- Mr. and Mrs. Stone addressed the Board of Education regarding information they sent to Board members expressing their concerns in regards to the high school dance team and dance team advisor. Chairman Palmer cautioned the Stones about making comments about personnel in public participation. The Board members acknowledged receipt of previous correspondence sent to them by the Stones. Dr. Suffredini will address their concerns with administration and will get back to Mr. & Mrs. Stone within the next week.
- Dr. Collin reported that the annual preschool accreditation report has been sent to NAEYC and they are waiting to hear if the preschool accreditation will be maintained for next year.

4.1 School Wellness Committee Report

Carol Meagher, Head Nurse and Chairman of the Wellness Committee, updated the Board on the work being done by this committee. Last year the committee's focus was on nutrition and food allergies. This year the committee is looking at how physically active students are both during and after school. A student survey has been developed and the results will be used to determine if there is a need to offer more physical activities in the schools. Mrs. Meagher anticipates that the committee will be prepared to make recommendations in the spring.

4.2 Lunch Program Report

Cathi Smith, Lunch Program Director, and Leslie Gengenbach, Assistant Lunch Program Director, provided the Board with an update of the school lunch program. Mrs. Smith stated that although they are a privately funded and are not required to do so, they follow all the federal guidelines. The kitchen facilities are inspected yearly and have always passed with high marks. The program does provide free and reduced lunch to students who qualify; however, because the program is not federally funded, they do not receive reimbursement.

Mrs. Smith reported that they looked into joining the federal program a few years ago but the impact to the high school food service program outweighed the benefits. They plan to review the program again this year.

Breakfast is served at the high school. A.Kirkpatrick asked if there was anything available for after school snacks for students participating in after school activities. Currently, there is not but Mrs. Smith and Mrs. Gengenbach will see if there is any interest.

Peanut butter was removed from the schools last year due to the recall and has not been brought back this year.

Mrs. Smith reported that they participate in cooperative purchasing through EASTCONN and as a result, have changed some of their vendors and products. EASTCONN also sends daily notification of national product recalls.

District employees shall within 30 days after they are hired submit to state and national criminal checks. District students employed by the school system are exempted from this requirement.

Workers placed in a school under a public assistance employment program shall also submit to the criminal check if such individuals will have direct contact with students.

School nurses and nurse practitioners appointed by the board or under contract with the board shall also submit to a criminal history check pursuant to C.G.S. 29-17a.

Student teachers placed in district schools as part of completing preparation requirements for the issuance of an educator certificate, effective July 1, 2010, shall also be required to undergo the same criminal background checks already required for school employees.
