improvement Network with the Center for School Change – Teacher Supervision, Building System Coherence for Instructional Leadership (Bob Gilbert, Ann Forlenza-Bailey, Diane)
- Leadership and Learning Design Institute with Alan November (4 Sessions) – Designing Instruction to Facilitate Student Engagement (Four Media Specialists K-8 and Diane)
- Held Teacher Leadership Academy I and II – Teacher Leadership Academy is a learning opportunity for aspiring leaders to understand the leadership roles in instruction and school improvement as a part of a system. Each Cohort meets once per month. Cohort I is facilitated by a different administrator monthly, while cohort two is facilitated by Alan and Diane.

Curriculum:

Each of the core curriculum committees will meet for three full days during the 2012-2013 school year beginning in late October, followed by our three day summer curriculum writing institute in June. Simultaneous to committee work which will emphasize unit writing literacy specialists are working with Mike Dunn, Language Arts Supervisor to create a scope and sequence of study skills and writing conventions by grade level to be incorporated into the curriculum work this year. The Math/Science specialists are working to align EDM lessons to identified math units of instruction by grade level for teachers, allowing us to identify where we have gaps in resources for instruction given the new common core expectations.

- Language Arts 9-12 – Met for two days with an emphasis on English 11 units of instruction, assessment and rubrics.
- Math K-12 – Are working on alignment of resources to CCSS units for recommendation to the Board for approval and K-6 Math Specialists worked for three days on alignment of EDM resources to units of instruction.

Intervention Implementation Update:

- Professional Development – Informal and ongoing
- Communication – Implementation meetings are being held with principals and central services staff, facilitated by Aimee Martin to review implementation progress of three year plans. Recommendations are being considered through the initial budget process for both staffing and intervention resources.

Other Committee Work:

- Teacher Supervision and Evaluation Committee met for one day and completed revisions to a draft rubric to guide the observation portion of the evidence collection and feedback. The rubric was created making connections to Granby's guiding documents and other pertinent state resources. The committee will reconvene on November 27th to finalize the lesson plans staff review and input which are scheduled to take place during the December and January faculty

meetings and January half day PD time. Next steps engage the group in writing policy development regarding implementation of the plan.

Other:

- Ongoing with SERC to implement the strategic plan and professional development activities and timeline related to cultural competence and equitable practices
- Held Math/Science Specialists, LA Supervisor goal setting meetings
- Attended Annual TEAM District Facilitators meeting
- Collaborated with Principals on budget planning and process, development of curriculum budget
- Participation in research, planning and various meetings related to the reconfiguration of the intermediate schools
- Revised Elementary progress reports to include world language and made revisions to math based on new CCSS expectations being taught, created preschool progress report.
- Ongoing collaborative work with Ed Lyman and Julie Bragg to customize Naviance to our Student Success Plan model and roll out the implementation of SSP's 6-8.

Monthly Meetings:

- District Ad Council – Continued exploration and development of a district writing action plan (with the inclusion of key literacy leaders); initiated the beginning stages of administrative evaluation development process.
- Elementary Ad Council Meetings – Interventions, benchmark data, professional development and teacher evaluation, DAG.
- K-12 Coaching Meetings- Meetings are structured with a three tiered focus: building capacity to change practice; address district level work such as visualizing the learning principles and providing a scope and sequence for study skills; content specific work in literacy and math/science. These meetings occur one day per month from 8-3 and include the literacy specialists, math/science specialists and special education consulting teachers.
- Established monthly meetings with Media Specialists and technology department to fulfill goals identified in our Technology plan regarding changing roles and responsibilities
- Walkthrough's- Collaborate with principals on the planning and implementation of their walkthrough's based on their theory of action and problems of practice. Kearns and Kelly Lane both had walkthrough's in October.
- PLC Team meetings – As appropriate.
- Superintendent meetings – Ongoing daily communication and district level planning
- BOE meetings- Presentations of District level achievement and continuous improvement plan
