BOARD MEETINGS

All regular and special meetings of the Board shall be open to the public.

The Board invites the viewpoints of citizens throughout the District, and considers the responsible presentation of these viewpoints vital to the efficient operation of the District. The Board also recognizes its responsibility for the proper governance of the schools and therefore the need to conduct its business in an orderly and efficient manner. The Board therefore establishes the following procedures to receive input from citizens of the District:

- The Board President shall be responsible for recognizing speakers, maintaining proper order, and adhering to a time limit of thirty (30) minutes for all presentations and a maximum of five (5) minutes per speaker. In order to ensure that each individual has an opportunity to address the Board, the President may also set a time limit of less than five (5) minutes for individual speakers based upon the length of the comment period and number of requests received.
- Questions of fact asked by the public shall, when appropriate, be answered by the President or referred to the Superintendent for reply. No action or discussion shall transpire among Board members regarding such questions or comments. Questions requiring investigation shall be referred to the Superintendent for later report to the Board. Questions or comments on matters that are currently under legal review will not receive

a response.

- Members of the public or invited guests may be recognized by the President to assist the Board with information for the conduct of its official business.
